Dedication

TO THE VIRILE SPIRIT OF KEARNEY, OF ITS PIONEERS WHO MADE POSSIBLE THOSE MONUMENTAL ACHIEVEMENTS IN TRANSPORTATION MEMORIALIZED IN THIS BOOK, AND OF ITS PEOPLE WHO INSURE A FUTURE REplete WITH LIKE ACCOMPLISHMENTS, WE, THE SENIOR CLASS OF KEARNEY COLLEGE, DEDICATE THIS BLUE AND GOLD.

ADMINISTRATION.

The Blue and Gold

PRESIDENT GEORGE E. MARTIN.

According to the beautiful myth, the sacred fire kindled by Vesta perpetually was kept alight by her votaries. Years ago, sacramental fires of professional learning were kindled by those who preceded you. Their path is marked and illuminated by their work. Each glowing deed performed in the sacred work of the teacher intensifies and lengthens the line of lights set by those pioneers. Opportunities for teaching service lie all about us. Only the burning gesture is necessary to make these flame into the light that continuously shall lend hope and inspiration to those who follow. Godspeed to the members of the Class of 1927, the beacon of whose work shall make glad the task of instructional service.

Geo. E. Martin

FLORENCE WAY, EDITH KISKALT, ILA FAYE ANDREWS	Convo. Chairman

In the fall of 1923, the class of '27 came to Kearney College for the first time and chose for its sponsors Miss Cora O'Connell and Mr. Verne Fryklund. The class owes much of its success during the first three years to these two sponsors. As Freshmen, the class survived the first annual school affair and soon became well acquainted with fellow students. At the end of the year came the first party in the gymnasium. After a hard day's work spent in preparing the lunch, the class returned in the evening to find the fruit of its labor gone. "Such is the life of a Freshman."

In 1924 when school reconvened, the class had lost in numbers but was still gaining in pep. In this Sophomore year, a rural school Christmas program was given by the class in convocation. Later, many of the members received their two-year diplomas and entered the field of teaching the following autumn.

When the class entered in 1925, there was only a remnant of the large number who started in 1923, but the remaining few were still looking forward to the future, full of hope and unrealized ambitions. At the close of this successful year as Juniors, the class gave the annual Junior-Senior Banquet on May 8, 1926. Later in the year, Mr. Fryklund secured a leave of absence in order that he might go to Columbia, Missouri, to work out his master's degree. Professor A. J. Mercer was chosen to fill his place as a guide through the final year of college life. His constant help and guidance has been an inspiration and he has proved himself a loyal supporter of the class.

The autumn of 1926 found a few of the original class back again as Seniors. The first class meeting found a very dignified group ready to start out on the last

part of the journey. The Seniors have taken an active part in school life. Over half of the members of the Xi Phi honorary fraternity are Seniors. At the beginning of the year, the class chose the 1927 Blue and Gold Annual Staff, composed mostly of Seniors with assistants from the lower classes. They edited a senior number of the Antelope shortly after the Seniors had hauled down the Junior flag. Though the Juniors protested vigorously and forcibly, the Seniors carried the disgraced Junior flag to the platform during convocation and there bequeathed the remnants to the original owners. A story of the affair appeared in the Antelope later—it was obviously written by a Junior.

The Seniors have sponsored four convocation programs—"Hamburger Inn," a Blue and Gold program, a musical entertainment, and the final Senior Day on May 11. In December, the Seniors enjoyed a truly unique party. Mr. Schrack, of the Favorite Lunch Shop, gave an exhibition of taffy pulling by the use of the hook. It not only proved to be an interesting means of entertainment, but was most pleasing to the Senior sweet-tooth.

In March, the Seniors started the spring rains by planning a breakfast, but rain could not dishearten the class and the breakfast was memorable. The annual Sneak Day was held during the first week in May. When the underclassmen came to school that day, they knew that something was wrong, and eventually, they "caught on." On April 29, the Seniors presented George Bernard Shaw's modern classic comedy, "Candida," as the Senior play. This was one of the most ambitious and difficult undertakings of the college year. The K. S. T. C. trail ended for the class of '27 with the commencement exercises.

A. J. Mercer

A. J. Mercer received the degree of Bachelor of Arts from Bethany College, Bethany, West Virginia, in 1877, and the degree of Master of Arts from the State University of Nebraska in 1901.

His educational experience consists of two years in country schools, four years in high schools, ten years as principal and superintendent, and seven years as college instructor and president, before coming to Kearney State Teachers College. He is now completing his twenty-second year as the head of the Earth Science department of the college.

He was the sole sponsor of the Class of 1918, and in the fall of 1926, because of the absence of Prof. Vern Fryklund, President Martin selected him to fill the vacant place as the joint sponsor of the Class of 1927.

Cora O'Connell

Miss Cora O'Connell, principal of the Training High School for the past eleven years, received her A. B. Degree from the University of Nebraska in 1900, graduating with the honor of Phi Beta Kappa. She completed her A. M. Degree from Columbia University in 1915.

Miss O'Connell takes an active part in civic activities. She served as President of the Woman's Club for two consecutive years, District President of Woman's Educational Club and was also president of the P. E. O.

Miss O'Connell has travelled extensively for a summer in Alaska and also abroad.

The Seniors have enjoyed her helpful guidance for the four years of their college life. They could always depend upon her and we surely wish to thank her for her co-operation. Here's to Miss O'Connell.

The Blue and Gold

ROSE LILY ADEN

Kearney

President Latin Club, 1st quarter; Secretary Orophilians, 1st quarter; Representative of Dean's Council from Senior Class, 2nd quarter; Program Chairman Latin Club, 2nd quarter; Secretary of Senior Class, 1st quarter; Vice-President Latin Club, 3rd quarter; Member of Y. W. C. A., W. A. A., Xi Phi.

*A girl worth while is a girl who will smile,
When everthing goes dead wrong.*

SENA KATHERINE ADEN

Kearney

Antelope Reporter for second quarter Senior Class.

They're only truly great who are truly good.

ILA FAYE ANDREWS

Kearney

President Kindergarten Club; Xi Phi; Y. W. C. A. Cabinet; Dean's Council; President Campfire; French Club; Vice-President Zip Club; Advertising Manager of Blue and Gold; W. A. A.

*Some say she is studious,
Some say she is not;
But we all know she's jolly
Which amounts to a lot.*

CLYDE E. COX

Kenesaw

Vice-president Academy of Math. and Science; Member of Athletic Board; Student Council; Xi Phi; Zip Club; Y. M. C. A.; Manual Arts Club; K. Club; Basketball; Football; Track; Rural Club.

*A football and basketball artist,
He has common sense in a way uncommon.*

MARY DAVIS

Gibbon

Y. W. C. A.; N. E. A. Unit; Campfire.

*There is ever music in her soul
And sunshine in her smile.*

The Blue and Gold

RUTH ALICE DAVIS *Kearney*

Xi Phi; Zip Club; Y. W. C. A.

'Tis only lovely thoughts can make a lovely face.

RAYMOND DONAHUE *Greeley, Colo.*

Student N. E. A.

If Edison weren't, I would be.

PAUL E. EXTROM *Axtell*

Xi Phi; Y. M. C. A.; Rural Club; Superintendent Riverdale.

"I profess not talking; only this—Let each man do his best."

CLAUDIUS O. EVANS *Venus*

Academy of Science and Math.; Manual Arts Club; Antelope reporter, 1st quarter, chairman, 3rd quarter; Y. M. C. A.

*He has half the deed done,
Who has made a beginning.*

HELEN FAYE FARQUHAR *Guide Rock*

*She's pretty to walk with and witty to talk with
And pleasant too, to think on.*

The Blue and Gold

RUTH GREGG

Kearney

Staff; Student Council; Orchestra, 3rd and 4th quarters; Senior Play.

*Her music charms
As does herself.*

GLEN A. HARDEN

Riverdale

Manual Arts Club; Y. M. C. A.; Emanons, Treasurer; President of Academy of Math. and Science, 1st quarter; K. Club.

*He would help others out of a fellow
feeling.*

ISOBEL HARRIS

Kearney

History Club; Xi Phi; Spanish Club; Y. W. C. A.; N. E. A.; Antelope Reporter for Senior Class.

*The brightest eyes, and the cheeriest
smile,
The happiest girl, and the most worth
while.*

HAROLD W. HAYDEN

Lexington

President of Theater Arts League; Vice-president and General Manager of Student Council, 1st quarter; Secretary of Zip Club, 1st quarter; Secretary of Xi Phi, 1st and 2nd quarters; Spanish Club; Student N. E. A.; Assistant Librarian, 2nd and 3rd quarters; Senior Play.

*I never knew so young a body with so
old a head.*

CYTHEREA ELLEN HUNKINS

Arcadia

Camp Fire program chairman; Latin Club Treasurer; Y. W. C. A.; Student Council, 3rd quarter.

*For rarely do we meet in one combined
A beauteous body and a virtuous mind.*

The Blue and Gold

OLIVER L. KENFIELD

Kearney

President Xi Phi, 1st and 2nd quarters;
Editor Blue and Gold; French Club; Student N. E. A.; Athletic Coach Training School; Senior Play.

*'Tis generally known all over the earth,
The smaller the package the greater
the worth.*

EDITH CAROLYN KISKALT *Grand Island*

Vice-president Home Economics Club;
Y. W. C. A.; Spanish Club; Senior Convocation Representative; Math. and Science Club.

*She that was ever fair, and never proud,
Had tongue at will, and yet was never
loud.*

NANCY LYNCH

Kearney

World Fellowship Chairman; Y. W. C. A.
Spanish Club; Commercial Club; Glee Club, 2nd quarter.

*Spreads round her that magic spell
That makes all students love her well.*

HOMER J. McCONNELL

Ravenna

President of Student Government Association; President of Pi Kappa Delta; Treasurer of Xi Phi; Debating; Chairman of Lyceum Course Committee; Senior Play.

*Just at the age twixt boy and youth
When thought is speech and speech is
truth.*

VENICE MALLORY

Kearney

Orchestra; Xi Phi.

*A voice so kind with ring so true
With Venice near, you can't be blue.*

The Blue and Gold

ELLA KATHRYN MARSH *Naponee*

Student N. E. A.; Campfire; Aspasi-
ans; Y. W. C. A.; Secretary of Senior
Class, 3rd quarter.

*Her merry laugh and jolly way would
make a school board raise her pay.*

CORRINE ORCHARD *Overton*

Xi Phi.

*A low sweet voice
A rare thing in a woman.*

CELIA HULL PEARSON *Kearney*

Of kind and forgiving disposition.

LOTTIE PENSE *Harvard*

Senior Editor of Blue and Gold; Vice-
president of Senior Class, 2nd quarter;
Xi Phi; Home Economics Club; History
Club; Y. W. C. A.; Academy of Math. and
Science.

*Wisdom, eloquence and grace
But greater than these is "pep."*

RUTH A. THOMPSON *Gibbon*

Palmer School of Penmanship, Boulder,
Colorado; Y. W. C. A.; C. R. Representa-
tive; History Club; French Club; Organ-
izations Editor of Blue and Gold.

*The secret of her success is service to
others and hard work.*

The Blue and Gold

MRS. IDAROSE SAUNDERS *Kearney*

JANUARY, 1927.

- 3—Tipica Mexican Orchestra at the college auditorium.
- 3—Marcia Hazlett and Harold Oldfather plight their troths.
- 13—Botany class field hike to the river and poison ivy cure affected.
- 14—Dramatic Art Class presented one-act play in convocation, "The Sunny Morning."
- 18—Academy of Science and Math. entertained by lecture by Miss Enochs, "History and Development of Home Economics."
- 20—Antelopes beat Cotner Bulldogs 32-25 on the home floor.
- 21—Mr. Powell, of the Rural Education Department, returned from tour through South Dakota where he lectured and did research work.
- 22—Janitors Banquet and it wouldn't be quite proper to describe it.
- 24—Theater Arts presents "The Witch" in college auditorium.
- 24—Women's debate teams debate in convocation.
- 27—Miss Wirt left for New York City to study for her Masters Degree.
- 28—Dr. Grenfel, of Labrador, lectured at the college auditorium.

- 31—Debate at convocation period by the boys teams, "The Farmer Needs Relief."

FEBRUARY, 1927.

- 3—Fourth Grade pageant presented at convocation period.
- 9—Annual Show Down sponsored by the "Zip Club."
- 11—Valentine party for the Juniors in the college gymnasium.
- 11—Theater Arts Valentine dinner at the Wiseman Party House.
- 11—Kenneth Sherer decided to test the distance from the balcony to the floor in the auditorium but forgot the ladder. Was able to return to class a week later and had forgotten how far he fell and Mr. Arnold had to measure it after all.
- 21—Freshman convocation of decided musical nature.
- 22—Wesleyan University students motored to Kearney to hear "The Wilderness Poet."
- 22—Lew Sarett, Poet, lectured to crowded house and the birds of spring were early in Kearney.
- 26—Party at the home of Harold Hayden in Lexington.

MARCH, 1927.

- 8—Jean Gross with Marionettes in "Midsummer Nights Dream" and "Huckleberry Finn," in college auditorium.
- 4—"The Minstrel's Dream," winter pageant, written by Wendell Coon, and directed by Miss Janet Pickens, of the Physical Education Department.
- 11—Alta Seybolt and Inez Binder entertained at Slumber Party for Laramie, Wyoming girls' debate team.
- 11—Senior breakfast with dozens of eggs each and plenty of "moisture for coffee."
- 12—Girls' negative debate team left for Denver university and Wyoming university.
- 18—Zip Club party—Y. M. C. A.

CALENDAR.

- 19—Venice Mallory, noted flutist, left for New York.
- 24—Irma Appleby, Y. W. C. A. lecturer from Nebraska University, spoke to Y. W. C. A.
- 25—Clarence Lindahl elected president of Student Government Association.
- 29—Music Department booster trip to Lexington and west.

APRIL, 1927.

- 5—Reception by Woman's League Council and Dean of Women for Women's Club with Senior and Junior girls presiding.
- 5—President Martin returns from Iowa City, where he spoke before faculty and graduate students attending the University of Iowa.
- 6—Joseph K. Hart, Editor and Author, under auspices of Xi Phi fraternity, lectured at College Auditorium and kept several students awake in their education classes for one day.

- 8—Inter-class Track Meet.
- 9—Fourth district declamatory union—contest at College Auditorium.
- 11—Y. W. C. A. Easter program in convocation.
- 13—Dr. Allen K. Foster, International Y. M. C. A. secretary, lectured in convocation and classes.
- 15-16-17—Easter vacation but not for the Blue and Gold Staff.
- 23—All school party.
- 29—Senior Class Play. Bernard Shaw's "Candida."

MAY, 1927.

- 7—Senior Sneak Day. "Never miss the water till the well runs dry."
- 9—Senior recognition day. Caps and Gowns "Broken In."
- 11—Senior convocation—presentation of old books and of new ones, too.
- 13—Junior-Senior Banquet at Wiseman Party House.
- 27—Presentation of "Sheep Skins" and farewell tears.

THE SENIOR CLASS OF 1927

PRESENTS

"CANDIDA"

BY GEORGE BERNARD SHAW

FRIDAY EVENING, APRIL 29th

COLLEGE AUDITORIUM

CAST OF CHARACTERS

Candida	Ruth Gregg
James Mavor Morell, her husband	Ralph Daillard
Eugene Marchbanks	Wendell Coon
Proserpine Garnett	Margaret Bruce
Burgess, Candida's father	Harold Hayden
Lexy Mill	Oliver Kenfield

SYNOPSIS OF SCENES

All three acts take place in the home of Reverend James Mavor Morell.

Director	Miriam Eckhardt
Assistant Director	Ruth Davis
Make-Up	Florence Way
Electrician	Martin Johnson
Stage and Business Manager	Glen Harden
Music	College Orchestra

USHERS.

Elaine Sullivan, Homer Morrow, Ruth Davis, Clyde Cox, Nellie Sadler, William Stuteheit.

JUNIOR

1927

JUNIORS.

HUGH PETTIJOHN, LEONA SHELTON	<i>Presidents</i>
RUTH CRUIT	<i>Vice-President</i>
CLINTON GITCHELL, RUTH BENSON	<i>Secretaries</i>
FREDA REDDY, NELLIE LYNE	<i>Treasurers</i>

* * *

The Junior class has been very active throughout the year as it has participated in all of the school activities. The class sponsored two very successful and enjoyable parties, the first of which was held at the home of Dr. and Mrs. Hans Olsen. The juniors will always remember the songs which were sung around the fireplace while the cold, snow-laden wind howled outside. The second one took place in the Y. M. C. A. rooms, where the evening was spent in playing valentine games, after which refreshments were served in keeping with the season.

The Junior Flag Day is a day long to be remembered in the college, especially by the Seniors. When the Freshmen appeared with the first gray streaks of dawn for their early classes, they beheld the Gray and the Rose floating over the college. They realized their weakness and reluctantly walked in under the flag. It floated triumphantly for some time, but it was hauled down by the mighty Seniors. However much may be said of the friendly spirit and co-operation of the two upper classes, the flag was not treated with proper respect, for it was burned by the Seniors.

The following account is quoted from the Antelope of November 26, 1926. "A flag of apparently unknown origin waved over the main college building early Friday morning. Fearing Anarchism or Bolshevism had broken out within the city during the night, a few patriotic and loyal citizens of Kearney College (the Seniors), by methods better known to themselves, gained access to the top of the building

and hauled down the colors of the usurpers, (Juniors). A secret search was then made for the owners of the flag, but with no success. It was then decided to appeal to the students for aid in convocation. Accordingly, the young patriots took the flag from the place where they had concealed it and marched in a procession toward the auditorium with the sole purpose of obtaining aid in locating these violators of law and government.

"They had no sooner entered the door of the auditorium than they were vigorously attacked and an earnest and energetic tussle ensued. The young patriots refused to give up the flag they had worked so hard to obtain and their opponents were equally determined to regain possession of it. The former (Seniors, of course) won, however, and succeeded in dragging the remnants to the stage, only to discover that they had gained possession of the Junior class colors. When the mistake was discovered, order was immediately restored, excitement died down, and the convocation program proceeded without interruption.

The Juniors sponsored Senior Recognition Day in the spring. On this day the Seniors were honored by the Juniors in convocation hour. The Seniors then presented them with their colors and song. The Junior-Senior Banquet was held Friday, May 13, at the Wiseman Party House. The house was decorated in the colors of both classes and despite the superstition attached to the date, even the timid ones ventured out and reported a good time.

Members of the class have found positions on all the athletic teams. They have enlisted spiritedly in the many organizations of the school, and have participated gladly in the numerous undertakings of the institution.

Dr. Hans C. Olsen.

Dr. Olsen is a former student of Kearney College. He came to Kearney before the war, and since then he has been prominent in both student and faculty activities. In 1920 he received his A. B. degree from this institution and accepted a position as critic teacher in the Training School.

In 1922 he left his work at Kearney College to attend Columbia University, where he received his M. A. in 1923 and his Ph. D. in 1926. During his work at Columbia he assisted on several school surveys under the direction of Dr. Strayer and Dr. Englehardt. Among the cities in which he worked were Atlanta, Georgia, and Providence, Rhode Island.

Dr. Olsen has written several articles on education, the outstanding one of which is his dissertation, "The Work of Boards of Education and How It Should Be Done."

Miss Jennie Conrad.

Miss Jennie Conrad received her A. B. degree from the Nebraska State Teachers College at Kearney in 1920; and her A. M. degree from Columbia University in 1922. Since then she has been in the Social Science Department of Kearney State Teachers College. During the absence of Prof. C. N. Anderson she has acted as head of the History Department. Miss Conrad has traveled extensively in this country, visiting many historical places of interest. Her talks on her travels and experiences make her classes among the most interesting and valuable in the college.

Miss Conrad is co-sponsor of the History Club, an organization which takes up the study of present day history problems. She has been president of the Alumni Association for the last two years, and has also served on the Organ Fund Committee.

Miss Conrad, as one of the sponsors of the Junior Class, has buoyed us up with her pep and enthusiasm over three years of the journey.

The Class of 1929 met for the first time in October, 1925, with Miss Marion C. Smith and Mr. M. S. Pate as sponsors. They composed nearly one-half of the student body for that year and were well represented in all school activities.

This year (1926) the Sophomores met again in October with the same sponsors. Early in the fall the class enjoyed a hike and picnic at the lake north of the college.

During the second quarter the Sophomores had charge of the convocation program. The program was as follows:

Piano Solos	Ervin Getty
Chalk Talk	Jess Homan
Piano Duet	Mildred Burman, Catherine Boyle
Reading	Eva Cales
Devotionals	Allen Anderson
Chairman	John Ormond

The Sophomores will remember the party held in the Y. M. C. A. rooms in February. The program was enjoyed by many beside Sophomores.

Sophomores have taken leading parts in all inter-collegiate activities. Ihling Car-

skadon (Brick), captain of the football team for 1926, also played basketball and took active part in track. "Johnny" Waldman, football, basketball and track; "Dad" Clayton Anderson, football, basketball; "Spike" LaVern Williams, football, basketball, and track; "Bob" Robert Huber, basketball, and track; "Joe" Joseph Bennett, track; "Ole" Arthur Olson, track.

In debating circles could be found Alta Seybolt, Clarence Lindahl, Warren Alexander and Inez Binder. Many could also be found in glee clubs, band and orchestra.

The girl winning the Popularity Contest was a Sophomore, Miss Hazel Panek.

Girl Yell Leaders were Hazel Panek and Violet Abbott. Sophomores are presidents and leaders in many fraternal organizations: Gwen Swift, president of the W. A. A.; Theresa Grantham, president of Sigma Theta Phi; Helen Strouse, president of Latin Club; Clarence Lindahl, president of Zip Club; John Waldman, president of Phi Tau Gamma. In Student Government the Sophomores were Alta Seybolt and Allen Anderson. Upon the resignation of these members, Gertrude Thomas and Clarence Lindahl filled their vacancies.

M. S. Pate

Mr. Pate was chosen in the fall as one of the sponsors for the class of 1929.

He has been connected with the institution for eleven years. Before coming to Kearney he held positions as Superintendent of schools in Nebraska and in Oregon.

He is an alumnus of Kearney State Teachers College, having received his two year diploma in 1907. In 1913 he received his B. A. degree from the University of Oregon and followed it the next year with his M. A. degree from the University of Nebraska.

He has been secretary and treasurer of the State Intercollegiate Athletic Association since he has been connected with the college.

For years he has been chairman of the Advisory Board and the Athletic Board. He also serves on the committee for extra curricular schedules which arranges the dates for meetings of extra curricular activities.

Marion W. S. Smith

Miss Smith was born and reared in Lincoln, Nebraska, where she was later graduated from the high school. She studied in Nebraska University, working in the art department under Miss Parker. For several years, she taught in the Lincoln public schools while she studied art in the university at night and on Saturday.

Since taking up her teaching in Kearney, Miss Smith has been away many times to attend various classes in painting, design, crafts and public school art. She spent one summer in New York and half of the following year at the Philadelphia Art School. She has also studied at the Pennsylvania Academy of Fine Arts, Minneapolis Handicraft Guild, New York Art League Landscape School, and has been a pupil of Anshutz, Chase, Hawthorne, Breckenridge, Carlson, and Johnston. She has been one of the two sponsors of the class of 1929 since its preparatory days.

The class of 1930 assembled for the first time on October 5, with Miss Ethel Hill and Mr. J. H. Hale for willing and helpful sponsors. The Freshman Class numbered three hundred and forty-two members or nearly half the entire student body. This explains why the Freshmen have played such an important part in the school life of Nebraska State Teachers College at Kearney.

The Freshmen who helped to compose the debating team were of much aid to the team's success during the year of 1927. Two of the four yell leaders chosen by the students were Freshmen, namely, Wesley Price and Violet Abbott. Over half the glee clubs belong to the Freshman ranks and many of the soloists. In athletics they have played their part well, for six of the thirteen "letter" men in football were Freshmen.

The Freshmen were in charge of convocation on February 18, 1927. The Freshman Class proved its originality by introducing programs at their regular class meetings. These programs seem to have met with the approval of the class.

Our stunt for the "Showdown" was successfully presented by Jay Lucas, chairman, Violet Abbott and Martha Comstock.

The Freshmen won the Inter-Class Track Meet for the year. Roland Owens and Harold Gall were the two high point men. The cup was awarded to Roland Owens who had one-fourth of a point more for individual honors.

We are looking forward with pleasure and interest to our remaining years in college. May they prove as worth while as this one has been.

Mr. J. H. Hale

Mr. J. H. Hale of the Commercial Department has been connected with this college for ten years. He has charge of the shorthand and secretarial training classes. He has shown his worth as an instructor not only by the various awards which his students have won for themselves, and thus for Mr. Hale, but also by those students who have received their secretarial training under him, and now hold responsible positions in the business world. The three private secretaries now employed in Kearney College are former students of the commercial department.

Mr. Hale is a friend of the student. He takes an active part in promoting athletic contests. He is an enthusiastic supporter of the Commercial Club, and can be depended upon to give his best to the needs of the students and the organization.

Miss Ethel Hill

Miss Ethel Hill, head of the Spanish department, is one of the sponsors of the class of '30. She took her A. B. degree at Hastings College after she had spent two years at K. S. T. C., and her M. A. at Columbia University, where she also took a diploma in Spanish. In the summer of 1923 she did graduate work in the University of Colorado. She has traveled extensively in the east and to some extent in the west.

Miss Hill came to Kearney College in the summer of 1920, and took her regular position in 1923. Previous to this time, she taught in the Kenesaw and Kearney high schools. In a social way, she organized and sponsored the Spanish club. For two years she was advisor of the finance committee of the Y. W. C. A. and was faculty chairman of the advisory board of this organization in 1925. She has also served on the school convocation committee.

ATHLETICS.

The opening practice in the 1926 football season found only five experienced college players on the squad—not a very bright outlook for winning games with such a schedule as had been booked for the Antelopes. The coaches started their Herculean task of team-making several days before the opening of school. All but one of the experienced men were linemen. This one exception was "Johnnie" Waldman, a substitute halfback during the preceding season. Waldman was the only sprinter of note on the track team and the coaches pinned their offensive hopes on his ability to skirt the ends. Carskadon, who was one of the best ends in the Con-

ference the previous year, was placed at fullback after several others failed to hold down the position. The bulk of the offense fell on his shoulders. He was forced to do the punting, passing, most of the smashing, and to act as field general.

The experienced linemen were Reilly, an end, Cox, a tackle, and Bowker, a guard. Each man proved his metal during the season. Reilly, true to his ancestry, could always be found in the thick of the battle.

The first game of the season was scheduled with Colorado Teachers at Kearney about two weeks after the opening practice. The game was a memorable one from many angles. Although Colorado won 18 to 0,

Coach Fred R. Fulmer.

Coach Fred Fulmer came to Kearney in 1922 as director of physical education. While he was coach of the Boulder, Colorado high school he established a reputation for himself by developing winning teams in both basketball and football. In his five years at Kearney College he has always insisted upon good sportsmanship and strict adherence to eligibility rules. Through his efforts college athletics in this institution have been placed on a high plane that cannot be questioned. His motto, "A winner never quits and a quitter never wins" has been instilled into every athlete under his supervision. Coach Fulmer has been unfortunate in that every year since he has been in Kearney he has been forced to develop almost an entirely new team. Coach Fulmer understands both football and basketball thoroughly.

1927

LIBRARY
STATE TEACHERS COLLEGE
KEARNEY, NEBRASKA

even the critics admitted that Kearney had "some fighting team."

Among the new men wearing the Kearney Blue and Gold were Burgess, center; Barta, guard; Woodbury, guard; Williams, quarter; Owens, tackle, all of whom proved to be outstanding players.

Following the Colorado game two other non-conference games were played. At Hays, Kansas, The Antelopes met their toughest foe. The Jay Hawkers were big and fast and had everything a successful football team needed. The University of Wyoming game was next in order. The Antelopes battled hard but the big Cowboys for the second time in two years, had little difficulty in their high altitude round-up.

The first conference game was with Wayne College, at Kearney. Wayne has good teams in all lines of sports and Kearney was forced to do her super-best to beat her 21 to 6. It was a great victory for Kearney with one of the largest crowds of the season attending.

The plucky little Centralians were next encountered. They surprised everyone by holding Kearney to a scoreless tie. Several

times Kearney had the ball within easy scoring distance, only to be held for downs or a touch back.

Kearney proved a big surprise to the crowd at Hastings. The Antelopes scored two touch downs early in the game and had the best of the argument throughout the first half. They were weakened through substitution, made necessary by injuries, and as the defense crumbled, Hastings forged ahead. In a vain attempt to score, Kearney tried several dangerous forward passes which Hastings used to a good advantage and put the game on ice. The Kearney touchdowns were made by Captain Carskadon and Waldman.

The York game at York was a score-fest by both sides. Kearney was not up to par on the defense. Brilliant forward passing and receiving marked the game. Kearney scored first and last touchdowns, but a drop kick in the dying moments of the game gave York an 18 to 17 victory.

Grand Island was defeated in a hard fought game in which every Antelope did his best. Captain Carskadon made all the points in the game running 40 yards for a touch down and also kicking a field goal from the 30 yard line.

Ihling Carskadon.

Captain.

Ihling Carskadon, the wiry versatile little back, was chosen to lead the 1926 Antelopes. He is a player of unusual ability and a triple threat man of the first water. Throughout the year Brick proved himself an efficient captain on many occasions. His versatility made it possible for him to relieve an injured end or backfield man and demonstrate to his opponent that he was still fighting a man who would keep him busy. His experience in high school and college football made him a veteran in whom the less experienced Antelopes could look for council and guidance. Brick had the confidence and faith of the entire team and his standards of fair play and good sportsmanship won the respect of his opponents. Captain Carskadon set the pace for his team this year by scoring the highest number points and by winning an honorable mention as all-state halfback.

The Blue and Gold

Peru won, at their stronghold, the final game on the Antelope schedule. Twice Kearney came near scoring. Both Waldman and Owens ran through the entire Peru team only to be tackled from the rear after slowing down in dodging the last man. As at Hastings and York, the entire Antelope squad got into the game trying desperately to stem the tide. During the last half Kearney played her best game, holding Peru to a lone marker.

Clyde Cox, Kearney's versatile athlete, played his last football game for the Blue and Gold. He played through the entire Peru game with an injured shoulder.

The star of the season was Captain "Brick" Carskadon. Playing his third year, he developed into one of the most accurate forward passers in the conference and regardless of his size he was a mountain of strength on the defense. He was placed on the Mythical All-State Second Team. He deserves credit as being one of the

best all-round football players ever developed at Kearney. He was also one of the best leaders.

"Johnnie" Waldman, playing his second season, was a close second for high honors. He was a sure ground gainer on the offense and a terror on the defense. His terrific tackling and speedy runs always featured.

Henry Reilly who played his third year at an end position starred in all the conference games. Grand Island, especially, found it impossible to block him out on wide end runs or off tackle smashes. He was a sure receiver of forward passes. Wesley Bowker starred in the York game. He was a heady, dependable player at all times.

The season was climaxed with a party given by President Martin at Green Terrace Hall for the players and their lady friends. It was voted a huge success and a fitting finish of the season. The Athletic Board awarded letters.

Ronald Owens, Capt-Elect.

Roland Owens is another captain who hails from the famous little town of Stockville that has all ready given three former captains to Kearney College. He won his spurs in the Greeley game, the first one that he played for his college. In the early part of the game he was sent in as substitute and he won the admiration of his fellow students by featuring in almost every play until he was forced out of the game because of injuries. He was undoubtedly the outstanding line player of the team. Cool, smiling, he was a tackle that was hard to stop both on the offense and defense, and his driving through tactics disrupted many a well planned attack. Later in the season he was shifted to half-back in order to bolster up a badly injured backfield. Roland is a born leader, and with many of the old men back, the Antelopes should make football history next year.

Training School Athletics.

Much interest was taken in training school athletics this year. Complete outfits in football, basketball, and track were purchased. As a result of this added interest, the young athletes of this department of the college have produced the best teams in each of these sports in the history of the school. The football team was especially successful. In a schedule of nine games they won five, tied one, lost three. Many of the boys on the team had never played football before but they took up the game with unusual pep and enthusiasm and before the close of the season they were playing like veterans. The team as a whole was light but fast and shifty. Their aerial attacks and long end runs were responsible for most of their touchdowns. However, the line plunging of Glen Wintermute, husky training school halfback, also featured in the scoring. Harlan Allen, quarterback, proved to be a leader of no little ability. He kept his opponents guessing all the time and his forward passing was largely responsible for the success of the team. In the Barr Junior High School game he completed six out of eight attempted passes. The Allen-to-

Skinner combination almost never failed when additional yardage was needed. Lucas could always be depended upon to return punts and keep his goal out of danger. He holds the record of drop-kicking six successive goals after touchdowns. The work of Williams, Anderson, Barlow, and Bates, on the line, both offensive and defensive, showed promise of an exceptional future in football. The team loses only two men by graduation this year. With eleven letter men back in uniform next season, the prospects are very bright for another winning team.

The following is a summary of the 1926 schedule:

Holdrege Reserves	13	K. T. S.	3
Lexington Reserves	12	K. T. S.	12
St. Paul	0	K. T. S.	6
Barr Junior High School	3	K. T. S.	15
Kearney Junior High School	0	K. T. S.	21
Lexington Reserves	7	K. T. S.	0
St. Paul Reserves	0	K. T. S.	14
Holdrege Reserves	0	K. T. S.	21
Stockville	7	K. T. S.	0

Opponents 42 K. T. S. 92

Assistant Coach Dunlap.

Coach Dunlap has assisted Coach Fulmer two seasons in developing a football team at Kearney College. His past experience both as a player and as a coach has made him a valuable helper in developing backfield men and teaching Freshmen the art of college football. He played football at Hastings College, St. Viator in Illinois, and the University of Tulsa in Oklahoma. Coach Dunlap spent much time in developing a good second string team here last fall. The "scrubs" started the season with a team that was composed almost entirely of green and inexperienced men. But by the close of the football year they succeeded in defeating the strong McCook Junior College eleven by the close score of 3 to 0, largely through the efficient tutelage of Coach Dunlap.

The Blue and Gold

CLYDE COX.

This was Clyde's fourth year of fighting for the Antelopes. He played half and full-back the first half of the season. He was a hard man to stop, hitting the line like a pile driver. He went into his old birth at tackle near the close of the season and made trouble for opposing teams to the end.

RALPH LIDGARD (Lid.)

Lid comes from Bladen, Nebraska. He was steady and sure. A hard worker and a conscientious player, he should prove a real line threat next year.

HENRY RILEY (Heinie)

Heinie is a native son, and next to the smallest man on the team. Grit clear through, he played a wonderful game to the end. Time after time he would dump interference and smear men twice his size. A real fellow playing for love of the game.

WESLEY BOWKER (Bowk.)

Bowker played left tackle. A veteran and a fighter he made swaths through the opposing lines. We expect great things from Bowk next year.

The Blue and Gold

LAVERN WILLIAMS (Spike.)

Spike also hails from Stockville. He was the smallest man on the team and the gamest. He played quarterback and he never knew when to quit. His specialty was returning punts. He never failed his team. We are sorry to lose Spike next year.

FRANK BARTA (Bart)

Bart played left guard. Big and powerful, he was a power in the Kearney line. His specialty was blocking punts. This is his first year of football. Next year he should prove a constant source of trouble to opposing teams.

CHARLEY SNIDER (Chuck.)

Charley is a product of Clarks, Nebraska. He is the youngest player on the team. He is a hard worker and game to the core. He made a sensational tackle in the closing moments of the Central game, saving the Antelopes from defeat. He should provide plenty of entertainment for opponents next year.

SAM WOODBURY.

Sam played guard, in fact he played all over the team starting from the guard position when the ball was snapped. He learned from experience in an army regimental team the meaning of "fight and hit 'em hard." Sam should be a leading guard in the conference another year.

The Blue and Gold

ORLA BURGESS.

Orla migrated from Gresham. He was also small, a little over two hundred pounds. He had the outstanding record of playing every minute of every game, with no time out for him. He was an accurate passer and a wild roving center. "Quit" is not in his vocabulary. Watch for Burgess next year.

JOHN WALDMAN.

John came from Comstock, Nebraska. He plays halfback. He was out of the game much of the time on account of injuries, but while able to play he showed the most brilliant broken field running displayed on the local gridiron in recent years. He was fast and shifty with plenty of fight. He was sometimes taken out, but he never quit fighting. He should prove a real threat to teams next year.

ORA RUSSELL.

Russell's home is at Arcadia. He is a halfback of no little ability. Injuries prevented him from playing much of the time, and he seemed to take vengeance on the ones he was allowed to play against. He should show up well next year.

ROBERT CLARK (Bob.)

Bob is another local product. He played quarter and halfback. Small in stature, but old in experience, he played up to his usual form. He was best as interference man and broken field runner.

The Blue and Gold

CLAYTON ANDERSON (Dad.)

Dad is also a Gothenburg product. He played tackle this season and his work was one of the bright lights of the Antelope line. Big and powerful he played a consistent game all season. He should be at his best next year.

ELMER COX (Tuggle.)

Tug's home is at Phillipsburg, Kansas. He played right guard in his first year of college football. A hard fighter and a good sport he won the hearts of comrades and opponents. He should make a real lineman next year.

THERON SMITH.

Smith comes from Farnum. He did not make his letter this year, but his work showed promise of a regular position next year. He is a hard worker and a good fellow.

HARLAN ELAM.

Elam came to Kearney College from Ord last fall. He has been a hard and consistent worker in both football and basketball. Harlan failed to make his letter in both these sports by a very small margin, but with a year's experience behind him, he will be one of the strongest men both on the gridiron and the court next year.

BASKETBALL

The basketball season for the Antelopes opened on January 8 at Hays, Kansas, where the Antelopes lost, 21 to 23, but that is only part of the story. How Kearney led for more than three-quarters, until their center was removed from the game on fouls, how even then it seemed that they would win against the Kansas giants and veterans of the year before, will long be remembered by Antelope fans.

The conference season opened on January 15, with the Antelopes invading Broncoland. Though Cox, throwing baskets from all angles, was the star of the game, the Antelopes were again defeated, this time by the Hastings hoopsters. The next week found the Antelopes at home playing a brand of basketball hard to beat. Cotner was defeated by a score of 32 to 25 when Huber came into his own and went on a scoring spree. York was next to see the Antelopes' hoofs, for its team was defeated in a thrilling game with the tallies standing 26 to 22 at the end of a necessary extra period of five minutes.

It seemed now that the Antelopes had clear running, but the next week they traveled and met with stiff opposition, for they lost to York, Cotner, and Tabor, Iowa. This trip included a Sunday morning relay race up Farnum street in Omaha. The Antelopes showed that they had the stuff from which great track teams are made when they started out after a negro

who had appropriated two of their suitcases. They won the race handily with ten yards to go. Another game was dropped to Grand Island College at Grand Island on February 10.

Home came the Antelopes to entertain Wayne in real home style, administering defeat to the tune of 27 to 16 when Carskadon starred and become high point man of the game. The next week found the Antelopes still entertaining. Chadron won on Wednesday night, with Kearney clearly off form as was shown by Chadron's later games with conference teams. Dana came on Thursday night and lost to Kearney 32 to 29. Huber was again high point man, with guarding on both teams very weak.

Kearney shone brightly in the last game of the season when they were pitted against Grand Island, a team which had beaten them earlier in the season and which had handled Chadron so easily a few nights before. It was the Antelope's game from the first whistle, for the Zebras were bewildered and dazzled by the brand of team work and basket shooting presented. They came back strong in the second half and even threatened to win the game when Cox and Harden, seniors, playing their last game for the Blue and Gold, were removed for fouls. Barta, substitute center, saved the day by dropping in a basket in the closing moments of play. Such a victory was a fitting close to the 1927 season.

Kearney placed three men on the honorable mention roll, Robert Huber, forward; Clyde Cox, center; and Glen Harden, captain and guard.

The Blue and Gold

CAPTAIN GLEN HARDEN.

Glen has been one of the main stays on the Antelope basketball squad for four years. Through pure grit and determination, together with clean living and clear thinking, he fully earned the honors given him in athletics. He was one of the best guards in the state this year as is shown by the fact that he won honorable mention on the mythical all-state team.

CLYDE COX has played his last game for Kearney College also. He has proved to be one of the best all-around basketball players this college has produced. This year he occupied the center position, and he never failed to get the tip-off for his team-mates. He also won honorable mention on the all-state team.

IHLING CARSKADON—Brick has been a familiar figure on the basketball court for three years. He has always been a hard, conscientious worker and the brand of basketball that he displayed this year is a result of these efforts. His basket shooting has aided in turning more than one apparent defeat into victory. Brick should win a birth on the all-state conference team next year.

ROBERT HUBER—Bob is without doubt, one of the best forwards that Coach Fulmer has had under his tutelage since he has been in Kearney. Although small in stature, his unusual speed and accurate goal shooting has made him a marked man in every game this year. Regardless of the fact that he was guarded closely by all opposing teams he was high point man for the Antelope squad. He also won honorable mention on the all-state conference team.

FREDERICK MYERS—Myers played his first games for Kearney College this year. He, with Captain Harden, made up a defense that opposing players found difficult to penetrate. Aside from his ability as a guard, Myers has added several points to Kearney's score by his accurate long range basket shooting. With three more years of college basketball before him, he will without doubt develop into one of the best players in the state.

The 1927 Basketball Squad.

The fact that only five men won their letters this year does not indicate that Coach Fulmer had no reserve forces to fall back upon in case of emergency. The remaining five men of the first spring squad are all freshmen and sophomores. These young athletes with their youth, pep, and enthusiasm made stiff competition for the older, more experienced players, and it was only due to the fact that the latter played to the extent of their abilities that kept them from giving way to the younger men. In the games which these men played they shouldered their share of the responsibility with the gameness and confidence of veterans. It is quite obvious that this year's experience in college basketball is the only thing they needed to round them into first string regulars next year.

Aside from the men who won their letters, the first string was composed of:

Skov and Williams, forwards; Barta, center; Elam and Kintzler, guards. Skov is probably the most accurate basket tosser on the squad. He can toss the ball through the hoop from any angle of the court with apparent ease. Along with his ability as a basket shooter he has an abundance of speed and endurance. His lack of experience is the only thing that kept him from winning a letter this year. Watch Skov the next three years. Spike is another forward that bears watching. In the Town-Team Tournament held in Kearney this spring he gained the attention of all by his sensational goal shooting. Frank Barta proved his worth by pulling the last game of the season out of the fire by a pretty shot in the last minute of play. Elam and Kintzler were both good dependable guards. They were called upon to relieve Captain Harden and Myers in several games and their defensive work was very satisfactory.

I. Carskadon, Fulmer, E. Skov, L. Williams.
H. Elam, G. Hardin, C. Cox.
R. Kintzler, F. Barta, F. Myers, R. Huber.

The Blue and Gold

KEARNEY HIGH SCHOOL BASKETBALL TEAM.

Winners of Class A trophy in Fourth District Basketball Tournament held at Kearney College gymnasium, February 24, 25, and 26.

Track 1927.

When Coach Fulmer first looked over his 1927 track squad last March he shook his head sadly. Only three letter men, Cox, Gilliland, and Waldman reported. These three men with Joe Bennett and Carskadon were all the promising material that could be found in the three upper classes. But when the Freshman candidates started to swarm upon the field, a smile came over Coach Fulmer's face that has been getting broader as the season progressed, for here he found some promising athletes that are determined to shatter many of the old traditional records held by former classmen. In Gall, Owens, Burgess and Skov, the coach has found athletes that are going to make Kearney College famous.

As in 1926 the season opened with Hays, Kansas. This time the meet was held at Kearney, and the Antelopes, although defeated, made a much better showing against the strong Kansas team. Kearney won five first places and a total of 47 1-2 points.

True to prediction the Freshmen easily won the Inter-class Meet by amassing a total of 78 points, while the Sophomores were capturing 55 and the Seniors 21. Owens, Freshman, won the silver loving cup for individual honors with 20 3-4 points;

Gall, another Freshman, was second with 19 1-4 points. Such records show promise of a strong team next year.

On April 29 the Antelopes went to Cotner to repeat if possible the performance of 1926. They found in the Bulldog aggregation, however, some pretty tough customers and the Antelopes were forced to be content with a tie score. Kearney, with the meet practically won, had a streak of hard luck. Three times, Antelope men slipped and fell in the closing moments of races when they were well in the lead.

The Grand Island-Kearney College meet proved to be most interesting and thrilling. Four records were broken; one by Gall, who lowered the mile time to five minutes flat; another by Joe Bennett whose time on the high hurdles was 17.2; another by Clyde Cox who tossed the shot 39 feet 8 1-2 inches; the other by Waldman with a distance of 168 feet 8 inches to his credit in the javelin throw. Final score, Kearney 77; Grand Island 59.

Men who have won letters thus far are as follows: Clyde Cox, Harold Gall, Clark Gilleland, Joe Bennett, Orla Burgess, Ihling Carskadon and John Waldman.

Track 1926.

The Kearney College track team opened the 1926 season on the home field in a dual meet with Grand Island College. Kearney lost the meet although a Kearney man, Clarence Capps, won individual honors. The Antelopes scored well in the field events, but lost out in the sprints and jumps. Kearney records were broken in two events, the javelin and the discus.

The track squad then invaded Kansas Teachers College at Hays, but the Hays men were too much for the Antelopes. Clyde Cox made a new Kearney record in the half mile and Croissant won first in the two mile. Kearney returned from the Kansas defeat to meet Cotner on the local field April 24. The meet was close and hard fought throughout. Kearney won by the score of 69 to 67 after the team had won the mile relay. Clyde Cox made 14 1-2 points by placing in six of the seven events entered. Scuman, of Cotner, was high point man with 16 points. Capps, of Kearney, made a new local record in throwing the javelin. A terrific north wind made it almost impossible, for a time, to run the meet. The pole vault became so dangerous

that several men dropped out, and the distance runners found themselves greatly hampered; but all in all, it was a great day for the Kearney track team.

On April 28, the Antelopes invaded Hastings, the Zebra territory, greatly hampered by the absence of Carl Cox and Robert Pollard, two mainstays of the team. Despite this handicap, they succeeded in losing the meet by only a narrow margin after they had won all the distance runs and field events, only to fail in relays, dashes and jumps. Kearney men who earned their track letters in 1926 were: Carl Cox, senior, Kenesaw; Clyde Cox, junior, Kenesaw; Clarence Capps, sophomore, Oxford; Robert Pollard, sophomore, Farnum; Kenneth Downing, sophomore, Arnold; Frank Croissant, sophomore, Kearney; and John Waldman, freshman.

The tennis team was made a part of the track squad in 1926, and a number of intercollegiate matches were arranged, both on the home courts and on the other college courts. It is expected that this sport will become more important with this further emphasis.

Coach Fulmer, F. Croissant, H. Reilly, C. Cox, S. Compton, G. Thurman.
H. Morrow, J. Waldman, R. Pollard, Downing, C. Gilliland, C. Cox.

Woman's Athletic Association.

GWENDOLYN SWIFT	President
VIOLET ABBOTT	Vice-President
MURL PASH, JUANITA BRUCE	Secretaries
HAZEL PANEK	Treasurer

The Woman's Athletic Association, sponsored by Miss Janet Pickens, head of the woman's physical education department, defines as its purpose the arousing and maintaining of a high physical efficiency in athletics, gymnastics, and recreational work.

Basketball, swimming, archery, hiking, soccer, hockey, tennis, and track are offered in season. Next year the girls are to have an athletic field of their own, which will be available at all times. Regular meetings are held the first Wednesday in every month.

The outstanding work of the organization was the production of the Winter-Festival original dance pageant, "The Minstrels' Dream," written in one hundred lines of blank verse by Wendell B. Coon of Kearney, and presented by a cast of about one hundred girls. The first performance was given March 4, 1927; the second on March 16 before the state D. A. R. convention. The costumes for the folk dancers were copied from native clothes brought to this country.

ORGANIZATIONS.

Y. W. C. A.

MILDRED THOMAS	President
EUNICE ARNOLD	Secretary
LEONA SHELDON	Treasurer
HAZEL PANEK	Program
FLORENCE WAY	Social
ILA FAYE ANDREWS	Membership
FREDA REDDY	Publicity
NANCY LYNCH	World Fellowship
BLANCHE MYERS	Social Service
RUTH THOMPSON	Council Representative
MISS FLORENCE CASE	Advisory Board

The purpose of the Y. W. C. A. is to unite the women students in a common loyalty to Jesus Christ, to bring them to accept him as their personal Saviour, to build up a knowledge of Christ through Bible study and Christian service, and to enlist their co-operation with the church. That the women students are interested is evidenced by the fact that the membership exceeds two hundred. Thus, it becomes the largest voluntary membership organization.

The association meets every Thursday at chapel hour for devotionals and programs. Beside regular meetings, the Y. W. C. A. gives an annual banquet; aids in special Thanksgiving and Christmas services, and sponsors the Nativity play, the Holiday Festival, and the Easter Tea. It unites with other organizations of the school and like organizations around the world in carrying out programs that enrich the lives of girls.

The Antelope.

LILLIAN LANCASTER *Editor (first quarter)*
FLORENCE OLSEN *Editor (second and third quarters)*
LEE HARBOTTLE *Business Manager*
BESSIE S. BLACK, *chairman*; RALPH W. NOYER, MARY CRAWFORD
..... *Antelope Board*

In September, the Antelope started its yearly course under the leadership of Lillian Lancaster. For one quarter, she retained the editorship, but at the end of that time, she resigned in order to take a position on the staff of the Kearney Daily Hub. Florence Olsen, a post graduate student, then took over the guidance of the Antelope for the rest of the year. Lee Harbottle, as business manager, has held his position for some time.

The classes in news writing and journalism furnish a large part of the copy for the paper. This year, the members of the classes were assigned regular beats for news gathering in order that the school in all its activities might be covered thoroughly. In this way the paper is not only furnished with material from all activities carried on, but the journalism classes are given practical laboratory experience in newspaper work, undertaken on a small scale. Those

who may teach journalism or sponsor school papers are enabled to come into actual contact with newspaper problems, and to acquire some of the knowledge requisite for their work. The Antelope, in the years past, has grown up with the school.

Each week, 1,050 copies of the Antelope are printed. A great many of these go to the high schools and libraries of Nebraska and to colleges in practically every state in the union. The exchange list has grown to large proportions. Besides students and faculty, there are many alumni subscribers to the paper. The Antelope proudly carried away a distinguished rating award from the 1926-27 National College Press Congress in the recent annual publication contest. The aim of the editors of the Antelope has been to publish news of interest to students and alumni and to keep before its readers any progress that Kearney College may make.

L. Lancaster.

F. Olsen.

L. Harbottle.

Lyceum Committee.

HOMER McCONNELL

Chairman

FLORENCE WAY

Secretary

The first college lyceum committee made up of student members was organized in the spring of 1926. Representatives were chosen from the four classes to elect the lyceum committee members. These representatives, with a faculty advisor, elected four student members and two faculty advisors as the lyceum staff. Those elected were Miss Anna V. Jennings, faculty; Dr. Hans Olsen, faculty; Homer McConnell, school at large; Florence Way, senior; Mildred Thomas, junior; and Allen Anderson, sophomore.

The work of the lyceum committee is to choose and book the talent for the college lyceum course. The end in view in organizing a committee of this nature was the hope that students would be better able to select the type of talent that would appeal to the student body.

The program chosen for the year 1926-27 began with the Harp Symphony concert which was presented in the auditorium Oc-

tober 21. The program consisted of concert numbers in which the harp, violin, cello, flute, and organ featured. "The Old Homestead," a comedy drama, including the old farm male quartet, appeared November 30. "Midst Ice and Snow In Labrador," an illustrated lecture given by Dr. Wilfred T. Grenfell on January 28, was of interest to many.

Perhaps the most pleasing number came with the appearance of Lew Sarett, the American Wilderness Poet, February 22. His personality won the audience at once, and he received enthusiastic applause. The most unusual number was given by the French Marionettes, created by Jean Gros, March 8. They presented "Huckleberry Finn" in matinee performance, and "A Midsummer Night's Dream" for evening entertainment. The last number of the season was the violin recital by Carl Steckleburg, April 11.

Student Government.

HOMER McCONNELL	President
HAROLD HAYDEN	Vice-President
LEE HARBOTTLE	Secretary and General Manager

The Student Government Association at Kearney College was organized in May, 1926. It was entirely new to the school but was modeled after similar organizations elsewhere.

The purpose is to promote the scholastic and moral tone of the college; to maintain high standards of honor and loyalty; to strengthen cordial relations between the faculty and students; and to exercise delegated legislative, executive, and judicial powers over the conduct of the students on and off the campus.

The association is made up of all students regularly registered in the school. The executive powers are vested in three councils. The supreme council is composed of the president of the association, the president of the college, the dean of women, one other member of the faculty chosen by the president of the college and the dean of women, and the presidents of

the senior and sophomore classes. The student council consists of president, vice-president, and secretary of the association and one member of each of the four college classes, together with two faculty members. The student standards committee consists of five council members appointed by the president and approved by the council.

The Student Government has endeavored to solve cases and to bring about a changed attitude on the part of students toward school government. The regularly elected council members were: seniors, Clyde Cox and Ruth Gregg; juniors, Clinton Gitchell and Sadie Morrison; sophomores, Allen Anderson and Alta Seybolt; freshmen, Byrus Troxell and Edith Norlin; faculty, H. O. Sutton and Emma Hanthorn. Those appointed and elected to fill vacancies were Elaine Sullivan, Cytherea Hunkins, Homer Morrow, Clarence Lindahl, Gertrude Thomas, Sidney McCaig, and Orla Burgess.

McConnell, Gitchell, Sutton, Hanthorn, Morrison, Morrow.
Norlin, Anderson, Cox, Harbottle, Hayden, Seybolt.

The Women's League.

DEAN'S COUNCIL.

HAZEL PANEK	President
ALICE YODER	Vice-President
GERTRUDE BATZ	Secretary
CORRINE ORCHARD	Treasurer
MARCIA HAZLETT	Senior Rep.
ALICE PROCTOR	Junior
HELEN TRAVIS	Sophomore
VIVIEN SWANSON	Freshman
FLORENCE WAY	Y. W. C. A.
BESSIE SEBEK	Catholic
GWENDOLYN SWIFT	W. A. A.
ILA FAYE ANDREWS	Program
RUTH HEFNER	Dormitory
MILDRED BURMAN	Town Girl
NELLIE LYNE	Out of Town

The Women's League was organized in the autumn of 1927 and is composed of all women students enrolled in the college. This organization promotes the larger social activities of the school, the mixer, the Hallowe'en party, Valentine tea, and numerous other minor affairs. The dues paid by all women students become a part of a loan fund now enabling many young women to remain in school. In addition, seventy-five dollars has been given to the Harriet Sutton organ Memorial Fund.

It has become an established custom that

the League make a material contribution to the school each year. The tea service, linen, several pictures, furnishings for the Stexy, and attractive drapes for the office of the Dean of Women are among these gifts. This year two young women were sent to Lincoln to the State convention of the League of Women Voters for College Women. Marcia Hazlett and Izobel Harris represented the organization and brought back excellent reports. The programs each month bring to college women outstanding problems confronting the college girls of today.

Y. M. C. A.

WAYNE H. DANIELSON	President
WM. C. STUTHEIT	Vice-President
HUGH PETTIJOHN	Secretary
LEE HARBOTTLE	Treasurer
ALLEN ANDERSON	Program Chairman
CLAY FLETCHER	Devotional Chairman
SIDNEY MCCAIG	Publicity Chairman
O. F. VOLLMER AND WESLEY C. PRICE	Custodians of Keys

The Y. M. C. A. is one of the few organizations formed exclusively for men at the Nebraska State Teachers College at Kearney. Since its organization in 1906, it has always attempted to carry its part in supporting the highest ideals of the school and in setting forth the best standards of good character.

In setting forth standards of good character and development in the men, the Y. M. C. A. sponsors many social activities. During the first week of school in the fall quarter, a melon feed is held for all men of the college. Later in the year, a Y. M. C. A. banquet is held in honor of the new members.

The organization has been instrumental during this year in securing H. C. Gosard, F. C. Stevenson, Charles Corbett,

Dr. Allen K. Foster, and other men of national and international fame, who have spoken to both students and faculty on world conditions and world problems. In this way, contact has been secured with certain leaders of thought in this country.

In addition to this extensive program, regular meetings have been held in the Y. M. C. A. room in the gymnasium every Wednesday evening. Many vital topics have arisen for discussion in these regular meetings which are conducted by the students, a round-table type of discussion being often used. Outside speakers have been called upon to give inspirational talks upon topics of student interest and student welfare. After each meeting, the gymnasium is opened for any members who wish to swim, box, wrestle, or play basketball.

Orophilians.

ELAINE PETERSON, GLADYS CORNWELL, BONNIE FAIR	Presidents
BONNIE FAIR, ETHEL MACY, DELLA BENSON	Vice-Presidents
ROSE ADEN, CORA ELLINGSON, VIOLETTE SAND	Secretaries
CORA ELLINGSON, MARY RUNGE, HARRIET POOLE	Treasurers

This society was organized for the purpose of giving more students the opportunity to take part in extemporaneous speaking, and in literary activities in general.

It meets the second Thursday of every month at 7 o'clock. All Orophilians look forward to this date for they know there's a very educational as well as social hour in store for them. Very interesting programs consisting of music, games, readings, speeches, debates and discussions on

current topics have been presented. One of the most interesting features of this year has been the study of modern poets and modern poetry. Some of the poets were Lowell, Longfellow, Field, Milne, Riley, Lenzey and Sanferry.

The last meeting of each month is given over to the Forensic League. This gives the three literary societies an opportunity to communicate their ideas to each other. Much of the credit for the success of our meetings is due to our sponsor, Miss Bessie Ferguson.

Manual Arts Club.

OTTO NELSON, HENRY REILLY, C. O. EVANS	<i>Presidents</i>
IHLING CARSKADON, RALPH HOPWOOD	<i>Vice-Presidents</i>
HENRY REILLY, OTTO NELSON, RALPH HOPWOOD	<i>Sec'y-Treasurers</i>
JOHN WALDMAN, FRANK BARTA, CLYDE COX	<i>Sergeants-at-Arms</i>
C. O. EVANS, GLEN HARDEN, CLYDE COX	<i>Reporters</i>

The Manual Arts Club is an auxiliary of the department of industrial education at Kearney College. The aim of the department, like that of the other departments of the school, is primarily teacher training. Realizing the fact that a teacher must know a great deal more than the things he teaches, the club has made its aim assisting in the promotion of the general interests of the student from the social point of view as well as from the strict utilitarian. The club also furnishes an opportunity for supplementing the work of the department which must be meager as compared with the whole field of industrial work.

The constitution of the club specifies general educational aims rather than special. The officers, sponsors, and members of the organization are continually upholding these aims. The club recognizes the limitations of extremely specialized ed-

ucation and considers this to be one of its problems. For this reason, the work of the club is designed with the purpose of broadening the student, not only in his industrial outlook, but in his general viewpoint.

It is not necessary that a student be majoring in industrial education in order to become a member of the club. The requirement is that he must show a reasonable interest in the type of work carried on in the department. In this way, the club finds a broadening influence in the very character of its general membership, for many and varied interests are found to keep the club from becoming narrow in any way.

In order to aid in developing social qualities among the members, good fellowship gatherings are held in addition to the regular meetings. These social meetings take the form of banquets.

HAROLD HAYDEN	<i>Sergeant-at-Arms</i>

The Spanish Club of Kearney College was formed in 1923 under the direction of Miss Ethel Hill, instructor in Spanish. It is the aim of the club to afford a means of making practical the knowledge gained in the classroom, and to acquaint the members with Spanish customs and modes of living.

Regular meetings of the Spanish Club are held monthly. Though lasting but an hour, they are filled with entertainment and interesting instruction. Short talks and plays are given in Spanish at the meetings, games calling for a knowledge of the language are played, and explanations of interest to Spanish students are heard. Refreshments are usually served after the meetings.

To furnish variety, one of the recent

meetings was turned into a novel entertainment—a trip through Spain. The train was in charge of a conductor and a brakeman. The first stop was made at Granada where Dorothy Van Wey gave an interesting talk in Spanish about the city. Pictures of Granada were passed through the train for the passengers to see. The train also stopped at Sevilla and Madrid where other pictures were shown and talks given by Helen Cruitt and Mildred Beadle. At Sevilla, Zetha Hendrickson and Harvey Churchill presented a Spanish love scene, while at Madrid, the train waited long enough to allow the passengers to hear a short play given by Robert Adams, LaVerne Williams, Harvey Churchill, and Robert Harmon. At the end of the journey, light refreshments were served.

Zip Club.

CLARENCE LINDAHL	President
CHARLES SNIDER	Vice-President
PAUL SHOVLAIN	Secretary
ALTA SEYBOLT	Treasurer
HOMER MCCONNELL	Initiation Chairman
GERTRUDE THOMAS	Social Chairman
LEE HARBOTTLE	Convocation Chairman
MISS FLORENCE CASE	Sponsor

In 1924 the Zip Club was organized in Kearney College for the purpose of creating and promoting an effective school spirit among the students, and for developing an enthusiastic student support of the college teams in all inter-collegiate contests.

The Zip Club has proved effective in stimulating a spirit of loyalty, school enthusiasm, and true sportsmanship. Although one of the youngest organizations in Kearney College, it has proved an asset in the extra-curricular program. It promises in the future to be of importance in molding college ideals.

The club is limited to forty members, the limitation making possible the selection of students of known ability in di-

recting and stimulating enthusiasm. The organization has charge of all cheering at athletic contests and other school activities. It has assisted in furnishing convocation programs through its convocation committee. At various times, it has sponsored parties for its own members and for guests.

One of the club's most important undertakings of the year was the annual "Showdown," an evening's entertainment of comic stunts. Various school organizations take it upon themselves to provide a certain amount of entertainment. A prize is offered for the best stunt in order to assure keen competition. The proceeds from this entertainment are used to buy "K" club sweaters and other school awards.

B Natural Club.

Mrs. HULL

Sponsor

The B Natural Club is an organization composed of students of the piano department at Kearney college. It was founded during the first quarter of the school year of 1925, with Mrs. Hull, instructor in piano, as the sponsor. One of the interesting features of the club is the fact that there are no officers, the work being carried on in a purely voluntary manner under the direction of the sponsor.

In its aims, the organization is highly artistic. The purpose has been to encourage the appreciation and the study of good music of all kinds. Mrs. Hull's own appreciation, and interest in music has proved the stimulation for much of the enthusiasm that the members have felt.

The club has met on the second Wednesday of each month, at which time the group has enjoyed rhythmic work and metric drawing. In studying the opera stories that are transcribed for the piano, a keen appreciation of the influence of the different composers has been gained by the club members. Attention has been given to the advances made by the different geniuses

and their contributions to music as a whole. The club has had the privilege of listening to instrumental and vocal record reproductions by many musical artists of the present day. At each meeting, several piano selections are played by members of the club. After playing for the organization, it is much less difficult to play before a larger and more critical audience. In this way, the members gain not only in power of appreciation, but in power of performance. Mrs. Hull has always been ready to help with suggestion and bits of appreciative interpretation that have opened up the field of music more definitely to all the members.

For the April program, Mrs. Hull told the story of "The Quest of the Holy Grail," and the "Knights of the Round Table" in connection with the opera. This story was taken from a contemporary article. Records used were:

Elsa's Dream	Marie Jeritza
King's Prayer	Marcel Jowinet
Prelude to Act III	Boston Symphony
Bridal Chorus	Victor Opera Company
Lohengrin's Narrative	Evan Williams

G. La Grange, I. Hill, I. Hill, I. Williams, F. Coder, E. Petersen, E. Petersen, M. Cramer, I. Woods, A. Seybolt, H. Albright, I. Saunders, H. Poole, W. Price, W. Cleland, E. Croissant, M. Alves, L. Solt, M. McCaslin, P. Winn, D. Mousel, Mrs. Hull, H. Strouse, B. Sebek, A. Proctor, G. Myers, E. Reese, F. Signer, H. Dammann, L. Seeburger, L. Painter, V. Seybolt, D. Schwerdtferger.

Emanons.

CLARENCE LINDAHL, SIDNEY MCCAIG *Presidents*
WM. STUTHEIT, ELMER SKOV *Vice-Presidents*
SIDNEY MCCAIG, LEROY DAVIDSON, GLEN HARDEN *Secretary-Treasurers*
WESLEY PRICE, FRANK BARTA *Sergeant-at-Arms*

The Emanon Literary Society was organized September 29, 1905 for the purpose of training its members in logical thinking and developing effective public speakers.

This organization consists of a group of men, who develop from hesitant, inexperienced college boys into capable orators and debaters. This is accomplished by programs consisting of: debates on current topics, extemporaneous discussions, readings, parliamentary drills and travelogues.

The programs during the year have been furnished by committees of three, appointed by the president for periods of two weeks each. The efforts of these respective committees have proved remarkably faithful and have always resulted in varied, interesting and highly educational programs. In this manner each Emanon member has played an important part in bringing to the organization something original and

worthwhile; and in the meantime developing his own ability to lead, to plan, and to shoulder responsibility. Thus the truly democratic nature of this society has made possible valuable educational training wherein the individual learns by doing.

The success of the Emanons is best evidenced by the fact that, with few exceptions, the members of the male debate teams have been members of this society. This speaks well for greater success in the future and signifies the importance of such an organization in extra curricular activity.

Mr. Arnold Trotier, Emanon sponsor for the past year, has been very instrumental in making this society so successful. He has conscientiously and courageously proved faithful in his duties as a sponsor and the society is truly appreciative of his valuable criticisms that have proved so advantageous to the individual members.

W. Price, C. Lindahl, F. Barta.
W. Stutheit, A. Trotier, J. Matthews, G. Harden.

Pre-Medic.

FRED CARPENTER	President
HOMER McCONNELL	Vice-President
LEO BASSINGER	Sec'y-Treasurer
MISS CARRIE LUDDEN	Sponsor

During the first quarter of the 1926-27 school year, the Pre-Medic Society was organized in Kearney College for the benefit of those who had determined upon medicine as a profession. All students who expect to enter upon a medical career are eligible for membership. The purpose of the organization is to give Kearney students a bit of what they would get if they pursued a pre-medic course in a large university. It also acquaints the members with certain standards and activities of the profession through contact with men engaged in the practice of medicine.

Semi-monthly meetings are regularly held for the purpose of carrying on the business

of the organization. At these meetings, outside talent is enlisted to present some subject of interest to the members. Many topics are discussed in this way. Problems in general health, hygiene, and general medical practice are taken up as well as problems relating to specialization in various fields. Dr. Levine of Omaha, a noted expert on nutrition, was one of the principal speakers appearing before the club. Kearney doctors were kind enough to conduct and direct the discussion at most of the meetings. Among these were Doctors Warner, Holmes, Ayers, and Smith, as well as Miss Lillian B. Stuff, R. N. After every meeting, a round-table discussion is carried on so that students' problems may be taken up.

Academy of Science and Mathematics.

GLEN HARDEN, EUNICE ARNOLD	Presidents
HUGH PETTIJOHN, CLYDE COX	Vice-Presidents
SADIE MORRISON, FRED A REDDY	Sec'y-Treasurers

The Academy of Science and Mathematics was organized March 4, 1925, for the purpose of promoting an interest in science and mathematics, and of keeping students in touch with the latest scientific research. In general, the aim was to provide adequate facility for expression on the part of those interested in the sciences.

This organization has always been one of the largest organizations in Kearney College, and is still growing. At first the membership was limited to those students interested in the physical sciences, biological sciences, and mathematics, and to faculty members from the departments dealing with these respective studies. But early in 1923 those students interested primarily in home economics were admitted to membership.

This year's programs have been found

very interesting. Professor W. G. Ingram, of the science department of Kearney High School, demonstrated the slide lantern and projection screen with which he had been working for some time. Most of the other meetings were conducted by students who were particularly interested in some specific field. Hugh Pettijohn read a paper on "Recent Developments in Chemistry" while Morine Nyquist spoke on "Ornamental Plants." Leo Baisinger read his paper on "Wood Selection" and "Experiments on Feeding Rabbits," and Flavia Twombly on "Vitamines."

Miss Louise Enochs, of the home economics department, spoke on the history and development of home economics. At one meeting, Dr. Smith, of the State Tuberculosis hospital, discussed the prevention and cure of tuberculosis.

L. Davidson, F. Reddy, R. Hopwood, R. Nelson, F. Brown.

Orchestra.

PROFESSOR R. C. ROGERS—*Conductor.*

The College Symphony Orchestra, under the direction of Professor R. C. Rogers, has increased in size during the last two years until its membership is now approximately forty. Not only in size, however, but in instrumentation, too, the orchestra has increased, it having been augmented by those rarer instruments seldom found in a town of Kearney's size, the bassoon and the French horn, with the oboe and harp to be added soon. Besides these rarer instruments, there have been added others more common, such as violins, cellos, and violas, to say nothing of the various instruments that the drummer uses. A new Indian drum enables the orchestra to produce Indian music with realistic effects, while instruments are not wanting for descriptive numbers such as "In the Clock Store" and "A Hunt in the Black Forest."

The orchestra opened the season during the first quarter by giving a concert which marked a notable advance in ability to play the more difficult numbers such as "Ray-

mond Overture," "Schubert's Unfinished Symphony," "Andante Cantabile" from Beethoven's First Symphony, and "Orpheus." In the second quarter, instead of giving a concert, the orchestra played for the winter pageant, "The Minstrels' Dream," given by the W. A. A. A great deal of exceedingly intricate Russian music was used for this entertainment, the orchestrations for which were obtained with great difficulty. During the third quarter, some of the members took "booster" trips up the Lincoln Highway to North Platte, and stopped at the more important towns on the way. A short tour of these larger towns was planned for the entire organization with evening concerts scheduled. After this tour, the last concert of the season was planned.

In addition to regular concerts, the orchestra has furnished music for functions under the auspices of college organizations, and many of its individual members have played at various places about the town.

Commercial Club.

MRS. V. A. WINN	President
INEZ HOOLE	Vice-President
EDNA SEYFANG	Secretary
EUNICE OLSON	Treasurer
VICTOR ANDERSON	Publicity Manager

Coming from a deep felt want on the part of the rapidly increasing number of commercial students for an association which would provide additional training, the College Commercial Club was organized September, 1925. It was felt that such an organization would enable its members to participate in many actual commercial undertakings, and thus come in contact with business conditions.

The aim of the Commercial Club is twofold: first, to train and stimulate its members to become able and efficient leaders before they set out to teach others; and second, to initiate into actual business life those who will take their places in the commercial world. Every year, a number of trips are taken by the club members to various standard institutions where business methods and principles are studied. Among such trips taken this year are those to

the court house, the post office, the municipal water plant, the State Industrial School, the State Hospital for Tuberculosis, the Central Power Company, the Kearney Milling Company, and the Swift Packing Company. A trip to the Hastings Business College or the Grand Island Business College is planned annually in order that there may be wider acquaintances with business schools.

The club meets for its regular business on the second and fourth Wednesday of each month. At such meetings, lectures, demonstrations by students and experts, round table talks, and musical programs are scheduled. Stenographers, public accountants, and court reporters are interviewed and through them, many new principles and efficient methods are acquired. The club not only holds regular meetings, but social meetings are also held.

M. Kitchen, E. Alson, E. Andreson, W. Burton, V. Anderson, J. Bell, A. Olson, Mrs. Winn, W. Stroud, E. Ireland, D. DeArmand, F. Seybolt, Mrs. Sutton, E. Lummis, E. Shirley, T. Grantham, L. Frickey, I. Hoole, D. Hicks, G. Lindly, S. Craig, P. Phillips, V. Richards, I. Norall, G. Bishop, A. Meyers, A. Wallin.

Aspasians.

ELMA PETTIJOHN, MAYCEL SMITH	Presidents
EMILY IRELAND, VERA PARKER, VEDA SEYBOLT	Vice-Presidents
MABEL PREDMORE, ALVERA PETERSON	Sec'y-Treasurer
ALTA SEYBOLT, EDNA HENDRICKSON, CLARA JOHNSON	Sergeants-at-Arms
ZETHA HENDRICKSON, CLARA JOHNSON, ERMA MOHLER	Social Chairmen

The Aspasian Literary Society was organized in November, 1906, for the purpose of giving the young women of the school an opportunity to become more efficient in public speaking and in conducting various kinds of meetings. In the autumn of 1926 there were ten active Aspasian members in school. Twenty-eight new members were admitted to membership on September 30, and since that time, six more members have been admitted, making a total of forty-four Aspasians.

The meetings of the club are held regularly every Thursday evening from seven until eight o'clock, the regular program consisting of short talks, extemporaneous speeches, debates, book reviews, and parliamentary drill. Each member is expected to serve on the program committee and to contribute toward the success of each meeting. In this way, practice is given in conducting a meeting and in standing before an audience. Under the leadership of the

sponsor, Miss Carrie Ludden, the girls feel that they have carried out a successful schedule in their regular meetings.

Every fourth Thursday of the month, the Aspasians unite with the two other literary societies, the Orophilians and the Emanons, in a joint meeting known as the Forensic League. Debates and speeches feature this meeting. The Aspasians took an active part in both the Christmas Festival and the Showdown. They also sponsored the Arbor Day program at convocation.

One of the yearly events of the Aspasians is the initiation which took place this year on October 14. On December 9, the meeting took the form of a reception at the home of Miss Ludden in honor of the past president, Mrs. Pettijohn. The final event, which usually proves to be one of the most enjoyable of the Aspasian year, is the annual picnic. This hike concludes the initiation of new members taken into the society since October 14.

Home Economics Club.

FLORENCE STEWART

President

EDITH KISKALT

Vice-President

JUANITA BRUCE

Sec'y-Treasurer

Though work in the home economics department of Kearney college has been carried on to a considerable extent for many years, it was not until November 11, 1926 that the Home Economics Club was organized. It is made up of forty women of the school who are taking or who have taken work in the department. Mrs. Romayne Webster and Miss Louise Enochs, instructors in home economics, sponsor the organization.

The objectives of this new club are largely altruistic. It aims to improve the lives of the students and to give help in training young women to be active leaders in the home, school, and community life. It endeavors to aid the young women who are going out into the field to teach home economics, and to further the accomplishments of the work of the department in this school.

At the annual Showdown, the organization presented a little play, "Care of the

Clothes." A social dinner is planned for the end of every year. At the present time, it is planned to petition a national professional sorority of home economics with the view of installing a chapter here.

A tentative program for the year 1927-1928 has been outlined. There will be a talk on "Pictures" by an art supervisor. A city dentist will speak on "Care of the Teeth." A local milliner or representative from a ladies' furnishing store will speak and illustrate her discussion with furnishings from her store. One of the meetings will be open to any one interested in the home economics department and will consist of short talks by the girls on the work they are doing. They will also give an exhibition of dresses and hats designed in their classes. A cooking contest will be scheduled for spring. The other programs will be made up of short talks by the girls on the history of home economics and reviews of recent books concerning work in the field.

E. Moore, L. Sheldon, H. Poole, F. Twombly, E. Knutzen.
E. Arnold, I. R. Saunders, F. Peddy, L. Pense.

Catholic Club.

BESSIE SEBEK, MARGARET BECKIUS	<i>Presidents</i>
CATHERINE HEGARTY, HELEN DAUNER	<i>Vice-Presidents</i>
HELEN KOKES, NELLE PFLAUM	<i>Sec'y-Treasurer</i>
LUCILE BORZYCH, IDA PLISCHKE	<i>Woman's League Rep.</i>
DAISY SHIELDS, MARGARET MACKLEY	<i>Reporters</i>

Education consists not only of intellectual culture, of the teaching of arts and sciences and physical development, but above all of sound moral training and character formation. It must include the training which develops the whole man, body and soul, will and intellect, character and conscience. With the need of such training in mind, the Catholic Students Association was organized in the early history of the school. Definite religious teachings are the secure foundation of adequate moral training and moral education without a religious basis will not suffice in building the character of the youth.

Professor B. H. Patterson, as sponsor of the organization, has aided in carrying on the work of the organization for the past sixteen years in a most helpful and creditable manner. Since 1924 he has been assisted by Professor John F. Matthews. During the present school year a course of lectures has been given by the Reverend

Father Wiese, chaplain at the Good Samaritan Hospital. The students have shown much interest in this instruction which is open to all who care to attend.

In 1917 the Knights of Columbus of Nebraska, as an organization, contributed the sum of \$2,500 for the purpose of equipping a room for the permanent quarters of the Catholic Students Association. This donation made possible the purchase of a small yet complete library, a piano, victrola, rugs, and suitable furniture. All of these were properly selected and placed in one of the largest of the college rooms, above the auditorium. The room serves the general purpose of a place for the regular meetings each week and fulfills the special mission of a reading and reception room. It is at the disposal of all students and faculty members and together with the Y. W. C. A. quarters is considered one of the beauty spots of the Nebraska State Teachers College at Kearney.

Pi Kappa Delta.

HOMER McCONNELL	President
HOMER MORROW	Vice-President
JACK WHELOCK	Sec'y-Treasurer
MR. JOHN MATTHEWS, DR. RALPH NOYER	Faculty Sponsors

Pi Kappa Delta is a national honorary fraternity, having chapters in twenty-seven states. Nebraska Zeta chapter is located at Kearney. This has sponsored debating, oratory, and extemporaneous speaking in Kearney College ever since its installation five years ago.

In 1926 Mrs. Hazel Dyer was elected as manager of debate for the 1927 season. She was forced to leave school at the end of the first quarter and her work was then taken over by Homer Morrow, who acted as manager of debate during the 1927 season. Through the manager of debate the organization arranged the schedule of debates and took care of all the details tending to the successful presentation of the intercollegiate contests.

This year the chapter entered Kearney's debate teams in the debate tournament held at Hastings under the direction of the Province of the Platte organization of Pi Kappa Delta. Both the men's and the women's teams were entered in the tourna-

ment. In addition, the organization entered a representative in the extemporaneous speaking contest held at the same time. The women's team was eliminated in the second round of the tournament, while the men's team was eliminated in the semi-finals.

Due to the emphasis placed on debating this year no representatives were entered in the State Old-Line Oratorical Contest, or the Peace Oratorical Contest. The Kearney chapter conducted the State Extemporaneous Speaking Contest which was held in Kearney on May 13.

In recognition of the interest in forensics and their meritorious work in the intercollegiate contests, eleven members of the debate teams were elected to membership in Pi Kappa Delta. The men awarded membership were: Jess Homan, Sidney McCaig, Clarence Lindahl, Warren Alexander, Lee Harbottle, and Clinton Gitchell. The women awarded membership were: Inez Binder, Alta Seybolt, Esther Krusen, Mrs. Esther York, and Elaine Sullivan.

Matthews, Harbottle, Krusen, Sullivan, Homan, Noyer, Morrow, McConnell, Dyer, Gitchell, Seybolt, Lindahl, Alexander, Binder, McCaig.

Xi Phi.

OLIVER KENFIELD, HUGH PETTIJOHN	Presidents
RUTH THOMPSON, WAYNE DANIELSON	Vice-Presidents
FREDA REDDY, MRS. LOUISE WIGTON	Historians
HAROLD HAYDEN, MILDRED THOMAS	Secretaries
HOMER MCCONNELL, CLINTON GITCHELL	Treasurers

The Xi Phi fraternity was founded at the Kansas State Teachers College at Emporia in February, 1923, and a year later a chapter was installed at Pittsburg, Kansas. In May, 1924, a committee of faculty members of Kearney College met and suggested the names of twenty-two people who had proved their ability in leadership and scholarship. Therefore, the Gamma chapter of Xi Phi was organized and installed December 13, 1924, at Kearney College for the purpose of promoting leadership and scholarship among college students, and of sponsoring any worthy movement which the fraternity felt would be of benefit to the cause of education.

During the past year, the Xi Phi sponsored the appearance on the campus of Dr. Joseph K. Hart, associate editor of the Survey Graphic Magazine. Dr. Hart is a national figure, not only in his editorial capacity as a member of the staff of one of the country's most progressive journals,

but also as the author of a number of important books, and as an authority on certain phases of education. Dr. Hart lectured in the auditorium on the subject, "What Is In the Mind of Modern Youth," and during the day, he consented to speak to a number of classes.

Each year on December 13, the organization gives a birthday dinner for all members, both active and associate, the dinner being a formal function. At the annual Home Coming Day in June, the Xi Phi has a part and each member is invited to bring a guest to the program.

The members of Xi Phi, twenty-four in number, are chosen from those in the senior college who show ability in leadership and scholarship. Members having been graduated from the school are considered as associate members, several of whom have been in school this year. There are now four honorary members who were also chosen because of their leadership and scholarship.

H. Pettijohn, E. Kiskalt, I. Harris, L. Pense, E. Shirley, C. Orchard, D. Williams, O. Kenfield, C. Cox, L. Harbottle, M. Thomas, Dr. Noyer, Dr. Olsen, F. Way, I. Saunders, H. McConnell, C. Gitcheil, R. Davis, Smith, R. Aden, R. Thompson, I. Andrews, F. Reddy, H. Hayden.

Debate.

Debating has always been of considerable interest and importance among the activities of Kearney College. This year unusual interest has been shown in the work. The activity was carried on under a new system. Instead of holding tryouts for the teams and permitting only the winners in the tryouts to get the benefit of the work, a class has been organized and everyone was allowed to register for class work. In that way over thirty people were given the advantage of the intensive work which is so necessary for successful debating. From the members of the class were chosen those individuals who showed the greatest ability in organization and presentation of material. Those individuals so chosen made up the debating teams which represented Kearney in the inter-collegiate debates.

This year, for the first time, Kearney had debating teams which were composed entirely of women. The women's teams debated only against other women's teams and the men's teams debated only against men's teams. This plan is one adopted by the state league for the past season. Kearney was one of the colleges which fell in

with the plan and carried it successfully through the season.

More inter-collegiate debates were held this year than in any other single year in the history of forensics in Kearney. Men's debates were held with Midland, Dana, Wesleyan, Peru, Hastings, Central, Grand Island, York, and McCook. Women's debates were held with Denver University, University of Wyoming, Hastings, and Doane.

The question for debate this year was: Resolved, That the McNary-Haugan Farm Relief Bill should be made a federal law. This was the regular inter-collegiate question, but the women's teams debated some other questions with out-state teams. Several of the debates were conducted on the "no-decision plan," while the women discussed one question in accordance with the Oxford method.

The debaters for the 1927 season were: Alta Seybolt, Inez Binder, Elaine Sullivan, Esther Krusen, Mrs. Esther York, Mrs. Ida Rose Saunders, Homer Morrow, Jess Homan, Homer McConnell, Clarence Lindahl, Sidney McCaig, Lee Harbottle, Clinton Gitchell, and Warren Alexander.

H. McConnell, J. Homan, H. Morrow, W. Alexander, I. Binder, A. Seybolt, Mrs. York.
I. Saunders, E. Krusen, E. Sullivan, L. Harbottle, C. Lindahl, S. McCaig, C. Gitchell.

Soliditas Latina.

ROSE ADEN, ZETHA HENDRICKSON, HELEN STROUSE *Presidents*
 ZETHA HENDRICKSON, BESSIE SEBEK, ROSE ADEN *Vice-Presidents*
 HELEN STROUSE, GAYLE DEARMOND, MARGARET CHRISTENSON *Secretaries*
 CYTHEREA HUNKINS *Treasurer*

"Forsan et haec olim meminisse iuvabit"—
 Vergil.

The purpose of the Soliditas Latina is to create a desire for Latin and to stimulate interest in this age-old language. The club believes that the classics still exert a powerful influence on the mind of today, and that present day life cannot be understood without a knowledge of classic thought and modes of thinking.

Membership in the Soliditas Latina is considered invaluable to those who intend to teach Latin. Students enrolled in the Latin department are eligible to membership. At present, there are twenty names on the club roster. Realizing that every meeting should have a social significance as well as an academic value, the members have engendered a feeling of good fellowship into the programs. The meetings, held on the second Monday of each month, have consisted of serious material of classical importance, numbers provided by the talent of the members, Latinized games

and songs. All of this material can be used either in high school classes or in Latin clubs. Thus a great deal of directly valuable material is supplied.

Each year, a representative from the club is sent to the national convention of the Classical Association. In this way, the school and the students are enabled to keep in touch with the great scholars and the great thought of the day. Such contact has a value which can scarcely be measured. In all things, the Soliditas Latina is a promoter of higher classical education. In keeping with this policy, many gifts have been presented to the Latin department through this club. The beautiful pieces of art such as the pictures and statuary of classical subject matter and form add much to the interest and atmosphere of the Latin department.

The club has sponsored several motion pictures of interest this year, including "Julius Caesar," "The Last Days of Pompeii," "Lightnin'," and "The Winning of Barbara Worth."

History Club.

ERMA SHIRLEY	President
EDNA WEBB	Sec'y-Treasurer
IZOBEL HARRIS	Chairman, Program Committee
NELLIE LYNE, MILDRED HAVELL	Program Committee

The purpose of the History Club as set forth by its constitution is to foster interest in pioneer life and to collect material related to Nebraska History.

The faithful and untiring efforts of Prof. C. N. Anderson have done much to make this club a success.

The meetings are held the third Saturday evening of each month. One unique feature of this organization is the meeting in homes with the different members as hostesses. By way of variety, part of this year's work has been given over to the study and discussion of modern world problems such as those relating to present

conditions in Russia, China, Mexico, and Nicaragua. The students have found that these topics were of educational value.

The club also presented a stunt in the Annual "Showdown" which was a decided success. The "Melting Pot" idea was shown in which all kinds of material went into the pot and came out a finished product as a student in a cap and gown.

Any student who is interested in History or is taking the courses in History may become a member upon his making known to the club his desire to work with them.

Miss Jennie Conrad and Miss Edna L. Sullivan, as sponsors, have ably guided and aided the club in their work.

E. Webb, J. Conrad, E. Sullivan, E. Shirley, R. Thompson, N. Lyne.

Student N. E. A.

The first student unit of the National Education Association to be established in the United States was organized by the prospective teachers in the Nebraska State Teachers College at Kearney, January 25, 1926. The Xi Phi honorary fraternity assisted by Mr. George E. Martin, president of the college, sponsored the organization of the Student N. E. A.

Membership in the Student Unit includes membership in the national organization, and subscription to the official magazine of the National Education Association, *The N. E. A. Journal*, a monthly publication in which outstanding educators present modern problems affecting education. The *N. E. A. Journal* for November, 1926, features a picture of the Student Unit N. E. A. with this statement, "To be initiated into the ideals and programs of professional organization—local, state, and national—during students' years is to get a running start in the great profession of teaching," which expresses the purpose of this organization.

Under the leadership of the president, Mrs. Louise Wigton, for the first two quar-

ters, the Unit has studied some of the outstanding educational problems. Dr. Ralph Noyer presented in his usual capable manner some local problems in his "Some Personal Problems of Teachers," in an early meeting during the year. Local problems which meet every teacher when she enters the field of teaching, how to raise money, and extra-curricular activities, were well presented at a later meeting by members of the organization. And Mr. George E. Martin gave a thought producing address on "School Problems."

State educational problems were studied, and Miss Alma Hosis, of the Modern Language Department, who has made an extensive study of Teacher Tenure in other states of the union, presented for discussion Teacher Tenure in Nebraska. Miss Mary Crawford, of the English Department, discussed "School Bills Pending in the State Legislature."

Student Unit N. E. A. membership aids in the obtaining of positions as shown by the great number of our members of the last year, who are now actively engaged in teaching in all parts of the state.

Le Cercle Francais.

MATT WIGTON, CELINA NOLLETTE	<i>Presidents</i>
CELINA NOLLETTE	<i>Vice-President</i>
LULU GOFF	<i>Secretary</i>
CLINTON GITCHELL, MARION DONNELL	<i>Treasurers</i>

Le Cercle Francais was organized in 1914 in place of the German Club. Its aim is to give practical drill in direct use of the language and to broaden the horizon of the students through securing a better knowledge of French and French literature. The work of the club supplements the work of the classes in some ways, and it broadens the sympathies of the members through contact with French manners, modes of living, and types of thinking. Anyone who has had French or anyone who is registered in French classes is eligible for membership.

The meetings, which are conducted entirely in French, are held once each month. Following the consideration of the business affairs, there is an interesting program of French songs, talks, stories, and plays. One of these programs was the staging of "Le Voyage de Monsieur Perrichon." Most of the first year French classes have studied this play and are familiar with its comical

passages. The people who interpreted the roles are:

Clinton Gitchell	Monsieur Perrichon
Anna Macklin	Madame Perrichon
Margaret Kinnan	Henriette
Harold Stark	LeFacteur
Pearl Phillips	L'employee

The meetings are varied occasionally by being held in the homes of the members.

Each year the club presents a stunt or play for the Showdown and the Holiday Festival. For the Showdown this year an act from Shakespeare's "King Henry V" was played by club members. The character of the King was interpreted by Robert Hamer and that of the Queen by Celina Nollette. For the Holiday Festival the stunt was a chalk talk by Jess Homan, who was disguised as an old French professor, relating some of his experiences gained while he was travelling about the world.

Camp Fire.

LILLIAN SOLT, MARIE BUTHERUS, ILA FAYE ANDREWS *Presidents*

ILA FAYE ANDREWS, SYLVIA BAKER *Secretaries*

HARRIET POOLE, FRANCES MADDOX *Treasurers*

In the last moon of September,
When their lessons all were o'er,
Uncappapa maidens gathered
With their guardian, Yai-a-wah-nah,
Gathered for the Campfire Council.
From this council fire were missing
Those who'd gone to other wigwams,
In the thunder moon had left us.
So with new names we did hasten
For our guardian's approbation.
At the council of the leaf moon
Was decided by these maidens,
What they'd do, what trails they'd follow
In the rose moon, in the snow moon,
How to live the law of Campfire:

To "seek beauty" in all places,
To "give service" when 'tis needed;
"Pursue knowledge," too, is heeded;
"Be trustworthy" held as sacred
By all loyal Uncappapas.
"Hold on to health" 'tis joy to follow,
On their hikes and with their health charts,
"Glorify work," not always easy,
But Uncappapas never falter
That they may be ready and worthy
For the tasks that life may bring them,
And "be happy" in the doing,
Do these loyal Uncappapas
Strive to keep and learn to cherish
These seven laws for Campfire maidens.

Rural Department.

The rural department in our college ranks among the first twelve in the nation, according to a recent study of a hundred and fifty similar departments. Mabel Carney, Director Rural Education, Teachers College, Columbia University, is author of the study in which this ranking was given.

Service should be the basis of evaluating any organization. The Rural Department aims to meet the needs of two distinct groups; namely, those students who are new in the rural teaching ranks, and those who are planning for a more extended rural service. The former group is given skill in practical and specific adjustments common to a rural school organization. The latter group, in addition to this training, is given the fundamental principles of rural education. Courses in organization, courses in management, courses in "teaching," and courses in social and community

welfare are drawn upon to realize these aims.

A rural club designed to develop leadership through actual practice, is another among the best of special organizations in features of the department. The club ranks membership, interest and working program. Members co-operate with the people of the affiliated rural schools in their community activities.

The department is certainly no less important today than when it was established in 1916. If anything it is more important in this day of easy contacts between rural and urban people. The farmer now has the opportunity to compare his conditions of living with those of other people. The rural people need expert guidance in adjustments which are bound to follow as a result of their wider knowledge of the world and their urban neighbors.

R. W. POWELL.

MRS. R. W. POWELL.

The Blue and Gold

A special feature of the Rural Department, and one which greatly contributes to its high ranking among similar departments, is its system of affiliated rural schools. The fine group of teachers featured on this page speaks for the effective manner in which these schools are administered. It would be difficult indeed to find another rural school area manned with as efficient corps of teachers. No efforts have been spared in making this one of the best administered and supervised rural school zones in the entire country.

The schools in question are jointly administered by the local school boards and the director of rural education at the college. The supervision of instruction is altogether under the control of the department.

By mutual agreement of the boards and the rural department, the schools are used as teacher training laboratories. Students

studying with the department do their observation and practice teaching in the affiliated schools. That they do so is a distinct advantage to the state school system, for by so doing they become acquainted with the problems of rural education at first hand. Thus they are enabled to render high class service out in the state. Three or four hundred prospective teachers are brought in contact with this system of schools each year.

In return for the privilege of using the schools as a teacher-training laboratory the college offers certain services. Chief among which is the advice of the director of rural education in matters of school administration. The faculty of the rural department also gives supervisory service without cost to the districts.

While Kearney is a pioneer in training rural teachers in this way, the plan has been introduced by many progressive rural departments throughout the nation.

Theatre Arts League.

HAROLD HAYDEN,	President
HOMER MORROW, JACK WHELOCK	Vice-Presidents
HENRY REILLY, IDAROSE SAUNDERS	Secretaries
ETHEL SMITH	Treasurer

The Theater Arts League is an organization which aims to promote interest in dramatics and public speaking.

The students are admitted by try-outs and this fall the following were admitted: Lillian Lancaster, Elvira Hoyer, Pauline Snider, Clinton Gitchell, Inez Binder and Jay Lucas. They were initiated the first quarter.

In addition to the regular bi-monthly meetings, the Theater Arts League has held several social events.

The Valentine Party at the Wiseman Party House was one of the most enjoyable events of the year. The program took place between courses and the League presented Miss Eckhardt with a silver bon bon bowl as a token of appreciation of her fellowship with them in the League.

In January the play, "The Witch," by Wiers Jenson, was presented. It was the

first tragedy that the League has ever presented and was pronounced a decided success. The players were Nell Sadler, Jay Lucas, Inez Binder, Elaine Sullivan, Henry Reilly, Idarose Saunders, Harold Hayden, Harold Luce, Ervin Getty, Elvira Hoyer and Clinton Gitchell. Martin Johnson was a very adept stage and light manager.

During the year various students have acted as judges at declamatory contests and have presented one-act plays in other schools.

Miss Meriam Eckhardt is the sponsor of the League. She comes from Northwestern University School of Speech and is well qualified for her work. The members feel that the success of the plays was due to her untiring efforts as a director and her friendly spirit among the students.

H. Hayden, P. Snider, R. Dailard, E. Smith, E. Getty, I. Saunders, C. Gitchell, I. Binder.

Many new ideas have been incorporated into this year's Blue and Gold in an effort to leave a tradition of better annuals as a part of the contribution of the class of 1927 to Kearney College. Through the Feature section, which is new this year, the staff has endeavored to show all sides of

college life, from beginning to ending, in a graphic manner. Transportation has been used as the unifying scheme for the book since Kearney has been situated in such a way as to represent its development during all the westward expansions of our nation. The staff has endeavored to make the book representative of all the college in all ways.

Glee Clubs.

PROFESSOR LOUIS H. DIERCKS, *Director.*

The glee clubs and chorus, under the direction of Professor L. H. Diercks, feel that they have had a very successful season during the past school year. Two separate organizations were formed in the first quarter, the Ladies' Glee Club and the Men's Glee Club. During this time, both organizations appeared at the Presbyterian church and at the Methodist church. The Ladies' Glee Club also appeared at the Kearney Alumni Banquet. The latter part of the first quarter, both the Ladies' and Men's Glee Clubs were heard in concert at the auditorium. The Ladies presented "Peer Gynt Suite I" by Greig, and "The Three Springs." Three dancers, Pauline Snider, Beryl Pearson, and Neola Young deserve much credit for the success of the latter which they interpreted in an elaborate ballet. The Men's Glee Club presented "Americans Come," by Foster; a selection from "The Tower of Babel," by Rubenstein, and a Bach choral, "Now Let Every Tongue Adore Thee."

During the second quarter, the clubs

were combined to form a mixed chorus of sixty voices, and at this time, work was begun on Haydn's great oratorio, "The Creation." Realizing that there were many townspeople, interested in music, who would be glad to join in the undertaking, the director sent invitations to all who cared to sing to unite with the chorus in producing the oratorio. There was a whole-hearted response and work went forward rapidly. Practices were held not only during the regular class periods, but in the evenings as well. When it came time to select the soloists, it was found that there was such a wealth of talent in the city that there was no need of bringing in outside singers. Two members of the college chorus, Jack Wheelock and Herald Stark, were among the soloists. "The Creation" was sung on Sunday afternoon, April 24, in the college auditorium, with a vested chorus of seventy-five taking part. A small string orchestra under the direction of Professor Rogers accompanied the singers. Fifteen hundred people heard the oratorio.

The Captive Goldenrod.

A Dance Pageant of the Early Days of Nebraska, On the Shores of Lake Kearney.

Theme

EPISODE I.

For many years there has dwelt in the heart of the prairies a wondrous being, Nebraska. Rugged and virile is he. Powerful, but not realizing his power, he has for ages been content to be dominated by the Forces of the Wild.

Now at last, realizing within himself the urge of latent powers, he stirs from his lethargy and expresses a desire for freedom. Savagery, his ever present guard and oppressor, calls forth his Wild Forces to surround Nebraska, reminding him anew of his captivity.

While surrounded by the exultant band, he hears a bugle call and in the distance catches a glimpse of the beautiful maiden, Civilization. Although he has but a faint conception of her beauty and charm, he is stirred and again seeks his freedom. His efforts are in vain. Time has but strengthened the bands of his captivity.

INTERLUDE I

The curtain of the years part revealing the Spirits of Sand, resting quietly. When the Spirits of Wind and Storm sweep in, they are scattered. Following in the path of the Spirits of Wind and Storm comes the Spirit of Snow, summoned by the Frost Heralds. The Spirits of Rain come and melt away the Snow. The Rainbow appears, ushering in Spring, who is soon destroyed by the Grasshoppers. The Spirits of Wind come again in the wake of the Spirits of Smoke and Flame.

EPISODE II

Years pass and Nebraska is still the captive of Savagery and his band. In the midst of his hopeless apathy he is aroused by the appearance in the West of the Maiden

Gold. As she dances and beckons alluringly, a maiden approaches from the distance. Nebraska rejoices to see that it is Civilization, the maiden who years before, had so charmed him during her brief appearance. Attracted by the dance of the lovely maiden Gold, she and her followers draw near.

Nebraska attempts to free himself and go to her. When Civilization notices his plight she is attracted by his virility and realizes that if he were free he would develop untold powers. She approaches his captors who, awed by her beauty and majestic calm, fall back, and Nebraska, so long in bondage is at last set free.

The Minstrels' Dream.

A Dance Pageant—BY WENDELL B. COON.

I.

Hoar Winter holds his ancient blustery court
Mid sifting drifts outside the massive pile
Of weathered rocks, the castle's pondrous walls.
That sportive wanton, Pleasure, born of Love
And Psych, with jocund Warmth is regnant now
Within the vaulted hall, where softly soughs
The roaring wind, where sports in open grate
The restive, draughty blaze. The peaceful bliss,
Like limpid crystal splintered at a blow.
Is shattered as the door nigh bursts its swings.
With sputtered rage wild Boreas rushes in
And whips the swirling Flakes of Snow before
His icy blast. In trudges, single file,
A troupe of wand'ring bards uncouth with cold.
From hearth-side, blaze-lit seat the Castle's Lord
Salutes the ever-welcome minstrel guests.
Their limbs and faces warmed, as sheds the bear
His winter fur at dawn of spring, they cast
Their cloaks. By many nations sired, they dance
And blow upon their pipes and horns, and pluck
Their strings with zest of roving satyrs wild,
True sons of Pan. With player verve, sincere
Though crude, they show in pantomime grotesque
That lovers' quarrels drove them hence and knit
Them with a common thread—a roaming troupe.
Impassioned men think all the world is leas
And so much dregs when wine of love turns sour.
End reached, the Lord seeks rest and bids them drink
Lethean potions out of Sleep's great bowl,
Wherefrom deep drafts relieve the pain-wracked soul.
The minstrels spread upon the cold gray flags—
Hard beds—their cloaks, and yearn for winging dreams
From golden hoard of homeland mem'ries quaint.

II.

Care-lifting Morpheus guides the wand'ers far.
Like cautious rabbits seeking brooks at dusk,
A band of Fairies inward steal as still
As gloomy-mantled, flowing-skirted Night
Pursuing white-robed Day. As timid fawns—
Restrained by fear, impelled by wonder—round
Some object strange, the Fairies scrutinize
The sleepers warily. The Bringer of Dreams
Leads forth a homeland vision for each bard,
Fulfills his wish; while, awed, the Fairies gaze
With fascination at the weaving dreams,
Prolific Sleep's ephem'ral progeny.
Like star emerging from the circling clouds
Bright Sonya is revealed. Since Helen's reign
No man has looked upon so delicate
A form. Chaste Cynthia hides her face to blush,
While Phoebus shades his eyes and yields his realm
Of wonted glory. Elfin band, enthralled,
Bids Bringer of Dreams recall this charming dream—

The Blue and Gold

The Blue and Gold

Too fair is lovely Sonya to remain
A vision living but a day—and bids
Its fairy Mercury immortalize
The graceful maid; this done, the two return
To Fairy band. Soon feeling she has gone,
Young Nikolai, her lover, stumbling, seeks
Her aimlessly, like lamb that from the flock
Has strayed and, bleating, begs the shepherd's care.
As darkling shadows fade before the sun,
So disappears the dream and leaves the youth
A hopeless huddle. Melancholy, pale
As lurid burnt-out ashes, hovers near.
Fair Sonya, seeing Nikolai's despair,
Falls on her knees, like Eros fronting Jove
For Psych', and begs the Queen that Nikolai
Be granted deathless life. The Queen confers
The boon and he is quickly brought to her.
No elves could taste that joy of meeting who
Had never once been men, for human loves
Are stronger than enchanted passions. Day
Approaches silently, The Fairies steal
Away like lingering night before the sun.
Apart the lovers sit unconscious still.

III.

Like molten streams of fresh refined gold
The crowding Sunbeams with a joyful touch,
As Cynthia oft caressed Endymion
Asleep beside his flock on Latmian hill,
Awake from dreams the slumb'ring minstrels, call
The lovers down to plains from dizzy heights
Of blissful peaks. Like friends before a storm
Of ruin, quick as daylight touches them
The lovers' fairy attributes are gone—
Like paling stars before the glow of dawn.
A sable-shrouded figure, Death, stalks in
With certain, ominous step, for none refuse
Him company. He beckons Nikolai
With long, gaunt, withered hand. With solemn tread,
As Michael led repentant Adam out
Of Paradise, grim Death begins to lead
The falt'ring youth, for he is but a dream
And cannot live in wakeful world. True love
Balks not at death and grave—fair Sonya runs
To grasp her lover's hand; like Thisbe chaste,
She cannot live without her Pyramus.
Like funeral march, with silent dignity—
No sign of fear betrays a heart—the three
Of them move through th' engulfing door as though
To pass the Cerebus-guarded gates on bank
Of fateful, noisome Styx. The minstrels gaze
As hypnotized. His own love symbolized
Each finds in storied love-dream he has seen.
Then, one by one, their cloaks and instruments
They take. Resolving to return to loves
Awaiting them in distant native lands,
In single file, like men embarking on
A far crusade, they slowly outward pass.

The Minstrels' Dream.

CAST.

Inn Keeper—Phyllis Johnson.

Snow Flakes—Charlotte Shovlain, Esther Hicks, Dorothy Schwerdfeger, Lila Buckner, Davis Lewis, Ethel Bowker, Gladys Zimmer, Cleo Anderson, Anna Albrecht, Erma Mohler, Evelyn Smith, Opal Shafto, Fern Donahue, Jean Smith, Mary McCarthy.

Wind—Inez Binder.

Minstrels—Opal Hemmett, Sylvia Loesher, Wanda Erwin, Juanita Bruce, Hazel Panek, Marie Butheris, Neola Young, Edith Norlin, Ida Mae Craig, Alberta Swanson.

Fairy Queen—Margaret Bruce.

Fairies—Ruth Davis, Letha Norton, Bertha Clark, Pearl Phillips, Gwen Swift, Nancy Lynch, Violet Abbott.

Bringer of Dreams—Letha Norton.

FOLK GROUPS.

Dutch—Juanita Bruce, Elna Petersen.

Scotch—Alberta Swanson, Beryl Pearson, Clina Nolette, Nancy Lynch, Florence Harvey, Florence Feldemeyer, Irvy Slack, Eileen Bald.

Japanese—Ida Mae Craig, Helen Cruik.

Italian—Phyllis Winn, Opal Hemmett.

Irish—Marie Butheris, Grace Lindly, De Etta Archer, Ethel Illian, Ivy Slack, Thelma Soffle, Beulah Mauler, Ethel Bowker.

Spanish—Beryl Pearson, Neola Young.

German—Evelyn Peterson, Ellen Deaver, Helen Rumery, Sylvia Loesher, Bertha Namuth, Katie Hanson, Frena Vogel, Elaine Peterson.

French—Ethel Tracy, Pearl Dossett, Ila Faye Andrews, Opal Daggett, May Gilkeson, Pauline Triplett, Edith Norlin, Marie Lundberg.

Russian—Vera Parker, LaBerta Wyne, Pauline Snider, Audrey Adams, Helen Juelfs, Hazel Panek, Lottie Pense, Charlotte Gross, Josie Woodman, Sadie Holms.

English—Anna Macklin, Avis Lambert, Virginia Schars, Emily Miller, Elizabeth Hale, Mary Quinton, Wanda Erwin, Juanita Bruce.

Fairy Messenger—Nancy Lynch.

Sonya—Pauline Snider.

Nikolai—Hazel Panek.

Melancholy—Mary Quinton.

Sunbeams—Evelyn Bell, Eunice Arnold, Eva Cales, Edna Seyfang, Helen Downer, Dorothy Sammons, Elvira Hoyer, Irene Folk, Eva Frazell, Lila Lathrop, Margaret Arnold.

Death—Opal Hemmett.

Orchestra—Eileen Lynch, Ruth Gregg, E. H. Staubitz, Ruth Hinds, C. R. Waddle, Bernadine Erwin, Gertrude Hogg, Mrs. Anna Leach, Margaret Kinnan, Celina Nolette, Lucile Anderson, Ardis Olsen, Margaret Fitzgerald, Marshall Stuft, Paul Lockwood, Allen Anderson, Mrs. R. C. Coaches School.

The annual summer school for athletic coaches under the direction of Coach Fred Fulmer, of Kearney College, attracts men from all parts of the United States who are interested in that department of school work. Last year the school was composed of about one hundred students from eleven states, including Florida and Texas. Fifteen of the students were college or university coaches and practically all the others were experienced high school coaches. The instructors were: Glen S. Warner, of Stanford University, Dr. Forrest C. Allen, of Kansas University, and Henry F. Schulte, of the University of Nebraska.

The plan of the course for the 1927 school is to concentrate on one subject at a time. On the opening day Major Griffith will give a series of lectures on "The Present Day Athletic Situation," discussing the problems of administration and management. As athletic commissioner, editor and publisher of the Athletic Journal, Major Griffith is in constant touch with the biggest men in athletics today. Every problem which arises, concerning athletics, is brought to his immediate attention; hence his exceptional ability as a lecturer among men whose chief interest is the direction of athletics in schools and colleges.

Instruction in football is to be under the direction of Robert C. Zuppke, of the University of Illinois. Mr. Zuppke is not only a leading football mentor of the day but is also one of the game's greatest teachers. Many of his former players and assistants are now successfully coaching large universities, colleges and high schools. All pay continued tribute to the master coach from whom they learned their football. Mr. Zuppke's work will be very practical and complete.

Henry F. Schulte, the veteran track and field coach from the University of Nebraska, will have charge of instruction in the technique of track and field athletics. Mr. Schulte is the only instructor who has appeared more than twice in Kearney's coaching school. It will be his fourth summer here, and each year he becomes more

ROBERT C. ZUPPKE.

popular. If possible Mr. Schulte will be accompanied by several of his star athletes.

Basketball instruction will be under the direction of the famous Jayhawker coach, Dr. Forrest C. Allen, of the University of Kansas. Dr. Allen, whose basketball team last season won its sixth consecutive Missouri Valley Championship, will conclude the course with instruction on the cage game. Dr. Allen's remarkable personality and ability to teach, makes him a favorite wherever he is known. His knowledge of athletic psychology and the treatment of injuries plays an important part in his coaching and teaching.

Probably the most remarkable fact of all is the outstanding ability which each instructor has in his field of activity. Not only are they remarkable coaches but remarkable, enthusiastic teachers and authors of note. Surely no one can attend this course given by master instructors and not receive valuable information which he can put to immediate use.

The Blue and Gold

A man's home is his castle. It is the haven of security for himself and his family. In fair times or foul it is the guarantee of protection. It is the concrete expression of his tastes, and can symbolize all his ideas of an ideal residence.

The Wallace Loan & Realty Company specializes in Kearney property, including choice building lots, desirable residences, loans for financing the purchase or building of a home, and insurance for replacement in case of loss.

Since 1888 this office has made a study of Kearney Values and we know that we are in a position to help you choose the desired home in Kearney at the right price.

Poem.

I saw a twisted tree
Upon a rough and rigid rim of hill,
Pure onyx, black against a molten tapestry of woven clouds,
Where threads of gold drawn taught
Inwove and interwove themselves with purple strands,
Until the fabric shimmered with a glistening light where long,
 slant shafts of silver beat upon the drap d'or.
And I stood fascinated, breathless with my gaze.
Simple Beauty hurt me with a too much pain.
And then obliterating night hushed all,
And stroked the throbbing splendor,
And salved my aching, burnt-up soul
With long, dark, soothing fingers.
And all the painful Beauty fled.

I saw a chastened flower—
A lily white as the eternal snow that crowns the brow and lines the
 furrow in the hills,
And white as the marble of a woman's breast—
All stamened with a yellow gold,
Exquisite, drooping lightly on an arching stem that curved with
 long, swift lines
As though the weight of Beauty were too much.
And life was too strong and Beauty too great—
The lily died.

I saw a girl—she scarcely noted me; no matter—
And I loved with a flame more pure than the brilliant, cauterizing
 blaze of the sunset fire;
I loved with a purity more white than the lily's fairest snow;
I loved till life proved too strong,
Till the Beauty of my love seared my soul.

. Too much!

I strangled love and lived in peace.

For Me.

What pleasures are stored in that leather-bound book!
How I love to fondle the cover,
To glance it through and recall the thoughts
that fall from the pages like darts
to lodge forever in people's hearts,
To read each line sometimes over and over,
And place the words in a picture I see
That the poet has painted
For me.

MARIAN DONNELL.

Night in Spring

Night—and all is hushed
To listen to the voice of new-born leaves,
To feel the prick of blossom laden breeze.
The moon and stars draw near
To mark the shadows clearer as they fall,
And meet the glory of the whip-poor-will's own call.
Thoughts are rampant, free
Heeding nothing and fearing none,
Soaring endlessly on and on.
What of limits? What of strife?
What of man in all this grace?
What is death, what is life,
In the midst of all this space?
This is Beauty, Glory, God.

MARIAN DONNELL.

Sonnet On Graduation.

When graduation time comes stealing nearer,
And college life for us will soon be o'er,
When all our aspirations soon must soar
Out into wider fields,—then 'twill be clearer
Just why it was that every year seemed dearer,
And how much happiness each held in store;
And why it is that now we're wishing more
And more that we might cling to her and hear
Her spacious halls resound with friendly greeting,
That we might still share of her joy and pleasure.
But well we know that now the years are fleeting,
And we must bid farewell—but without measure,
We'll praise her when we join in happy meeting,
And cherish ever our loved Alma Mater.

KEARNEY, NEBRASKA

Every ambitious student is dreaming of
and working toward a successful career.

One of three elements of success is
wealth. To get it you must produce it and
save it.

Our business is to help you save. You
must start and maintain a bank account.

We invite you to START that account
NOW WITH US.

Our chief aim is to serve you.

Save at least one-tenth of what you
earn.

REQUIEM.

Far over my quiet chest
My drooping head was bent at rest,
No motion hint of life betrayed,
Except as toying fingers played
In nervous energy. But through my frame
A silent sigh, repressed with anguish, came.

For I was mourning o'er my dead,
A corpse—a coffin for its bed.
The tapers' yellow, fitful glow,
Awoke the terror of my woe
Within my aching heart. . . . No candle's
ray,
No coffin'd corpse—all sorrow's treach'rous
play.

I buried my dreams, my soul that night:
They could not live in the stifling light
Of life's cruel heat and strife. Dreams
dust.
Want these, why live?—plead death. . .
Now must
I chant a plaintful requiem for dreams and
a soul,
Interred; I leave them to the worm and
mole.
—WENDELL B. COON.

I SHALL COME TO YOU.

I shall come to you,
When the soft loam is piled upon my head,
When breath has reached an end,
When sighing all is done,
When the music has been played,
When the black dull box has found its
place,
When soothing dirt has formed a mound,
When I am left alone—
Then shall I come to you.

When squalid creatures of the earth
No more can watch us close,
When custom's mailed and unjust hand
No more shall crush us down,
When souls are one in endless space,
When age nor rank nor good nor bad
Shall keep us far apart—
Then shall I come to you.

When we may love with brimming souls,
When earthly things give place to souls,
When spirits touch in sweetest kiss,
When care is gone, eternity is bliss—
My loved one, you who are dead,
When soft earth lies above my head,
Then, I shall come to you.
—WENDELL B. COON.

NO?

Spring is doing queer things to me.
Feel the bounce in the sod—
Doesn't it make you want to dance?
Feel the life in the air—
Doesn't it make you glad to live?
Doesn't it make you want to sing,
Or write a poem or anything?
It does me.
—MARIAN DONNELL.

The Blue and Gold

OVERHEARD AT RECITAL.

Little Fred Fulmer—"Daddy why does the man hit at the women with a stick?"

Coach—"Sh—Mr. Diercks isn't hitting them. Keep quiet. It's the glee club."

Freddie—"Then, what are they all hol-lern' so loud for?"

Miss Clark (in training school)—"John-nie, what is Boston noted for?"

Johnny—"For bein' 1733 miles from Kearney."

Miss Strouse (in training school)—"What does unaware mean?"

Little Helen—"It's the last thing you take off at night."

Politician—"The farmer gets his living from the soil."

Voice—"And so does the washer wo-man."

Bernice Day says, "Some people don't have to turn off the lights to be in the dark."

Mable Predmore (in training school)—"James, what is velocity?"

James—"Velocity is what a fellow lets go of a bee with."

Hans Olsen—"Good gracious, dear, what a long pie! It surely is too big for two."

Florence—"I'm sorry, Hans, but I couldn't get any shorter rhubarb anywhere."

"He's done me wrong," wailed the Algebra problem as the Freshman handed in his exam paper.

Jess Homan's latest problem. If a hen came from an egg, and an egg from a hen, which was here first?"

Mr. Pate—"I have a rare old phonograph. It was once in the possession of George Washington."

Mr. Mercer—"But there were no phonographs in George Washington's time."

Pate—"I know. That is what makes it so rare."

Hans Olsen—"What are you reading in the paper, dear?"

Florence—"I'm trying to think which one of these dresses I'll buy."

Hans—"Ah, you don't want that do you? That's yesterday's paper."

Miss Wirt (In Education Class)—"Miss Bruce, what is your first thought when I say the word 'Apple?'"

Juanita (Blushing) — "Counting the seeds."

One night when the Aspasians were ready to dismiss, they heard some faint "Me-ows" from some far corner of the building. Now it is a strict rule of the Biology Department never to feed any victims the day before they are to be dissected. But two girls were seen to slip back into the dormitory after two pieces of bread. Needless to say two little kittens never enjoyed plain dry bread more than did those two little black and white spotted fellows.

Florence and Idarose returned home later than usual that night.

A NATION-WIDE
INSTITUTION-
"where savings are greatest"

Economy the Basis of Prosperity

Economy has been preached as a cardinal virtue to every succeeding generation. Back in the Stone Age a hoary ancestor walked miles to a cave dweller who bartered some coveted article for one skin instead of the two demanded by the neighbor tradesman.

Economy is a principle held in common by the people of all nations.

Economy is the paramount principle of our chain of hundreds of stores, and has been during the many years of our service to the public.

Every purchase in our Stores involves a saving to the purchaser.

RECENCY AND FREQUENCY.

Bullock—"Folks are like that—"
Sutton—"Namely—"
Engleman—"How do I know?"—
Wirt—"The what—"
Martin—"It gives me peculiar pleasure"
Smith—"Oh, have you seen?"—
Crawford—"Now I don't mind smoking if you just don't saturate yourself with it—Mr. Homan, will you open the door?"
Eckhardt—"Talk to your audience."
Conrad—"Well now folks—and oh, yes—"
Matthews—"My Ford wouldn't start this morning."
Mercer—"I hate smoking!"
Leona Sheldon—"Egad!"
Marjorie Smith—"Sap!"
Anne Macklin—"My Cow!"
Alta Seybolt—"By Gum!"
Inez Binder—"Goofy."
Mrs. Elliott—"I suspect we'd better do that."

RUTER'S---The Fashion

* * *

Spring just around the corner. And that means new and charming styles just ahead. Women may lose interest in fashion at other seasons of the year, but there's not a woman living who doesn't want a new dress when all nature dolls up in the spring of the year. Realizing this fundamental need of all humanity Ruter's The Fashion, Ladies Outfitting Store, 2123 Central Ave., has made extensive preparations for pleasing its clientele in the 1927 spring season. With a view to matching the particular individualities of particular people, their buyers have selected models of the utmost variety and distinction. If you select your spring costume at Ruter's, there will be no danger of your "meeting yourself" when you turn the corner. Nothing so upsets a woman of taste as to meet the duplicate of her gown on the street. Distinction is the watchword of Ruter's The Fashion and we are glad to recommend them to our readers.

* * *

RUTER'S---The Fashion

1927

Miss Ferguson in Senior English class gave questions of authors and their works.

When Izabel Harris' paper came in she had: Author's name as Florence Way, book "Hoosier Schoolmaster," written "Who's your School Master?"

Mrs. Noyer—"Did you have company last night?"

Neola—"Well-er-yes-a girl."

Mrs. Noyer—"Well, you may tell her she left her tobacco upon the table."

To kiss a Freshie is faith,
To kiss a Junior is hope,
But to kiss one of our dear
Seniors is charity.

Miss Ludden assigned first two chapters of Genesis for study on Evolution.

Miss Ludden—"Do you have your chapter today?"

Gerry Hazlett—"Well, I couldn't find that book—I looked all through the card catalog and I simply couldn't find it."

If you loiter in the hall ways,
If you talk upon the stairs,
If you whisper during singing,
Or if you sit out in pairs,
You had better be more careful,
And you've got to look about,
The Student Council'll get you,
If you don't watch out.

Prof. Sutton—"Miss Turner, what is a salt?"

Gene—"Salt is a compound that makes the potatoes taste bad when you don't put any in."

ORVILLE LEWIS' PRAYER.

Now I lay me down to sleep,
I pray the Lord my soul to keep,
If I should die before I wake,
I won't have more Chem. to take.

Bob Bennett (Asst. Joke Editor)—
"Yes sir, I've carried that joke all the way from home up here."

Joke Editor—"Well, all that I can say is that you've carried that joke too far."

Juanita—"What are you going to do tonight?"

Kathleen—"Nothing, what are you doing?"

Juanita—"Oh, nothing."

Kathleen—"Who else will play?"

Jess—"What is the matter with you?"

Wendell—"I've just lost a good topcoat."

Jess—"Well, how did you lose it?"

Wendell—"My old room-mate recognized it."

Mr. Mercer (In astronomy class)—"Can you hear me back there?"

Back Row of Seniors—"No."

Melvin Butcher—"What is graduated with over a hundred degrees?"

Bob Bennett—"I'll bite, what is it?"

Melvin—"A thermometer, foolish."

Lee H.—"The opposition accuses me of buying votes in the contest."

Students—"Tightwad! Piker! Cheap-skate!"

Helen Cruit (visiting the mess hall for the first time)—"Oh, I'm just dying to taste some of that track meat I've read so much about."

Fred Carpenter—"Did you hear about Kenneth Sherer?"

Johnny Waldman—"No, what happened?"

Fred—"He fell yesterday and bumped his head on the piano."

Johnny—"Did he hurt himself?"

Fred—"No, he lit on the soft pedal."

When Harold Luce stands uncovered while talking to a lady it is not chivalry. It's either because he is a collegiate or that he is proud of hair hair.

Rhoderick—"What kind of a town is this anyway?"

York—"Well, it's a college town."

Rhoderick—"And what do the people who don't go to college do?"

York—"They do the people who do go to college."

Mr. Engleman in Chemistry Lab.

"Now in case anything should go wrong with this experiment, we will all be blown sky high. Now come a little closer, class, in order that you may follow me."

Song of Students In Dr. Noyer's Education Class.

Finals, finals, everywhere,
With drops and drops of ink:
But never will Noyer leave the room
And allow a man to think.

Elaine Sullivan—"My father is a doctor, I can be sick for nothing."

Wendell Coon—"That's nothing. My father is a preacher. I can be good for nothing."

Harold—"Why you're terribly slender. I can put my arm clear around you and meet myself coming back."

Ruth—"Yes, that's what Earl says."

Miss Ludden—"Describe a caterpillar."

Earl Anderson—"It's an upholstered worm."

Freda Reddy and Lois Seeberger arrived late to the game.

Freda—"Score is still nothing to nothing."

Lois—"Goody, we haven't missed a thing."

Wonder why Mr. Mercer started asking questions about astronomy in the Geography class and then had to ask Mr. Horsman to explain that it was the wrong question for that class?

WHY WE KNOW THEM.

Wayne Danielson—Using red ink in Chemistry Laboratory.

Esther Krewson—Debating.

Pettijohn—Yarns in convocation.

Kenfield—Gets greatest mileage out of the Annual Staff.

Freda Reddy—Pushing the brush in the colors.

Harold Hayden—Guards the book stacks.

Homer McConnell—You can get your books checked now.

Lee Harbottle—You will find in the Antelope Office.

Hazel Panek—Rah! Rah! Rah! Antelope! Antelope!

Gene Turner—That grade of 92 per cent in Chemistry.

Mrs. Wigton—Those lengthy criticisms she wrote on our English papers.

Nell Sadler—"Anne Pedersdotter" in "Tragedy of Nan."

Mary Davis—Her musical talent and perfect grades.

Marjorie Smithy—Her friendly smile.

Real good jokes are very few,
 So don't get mad if the joke's on you.

Jaunita—"What would you do if some-
 one were dying for a kiss?"
 Norfleet—"Render first aid."

Miss Ferguson—"What is a myth,
 Ward?"
 Ward Minor—"A myth is a female
 moth?"

Alberta Swanson—"Do you eat a bal-
 anced meal?"

Earl Arnold—"Yes, half on the table
 and half on the plate."

"That's a good gag" said the highway
 man as he applied it to his twenty-first
 victim.

Miss Conrad—"Wasn't Nero the mean-
 est man you ever knew?"

"Gabe" (Joe B.)—"No. The meanest
 man I ever knew was a warden who put
 a tack in the electric chair."

The most reliable boys in the world are our college boys—there never seems to be a bit of change about them.

Gene—"Did you flunk in chemistry?"

Dorothy—"Well, rather, I got zero in the final."

Gene—"Oh I see, you are one of those who stops at nothing."

Harold (After the football game)—
"Clyde broke his leg in the third quarter."

Ruth—"What part of the leg is that?"

Mr. Sutton—"Which travel faster—
heat or cold?"

Don Peaker—"Heat."

Mr. Sutton—"Will you explain—I don't follow."

Don—"Because one can catch cold."

It is now the time that some of the Kearney co-eds (freshmen) should forget that they were high school seniors.

Marie—"Have you a poor memory for faces?"

Ervin—"Poor faces, yes."

X-RAY DIAGNOSIS

Opera House Bldg.

1927

THE VERBALIST.

Miss Crawford asked for a composition using as many grammatical constructions as she outlined on the board. She got this in Senior English Composition.

You see a beautiful girl walking down the street. She is, of course, feminine. If she is singular, you become nominative. You walk across to her, changing the verbal and then become dative. If she is not objective, you become plural. You walk home together. Her mother is accusative and you become imperative. Her brother is an indefinite article. You walk in and sit down. You talk of the future and she changes the subject. You kiss her and she becomes objective. Her father becomes present and you become a past participle.

Harold Luce—"What is the date, please?"

Miss Ludden—"Never mind the date, the examination is more important."

Harold—"Well, I wanted to have something right on my paper."

THE ONLY WAYS TO MAKE THE CALEDONIAN FRATERNITY.

1. Make the football team.
2. Pray for a bid.
3. Pray for a bid.
4. Pray for a bid.
5. Pray for a bid.

Nellie—"I wish God had made me a man."

Rex—"Oh, don't worry, you'll find one yet."

Mr. Sutton—"What is usually done with the by-products of gasoline?"

Bob Albright—"Oh, they are usually taken to the hospital."

Kelly—"What's the idea, Ferris, wearing your socks wrong side out?"

Ferris Duke—"Well, there was a hole on the other side."

Ila Faye—"Are you going to the school dance?"

Lucille—"No, I will be out of town Friday night."

Ila Faye—"I didn't get invited either."

GRIM FAIRY TALES.

Once upon a time there was a flapper.
And she said, "Let's sit in the gallery,
Fred. Then you'll have enough money left
to take some other girl out tomorrow."

Once upon a time there was a sheik.
And he said, "Even though I spent fifty
dollars on you tonight, I'm glad you won't
let me kiss you. It would only spoil our
friendship."

Hank—"A terrible accident happened in
our family."

Rank—"What was it?"

Hank—"My father and I were in a
crowd and we picked each other's pockets."

Coach Fulmer—"Chuck, did you ever
play on a team?"

Chuck Snider—"Sure, all last summer."

Coach—"What position?"

C. S.—"I was groom in a livery stable."

Getty—"Boy friend, I sure got an easy
job today."

Anderson—"What doing?"

a Fisk tire ad. (And they shot men like
Lincoln.)

A Testimonial that was received in
K. S. T. C., from a student of the book-
keeping department.

Back Fence University.

U. S. A.

Gentlemen:

When I first took your course in book-
keeping, I was earning twenty-five dollars
a week. Now, after one month, I average
four hundred dollars a day. I own my
own home and my own Rolls Royce. I
found my opportunity right in the bank
where I work. Through your valuable
course, I am able to juggle the books so
they never miss the money I take.

Gratefully yours,

Noah Conscience.

Vivian S.—"I heard John Waldman has
spent over \$1,500 since he has been in
college."

Dorothy K.—"That's nothing, so's his
ole man."
