THE POWER

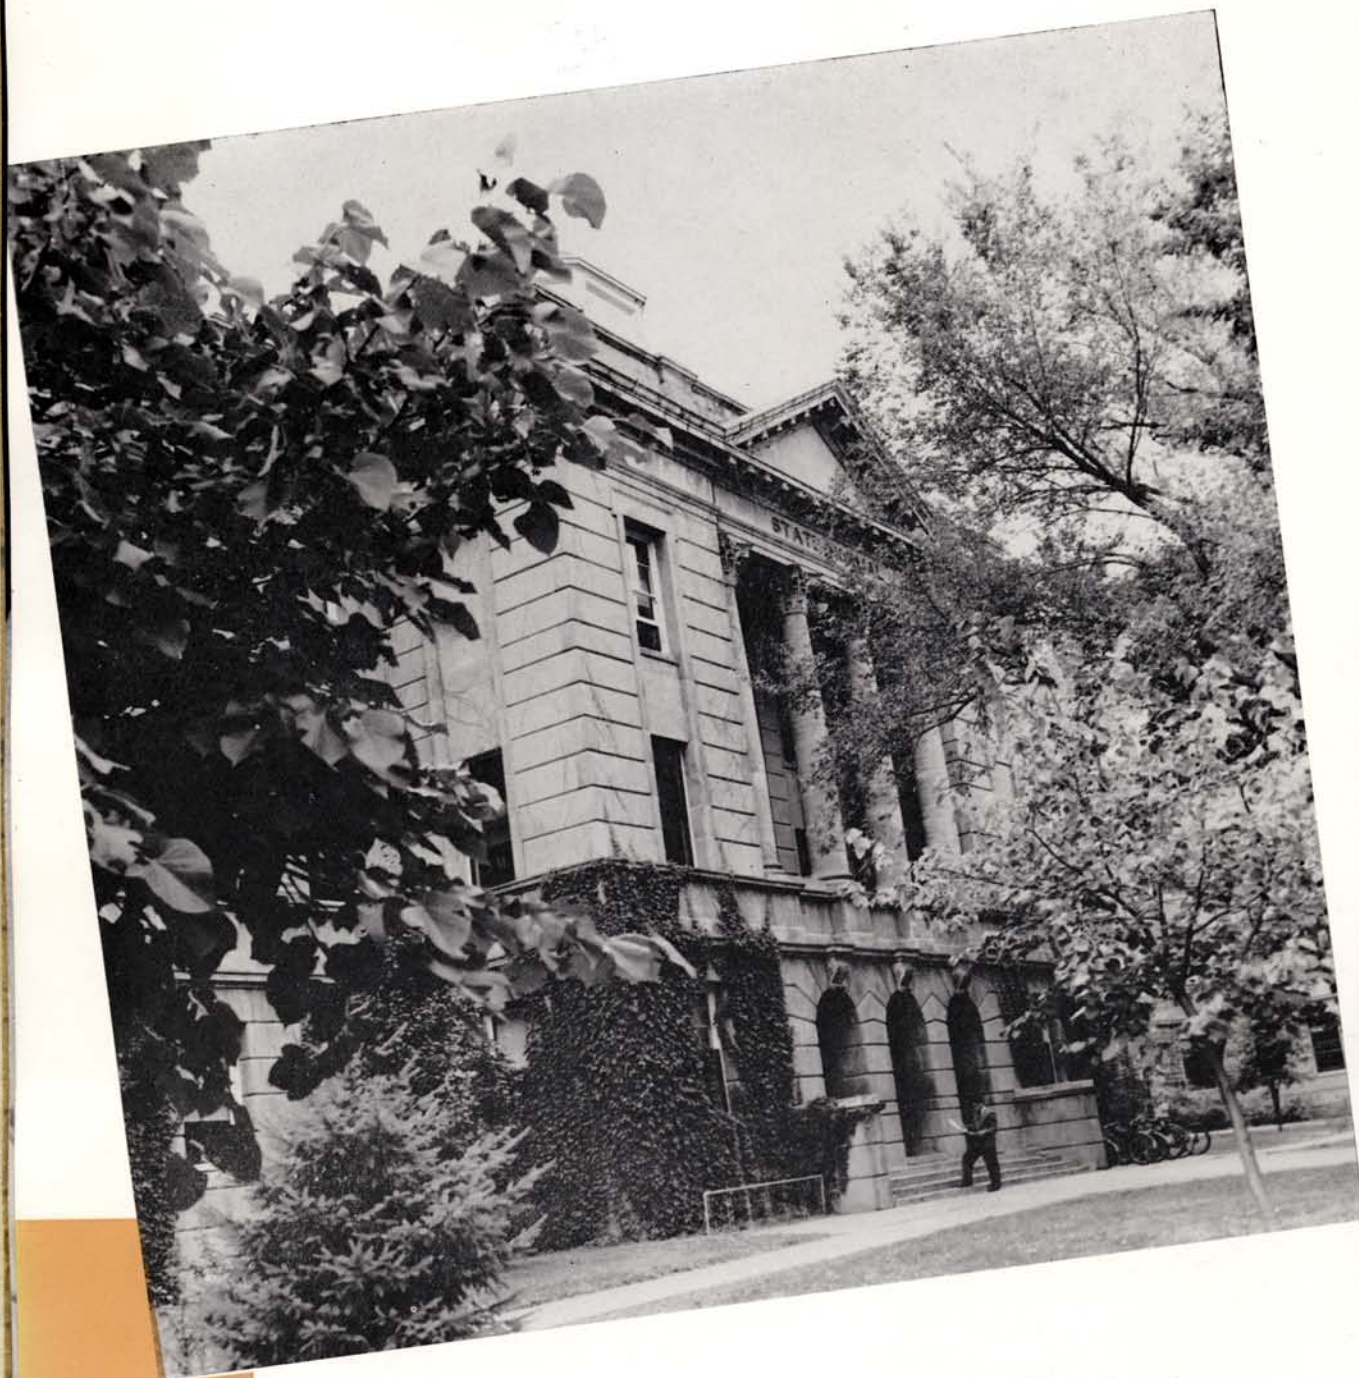

# R OF THE PRINTED WORD...

*As students we have been literally surrounded with printed textbooks, hand printed signs and typewritten notices. All of these have played an important part in governing our lives here at N.S.J.C. So that we will always remember this year we have been given printed pictures, printed illustrations and printed words in the 1950 Blue and Gold. This printed evidence again proves the Power of the Printed Word.*

"Rise the gray storied walls of the home we love—Alma Mater."

*Through these portals of our Administration Building pass Nebraska's future teachers, the student teachers of this year and the classroom instructors of next year.*

This front of the Administration Building is the view that 880 students and countless alumni always remember of their days at Nebraska State Teachers College. This young man is one of the many that spent noons sitting on the steps in spring, summer and fall.

Sadie Hawkins Day was on the minds of these students as they stop to look at the poster advertising the annual event. The main lobby of the Ad Building contains the President's Office, Dean of Men's Office, bulletin boards, and men and women's lounges.

*It is in the A. O. Thomas Building that these students planning to teach in the elementary grades do their practice and go to Cadet Meetings.*

These children take time out from their reading, writing and arithmetic to have a good time swinging on the playground.

Mrs. Margaret McClure teaches the small fry with the help of cadet teachers from elementary grade teachers.

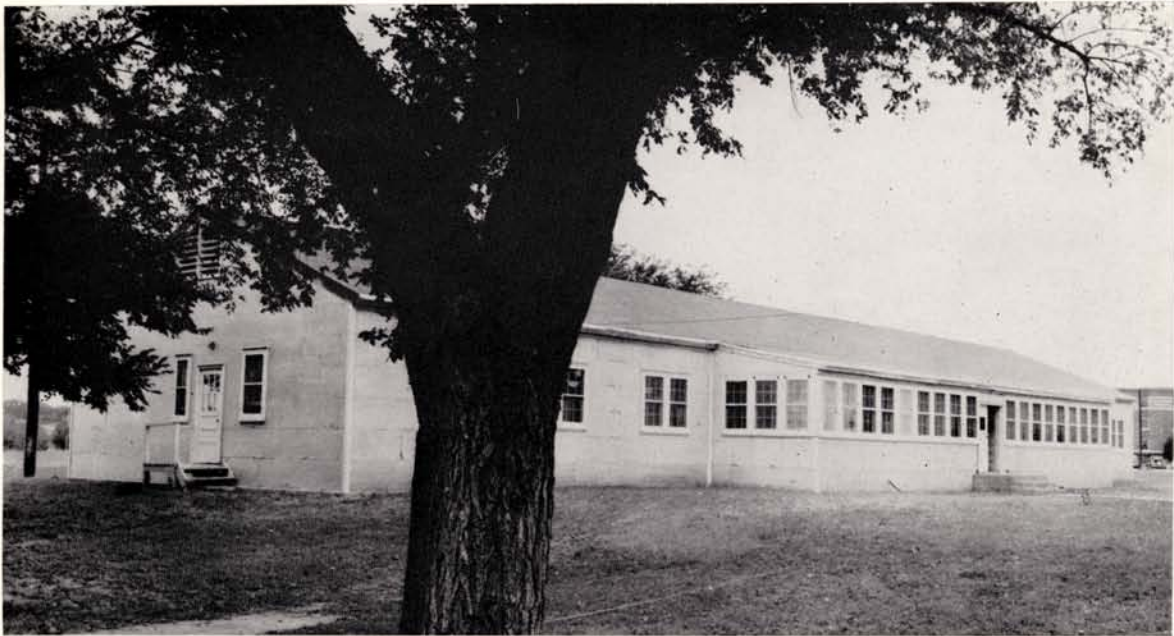

Paul Marzolf goes up for the first basket of the 1949-50 Basketball season in the Western State-Kearney game.

*In the gymnasium for swimming, basketball, tumbling, badminton and the physical training that is as essential for education as is mental training . . . .*

This is the gym, famous for sports activities, and those showers that certain individuals had to take after they disagreed with officials in football and basketball games.

*The Student Union, under the direction of Dorothy Holcomb, is the social center of the college. Cards, pingpong, hour dances, a cup of coffee, and a few minutes of discussion are all necessary for a well balanced college career at Kearney.*

World Series time found these men gathered around a radio playing cards, and betting that the Dodgers would win a game. Yes, they did, but not that day.

Student Director Dorothy Holcomb and faculty members Harriet Yingling, and Clara Ockinga find time to catch up on the latest rumor that floats around NSTC.

This is the home of married veteran on the campus. This picture gets the cars of T. Scott Huston and W. O. Johnson in the foreground. Other couples have cars, however.

*Vet's Village, home of the married veterans, is still the hub of all married couples activities. To eat, to study, to play with the kids, to get that short night of sleep because Junior cried all night, are vivid today, but will be memories tomorrow.*

Kids are never too young to start their training too early. These children were just imitating their fathers performances on the college gridiron.

Marilyn Martin stands, while Mrs. Finke phones to one of the many women on the campus while Genevieve Koehler, Elaine Burton, Esther Murray, and Argelia Colon wait their turn.

Betty Petersen, JoAnne Stewart, Phyllis Daily, Pat Lanfear, Helen Orcutt, and Ruth Warner wait for that call from Men's Hall.

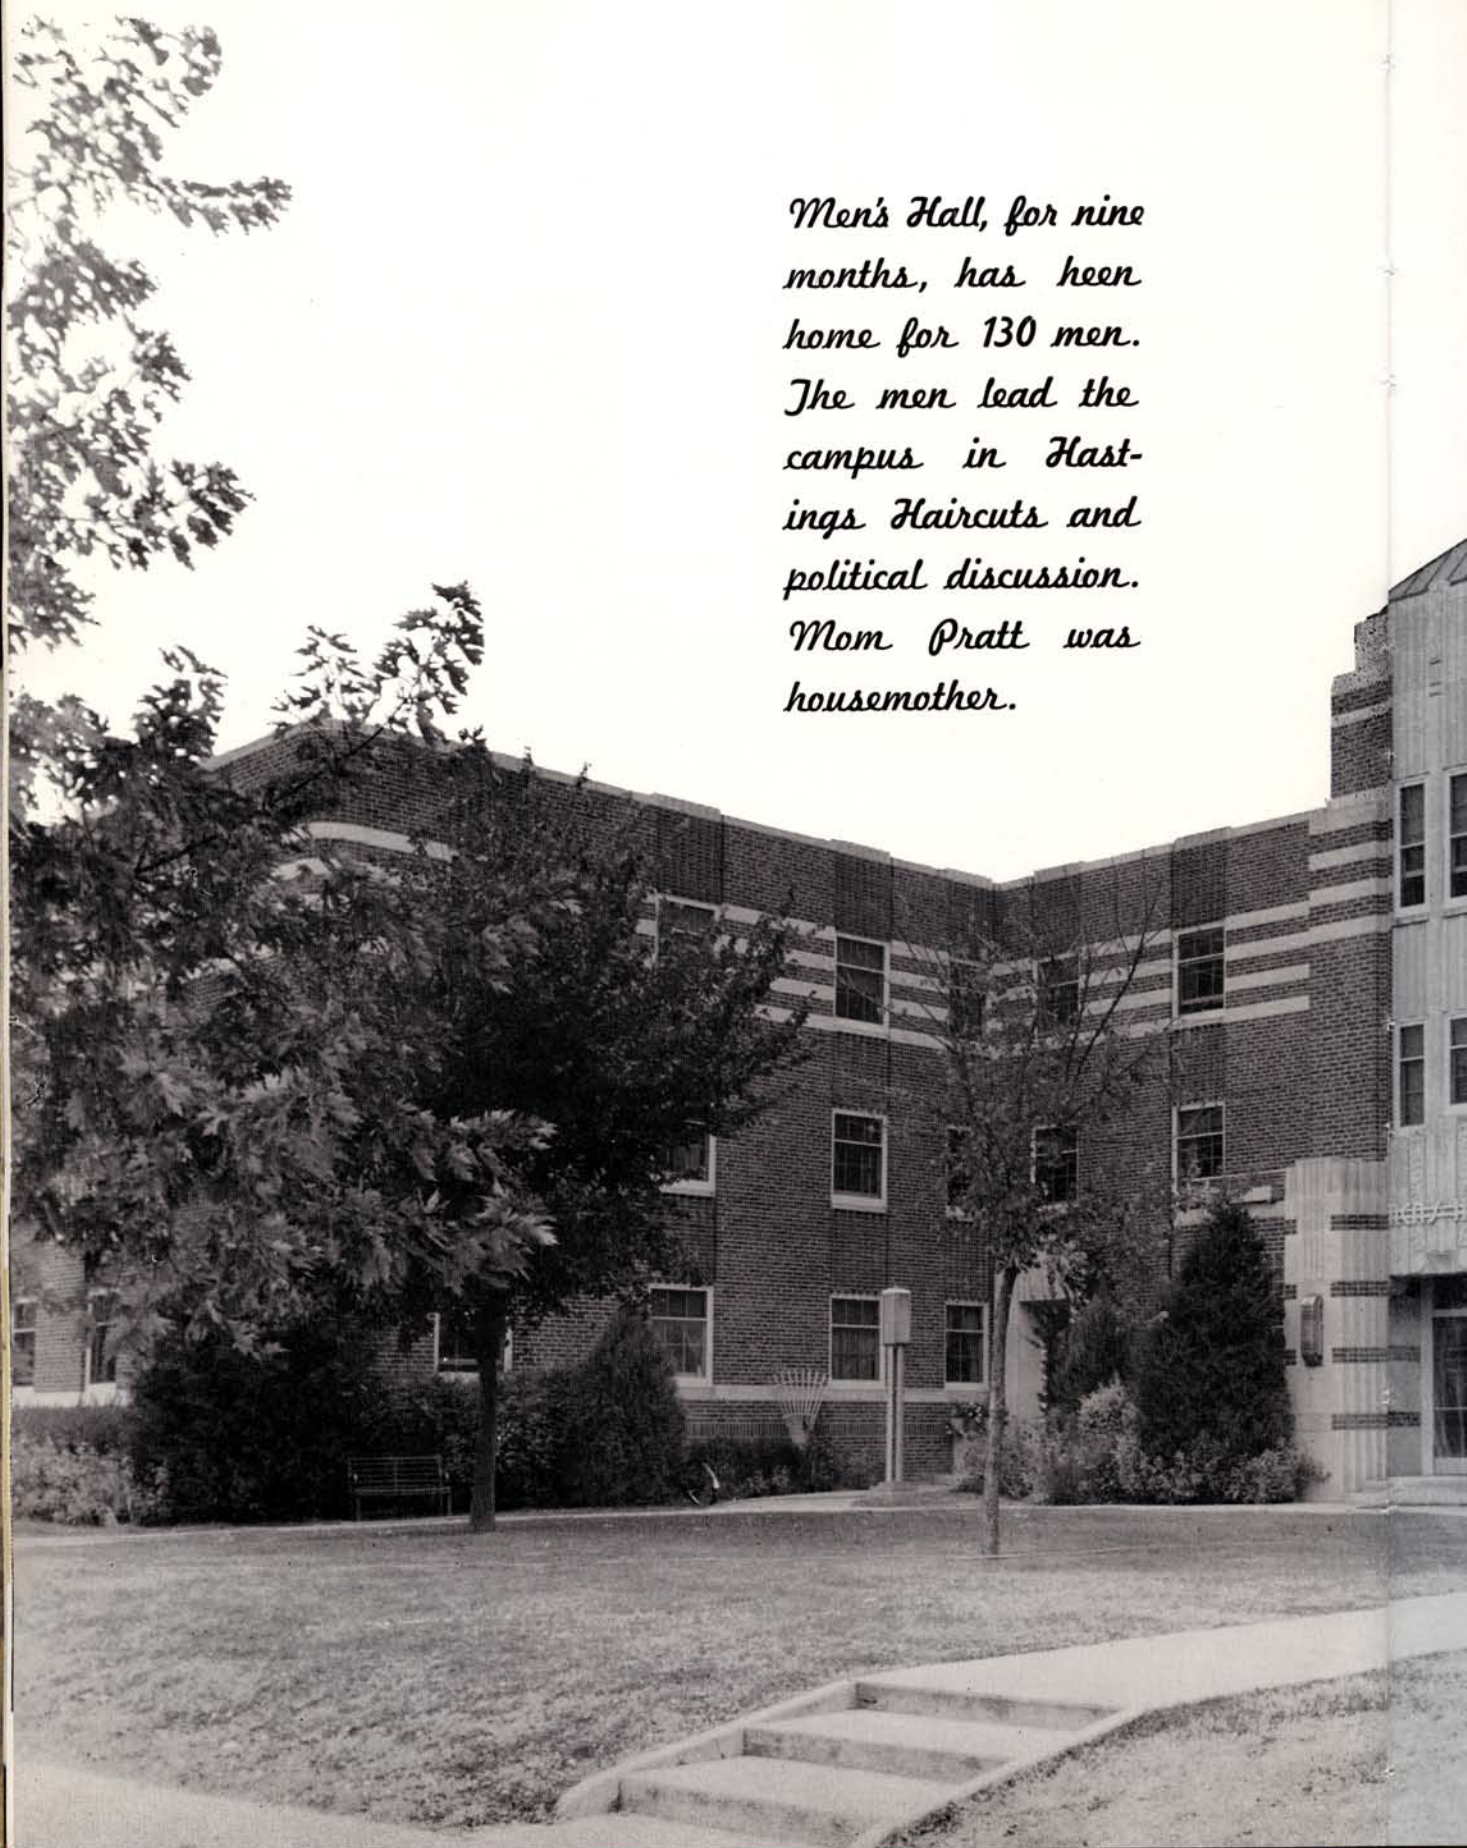

*Home to girls were Case Hall  
and Green Terrace. Freshmen  
lived in Green Terrace, while  
upper classmen occupied Case  
Hall. Mrs. Finke was house-  
mother at Case and Mrs.  
Thomas at Green Terrace.*

*Men's Hall, for nine months, has been home for 130 men. The men lead the campus in Hastings Haircuts and political discussion. Mom Pratt was housemother.*

Men's Hall residents gather around the piano to sing.

College students eat in the College Cafeteria.

*This is your book and our baby. Ours were the long hours of sweat and toil, midnight oil burning, road traveling, campus trudging, photo snapping, impartial and unbiased were our by-words. Yours will be the short minutes to look at our recording and you will survey all this years history. Together we share this, our record of 1950, the half way mark of the twentieth century, on the friendly campus of the Nebraska State Teachers College at Kearney. Printed words of 1950 events soon become memories.*

Herbert L. Cushing—A.B., Grand Island College; Graduate Student, University of Chicago; A. M., University of Nebraska; Ed. D., Nebraska Wesleyan University, 1936.

On these two pages we present the power of the printed word. Our amiable president, Dr. Herbert L. Cushing is familiar to each and every student on the campus, because of his stopping in the hall for one of his frequent chats. The dignity of his position in no way whatsoever makes our president forget that the 880 students and 60 faculty members with which he works are all furthering education in Nebraska.

State Board of Education: E. D. Crites, Chadron; Miss Ulstrom, Lincoln; E. Albin Larson, Lincoln; Ralph Carhart, Wayne; W. L. Nicholas, Peru; V. P. Morey, Wayne; Willey Brooks, Chadron; Everett L. Randall, Kearney; Bertha I. Hill, Hebron; Wayne O. Reed, Lincoln; J. Hyde Sweet, Nebraska City; H. L. Cushing, Kearney. Not pictured: A. D. Majors, Omaha.

In the hands of these eight men and women lies the power of NSJC. They control the money, hire all teachers, make general decisions that affect all students who are learning what the Power of the Printed Word Is today and tomorrow Will Be teaching what is meant by it in schools.

**Bernard Stutheit**—B.S., A.M., University of Nebraska.

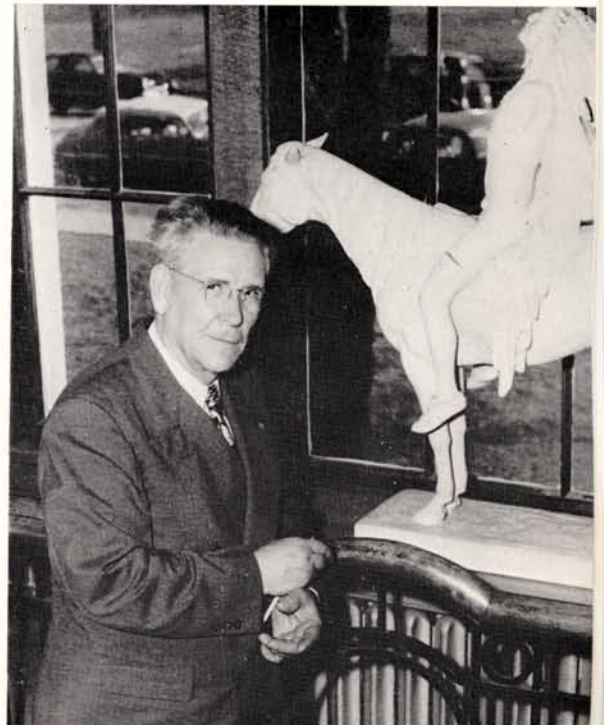

*These two people are the "Guiding Lights" of the students of NSJC, Dean of Women, Alice Robinson, and Dean of Men, Bernard Stutheit. Those slips after convo, nine weeks down lists, and general troubles all mean a trip to the office of our respective dean.*

**Alice M. Robinson**—A.B., Nebraska State Teachers at Kearney; A.M., University of California; Graduate Study at University of Nebraska; and Syracuse University.

*These two men are in charge of our education both today and tomorrow. Today, Dr. H. G. Stout, Head of the Education Department and head of the policies committee is in charge of our college education. Tomorrow, Mr. Del Danker, Director of the Placement Bureau, and A. O. Thomas School will control our teaching careers.*

*December was the month that everyone could hardly wait for that whole week of vacation after all those parties, Christmas Carnival, and other activities of the Christmas season.*

Mom Pratt treated the 130 men of Men's Hall to their annual Christmas Party. All that can be said that a good time was had by all . . .

# Honor Graduates

*This is the day that the seniors have been waiting for. Graduation and the honor of receiving Cum Laude and Honorable Mention will be remembered forever by these five seniors.*

JOHN SCHEURMAN—CUM LAUDE

This year, seniors found the scholarship attainments a harder goal to reach. After much discussion, President Cushing and Registrar Smithey have chosen one senior who they feel has reached the plane of Cum Laude work. We are proud and honored to present John Scheurman, Sidney, as the Cum Laude graduate of 1950. Seniors who are recognized as Honorable Mention graduates are Joan Althouse, Kearney; Lily Ann Hansen (Neilsen); Lazern Sorensen, Grand Island; and June Zimmerman, Kearney.

*May—The final month of school for these 126 pictured seniors. Senior breakfast, teas, and graduation finish four years of hard work and study at NSJC. Big Name Dance, art exhibits, orchestra concert and spring picnics completed the months activities.*

LOREN AUGUSTYN

DALE BUBAK

DAN CONWAY

DUANE COX

KENNY EACKER

**Loren Augustyn, KKK**—Junior fullback from Loup City, weight 180. "Augie" is a fine passer and a terrific line backer, at times getting at least half of the Kearney tackles. A powerful ball carrier, he is one of the outstanding players in the NCC and also one of NSTC's great fullbacks. Even though he had a knee injury which kept him out of the last few games of the season, he was chosen as an all NCC back. Former all state high school back at Loup City and although he has another year of eligibility, he does not plan on using it, but will enter med-school next fall.

**Dale Bubak, K**—Freshman back from Cozad weight 158. Two years all-state Class B high school back. Dale is fast and very shifty. Good open field runner and should develop into a great offensive backfield man.

**Dan Conway, KKK**—Senior center from Kearney, weight 185. Another four year letterman at Kearney. Played backfield his first three years, but was converted into a center the past season. Good line backer, punter, and was a place kick specialist.

**Duane Cox, KKK**—Senior guard from Broken Bow, weight 180. Duane is very fast and a good defensive player. Played one year in the backfield and two at a guard position. Played freshman ball at the University of Nebraska. He was a former standout high school backfield man.

**Kenny Eacker, K**—Sophomore back from Broken Bow, weight 148. Although small, Kenny makes up his lack of weight with speed and flashy ball carrying. He always found a hole in the line and when in the de-

fense could always make yardage. Excellent at punt returns. A dislocated elbow kept him out of the line-up the last two games.

**Paul Marzolf, KK**—Junior end from North Platte, 180. Paul had no high school football experience, but at NSTC he has developed into an outstanding offensive and defensive player. Great things are expected of him next year. His height makes him an easy target for passes. His interception of a Hastings pitch out enabled him to score and give Kearney a tie with the Broncos.

**Ed Minnick, KKK**—Junior back from North Platte, weight 183. Ed has developed into a good ball carrier and a fine defensive full. He is very quick in diagnosing the opponents offensive plays.

**Warren Monnington, KKK**—Senior quarterback from Overton, weight 175. "Mike" is one of the greatest punters in the history of the NCC. An excellent field general and defensive half. His booming punts set many opponents back deep in their territory and his 60 yard or better boots from his own end zone saved Kearney many times. Replacing him next year will be quite a job. He is also a place kick artist.

**Jim Patsios, K**—Freshman guard from Kearney, weight 180. As a freshman Jim shows possibilities. Is a nice blocker and improvement on defense as the season progressed gained respect from opponents.

**Glenn Peterson, KK**—Sophomore tackle from Gothenburg, weight 185. Very fast for a tackle and a good blocker. Played on the Gothenburg state championship team in 1945. Scored a touchdown by catching a fumble during the Kearney and Spearfish game.

JACQUE EVANS

SAM HOUSTON

BOB IMMING

TED JAMSON

W. O. JOHNSON

**Jacque Evans, KK**—Senior tackle from Grand Island, weight 240. "Jacko" is exceptionally fast for a big man. A terrific blocker on offense and hard to move on defense made him an outstanding player. Jack played one year of ball at the University of Nebraska before entering NSTC. An injured knee slowed him down some toward the end of the season.

**Sam Houston, KK**—Sophomore guard from Kearney, weight 170. Sam is an exceptionally good defensive player and fast on the offense. Very dependable and steady all the time. Has two years left and should develop into an outstanding player.

**Bob Imming, KKKK**—Senior end from Kearney, weight 155. Great offensive player. Could analyze defensive plays very well and was a good pass receiver. Played center his freshman and sophomore years and end during his junior and senior year.

**Ted Jamson, KK**—Junior quarterback from Grand Island, weight 175. Ted is a fine passer and a smart quarterback. He led the Kearney team in points scored this year. Is fast and elusive. Played freshman ball at the University of Nebraska.

**Weldon Johnson, KKKK**—Senior back from Carnegie, Oklahoma, weight 210. "Red" played four successful seasons at NSTC and was a standout player. He played end his junior year and fullback the other three. Fine runner, good blocker and defensive man, made him rough on opponents. A back injury limited his playing this year.

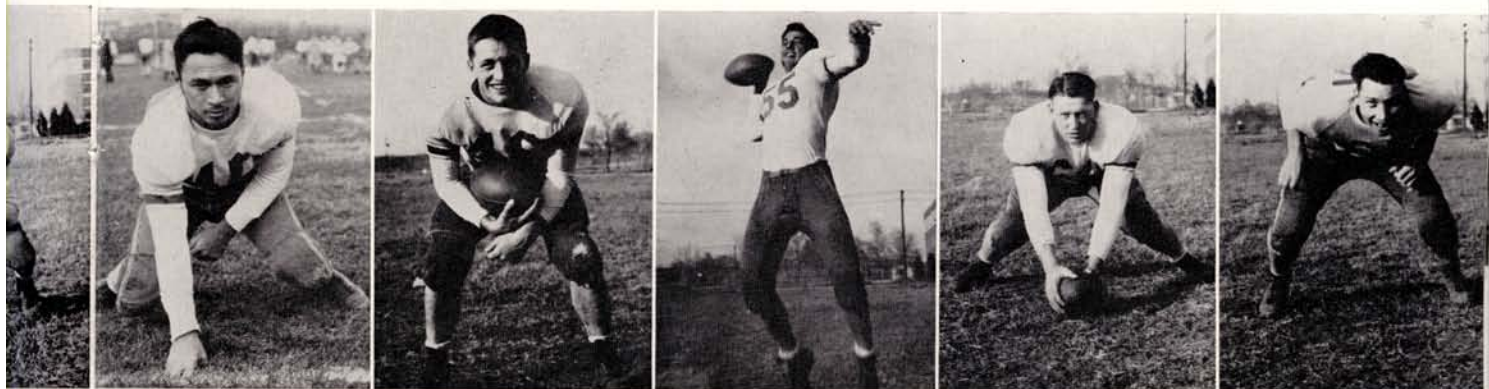

**Kenny Shibata, KKK**—Senior guard from Ord, weight 145. One of the smallest men to ever don an Antelope uniform, Kenny proved that you don't need to be big to be tough or play football. He is an exceptionally fine blocker and held his own against men nearly twice his weight. He is a former all state guard from Ord.

**E. R. Smith, KKKK**—Senior back from Winner, South Dakota, weight 175. Another four year letter man who has made a good record for himself while at NSTC. The "Chief" is a wonderful ball carrier, good defensive man, and always dependable. He was good for yardage each time he carried the pigskin. His spectacular running will be missed next year.

**Eddie Staab, K**—Freshman back from Ansley, weight 170. Eddie is one of the best passing prospects to enroll at NSTC for several years. He also is an excellent punter and defensive half. When called upon, he could carry the ball for yardage or block very effectively.

**Eugene Turner, KK**—Sophomore center from Elm Creek, weight 200. "Bulldog" is as tough as they come, eager to play and always willing to do his share. Fine defensive work and backing up the line made him tough on opponents.

**Darrell Yentes, KKKK**—Senior tackle from Eddyville, weight 236. "Big Babe" is one of Kearney's all time great tackles. He handled his 236 pounds well on both offense and defense, was a terrific blocker and tackler.

## Antelopes sting Yellowjackets;

**COACH CHARLIE FOSTER**

Coach Foster has completed his fifth year as the Kearney State Teachers College head football coach and athletic director and his well coached team has completed another impressive season. Under Coach Foster's capable guidance the N.S.T.C. teams have won 28 games, lost 12 and tied 3. He has done splendid work in the athletic department in developing character, sportsmanship and proper attitude in the men who play under him.

Coach Foster, before coming to the Kearney State Teachers College, coached at the Clay Center and Ansley High Schools, where his teams won 96 games, lost 42 and tied 20.

He is a graduate of the Grand Island High School, Grand Island College and received his masters degree from Denver University. He has also taken an active part in many Coaching Clinics throughout the middle west.

### NSTC WINS OPENER

NSTC opened their 1949 football schedule with a bang, rolling over the Yellowjackets of Spearfish, South Dakota, 26-0.

Kearney took the initial kickoff and marched to the first touchdown of the season when Ted Jamson scored from the 5 yard line. However, the educated toe of Mike Monnington missed the extra point and the score remained 6-0 during the rest of the first half.

Kearney showed defensive strength during this half, stopping all the Dakotan's thrusts, one penetrating to Kearney's 30 yard line before it was stopped.

In the third period, Imming, Kearney's pass grabbing end, took a Jamson pass and raced 24 yards for the second score. Dan Conway's conversion was good for a 13-0 count.

On the first play of the final quarter, Dean Webb, freshman end, blocked a Spearfish kick and tackle Glenn Peterson scooped it up and raced 20 yards to score. Candy's attempt to convert was no good. Bellinger made the final score as he ploughed 8 yards to score and this time Candy's kick was good. The final score stood at 26-0. Big Babe Yentes, standout Kearney tackle, has a disagreement with the officials and watched the later part of the game from the bench.

The Spearfish-Kearney series stands Kearney 2, Spearfish 0, Tie 0.

### HEAVY OKLAHOMA TEAM OUTCLASSSED 19-0

## ... Upset Eagles in NCC opener 7-6 ...

debut of the season, the NSTCers performed like a well-polished club with beautiful down field blocking, tackling and an offensive that worked with clock-like precision, mixing T plays with the old standby single wing, almost to perfection.

Oklahoma opened strong, mixing T plays with the double wing, taking the opening kickoff and marching to the Kearney 24 yard line before being halted by the fighting Antelopes. Kearney retaliated quickly, never losing the ball until they had crossed the last chalk line. A Jamson to Imming pass, good for 30 yards provided the score. The try for point was fumbled.

The second score came in the second quarter on another pass, this time from Augustyn (one of Kearney's greatest backs) to speedy freshman Dale Bubak. Dan Conway's conversion was good. Score 13-0.

During the third period, End Bob Imming stole an Oklahoma pass and raced 49 yards to score the final touchdown. Tom Candy's kick was wide. Final score: Kearney 19, Oklahoma 0.

Tall Paul Marzolf, Kearney end, stood out on his down field blocking while E. R. Smith piled up the yardage, his longest run being 59 yards.

The Oklahoma club was one of the largest to appear on the Kearney field in recent years, averaging 203 pounds.

The game was marred by penalties, Kearney getting 45 yards to 145 for the invaders. Mike Monnington

and End J. Walker of Oklahoma were sent to the showers in this game.

This was the first game between these schools.

### KEARNEY DEFEATS CHADRON AT HOME FIRST TIME IN CONFERENCE HISTORY 7-6

Kearney still continued its winning ways by clipping Chadron 7 to 6. Bob Imming, NSTC's alert end grabbed a fumbled pass in mid-air and scampered 45 yards for the score. Conway calmly kicked the winning extra point. This was the first defeat suffered by Chadron on their home field since the formation of the NCC.

Kearney's line played brilliantly, holding Chadron's ground offensive to 9 yards. Again, Big Babe Yentes, the all conference tackle played outstanding ball, while Chadron's all conference guard, Sollars was the big noise for the Eagles.

Chadron's 6 points came after a 52 yard pass from Jay Dinnell to Wally Calvert. Bubak hauled Calvert down on the 6 yard line. Two plays later, Dinnell passed again, this time to Colerick in the end zone for six points. Sollars' kick for conversion was wide.

This was definitely a defensive game with the Antelopes getting the nod on the ground and the Eagles through the air. Little Kenny Shibata blocked a Chadron punt to set up the touchdown for the Antelopes.

Series to date: Kearney 12, Chadron 11, Tied 1.

### WESLEYAN NIPS KEARNEY 14-13

A point after touchdown attempt by Dan Conway that hit the goal post and bounded back spelled the first defeat for Kearney this year. Final result was Wesleyan 14, Kearney 13.

The first half was strictly an offensive game with both teams scoring all their points while the second half was a defensive battle by both clubs.

Wesleyan opened the scoring after about five minutes of play, when Poe scored after a Monnington punt into the wind went out of bounds on the NSTC 40 yard line. The extra point was good.

Kearney then drove 73 yards to score, Augustyn and Smith doing most of the ball lugging. Smith scored on a 17 yard sweep. Conway's try for point was good.

Again Wesleyan came back strong, driving 70 yards for their second score, the final play being the old "Statue of Liberty" standby good for 13 yards and a touchdown. White kicked his second conversion.

Figuring that turn about was fair play, NSTC punctured the Wesleyan line for another tally after Smith recovered a Plainsman fumble on their 18 yard line. This time Conway's luck changed and his conversion attempt fell the wrong way after hitting the goal post.

After some "questionable" decisions by the officials the Antelopes were penalized 145 yards while Wesleyan was set back 40 yards.

Freshmen Staab and Webb were standouts and showed promise. Big Jacque Evans and Dutch Kaminski performed well, Jacko being selected as an all opponent man on the Wesleyan team.

Series Record: Kearney 6, Wesleyan 8, Ties 1.

### HASTINGS TIES NSTC 7-7 BEFORE LARGE HOMECOMING CROWD.

Homecoming, parades, floats, campus decorations, "haircuts," and an inspired underdog team from Hastings all helped to make October 15 one of the best days for alumni to remember.

Perhaps being minus their hair or the beautiful "K" clipped thereon, caused the Broncos to outplay the favored Antelopes.

The brightest spot for NSTC was the pitchout interception by end Paul Marzolf, who galloped 35 yards for six points. Conversion was good.

Most of the game was a defensive affair with neither team making many yards. The attempted passes of the Antelopes never clicked, one being intercepted and run back for the Hastings touchdown. The conversion was good and the score was 7-7.

Thereafter, Kearney used everything in the book, but to no avail. The stubborn Bronco line held fast and the scoring was over.

The Kearney-Hastings rivalry dates back to 1908. During these years Kearney has won 12, Hastings 15, and Ties 5.

### LEADING SMALL COLLEGE IN NATION BEATS ANTELOPES 20-2.

Wayne kept their record intact by winning over the Foster men 20-2.

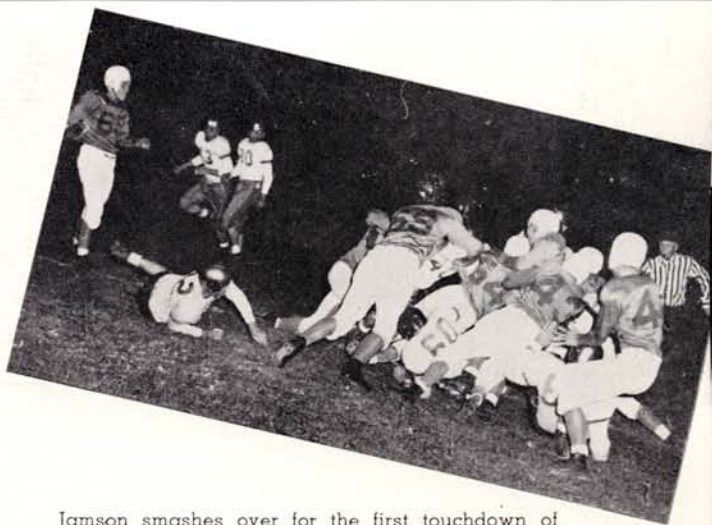

It looked as though Kearney might clip the winning streak and upset the dope sheet as they started out strong and drove 64 yards to the Wayne 15 before a fumble was recovered by the Wildcats. A few minutes later, E. R. Smith intercepted a pass but Monnington was forced to punt three plays later. The Wayne strength began to tell in the second quarter and they scored, going 46 yards. The conversion was good. They scored again on another pass, but the extra point was missed. The half ended 13-0 in favor of Wayne. During the second quarter, Marzolf and Kane were escorted to the bench.

The second half started out as a passing duel with Staab completing two for 32 yards. Wayne intercepted Jamson's pass only to have Kearney's guard Cox, haul in a Wayne pass on the next play. Monnington's punt rolled dead on the Wayne 2 yard line. In attempting to kick out, Wayne's kicker stepped out of the end zone which gave NSTC a safety and 2 points.

In the fourth quarter, Kearney staged their greatest defensive effort of the year. They held the powerful Wayne team 4 downs on the 1 foot line. After Monnington had kicked out, the Wildcats came back down the field for a 40 yard march.

In this game Kearney was continually being kicked into holes by the Wayne kickers. Kearney was again without the services of Augustyn, but found two new stars in Eacker and Minnick.

Series standings: Kearney 12, Wayne 6, Ties 4.

### NSTC RALLIES TO NIP PERU, 34-27

Peru won the first half, but the Antelopes won the game by scoring four touchdowns in the second half to stage one of the greatest comebacks ever witnessed on the local gridiron. It was rumored on the campus that the Antelope team received one of their severest tongue-lashings of history during the intermission.

The Antelopes scored first on a pass play. Then came a parade of four Peru scores as the Antelopes seemed helpless to stop the ground or air attack of the Bobcats. Then midway in the third quarter, Kearney caught fire and everything they tried worked to perfection. Imming returned a kickoff to the Peru 36 yard line. Several plays later, Marzolf caught a pass and lateraled to Monnington who scored. Minutes later, Jamson crossed the goal line. In the final quarter, Imming caught another pass, and lateraled to Minnick who scampered for the next touchdown. Conversion was no good and the score was 27-27 with 3½ minutes left in the game.

Kearney kicked off and held Peru to no gain. Then E. R. Smith took over as he dashed for 22 yards, caught a pass for 32 yards to put the ball on the Peru 3 yard line. Jamson scored two plays later on a plunge. Peru took the ball with a minute left but could do nothing.

Monnington's punting kept Peru in the hole during

the game. Kenny Eacker received a dislocated arm in the first quarter.

Series: Kearney 11, Peru 12, Ties 1.

### DOANE 26—KEARNEY 0

The Doane Tigers handed the Antelopes their worst defeat of the season, 26-0. The dazzling passing of Doane's Kasperek and the absence of Augustyn in the Kearney backfield spelled the difference in the game.

Although only two of the Tiger's touchdowns came by the air lanes, the other two were set up by passes. Poe scored in the first period by sneaking over from the five yard line, after Doane had driven 76 yards mainly by passes from Kasperek to ends Grossert and Schultz. Again they scored on the ground after completing a 35 yard pass and two others for 25 yards, Kasperek going through the middle of the NSTC line for 13 yards. The third touchdown came on an Antelope interception by Rose who lateraled to Valerto, who then went all the way. The final score came on another pass play with only five seconds remaining in the game.

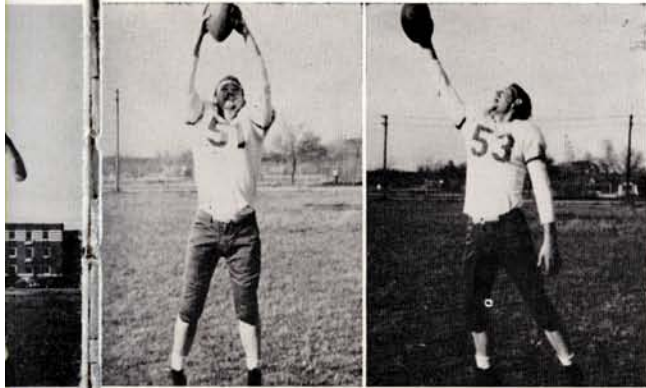

Doane outplayed the Antelopes both on the ground and in the air. Monnington's booming punts was a big factor in holding the score as low as it was.

Series Results: Kearney, 2, Doane 7, Ties 3.

**SENIORS END CAREER BY DEFEATING MIDLAND 50-6.**

The Antelopes climaxed a successful season by smashing for 8 touchdowns against a weak Midland team. It was strictly no contest from the beginning. The scores by quarters, 19-0, 25-6, 37-6, and 50-6.

The senior men really ended their football careers in a blaze of glory. Lancaster, end, intercepted a Midland pass and raced 24 yard to score and Arthur ended 4 years of football play to earn his only letter. Mike Monnington, E. R. Smith, W. O. Johnson, the Wiederspan twins, Bob Imming, Duane Cox, Kenny Shibata, Jacques Evans, Darrell Yentes, and Dan Conway will all be missed as will Junior Loren Augustyn, who is going to enter Creighton Medical College.

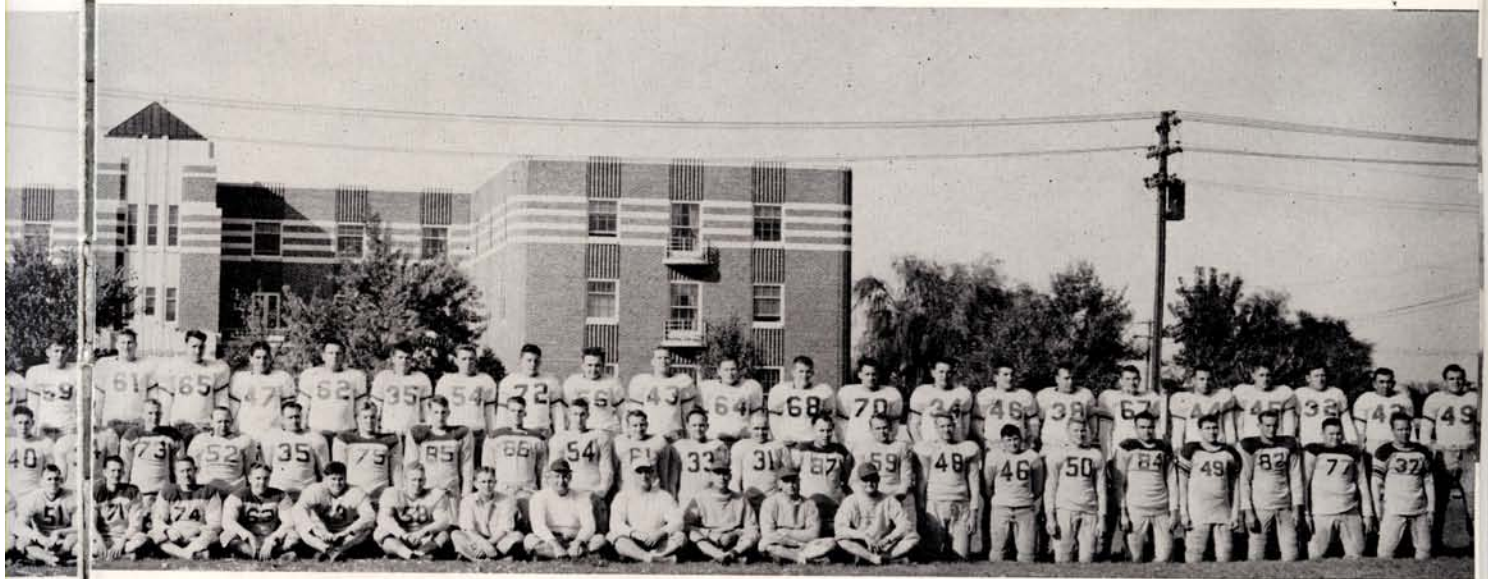

Freshmen who showed much promise and provide hope for a good team next year includes Ed Staab, Dale Bubak, Dean Webb, Jim Patsios, Dick Elm, Wm. James and sophomore Kenny Eacker who should help brighten the smile on Coach Charlie Foster's face next August as he issues the first call for practice.

Loren Augustyn sweeps around right end on his way to more yardage against the Northwestern Teachers of Alva, Oklahoma.

The NSTC "B" squad played two games this year, Fort Hays, Kansas, State College afforded the opposition in both games as a home and home arrangement was carried out. Fort Hays won both games by the same score, 18-6.

In the first game, End Elmer Murman scored on a pass from Doc Knapple to get Kearney's six points. In the second game, Francis Arthur scored on a 50 yard punt return. Rube Anders played exceptionally good ball in this game as did Arthur and Danielson.

# Basketball

**William E. Morris**

**Mike Monnington.** KKKK, Overton senior—5 foot 11 inch guard. Mike is one of the greatest defensive men and team player in Kearney history. He had a steady influence on the entire team. Good ball handler.

**Paul Marzolf.** KK, North Platte junior—6 foot 4 inch center. Paul is a good post man with an uncanny shot from that position. "Satch's" outstanding performance was scoring 32 points against Hastings. He wound up fourth in NCC scoring this year with 252 points, and was one of the players on the all NCC list.

**Herman Hinkle.** K, Cozad freshman—6 foot forward. It looks like a bright future is in store for Herm. He has a good eye for the basket with his set shot. Scored 29 points against Wesleyan.

**Loran Swanson.** KK, Broken Bow sophomore—6 foot forward. "Swannie" is a former all-stater from Sargent. He is an excellent shot around the basket.

**Elmer Murman.** KKK, Glenvil junior—5 foot 11 inch guard. One of the best competitors on the squad. "Ragweed" has a fighting spirit. Very aggressive and a good floor man.

Kearney's new basketball coach is genial William E. Morris. Mr. Morris, as mentor of the NSTC Antelopes, has done an excellent job in his first year and is building for the future. His teams show spirit, good team work, and the desire to win.

The new coach is a graduate of Oakdale High School and received his AB degree at Wayne State Teachers College in 1936, where he was a star athlete, earning all-conference recognition in basketball.

He received his Masters from the University of Michigan the past summer.

He has coached at Wayne High School, Abingdon, Illinois High School, Friend, and Holdrege since his graduation. His high school teams have won over 65 percent of their games. He also served in the U. S. Navy as an athletic officer for four years during World War II.

He is married and has one child, Bill junior.

When the basketball season opened, Coach Bill Morris, new basketball coach, faced the task of almost complete rebuilding of the great 1949 Antelope team. Faced with the loss of such stars as Bogue, Simanek, Hauver, and Korte, Morris had to build the team around Monnington and Marzolf plus a few holdover lettermen from last year's squad. Molding the freshmen and sophomores into a smooth running outfit before the first game was a slow one, but as the boys got a few games under their belts, they began to look like Antelope teams of old. As a present to their coach, they won the conference opener, from his alma mater, Wayne. Although the team did not top the conference, they showed a good display of basketball at times, and at other, they showed the need of more training. Although the loss of Monnington and two other seniors will be felt, and their places hard to fill, next year's team should be one of the best in NCC.

**Mike Monnington**

**THE SQUAD: FRONT ROW:** Ed Smith, Mike Monnington, Loran Swanson, Dave Jelden, Herman Hinkle, Paul Marzolf, Keith Lowe, Bill Powell. **SECOND ROW:** Vic McElroy, Dave Van Nordheim, Leland Thorell, Coach William Morris, Elmer Murman, Bob Jelden, Willard Quinn, J. R. Pool. **THIRD ROW:** Trainer Curly McGahan, Floyd Watts, Gene Turner, Harry Moran, Orville Wilson, Lyle Elliott, Eddie Staab, Don Dahlin, Student Manager Bill Hasemeyer.

With only two regulars, Monnington and Marzolf back this year, Coach William Morris's debut as head basketball Coach of NSTC proved to be an unhappy one as Western State of Gunnison, Colorado beat the Antelopes 64-54. The classy Rocky Mountain quintet were behind the inexperienced Kearney five till midway in the second half when Monnington and Marzolf both fouled out. Inability to hit the basket proved to be the down fall of the locals.

The Antelopes dropped their second game of the young season when they met the powerful Fort Hays Kansas team. Kearney stayed close the first part of the game, but couldn't stand the fast pace of the Kansas five and lost 86-30.

With five men towering above the Antelopes tallest player, the Dakota Wesleyan team controlled the backboards enough to pull out a 53-42 victory over the Antelopes. It was close with only two points difference with five minutes left, but then the height began to tell and the invading Northerners took command of the game.

The traveling Eastern New Mexico team took NSTC into camp 62-54 on the home court. Again lack of height held the Antelopes down. However the floor play of all players showed improvement. Marzolf hit 17 points for Kearney while the visitors scoring was evenly distributed.

The Kearney Antelopes took the fifth straight loss, this time at the hands of the Huron, South Dakota College team. The NSTC'er's displayed better team play and more hustle. Freshman Hinkle looked good, while making 17 points to lead the Kearney scoring.

Kearney surprised Wayne and won their conference opener 64-55. It was a much improved team with "Mike" Monnington displayed brilliant shooting and floor play to rack up 20 points for scoring honors.

Kearney continued its winning ways in conference play by clipping Doane 62-51. Dave Jelden played good ball for the Antelopes and accounted for 14 points. Erickson, Doane center, held "Tall Paul" to 9 points while scoring 19 himself.

The first defeat for the Antelopes in conference play was dealt them by a fine Wesleyan team 62-57. Hinkle went on a scoring spree and dunked in 29 points for the locals. Center Squires led Wesleyan with 21 counters.

**Dave Van Nordheim**, K, Glenvil freshman—6 foot forward. Dave is a ball handler and defensive player.

**Bill Powell**, K, Ravenna freshman—6 foot 2 inch center. Bill shows promise of becoming a good post man. Handles himself quite well.

**Ed Smith**, K, Gandy junior—5 foot 10 inch forward. His first year on the varsity. Ed is a very clever ball handler. He led the scorers in the intra-mural league last year.

**Dave Jelden**, KK, Columbus sophomore—6 foot guard. Fast guard and a good rebound man. He is capable of scoring with his fast break technique.

**Bob Jelden**, K, Hildreth senior—6 foot 1 inch forward. This was Bob's first year on the varsity and he displayed steady improvement. Good offensive player.

**J. R. Pool**, KKK, Gibbon junior—5 foot 9 inch forward. Makes up for his lack of height by speed and shooting ability. He is very alert and takes advantage of all opportunities.

**Floyd Watts**, KK, Huntley junior—5 foot 9 inch guard. "Brick" is a fast rugged guard. He makes it rough on opponents all the time.

**Keith Lowe**, KK, Huntley senior—6 foot 1 inch center. Keith has an unusual hook shot that is hard to stop. He had an injured knee which held him down somewhat throughout the season.

Mike Monnington and Ed Smith seem to have trouble stopping the fine Peru team.

Big Paul Marzolf joined the exclusive "30" club as he racked up 32 points against Hastings as the Antelopes lost 62-50. The remainder of the team couldn't hit while Hastings was hot. Forward Sieckman and Center Smith scored 19 and 18 points respectively for Hastings.

With Marzolf scoring 18 points and Swanson and Smith playing good defensive ball, Kearney tripped York 58-46 in another conference tilt. Larson, York forward, led his teammates with 14 points.

Marzolf's 21 points was not good enough as Doane evened the series with Kearney by rapping out a 55-43 game at Crete. The game was a ragged contest on the part of both teams, and the victory was first for Doane in conference play.

Wesleyan, on its home court, won the second game between the 2 schools by a score of 58-45. Inability to hit the basket was the main cause of the Antelope's trouble. Miller, Wesleyan forward made 20 points for the Plainsmen.

Getting back to local floors seemed a tonic to the Morrisemen as they took a defensive battle from the Midland Warriors 48-39. Neither team had much success in hitting the basket and Monnington took scoring honors with 16 points.

For the second time this season the Antelopes defeated the Wayne Wildcats, this time 54-50 at Wayne. It was a close game throughout with the lead changing hands eight times. The win moved Kearney into 4th place in the NCC standings.

York and Kearney split their series this year as the Panthers roared back to take a 55-48 game from the locals at a game played at York. York's guard, Ebaugh's long shots kept the Kearney defense open as he dunked in 16 points. Swanson and Marzolf led Kearney who had the lead most of the game.

The masterful defensive work of "Ragweed" Murman as he held the vaunted Meeker to 6 points was not enough to stop the fine championship Peru team. Although Marzolf hit the net for 28 points, the Bobcats took home the long end of a 73-56 score.

Chuck Stickles, Hastings new guard sensation, dunked in 9 long shots and 5 gratis tosses for 23 points as the Broncos downed the Antelopes on the local hardwoods, 76-58. Hinkle countered 16 points to lead the Kearney scoring.

The Antelopes defeated the Midland team in Fremont to even their two beatings that they suffered at the hands of the Warriors last year. The improved Kearney team displayed some fine ball in trouncing the Midland five 73-58. Swanson had his best night of the season as he potted 17 points.

In a twin weekend billing, Kearney split a 2 game series with the Chadron Eagles. The West Staters won the first by a score of 56-54 in a loosely played game. The game was slow with the Antelopes unable to hit from the floor or the foul line. In the second, the Antelopes regained their basket eye and displayed a good brand of ball as they battered the Eagles, 69-53. Marzolf scored 36 points for the two contests

and Murman did a fine job as a defensive player. Larsen and Mankin led the Eagles.

The Peru Bobcats cinched the NCC title by winning a highly contested contest from the Antelopes 55-48 at a game played in Peru's new gym. The Antelopes played their best game of the season, but couldn't quite match the play of the Cats.

Seniors Mike Monnington, Bob Jelden and Keith Lowe played their last game in the uniform of Blue and Gold. The game was tied many times but Peru pulled away in the last minutes.

The three seniors will be missed next year, but Coach Morris will have 10 lettermen back and many promising B team men on which to build the team.

The Antelope "B" team wound up a good season winning five out of eight contests. Included were wins over Hastings, York, Pop Corn Trails of Grand Island, Oxford Town Team. Loses were to Hastings, PCT and Fort Hays.

Elmer "Ragweed" Murman makes a basket for 2 points in the Hastings game.

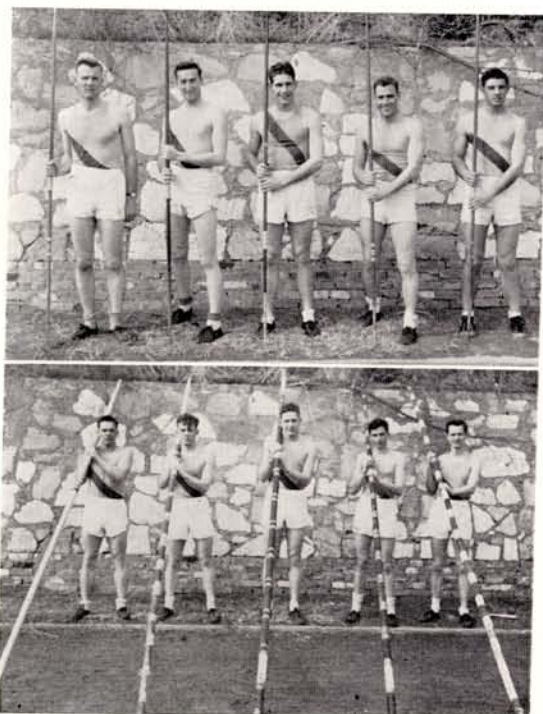

Ed Smith lays in a basket against Doane while Gerhardt and Hinkle watch helplessly.

Herm Hinkle's, freshman, flashy favorite, shot seemed blocked.

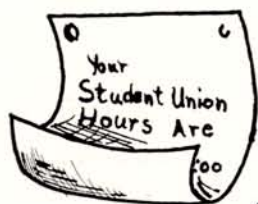

# Track

The javelin men—John Bartholomew, Keith Lowe, Mike Monnington, Ed Minnick, Eddie Staab.

The pole vaulters—Wesley Boggs, Russ Pope, Loren Swanson, Omer Latham, Chuck Lindley.

With three straight conference titles to their credit, and several members of the same squad returning, the 1950 cindermen could very well make it four in a row. With eight trackmeets scheduled, the twenty-two lettermen and many promising freshmen will have ample opportunity to prove themselves.

The crowning meet will be the NCC Championship Meet at Kearney, May 20 and 21. With the loss of stars Hauver, Foster, Walker, Rosenfelt, Stroud, Bacon, Ziegler, Simanek, V. Peterson, and Korte, Coach Foster will look toward such promising freshmen as Latham, Billy Moss, Staab, Powell, Hinkle, Boggs, Jim Anderson and James to replace them in point scoring.

The 1949 squad participated in five dual mets, winning over Chadron, York, Hastings (2) and losing to Fort Hays. The NCC meet held at Doane was easily won by the Antelopes as they scored 132 points. Kear-

ney also placed well in the Aberdeen Relays and the Kansas Relays.

New records set last year include:

Foster and Simanek: High Jump: 6 feet. NCC Meet.

Simanek: High Jump: 6 feet, 3¼ inches. NSTC.

Korte: Javelin: 182 feet, 4 inch. NSTC.

Leis: Discus: 140 feet, 9 inch NSTC; Shot: 45 feet, 47/8 inches. NSTC.

880 Yard Relay: 1:30.5. NSTC.

Mile Relay: 3:28.5. NSTC.

Peterson won the NCC high hurdles and Leis won the discus at the meet.

**The Shot Men:** Gene Turner and Jacque Evans.

Coach Leland Copeland

Assistant Coach Copeland has worked up a very intricate and workable intra-mural program at N.S.T.C. When he organized the intra-mural program, it was composed of eight teams in basketball. Now there are 20 basketball and several softball teams.

Coach Copeland went to Creighton, Nebraska High School, received his A. B., at Wayne State where he was an all-N.C.C. football player. He has attended the University of Washington, the University of Nebraska, and he received his Masters at Colorado State. He has also attended many coaching clinics.

Mr. Copeland has coached at Sargent, Gering, Tekamah, and Kearney before coming to N.S.T.C. His teams have always played well, while winning most of their games.

During the war, he taught an Army A.S.T.P. program at Terre Haute, Indiana.

He is married and has two daughters.

The Irishmen get the latest on how to play the game at one of the time outs. The Irish tied with the Long Shots for first place in the regular play.

## Intra-mural Basketball

*One hundred eighty men under the leadership of Coach Leland Copeland participated in Intramural Basketball program this winter. A twenty team league kept the men busy all winter and spring keeping in shape for track and football next year. The entire program is designed to teach prospective coaches a chance to show their wares, and keep all men who are unable to make varsity playing basketball and keep in physical trim.*

**THE LONG SHOTS:** Winners of the Intramural basketball race. **FRONT ROW:** Lloyd Howsden, Ralph Brostrom, Don McKenzie. **BACK ROW:** Coach Morris, Bill Long, Dayle Fitzke, Roger Hanson, and Cap Williams.

# Golf and Tennis

*Although these are minor sports, NSJC students follow these two activities with the greatest of interest. Many men turn out each spring for trials with the teams.*

**The Tennis Aspirants—First Row:** Bob Imming, Fred Abood, Dale Williams, James Rouse. **Second Row:** Johnnie Hendrix, Alan Welsh, Orlan Smith, John Lancaster, Jep Byrum.

Only three returning lettermen greeted Coach William Morris in golf this spring. They are Bob Daggett, Bob Baker and Don Hill. Jack Doty is the only letterman from last year's team who is not returning for competition this year.

The 1949 golfers wound up third in the N.C.C. championship competition with a score of 382. Hastings won the meet with a 349 score. Hill was low man for Kearney with a 90 score. They participated in three dual meets—defeating York 8-4; tying Hastings 6-6; and later losing to the Hastings team.

Some of the more promising material this spring includes William Powell and Wayne Bartruff.

On sunny spring days, the tennis courts are always crowded with aspirants working out for the tennis team. This year was no exception with many boys banging away with their rackets. Included were lettermen Johnnie Hendrix, J. J. Bryum, and prospects Bob Imming, Al Welch and John Lancaster along with the other members of the tennis class. Missing from the 1949 lettermen were "Tip" Edwards and Dave Young.

The 1949 team participated in three dual meets and the N.C.C. championship meet at Doane College.

**The Golf hopefuls—**Bob Moss, Bill Powell, Omer Latham, Don Hill, Bob Daggett, Bob Baker, Ed Harris, Veryle Anderson and Jim Doody.

THE DRUM MAJORETTES: Marilyn Shaw, Jackie Rothrock and Darlene James.

*To end a busy season in sports we present the Drum Majorettes and the embryo of the NSJC Baseball Team. On this page we are paying tribute to three girls that spend much of their time practicing and planning for the next exhibition at the next home football game. These men will become the core around which will be built another champion college sports team. Many of the men are great ball players in state league and will combine their prowess to give NSJC a great Baseball season.*

Another milestone has been reached at N.S.T.C. this spring. Baseball has been added to the list of competitive sports and will be open to all men. This announcement from Coach Morris was received with great enthusiasm. Home games with York College and Hastings College are scheduled to be played under the lights at Harmon Field.

Many promising candidates reported for the first practice. Among them were pitchers Staab, Lowe and A. Sintek; infielders Marzolf, Minnick, Bellinger, Dahlin, Clayton, Pope, Monnington, Hendrix and Rasmussen; catchers W. Sintek and Wiegand; and outfielders Mills, Imming, Cox, Martin and Knapple.

**FRONT ROW:** Johnnie Hendrix, Jerome Martin, Harry Mills, Duane Cox, Al Bellinger, Doc Knapple, Virgil Ferguson. **BACK ROW:** Wayne Sintek, Al Wiegand, Eddie Staab, Keith Lowe, Russ Pope, Ed Minnick, Arleigh Sintek, Dick Clayton.

# Vocational Rehabilitation

PHILLIP ABOOD

*Rehabilitating students who have been stricken with polio and other diseases and who are physically handicapped is the goal of this new course offered for the first time last fall.*

Under the direction of Phil Abood, students at N.S.T.C. who have suffered physical handicaps are being helped to regain their health and poise in the vocational rehabilitational course offered this year. Included in the course are swimming, water polo, cycling, exercise and massage, and general athletics adapted to each individual case. Phil, who is in charge of the course, has served as college life saver, coach of the swimming team, and in the summer is employed as swimming instructor by the City of Kearney. Attendance at this class is entirely voluntary, but each student who is handicapped is invited to attend the class which meets three times a week.

**IN THE POOL:** Phil Abood, Dwight Welsh. **SITTING:** Ed Schnoor, Dennis Keating, Tom Peabody, Lloyd Soffley and Bernard Staab. **ON THE BICYCLE:** Clarence Courtright.

# Dedication

This book is dedicated to and in memory of all students who have preceded us and will follow us at Nebraska State Teachers College at Kearney.

In the past 45 years, many Nebraskans have enrolled at NSJC and a great majority of these have graduated at Kearney. In the future hundreds and even thousands will enter this college for the purpose of gaining an education so that they can become better citizens and live a better life more useful for their county, state and federal government.

Those that have preceded us have already made a successful name in the realization of their ideals. Some of these graduates are college presidents, many are college professors at NSJC, some are successful political leaders, many are successful teachers, and many are successful in other forms of business.

This year marks the fortieth year of publication of the campus newspaper, "The Antelope." The Power of the Printed Word had held the students under its sway since 1908.

At the present time NSJC is embarking on a new sea. Last year the Nebraska legislature passed legislation giving the State Colleges the right to grant A. B. degrees. Although the main purpose of NSJC will still be teachers training, the advance of education is assured by the granting of Liberal Arts Degrees.

At the present time we are in the middle of a great building program. Last year a new heating plant was built and pressed into service. At the present time plans are being made for a new women's dormitory, men's dormitory, library building, manual arts building, and ever in the future, the Memorial Student Union.

We must not forget the present. Those students who are planning on becoming teachers, those who are preparing for other professions, and those who are preparing for other vocations, must be congratulated on their wise selection. The students who have made records in sports, speech, education, science, journalism, languages, and music have all helped to prove the Power of the Printed Word through their actions.

*Men, this section is one of  
the smallest in the book, but  
men run NSJC and the Power  
of the Printed Word.*

# Phi Tau Gamma

*1949-1950 was one of the most successful years in history for the Phi Taus. Included were Student Council victories, first place in homecoming floats, and a new past active organization.*
