Index to the Donald K. Briggs Collection

The Briggs Collection is a massive collection of photographs and negatives given to the UNK Archives by Don Briggs in 1998. Mr. Briggs served for 30 years as this institution's Sports Information Director and for 14 years as Public Relations Director, Director of Alumni Affairs and Publications Director and in the course of his duties took many thousands of photographs. These photographs record virtually all activity at UNK during the period 1960-1990 and serve as an invaluable record of the University's life and culture during those years.

Items in the Collection are filed in document cases in the UNK Archives, located in the Alice Paine Room in the Calvin T. Ryan Library. Within the document case, each item resides in a file folder, and within the file folder, in an envelope. Each entry in this index provides a Box Number (for the document cases), a Folder Number (for the file folders), and an Envelope Number (for the envelopes).

Sample index entries:

Smith, Cadwallader	b1f3e2
Smith, Josephine	b1f2e5(a)
	b1f3e3(g)
	b1f2e3(3)

The first line tells you that an individual photo of Cadwallader Smith is located in Box 1, Folder 3, Envelope 2

The second line tells you that an action photo which includes Josephine Smith (who was probably a sports participant) is in Box 1, Folder 2, Envelope 5

The third line tells you that a photo of a group of people, one of whom is Josephine Smith, is in Box 1, Folder 3, Envelope 3

The last line tells you that three individual photos of Josephine Smith are in Box 1, Folder 2, Envelope 3

All spelling and dates are based on data provided by Mr. Briggs.

The first part of this index, through page 139, is a subject index to the materials in the collection. Beginning on page 140 is a description of the files, envelope by envelope.

The Donald K. Briggs Collection

The Donald K. Briggs Collection is a massive collection of photographs and negatives given to the UNK Archives by Don Briggs in 1998. Mr. Briggs served for 30 years as this institution's Sports Information Director and for 14 years as Public Relations Director, Director of Alumni Affairs and Publications Director and in the course of his duties took scores of thousands of photographs. These photographs record virtually all significant public activity at UNK during the period 1960-1990 and serve as an invaluable record of the University's life and culture during those years.

Description of Files

Most items in the collections are either photographs or negatives. A small number of print materials is also present.

Items in the Briggs Collection are filed in document cases, and within the document cases, in file folders, and within the file folders, in envelopes. Each index entry provides a Box Number (for the document cases), a Folder Number (for the file folders), and an Envelope Number (for the envelopes).
