Dedication

The 1959 Blue and Gold is dedicated to those men who gave their lives in the service of our country.

In memorial to those men, the alumni and students of Nebraska State College have given generously to build the Memorial Union, which was finished in 1958.

As we enter the halls of this beautiful, new building, let us not forget that it stands as a memorial to our buried heroes who gave their all, that we might live to appreciate the advantages of a college education.

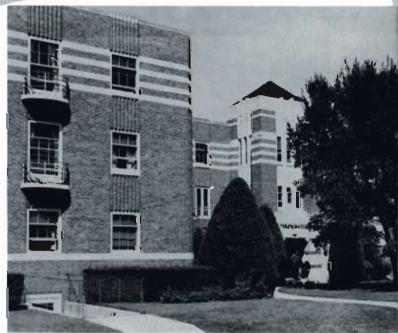

West Hall is one of the fine new dorms on campus. It is a men's dormitory, and was completed in 1958.

Campus

Green Terrace is the oldest hall on the NSC campus, and is now somewhat of a land-mark.

Men's Hall, housing 136 men, lost part of its occupants this fall as the cafeteria was moved to the new Memorial Union. Space formerly used for the Cafeteria is now being made into more rooms.

us Landmarks

North Hall, a dormitory for freshman women, was completed in 1957, at a cost of \$300,000.

Case Hall is another of the freshman women's dorms, and is a familiar college landmark.

Martin Hall is the home of the upperclass women on campus. Well known for its beautiful lounge, and friendly occupants.

Years of dreams, work, planning, and fund raising were ended this year as the Memorial Student Union became a reality. The one story brick structure, costing more than \$300,000, was completed so that occupancy could be taken in September, 1958. The cost of the building will be paid by alumni donations and by sale of revenue bonds.

Locafed in the building is a snack bar seating 95, a dining hall capable of seating 400 at one time, and offices for the Student Council, Antelope, Blue and Gold, and Union director. The lobby off the snack bar opens into the game room and lounge area.

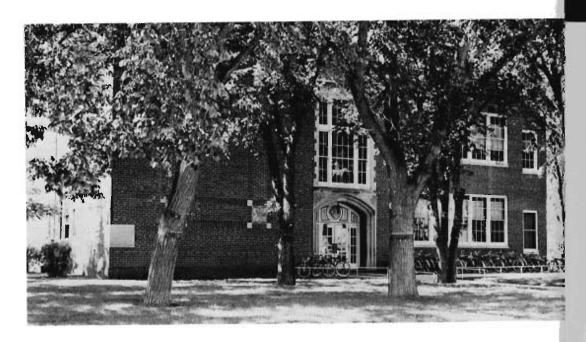

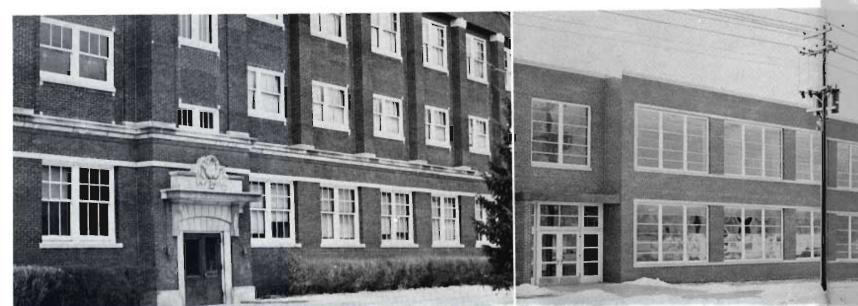

"The home away from home" is the slogan of the new Memorial Union.

The A. O. Thomas Campus School is well known for the training, of NSC elementary teachers.

Twenty students are enrolled in each of the grades from Kindergarten through Sixth.

NSC's famous "Crackerbox" gymnasium may soon be replaced by a long hoped for field house and stadium.

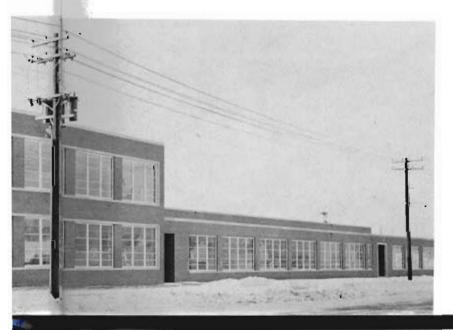

The Home Management house for NSC is known as one of the best managed households in the state. The home economics department majors call it home for nine weeks during their senior year.

The NSC Administration building contains many classrooms in addition to the many offices necessary for the administration of the college.

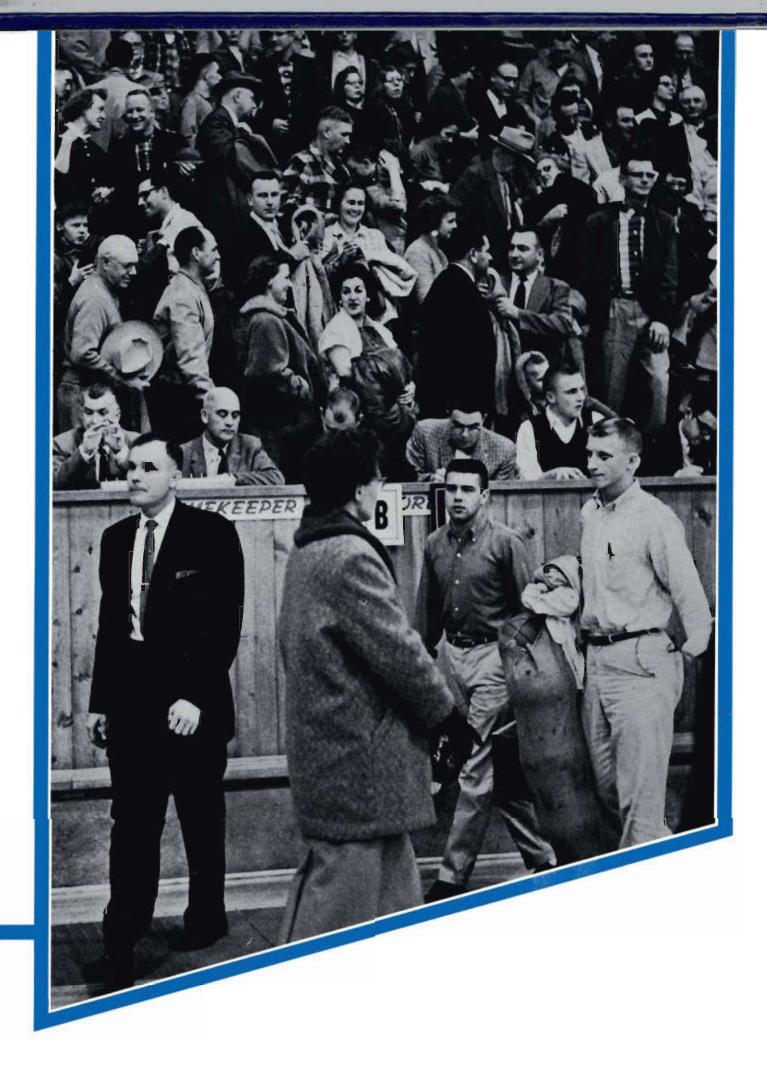

The Vocational Arts building, or "V.A.," as it is better known to the students, houses the Business, Industrial Arts, and Home Economics departments.

STUDENT LIFE

The Student Life at Nebraska State College at Kearney, Nebraska, is anything but dull. In the fall of the year, the big word on Campus is Homecoming. Homecoming floats, campus displays, and an air of festivity start the year out right.

Bronco Days, Homecoming, Freshman Week, and various other celebrations keep the students interested, and provide a release from the usual nightly studying.

In all, one might say that in Kearney, life is never dull.

"Those freshman orientation tests are surely time consuming." All freshmen are required to take a series of tests which will indicate the interests and abilities of the student.

Freshman students are entertained by the Student Council during the traditional Freshman Week. The punch was delicious.

They Call I

Each student is given a name card to pin on his coat, to help get acquainted.

The week before class registration is devoted to the freshmen and all new students, as a short course of orientation to college life.

The Student Council plays the part of host for this week, and provides a different type entertainment for each night. This year, it was dances, watermelon feeds, and picnics.

Of course, college life is not all play, and to prove this, the college gives all kinds of tests. There are tests to see what kind of vocation one should enter, and also tests to indicate one's ability in the various fields of education.

In all, the activities of freshman week are very enjoyable and educational.

Hopeful Waiting. Candidates for the 1958 Homecoming Queen were Judy Anderson, Marlys Ecklund, Alyce Sanderman, Janice Stone, and Donna Bradshaw.

"The best Homecoming I have ever attended." This remark was heard many times during the day of October 4, 1958.

The Homecoming activities climaxed many hours of careful preparations for this one day.

The day started with a parade up Central Avenue to the college. The parade centered around the colorful floats of the fraternities and sororities, accompanied by the bands of the surrounding high schools. The theme of the 1958 Homecoming was the space age.

Following the parade, most of the alumni and students attended the many luncheons and brunches provided by their "old" organizations.

"Down With Wayne," was the battle cry preceding the Homecoming game. The battle which followed was filled with excitement to the halftime when the Homecoming Queen was crowned by President Cushing.

ECOMING 1958

First Place Compus Display. Martin Hall won the first place in the 1958 Home-coming display competition.

The student body was well satisfied with the selection of Miss Alyce Sanderman, Lexington Senior. Miss Sanderman was presented the royal robe by Miss Pat Ott, who was the 1957 Homecoming Queen.

Also during the halftime break, the winning floats were announced to cap the waiting for the fraternities and sororities. The Omega Delta Pi fraternity won first place with their elevating rocket and panel board. The Tri Phi Fraternity placed second with a "Purple People-Eater," astride a large rocket. Third place was taken by the Sigma Theta Phi sorority with a huge white float.

The second half of the game was as well received as the first, if not more so. The final gun found the Kearney Antelopes out in front by some 56 points, while the Wildcats went home scoreless.

To end a perfect day, the new Student Union was the scene of the Homecoming Ball. Millard Musil and his orchestra provided the music, and most were ready to call it a day, when the balmy strains of "Good-Night," floated over the ballroom floor.

Tri-Phi's entry of a purple people-eater astride a rocket took second place in the float contest.

Third place was awarded to the Sigma Theta Phi for their colorful float depicting clouds.

The smokingest rocket of them all was the Delta Pi Beta's entry.

Space Minded Floats

The Caledonian Fraternity added beauty to their float while keeping with the Homecoming theme.

The Phi Tau Gamma float gave the parade a glimpse of an unearthly monster overlooking a football field.

This float entered by the Kappa Alpha Pi was typical of the Wayne football squad following the game.

Exhibition of outstanding school spirit is provided by two underclassmen.

Bronco Days Are New Highlight of Football Season.

"Man, talk about rivalry. This college sure has its share." Hastings College bore the brunt of this rivalry, when the Antelopes loped home, the winners, 35 to 13.

The rivalry between these two neighboring colleges has always been enough reason to paint up each other's campus, and in general try to be obnoxious.

On the NSC Campus, the week before the game on Friday is filled with beardgrowing and horseplay. This year, a few extras appeared in the form of an old shanty with a sign from the Hastings College Campus, proclaiming a "Welcome to Hastings College." Of course, one could not omit the presence of one "Senor Burro," who graced the lawn in front of the new Memorial Union for a few days.

Perhaps one of the highlights of the week was the Thursday night pep rally. Over 1000 students attended the hour long affair while logs, boxes, etc. burned.

In all, Bronco Days this year was a great success.

Fite, Kearney, Fite! The pep rally the night before the Hastings game.

Big hats are the mark of distinction this season. Ed Moore, Gary Johnson, and Jerry Journey.

This friendly little burro won the hearts of all the students on campus, and proved to be an excellent sport about the horseplay which took place around him. The one on the right is Denny Jackson.

Exchange Students

Bolivian exchange students are made welcome by Mr. Horner, as they make arrangements to attend NSC.

Registration is different in South America, but scholarships are still the same.

Miss Jeanine Goucher from Paris, France, goes western with the typical attire for Bronco Days. Miss Goucher is an exchange student, and was sponsored by Miss Phyllis Roberts of the Language Department.

Student teachers are shown giving the kindergarten students their breakfast at the A. O. Thomas school.

The A. O. Thomas children are amazed by the wonders of tape recording.

Stan Greene has been conducting the crafts program at the A. O. Thomas school. The children have done amazingly well considering their age.

S.U.A.C. members are shown assembling the Memorial Union's manual to be distributed to all the student body.

Some students take time out to enjoy the festivities of the season. In addition to the merriment enjoyed by all, it provides for an excellent release of surplus energy.

Members of the championship girls basketball team are dressed in uniform and wearing the smiles of the victor.

P.T.A. Scholarship Winners pictured below are top row, Stan Druse, Marian Teel, Jim Larson. Second Row: Rosalie Byran, Margaret Day, Joe Manhart. Third Row: Pat Moor, Carolyn Fankell, Lyndell Schutte. Bottom Row: Bob Wedge, Karen Worley, Judy Swalley.

During registration, all the dormitory students must pass this window and pay their fees. The checkbooks are out, and after this window is passed, the checkbook is empty.

Registration

After dorm rent is paid, the subject of the tuition fee comes up. The Bursar is happy to see the enrollment rise at NSC, and the tuition money rolls in.

This line is perhaps the most tedious of all since one cannot register without class cards, and it doesn't do any good to tell the girls that you are a senior, when really you are a freshman.

ADMINISTRATION

The various duties necessary to administrate a college the size of Nebraska State College are performed by the able faculty members and the administrative personnel.

The college motto, "Grow with a growing college," is an outstanding indication that our faculty ranks as one of the highest in the state.

Nebraska State College has the honor of having one of the ablest men in the state as its President. President Cushing has made the name of Nebraska State College a byword for the future teachers in this state.

Our faculty is willing to serve both as educators, and as helpers. In the picture on the opposite page, the faculty is shown in their annual job of preparing box lunches for the visiting bands during Homecoming.

President Cushing and his secretary, Beverly Haxby, go through the day's mail, and perform the many administrative duties necessary in Nebraska State College.

In his twenty-third year of service to Nebraska State College at Kearney, Nebraska, President Herbert L. Cushing has again maintained the high standards of the College.

His capable leadership, friendly smile, and intense interest in the students have endeared him to all connected with the college. His interest in student welfare, in building programs, and in the progressive growth of the college exemplifies the spirit that makes NSC the largest of the state colleges.

All the problems of 1600 students sooner or later find their way to the office of the respective dean. Each dean spends much time in consultation with each student during the school year.

Also part of their duties is the running of the student dormitories. They are responsible for assigning rooms, keeping the dorms quiet for studying, and various other duties.

Perhaps their busiest time comes just after down lists are distributed each six weeks as they attempt to talk personally with each student who is on the down lists.

ACTIVITIES

Activities on the NSC campus include all kinds of departmental activities. One may be a member of the marching band, chorus, college orchestra, choraleers, etc.

The cheerleaders and the Wagoneers make up the major part of those who work to improve team morale.

Jon York plays the part of Mr. Death, while Bob Friend, as Grandpa, expounds his views on the subject.

Gregg Barney, as Pug, and Grandpa Friend take part in a serious discussion.

Dino Rakes, Jim Waldmann, and Jackie Ortegren are shown during one of the more humorous scenes of "On Borrowed Time."

Bob Friend, Judy Funkhouser, Gregg Barney, and Garnet Peterson, are pictured in the living room of the play set.

Judie Funkhouser, Gil Feis, Jackie Ortegren and Larry Lechner are all dressed up and ready for another debate.

Speech Activities

Students interested in debate have found abundant opportunities at NSC, for few colleges in the nation can equal the record achieved by Kearney debaters and speakers.

NSC debaters and orators have traveled far and wide to participate in regional, state, and national tournaments. In addition to their many tournaments, the Kearney speakers are in demand by the local clubs and organizations.

In addition to debate and oratory, NSC provides opportunities for their speakers to take part in drama, radio broadcasting, and speech clinics.

Mr. Ahrendts and Larry Lechner receive another trophy for the NSC speech department.

Larry Lechner, Gil Feis, and Mr. Harold Ahrendts examine the latest addition to the trophy case.

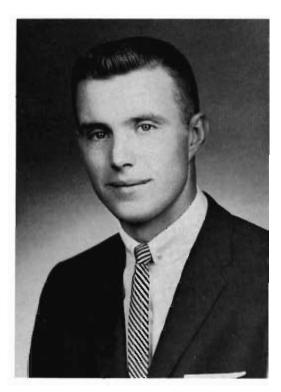

Roger has led the student body successfully for the 1959 school year. His responsible actions in the capacity of student council president reflects his ability in leadership.

Roger has taken part in many of the college plays and has been active in all phases of speech training. John Howard, Donna Siebler, Roger Farrar, and Bob O'Dell are shown in the 1958 production of "Brigadoon."

Senior Service Award

Meet Roger Farrar; chosen the outstanding senior of NSC for 1959.

Each year, the Blue and Gold sponsors an election for the outstanding senior boy and girl. The only electors are chosen from the faculty who are sponsors of organizations, or heads of departments.

Roger Farrar has been selected as the outstanding senior boy of NSC for his high ideals, and leadership abilities. He has done great service to the college, and has been one of the mainstays in the building of the student body.

Roger hails from Maywood, Nebraska, has played professional baseball, is an active member of the Phi Tau Gamma fraternity, and is known and liked by all.

Congratulations, Rog!

"Gigi" Goucher, Miriam Casanova, and Janice Doi with friend. France, Bolivia, and Hawaii have been well represented at NSC by these three wonderful girls.

Senior Service Award

Miss Janice Doi of Lihue, Kauai, T. H., has been selected as the outstanding senior girl of NSC for 1959.

Jan has been selected from the girls of the senior class for her academic achievements, friendliness, and her great part in bringing Hawaii and the United States together on this campus.

The students of NSC will miss the friendly smile and happy greeting of such a nice person as Jan. We are most happy to have Jan reign as outstanding senior girl for 1959.

Congratulations, Jan!

Meet Janice Doi; chosen the outstanding senior girl of NSC for 1959.

Wagoneers

The Wagoneers, who perform at athletic events, have become well known for their adroit maneuvers. The organization was founded in 1955 and is under the supervision of the Physical Education Department and the sponsorship of Miss Dorthy Orcutt.

Here the Wagoncers form one of their intricate maneuvers, a wagon wheel.

Choraleers

The Choraleers are a select group of approximately 45, who are chosen from the large college choir. Only the best voices of the college choir are qualified for Choraleers.

Each spring, the Choraleers go on tour to all the small towns in the area for their concert appearances.

Tryouts for Choraleers are held after the first semester to give a better selection of voices.

The Choraleers lead the procession at College commencement exercises.

BAND COUNCIL

Rosalie Bryan Pat Crewdson Larry Johnson Doug Metz Joan Neben

The NSC Marching Band stands at attention awaiting the signal to present one of their fine performances. The Band has kept up the morale of the entire college with their rousing presentations at the football games; well enough for the NSC gridders to tie for the NCC Championship.

Pictured left to right, JoDell Peterson, Karen Poland, Dennis Jackson, Linda Young. Pat Price, and Shirley Wilson.

Rosalie Bryan, Terry Cox, Shirley Wilson, and Bill Rizer compose the clarinet quartet of the NSC band.

John Howard and Joyce Bishop played their parts as though "Brigadoon" were indeed a factual happening. John played the part of Jeff Douglas, and Joyce was Meg Brockie.

Larry Dunbar was voted the outstanding supporting actor of "Brigadoon" for his portrayal of the old schoolmaster. Larry played the part Mr. Lundie.

For the final curtain call, the entire cast appeared on stage to receive the tremendous ovation from the faculty and students of NSC. Considering the perfection of the costuming, and the scenery, one might easily say that this was truly one of the best plays ever presented on the NSC campus.

Paul Norblade, Ronald Hosbach, Dennis MacPheeters, Terry Cox, Ron Nelson, Mary Stearns, Jim Waldmann, Garnette Peterson, Ralph Exstrom, and Jack Eggert are members of the cast of "The Lowland Sea."

GREEKS

All the social fraternities and sororities on campus are local organizations with hopes to soon become affiliated with a national frat or sorority.

The Delta Pi Beta sorority is the oldest of all the social organizations, having been formed in 1911.

Newest of the campus organizations is the Omega Delta Pi, which was formed in the fall of 1956.

Omega Delta Pi Pledge Class

Larry Dunbar, Allen Robinson, Dick Prascher, Dave Stewart, Steve O'Brien, Leslie Marshall, Max Beavers, Dale Gingenbach, and Dale Marquis are the members of the 1959 pledge class. Larry Dunbar was chosen to act as Chairman of the Omega Pledge Class.

Miss Pat Golus was chosen to reign as the 1959 Ivy Queen. Her attendants were Princess Jackie Johnson and Princess Bridget Ruzicka. Seated: Jackie Johnson, Pat Golus, and Bridget Ruzicka.

The Omega Delta Pi fraternity was formed in 1956 on the NSC campus at Kearney, Nebraska.

The goals of the Omega Delta Pi fraternity are to promote brotherhood and cooperation between its members, and to raise the ideals of friendship on campus.

The Ivy Ball is the annual rush dance, and the queen for each year is chosen. Frat smokers and a Spring Formal are some of the other fraternity functions.

The Omega Delta Pi took the honors in the 1958 Homecoming Parade when their float was chosen for first place.

The Sigma Theta Phi sorority filled the year of 1959 with notable successes. The Sigmas took third place in the Homecoming float contest with their beautiful white float depicting the space age in clouds.

The Ranch Dance provided entertainment for the Sigma actives and prospective pledges.

At the Butterfly Ball, Miss Marlyss Ecklund was crowned Queen. Miss Ecklund was crowned by last year's Queen, Miss Joanne Kivlign.

The Sigma Theta Phi sorority presented a skit at their annual Ranch Dance which featured the appearance of a celebrity; Matt Dillon, the Marshal at Dodge City.

Delta Pi Beta Pledges

The oldest social organization on campus is the Delta Pi Beta sorority. Organized in 1911 as the Juanita sorority, the name was changed to Delta Pi Beta in 1943. The purpose of the sorority is to promote fellowship, leadership, and scholarship. Yellow and white are the Delta colors.

The Delta arrow was aimed high this year as the girls planned for another successful year to add to their history.

The year was off to a good start when Alyce Sanderman was crowned Homecoming Queen. The Deltas also held their annual alumni homecoming brunch at this time.

The highlight of the year was the Holly Ball, the sorority's first rush party. Marlys Sunquist was crowned Holly Ball Queen.

Many sorority functions took place in the spring. A pledge tea was given by Mrs. Romayne Webster. The annual mother-daughter tea was also held.

The Deltas again participated in the Lily Parade, an annual drive for aid to crippled children.

The spring Cotton Ball brought the year's activities to a close. This year the Deltas had 17 actives and 22 pledges.

Mrs. Eileen Johnson was chosen to reign as Phi Tau Sweetheart.

Phi Taus Enjoy Successful Year

Members of Phi Tau Gamma, oldest fraternity on campus, enjoyed another rewarding year.

Twenty-two actives were joined by fifteen pledges during pledge season making the frat the right size for accomplishing the tasks which face the group.

Highlights of the year were the Homecoming Dance, Sweetheart Ball, and spring formal.

Phi Tau active Roger Farrar served as president of the Student Council and Doug Metz, Robbie Armagost, Neal Davis, and Charles Sheffield served as representative at large members of the Council.

Other members joined these men in participating in other campus activities. Phi Taus were active in drama, speech, music, football, track, basketball, and radio work on the campus.

Much work was done during the year by actives and Phi Tau alumni toward starting a chapter of the frat at another state teachers college here in Nebraska. Work also continued toward the purchase of a fraternity house.

The chief objective of this sorority is the upholding of the highest ideals of womanhood. Blue and white are the Kappa's colors.

December found the Kappa members preparing for the Rhapsody in Silver dance, their first rush party. In the spring they held their annual spring dance.

During the spring dance, Martia Stutheit was revealed as Kappa Queen for 1959.

This year the Kappas had 16 actives and 17 pledges.

SPORTS

Athletics at Nebraska State College attract over half the enrollment of the college since all freshmen are required to take physical education classes. In addition, over 100 men report for the football practices, over 250 men participate in the intramural basketball program, and 150 men turn out for track competition.

The sports program at Nebraska State fulfills one of the basic needs of human beings—exercise of the body. The success of the department's teachers and coaches is shown by the first place track, football, and cross country teams in conference competition.

Women are not left out, either, as they take part in volleyball, girls' basketball, dancing, swimming, Wagoneers, and seasonal sports.

OFFENSIVE TEAM members (kneeling) were Charlie Thorell, Bob Clay, Garey Yocum, Bill Welte, Jerry Ball, Marvin Schleeman, and Gary Welton. Backs are Gary Smidt. Gene Lawhead, Larry Jacobson, and Claire Boroff.

Football Squad Wins Nine, Are Conference Co-Champs

The 1958 edition of the Nebraska State College football squad again proved that NSC football is the best in Nebraska.

Coach Allen Zikmund's 1958 Antelopes completed an undefeated season—the second in three years—as they tromped nine opponents and scored 389 points to their opposition's 42.

Revenge was gained for the only defeat in the past three seasons as the team decisively drubbed Hastings 35 to 13.

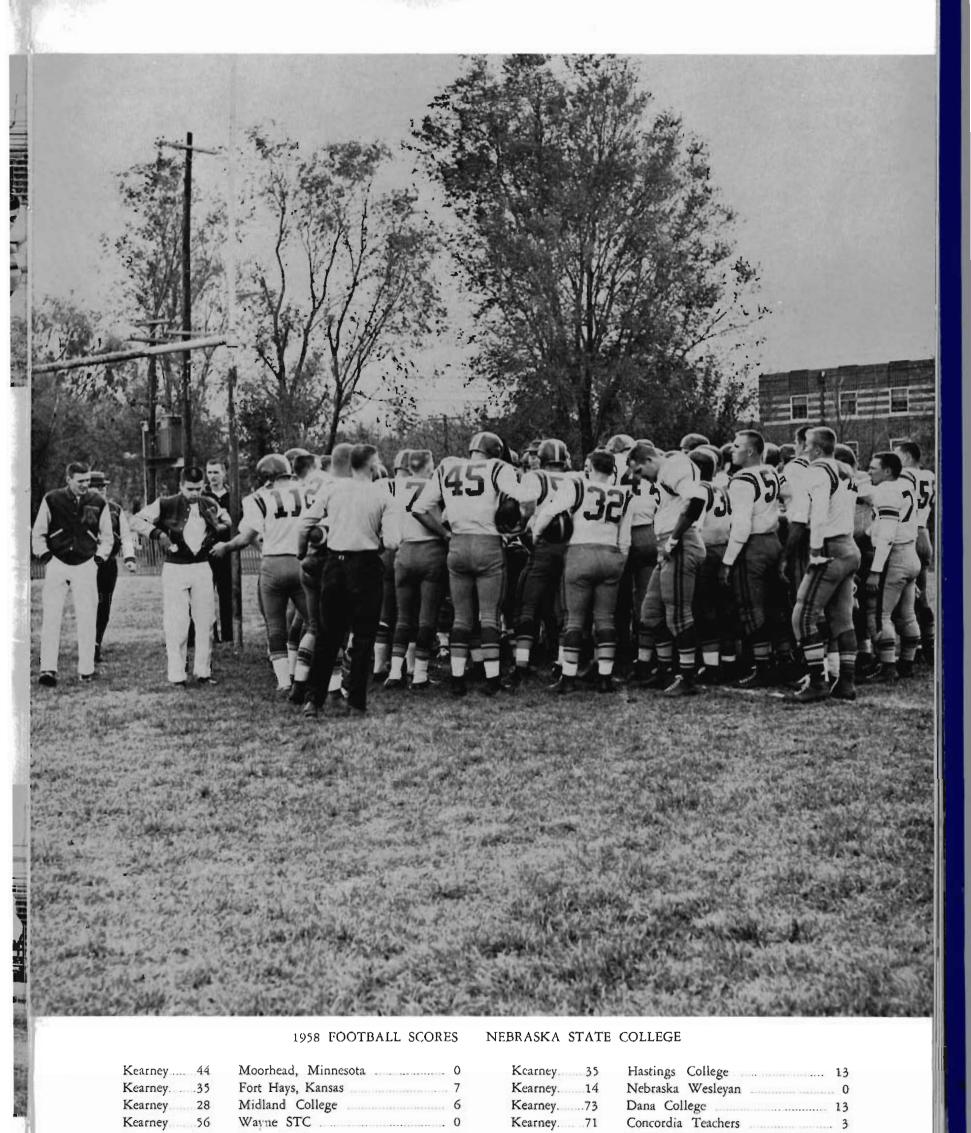

Defeated also were Moorhead, Minnesota, and Fort Hays, Kansas, as the coaches attempt to schedule more formidable opponents to try out the team's capabilities.

One time during the season, the team was rated as fifth in the nation in the NAIA poll. The team was also considered as a participant in the NAIA Holiday Bowl game in Florida. Coach Allen Zikmund was also considered as NAIA Coach of the Year.

Next year's team should be as good as this year's.

DEFENSIVE TEAM members (standing) were Wes Mosher, Gary Smidt, Bill Welte, Larry Jacobson, and Gary Johnson. Linemen were Don Wisch, Ollie Goa, Doug Marcy, Dick O'Neill, Chuck Bolton, and Jim Jacobs.

Coaching Staff

Handling the coaching chores for the 1958 Nebraska College Conference Co-Champions was Allen Zikmund, coach of the year in Nebraska Colleges. Assisting him were Les Livingston as chief scout and back coach and Leland Copeland as line coach.

Coach Zikmund is a graduate of the University of Nebraska. While an undergraduate student at NU, he played on the Rose Bowl team in 1941. He has coached at Alliance and Grand Island High Schools in addition to four years at NSC.

Watching the progress of the Concordia are Coaches Zikmund and Copeland.

Leland Copeland graduated at Wayne and coached at Gering and Sargent before moving to Kearney. He is director of the Intramural Program in basketball.

"B" Team Wins Two

Nearly forty men participated in the "B" Team games this year. Nearly all of these saw action in at least one quarter of the first team games.

The "B" Team season was limited to two games this fall as the other conference schools would not play the team. The two games were a "home and home" arrangement with the Fort Hays Tiger seconds. The first game at Hays saw the junior Antelopes victorious 26-6.

The second game found the Antelopes again winning by a score this time of 32 to 14. Forty-eight saw action in the second game as the coaches gave all suited up a chance to show their football prowess. It is difficult to name best players, though Harry Boss, Sherm Smith, and Jerry Journey looked good.

Antelopes Open Season by Dropping Moorhead 44-0

DRAGON STADIUM, MOORHEAD, MINNESOTA, September 13, 1958. TOO MUCH POWER was the key to Nebraska State's 44-0 victory over the Moorhead, Minnesota Dragons.

The hosts could make but three first downs, all in the first half against the invading Nebraskans.

Meanwhile the Antelopes ran and passed almost at will in a game played in a driving rain throughout.

Moorhead opened the game with a drive which took them to the Kearney seven yard line before it bogged down. The Kearney defensive line stiffened there and the Antelopes took over on downs. It took just five plays for the hard-running Kearney backs to score. Boroff ripped off a 44 yard run and Larry Jacobson slid off tackle for 26. To cap the march Gary Smidt scooted around end for nine yards and the first touchdown of the season. Gene Lawhead ran around end for two points to make the score 8-0.

Early in the second quarter, Lawhead scored on a four-yard plunge after a run by Jacobson had placed the ball in paydirt land. Moments later, defensive star Doug Marcy, starting his first game for NSC, blocked a Moorhead kick. This time Lawhead passed for eight yards to Jim Jacobs who was all alone in the end zone for a touchdown. Smidt ran for the extra points. Still in the quarter, Gary Johnson covered an opponent's fumble to give Kearney possession deep in Moorhead territory. Lawhead scored on a three-yard run.

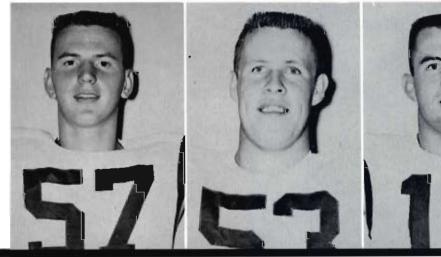

The Antelopes added two touchdowns in the third quarter. A pass to Smidt from Lawhead good for 28 yards scored the first counter. Jacobson ran for the extra points. Claire Boroff scored the final touchdown on a ten-yard sweep.

During the fourth quarter, the reserves saw action for fifteen minutes as Coach Allen Zikmund cleared the bench and gave all 41 who made the trip a chance to play.

Tigers Fall for Second Consecutive Year

COLLEGE STADIUM, SEPTEMBER 19. Fortynine gridders saw action as the Antelopes easily drubbed the Fort Hays Tigers, 35 to 7.

The game began as a great defensive battle as neither offensive unit was able to move against the opponent's defensive team. Fort Hays threatened early in the game as a Kansan pirated a Gene Lawhead pass on the Kearney 35 yard line. The visitors moved the ball to the NSC 12 yard line before Kearney took over on downs. In an exchange of punts, Bill Peck fielded the kick on the mid-field stripe and returned it to the Hays 25 yard line. Claire Boroff scored on a one-yard punch four plays later, and kicked the extra point.

During a majority of the second period, Kearney fumbles, penalties, and blocked kicks kept the hosts in hot water. Hays continually kept applying pressure, but was unable to score. The Antelopes did not fold under the pressure and with just one minute in the half scored again as Gary Smidt caught a Lawhead aerial on the eight yard line and bulled his way to the end zone. Boroff again converted.

The Antelopes struck quickly in the third period. In less than a minute and a half, they scored as Smidt took a Hays punt on his own 20 yard line and raced 80 yards to score. Boroff kicked the extra point.

The Tigers scored their only touchdown as Chuck Stegman blocked a Lawhead punt. Vernon picked up the bouncing ball and ran the 25 yards to score.

The final quarter saw Kearney scoring two touchdowns. Larry Jacobson caught a 20 yard pass from Lawhead, and Lawhead scored the other one on a one yard quarterback sneak. Boroff kicked both tries.

Warriors Score First Against Kearney

MEMORIAL STADIUM, FREMONT, SEPTEMBER 26. For the first time this season, the NSC Antelopes found themselves behind the opponents, as the Midland Warriors took an early 6-0 lead over the Kearneyites, but the touchdown served only to motivate the visitors.

Both teams were unable to move the ball much early in the game as punts featured the evening's play. Late in the opening quarter, Midland drove to the Kearney 35 yard line. On a fourth down pass play, the Warriors scored as a defending Antelope back batted the Midland aerial into the hands of a Lutheran end.

The Antelopes struck back with a vengeance as Larry Jacobson scored two touchdowns, one on a 32 yard run and the last on a pass from Gene Lawhead

Scoring the other two touchdowns, one each in the third and fourth quarters, were Claire Boroff and Don Wisch. Boroff added his counter on a 20 yard run while Wisch caught a nine yard pitch from Lawhead in the end zone. Boroff kicked all four extra points.

Lawhead's aerials kept the hosts on the defensive all evening as he connected with 10 of 22 for a total passing yardage of 153.

Defensively, Dave Duff, Grand Island frosh, and Wisch, Norfolk JC transfer, led the NSC ers.

All 33 men on the traveling squad saw action as Coach Allen Zikmund attempted to keep the score within respectful limits.

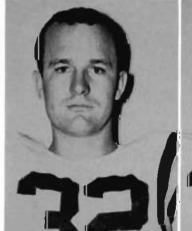

One more step and Gary Smidt will have his first down as Midland defenders close in on him. Paul Peterson seems hemmed in by Midland Warriors, but somehow he evaded the trap and made more yardage.

Wayne Is Humbled by "Up" Antelopes

COLLEGE STADIUM, OCTOBER 4. A standing room only crowd of returning alums and friends of the college gathered for the annual Homecoming festivities saw the football team definitely shatter the Homecoming game jinx which had shackled the teams for years as the NSC team tromped the Wayne Wildcats 56-0.

Actually at half time, the partisan crowd wondered if the jinx might still be in force as the hosts could manage only a 7-0 lead.

No one has decided just what sparked the second-half deluge. Some contend that the coaches gave the players the success formula during half time, while others feel that the turning point came early in the third quarter when a player from each team was ejected from the game for "boxing." Whatever the cause, the Antelopes started scoring and could not be stopped even after the coaches had cleared the bench and allowed everyone suited up for the contest to see action.

Scoring honors went to Jerry Rerucha with two touchdowns. He scored once on a spectacular 65 yard punt return and again on a six yard pass from Jack Wilson. Other scores were made by end Jim Jacobs and backs Gary Smidt, Gene Lawhead, Larry Jacobson, Ken Kuhn and Bob Campbell. Perhaps the most crowd pleasing one was Campbell's, as the shifty little speedster fielded a Wildcat punt on his own 48 yard line and threaded his way into the end zone for a 52 yard score. Boroff added seven conversions, Larry Holland kicked one, and Campbell caught a Don Patton pass for the other extra point.

Blocking on defense was outstanding as Gary Johnson and Bill Peck really "lowered the boom" on the visitors time after time.

Defensive standouts included Don Wisch, Dick O'Neill, Bill Welte, Chuck Bolton, Dave Duff, and Jerry Ball.

Antelopes Shut Out Doane Tigers 32-0

SIMON FIELD, CRETE, OCTOBER 11. Victory number five was earned by the Nebraska State College Antelopes here as they easily overran the Doane Tigers 32-0.

It was the first time since 1932 that the Antelopes had been able to hold the Doane squad scoreless.

Claire Boroff's conversion record of extra point kicks ended at 18, but he began another skein as he made two successful conversions after missing two.

The game saw Larry Jacobson as scoring leader as the "Homer Thunderbolt" scored two touchdowns, one on a three yard plunge, and the other on a 10 yard gallop. Other Antelopes scoring were Gary Smidt, Claire Boroff, and Don Wisch, receiver of a pass from Gene Lawhead.

Defensively, Dave Duff, Don Wisch, Jerry Ball, Bill Welte, Dick O'Neill, and Gary Johnson stood out.

The game statistics were even more decisive for the Kearney eleven. The visitors gained 277 yards rushing and 119 passing as contrasted to the Tigers 144 and 21.

Perhaps one thing which tended to keep the score down was the fact that the big game—the Hastings battle—was just one week away. The Hastings team was in the stands to watch the game so the Antelopes used nothing but straight plays, not caring to give the Bronco players the benefit of observing any new plays or changes in planning.

Scoring the first touchdown of the evening is "Homer Thunderbolt" Jacobson as he is two steps from the goal line.

Away for the end zone is Claire Boroff behind a line of friendly linemen. Yes, he went all the way.

Record Crowd Watches Antelopes Romp

COLLEGE STADIUM, OCTOBER 17. Revenge was sweet for the Nebraska State College Antelopes as the Zikmund coached squad erased their only loss during the past three seasons by decisively drubbing the Hastings College Broncos 35 to 13 before 4,500 fans.

Apparently the burning of an H in the middle of the Kearney gridiron infuriated the NSC football players to complete a success Bronco Week by downing the Broncs in a convincing manner.

Coach Allen Zikmund substituted freely in a fray as forty-four men saw action as contrasted to the only 16 men who were used by Hastings coach Tom McLaughlin.

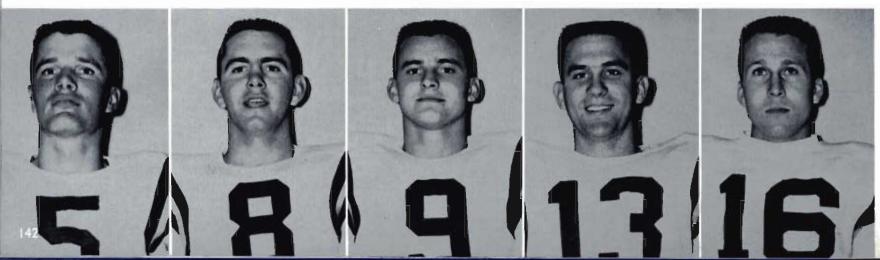

The Broncos won the toss and elected to receive. They drove to the NSC 28 where they lost the ball on downs. The Antelopes took over and drove to the HC six where they lost the ball on a fumble. Hastings was unable to move the ball and when they kicked, Don Wisch blocked it. Goa fell on the bouncing ball to put Kearney in scoring position. On the second play of second quarter, Gary Smidt threw a 24 yard pass to Charlie Thorell.

The second touchdown came moments later as Kearney moved 42 yards in nine plays as Boroff rolled the last one to score. On the ensuing kickoff, Hastings got back into the game as Ron Berry ran the ball back 94 yards.

The second half saw Kearney continue its mastery. The first score came as Lawhead passes set up the score before he sneaked six yards for the touchdown.

The final quarter found Kearney scoring to match its second quarter output. The first one came on an eight play, 64 yard drive. Jacobson ripped off runs of 28 and 2 yards before he scored. Minutes later Dick O'Neill blocked another Osborne punt and Jim Jacobs chased the ball across the goal line for a TD. Boroff kicked all the extra points.

At this point, Coach Zikmund substituted freely and Hastings scored against the reserves. Pequette took an Osborne pass in a play that covered over fifty yards.

Gridders Gain 500 Yards, Win 14-0

COLLEGE STADIUM, OCTOBER 24. The Nebraska Wesleyan Plainsmen threw a scare into the NSC Antelopes before they succumbed to the vaunted Kearney power 14-0.

The Antelopes were definitely hampered by the loss of ace-quarterback Gene Lawhead who was injured during the first series of plays in the opening quarter and had to leave the game. Coach Zikmund reached down in his reserves and came up with sophomore Nelson Hinkle as substitute for the injured field general. Also out-of-action were Gary Smidt, who was fighting a bout with virus pneumonia, and Bob Clay, who was on the sidelines with an injured knee.

With Hinkle taking over the quarterbacking chores, the Antelopes took nearly a half getting adjusted to his type of handoffs and passes. Once they became converted to his style of quarterbacking, they marched up and down the field at will. Their running and passing totaled nearly 500 yards, but they were unable to penetrate the Wesleyan end zones. Numerous times they nearly scored, but could not muster the "umph" to put the pigskin across the double stripe.

Scoring the first touchdown was Jerry Rerucha, who snagged a Hinkle aerial and sped into the end zone. The spectacular play covered 56 yards.

The Antelopes "iced" the game as Claire Boroff scored on an eight yard blast through the middle to end a 63 yard drive. Boroff also kicked both extra points.

Defensively Jim Jacobs, Ollie Goa, and Chuck Bolton led the parade.

The crowd at the game was rather small since the college students were at home during Teachers Convention.

This is no wrestling match, fellows, I want some help, says Larry Jacobson as he attempts to make a first down. He had the greatest night of his college career against the Plainsmen.

Scoring the clinching touchdown late in the game is Claire Boroff on an eight yard play.

Dana Is Dropped by 73-13 Score

VETERANS FIELD, BLAIR, OCTOBER 31. Halloween played tricks on the Dana College Vikings as the Nebraska State College Antelopes ran up a modern day college scoring record as they dumped a game, but small, Dana eleven 73-13.

Amassing the awesome total of 494 yards rushing and 134 passing, the Antelopes scored at ease with nine players joining in the scoring parade.

Claire Boroff led the scoring attack as he ran 97 yards, 16 yards, 57 yards, and caught a 61 yard touchdown pass to score four touchdowns. He kicked six extra points to score a total of 30 points. The points put him in first place in the NCC race and for one week first place in small colleges in the entire nation. The 97 yard run from scrimmage tied an all-time NAIA record for the longest touchdown play.

Other touchdowns were made by Charlie Thorell who caught a Hinkle pass; Gary Welton, also a receiver of an aerial; Ken Kuhn, Gary Johnson, Bill Peck, Jack Wilson, and Larry Jacobson, who scored twice. Bob Bishop scored the other extra point as he caught a pass from Gary Johnson.

All thirty-three men on the traveling squad saw action as Coach Allen Zikmund attempted to keep the score down. Actually the third unit, composed of sophomores and freshmen, played on even terms with the hosts even though they were unable to score.

The defense was led by Ollie Goa, Jim Jacobs, Bill Welte, and Don Wisch.

The Dana eleven was the first team all season to score on the Antelopes via the ground. The third unit allowed the score while the Viking's other counter came on a 35 yard pass on a fourth down and 30 yard play.

All told, the team gained a total of 628 yards.

Sixty-three See Action as Concordia Falls 71-3

COLLEGE STADIUM, NOVEMBER 7. The Nebraska State College Antelopes completed their second undefeated season in three years as they rolled over the Concordia Bulldogs in a 71-3 rout at Parent's Day attraction.

The game also saw the present win skein extended to 12 games. Not in 18 games have the Antelopes been defeated on their home field.

The 71 points brought the season total to an almost unbelievable 389 for nine games. Meanwhile the opponents were limited to just 42 points.

So complete was the Antelope mastery over the badly out-matched Bulldogs that the visitors could gain but two first downs, picking up three additional ones on NSC penalties.

Claire Boroff finished a great football career for NSC as he scored 22 points. These came on runs of five, seventeen, and thirty yards, and four extra point conversion tries. He ended the season with 121 points with 16 touchdowns, 35 of 40 extra point kicks and one two-point run in the Moorhead game.

Others joining the All-American backfield ace in the scoring column were Charlie Thorell, who caught two touchdown passes, one from Nelson Hinkle and one from Gene Lawhead; Jerry Rerucha, Bob Campbell, Bob Bishop, Larry Jacobson, Steve Kraus, an 80 yard run on a lateral from Gary Johnson; Chuck Evans who snagged a Harry Boss aerial; and Gary Johnson, who kicked an extra point.

All told sixty-three players saw action in the affair as everyone suited up for action played at least one quarter.

Defensively, Bill Welte, Gary Johnson, Jim Jacobs, Doug Marcy, and Don Patton stood out.

Attempting to score with an intercepted aerial is center Wes Mosher. Jim Jacobs clears interference for him.

Although he was feeling the effects of a bout with the flu, Larry Jacobson shows his great running form against the Bulldogs.

Driving in for the first basket of the 1958-59 season is Gary Smidt in the Lincoln tourney.

Fort Hays Dumps Antelopes 69-46

Kearney played their first "home" game in Axtell as they tangled with the Fort Hays Tigers. The seasoned Kansans displayed a balanced attack as they bombarded the Antelopes.

The Fort Hays crew averaged 6 feet 5 inches and used their height to a great advantage against the short NSC'ers.

They also showed the effects of having worked together for some time and won with ease.

For Kearney, Smidt again hit 18 points to lead his teammates. Next high scorer was Collison with 6.

Basketball Squad Takes Fourth Place in NAIA Tip Off Tourney in Lincoln

Inexperience hurt the Antelopes in the games in the NAIA Tip Off Tourney in Lincoln on December 2 and 3. Coach Les Livingston's crew drew a bye in the first evening's games, and advanced to the second round contest against the Doane Tigers.

Inability to handle the ball and poor rebounding also contributed to a 59 to 51 defeat at the hands of the Crete five. The game was played in the new spacious Pershing Memorial Auditorium.

Scoring honors for Kearney went to Gary Smidt and Paul Collison both of whom hit for 18 points. The Antelopes trailed the entire first half and were behind at half time 34 to 29. The NSC'ers finally tied the game at 49-49 before the Doane crew pulled away to win.

Playing in the consolation bracket for third place, the Antelopes were dumped again, this time by Midland.

This contest saw the Antelopes showing a much better squad effort as the previous night's game aided materially in culling the errors.

Defeat can be attributed to the Midland team's height as they averaged five inches per man taller than the NSC crew.

The team trailed throughout the entire game, many times by margin of over ten points. Late in the final half, however, they pulled to within three points before Midland pulled away to win. For Kearney Smidt had 16 points, and Collison and Harry Boss each had 12. Again, Coach Les Livingston played seventeen men as he gave all men on the traveling squad a chance to play.

Reaching for the basket in the Lincoln tourney is Paul Collison while Doane defenders watch.

Antelopes Dump Colorado Mines for First Win

A long road trip proved to be a tonic for the three-times beaten Kearney crew as they journeyed to Golden, Colorado to battle the Colorado School of Mines.

Again it was the wizardy of Gary Smidt that led the Antelopes. He potted 21 points including a perfect nine for nine at the free throw line. Collison again was second man in line with 15 markers.

The Antelopes led most of the game, although a last second shot at the first half buzzer gave the Miners a 22 to 21 lead. The visitors went back into the lead early in the second half and stayed ahead for the 20 minutes of play to win 52 to 47.

The game was the final non-conference game of the Antelopes.

Midland Repeats Win Over Antelopes; Kearney Outraces Concordia in Pre-Christmas Games

The Midland Warriors continued their mastery over the Antelopes as they beat the traveling Kearney crew 87-77 in a game played at Fremont.

Again, it was a matter of too much height for the short Kearney five as the Midland team controlled both backboards, never giving the locals much of a chance for a second shot.

Dennis Groves led all scorers as he hit for 26 points for the hometown team. For Kearney, Smidt and Collison each made eleven while Bill Peck connected for 10.

During most of the game the Warriors maintained a 10 to 15 point lead, although Paul Collison led a last half surge that pulled the Antelopes to within six points at 79 to 73, but the Warriors blunted the drive.

Going up for two points on a drive in shot is Gary Smidt as two Midland defenders attempt to block his shot.

Victory number one in conference play came at the expense of the Concordía Bulldogs. The game was a rough affair as the referees called 51 fouls during the game.

For Kearney, the game came hard as they trailed the home town Seward crew led for 30 minutes of the game. This game saw Smidt being outscored for the first time during the season as Collison hit 20 to his 19.

Collison was hot on the boards too as he cleared both boards for the Antelopes. Others helping out were Don Nelson, Bill Peck, George Haun, and Tom Williams.

Cagers Continue Winning Ways Against Wesleyan, Doane, Wayne

Christmas layoff did not hurt the Kearney basketball squad as much as some had feared as the team began where they left off as they dumped a Nebraska Wesleyan outfit 70 to 67 in a home game played in Minden.

Gary Smidt scored 36 points in the upset to set a single game college record. He was assisted by Collison who hit 12.

The game was a nip and tuck battle all the way as one team and then the other would gain a lead only to see the opponents battle back.

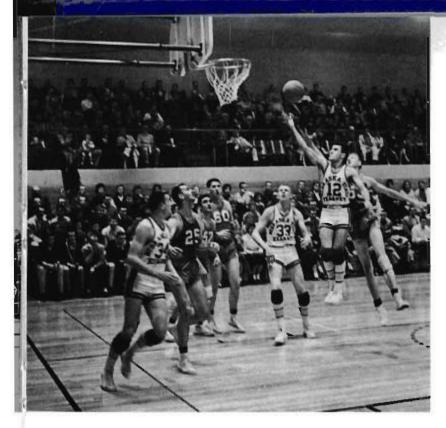

For the first time all season, Coach Les Livingston could breathe easily as the Antelopes easily dumped the Doane Tigers 78 to 60 to gain revenge for the NAIA defeat.

Sixteen NSC'ers saw action as the home towners raced to a 41 to 33 half time lead and won going away. Again, it was Smidt who was high point man, this time getting 27 points. George Haun hit 11 and played a fine defensive game.

Traveling from Holdrege to Axtell, the NSC'ers had a hard time defeating the Wayne Wildcats, but finally pulled the game out of the fire 73 to 64 as Smidt again hit for 27 points.

The Wayne five gave the Antelopes a hard battle the first half and kept the Kearney crew from getting any lead at all. Defensively, George Haun, Nelson Hinkle and Gary Welton looked the best of the season.

The game was watched by a sparse crowd as the student body decided that suitcases were more important than a basketball game.

George Haun out jumps the skyscrapers from Peru to score against the Bobcats. Watching is Paul Collison.

Antelopes Upset Peru 85 to 82; Gain Revenge Over Midland

In the top game of the season up to that point, the Nebraska State College Antelopes upset the high flying Peru Bobcats 85 to 82 in a home game played at Axtell.

The Peru team averaged a little better than six feet four inches tall and had much height over every NSC player who played opposite them. However, desire and drive overcame the handicap and the Antelopes fought to an 85 to 82 well-deserved win.

A jammed pack gymnasium crowd cheered the team to victory as the pep and cheering generated topped all season's efforts also.

The Antelopes won the game the difficult way, coming from 13 points behind midway in the second half. The Peru five led 61 to 48 before the Kearneyites made their big push. The Peruvians again met the challenge with the score 63 to 57 to pull away 68 to 61, before the hosts scored 14 straight points to ice the game.

For Kearney Smidt again led scorers with 24 points. Others in the double column were Haun, 19; Hinkle, 10; and Collison, 10.

Effects of the struggle against Peru could be seen the following evening as the Antelopes played the Midland Warriors at Minden. Held to a slim 34 to 30 lead at rest-time, the Antelopes burst out in the second half to smother the Fremont five 79 to 59.

The game revenged the Kearney loss to the Midland five in December and allowed them to take over first place in the Nebraska College Conference race.

Thirteen players saw action in the fray as Smidt again led the scorers with 19 counters. He was aided by Collison with 15 and Haun with 10.

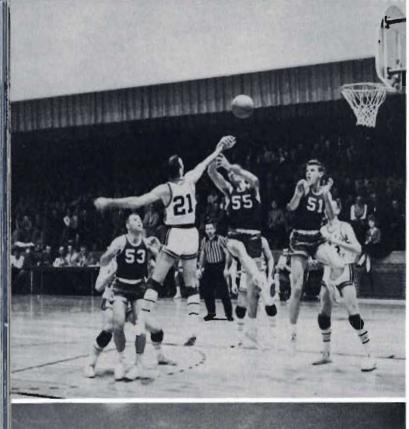

This game ended first semester competition for the team as the semester examination schedule cancelled games for the remainder of the semester.

Bill Peck jumps from the lane to connect for 2 against the Eagles. NSC'ers watching are Smidt, Hinkle and Collison.

Antelopes Split With Chadron; Easily Defeat Hastings Broncos

The Chadron Eagles ended the modest Nebraska State win streak at 6 games as they dumped the Antelopes 68 to 63 in a home game played at Axtell.

The inability of the Kearneyites to hit free throws contributed to the defeat as the Eagles put the pressure on Gary Smidt and held him to 16 points. Bill Peck was second high point man with 13 points as he played his best game of the season. For Chadron, Rod Borders led with 20 points.

Kearney led through most of the first half and left the floor at half time leading 32 to 30.

The second game of the two was held in Ainsworth. The 1,600 people who saw the game was the largest ever to view a NSC basketball tilt.

Kearney squared the series with a 75 to 73 squeaker over the Eagles, Gary Smidt hit the winning basket with a jump shot taken with three seconds remaining in the game.

The game was a crowd pleaser all the way as neither team could gain a commanding lead. The biggest lead came with 2 minutes remaining when NSC went into a 66-60 lead.

Smidt led all scorers with 34 points, while Mel Stuckey was high point man for the Chadron team with 20. George Haun pleased his home town fans as he collected 10 points for the Antelopes.

A capacity crowd jammed the Minden High School gym to watch the Antelopes face their old rival, the Hastings College Broncos. Those in attendance saw a typical NSC-Hastings battle as each team led at times throughout the battle only to see the opposition sweep back into the top spot.

Gary Smidt hit for 21 points, Paul Collison, 17; Bill Peck and George Haun kept the Hastings shooters at bay; and the entire team saw action as Coach Les Livingston gave all those suited up a chance to see action.

Hastings' Tom Osborne was held to just four points by the fine defensive play of the Antelopes. High point men for the Broncos were Mort Fuller and Tom Pawloski with 16 points each.

Kearney led 41 to 36 at half time and with 2 minutes remaining had a 74 to 64 margin to win 76 to 71.

Breaking the Broncos was accomplished mainly on fast breaks and sweeping of both boards.

Nelson Hinkle drives in for a basket against the Eagles in the Axtell game. In the background Gene Lawhead watches, while Gary Welton waits to rebound if needed.

George Haun drives in and lays one up against the Hastings College defenders. Waiting for a rebound that didn't materialize is Paul Collison.

With the score tied at 57-57, Gary Smidt puts the Antelopes out front as he makes his favorite jump shot over Hastings defender Larry White.

Wayne Wildcats Eke Past Antelopes, 78 to 75

Kearney's first road trip of second semester play was disastrous for the Antelopes as the Wayne State Wildcats eased past the NSC'ers 78 to 75 in a game played in Wayne's spacious new \$750,000 gym.

Again, it was the Antelopes' inability to cash in on free throws that caused their defeat. Both teams hit the same number of baskets but Wayne's 17 of 20 chances at the free throw line in the second half gave them the victory.

Paul Collison led Kearney scorers with 22 points. Gary Smidt had 18 and George Haun 16. Bob Moore led Wayne with 28.

Wesleyan Plainsmen Jolt Kearney 73 to 55.

Gaining revenge for a January defeat was quite easy for the Nebraska Wesleyan University Plainsmen as they swept past the Antelopes 73 to 55 in a game played in Lincoln.

Definitely tired from playing five games in eight days, the Antelopes were no match for the Lincoln crew.

The home towners were aided by questionable officiating, but the officiating did not defeat the NSC'ers.

For Kearney, Gary Smidt hit 18 points. Paul Collison was second with 11.

The Kearney defense held Rudy Stoehr, NWU ace, to just 17 points compared to his forty the night before.

Wesleyan was led by Bob Eberspacher who hit from the corner for 23 markers.

The Plainsmen played without the services of Arvid Barney who was not eligible because he had failed to pass 12 hours of work during the first semester.

Antelopes Race Past Doane Tigers, 92 to 78

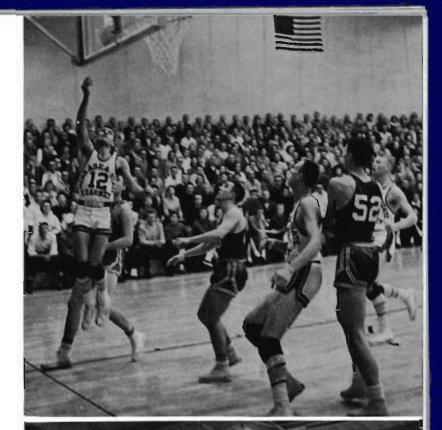

The second week end on the road found the NSC cagers splitting two contests as they easily dumped the Doane five 92 to 78 and lost to Peru.

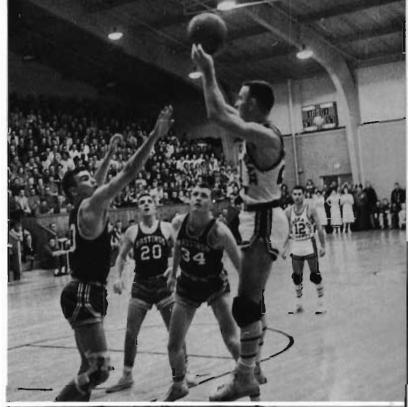

There were few unbelievers in the Crete gym that the Antelopes did not have rights to be the highest scoring team in the conference as the Kearney squad took an early lead and almost named the final score as all 12 men on the traveling squad saw action in both halves.

Free throws aided the NSC cause as the members hit for 30 of a possible 40 points from the charity line.

Leading scorers for the Antelopes were Gary Smidt with 26, Paul Collison with 13, and George Haun and Paul Robinson with 12 each. Jim Bruning was best scorer of the evening as he made 31.

Fighting for a rebound in the NSC-Wayne contest are Nelson Hinkle (31) and Gary Welton (35) although Wayne's Raichow seemed to have the ball in his grasp.

Gary Smidt gets off a shot against his scoring challenger, Rudy Stoehr, in the Kearney-Wesleyan game.

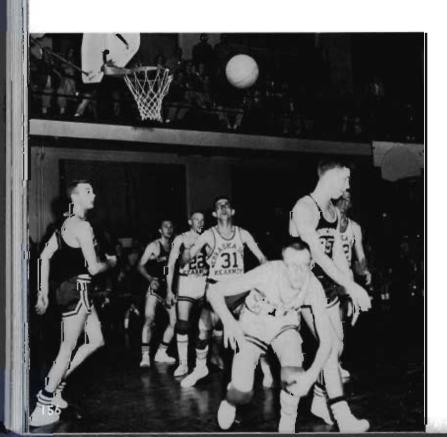

Peru revenged their first NCC defeat and set a new college scoring record as they dumped the NSC five, 110 to 74 in a game played on the campus of the thousand oaks.

With the Nebraska University "transfers," Mayo and Johnson, leading the way, Peru hit an almost unbelievable 25 of 38 attempts from the field in the first half and led 60 to 31 at the midway point.

Paul Collison played his best game of the season as he battled the taller Peruvians to a standstill on the boards and hit for 29 points. Gary Smidt collected 14 points and played his best defensive game of the year.

Mayo hit for 28 and Johnson for 27 as two other Bobcats hit for the double figure marks also.

Driving in and attempting a lay-in is "Tall Paul" Collison as Wesleyan defenders surround him.

"Home" Game Puts Kearney Past Concordia, 96 to 78

In what might be the final inter-collegiate game to be played in the "crackerbox" gym on the NSC campus, the Antelopes toyed with the Concordia Bulldogs and won an easy 96 to 78 victory.

Coach Les Livingston played 14 men in the fray as all but one man who suited up saw action.

The game was strictly no contest from the start as the Antelopes raced to a 15 to 2 lead and won with the score as they pleased.

After watching the team play in the nearby spacious high school gyms, the NSC small outmoded facilities made the crowd realize how inadequate the present plant really is.

Dick Petri, Concordia ace, led all point makers with 23 markers. NSC scoring leader, Gary Smidt, followed with 22. Haun had 10 for the Antelopes.

Smidt Leads Antelopes Past Vikings, 96 to 59

Gary Smidt hit for 33 points in 23 minutes of play as he led the Antelopes to an easy 96 to 59 trouncing of the Dana College Vikings.

Playing in his final home contest for the "Blue and Gold," Smidt showed why he is the all-time NSC scorer. His jump shots and hook shots continually kept the pressure on the outmanned Dana team.

Coach Les Livingston substituted freely as the second and third fives saw more action than did some of the starters.

Smidt was assisted by Paul Collison who hit 14 points and did a masterful job of sweeping both the offensive and defensive backboards.

The Antelopes hit a 53% of their shots, while the Vikings could make but 26% of theirs.

What's the ball doing up there? Bill Peck (22), Tom Williams (31) and Harry Boss see action against Concordia.

Antelopes Upset Hastings Broncos at Home, 73-72.

With Paul Collison tying up the game with six seconds remaining, the Antelopes won the second game between NSC and Hastings as Gary Smidt sunk a 20 foot jump shot with five seconds remaining in the overtime.

The game had been an uphill struggle for the Livingston coached crew as they had led only twice in the entire 45 minutes of play. In fact they had fought back from nine point deficits several times.

A turn-away crowd of 1,500 saw the Antelopes win the spinetingling contest and keep the school's victory skein over the Broncos intact.

Gary Smidt tied the college scoring record of 465 points in one season as he hit for 21 points. Second in scoring was Paul Collison who hit for 17. George Haun and Paul Robinson also contributed to the victory.

Cagers End Conference Play With 70-68 Loss to Dana

Definitely tired from the battle with the Hastings five and a long road trip to Blair, the Antelopes dropped the final conference tilt to the Dana College squad, 70 to 68.

Gary Smidt hit 20 points to become a NSC record holder as he scored 413 points in NCC play and 485 points in regular season play. Paul Collison pulled off 25 rebounds and scored 14 points to help the Antelope cause. George Haun also scored in the double figures column with 11 tallies.

The Antelopes led throughout a majority of the game and had a 62 to 54 lead with 6 minutes to play. They failed to score for the next five minutes and Dana hit free throws to turn in the upset.

Shooting is NSC's record holder, Gary Smidt, as he connects for his 467th point of the year to break the single year scoring record. Action is in the Dana College gym.

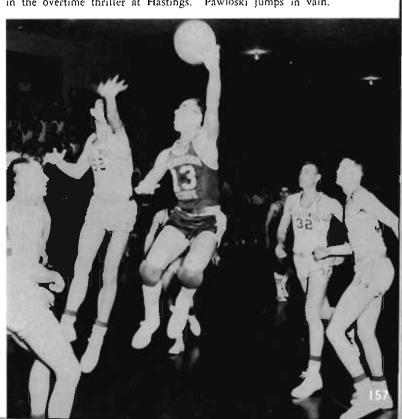

Peru Edges Antelopes in NAIA Playoff

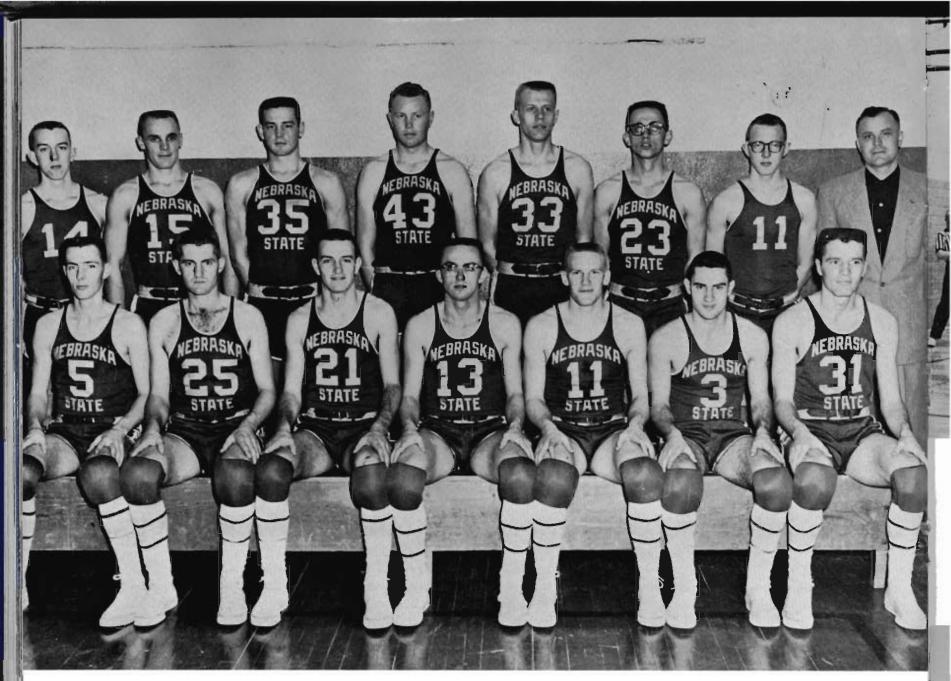

After tying Hastings for fourth place in the NCC, the Antelopes entered the NAIA playoff as they won the flip of the coin in a ceremony on the main streets of Kenesaw.

The NSC crew gained revenge for their 110-74 defeat at the hands of the Peru five as they held the NCC champs to a 72 to 68 win. The locals led at the half 38 to 37 and gave the Bobcats a hard evening.

Paul Collison led the scorers with 21 points, while Gary Smidt swished the nets for 18. Playing his best game of the season was Jerry Bydalek who battled Bob Mayo point for point during the first half. Others looking good were Haun and Robinson.

Antelopes Capture Fourth Place in NCC

Even the most optimistic basketball fan of Nebraska State would not have foreseen a fourth place finish for the Antelopes when the season began in December. Missing from last year's squad were LeRoy Sprague, Gene Armstrong, Bill Beavers, Dick Wiegand, and Jim Hansen. With the loss of these five, the height of the team also dropped.

The beginning lineup at the end of the season found just one player over six feet in the lineup. The team made up in scrap and floor work what they gave up in height. Never in one game all season did the members give up and concede the game to opponents.

The cagers dropped both games in the NAIA Tip-off tourney and team fans saw a losing season. However, the team showed their opponents and fans that they were out to equal last season's fourth place finish when they put together a seven game win-streak during January play.

All games except one were played on the road, the Concordia tilt being played in the home gym. For the season's play, the Antelopes traveled 345 miles to play their home contests and 1760 on the road for over 2,100 miles all season.

NSC's Gary Smidt took the league scoring crown for the second consecutive year as he scored 413 points to outscore his much taller opponents.

The team as a unit also led the league in total points scored. For all 23 games during the season, they averaged 72.5 points per contest. Graduating will be Smidt, Paul Robinson, and Jerry Bydalek.

With eleven returnees from the first team and ten on the "B" Team, the team next year should be as good as this year's.

Alley Cats Win Intramural Basketball Trophy

For the second consecutive year, the Alley Cats basketball squad has won the Intramural basketball league playoff.

This year there were 350 men on 32 teams in four leagues. The entire set-up was supervised by Mr. Leland Copeland.

First and second place teams in each league played a double-elimination tourney to end the season in late February. Teams in the tourney were Jokers and Crackerjacks from the Ivy League, Ball Hogs and Tri Phi Whites from the American League, Kingsmen and Klone's from the National League, and from the Western League came the Alley Cats and the Big H's.

The final game of the tournament found the Alley Cats easily

tromping the Klone's five by a 69 to 50 count as Gary Johnson hit for 28 points.

Scoring leader in the regular season play was Roger Lahm, Sumner sophomore, who played for Intervarsity No. 2 team. He scorched the cords for 135 points for a team that ended up in the bottom half of its league.

Leading scorer in the playoff game was Gary Johnson who made 85 in four games. Second was Charles Sheffield who made 69 points for the Jokers.

The number of teams and number of men participating both set a school record.

Watching to see if Gary Johnson's (8) shot goes through the nets are other members of the Alley Cats and Klone's in the championship game in the Intramural League finals. Johnson was top scorer in the tournament as he hit 21.2 average in four contests.

Ken Cook (6) watches as Bob Jennings (50) shoots as Bill Ziegler (4) attempts to block the shot in the final game. Jennings played for the Klone's team while the other two were Alley Cats team members.

"It's Fun to Run With the Champions"

Action in the Nebraska College Conference meet last spring in Fremont finds Bob Miller and Tom Williams doing their best to win in the low hurdles event. Both men placed in the final placings of the meet,

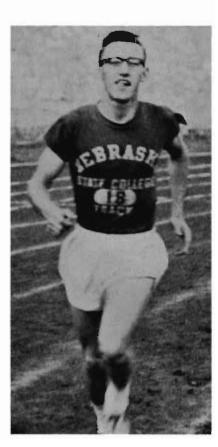

Can the Nebraska State College Antelopes win an unprecedented sixth consecutive NCC track title?

Coach Charlie Foster greeted over 125 track aspirants when he called the beginning of the cinder season in February. Included in those who reported were some thirty lettermen who had been members of previous championship teams.

With such a depth of material available, coaches were truly expecting an NCC title.

JERRY JOURNEY 440, Mile Relay

BOB MILLER Low Hurdles, 880 Relay

Bob Miller, sprinter, was caught by the camera in the NCC meet also.

LARRY SNELL Mile, Two Mile

LARRY SOHRWEID 440, Mile Relay

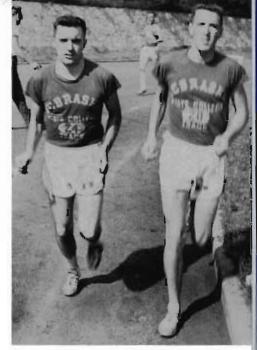

Each spring, "K" Club members chose a "K" Club Queen. The winning beauty is announced during the Kearney High School Invitational Track Meet. Last year's queen, Elaine Morgan Boyle, is flanked by Barbara Owens Moore and Elaine Mesloh Mills.

LARRY GIANAKOS 100, 220 Dash

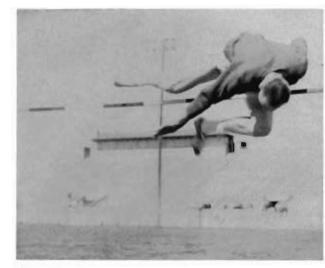

Steven Krause, freshman, shows his form going over the pole vault bar early in the season.

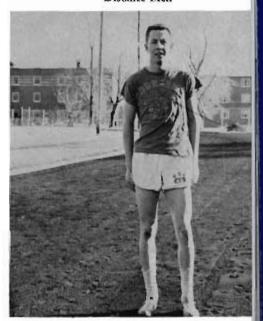

JERRY KING, DALE HARSIN Distance Men

TUCK MASON Middle Distances

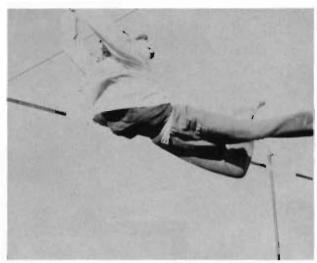

Gene Lawhead, college high jump record holder, goes over the bar in the Kearney-Fort Hays dual last spring.

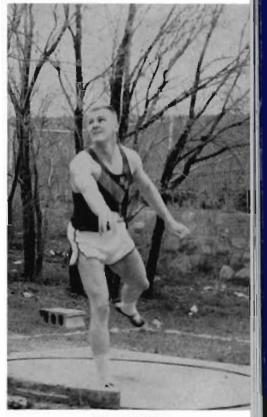

LARRY HOUTZ 440 Dash

GIL FEIS High Jump

Merlin Lawerence, Alliance frosh, easily goes over the vault bar during March workouts.

JIM JACOBS Shot Put

DAN BARRY Shot Put

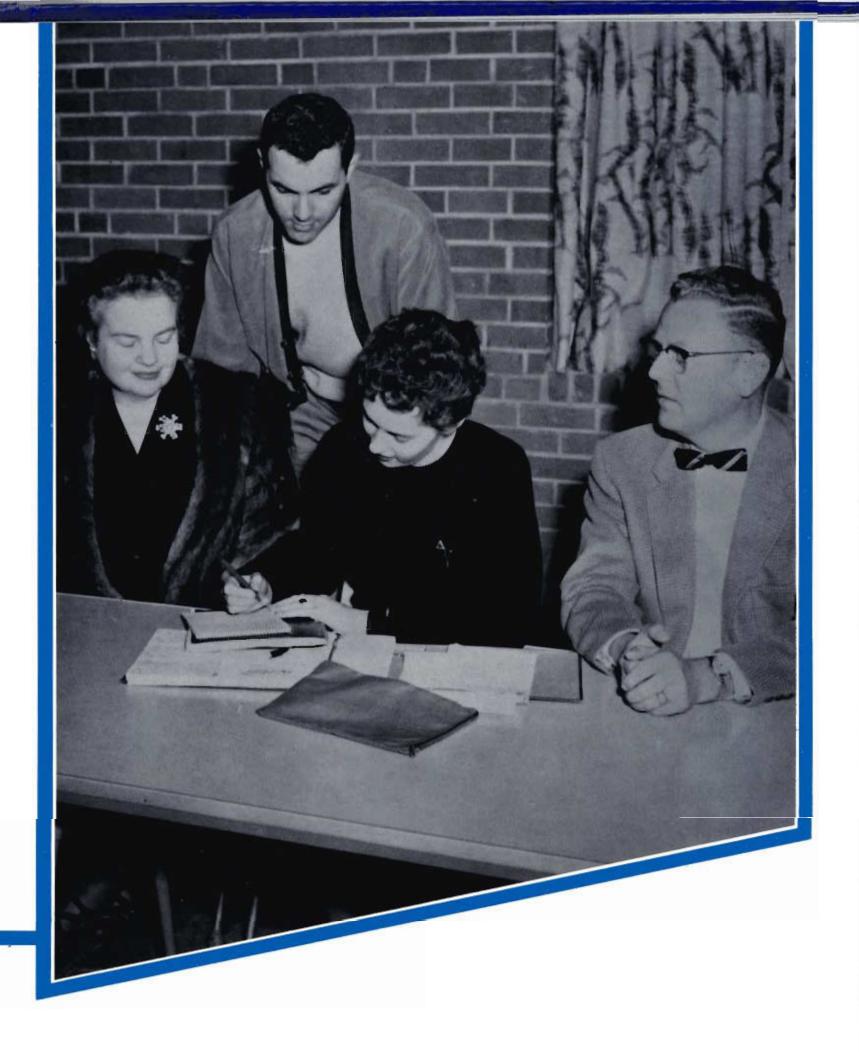

These men showed the most promise in early season workouts. Perhaps we left out some of the letterwinners, but it was difficult to choose who should appear.

ORGANIZATIONS

Nebraska State College has many honorary, religious, and department organizations. Of all the organizations on campus, most are affiliated with some national organization.

There is an organization for every person on campus, even if it is only the Independent Students Organization.

Most of the organizations are devoted to better educational aspirations on the part of their members. Cooperation, leadership, and the other essential qualities for society are stressed in these organizations.

KOVF handles numerous remote broadcasts of college activities, has news on-the-hour, and features a diet of all kinds of music for the average college student. The station carries most of the popular record albums in its library, and the music department of the college furnishes live entertainment and many classical selections.

Radio KOVF is affiliated with one of the local radio stations, KRNY, and is allowed the full use of their facilities. News service is provided by United Press, and the local newspapers.

KOVF broadcasts each evening, Monday through Friday, and covers each building on the NSC campus.

CLIFF TRUMP: President GIL FEIS: Vice President BARBARA MOORE: Secretary MR. DALE INGRAM: Sponsor The Inter-Fraternity Sorority Council is the board of control among the NSC Fraternities and Sororities. The members are comprised of two representatives from each of the social organizations on campus. The council meets on the first and third Wednesday of each month in the Council room of the new Memorial Union.

The IFSC is constantly working toward their three main goals: the promotion of better relations between the sororities and fraternities; the improvement of the campus social life; and the promotion of academic principles of the member social organizations.

All pledge procedures, and rushing orders are controlled and regulated by the council. In 1958, the council set forth a permanent set of regulations to be followed during rush season.

In their pursuit of excellence for higher academic standing, the council awards a plaque for the highest organization's grade average. This plaque passes from group to group as the years progress.

The IFSC is to be congratulated for the efforts they have put forth to keep NSC's reputation of being the "Friendly College."

The Student Council of Nebraska State College at Kearney, Nebraska, is the representative force behind the policy forming of student ideas. The Council is responsible for relations between the faculty and the student body.

The Student Council is elected by student vote, and the annual elections are carried out with a great deal of campaign speaking, and general "politicking."

The 1959 Student Council was headed by Roger Farrar, and sponsored by Dr. Hoffman and Miss Roberts.

The Council was responsible for the excellent Homecoming, as well as innumerable other fine events for the year.

The Student Union Activities Council is responsible for setting up union policies, and carrying out activities within the union.

In 1958, the SUAC took under their wing, a new Memorial Union. The new union, which cost some \$300,000, has been carefully administrated by the SUAC. The dining hall in the New Memorial Union is the scene of the weekly dances sponsored by the SUAC.

In addition to all their other tasks, the SUAC has made it a point to keep the Memorial Union spotless, and to keep all their new equipment in tip-top shape.

The SUAC is made up of representatives from each of the social organizations, and of the dormitories on campus.

Dr. Krubeck, Mr. Casey, Mr. Shada, Mrs. Webb, Mrs. Myers, Mrs. Webster, and Mrs. Sisler are the sponsors of the SUAC.

Marvin Lubeck, Dea Garretson, Delmer Lange, and Barbara Lovell are inspecting the works of their rivals on the Blue and Gold.

Ron McKinney, Paul Surbeck, Bob McMullen, and Jim Arnesson write out the latest copy for the presses.

Second semester students, who did not take journalism the first semester are Ron Hall, Bill Unger, Ewing Borchert, Betty Batterton, and Bob Noah.

Journalism offerings increased at Nebraska State College this year as the Administrative and Policies Committee approved a plan whereby students could minor in journalism.

Required courses in the minor are six hours of constructive English, beginning and advanced journalism, beginning and advanced printing, and journalism methods.

Members of the journalism classes were required to be members of the staffs of either the Antelope or Blue and Gold.

Other students who were regular contributors to the Antelope who are not pictured included Pat Moor, who wrote Pat's 'Pinion, Larry Lechner, who startled students and faculty alike with his column "Introspection," Jim Waldmann, who expressed his ideas in a weekly column called "Listening In," and Jim Wittkop, who "introduced" Introducing

Gene Larsen (standing) and Scotty Clark (seated) are the co-editors for the 1959 Blue and Gold. The year was spent doing just such work as sorting pictures, writing copy, and doing layout work. The litter on the desk is typical of the condition of the desk during the 1958-59 school year.

Blue and Gold Staff

The Blue and Gold staff for 1959 had the honor of being the first to occupy the new offices in the Memorial Union. The addition of a telephone, unlimited working hours, and some new equipment made the deadlines a bit less tedious than in past years. The task of preparing a yearbook is long and tedious, but we of the staff feel that the end product is well worth it.

The co-editors received the privilege of journeying to Columbia, Missouri, to attend a short course in yearbook work at the University of Missouri. After learning of the minor mistakes made on last year's Blue and Gold, they have attempted to make their own.

In September of 1958, Mr. Don Briggs, and Scotty Clark made a trip to Dallas, Texas, to tour the Taylor Publishing main plant, and to write up the specifications for the yearbook.

The 1959 Blue and Gold has increased the total page number above any of the previous yearbooks, and hope to have included a little more material from the school's history for 1959.

Bob Porter (standing) and Gene Wolff (seated) are shown admiring some of their latest efforts. The pictures in the 1959 yearbook were taken by Bob and Gene.

Judy Anderson served as Social Editor, and spent many of her evenings on dates with the typewriter.

Jean Rasmussen was the typist who put in some time with the Blue and Gold typewriters.

NSC ROYALTY

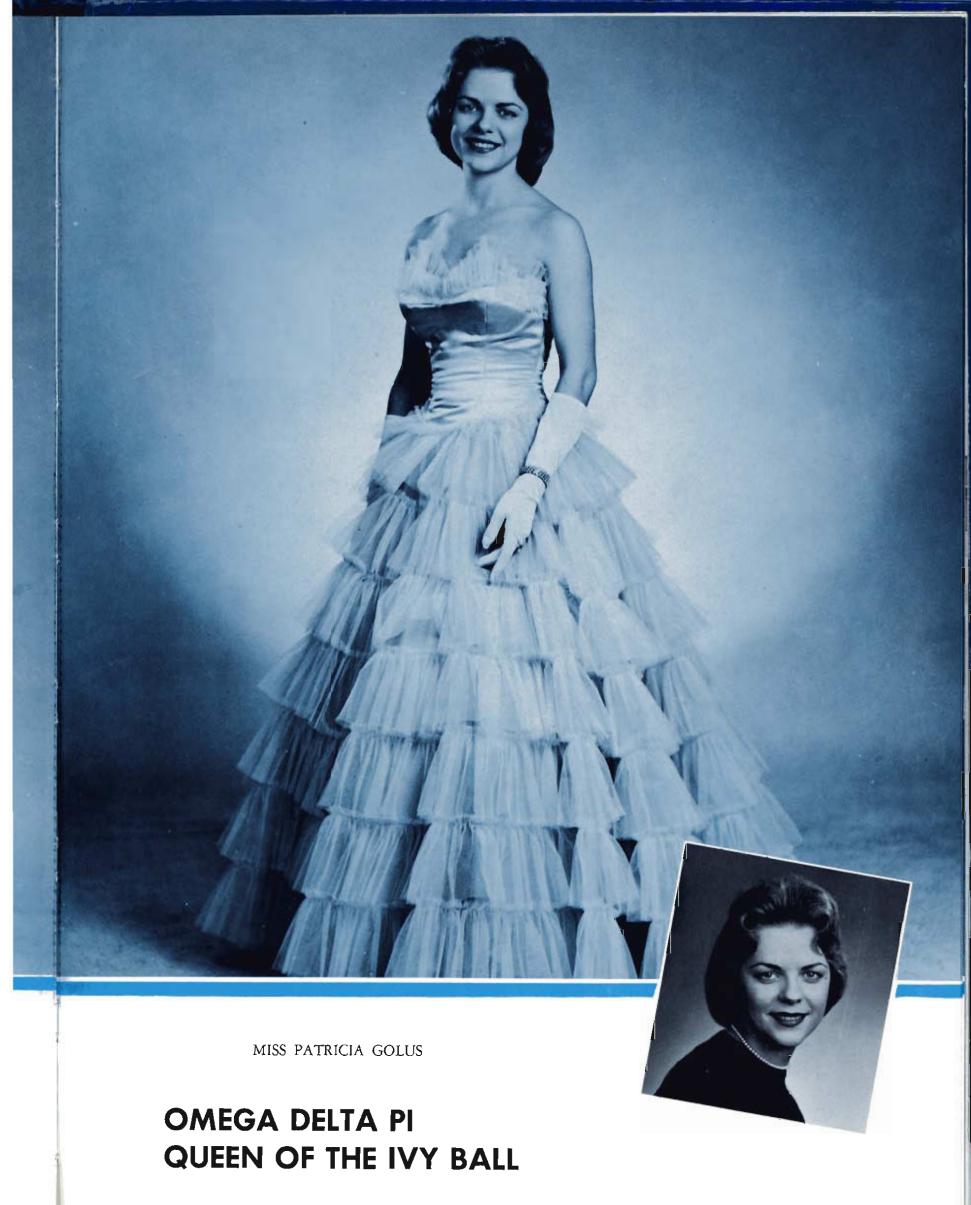

The NSC Royalty consists of a Homecoming Queen and the queens of the social fraternities and sororities on campus.

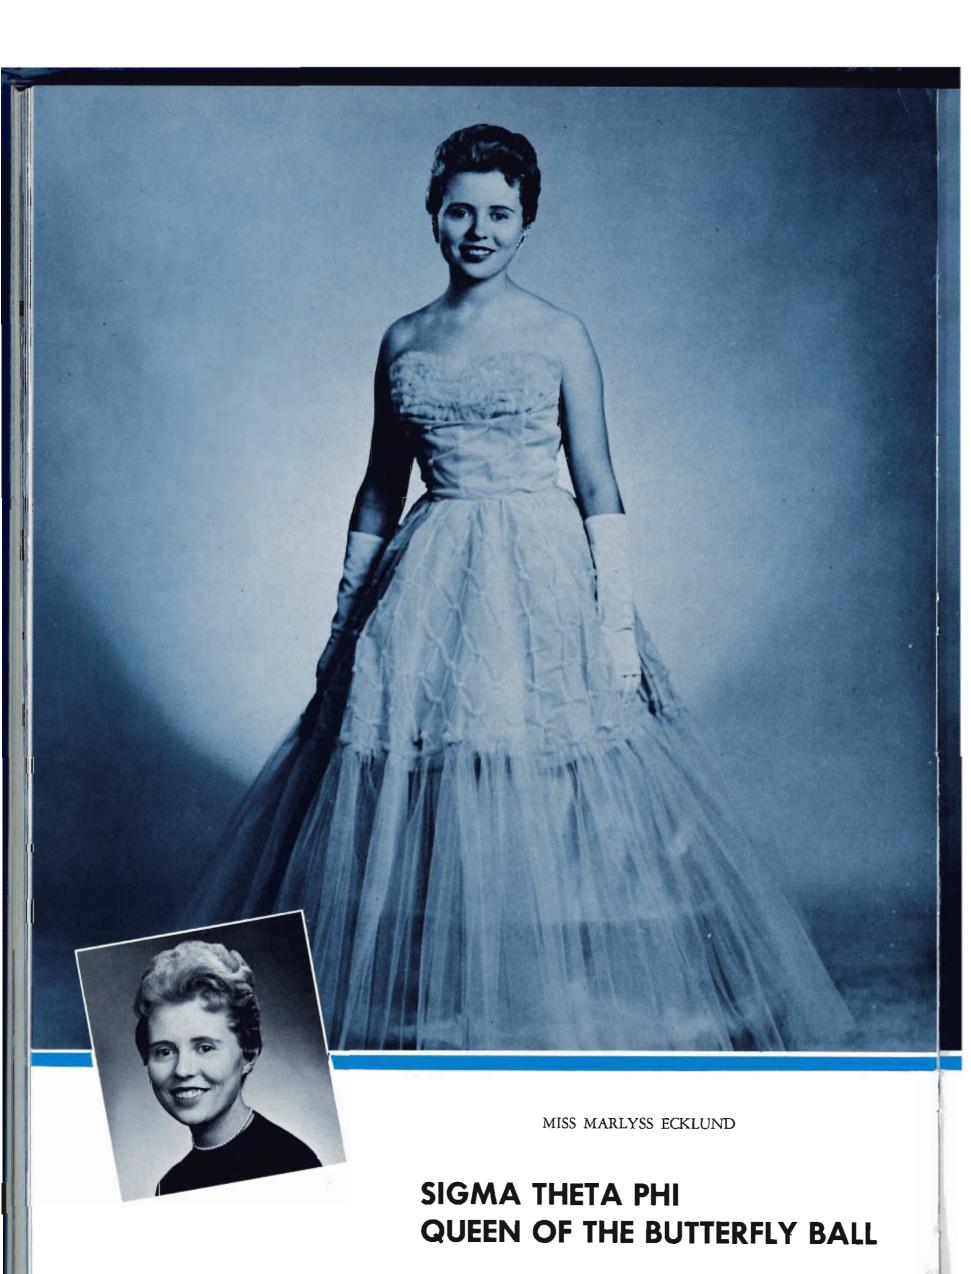

The Homecoming Queen for 1959 was Miss Alyce Sanderman. Miss Sanderman succeeded Miss Patricia Ott, who was the 1958 Homecoming Queen.

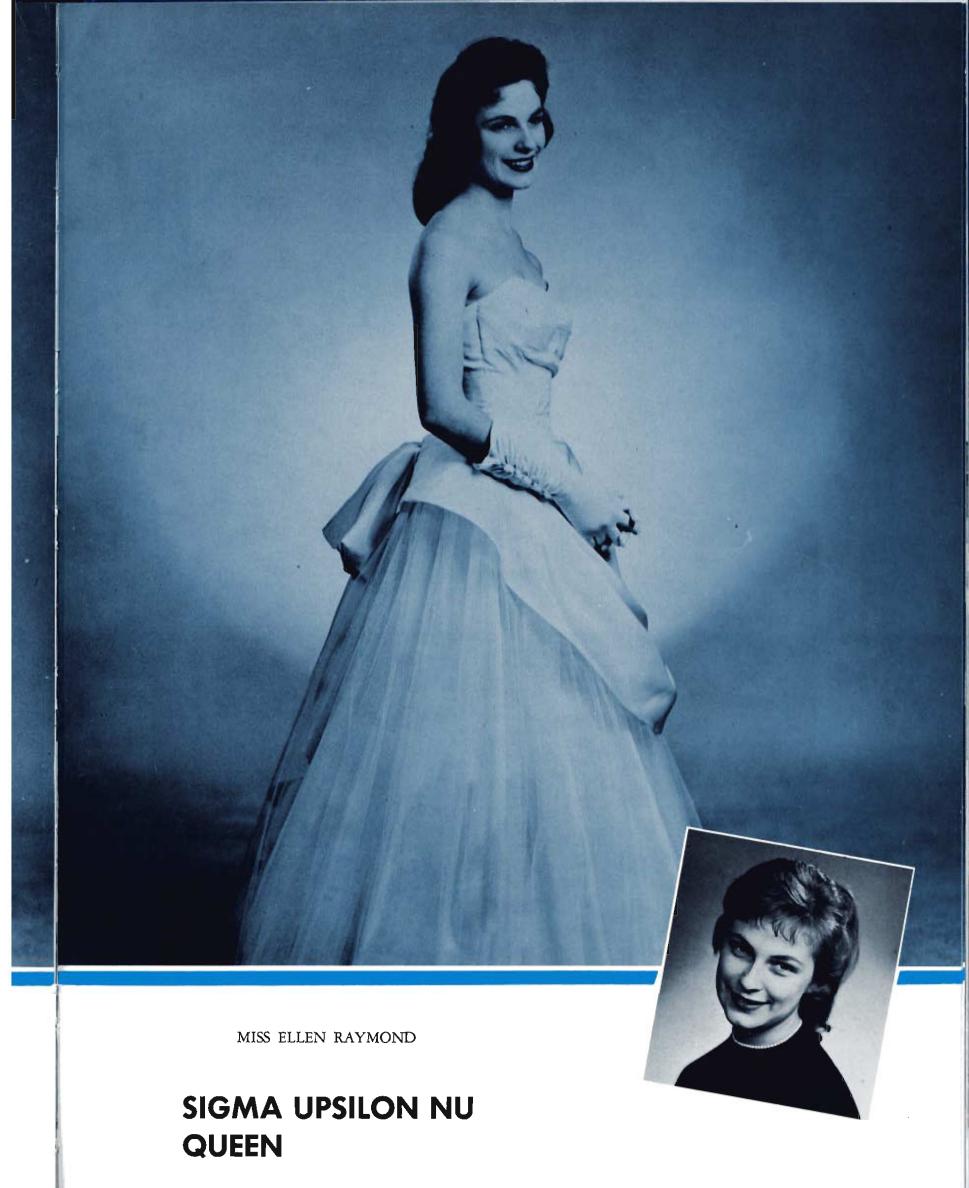

The beautiful girls shown in these following pages are typical of the Kearney Co-eds.

The terminating page of the 1959 Blue and Gold has come after recording the events of the 1958-59 school year. We hope that we have filled these preceding pages with the persons and events which you, the students of NSC, would have chosen as representative of the "Friendly College."

The staff and editors would like to take this opportunity to thank everyone for their excellent cooperation in the preparation of the pictures and copy. We would like to thank the faculty and students for their many constructive comments, since we would like to feel that this yearbook was conceived of many minds.

The staff of the 1959 Blue and Gold is to be commended for their fine work. We thank them sincerely. We would also like to thank the least often thanked man on any publication; Mr. Don Briggs, the advisor. We would like to thank him for the understanding, helpful, and sincere attitude which was a

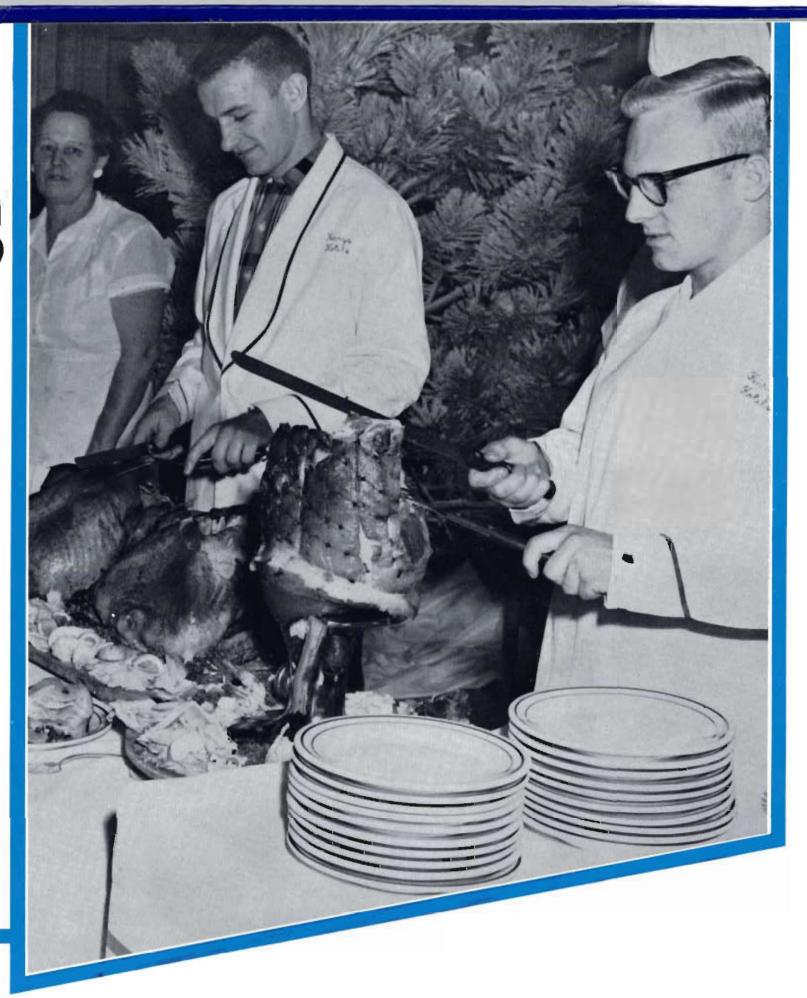

great boon to the completion of this yearbook.

In conclusion, our most sincere thanks to the Taylor Publishing Company, of Dallas, Texas, for their excellent cooperation in getting us over the rough spots.

Serving students, who call the Memorial Union their 'home away from home', are Nancy Fee and director Mrs. Romayne Webster.

Memorial Union

"A Home Away From Home." This description fits the newly constructed \$300,000 Memorial Union.

The new Union replaces the old temporary barracks building which served NSC students for over ten years.

Included in the Union for use by students is the beautiful snack bar which seats 94, a TV lounge, a game room which has pool, card, and ping-pong tables, offices for Antelope, Blue and Gold, Student Council, and publicity.

Union manager is Mrs. Romayne Webster.

The Union is patronized not only by students but also by faculty members. Hardly an hour goes by all day that some faculty member does not join the college students in drinking coffee in the Union. Here Mr. Dayle Fitzke and Dwight Adams are served by Gary Crook and Nancy Fee.

Dining Hall

Included as a part of the Memorial Union is a dining hall which will seat 600 people.

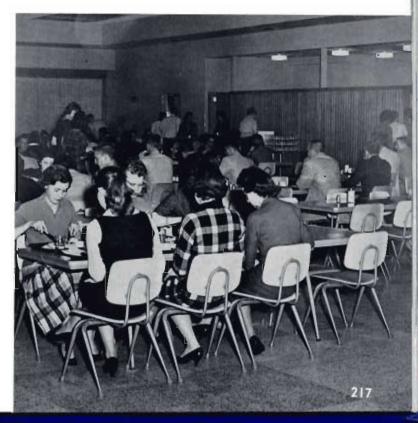

The dining hall was opened in August with the arrival of the pre-season football players. From then throughout the remainder of the year, all students living in the dorm facilities on campus joined faculty members and students living off-campus in eating balanced, well-prepared delicious meals.

The area also served as dance floor space. The tables and chairs were cleared off and stored so that SUAC dances, Student Council dances, and special dances could be held.

During some hours each day, the space is used as an overflow area of the snack bar, seating people who cannot find a seat in the snack bar.

Manager of the dining hall is Mrs. Ralph Myers.

Enjoying their evening meals on Wednesday are NSC students. Each Wednesday was "Dress-Up" night for NSC'ers.
