Education makes a people easy to lead, but difficult to drive; easy to govern, but impossible to enslave.

LORD BROUGHAM
From 225 towns in 70 Nebraska counties come students to the Nebraska State College at Kearney.

Over 200 graduates spread across the state each year providing teachers and leaders for hundreds of Nebraska cities.

Over 4000 Nebraska high school students benefit from the three big high school events sponsored by NSC each year—the Invitational Track Meet, Inter-high Day, and Band-Homecoming Day.
NEBRASKA
Clay and a careful hand are the ingredients for a successful statue and member of a sculpture class hope to possess both before a year’s work is over.

KGVF are the call letters, 605 is the dial setting for NSC’s own radio studio. Knavney — Orthophonic Voice of the Future.

Into the early hours of the morning, work progresses on Homecoming float.
ACTIVITIES

From the first day on campus to the last, activities play an important part in the life of an NSC student. No matter where his interest may lie there is a place for him, whether it be stuffing a float or blowing a horn.

Music hath charms, says a proverb, and so has the band as a section of it form a Nebraska State "N."

Homecoming... the activity of the year. As the completed floats roll down the streets lined with thousands, a thrill of accomplishment surges through those who have worked hard and long for these few minutes of glory.
AFAR IN THE WEST...
... where the green valleys run
And the sweeping hills dip to the plain,
Rise the grey, storied walls of the home we love...
Alma Mater! We hail thee again!
'Neath thy shade we have grazed over valley and plain
On the scenes that enrapture the eye,
And our hearts thrill with pride as the Blue and the Gold
Proudly floats 'gainst the evening sky.
“See you at the Union” is the cry heard often around NSC’s campus. Union life is as much a part of college living as are classes.

The jitterbug... or waltz or bunny hop, or whatever you wish is all there during the dances sponsored by the Union.

Perhaps you like to chat? Well, the Union is the place to meet and make friends over coffee or coke. At a table, or by the coke cooler, or any place at all this is the friendly college.
Anyone for billiards, or ping-pong maybe?

The new Union ... a dream of over ten years a reality. Completed in 1958 it serves the students as the old one never did before, and adds to the facilities a new cafeteria and new offices for campus groups.
Living together, working together, playing together—these describe the residents of the dormitories where undying friendships bud and blossom.

Whenever someone sits at a piano there’s always a group to sing, as the girls of Case Hall know.

"Anything good on TV?"

Finding out the latest news is only one of the between meal activities of Men’s Dorm residents. Others include cards, TV, and, of course, studying.

Dinner, that all important time of day. And it’s plenty good after that hard day of studying.
Finished in late fall of 1957 the new dorms, West Hall for men and North Hall for women, added room for 210 more students. The buildings boast tri-level reception rooms and the most modern facilities for their guests.

There's always time for studying.

Catching up on the latest gossip is an important pastime of these Martin Hall residents.
Not actually a part of the week itself but still part of the initial school activities is the all-college picnic sponsored by the Men's and Women's Leagues.

About the middle of September each year the new students descend upon Nebraska State College at Kearney. In a week dedicated just to them they become acquainted with the faculty, upperclassmen, and customs of the campus.
Meeting and conversing with faculty and administration is the primary offering of the Freshman-Faculty Reception, helping new students to become fully orientated to college life.

Finally, registration, as confused and listed as ever, but a day that those beginning college careers will never forget.
If you like volleyball . . .

or football . . .

or learning to dance . . .

or swimming . . .

or racing, Nebraska State is the place to come.

"Dr. Morse will be remembered as a dedicated teacher, who inspired her students so that they were satisfied with nothing less than their best effort. She knew the subject matter of chemistry and was thrilled with the occasional genius who enrolled in her classes, but equally patient in dealing with those who struggled even to achieve reasonable mastery of the subject.

Her students constituted her great interest in life and in their hearts will be found the truly great shrine that will perpetuate her memory."

President H. L. Cushing.

"The inspiration she gave us all will live forever. One time I said to her, ‘Dr. Morse, I don’t know how I’ll ever thank you for all you do for us,’ and she said, ‘Margretta, you will do these things for someone, and that will be the thanks.’ Sometimes students have said this to me and I have told them of Dr. Morse and her statement. I passed on her words. I have had students write and tell me they were ‘doing these things for someone else.’"

PRESIDENT

With a constant desire to serve the college, President Herbert Cushing has, for twenty-two years, led Nebraska State to outstanding achievements in the fields of teacher and vocational education. Through his ambitious ideals and capable leadership, the college has grown to be the largest in the state, serving Nebraskans and Nebraskans more than any other state college. Nebraska State can be proud to have as its head such an outstanding educator, citizen and man as President Cushing.

Student teaching is a very important part of learning, these cadets have discovered as they share their teaching experiences.

With the primary purpose of training students to apply the best educational principles as they teach in the communities of the state, the education department works under four major objectives—to have the prospective teacher know the whole child, understand him psychologically, be able to guide and direct the learning experiences, and hold for himself a philosophy of education that will meet his own needs in his particular teaching field.

The book one wants is simple to find through the use of the complete card catalogue.

Over 47,500 books, hundreds of non-maintained pictures, over 7000 bound magazines, and many newspapers and current magazines give a complete source of authoritative information in any subject, whether he is just browsing or fulfilling a class assignment. It is now possible to secure a minor in library science, training a student to meet the standards of the North Central Association and fill the librarian needs in most schools.

One of the most important tools of a scientist, the slide rule, is explained with the use of an out-sized model.

In a technical world where a knowledge of those sciences which makes possible material progress and individual and social welfare is of vast importance, the physical science department performs a varied task. Not only does it train teachers of the sciences, but it also furnishes pre-professional work for those students preparing for careers in medicine, dentistry, nursing, engineering, and governmental service.
In attempting to give fundamental training in the study of plants and animals the biology courses not only stress scientific principles but also assist the student in answering biological questions. Through the use of fine equipment students are given the opportunity to probe into the innermost secrets of life, examining and experimenting with the many specimens in the laboratories and museum.

Things are not always as they appear to the naked eye, these two biology students discover.

HOMECOMING

Saturday, October 12, brought alumni and friends to the annual Homecoming celebration. Filled with dinner, breakfasts, a parade, game, and dance, the day was highlighted with the crowning of Patricia Ott, Republican City senior, as Homecoming Queen. Selected by ballot of the student body, Pat was crowned by President H. L. Cushing during halftime of the game.

These five finalists vied for queen honors. They are (left to right) Miss Judy Pollock, Miss Patricia Ott, Miss Joanne Kivlighn, Miss Donna Siebler, and Miss Joyce Mitchell.

Miss Bernadine Eckhardt, 1956 Homecoming Queen, presents the new queen with her royal robe during the halftime of the game.
WE LOVE A PARADE

Placing third in the float competition was Kappa Alpha Phi's "Calypso Carousel." The Phi Tau Gamma float, "Calypso Village," won second, and is featured on page six.

Winning the campus displays contest was Case Hall with its "Calypso To Victory." Men's Hall was second and third went to W.A.A.
"Here comes the parade!" bringing an atmosphere of South American Calypso to the Nebraska State campus and the streets of Kearney. A record album, bongo drums, carousel, and calypso village suddenly become fantastically big at alumni and city dwellers witnessed the forty-one entry Homecoming Parade. Twenty-three bands and nine floats lent a gala air, with the campus displays adding their bit to the festive day.

Cloudy skies failed to dampen the spirits of the Homecoming visitors as the Antelopes won against Doane 26-7, and the victory was soundly celebrated at the Homecoming Dance that night.
Donna Siebler was chosen Home Ball Queen of the Delta Pi Beta Sorority.

In February, Donna traveled to Minneapolis to attend an audition of the Metropolitan Opera Company. She also appeared as lead in the Christmas opera.</p>

Each Coed Leads a Busy Life,

It's very plain to see,
Just follow Carrie through a day,
And you will soon agree.

Alarm clock says, "Time to arise."
How hard it is to open the eyes.

A phone call makes the day look bright,
That means another date tonight.

Mail-time comes with shouts of glee,
"Oh, I hope there's one for me!"

If a problem worries you—
Advisor knows just what to do.
Eating makes the body strong. Why are those scales always wrong?

Days are full with class and work, A coed has no time to shirk.

They say you'll find it in a book, The problem is just where to look.
A coed sometimes
breathes a sigh,
When it's time to
say good-by.

Popcorn is a nightly ritual,
Eating it becomes habitual.

And so the close of one more day,
Another coed hits the hay.

Highlight of the year’s activity was the State Student Council Convention, held on the NSC campus this year. A banquet was the feature of the first day of the meeting.

With the responsibility of representing student opinion and formulating policies and activities in line with student ideas, the Student Council plays an important part in strengthening cordial relations between faculty and students. Elected by vote of the student body, council members take the responsibility of planning student activities and controlling campus events.

This year’s Council was headed by Clark Yanda, who appointed Jean Nelson and Dick Austin to fill vacancies left by Jane Miller and Paul Wagner who did not return second semester. Major activities of the year included Homecoming, hosting the State Student Council Convention, and sponsoring several student dances and pep rallies.

Reading the minutes of her particular discussion group at the Student Council Convention is Elva Hermsen.
Composed of two representatives from each social group, this is the board of control among all campus fraternities and sororities. Meeting twice each month, the council acts under three main objectives; promoting better feeling between the social fraternities and sororities; improving and elevating the social life of the campus; and raising the scholarship of the members of the social groups affiliated with the council. All pledging and rushing is controlled by the council, which sets the rules and regulations governing all rush and pledge activities. The council also presents special plaques to the sorority and fraternity with the highest overall grade average.

Recognizing scholarship and leadership in the junior and senior classes, Xi Phi maintains high standards for admittance. In order for a student to be eligible, he must have attained at least a 3.0 average and have been active in at least three phases of campus activity. The Gamma chapter has as its major activities of the year an annual birthday dinner in December, numerous social meetings, and the newsletter which is printed each spring and mailed to both present and past members.

Organized in 1956, this club has a purpose of promoting good fellowship and professional attitude among its members. Open to majors and minors in the field of industrial arts, its membership also extends a welcome to others taking work in the department.

ALPHA PSI OMEGA

Recognizing participation in all phases of play production, the local chapter, Nu Upsilon, of this national honorary theater fraternity was chartered in 1934.
Open to biology majors, minors, or pre-professional students who are taking biology, this national honorary biology society was founded for the purpose of promoting interest in the life sciences. Active or full members are usually students of high scholastic standing in the biological sciences. Membership is also open on a provisional basis to those students not yet qualified for active status. The local Gamma Kappa chapter was organized in 1955, an outgrowth of the former Pre-Medic Club.

Coach Al Zikmund completed his third season as Head Coach of the Antelopes compiling an 8-1 record to finish another victorious season.

In three years at Kearney, coach Zikmund's teams have compiled a 25-3 record. Twice in three years his teams have won the Nebraska College Conference championship. In 1955 and again in 1956, he was voted the outstanding college coach of the year, in Nebraska.

IN THE BEGINNING

Coach Al Zikmund must have been a happy coach the first days of pre-school workouts this fall. He was greeted the opening day of practice by 120 anxious football candidates. Of these enthusiastic participants, more than a score were returning lettermen. Many of the men reporting for practice were freshmen and the upperclassmen were hard-pressed to keep their positions. The enthusiasm shown in pre-game workouts was reflected throughout the season as the Antelopes bowed over their opposition. The team spirit was also contagious to the fans as school spirit soared to new heights this year.

It was a tough job for Coach Zikmund to choose the eleven best men on his team. He solved this problem by fielding two teams of almost equal strength. Kearney's tremendous depth this year enabled them to simply wear their opponents down and then overwhelm them.

An indication of the amount of talent on the team this year was shown by the number of Antelopes chosen for the official Nebraska College Conference All-Star team. Ten of the eleven starters on the team were picked on either the first or second All-Conference team. There is an old saying that "a chain is only as strong as its weakest link" and the Antelopes did not have a weak link!

The quiet confidence shown by the team this year was a credit to the school. Kearney can look at this year's season with pride and the players themselves should feel very proud to have been a member of the 1957 football team.

WIN STRING EXTENDED TO 12 AS FORT HAYS DOWNED 27-0

Victory number 12 was notched in Kearney's win streak at the expense of Fort Hays State, Hays, Kansas. The Antelopes hit the scoring column late in the first half as Joe Smith ran 7 yards to cap a 28-yard scoring drive. Claire Boroff then kicked the extra point. The Antelopes' defense stiffened in the second quarter as Fort Hays had the ball just three times from scrimmage during the second quarter. The second half opened with the Antelopes scoring on a 12-yard drive, sparked by a 31-yard run by Claire Boroff. The scoring drive was capped by a 3-yard plunge by Joe McFarland to paydirt. In a matter of minutes, the Antelopes scored again, with Larry Jacobsen going over this time. Midway in the fourth quarter the Antelopes scored again on an 83-yard drive, with Larry Jacobsen scoring his second touchdown. Boroff added all the extra points. This was the second time Kearney has beaten Fort Hays since 1932. The other win was in 1936, 18-6.

KEARNEY TROMPS HURON 25-0

The Nebraska State Antelopes opened the season with a victory over Huron, South Dakota, by a margin of 25-0. Huron, a new foe for Kearney, reigned as South Dakota Champions in 1956, and were soon to find the Nebraska College Champions of 1956 a tough opponent.

Jim Jacobs, a sophomore end, blocked a Huron punt and ran the ball into the end zone for the first Antelope tally. Joe McFarland scored the second touchdown when he sped 25 yards to paydirt. McFarland scored his second touchdown from 9 yards out. The Antelope scoring ended as Joe Smith passed 13 yards to Gene Armstrong in the end zone. LeRoy Sprague then kicked the only extra point after touchdown. This was the only defeat suffered by Huron as they again made a clean sweep of their conference and won the South Dakota Championship.
N.S.T.C. TROUNCES PERU

Number thirteen proved to be lucky for the Kearney Antelope footballers as the Nebraska State eleven thoroughly trounced the Peru State Bobcats 26-14. A large number of college students and townspeople followed the team to the Oak Bowl at the southeastern Nebraska college to watch their favorites win their 13th game without a loss. Tension was high for the game, but soon it was apparent that the Antelopes were on their way to victory as they ripped off huge chunks of yardage through the Bobcat line. Claire Boroff, State halfback, scored twice; once on a nine-yard pass from Joe Smith, and later threaded his way 15 yards through the Peru secondary for another T.D. Gary Johnson reached paydirt first when he took a 14-yard pass from Lawhead, and Jacobsen later powered over from one yard out. With the score 26-0, Peru finally managed two late T.D.’s moving against Kearney reserves.

ANTELOPES TROMP DOANE

The high-flying Antelopes notched their 15th win as they added Doane to their string by a score of 25-7. The Antelopes scored in every period to add their fifth victory of the season. It was Homecoming and the Grads saw a scrappy bunch of Tigers invade the local domain. After a 52-yard punt return by Joe Smith to the Doane one, Claire Boroff plunged for the first score of the game the first time the Antelopes had the ball. Doane struck back with a 73-yard drive. The conversion was good and the Tigers led 7-6. Pat Hughes took a pass from Gene Lawhead in a play that covered 24 yards in the second quarter for Kearney’s second TD. Larry Jacobsen added the day’s sparkler in the third period when he placed a 47-yard scamp on his TD record. Midway in the fourth quarter, the Blue and Gold started a drive on the Doane twenty, and Gary Johnson capped it on a four-yard plunge.
ANTELOPES HUMBLE MIDLAND WARRIORS

57-0!! That's what the scoreboard read at the end of the game as the N. S. T. C. Antelopes ran roughshod over the Midland Warriors. It was Parent's Day in Kearney, and the fans saw plenty of offensive action as the charges of coach Al Zirkand powered to their second N.C.C. win of the season.

It was State all the way with the home team rolling up a total offense of 606 yards while holding the Warriors to 21 yards net. Smith scored first on a one-yard sneak following a sustained drive of 48 yards. Another drive of 50 yards was capped by Gary Smith’s near run of 11 yards into paydirt. Ron Roggy very quickly popped in with a 5-yard score followed by a 60-yard drive and another 6-pointer scored by Boroff from the 2-yard line. End Eugene Armstrong reached gloryland with a 10-yard pass from Smith. Larry Jacobsen smashed over from the 6-yard line to score the 6th Kearney T.D. Gary Smith’s beautiful open-field run after taking Lawhead’s pass covered 53 yards and another score. The last touchdown came as Fresh Harold Stolz took a quick pitchout and covered the last 20 yards untouched. Midland contributed 2 points to the Kearney score as a safety by being caught in the end zone.

BRONCOS UPSET ANTELOPES

N. S. T. C.’s win string came to an abrupt end as the Hastings College Broncos upset the favored Antelopes 26-7. The downfall came early with a series of bad breaks for Kearney and good football by Hastings brought together in a period of six minutes to make the scoreboard read 26-0 at half time. The second half the Staters came to life and dominated play for the remainder of the game, but were able to score only once. Smith fired a pass to Jacobsen, and Boroff converted for Kearney’s 7 points. Although the final game statistics favored the Antelopes, the win string ended at 15.

Smith goes 55 yards to score.
ANTELOPES DEFEAT WAYNE 39-0 IN FINAL HOME GAME

The final home game of the 1957 football season saw the Nebraska State Antelopes outclass their relative tutors from Wayne 39-0. The Wildcats were completely outclassed as they were unable to penetrate N. S. C. territory past the 51-yard line. During the second half, however, they put up a stiff defense that stymied the Antelopes. Boroff opened the scoring column when he took a seven-yard pass from Joe Smith to score. Dick Wiegand set up second TD when he intercepted a Wayne aerial and carried the ball to the Wayne 34. Four plays later, Boroff scored on a one-yard plunge. In the second half, Larry Jacobsen ended a 75-yard drive by racing 22 yards to paydirt. Joe Smith brought the crowd to its feet on an electrifying 62-yard punt return for another six-pointer. Gene Lawhead drove in on a one-yard plunge in the final quarter, and Gene Armstrong took a Smith pass from the ten-yard line to end the scoring for the evening. Larry Jacobsen, Sophomore fullback, gained 140 yards in 13 carries for a 10.7-yard-per-carry average.

Larry Jacobsen grinds out the yardage.

ANTELOPES CLIP CHADRON EAGLES

The air was filled with passes as the Nebraska State Antelopes sailed over the Chadron Eagles to the tune of 41-7. The Blue and Gold struck early and scored twice in the first quarter after recovering two Chadron fumbles. Joe Smith passed to LeRoy Sprague for 15 yards and the first touchdown. On the first play after Kearney recovered the second fumble, Joe Smith again passed, this time to Claire Boroff on a play that covered 32 yards to paydirt. Smith hit Boroff with another touchdown pass and the half ended 21-7. Larry Jacobsen plunged over to climax a 65-yard drive for the next touchdown. The touchdown story continued as Smith passed to Sprague to climax a 60-yard scoring drive. Gene Lawhead plunged from one yard out to end the Kearney scoring for the night. This offensive show played on a frozen field in 22 degree temperature was highlighted by Joe Smith’s passing as he completed 13 out of 26 attempts for 199 yards and four T.D.’s.
ANTELOPES TRAMPLE PLAINSMEN

In the season finale the Kearney crew journeyed to Lincoln to meet Wesleyan University. The game followed the pattern of the previous two as an inspired N. S. T. C. eleven literally shredded the Plainsmen. With sixteen seniors having a hand in their last collegiate competition the Antelopes ran up 503 yards total. Larry Jacobsen roared through a gaping hole for nine yards and the first tally when the game was but a few minutes old. Also, in the first quarter Boroff sparked on touchdown runs of 26 and 30 yards to make it 21-0. Kearney enjoyed a 21-point 3rd quarter as Smith snatched in from one yard out, Jacobsen took a 5-yard pass from Smith for another, and then McFarland sparked with an impressive 60-yard run with a pirated Wesleyan pass. Extra points were 6 for 6, making the game total 42. Wesleyan managed two late T.D.'s as the Antelope bench was cleared.
THE NEBRASKA STATE "B" SQUAD

The Nebraska State "B" team saw action only twice during the season. Both of these games were against Fort Hays "B" team, Fort Hays, Kansas.

The first game saw the "B" team scoring first in the 3rd quarter when Bob Campbell returned a Fort Hays punt to their 13-yard line, and Harold Stokey capped the scoring drive when he hit paydirt from 9 yards out. Larry Holland kicked the extra point.

A sputtering offense was the main item working against the "B" team. Fumbles proved fatal to both teams as Kearney lost the ball 3 times and Fort Hays lost it 5 times. The game ended with the score 7-7.

The second game played against Fort Hays ended in the score of 19-7 with Kearney on the short end.

The "B" team should be congratulated for its efforts as well as the varsity. These boys were the offense and defense for the varsity. It is on this squad that many of the stars of tomorrow will be found, and under the coaching of coaches Fyfe and Livingston, these stars will surely be developed.

It takes desire and determination to report for practice every day and practice a team the caliber of the Antelope varsity. The "B" team was just as instrumental in the successful football campaign as was the varsity. Hats off to the "B" squad and their two coaches for their determination and spirit; even though the season was short, they still rate very high in the minds of the varsity and the entire coaching staff.
LOOKING AHEAD

Speculating a bit, we foresee another successful season next year for the Antelopes. Coach Zikmund will have thirty-five lettermen returning next fall. Only fifteen letter winners will be graduated this spring.

The loss of fifteen men from the team will be felt, but the loss can be relieved if Kearney draws another freshman class as promising as this year’s.

The thirty-five returning lettermen all gained much experience and should give the Antelopes another strong team. Kearney can also look to additional material from transfers from the many junior colleges in the state.

The underclassmen showed much poise and finesse this year and should be able to move into starting roles quite easily next fall.

Pens and Chadron will be dropped from the schedule next fall to allow Kearney to play the two new schools in the conference, Dana and Concordia. The conference has been such a success that it has now been enlarged to ten schools.

Nebraska State College is a growing college and the strength of its football teams is also growing. Kearney’s teams in the future will gain in strength rather than weaken.

With the enlargement of the conference we look for very lively competition next fall but the “team to beat” will be the Nebraska State Antelopes.

Winning football teams at Kearney are becoming almost as common as changes in Nebraska weather. Football has been on the upgrade since Coach Al Zikmund took over the reins as head football coach three years ago. Zik’s amiable personality and his ability to instill desire and confidence in his team have done much for the success of the football teams the last three years. He has been blessed, however, with an abundance of talent and we see no slackening in the number of boys enrolling at Kearney who have what it takes to make a good football player, “Desire.” The Antelopes at Kearney learn that a “Winner never quits and a quitter never wins.”
The intramural basketball season was organized this year, as in the years past, by the director of the intramural program, Mr. Leland Copeland. This year there were over 300 men participating on 28 teams. These teams were divided into four leagues, The American League, The National League, The Western League, and The Ivy League. The top two teams of each league were chosen and placed in a double elimination tournament. When the smoke of the tournament had cleared, the defending champions, The Phi Tau Jokers, had been dethroned and the new intramural champions were the Alley Cats, with the Cal Blues as the runner-up team.

Paul Robinson was chosen the outstanding player of the tournament, and Ken Cook was chosen for the sportsmanship award. The Men's League presented the members of the winning team and the members of the runner-up team with medals. The outstanding player, and the outstanding sportsman each received trophies.
INTRAMURAL RUNNER-UP

Roger Harms sinks two more for the Cal Blues.

Fred lays one up for the Alley Cats.
CROSS COUNTRY

The Cross Country team, under the watchful eye of Coach Charlie Foster, came through with flying colors this year. The Harriers came home with the N.C.C. Cross Country Championship, and the District XI N. A. I. A. Championship. Congratulations to Coach Foster and his Cross Country team for their fine showing.

Ray Mars, Larry Snell, Dale Harsin, Jerry King.

Come to your marks, Get set, Go.
The Tennis team reported to Coach Les Livingston with only returning letterman.

Promising material include Gary Smidt, Pat Hayden, Cliff Trump, and Dave Fredrick. Even though tennis is a minor sport here on the NSTC campus, the competition is still keen to make the team. The tennis team entered five meets the past season.
GOLF

The Kearney Country Club, the first hole, and the Nebraska State golfers are off for another round of golf. Under the able leadership of Coach Les Livingston, the golfers should show us some great things this year.

Golf is probably the most difficult game to master. It takes patience and skill to become a good golfer.
BASKETBALL

Under the watchful eye of Coach Les Livingston, the Nebraska State Varsity Basketball squad completed a very successful season with 14 wins and 7 losses.

Coach Livingston was greeted with nine returning lettermen at the start of the season. With this nucleus and six flashy freshmen, Coach Les Livingston rounded out the 13-man varsity squad.

Looking to next year, the basketball outlook looks very promising, with many returning lettermen, and maybe even a new gymnasium. The Antelope roundballers will be a conference threat in the years to come under the fine coaching of Les Livingston.

KEARNEY DROPS AUGUSTANA

Kearney notched its first win of the 1957-58 basketball season by dropping Augustana 87-73. Led by the accurate shooting of Gary Smidt, the Antelopes held the lead throughout most of the game. Smidt led the scoring with 22 points, followed by Jim Hansen with 16, and LeRoy Sprague with 14. Augustana took the lead 61-60 midway through the second half, but from there on it was the Antelopes' game as they built the 14 point spread at the finish.

KEARNEY DUMPS COLORADO SCHOOL OF MINES

Led by the sharp play of Bill Beavers and Paul Collison the Antelopes added another victory as they downed the Colorado School of Mines. The outstanding floor play of Beavers and the rebounding of Collison was the highlight of the game. Collison also led the scoring with 13 points. Gary Smidt, LeRoy Sprague, and Dick Wiegand each added a lucky 13 points on Friday the 13. The Colordoans led 35-31 at halftime, but the Antelopes caught up about eight minutes later and went ahead to stay.

WAYNE BOUNCES ANTELOPES

The Nebraska State Antelopes tasted their first defeat at the hands of the Wayne Wildcats to the tune of 90-53. Larry Buhl was too much for Kearney and a lid over the Antelopes' basket teamed in the defeat. The Antelopes hit only five field goals in the second half to illustrate the lack of scoring. Dick Wiegand led the scoring with 20 points followed by Gary Smidt with 18.

Collison and Hansen clearing the boards for Kearney.
KEARNEY BUMPS MIDLAND

The Nebraska State Antelopes notched another win as they best the Midland Warriors 79-62. Midland took the lead early in the game but the Antelopes came back and led at halftime 34-32. Midland tied the score at 38-38 early in the second half, but the Antelopes caught fire and outran the Warriors 23-10 in the first part of the second half. Gary Smidt paced the scoring with 20 points, followed by LeRoy Sprague and Dick Wiegand with 14 each.

KEARNEY SLIPS BY DOANE

Fresh from Christmas Vacation, the Nebraska State Antelopes dumped the Doane Tigers 83-72. The game was close only in the early stages of the first half as both teams hit with amazing accuracy from the floor. The Tiger squad faltered and within five minutes the Antelopes had raced to a 30-18 lead. The Antelopes came back fast the second half and built a 77-50 lead. Coach Livingston began to substitute freely, and gave all fifteen men on the squad a chance to see action. Gary Smidt took scoring honors with 21 points followed by Dick Wiegand and Jim Hansen with 14, and 13 points respectively.

KEARNEY ROMPS BY WAYNE

The Antelopes avenged an earlier loss as they trampled the Wayne Wildcats 61-47. Wayne led at halftime 23-22, but the halftime strategy paid off for the Antelopes as they came out after the rest period and scored nine straight points before the Wildcats could score. Again all fifteen men saw action, LeRoy Sprague took scoring honors with 13 points, followed by Dick Wiegand, Jim Hansen, and Paul Collison with 10 each.

Bill Beavers lays one up for two.
KEARNEY EDGES PERU

The Nebraska State Antelopes continued on their winning ways as they edged past Peru 78-71. Peru took an early lead, but at halftime the Antelopes were on top 36-33. During halftime, Coach Charlie Foster, head of the Athletic Department, presented the Carrick Trophy to Mike Augustine for his matchless performance in football. At the start of the second half the Antelopes maintained their lead and were never in trouble. Gary Smoel led the scoring with 27 points which was tops for the game and was also the top individual scoring effort for the season. He was followed by LeRoy Sprague with 21, and Paul Collision with 14.

KEARNEY DOWNS MIDLAND

The Nebraska State Antelopes notched another victory as they downed the Midland Warriors 70-49. The Antelopes were never in trouble as they were in the lead throughout the entire game. Paul Collision again was the defensive workhorse as his fine rebounding was a highlight of the game. The Antelopes led at halftime 39-20. During the second half all fifteen men saw action. Gary Smoel led the scoring with 13 points followed by LeRoy Sprague with 11 points.
KEARNEY DROPS WESLEYAN

The Nebraska State Antelopes notched another win after a hard fought battle with Nebraska Wesleyan by the score of 82-69. The game was much closer than the score would indicate, before the Livingstone's crew drew away in the last minutes to trip the Plainsmen. Early in the second half Wesleyan went ahead by six points, the score was tied six times before the Antelopes hit eight straight points to "ice the game." LeRoy Sprague led the scoring with 22 points followed by Smith with 16 points.

CHADRON DUMPS ANTELOPES TWICE

The Chadron Eagles clipped the Antelopes 78-67 and 73-72 in a weekend duo in the western sister college. In the first game, it was a second half rally that sent the Eagles on to victory after the Antelopes had led at halftime 39-37. LeRoy Sprague and Gary Smith shared the scoring honors with 15 points each.

A furious encounter in which the lead changed hands numerous times characterized the second game of the series. Chadron led at halftime but the Antelopes staged a great second half rally and with a minute remaining knotted the score at 68 all. The Antelopes' last basket came when Jim Hansen put the Antelopes out in front 72-71 with 48 seconds remaining, however the Eagles hit two free throws to ice the game.

BRONCOS EDGE ANTELOPES

The Hastings College Broncos downed the Nebraska State Antelopes 90-80 in a hard fought battle. The Broncos were uncanny in their shooting as they made shots from almost any position or place on the floor. Gary Smith led the scoring with 21 points.
ANTELOPES SLIP BY CONCORDIA

The Nebraska State Antelopes again emerged on top as they downed Concordia College 79-68. Free throws proved the extra punch the Antelopes needed as they collected 25, while Concordia scored only eight. Concordia blocked the Antelopes in the field goal department by dumping in 30 to the Antelopes' 27. LeRoy Sprague led the scoring with 16 points, followed by Paul Collison and Dick Wiegand with 15 each. Collison, who ranked fourth in the nation in rebounding in small college competition, again led in that department.

PLAINSMEN DOWN THE ANTELOPES

The Nebraska Wesleyan Plainsmen averted an earlier loss to the Nebraska State Antelopes by downing the Antelopes 75-71. Wharton's two free throws in the final twenty seconds iced the game for the Plainsmen after the Antelopes had pulled within two points. LeRoy Sprague again led the scoring with 20 points. Paul Collison and Gary Smith followed with 17 and 16 points respectively.

ANTELOPES SQUEEZE BY DOANE

A late second half rally and a free throw exhibition led the Antelopes past the Doane Tigers. The drive came with three minutes and 30 seconds left in the game with the score tied at 72 all. From there on it was all Antelope with the final score reading 83-74. Free throws played an important part in the scoring with the Antelopes picking up 29 charity tosses. Gary Smith led the scoring with 20 points, followed by LeRoy Sprague with 19. Paul Collison and Dick Wiegand each had 15 points.

BOBCATS DROP ANTELOPES

The Peru State Bobcats led by Smith and Wirt defeated the Nebraska State Antelopes 67-60. The Antelopes led only in the game but with 10 minutes left in the first half the score was tied 18-18. Successive baskets by Smith, Sprague, and Lawhead put the Antelopes in the lead, but the Bobcats exploded for 10 points and the Antelopes led by one point at halftime. Peru came back very strong in the second half and went into the lead that they never gave up. Paul Collison led the scoring with 21 points.

Collison scores two easy ones.
ANTELOPES DOWN CONCORDIA

The Nebraska State Antelopes got off to a cold start against the Concordia Bulldogs, but hit a hot streak in the final six minutes to outlast the Bulldogs 74-59. With Concordia playing a control pattern the Antelopes' scoring was held to a minimum. In the second half with only six minutes remaining the Antelopes hit for 21 quick points and were never in trouble. The bright spot of the first half was the rebounding of Paul Collison who kept the Antelopes in the game with his fine work. Gary Smit led the Antelope scoring with 27 counters, followed by Paul Collison and LeRoy Sprague with 19 and 12 respectively.

KEARNEY EDGES BY DANA COLLEGE

The Nebraska State Antelopes downed Dana College after a very close game by the score of 85-80. Both teams were in the lead throughout the first half but at halftime the Antelopes held the upperhand. Kearney came back fast in the second half and was never behind again.

KEARNEY DUMPS HASTINGS

The Nebraska State Antelopes took another step towards an N.A.I.A. playoff spot as they downed the Hastings College Broncos 77-62. The Antelopes got off to a fast start as LeRoy Sprague hit three fifteen foot jump shots to start the action. The Antelopes led at halftime and after the game the cry of "sweet revenge" filled the dressing room. LeRoy Sprague led the scoring with 20 points, followed by Gary Smit with 14, and Paul Collison with 12.

Wieand and Armstrong fight for the ball.
ANTELOPES DUMP DANA

The Nebraska State Antelopes got off to a quick start and wrapped up their final conference game by downing Dana College 83-72. This leaves the Antelopes with a record of 12 wins and six defeats in conference play. The Antelopes earned themselves a playoff spot in the N.A.I.A. for a representative to the Kansas City N.A.I.A. tournament. The Antelopes led 41-30 at halftime. Gary Smith led the scoring with 19 points, followed by LeRoy Sprague and Dick Wiegard with 17 each.

PERU TOPPLES ANTELOPES IN N.A.I.A. TILT

Valuable free throws and an all important home court advantage gave the Peru Bobcats a 77-73 win over the Nebraska State Antelopes in the N.A.I.A. district 11 playoff. The Antelopes led 37-31 at halftime, but shortly thereafter felt the sharp and final blow as the Peru quintet hit one free throw after another. The loss brought to an end another season for Coach Les Livingston and his crew. They boasted a fine record of 14 wins and 7 losses for all games and capped fourth place in the N.C.C. standings. Gary Smith and LeRoy Sprague shared scoring honors with 20 counters each.
OUT OF THE PAST

After a very fine showing this season, the students of Nebraska State College can be very proud of their varsity basketball squad, under the expert leadership of Coach Les Livingston and his staff. The Antelopes posted a 12 win and 6 loss record in conference play and a 14 win and 7 loss record for the overall season. Gary Smith, flashy Antelope guard, led the conference scoring with 314 points in 18 games. LeRoy Sprague, Paul Collision and Dick Wiegand placed fifth, sixth and seventh respectively in conference scoring. LeRoy Sprague was named to the all-conference N.C.C. team. Paul Collision ranked fifth in the N.A.I.A. rebounding list, he averaged 20.2 rebounds per game. All in all, the squad and the fine coaching staff deserve all the many words of fine praise given in the past year.

Gary Smith scores two easy ones.

Dick Wiegand, and LeRoy Sprague, co-captains.

With the many returning lettermen and fine freshman crop, Coach Charlie Foster is well on his way to another N.C.C. track championship. Last year, the Antelopes won their fourth consecutive track title. Coach Foster also took representatives to the National N.A.I.A. meet. In the conference meet, the Antelopes scored only two firsts, and tied for another, but the vital depth paid off in dividends. Co-captains for last year's track team were Don Johnson and Truman Burton.

"IT'S FUN TO RUN"
WITH THE

CHAMPIONS’

Joe White    Ray Stone    Garrey Yocum    Charlie Thorell    Larry Jacobsen
While wintry blasts of cold air still surround the Nebraska State College campus, Coach Charlie Foster's track team begins to work out. Track in many schools is considered a minor sport, but not here at NSC, it is on top along with football and basketball as an important part of an athlete's career. In the past years Coach Foster and his charges have brought much recognition to the campus with their four conference championships, and N.A.I.A. honors. Honors go with honors, this was shown when Coach Foster was chosen Nebraska College Coach of the Year. For many seniors this will be their last chance to perform for the public, and prospects show this should be another championship year. As the old saying goes, "It's fun to run with the champions."

North Hall

Also pictured on page thirteen, the newest residence hall for men was ready for occupancy after the beginning of new year.

West Hall

West Hall Council: Gary Smith, Bob Hendricks, Paul Collins, Claire Boroff, Bill Bowens.
Here is the final page; we hope you feel it has not come too soon. We have tried to tell the story of the year and the college in words and pictures, but the story does not end with this page, rather the story is just beginning. The events of the past year will never completely fade from our memories or cease having an effect on our lives.

But before he leaves, your editor would like to offer many thanks. The preparation and presentation of a yearbook is far from being a one-man job, it is the combined efforts of the college—the students, their leaders, the faculty, the administration. To all of you the editor extends his thanks.

To the faculty who cooperated so very well and added their support and spirit to an often discouraging job—thank you.

To the presidents and members of each organization who willingly lined up before a camera, some of them twice—thank you.

To the rest of my staff who helped pull me out of the clutch, with particular emphasis toward those staff in North Hall—thank you.

To each student who obligingly sat before our photographer to enable us to get more individual pictures than ever before—thank you.

And finally, to the Taylor Publishing Company who so patiently worked to decipher and understand my instructions—thank you.

ADVERTISEMENTS
Cafeteria

The college cafeteria, now located in Men's Hall, will soon be replaced by a new cafeteria in the newly completed new Student Union. Modern new facilities should make eating in the new cafeteria very enjoyable.

Mrs. Glen Myers served this year as the dietician for the college cafeteria.
Student Union

The present Student Union will soon be a thing of the past. The new $300,000 Student Union is nearly completed. Next year students will spend their leisure hours in luxury.

The new Union will have a beautiful snack bar complete even to its inset lighting. It will have a complete fountain, and sandwiches and light lunches will be served. There will be a spacious lounge with luxurious furniture and a large fireplace. The basement will house a large game room and it, too, will have a fireplace. The new Student Union will be the only building on campus with complete air conditioning. The exterior of the building will have a veranda where students may relax and play cards (weather permitting).

The Student Union serves as a place for the social accommodations for both students and faculty.

Mrs. Dillo Webster is the director of the Student Union. Through her untiring efforts the Student Union remains the student's "Home Away From Home."
