COLLEGE DEANS...

Girls with troubles and with favors to ask, all find an interested friend when they talk it over with Dean of Women, Alice Robinson. Maybe someone wants late leave for that special dance, or maybe they are having trouble with some seemingly impossible lesson. Everything seems to have a brighter future after hearing those words of encouragement from Miss Robinson. Bewildered freshmen seem to feel more welcome and important when the Dean calls them by their first names, and upperclassmen are pleased to know that they are remembered from previous years. As sponsor of Women’s League, Miss Robinson helps plan interesting activities and programs for those Tuesday meetings. Any time and in any situation the girls know they have a faithful counselor.

Dean of Women

Dean of Men, B. F. Stutheit, hears many problems from the men, but none are too great for him to solve. Although he has charge of many activities, including the sponsorship of Men’s League, Counselor of Men’s Hall and Vet’s Village, Mr. Stutheit finds time to help all those who need it. Freshmen, as well as upperclassmen, feel at ease with Dean Stutheit, as he seems to be one of them. The office of the Dean of Men is always a popular place for men to discuss absences from classes, troubles with schedules, or maybe a downslip. This year Mr. Stutheit wrote many letters to the fellows’ Selective Service Boards across the state, asking for a few more months so they could receive their degrees. Whatever the situation, men always find a good counsel when talking to Dean Stutheit.
COLLEGE SUBHEADS

The first requirement for good education is good teachers. Teacher training and psychology of learning is stressed by Kearney's Education Department, under the direction of Dr. H. G. Stout. Dr. Stout prepares the educational program in such a way that it may change, as times change. His primary goal is to improve the fields of education for both primary and secondary teachers. He is well known, nationally, as an educator, for his thesis entitled Variations of Normal Children is included in the libraries of many colleges. Dr. Stout also has the responsibility of the vice-presidency of the college. During absences of the president he takes charge of meetings, grants permission for student activities, and is present for many social events. After hours, Dr. Stout is a golf enthusiast.

An important man in the life of every teacher from Kearney College is Mr. Del Danker, director of the Placement Bureau. Mr. Danker not only helps the future teachers find positions, but advises them as to schedules and salaries. As a result of Mr. Danker's Teacher's Training Program, men and women who leave Kearney College to accept positions in secondary education will have had the experience of observing classes in the Kearney Public Schools and of practice teaching under the supervision of Kearney Public School teachers. Primary teachers receive experience in the training school in the A. O. Thomas building. Mr. Danker is interested in training future teachers of America in the best possible method, that is, the practical application of knowledge acquired.

een-minded are the Seniors pictured on the following pages. They have worked long preparing themselves to meet the challenge of the future. A few will enter the Army, but to many others, the future means more work toward fulfilling the nation’s teacher shortage. The Seniors have captured a place in our hearts—these are the persons that we’ll miss the most.

Anxiously awaiting their graduation in May, a few of the seniors try on some caps and gowns. Norma Jean Ferris helps Senior Class president Clarence Court right adjust his cap to “just the right angle,” while Marge Schurr, Allen Bellinger, Jerome Martin, and Glenn Knapple look on approvingly.

orea—a short word of infinite meanings for the youth of America. To the Junior Class men the Korean “incident” had a special meaning, for most of the enlistees from NSTC were in the Class of 1952. Quickly adjusting to the war “jitters,” the Juniors calmly carried on the College traditions by sponsoring the Junior-Senior Prom and the Senior Recognition Day.

Talking over Homecoming activities are Junior Class officers Bill Nelson, vice-president, Pat Asher, secretary, Don Hill, treasurer, and Pete Dolan, president.

Knowledge is the uppermost thing toward which the sophomores are striving. As new upperclassmen, they now realize that as they move through college the competition steadily grows keener. The girls have later dormitory hours, but most of the fellows are too busy studying to go dating very often. The two-year students will be teaching elementary grades next year.

knowing when and how to plan the activities of the year is a task for the Student Council. The highlights of the year, Freshmen Week, Homecoming Day, the dance, the Coronation of the Queen, Sadie Hawkins, Christmas Carnival, Bronco Days, Rush Week, Elections, and all the other parties and dances at the Union keep the school year interesting and enjoyable for all.

The crowning of lovely Miss Alta Hubbert, Homecoming Queen of 1950, brings to a climax the excitement of the Homecoming Day festivities.
At kick-off time, Miss Jeanne Coe, last year’s lovely Homecoming Queen, gives the football to Dud Graham, one of the officials for the Wesleyan game.

After the spirited snake dance through the dorms, co-captains for the game, Ed Minnick, Paul Marzolf, and Ted Jamson receive recognition at the big pre-game rally. In the background is the huge “W” which burned during the rally.

The “Sausage Shop” of the Phi Tau Gamma fraternity won first prize in the Homecoming parade. Outstanding features of the parade were eleven high school bands, eight of which were directed by K.S.T.C. grads.

Delta Pi Beta sorority captured first prize with this colorful campus display. The Caledonian’s display, “Jolt the Plainsmen,” won second while the Zip Club won third prize with their cheerleader display.

Stan Pollman, Al Smith, and Don Shreve greet the crowd from atop their Caledonian second place winner. Third place winner was the Delta float “Pot the Plainsmen.” The Sigma’s “Ship of Success” received recognition.
Mammy and Pappy Yokum take time out for a camera shot and some Kikapoo Joe Juce. Under the masks they are Don Shreve and Lou Casey. They won Schmoo prizes for their "Mammy and Pappy" costumes.

Tall Paul Marzolf and Dorothy take time out for refreshment after winning a Schmoo clock for having the best married couple costume. Jack Leithoff's portrayal of Lonesome Polecat also received recognition.

Bill Smith measures Elmer Murman's and Ramona Fecht's waistlines to determine the admission price which is traditionally two cents an inch. Elmer as "Lonesome Polecat," was winner of a flying saucer for having the best costume of the evening.

"Ketched" tags and beards were everywhere and the gals paid all the bills. At left, Ed Minnick addresses the crowd during intermission at the Sadie Hawkins dance, at lower right is part of Otto Vap's "Collegians."
CHRISTMAS CARNIVAL...

"Honest John" Lewis—the guy who greets most of us every morning over KCFW—was the master of ceremonies at the Christmas Carnival revue of entertainment furnished by many of the organizations of the campus.

"The Phone Booth Four," Harold Allen, Arlen Bergland, Bill Geisler, and Dewaine Alcorn harmonize on "Drivin' Home the Cows." Their singing was so appreciated that the audience demanded several encores.

These Sigma "Babies" sang a fine arrangement of "All I Want for Christmas Is My Two Front Teeth" complete with the lisping and whistling. The "Babies" are Beverly Swanson, Nita Frank, Margaret Schlagel, Delores Johnson, Wilma Roessler, and Virginia Mason.

Barbara Parriot looks confident as she tries her hand at miniature bowling at the Senior booth. Looking on are Jim Doody, Dale Gerten, Arlene Knapple, Bill Geisler, Bob Busteed, Duane Munson, and Clarence Courtright.

The Delta's skit, "Bessie, the Bandit's Beautiful Baby," gave audiences more than their money's worth in entertainment. The cast included Billie Schultz, Jeanette Ibsen, Evelyn Urban, June Powell, Bonnie Smith, Jeanette Harrison, Norma Jean Ferris, Ruth Mahoney, and Betty Dill.
Elmer and Patty were the choice of the campus for the honored positions of Christmas King and Queen. During the intermission of the Christmas Ball, President Cushing introduced the candidates and crowned the King and Queen. The other candidates were: Janice Phelps, Mary Lou Martin, Jane Waldo, Phyllis Erickson, Dorothy Baum, Drahmy Storch, Clarence Courtright, Ed Norris, Loren Swanson, Ed Schnoor.
S. C. ELECTION DAY.

The winning candidate for president, Wayne Sintek, addresses the student body after a slight delay in his schedule caused by "difficulties in Washington."

Harold Reck, the new vice president, assured the crowd that "in the event of my being assassinated during a party upheaval, I may be replaced most ably by my twin brother, Gerald.

"Mom" Pratt has invited the dorm Board into her apartment to pose for the camera man. The officers are: Ernie Matuschka, President, Johnny Hendrix, Vice President; Wayne Rodehorst, Treasurer, Don Danielson, Secretary. "Mom" and Bernard Stuheit.

The dormitory life adds much to the college life of the students living on the campus. The generous housemothers do everything they can to help the students feel at home.

Keystones of our education are the college’s fine arts activities shown on these pages. The Band, Orchestra, and A Cappella Choir furnish culture and relaxation to those who participate and to the many who attend the concerts. The All-College Plays “Dark Victory” and “Charlie’s Aunt” entertained capacity audiences with fine drama.

The drama in “Dark Victory” nears the climax as Dr. Steele vents his anger on Judith Traherne. Dr. Steele was played by Jack Leithoff, Marilyn Eck played the part of Judith Traherne.

BAND...

BAND ROSTER

The first part of the Band's school year is devoted to marching under the able direction of Mr. Robert House. The band appeared at the half-times of all the football games except one. On that evening the temperature was 10 degrees, which is cold enough to damage valuable instruments. The highlight of the marching season was the High School Band Day in connection with Homecoming Day. All of the high school bands in central Nebraska under the direction of former KSTC students were invited to participate in the festivities of the day.

After the football season, the band started working on concert material for a convocation performance and a formal concert on January 19th. During March the band went to the Kearney High School for a convocation period. The highlight of the second semester was the annual tour in the latter part of April. Everyone enjoyed missing classes and making new friends at Loup City, Ord, Arnold, Gothenburg, Curtis and Eustis. Arriving back in Kearney, the tired Band members gave a concert in the college auditorium as a finale for the concert season. The climax of the year for the Band students came when the annual band picnic was held at the Officer's sandpit with plenty of food and good times for all. Mr. House is to be complimented on his fine work with the Band and the small ensemble groups that tour the high schools during the year.

The Band's Drum Major and Majorettes, Arlene Knapple, Jackie Rothrock, Gary Thomas, and Leola Zeller.

ORCHESTRA...

Carl Eberl, director of the Kearney Symphony Orchestra.
The Kearney Symphony Orchestra is a combined College-Civic organization, comprised of 65 members of all ages and walks of life—Junior and Senior High School students from the Kearney Public Schools, students from the Teachers College, and townspeople from Kearney, Leighton, Cozad, Hastings, North Platte, Wood River and other towns. The Kearney Symphony affords an opportunity for these people to play serious music of the highest calibre and in presenting this music to the Kearney public, enhances the cultural aspects of the community and college alike.

In its 2th season, this past year, the Symphony presented its first concert in the College Auditorium on December 6, 1950. The program consisted of Johann Strauss' Overture to "Die Fledermaus," Schubert's "Symphony in B Minor" ("Unfinished"), "Eight Russian Folk Songs" by Liadov, and Four Episodes from "Rodeo" by Aaron Copland. The concert was well played and well received, Mr. Eberl offering Leroy Anderson's "Sleigh Ride" as an encore selection. The second concert, March 20, 1951, featured Jo Ann Mundorff, KSTC Sophomore, as soloist in the "Concerto for Flute and Orchestra in D Major" by Mozart. The remainder of the program was comprised of the Overture to "Egmont" by Beethoven, Ravel's "Pavane" and the "Symphony in D Minor" by Cesar Franck. The concert was brought to a close by a clever musical satire on radio jingles called "Jingles All the Way."

Instead of a third orchestral concert, the orchestra combined its efforts with the college Male Chorus and soloists Don Welch and Elizabeth Harris in presenting highlights from "The Student Prince" at the May 14th Choir concert.

These students who enjoy singing are joined together in the college A Cappella Choir. Under the capable hand of Mr. William Lynn, the choir gave several concerts, a Christmas Concert and went on a choir tour.
Kearney's publications, the Antelope newspaper, and the Blue and Gold yearbook, are carefully planned to record vivid scenes from the many activities that will be relived in your memories of college life. The persons who promoted the school spirit and made these memorable occasions possible were the members of the hard-working Student Council.

Proving that the publications' staffs can get along on friendly terms, yearbook editor Ed Norris and his assistant Twila Keller listen as the Antelope editor Glenn Thompson tells about his artist's latest cartoon.
The Sports Editor Chuck Lindly shows the football layouts to Arlene Knapple and typist Wilma Roesler.

The assistant editor, Twila Keller, helps to relieve the pressure of a deadline by typing some copy for the printer.

Nita Frank, staff writer, looks through the personnel files to find the home towns of a few students.

After a hard day of selling ads, Bob Ihrig and Harlan Fletcher list the numbers of some cuts before sending them to the printer.
Clarence Courtright, the Business Manager of the Blue and Gold, found that his work included solving a “jillion” problems each week.

The Editor, Ed Norris, points out some mistakes to be avoided to Stan Mallory, a staff typist. Despite Stan’s bewildered look in this picture, he does a fine job with copy.

THE YEARBOOK...

To record many vivid scenes from this memorable school year has been our goal as we have worked on this yearbook. There were times of disappointment and encouragement as the book slowly worked into shape. Many hours of anxiety waiting for proofs, photos and write-ups. Despite the many hours of work there is always that certain feeling of satisfaction when a job is finished.

In November, Glenn Thompson and John Mandeville of the Antelope, Clarence Courtright and I were privileged to attend the Associated Collegiate Press Convention in Chicago. On November 11th, the entire staff enjoyed a short trip to Lincoln where, after a late breakfast with Mr. Bill DeVriendt of Capital Engraving Company, the whole crew attended the Nebraska-Iowa football game.

At the end of first semester Ernie Matuschka, Clarence’s assistant, graduated and enlisted in the Air Forces. Also unavailable for a picture was Lou Casey, a staff typist, who was working in Lexington during second semester.

We sincerely hope you enjoy the book as much as we have enjoyed making it for you.

THE ANTELOPE STAFF...

Don't let anyone tell you that newspaper work is easy. Anyone who says that hasn't delved very far into the journalistic field. But on the other hand, journalism is a field of many rewards. Ask any member of the Antelope staff, and he'll tell you that it's quite a thrill seeing something which you have written in print for the first time. It isn't long, however, before this newness wears off. The glamour is gone, but the work remains. Still, there is that feeling of accomplishment, a spirit of working together for a common goal that more than repays the newspaper man.

That was the spirit among the members of this year's Antelope staff, striving for campus news coverage, originality of thought, and business management of the paper.

To be successful, a newspaper must have cooperation and coordination. Through the capable assistance of faculty sponsor Miss Clara Johnson, editor Glenn Thompson and business manager John Mandeville attained just that.

June Hodge, Marge Schurr, Zelda Jeanne Ryan, Bill Ramsey, Ina Claire Frischholz, and Marcelle Von Behren. The news and feature writers for the newspaper, some acting as roving reporters who bring news tips to the writers.
These long faces belonging to Dick Unwiller, Bob Engler, and Phyllis Gray may indicate that business manager John Mandeville isn't pleased with the week's ad sales.

Elaine Panek, M. Jeanne Sharp, James Mohatt and Ethel Turner, the Antelope circulation staff, sometimes known as the “FridayFolders.”

Jim Van Marter ably handled the duties of Sports Editor and the awarding of the Antelope trophy to the outstanding intramural basketball player of the year. Dale Fitzke received the annual award.

Antelope cartoonist Frank Raasch is considered by many to be the finest cartoonist the Antelope has ever had. His original drawings drew praise from national press organizations.

Pictured on these pages are the members of the Antelope staff, the reporters, the columnists, the circulation and business staffs—all the individuals who worked long hours trying to make the Antelope a representative college newspaper of KSTC.

Mae Ritter, Dan Garber, Don Sherrill—Antelope columnists writing “Met in the Hall,” “Gob by Garber,” and “Question of the Week.” Not pictured are “Dutch” Flower who wrote “Tulips to Julips,” and John Mandeville, author of “Behind the Ivy Walls.”
THE STUDENT COUNCIL

The Student Council of the 1950-1951 school year has done a good job promoting school spirit and cooperation among the students. The numerous dances, parties and pep rallies have all been made possible through the efforts of the Student Council and their able sponsors, Miss Leona Mae Failor and Mr. Otto Olson.
Members of the Council were: Dewaine Alcorn, Pat Asher, Johnny Hendrix, Glenn Knapple, Paul Marsolf, Richard Means, Carolyn Sanderman, Ward Schrack, Wayne Sintek, Bill Smith, Beverly Swanson, Loren Swanson, Elmer Murman, Vice president, and Ed Minnick, President.
Kick-off time . . . 8:00 . . . The band music floats through the chilly night air over the bleachers filled with students and townspeople who, inspired by the energetic cheerleaders, are doing some spirited yells. The field is alive with players running through plays as their quarterbacks snap out the signals—don't you have memories of many nights just like this?
FOOTBALL...

Coach Charlie Foster: Director of Athletics, Head Football and Track Coach. Coach Foster has finished his sixth successful year at Kearney State. His football team finished in the top division of the Conference. He has coached three track championships and a runner-up last year. Over a period of twenty-four years, Coach Charlie’s record is very impressive. He stresses to play the game to win but by the letter of the rule. Mr. Foster received his Master’s Degree from Denver University.

Coach Leland Copeland: Assistant Coach in Football, Basketball, and Track. Mr. Copeland is the hard working assistant that gets a workout in every sport. His basketball chores include a fine intramural program in which all boys of the college are eligible to participate. Copeland went to school at Wayne State where he made a very good record for himself in athletics. He received his Master’s Degree at Colorado State in Greeley.

ANTELOPES WIN OPENER FROM KANSAS CREW . . .

25-7

The Antelopes emerged victorious over the Swedes from Bethany College at Lindsburg, Kansas, in their season opener. Sparked by Wes Boggs, Marzolf, and Dick Elm, the Antelopes served notice at the start that the Kansas boys would be in for a long evening.

The Swedes drew first blood early in the second quarter after intercepting a Kearney pass and returning it to the local forty-yard line. After a few good line backs, Carlson took it over from the eleven yard line. The extra point was good, the score stood 7-0.

Minutes later, Minnick grabbed a Swede pass on the enemy’s fourteen yard line. A pass from Staab to Marzolf in the end zone produced the Foster-coached lads with their first score. The extra point kick was blocked making the score 7-6.

The Kearney boys scored again in the second quarter driving nearly the entire length of the field. Gains by Boggs and James set the stage for a spectacular 53 yard dash by end Marzolf. The half-time gun found the Blue and Gold out in front 12-7.

It was a see-saw battle until late in the final stanza when the Antelopes started a drive from their own fort and kept advancing until Elm put it over from the one yard stripe. Candy’s conversion made the final score 25-7. With Kaminiski, Marzolf, Webb, and Patsios playing heads-up ball, the defense was excellent.

FOSTERMEN SWAMP UNDERMANNED YORK 31-0

The Antelopes chalked up their second victory of the season by scoring four touchdowns in the first half to defeat the York Panthers 31-0.

The Panthers proved to be no match for the Antelopes, who ripped big holes in the York line and completed eight passes for 130 yards.

Jim Lyons was the defensive star as he continuously snared Panther backs before they could pick up any valuable yardage. The pass defense proved to be impenetrable as the Antelopes broke up every aerial attempt.

Staab cracked over from the three for the first tally. Late in the first period Staab intercepted and returned a York pass 17 yards. Kearney hammered out two first downs before Boggs went off tackle 12 yards for pay dirt.

The third TD came in the second period on a 67 yard march highlighted by three pass completions. The score came on a 15 yard pass from quarterback Jamson to Webb.

The final tally came with the second half hardly getting started when Elm intercepted a Panther pass and scammed 40 yards to score. Candy successfully converted the only extra point of the evening.

BRONCOS STOP ANTELOPE WIN STEAK 12-7

Kearney Teachers gave their first loss of the season to a hard-charging Hastings eleven in an NCC tilt. Led by Knigge and Ed Langley, the Broncos continuously broke through the Antelope line and skirted the ends for large gains. The rival’s aerial attack was halted without a single pass completion. Fumbles, intercepted passes, and bagging down the Kearney men from having that final surge.

Kearney’s aerial attempts also went on the rocks for only four of the fourteen passes were completed. Although lax at times, the Antelope defense restricted the Hastings crew to short gains time and again. Holding down the burden of defensive play for Kearney were Peterson, Bellinger, and Marzolf.

Hastings scored first in the second quarter after recovering a Kearney fumble on the 32 yard line. Eight plays later, Edwards went over from the five on an end-around sweep.

“Toughie” Bellinger cinches another first down as he sweeps around end for a good gain against the York Panthers. Jim Patsios seems to have had some trouble.
WESLEYAN OUTLASTS KEARNEY 19-12
AT HOMECOMING

An underdog Plainsman eleven outcharged and out-
ran the Antelopes to take a 19-12 verdict.

The Methodists played their best game of the season
as they pushed the Antelopes with considerable ease.
The Antelopes seemed unable to get ground and air
attacks to function when needed.

Ivan Kaminski, Antelope tackle, again turned in a
sterling performance in his best game of the season.
Dick Elm equalled Kaminski’s performance in his expert
linebacking.

The game opened with a bang when Bill James took
the opening kick-off on his own six yard line and
raced 94 yards for a touchdown behind perfect block-
ing. The attempt to convert the extra point failed.

Kearney again took the lead in the second quarter
as Bill Hasemeyer, center, recovered a Wesleyan fumble
on the foe’s 26 yard stripe. Staab passed to Jamson
for 16 yards to start the touchdown series. Three
plays later Staab passed to Minnick for the score. The
conversion again went wide.

Wesleyan dampened any Kearney hopes in the last
quarter by tallying twice, the latter of the two being
scored in the last two minutes of the game.

ANTELOPES CUFF MIDLAND 21-18

The Kearney Antelopes rebounded into the win
column with a 21-18 victory over the Midland Warriors.

After suffering two straight Warrior touchdowns, the
Blue and Gold overcame a half time deficit of eleven
points and scored twice in the remaining two quarters
for the victory.

Two of Kearney’s scores came via the air route. Eddie
Staab threw both markers with Marzolf on the end of
one and Jack Brestal scoring the other six pointer.

The remaining score came with Elm lugging the
leather across. This score was set up by a 20 yard gain
by Jamson. Two of the extra points were made by
conversions with Jim Lyons and Cecil Stutzman doing
the kicking. Elm added the other point by running
the ball over.

Captain Ivan Kaminski played exceptionally well on
defense with Jim Young and Dick Wilm also doing a
time job. Dean Webb played his usual good game.

Ed Minnick shows plenty of drive and he kept right
on going to score against Bethany. Dean Webb and
Ted Jamson try to help as referee Pulliam looks on.

Wesleyan’s Don Alley is caught between two evils
as Webb, Kaminski, Patsios, and Peterson are ready to
help the two Kearney Tacklers. It was quite a pile-up.
Allen Bellinger, KKK—“Toughie” comes from Arcadia and is a fine defensive halfback. He also did a reliable job playing quarterback on offense. He was a good ball carrier.

Wesley Boggs, K—A halfback with lots of speed and deception and one of the main offensive cogs. Wes played in safety position on punts, and he hails from Oshkosh.

Jack Brestal, K—A freshman from Chappell who played a fine offensive end. Not too speedy, but has lots of football savvy.

Kent Brestal, K—Another Chappell lad who worked as center at the beginning of the season but was later moved to defensive right end. Proved to be very rugged.

Bill Dohman, K—Bill comes from Alemo, Colorado. He showed lots of aggressiveness at tackle and was a destructive blocker playing mostly on offense.

Don Dyer, K—A very scrappy and dependable guard who comes to Kearney via the Gothenburg route. Plays well on both offense and defense, and was picked for Chadrin’s All-Opponent team.

Dick Elm, KK—A Kearney boy who plays a lot of ball at offensive fullback and linebacker. He has an exceptionally lot of drive and is speedy for a big guy.

Bill James, KK—Dynamic sophomore back from North Platte, who is very fast and an excellent broken field runner. Bill’s 96 yard kick-off return against Wesleyan proved all of this and more.

Ted Jamson, KKK—Ted was the boy who made the “T” click. As quarterback, he was a good runner and passer. The Grand Island lad was very good at deception.

Jim Lyons, K—Injuries hindered the Gibbon boy somewhat, but didn’t stop him from playing some good hard ball. Jim was an excellent linebacker, being both rough and fast.

Ivan Kaminski, KKK—“Little Dutch” was one of the outstanding Antelopes of the year, being placed on the Lincoln Journal’s and Player’s selection of the All-NCC team. The Arcadia midget played a very rugged tackle and was elected as one of the Co-Captains for the year. Weight - 246 pounds.

Paul Marzolf, KKK—Mr. “Shoes” of North Platte was also an outstanding player. Despite his leg injury, Paul had one of his best seasons, being placed on several All-Conference selections, and being chosen as the other Co-Captain for the year. Towering Paul made a good target for passes.
Ed Minnick, KKKK—Ed was a fine ball carrier. Back injuries kept the speedy North Platte lad out of the last few games. Played secondary on defense and showed lots of speed.

Jim Patsios, KK—Jim played an excellent game at guard, and was usually on the bottom of the pile-ups. He hails from Kearney.

Glen Peterson, KKK—This Gothenburg boy was an excellent blocker and played a fast and rugged game at Tackle.

Ed Staab, KK—One of the best passers in the Conference, Ed was a deadly tackler and a good runner, too.

Gene Turner, KKK—“Bulldog”, a center, was the man who started the plays. Playing linebacker on defense, he’s a hard tackler.

Dean Webb, KK—A Kearney boy who plays heads-up ball at defensive end. Slipping through the lines, he stopped many ball-carriers for losses.

Orville Wilson, K—“Bud” is a product of Gothenburg, and was coming along good in the latter part of the season. He did some quarterbacking and was a good tackler on defense.

Jim Young, K—This lad from North Platte played guard and defensive linebacker. He showed lots of fight and football savvy.

Dick Elm goes around left end for more yardage in the Homecoming game against Wesleyan. “Toughie” Bellinger runs the interference and Jim Patsios throws a nice block into Wesleyan’s DuBois.
HIGHLY TOUTED PERU PASTES NSTC 32-6

Peru, the surprise package of the Nebraska College Conference, entertained the Antelopes at their Homecoming festivities to the tune of 32-6.

It was the fifth win in six starts for the Bobcats and the Antelopes’ third loss of the season.

Darrell Mudra seemed to be the big gun for Peru, scoring three of the five Peru touchdowns. Passes from Gausman to Thomas, and Schelte to Brawner, picked up 35 yards and set the stage for the Bobcats’ first tally with Mudra going over from the two. Minutes later Mudra scored again from the nine, making the score 14-0 at the end of the quarter.

The Fostermen held good in the second quarter, but couldn’t manage to get a marker.
A 19 yard aerial from Gausman to James started the second half scoring. The kick-off resulted in a 45 yard drive for Peru, and Mudra scored from the seven. Peru’s final tally resulted from Bob Wilson’s 44 yard jaunt after intercepting a Kearney pass.

The Antelopes averted a shut-out late in the fourth period by scoring with a 19 yard Staab-to-Jamson pass after recovering a Peru fumble.

WAYNE EDGES KEARNEY ... 13-7

The Kearney boys found themselves on the short end of a heart-breaking loss to the Wayne Wildcats.

It looked like victory for the Antelopes in the last quarter when halfback Don Kane went around end for 51 yards and the winning touchdown.

The Wildcats drew first blood in the second period when a Joiner-to-Flynn pass clicked for 54 yards and a touchdown.

Trailing 6-0 at halftime, the Antelopes came back in the third quarter when Staab connected with a 37 yard aerial to Jack Brestal who scampered 20 more for the touchdown. Bellinger’s toe found the mark, putting the Blue and Gold in the lead 7-6.

Then with 6 minutes left, Kane made his vital run putting the Wayne crew ahead 13-7.

The Antelopes played an inspired game as the line held the powerful Wayne team to only eight first downs. Ed Staab and Dick Elm were Kearney’s best offensive men, while Kaminski, Bellinger and Young played good defensive ball.

Wayne’s large Homecoming crowd was treated by seeing one of their best games of the year.

NSTC SURPRISES CHADRON ... 14-7

The Antelopes combined a potent passing attack and a strong defense to get back into the win column by beating an inspired, but outplayed Chadron crew 14-7.

The Eagles started the scoring in the first period as they powered their way through for 34 yards and a TD. Kearney then took the kick-off and covered 51 yards on a series of passes.

Jack Brestal snatched the last pass out of the hands of two Chadron defenders and got to the 1 yard stripe. Bellinger smacked over for the score and Lyons converted.

The Antelopes scored again early in the third period on a 68 yard march. The play was set up by a Staab-to-Jamson pass and some fine running by quarterback Jamson. Bill James sprinted over on a 9 yard jaunt around end. Lyons' placement was again good and the score stood 14-7 in Kearney's favor.

Chadron resorted to passing in the last quarter, but failed to gain much as Kearney's pass defense was at its peak, being led by Boggs, who broke up several Eagle passes.

Sparking the Antelope defense was Patsios, Kami-
ski, Lyons, and Webb.

NCC CHAMPS DUMP ANTELOPES 19-6

The Fostermen dropped their final game to a hard-
charging, pass-flinging Doane eleven.

The Kearney boys played a good game, but lacked the spirit they displayed against Chadron the week before.

A fumble by Kearney on their 13 yard line set the stage for the Tigers first score late in the first quarter.

In the second quarter, the Blue and Gold's defensive platoon tightened up and played exceptionally good ball. Led by Dyer, Webb, and Kamiński, the Antelopes stopped the Doane team time and again on scoring thrusts which carried 60 yards.

Doane's final tally came when they took over a punt on the Kearney 45. Fletcher burst off tackle and dashed the 45 yards on a spectacular run.

With plenty of fighting spirit left the Antelopes came back late in the fourth period to score on a 92 yard drive for their only marker of the day. The drive started with Staab completing five out of six passes covering 73 yards. A pass from Jamson to Hinkle covered 6 more yards. With a first down on the five, Elm crashed over on the third play.
Paul "Shoes" Marzolf makes the first touchdown of the season against Bethany, Kansas. Bill Hasemeyer couldn't help towering Paul, who made two touchdowns that night.

Ed Staab streaks for a good gain as a Bethany player tries in vain to bring him down. The Kearney boys showed plenty of know-how in their first game.

Kearney's hard-running Boggs runs into trouble as a York man brings him down. Bill Hasemeyer and Dan Carver are a little late with their good intentions. Referee Bob Day is getting a birds-eye view.
"K" CLUB...

Every athletic-minded boy's ambition is win a letter while at college, and to the Kearney fellows, the "K" is the mark of their achievements in sports.

The promotion of cooperation and loyalty among Kearney athletes is the goal of the "K" Club, for long hours of practice are needed to attain the ultimate in fellowship and organization.

The group held their annual "K" Club Dance in December, crowning Miss Rosemary Krutz the "K" Club Queen of 1951.

Her Highness, Miss Rosemary Krutz, of Kearney, Nebraska, "K" Club Queen of 1951.
Kearney's basketball team, sparked by Murman, Marzolf and Sintek kept even the best teams in the state on their guard. Game attendences were undoubtedly much higher this year than in several years back indicating that students and townspeople alike are anxious to see what new basketball talent our competent coach Bill Morris has developed.
Basketball

Coach William Morris

Coach Bill has done a tremendous job this year molding the boys into a good team. Although starting out slow, the Antelopes displayed top-notch ball many times.

They started the season on a trip to South Dakota, losing the first one, but winning the second one. Sintek hit for 17, but Kearney lost to Huron 75-57. The Antelopes beat Dakota Wesleyan 53-51 in a hard fought game. They took it on the chin again as Hastings stepped on them to the tune of 67-47. Buena Vista was next to top the Kearney boys. The first conference game proved the boys could play ball as they dumped Midland 51-33. With Marzolf hitting 20 and Swanson, Murman, and Jelden playing heads up ball, they really got to clicking. Wesleyan fell by the tide 53-43 with Sintek hitting for 14. Hastings drubbed the Antelopes for the second time 76-68. Marzolf and Jelden led the scoring with 21 and 13 points.

The York Panthers played an inspired game of ball, but fell short 61-60, with Tall Paul getting 23. With Hinkle, Sintek, Smith, and Marzolf cutting the mesh, the Antelopes spanked Wayne, 73-64. Doane got re-

Paul Marsolf KKKK—Paul was the Antelopes leading scorer and also was eighth in Conference scoring. He is a fine pivot man and an excellent rebounder. Tall Paul stands 6'4" and has earned 4 varsity letters. He will be hard to replace next season. Paul was elected to the All-Conference team at forward by the World Hearld.

Elmer Murman—KKKK—Elmer also has 4 letters to his credit and has played the best ball of his career this year. Although he was short, he made up for it in floor work and setting up plays. He displayed a hustling type of ball and was third in team scoring from his guard position.

Dave Jelden—KKK—Dave has played the best ball of his career and should be in there making baskets next year. He has plenty of speed and is noted for his hard drive-in shots. He is a Junior and stands 6 feet tall.

Wayne Sintek—KK—Wayne ended up second in team scoring and also ranked high in Conference scoring. He is an excellent ball handler and a good floor man. He is very consistent and has a sharp eye for the basket. Wayne should hit his peak next year.

Loran Swanson—KKK—Swannie has earned his third varsity letter and should hit his top stride next year. He is a good rebounder and has a fast shot. He is 6 feet tall and hails from Broken Bow.

Tall Paul rolls one over the rim against Wesleyan as Sintek and Swanson are close at hand. The Wesleyan boys look plenty eager.
venge by a score of 52-42. The Wesleyan Men also
applied the brakes to Kearney 63-51 with Swanson,
Sintek and Marzolf making 41 of them. The Antelopes
finally got on the victory trail again using Midland as
bait; 59-53. Hastings won a heart breaker from the
Kearney boys in a close, hard-fought contest. Smith
with 33 points proved too much for the scrappy Ante-
lopes.

The Kearney boys lost another crowd-pleaser 61-60
to Peru after leading practically the whole game. Sintek,
Jelden, Marzolf, Murman and Jake all played excellent
ball with Wayne hitting for 20. Chadron split a twin
ball with the Antelopes losing the first one 59-56 and
taking the second one 69-62. Wayne was Kearney's
next foe, falling 79-64, with Hinkle, and Jelden playing
heads up ball. The boys really got to rolling in their
94-61 thrashing of York. Twelve Antelopes scored
with Sintek getting 23. Kearney lost their final game
to a fine Peru team 84-76. With Kearney boys play-
ing good ball, they didn't have quite enough to stop
Meeker and Co. Playing their last game for the Blue
and Gold were Marzolf, Murman, Smith and Watts.

Murman goes high in the air as the score also goes
higher. Sintek and Murman couple to help it needed
—and don't forget Mr. Bob Smith.

A. JAKUBOWSKI  D. VAN NORDHEIM  FLOYD WATTS  HERM HINKLE

Ed Smith—KK—Ed is a set shot artist, but also has
a variety of others. He is a threat in or away from
the basket. He is a good ball handler and a hustler.
Ed is a Senior and comes from Gandy.

Floyd Watts—KK—What Brick lacked in height
he made up for in aggressiveness. He is a good floor
man and a good shot from his guard position. He is
very good on a man-to-man defense. Brick is a senior
and has earned 3 letters.

Herman Hinkle—KK—Herm is a good shot and a
real hustler. Playing only part-time, he displayed some
good basketball. He is only a sophomore and should
do great things in his next two years.

Cecil Stutzman—KK—Cecil is a freshman and has one
varsity letter to his credit. He is a good shot and should
come along fine in the next couple of years. He stands
6 feet tall and hails from Chappell.

Arnold Jakubowski—K—Jake is a pivot man and has
his job cut out for him next year. He has a good hook
shot and is very aggressive. He is a sophomore and has
two good years left. He started hitting his stride
at the last of the season.

Dave Van Nordheim—KK—Dave is 6 feet tall and
comes from Glencil. He has plenty of spirit and fight.
He is a good floor man and has a number of shots. With
two years left, we should see lots more of Van.

Sintek and Swanson seem to be excited, but I think
Charlie Stickels has just dropped one in. Smith and
Moody are close by just in case of misses. They should
know better with Stickels' accuracy.

A small fellow wouldn’t have a chance in this struggle as Marzolf out-jumps Hastings’ Ace, Bob Smith.

It was impossible to get pictures of everyone this year, but some of the following men are reliable point-getters. Kearney's Sohrweid, Murman, Ramsey, Kahler, Hahn, Jelden, Jim Smith and Minnick, Kearney State's cindermen are the chief threat to unseat Doane as the Conference rulers.

Gene "Bulldog" Turner is Kearney's threat in the shot put. He throws consistently around 44 feet and should have a chance for the N.C.C. record this year.
Golfing prospects are good this year, for the three fellows on the right were members of the state championship team of 1950. Left to right are: Coach Bill Morris, Lloyd Sylvester, Bob Baker, Don Hill, and Bob Daggett.

These are the unsung heroes who officiated the intramural basketball games. Front Row: Dale Prosser, Kenneth Kahler, Elmer Murman, Jim Van Matre, Floyd Watts, Chuck Lindly, Duane Munson. Back Row: Louis Hagen, Dale Hall, Ivan Kaminski, Clarence Courtright, Bob Ihrig, and Dave McNair.

Here are the winners of the intramural basketball tournaments—The Esquires. In the front row are: Don Dahlin, Marshall Hahn, Duane Freeman, Bob Clancy, Jim Van Marter. Standing are: Loren Swanson, coach, Reuben Anders, Dayle Fitzke, Ed Staab, and John Bartholomew.
Now the importance of organization and fellowship, many outstanding students have been brought together in athletics, music, religious groups, and honor fraternities. Vital organizations to all students of the campus are the Men’s and Women’s Leagues. There is a place for every student in one or more of the many organizations at NSTC.
MEN'S LEAGUE...

Under the guidance of President Elmer Murman, the Men's League Council planned several events for the men of KSTC. Included in the offering were smokers, two special sports films which were shown at the Student Union and a spring picnic.

Other officers who were elected during the spring semester last year were Don Hill, Ord, as vice president; Don Bushnell, Wilcox, secretary; and John Hendrix, Benkelman, as treasurer. Dean of Men B. F. Stutheit acted as sponsor for the group.

Among special activities sponsored by the League were the awarding of a plaque to the winner of the Intra-mural basketball race each year, a monthly dinner for Men's League Council, and acting as hosts to the freshmen during Freshmen Week which is scheduled each September to acquaint newcomers to the Friendly College with the essentials of college life.

The members of the Men's League Council take time-out for the photographer after a special dinner-meeting. The fellows are Darrel Lenz, Jack Brayn, Tony Gzechoviak, Herman Hinkle, Elmer Murman, Ed Norris, Don Hill, Edwin Minnick, Keith Osborne, Bill Smith.
Have you ever seen so many faces in one picture? This myriad of faces represents only a small portion of the Women's League. Think back, girls, did you attend the meeting that morning? If so, your face may be among those on this picture.

WOMEN'S LEAGUE...

The mid-century year found the women in Women's League looking forward each month to the Tuesday morning meeting of the organization. President Gwen Jordan kept the programs interesting and varied for included in the plans were dress and style shows, a discussion of floral arrangement, a faculty-student tea, student-mother tea, music and many special speakers which helped them to prepare for life after they leave college. Other officers who assisted the president were Genevieve Koehler, Grand Island, vice-president; Jane Waldo, Republican City, secretary; and Dolores Johnson, Heartwell, treasurer.

The special project of the group was a college bulletin which will be sent to all graduating seniors of Nebraska high schools. In order to show high school students the everyday happenings during a college life, the league found a bulletin best served their purpose.

The group was sponsored by the Dean of Women, Alice Robinson.

Gwen Jordan pours the punch for a Women's League luncheon hour at the Student Union. Waiting to be served are Marion Paulsen, Barbara Walker, Bonnie Richter, Martha Lowe, Pearl Dyer, and Mary Lou Bartruff.
PI KAPPA DELTA...

H. L. Ahrendts, chapter sponsor, is serving his second term as governor of the Province of the Plains, which includes 25 chapters in Nebraska, Kansas, and Colorado.

Second semester pledges not pictured are Bea Jepsen, Joyce Jesske, Janice Phelps, Alberta Rieg, Jean Snow and Judith Teichert.

ZIP CLUB...

The purpose of the Zip Club is to create school spirit among the students. The Zip Club members form the cheering section at the football and basketball games and they also usher at school events, lyceum programs and inter-high school day. For the first time the newly set up point system of the Zip Club was used. Girls who had earned enough points were awarded letters. The Zip Club is open to all girls on the campus.

Elaine Panek, president, Gloria Francis, vice president, Germaine Christensen, secretary and treasurer, and Miss Yingling.
Y. W. C. A.

The emblem of the Young Women's Christian Association is the familiar blue triangle that symbolizes the purposes of the organization. The base of the triangle is appropriately representative of the spiritual aspect of a Christian's personality. The other two equal sides stand for the social and intellectual phases, respectively. The Y.W.C.A. recognizes the importance of all three in their weekly meetings held each Wednesday evening. Each time a special program, including a period of devotions, is held.

Highlights of the Calendar for the Year:

In September, at the beginning of the fall semester, the Y.W.C.A. sponsored the Big-Little Sister Tea to help new girls get acquainted.

The Membership Dinner in October closed our drive for membership in Y.W.
The big event of the year was co-sponsoring the Christmas Carnival with the Y.M.C.A. The funds raised are used to send students to state, regional, and national conferences.

In March new officers were installed for the next year at a dinner meeting with the traditional installation ceremony.

On Inter-High Day the Y.W. served lunch to the students and other visitors on our campus.

SIGMA THETA EPSILON...

Sigma Theta Epsilon—National Religious Fraternity for Methodist Men

At a meeting here at Kearney, fifteen members organized a club for Methodist Men. This club, named the "Upsilon" Chapter of Sigma Theta Epsilon, was organized to promote a more intimate fellowship among men of Methodist faith and to organize life around Jesus Christ as the Master of life. As the goal toward which the fraternity will strive is to create an organization that will build Christian character in the men of its membership.

The 1,800 mile trip to Bloomington over the Thanksgiving holiday for national conclave was a memorable trip to be sure. The six men who attended the four-day meeting were highly commended by Darwin Johnson as national secretary to S.T.E., an honor, indeed, to Upsilon and Kearney.

Second semester found S.T.E., as were other organizations, affected by the world situation. Lyle Hart and Bob Hegwood joined the "rush to service" and joined the Air Force.

Upsilon is proud to know that its members are among the leaders in both the religious life of the students, and the student government. Students across the country with leaders in honorary fraternities, Sigma Theta Epsilon is truly an outstanding group of men.

We appreciate and want to acknowledge our gratitude to Mr. Joe Bowes and Mr. Harold Ahrendts who as sponsors of the S.T.E. have given freely of their time to guide and assist us; also to Reverend Albert Lapthorne of the Kearney Methodist Church for his interest and help in getting Upsilon going at Kearney.

HOME EC CLUB...

Home Economics Club, now called "Colhecon," meets once a month. This year the club had approximately seventy-five members consisting of majors, minors, and other girls interested in Home Economics. The purpose of Colhecon is to develop leadership and the ideals of our profession which are associated with the American Home Economics Club.

The outstanding activities of the year included the packing of Christmas boxes for an adopted French orphanage and for several Greek families. This represented our celebration of United Nation’s Day.

The Christmas Silver Tea was held in Green Terrace. A silver offering was taken for an Omaha orphanage.

Ten girls attended the state convention in Lincoln March 9th and 10th where Janice Randall, our state representative, was elected State Treasurer.

One of the most outstanding meetings of the year was on Wedding Etiquette. Members of the club modeled their gowns as brides and attendants demonstrating the proper wedding etiquette. Our refreshment committee decorated a beautiful three-tiered wedding cake which was served with coffee.

The formal banquet was held in the Crystal Room, Hotel Fort Kearney in April. Bonnie Lee Smith was voted the 1951 Colhecon Sweetheart.

The year ended with an informal picnic at Harmon Park.
**PI OMEGA PI...**

**HONORARY BUSINESS FRATERNITY**

Active since 1929, Nu Chapter of Pi Omega Pi is one of the oldest honorary fraternities on the Kearney State Teachers College campus. Nu chapter is the thirteenth of seventy-six chapters located throughout the United States.

Membership in Pi Omega Pi is an honor which is bestowed upon those students in commerce who have done superior work and who have those qualities which tend to make for success in teaching. On the whole, students who are elected to Pi Omega Pi have an opportunity to take an active part in contributing to the success of the organization.

Under the leadership of Dan Garber, president; Frank Taylor, vice president; Elaine Burton, secretary; Alberta Rieg, treasurer; and Joyce Jesske, historian, the fraternity has done well during the past year to express its aims: service, loyalty, and progress.

Dinner meetings once a month have been the feature of the year’s activities with initiation ceremonies or programs of a professional nature as part of the agenda.

During Christmas vacation Dan Garber and Donald C. Nelson were delegates to the Pi Omega Pi national convention in Cleveland where they took an active part in committees which formulated fraternity policies on a national basis.

One of the projects of the past year has been the revision of the chapter’s by-laws. Another is a survey of Pi Omega Pi alumni to determine present positions and addresses of all former members. Many notable personalities in the field of business education are among Nu Chapter’s alumni.

Pi Omega Pi continues to present an award to an outstanding Freshman in commerce who meets scholarship, leadership, and personality qualifications.

Members of this organization are constantly made aware of the purposes of Pi Omega Pi which are to encourage and create interest in scholarship in commerce, to aid in civic betterment in college, to encourage and foster high ethical standards in business and professional life, and to teach the ideal of service as the basis of all worthy enterprise.
Keep those ribbons on where we can see them! What pledge hasn’t heard these words three times a day. Rush Week and Pledgeship are weeks of pleasure and excitement—for the actives. For the pledges it’s weeks of shining shoes and carrying books. Much ado and excitement is astir for sororities and fraternities as they back their election candidates in the spring.

Another meeting of the Inter-Fraternity-Sorority Council to discuss Rush Week plans. Around the table are Joan Daggett, Bernice Jepsen, Phyllis Erickson, Wilma Roesler, Mr. Welch, Ruth Mahoney, Drahmy Storch, Ernie Matuschka, Fred Abood, and Glenn Knapple.

**ZETA CHI ALPHA**

The Zetas had a very successful year under the direction of Dr. Failor. Highlighting their first semester’s activities was the reinstatement of their traditional Cinderella Ball. A senior, Cletis Henry, Holbrook, Nebraska, was crowned Cinderella princess. Other activities of the semester included the annual picnic, Homecoming, and the Christmas breakfast.

Second semester pledge season brought pennies to the initiation fund, new members to the sorority, and fun for all. Climaxing the year was the slumber party at Cottonmill Lodge.

In the spring the Zetas invited their mothers to the annual Mother’s Day tea. This is also the occasion to honor the seniors and present the new officers. The last weekend as usual was the date for the ‘slumber’ party at Cottonmill Lake.
The crowning glory for the Zetas came when they won the sorority scholarship plaque. In addition to this four P.T.A. scholarships, the Delta Kappa Gamma scholarship, and the Xi Phi sophomore award were granted to Zetas.

SIGMA THETA PHI...

Another successful year for the Sigmas! One of their greatest achievements was the election of Jane Waldo, Bev Swanson and Gwen Jordan as representatives to the Student Council. The Western Ranch Party held for the prospective pledges by the actives was an enjoyable evening for all.

The Sigmas elected Miss Wilma Roesler to be their Sigma Sweetheart of 1951. “Oriental Moonlight,” the theme of the Spring Formal, was the climax of another enjoyable year for Sigma Theta Phi.

The Sigma Sweetheart of 1951, Miss Wilma Roesler, Wilcox, Nebraska.
The Sigma officers relax for a picture in the Case Hall lobby. Left to right are: Lavonne Plambeck, secretary; Virginia Maton, treasurer; Wilma Roessler, rush chairman; Beverly Swanson, news reporter; Jane Waldo, vice president; Phyllis Erickson, president; and Miss Clara Ockinga, sponsor.

DELTA PI BETA...

As always, the Delta girls have shown in many ways their knack for being campus winners. Their three sorority aims: fellowship, scholarship, and leadership echo through the halls of Kearney State Teachers College. The traditional Holly Ball with an atmosphere of glistening ice and snow, gave the prospective pledges a vision of what their life as Deltas would be. The evening was climaxd by the presentation of the crown of holly to "Queen" Ruth Mahoney, the sorority's first semester president. Mrs. Mantor, who had been a temporary sponsor for the sorority introduced the new permanent sponsor, Miss Glo Rose Mitchell.

The Delta array of winners begins with Alta Hubbert Minnick who was the campus choice for the honor of Homecoming Queen. The Deltas are proud of Pat Asher, the 1950 Christmas Queen, and equally proud of Rosemary Krutz who reigned as "K" Club Queen.

Versatility is one word that adequately describes the Deltas. Jeanette Harrison, a prominent member of the sorority, is a member of the college debate squad, Co-champion in the Peace division of the oratorical contest and assistant editor of the Antelope. Jeanette and Marilyn Eck shared the lead in the college play, "Dark Victory." Pat Asher and Carolyn Sanderman shine as members of the student council. Sharon Peterson is a member of the Women's League Council.

The Deltas are represented in these honorary fraternities: Sigma Tau Delta, Xi Phi, Pi Kappa Delta, Lambda Delta Lambda, and Pi Omega Pi. They have shown outstanding leadership in WAA, Zip Club, Naiads, Cheerleading and Home Economics Club.
A part of the most exciting game of college life is the sorority’s rush of the girls they want to call “Sisters.” This year’s rush week began with the Rush Breakfast, the sorority president, Norma Jean Ferris, presiding. Following the breakfast was the Preference Dinner where the proud “Mothers” pinned the yellow and white ribbons on their “Daughters.” The pledges soon showed they were following in the footsteps of the actives when they presented a melodrama, “Fanny, The Farmer’s Daughter,” at the student union’s Gay Nineties Dance. Their glory, however, soon subsided when they took the back seat during pledge week and informal initiation. The hilariousness of garb and action is too inexpressible to mention here. Toward the end of the year it was the actives who “toed the line” when the pledges gave their return party.

Through the cooperation of every member and through the unfailing advice of their sponsor, Miss Mitchell, the Deltas have achieved honors as leaders and winners, established friendships as classmates, and have succeeded in making this one of the best and most memorable years of their lives.
Caledonians...

The 1950-51 school year has been a year of highlights for the sixty-two men who are members of the Caledonian Fraternity. This year the frat held regular dinner meetings, printed the Caledonian desk blotters, and adopted a new, original Cal fight song besides the many special activities throughout the year.

The first big event was Homecoming. The Cals displayed artistic ability and original ideas by winning second place with both the Cal float and campus display. Floyd Watts was chairman of the float committee, while Verle Straffan handled the campus display.

The outstanding feature of the day for the Cals was the first annual alumni dinner and the presentation of an annual award to some outstanding person on the campus.

This year the Cals selected "Mom" Pratt, dorm mother of Men's Hall. Inscribed on the award were the words, "To Mom Pratt, who has done so much, for so many, for so little."

With all the atmosphere of the gay nineties, one of the finest social events of the school year, the annual Bowery Ball was next on the Cal agenda of activities. Jess Geyer's orchestra furnished the music for the gala event which was held in the lavishly decorated air base gymnasium.

As second semester rolled around, pledge season was on and another time of busy activities was in store for the Caledonians. The annual Cal Smoker, given for the prospective pledges, featured a speech by Jack "Honest John" Lewis of radio station KCPW, as well as a personal appearance by those two recording celebrities, "John and Marsh." Following rush activities, thirty-one pledges and an equal number of actives enjoyed the Cal preference dinner which was held in the Crystal Ball room of the Fort Kearney Hotel. Principal speaker of the evening was former Caledonian, Dean Wallace, who is now practicing law in Kearney. After this, pledgehood went into full swing and the informal initiation, an evening looked forward to by the pledges, proved to be a huge success.

Then, at last the time arrived for the pledges to become full-fledged Caledonians at the formal initiation. A dinner and ritual ceremonies were held at the Fort Kearney Hotel.

Jack Oades piloted our spirited election campaign and Wayne "Smiley" Sintek was elected president of the Student Council for the coming year. Dave Jelden and Arnold Jakubowski were chosen by the student body as council representatives-at-large. The Cals also won the annual scholarship plaque, which is awarded by the Inter-Fraternity-Sorority Council.

Men who volunteered for active service in the Armed Forces were William Ahrens, Tom Cavanaugh, Don Danielson, Pete Dolan, Arthur Embree, Dale Gerten, Dale Olson, Tom Talbert, Rex Van Camp, Dick Walker, and Dode Deselms. Others who were not included in the active's picture are Reuben Anders, Lewis Dughman, Dick Ellis, Calvin Lehman, Stan Pollman, and Brick Watts.
Fred Abood led the Cals through their first semester's activities as President; Johnny Hendrix, Vice president; Tom Candy, Secretary; and Don Shreve, Treasurer.

Second semester officers of the fraternity were: President, Johnny Hendrix; Don Shreve held down the yeep's job; Tom Candy remained secretary; and Verle Straatman was elected treasurer.

All in all, it was a great year for the Caledonians as the wearers of the Blue and Gold proved themselves to be outstanding men on the campus of KSTC as leaders, scholastically and in sports. The Cals are sponsored by Mr. Kenneth Carlson, a former Cal himself, of the Industrial Education Department.

A typical group at the Bowery Ball were Al Smith, Don Atwater, Preston Houtchens, and Don Shreve. Seated are Dea Casey, Betty Bowen, Loretta Houtchens, and Lou Casey.

**PHI TAU GAMMA...**

The members of Phi Tau Gamma were again the leaders on the college campus. Phi Taus who held prominent offices continued to uphold the honor of the oldest fraternity at KSTC. The mid-year of the twentieth century found the Phi Taus well-represented in nearly all of the campus activities. Leading the long list is Ed Minnick, president of the Student Council for the last two years, football back, track star; Elmer Murman, three-year Student Council member, who was also a mainstay on the Antelope basketball team, held the president's office in Men's League and treasurer of the senior class; and Glenn Knapple, football player, Student Council member for two terms, track hurdler. Other college leaders include Paul Marzolf, football, basketball and track star, Student Council member; Ted Jamison, football quarterback; Bill Hasemeyer, football center; the state championship golf team composed of Bob Daggett, Bob Baker, and Don Hill.

Senior officers were led by Clarence Courtright, the junior class by Bill Nelson, the sophomore class by Jim Anderson and Harold Reck. Ed Norris and Clarence Courtright were editor and business manager respectively of the 1951 Blue and Gold. Seven Phi Taus held the majority of power on the Men's League Council and Bill Smith was elected president of the Inter-Frat-Sorority Council.

The fraternity was saddened at Christmas to learn that one of their former sponsors, Durfee Larson, who was on active duty in the Army, was reported missing in action in Korea. Actives answering the call to service this year were Jim Anderson, Douglas Anderson, and Bob Smith. Last spring, a large bronze plaque was presented to the school by Phi Tau Gamma in recognition of those men who gave their lives in World War II. In future years it is hoped that this memorial plaque will be placed in the new Student Union.

Homecoming was the time of rejoicing for all actives and alums, for the first place in floats went to the men of the Red and White. Included in the day's activities was the traditional smoker for all the grads.
At the spring Anniversary Ball of 1950, Phi Taus honored Miss Virginia Mason as Phi Tau Gamma Sweetheart. The elaborate decorations for the Ball followed the theme of "Davy Jones' Locker" and music was furnished by Riley Smith's orchestra—"right out of the whale's mouth."

Officers for the year were Glenn Knapple and Jack Bryan, Chancellors; Ed Norris and Harold Reck, Vice-chancellors; Daryl Lenstrom and Clarence Courtright, secretaries; Jack Bryan and Don Briggs, treasurers; Don Briggs and Bill Janssen, historians; and Bill Hasevoort and Glenn Knapple, pledge-masters.

Forty-two men chose Phi Tau as their preference and after the usual amount of action during pledging were formally initiated April 17. The faculty men who served as sponsors were Bill Morris, basketball coach, and N. R. Diffenderfer, geography instructor.

Yes, members of Phi Tau Gamma, which this year is celebrating its 36th anniversary, have a right to boast this phrase—LEADING CONTENDERS FOR CAMPUS LEADERSHIP.

Jim Doody and Clarence Courtright are attempting to drop the eggs directly into Don Reynolds' open mouth as Ted Jamson helps Don to cooperate. The informal initiation was held in the Air Base Gym.
