# These buildings help make NSC campus home to 1600 students

The Administration Building is one of the oldest landmarks on the NSC campus. Within its walls are housed a majority of the classrooms and administrative offices of the college.

The Gymnasium is the headquarters for the men's and women's physical education departments. Future plans call for a new field house and remodeling of the present gymnasium.

The Memorial Student Union was completed during the summer of 1957 and houses the Dining Hall and Student Union. The union also houses the offices of the Antelope, NSC Alumni, Publicity Department, Blue and Gold, and the Student Council room.

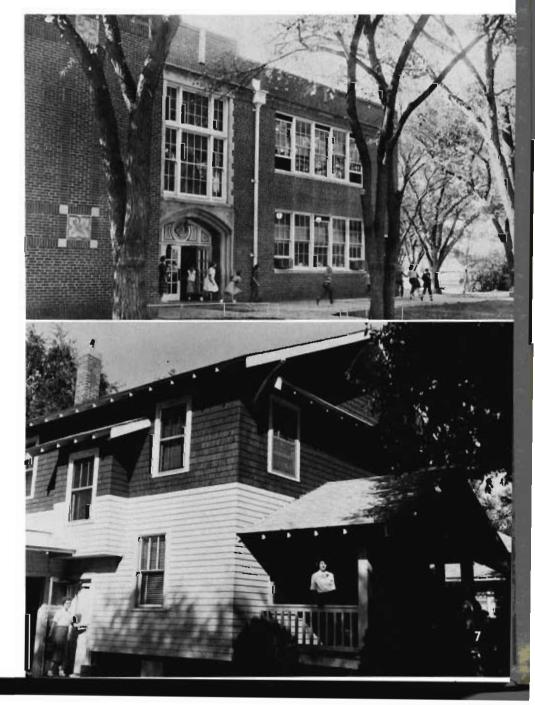

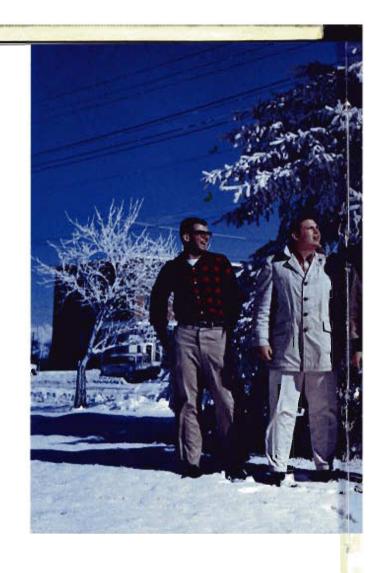

The Vocational Arts Building was first used in 1955 by the Business Department, Home Economics Department, and the Industrial Arts Department. The School of Practical Nursing has been located in the VA since 1958.

Buildings on the Nebraska State College campus serve many purposes for the students and the faculty. Whether it is a chemistry lab in the Administration Building, office machines class in the Vocational Arts Building, or coffee in the Union after class, you will find the friendly attitude between students and faculty members for which Nebraska State College is famous.

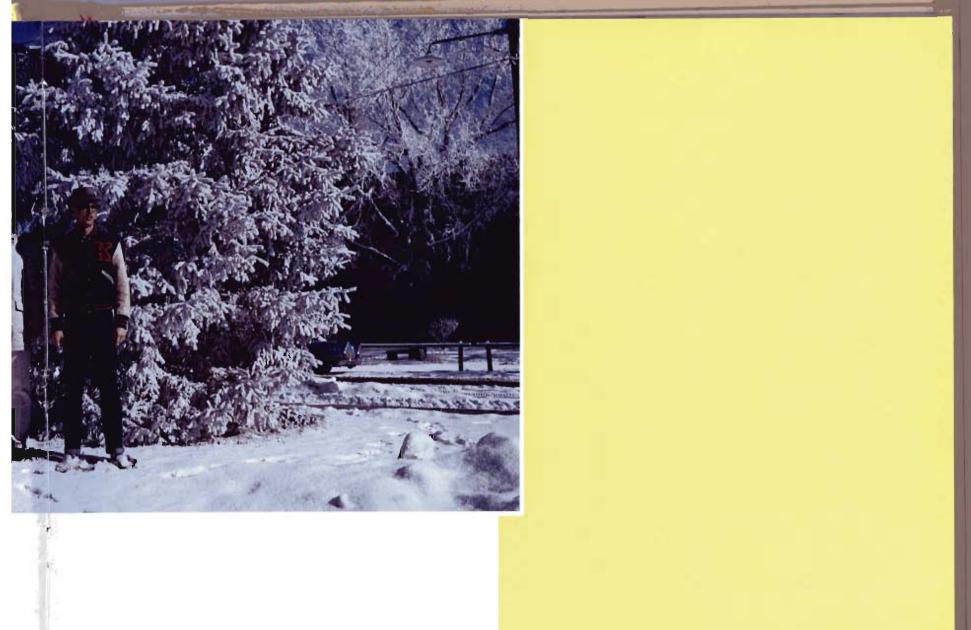

The Home Management House, located just north of Martin Hall, is the future residence of all prospective vocational home economics teachers. Here every home economics major lives for nine weeks during her semester of student teaching.

A. O. Thomas is the campus elementary cadet school. Here the two year elementary students do their student teaching under supervision.

Things do not change; we change—

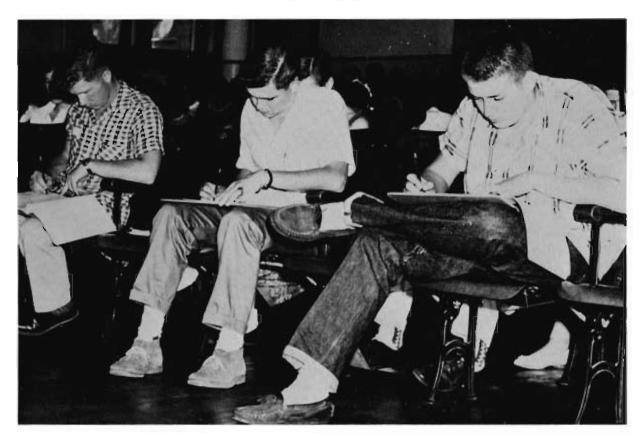

# Activities

# Freshman week teaches us how to stand in line

Entrance requirements indicate that all freshmen must take a series of guidance tests prior to registration.

Freshman Week on the NSC campus meant a busy schedule for the 625 incoming freshmen. From the time they moved into the dorms until they started their first full week of classes, they had a full round of student mixers, faculty receptions, and other social events. Not all of the activities of Freshman Week were social, however, since the students had to take guidance tests, meet with advisors to plan their schedules, and register for classes.

The final blow to ones bank account comes in the Bursar's office. All that remains is to buy books and breathe a sigh of relief.

An annual social event of Freshman Week is the all-College square dance. The dance creates an informal atmosphere in which the freshmen and upperclassmen can become acquainted.

The Student Union affords a place to relax between classes and after study hours. Included are pool, ping pong games, dancing, and as pictured here, having refreshments.

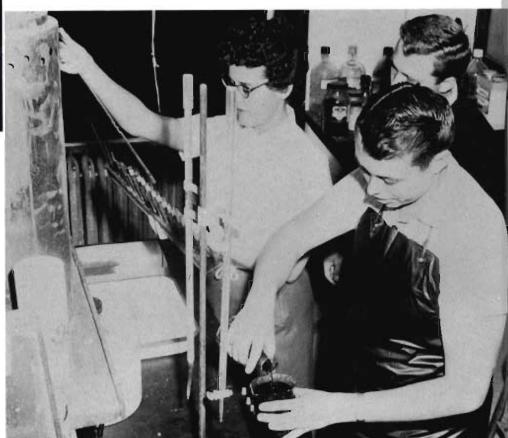

The new potter's wheel in the ceramics class arouses interest for many unusual experiments as well as skillful arts.

In this day of emphasis on science, NSC students study chemistry, physics and math. Student lab assistants are mixing unknown solutions to challenge the knowledge and technique of the students of qualitative analysis.

# One of the most important phases of college life is found in the classroom

Classroom activities offer actual experiences in different fields of study. At NSC, the students who wish experience in their fields of endeavor have an opportunity to obtain skill with their learning. Classroom activities do not limit the student who wishes to extend his skill beyond the planned program. The labs, field trips, special speakers, and student projects provide an opportunity for further study.

These girls have taken a moment out for relaxation from their busy schedule of home management.

Learning to operate a business machine is an example of the training students receive in office machines class. This is only one of the many courses offered by the well-equipped business department.

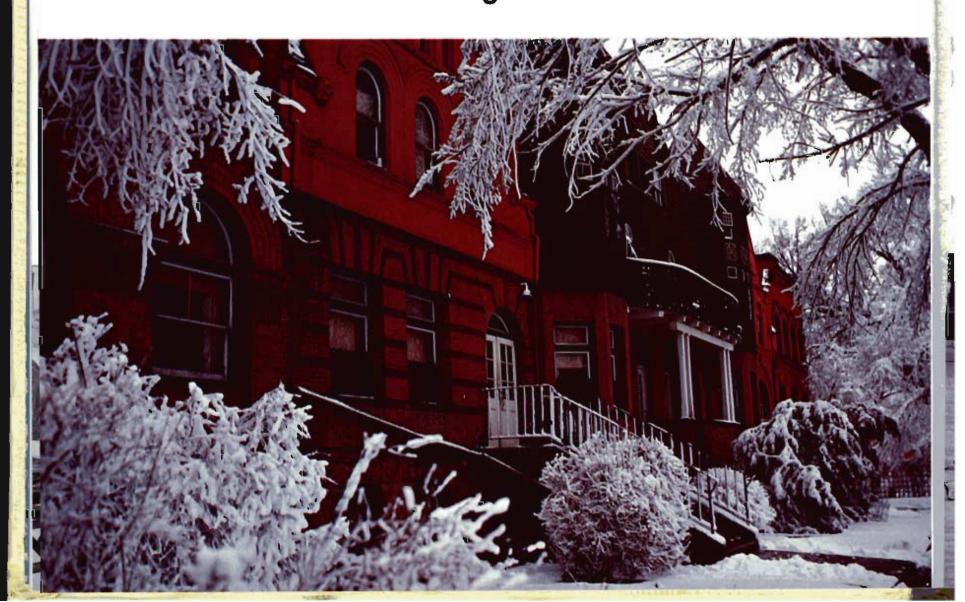

The college print shop is responsible for printing the Antelope, college bulletins, and office supplies. Students of the advanced printing class are using the off-set press and platen presses.

One more phase of freshman orientation includes a discussion of the college library facilities, rules, and procedures. This informational lecture is made possible through the cooperation of the librarians and the English department.

Dean Casey welcomes the men residents of West Hall during the first dorm meeting of the year.

N.S.C. dorms are modern and spacious for comfortable living Dormitories on the NSC campus are the homes for 404 women and 270 men students during the regular school year. All of the dorms are built and paid by revenue bonds which are paid off by rentals.

Performing one of their precision drills at a basketball game this season are the Wagoneers, NSC's women's drill team.

## Wagoneers Continue to Perform at Home Games; Still Thrill Crowds

NSC again can claim something unique. It is the only college in the state of Nebraska that has a girls' drill team.

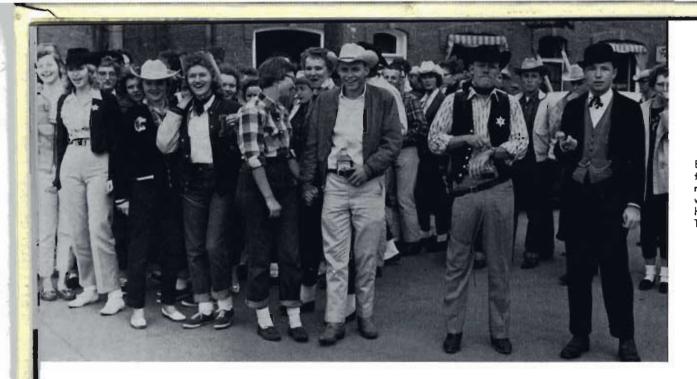

Under the direction of Miss Dorothy Orcutt, the girls perform with the NSC Marching Band during half-time ceremonies at football games and also at basketball games. The Wagoneers have become a major attraction both on and off campus since the organization was founded in 1955.

Taking their final bow after completing their routine are the Wagoneers. They can tell from the response of the crowd that they have done another very fine job.

The crowd at the Homecoming parade seems to be enjoying the Wagoneers as they march to the cadence of the band.

Bronco Days! The season of rivalry and the cries of "What'll we eat?" and the reply: "Bronco Meat!" Bronco Days, with its cries of "How do you get to Hastings?" and the traditional reply. These are Bronco Days!

# Special Pep Rallies Held for Hastings, Football, Basketball Games

School spirit and the backing of the athletic teams will always be criticized. It makes no difference what college or high school these teams may represent. The student body at NSC has received its share of criticism, and perhaps some of it is justifiable.

But the BLUE AND GOLD proves on this page and in these pictures that school spirit does exist at NSC. It was evident at the pep rallies, games and especially the week before the big Hastings-Kearney football game and other big athletic bouts.

Ten degree weather may keep some people away from a football game, but NSC still has many loyal fans. Mrs. Allen Zikmund, Mrs. Les Livingston, and Mr. and Mrs. Don Welch braved the weather and even watched the half-time band show at the Gustavus Adolphus game.

Even though a "home" basketball game may be played on a floor that is perhaps 180 miles from Kearney, NSC is always well represented. Even during Christmas vacation there's a crowd of cheering fans. Here, cheerleaders Betty and Mary Mosley and others cheer the Antelopes at a home game in Minden.

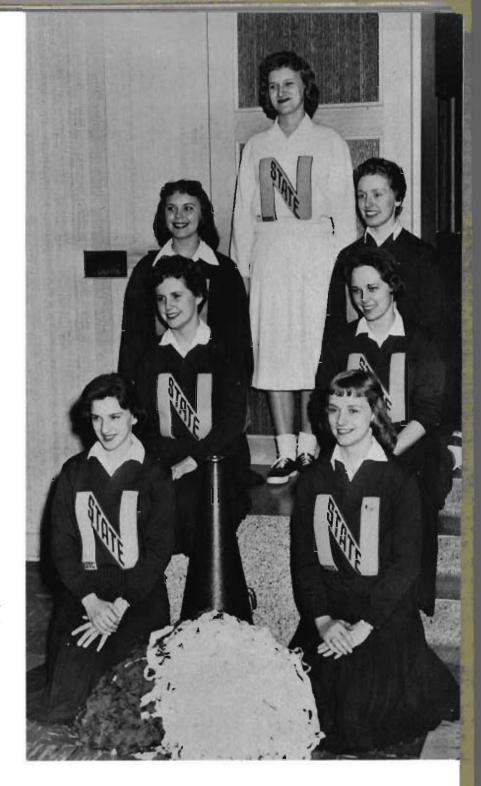

# Cheerleaders Responsible for Backing Antelopes

Whether it be football or basketball the cheerleaders are responsible for the student spirit at athletic events of the Nebraska State College Antelopes. During the NSC-Gustavus Adolphus football game the cheerleaders withstood the eight above weather along with a handful of spectators to give the Antelopes full support.

Five upper-class women along with two freshmen co-eds are chosen by the Student Council at try-outs held during the first week of school in September. The co-eds selected as cheerleaders hold the positions for all sports.

Cheerleaders for the 1959-60 school year were (standing) Mary Mosley, Jackie Johnson, Sue Martin, Judie Eckel, Judy Funkhouser, Betty Mosley, and Barbara Reese.

Since there were only a few pep rallies this year the BLUE AND GOLD photographers had the NSC cheerleaders go through some of their yell formations so we could have a good shot of the cheerleaders in action.

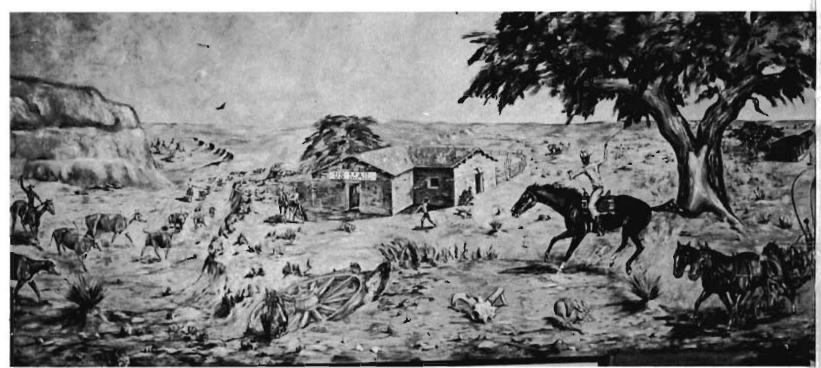

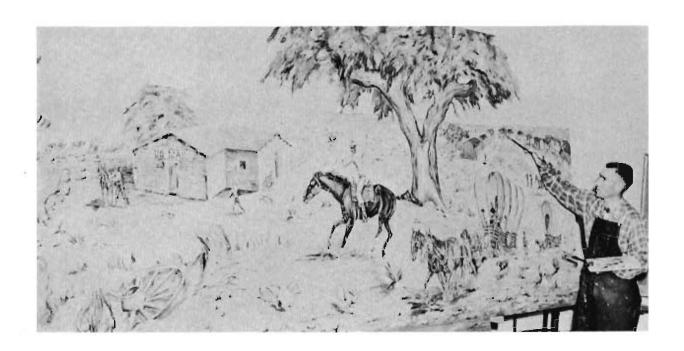

# Kerby Paints Historical Mural for Memorial Union

Added to the Memorial Union this year was a 9x21 foot mural. Freshman Bob Kerby spent 6 months painting the scenes which depict the history of Nebraska a century ago.

a century ago.
Included in the mural are Old Fort Kearney, covered wagons, Pony Express, Indians, cowboys, and Scotts-bluff.

Carol Olson, student teacher in the third grade keeps a watchful eye on the young man as he reads his lesson. Meanwhile his neighbor sits twiddling his thumbs.

## A. O. Thomas School Provides Place for Student Teaching

A. O. Thomas Campus school again this year was attended by nearly 140 students who attended classes from kindergarten through the sixth grade.

Each supervisor works with six or more student teachers as the prospective teachers are given an opportunity to observe and practice good teaching.

The children present several programs each year including Thanksgiving, Christmas, and Easter musicals.

Mrs. June Wrede is the only new teacher this year.

Part of the curriculum at A. O. Thomas the past two years has been crafts. Here student teacher Jim Buller supervises the fifth graders in leather work.

Making the decorations for their Christmas tree were members of the sixth grade. Watching the girls hang the decorations is student teacher Wayne Shada.

Posing with their trophies are members of the NSC speech group and their sponsors. BACK ROW: Bob O'Dell, Tice Miller, Jasper Melton, Dennis Shreefer, Barbara Goble, and Mr. Robert Larson. FRONT ROW: Mr. Harold Ahrendts, Karen Lueck, Sharon Hackett, Judy Funkhouser, Janet Jensen, and Carol Hackett.

# **NSC** Boasts Championship Debaters, Orators

Melton and Shreefer admire one of the Sweepstakes trophies they helped to win.

NSC's Championship Women's debaters, Sharon Hackett and Karen Lueck, have a hard time holding all the trophies they were instrumental in winning.

Winning trophies is as easy as making mud pies for the speech groups at NSC. The debaters, speakers, and orators filled the trophy cases with trophies such as the tournament trophy of the Omaha meet, first and second place trophies in oratory at The Rocky Mountain Speech Tournament, first place debate trophy at the Wesleyan Invitational Debate Tournament, and the tournament trophy for first place in the Women's Senior Division of debate at the Winfield Tournament. These same NSC forensic students also brought home the biggest trophy ever won by a college group, the Sweepstakes Trophy from the University of Nebraska Invitational Debate and Discussion Tournament.

Winners of the All-College Oratorical contest were Philip McCormack in Men's Peace Oratory and Janet Jensen In Women's Peace Oratory.

Shown here are Barbara Goble, runner-up in Women's Open Oratory; Dennis Shreefer, first place winner in Men's Open; Karen Lueck, first place winner in Women's Open; and Tice Miller, runner-up in Men's Open, in the All-College Oratorical Contest.

Ready, willing, weary, and able are the NSC forensic squad members. Judy Funkhouser, Carol Hackett, Jasper Melton, Janet Jensen, Tice Miller, and Karen Lueck make last minute preparations before competing in the Nebraska Intercollegiate Forensic Contest at Hastings. The state meet is the final step toward the National meet in Michigan in April.

# College Band Presents Convocation,

Tuesday, February 23, was chosen as the date for The Fifty-fifth Anniversary Concert of the NSC Concert Band. Rehearsals began immediately after marching session ended for the concert that was to feature Mr. Don Jacoby, noted brass clinician and concert trumpet soloist. But Nebraska weather often plays nasty tricks, and Mr. Jacoby became stranded in a snowstorm and could not reach Kearney. Because of Mr. Jacoby's tight schedule, the concert could not be rescheduled during the remainder of the semester, so the band presented a special convocation two weeks later.

May was tour month for the band. Concerts were presented at Broken Bow, Burwell, Loup City, Arapahoe, Lexington, Chappell, and Ogallala, Nebraska, and in Julesburg, Colorado. After returning from the exhausting tour, the band presented its final home concert of the year on May 5. Conductor of the Concert Band is Mr. Gaylord F. Thomas. Mr. Carl Easterbook is assistant conductor.

A list of the Concert Band personnel appears on the opposite page.

Down the ladder are Jo Dell Peterson, Jo Lyn Witham, Judy Henggeler, Shirley Wilson. The girls designed the uniforms for use with the flaming batons.

Performing at home games, the twirlers always got a big hand from the spectators. Practicing for the home finale with Gustavus Adolphus are Judy, JoLyn, JoDell and Shirley.

# Twirlers Bring New Routines to Campus This Year

The twirlers accompanied the band on the annual migration trip. This year the band went to Wesleyan when Hastings did not have time for the band to perform during half time of the Hastings-Kearney game.

Performing at all home football games with the college band were the twirlers. This year two Omaha freshmen joined two sophomores as twirlers.

New also was the flaming batons and the skimpy uniforms. The frigid weather during the final home game forced cancellation of the fire exhibition.

# Forty-two Musicians Are Members of the NSC Orchestra

When Mr. Paul McEnderfer joined the faculty of NSC in 1958, he shouldered the responsibility of rebuilding the college orchestra which had almost completely disintegrated in the years prior to his arrival. On Thursday evening, April 28, the results of his work were displayed to the public as the NSC Orchestra presented an excellent concert which featured compositions by Berlioz, Haydn, Beethoven, Bach and other composers. The orchestra also played an important part in the NSC production of "Showboat" earlier in the year.

The orchestra met every Tuesday night as a regularly scheduled class. Of the forty-two members, twenty-eight were college students. The rest of the personnel were musicians from the local area with a definite interest in orchestra.

Saxophones: Jack Routh, tenor; Lyndell Schutte and Bill Rizer, altos; Melody Stovall, tenor; Rosalie Bryan, baritone. Trombones: Jeannette Gibbons, Murray Ross, Dick Davenport. Trumpets: Jerry Muehling, Beverly Schmidt, Kelly Young. Denny Jackson, drums; Keaton Walker, string bass; Dea Garrison, bass; Joan Neben, piano; Pat Golus, vocalist; and Mr. Gaylord Thomas, director.

Newly organized on the NSC campus were the Men's and Women's Choruses. These groups were organized to provide singing experience for students not in The Choraleers. Among the appearances for the Women's Chorus was the "College on Camera" series. The Men's Chorus joined forces with the male members of The Choraleers and with the NSC Concert Band to present Randall Thompson's "A Testament of Freedom."

In April The Choraleers toured towns in Nebraska and Colorado, appeared on the college television series, and filmed a television show in Denver during their stay in the "Mile High City." The group also presented their final home concert and sang for graduation exercises.

The well-received college swing band, The Commanders, toured Nebraska and Colorado with the Concert Band and played for various functions in Kearney and in surrounding communities. Included in the campus activities were the Leap Year Dance at the Memorial Union and a special convocation.

BACK ROW: Larry Johnson, Robert Deichman, Don Rockwell, Bill Giesler, Morris Ritterbush, Tom York, Jerry Chrisp, and Lynn Collison. FRONT ROW: Louis Klinzman, Keaton Walker, Bob Collison, Ron Prascher, Mike Jaeger, Dave Durnell, Jim Giger, and Mr. Carl Easterbrook, director.

A break from tradition in Homecoming procedures started the 1959 Homecoming events on Friday night this year with the crowning of the 1959 Homecoming Queen, Miss Barbara Goble. Entertainment for the coronation program featured the popular national singing group, the Hilltoppers. Attendants for the Homecoming Queen were Lyndell Schutte, Nancy Myers,

Ellen Raymond, and Pat Golus.

Festivities on Saturday started with probably one of the most spectacular parades in Homecoming history at N.S.C. Disneyland was the theme for this year's Homecoming parade and campus displays. Ten floats were entered in the hour long parade down Central Avenue along with the various bands and royalty of Homecoming. The Delta Pi Beta Sorority swept honors in the float competition with their "Mad Hatter" who was mad for victory.

West Hall won over the other colorful campus displays to take the display plaque away from last year's winner, Martin Hall. Other displays were entered by Martin Hall, North Hall, and Case Hall.

After a successful win over the Doane Tigers and the alumni banquets the day of activities was topped off with the Annual Homecoming Dance at Memorial Student Union featuring Jimmy James and his Orchestra.

The Hilltoppers, nationally known singing group, appeared at the Home-coming activities on the N.S.C. campus Friday night. Highlighting the evening activity was the crowning of the Homecoming Queen. This broke the old tradition of crowning the Queen during the football half-time performance.

Pouring at Alumni Tea is Mrs. Sena Lang, housemother of Men's Hall. Putting sugar in coffee is C. S. Morrow. Looking over Mrs. Lang's shoulder is Mrs. Frances Hauver. Others in picture are former N.S.C. students.

MISS BARBARA GOBLE

# Barbara Goble Reigned as Homecoming Queen for 1959

Reigning over all the Homecoming activities was the 1959 Homecoming Queen, Miss Barbara Goble. Her attendants were Lyndell Schutte, Pat Golus, Nancy Myers, and Ellen Raymond. Fifteen candidates were chosen at a convocation held in September with the Queen and her attendants being elected by the students at a special election held on October 7.

## Homecoming Is Most Successful

Barbara Goble, 1959 Homecoming Queen, leads her court down Central Avenue. The Student Council, departing from tradition, announced the royalty at a pre-Homecoming program in order that the queen might reign over all the day's activities.

Flower, second-place winner in the float competition, was entered by Zeta Chi Alpha sorority. His large blue eyes and curly eyelashes made him a favorite with children of all ages.

Kappa Alpha Phi scrority was "on the track to victory." Marilyn Wright, dressed as an old-time engineer, escorted Casey Jr. past the appreciative spectators.

One of the more unusual floats was the Sigma Upsilon Nu "Never Smile At A Crocodile" featuring Peter Pan, Captain Hook, and Hook's enemy the crocodile.

Cinderella's pumpkin-carriage, presented by the Sigma Theta Phi sorority, featured the Coachmen, horses, and cinderella's shoe.

The Caledonian float featured Joyce Anderson as Sleeping Beauty. Others riding on the beautiful white float were Sharon Copple and Shirley Thurow.

## in History; Goble Is Queen

Delta Pi Beta sorority was indeed "Mad for Victory" as they won first honors among the ten float entries. The over-sized Mad Hatter was admired by young and old alike.

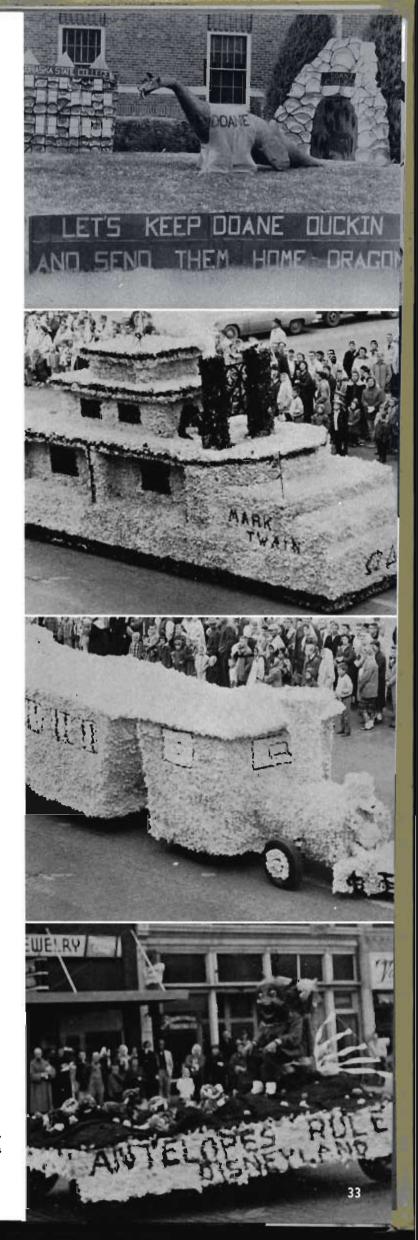

The famous river boat "Mark Twain" was brought up to date as "Zik's Follies" by Phi Tau Gamma fraternity. The fraternity's entry won third place in the keen competition.

Winning first place in the display competition was Men's Hall. The skillfully constructed dragon could truly have been a creation of prehistoric origin only to be defeated by the gallant Donald Duck.

Spectators greeted the Omega Delta Pi showboat with surprise and approval as it made its way along the parade route puffing great clouds of white smoke from the twin smoke stacks.

A second train was entered by members of Tri Phi fraternity. Many observers felt that the two trains were so near alike that neither had a chance to win first place

Toy Tigers were guarded by the ruler of Disney land, The Antelopes. This float was built by members of the Freshman Class as their part toward making Homecoming the success that it was.

# Show Boat Is Presented as Fall Musical

"We Could Make Believe" sings Magnolia, Bonnie McMahan, as she gets up enough courage to express her true emotions to the river gambler, Gaylord Ravenal, Jim Waldmann.

On goes the greasepaint as Joan Neben and Dee Carson smear away on members of the

NSC's production of the Jerome Kern, Oscar Hammerstein, Otto Harbach musical-comedy SHOWBOAT set several records. Not only was it the first musical at NSC to play four consecutive night, but it played to capacity houses all four nights. It was also the first musical to have dual feminine leads, Misses Pat Crewdson and Bonnie McMahan. Musical director was William Lynn, Jr.; Carl Easterbrook was assistant musical director. SHOWBOAT was staged and directed by Wesley Jensby. The orchestra was directed by Paul McEnderfer; accompanist was Mrs. Leora Augustin.

Joe and Queenie (Ron Nelson and Jeannette Gibbons) disagree slightly about methods of earning a living as "Ol' Man River Keeps Rolling' Along."

"Home was never like this," comment the onlookers, entranced by Fatima (Janie Peck) and her tantalizing hootch-kootchy dance at the Chicago World's Fair.

Frank and Ellie (Doug Metz and Glea Gillingham)—rich, famous and fresh from Hollywood—reminisce with Captain Andy (Bob O'Dell) about the good old days aboard the Cotton Blossom.

"Happy the day, when the hand of a bride." Proud father-in-law, Captain Andy, congratulates Ravenal and Magnolia on their way to the church.

# Diary of Anne Frank Plays Four Successful Nights

The play opens when Mr. Frank returns to the attic which has been the hiding place of the unfortunate Jews. He begins reading Anne's diary to Miep and Mr. Kraler, their guardian angels during the years of hiding.

Mr. Frank gives instructions to his family and the Van Daans about the hours during which they must remain quiet and when they may move about like normal people.

Anne makes her first entry in the diary which was given to her by her father.

Not only is this a story of fear and persecution, it is also the story of the growing love between Anne and Peter, who now exchange a few choice words about Moochie, Peter's cat.

As the feeling between Anne and Peter grows warmer, Anne changes from a flighty young girl to a mature young woman. Mrs. Frank is concerned that Anne must visit Peter in the privacy of his room instead of in the family room.

#### ABOUT THE PLAY

Visitors to Amsterdam, Holland, today are shown a modest but impressive monument built in honor of hundreds of Jews, who after suffering, lost their lives at the hands of the Nazis. One of these, a young girl named Anne Frank, will probably be remembered longest because she kept a diary while living in hiding from the enemy. This story of adolescence beautifully written is a truly remarkable personal confession of the innermost thoughts of a young girl. A touch of genius and an unusual sensitivity must have been qualities of young Anne whose diary was ignored by her captors.

Despite the horror and humiliation of daily living. Anne was one of the many who never gave up hope. Her diary covers a period of two years from the ages of thirteen to fifteen. It has been translated into nearly twenty languages since being published first in Holland in 1957. It also became a movie in 1959. The book may well be called a classic of our time.

Miss Phyllis Roberts Associate Professor of Modern Languages

With the final curtain down after four successful nights of performance and weeks of rehearsal, the entire cast receives the well deserved curtain calls for a job well done.

"Lovely ladies—kind gentlemen. Please to introduce myself. Sakini by name. Interpreter by profession. Education by ancient dictionary. Okinawan by whim of gods." So begins the delightful story of U.S. postwar occupation in the South Pacific.

The citizens of Tobiki village don't seem too happy with the occupation, which is contrary to Sakini's words: "But Okinawans most eager to be educated by conquerors. Deep desire to improve friction. Not easy to learn. Sometimes painful. But pain makes man think. Thought makes man wise."

"Oh, human present very lovely. Introducing Lotus Blossum—Geisha girl first class."

"Hop-pee. Hop-pee." "And a happy hoppy to you." Different languages create no barrier as the mutual affection of Lotus Blossom and Captain Fisby grows deeper.

"Sakini, if this stuff is any good at all, we're in business. This is one thing I know our men will buy." Captain Fisby discovers Seven Star B-A-T-A-T-A, and Tobiki soon becomes the most prosperous village in all of Okinawa.

"It is an alcoholic dream. It is one vast distillery. I want you to take a detail and some axes and smash every still in this village." Colonel Purdy attempts to put a halt to the prosperity as he delivers the order to psychiatrist turned horticulturist Captain McClean.

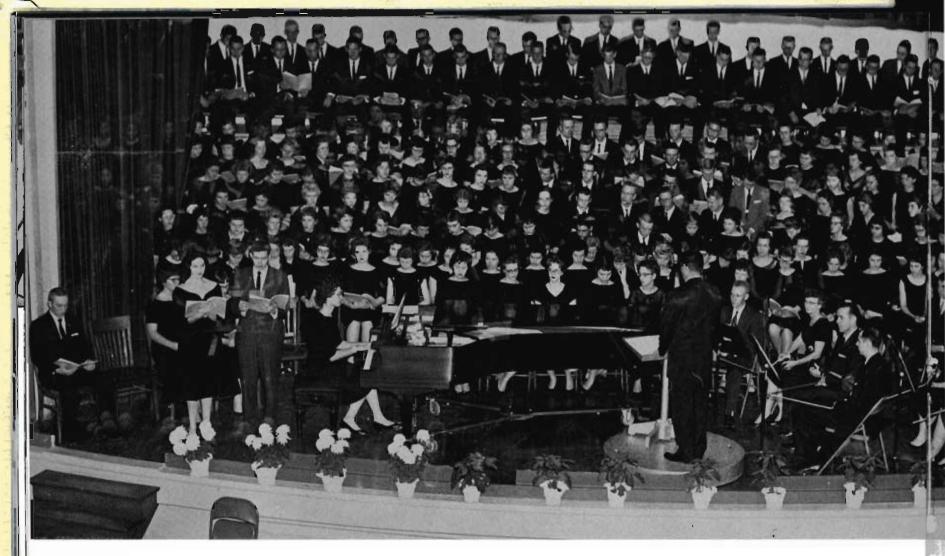

"No one has any difficulty in falling in love with 'The Teahouse of the August Moon,' a comedy that deals with some implacable realities in a spirit of round-eyed wonder. In both the writing and the acting, it is relaxed. It is also without malice or cant."

So wrote Brooks Atkinson in THE NEW YORK TIMES after attending the opening night performance of the play that was later to win the Pulitzer Prize, The New York Drama Critics' Award, and practically every other award available.

He also wrote, "What Mr. Patrick says is interesting. How he says it is imaginative and original. All told, the play is a wonderful work. Although East and West look at each other with considerable hostility, they can meet on friendly terms if they keep their sense of humor. Things that might easily make for anger become reasonable, friendly and sweetly comic in this ingratiating play."

But some "fool" Senator misunderstood Purdy's report and used Tobiki as an example of American "Get-up-and-go." Everything returns to normal, and Sakini closes the play by saying, "May August Moon bring gentle sleep."

# Sharon Hackett Receives Senior Service Award

An award for outstanding service to our college is one of the highest awards that can be given to any student of NSC. But in presenting this award to Miss Sharon Hackett, THE BLUE AND GOLD feels that it is only returning to her some of the recognition she has brought to our college.

Sharon is a leader in many fields. A member of Sigma Theta Phi Sorority, Sharon also is a leader in speech activities and in numerous national honorary fraternities.

And so, Sharon, we of THE BLUE AND GOLD are proud to present to you this award, and with it go our wishes for a future filled with success and happiness.

Sharon and follow Pi Kappa Delta members inspect the trophles that are to be awarded at the High School Debate Tournament sponsored by the fraternity.

Sharon and her debate colleague, Karen Lueck, proudly display the trophy that names them the winners in the Women's Senior Division of the Winfield Tournament.

Larry displays championship form in the classroom as well as on the cinder track. Here he delivers a lecture to one of his classes while student teaching at Kearney High School.

# Larry's athletic form is on display now as he races across the finish line, winning the NCC Cross Country championship.

# Senior Service Award Goes to Larry Snell

The male recipient of this year's Senior Service Award is Larry Snell, NSC's outstanding miler and cross country runner. He has achieved national recognition with a 4:14 mile which he accomplished last year at a meet at Wesleyan. He also placed eighth nationally this year at the NAIA meet in Omaha and defeated the University of Nebraska's Joe Mullins and Joe American Horse. These and other achievements have helped Larry to be chosen THE OMAHA WORLD HERALD'S "Athlete of the Year."

But Larry is more than just an athlete. He is what one might call a "real great guy." And so it is with pleasure that THE BLUE AND GOLD presents this award to a "real great guy."

# President Cushing Heads College for Twenty-Fourth Year.

President Herbert L. Cushing boards the plane for his proposed tour of Russia with other school administrators. He had to cancel his trip due to the serious illness of his daughter.

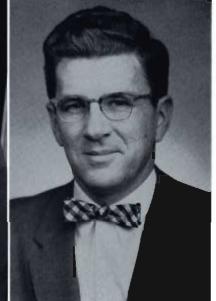

The State Normal Board held its January meeting on the Nebraska State College campus. LEFT TO RIGHT: Dr. Freeman B. Decker, State Commissioner of Education; Wanda Hendrix of Lincoln, secretary; Carl Spelts, Kearney; John Bressler Jr., Wayne; A. D. Majors, Omaha; Dr. William Brandenburg, President of Nebraska State College, Wayne; Dr. Herbert L. Cushing, President of Nebraska State College, Kearney; E. Albin Larson, Lincoln. Members not in picture are Mrs. Haven Smith, Chappell; and Bruce Hagemeister, Hemingford.

Dr. Leo M. Thomas, Dean of Instruction

Dr. Lester W. Hunt, Dean of Administration

Bernhard F. Stutheit, Dean of Students

Occupying the administrative position of Dean of Instruction is Dr. Leo M. Thomas. Dr. Thomas is concerned with curriculum, and it is his responsibility to supervise curriculum plans and to revise the curriculum whenever the need for revision arises.

Dr. Thomas is also in charge of instructional planning. Dean of Instruction is a difficult position to administer but Dr. Thomas has carried out his duties remarkably well and with distinguished success. Dr. Thomas has had a great deal to do in making Nebraska State as great an institution as it is today.

### **Deans Assist**

Serving in the position of the first Dean of Administration at NSC is Dr. Lester Hunt. Dr. Hunt obtained his B.A. degree in Business Education and his Master's and Doctor's degrees in School Administration. Besides his experience in teaching, Dr. Hunt has also served on the staff of the State Department of Education.

His duties as Dean of Administration encompass many areas. He is assistant to President Cushing in all business affairs, he coordinates the building programs, and he is in charge of bonds and revenues which are a necessary part of NSC's plant expansion. Dr. Hunt also, serves as acting president when Dr. Cushing is off campus.

## Faculty, Students

B. F. Stutheit has served as Dean of Students at Nebraska State College since 1956. One of his many responsibilities is to act as a guidance director for students at NSC. It is Mr. Stutheit's duty to concern himself with the various activities in which they are affected. He also acts as sponsor of Men's League.

Mr. Stutheit achieves remarkable success in his position, and his manner of handling students' problems is always pleasant, always cordial and informal. He has achieved excellent results as liaison director between students and administration.

Elmer Cook Head Custodian

# **Administrative** Staff Assists Deans, President

All phases of the college are directed or controlled by the deans and other administrative personnel. Student health, welfare, recreation, and living and dining facilities are only a few of the many services governed by the college administration. Most students come into contact with the different departmental functions during their four years at Nebraska State College.

#### Office Staffs Invaluable to Students, Faculty

To handle the necessary paper work and other functions of the Dean of Men's office a large staff is needed. Pat Golus, Billie Cannon, and Frank Russell are three of the five member office staff.

Sandy Maiwald and Sue Martin are the other two members of the Dean of Men's office staff who help handle the business of the Dean's office.

Helen Woolstum is the receptionist in the Dean of Administration's office.

At a rapidly growing college such as NSC, the problems of administration also grow proportionally. Naturally the amount of office work connected with administration cannot be handled by one person alone. Therefore it becomes necessary to employ an office staff who are always ready to help the student who comes into the office and greet him warmly, as these pictures will show.

Handling the large number of records in the Registrar's office requires an able staff. Carolyn Sammons, Judy Jacobsen, Frances Saltzgaber, Carol Thomas, and Irene Hein make up the staff.

The smiles of Janice Watson and Ruth Steinkruger add much to the friendly atmosphere of the Dean of Women's office.

Jean Peck is the head secretary of the Placement Bureau. One of her assistants, Gwen Feis, fills out some papers for a student registering with the Placement Bureau.

#### No Student Misses Meeting Office Help

Irene Young is the friendly receptionist in the office of Dr. Thomas, the Dean of Instruction.

Janna Johnson and Jo Dell Peterson help process the student's credentials at the Placement Bureau in preparing them for high school superintendents.

Mary Ann Spellmeyer, Deloris Burney, Barbara Bauer, and Nellie Kirkwood compose the staff in the Bursar's office to handle the bookkeeping and other duties throughout the year.

Sally Jackson is head of the main office in the Vocational Arts Building. Her friendly smile and good word adds to the pleasant atmosphere of the V.A. office.

Fudge, brownies, sandwiches, and all sorts of eats created many moments of decision for many faculty children. Here Mr. Dale Fitzke helps his two daughters fill their plates from a wide assortment of goodies.

Highlighting the evenings events was the appearance of Santa Claus with gifts for the young faculty children. Santa Claus's helper is Vi Krzycki.

### Faculty Enjoys Visit From Santa

Again this year the faculty held its annual Children's Christmas Party in the Memorial Student Union. The evening's events began with a lunch furnished by the faculty wives. Bingo, dancing, games, and reading stories were only a few of the forms of entertainment provided for the faculty children.

The evening drew to a close when Santa Claus appeared with his cheerful "Merry Christmas" and greeted the children with a bag full of presents.

Entertainment for the faculty children varied from playing bingo to dancing. The young ladies intently watch their cards while waiting for the next number to be called and maybe a bingo.

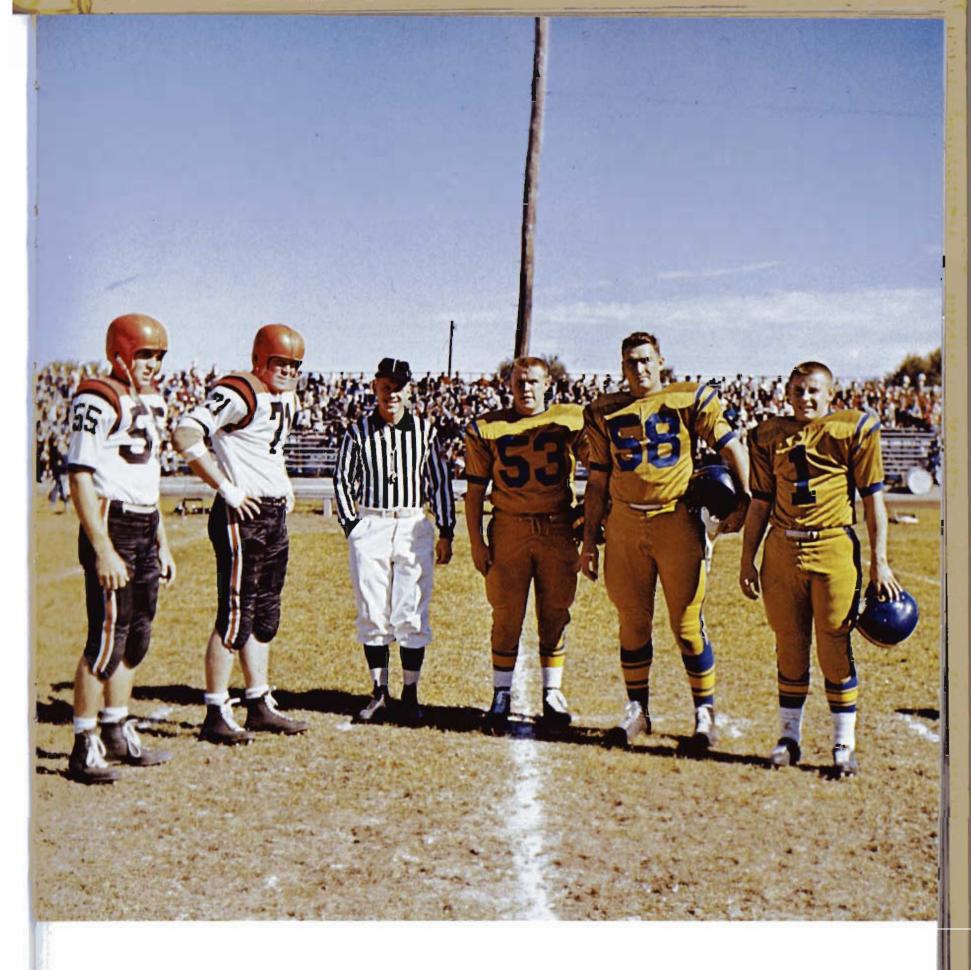

Entertaining the younger set with stories and games was the job of Vi Krzycki and Connie Altmaier. Here Connie Altmaier reads stories to the faculty children as Vi Krzycki looks on.

Meeting at the 50 yard line with the referee for the tossing of the coin were co-captains Bob Clay, Chuck Bolton and Bob Campbell.

#### College Athletes Complete a Most Successful Year

Nebraska State College coaches and athletes had a most successful 1959-60 year. Beginning with spring sports a year ago to the completion of basketball this winter, not one college sport had a losing season.

Coach Charlie Foster's track team last spring won the sixth consecutive conference championship. During the season, the Antelope track and field men won the Doane relays, State Teachers College, NCC Meet, Midwest AAU, meets, Wesleyan and Chadron duals, and placed fifth in the National NAIA meet at Sioux Falls.

The only loss was to Fort Hays in a dual meet. Several athletes set college records including Hircock, Snell, Bolton, and Mason.

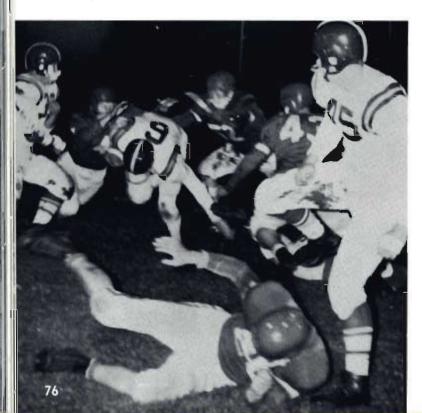

Coach Les Livingston's tennis squad also captured the NCC trophy. Team members were Gary Smidt, Tom Smith, Gary Johnson, Cliff Trump, and Pat Hayden. The golf team won several dual meets but could not capture the conference crown.

Fall saw two conference championship teams on the NSC campus. Coach Allen Zikmund welcomed back more than 30 football lettermen. The gridders again swept through all Nebraska college opposition and captured first place in the conference. Two games were lost—one to Hays, and the finale to Gustavus Adolphus. Nine players were honored as first team members on the conference football team. Back Larry Jacobsen was honored by several selectors who placed him on All-American teams.

The Antelope cross country team won all their Nebraska meets for the fourth straight year. Led by Larry Snell, the harriers dumped Fort Hays, and all Nebraska competition. Entered in the Midwest AAU meet in Omaha, the Kearney team defeated the University of Nebraska squad. On the following weekend, the team took second place in the National NAIA meet in Omaha.

Coach Livingston's basketball squad finished in the top half of the NCC for the fourth straight year although they failed to qualify for the District II NAIA playoffs. Led by senior Paul Collison and little George Haun, the cagers played all their games away from Kearney. The home contests were played in nearby high school gyms while half the schedule was played in opponents' gyms. The season saw the apparent end of games with Midland, Dana, and Concordia as these three teams withdrew from the Nebraska Col-

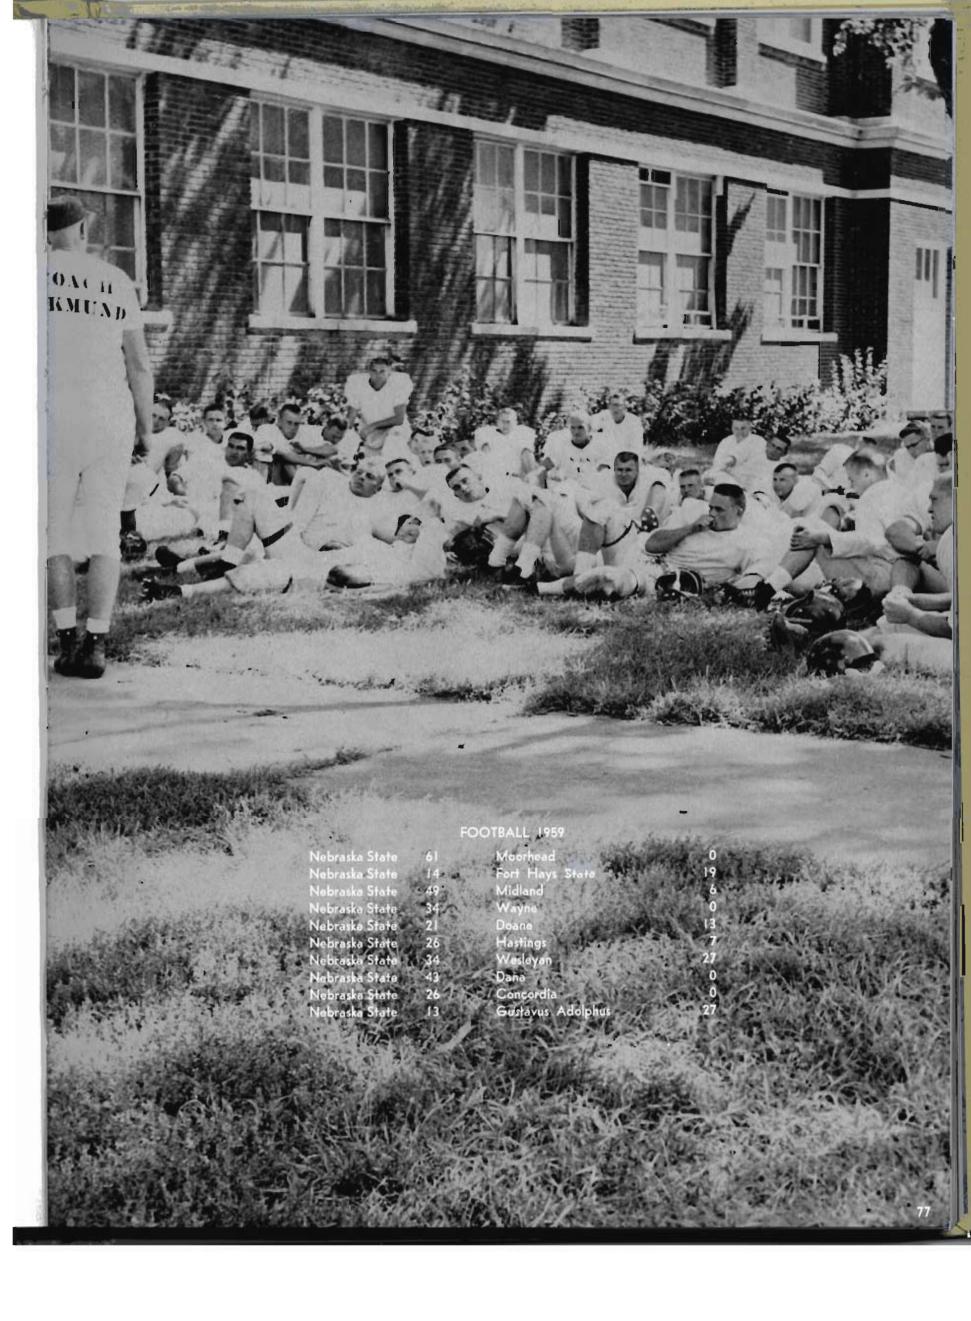

lege conference.

Looking to the future, things look bright. Intramural wrestling was introduced with meets with other colleges scheduled for next year, and the hiring of Mr. Bill Giles, who will be head baseball coach next year. Construction on the new \$1,361,000 fieldhouse gym got underway after bids were let March 18. Completion of the facility is set for Sept., 1961.

Intramural basketball completed another year as 250 men were members of 26 teams in two leagues. A double elimination tourney in February ended play for the men enrolled in the program.

#### B Team Enjoys Undefeated Season; Dumps Hays Twice.

Nebraska State College B Team football team enjoyed another undefeated season this fall.

No Nebraska college will play the junior Antelopes so the only games the frosh play are a home and home arrangement with the Fort Hays seconds

The first game this year was played on the home gridiron and saw Jerry Dunlap and Howard Jackson lead the Nebraskans to a 21-6 victory.

To win, the Antelopes had to overcome a 6-0 halftime lead assumed by the Kansans.

In the final periods, Dunlap scored on a 2 yard plunge, Howard Jackson scored on a 29 yard run, and on a two yard plunge after Jim Shepherd had put the ball on the two after catching a Jack Wilson pass.

Wilson kicked all three extra points for the scores.

For the Antelopes, Minden frosh Jim Reisinger looked sharp on the defensive side.

Kearney gained 225 yards to just 155 for the Hays eleven.

In the return game played at Hays the NSC'ers pushed the Hays team all over the field but could only score one touchdown.

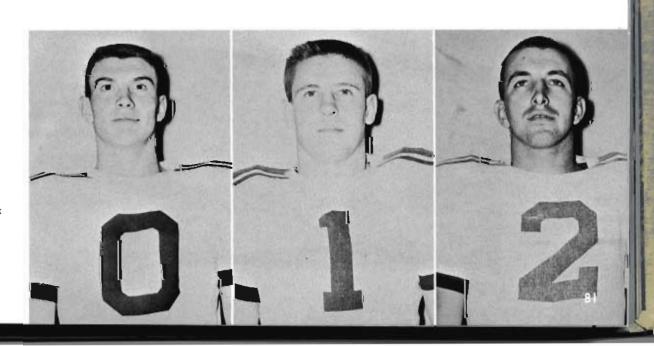

Daryl Broberg scored the only score of the game as the Antelopes won 8-0 to sweep this year's series.

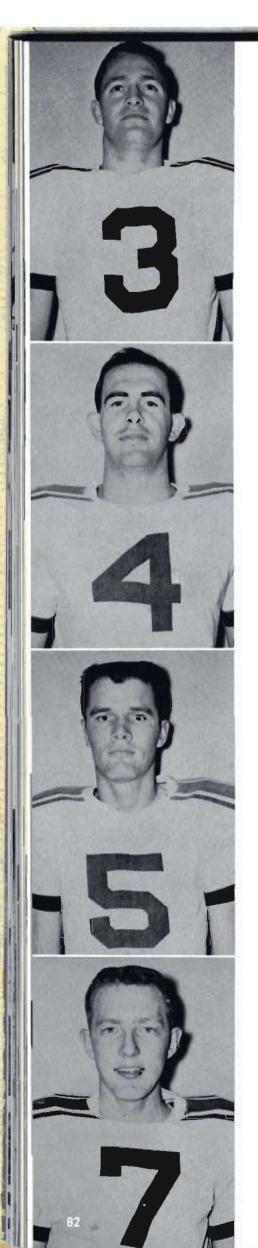

No game statistics were kept for the Antelopes in the game.

#### Antelopes Humiliate Moorhead 61-0 in Opener

The Nebraska State College Antelope gridders opened the 1959 football season with a decisive 61-0 victory over the Moorhead, Minnesota, Dragons on the home field.

Bill Peck scored the first touchdown of the season as he intercepted a Moorhead pass and ran 40 yards for the score. Bob Campbell scored in the second quarter as he caught a pass from Gene Lawhead on the 38 and outran the defenders. Still in the quarter, Gene Lawhead scored on a two yard quarterback sneak and Larry Jacobsen ended first half scoring with a 71 yard punt return.

Jake started out where he left off in the first half as he ran 94 yards on an off-tackle play. Later in the second Jerry Rerucha took a Lawhead pitchout and scampered 59 yards to score. Coach Allen Zikmund then substituted freely as all 60 men suited up for the game saw action.

The team scored three touchdowns in the final quarter. Don Wisch took a Harry Boss aerial good for 19 yards, Don Patton scored on an 8 yard jaunt, and Jake ran 90 yards for the final marker.

Total Yards: NSC, 560; Dragons, 168. Larry Jacobsen carried the ball 9 times and gained 230 yards.

Defensive men stop the Hays ball carrier on this play. Ready to stop the gain are Jacobs (45), Jake (10) and Welte (22).

Fort Hays defenders stop Gene Lawhead's gain here. Howell (14) and Casper (11) put the end to the run.

#### Hays Ends NSC Winning Streak; Dump Antelopes 19-14

Fort Hays, Kansas, Tigers ended the NSC 13 game winning streak with a home 19-14 win over the Antelopes. The win also ended the Kearney mastery over the Kansans at 3 games.

Breaks decided the game as Fort Hays was able to take advantage of theirs while the Antelopes seemed unable to mount a consistent team effort necessary to dump the Tigers.

Thirty-two Antelopes saw action in the game which saw Kearney win every statistic except the final score. Kearney scored the second time they had their hands on the ball as they marched the length of the field with Larry Jacobsen scoring on a 10 yard run.

Hays then took advantage of the first break of the game as they recovered a Kearney fumble of one of their punts. Seven plays later and after two great catches by end Miller, the Tigers scored the tying marker.

Hays intercepted a Lawhead pass on the next series and ran the ball back to the Kearney 10. The defensive line held but the wind held back the Kearney punt which went out of bounds on the 23. The Tigers were not to be denied this time as Hooten threw a perfect pass to Leiker for the score.

Frustrations continued to pile up in the face of the Antelopes in the second half. Dropped passes, inability to open holes in the lines, and a roughing the kicker penalty all combined to keep the Antelopes in the hole. Hays went out ahead 19 to 7 as they completed a short pass from Casper to Stevenson for their third touchdown.

On the first play of the last quarter, the Antelopes scored as Bob Campbell took a hand-off pass from Lawhead and ran 74 yards to score.

The team could not score again as fumbles, interceptions, and penalties all combined to stop them.

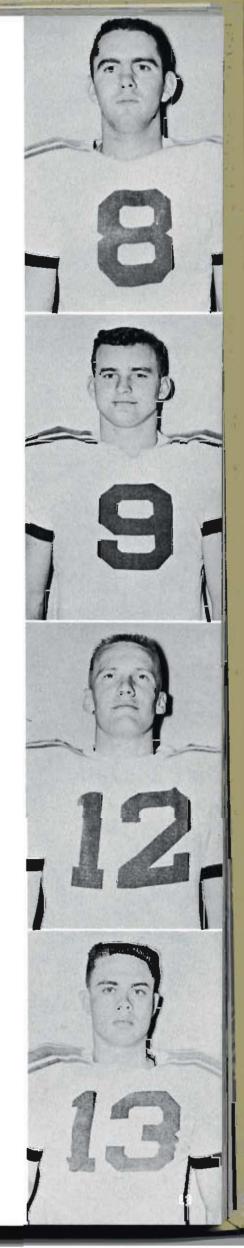

Total yards: NSC, 314; Tigers, 168.

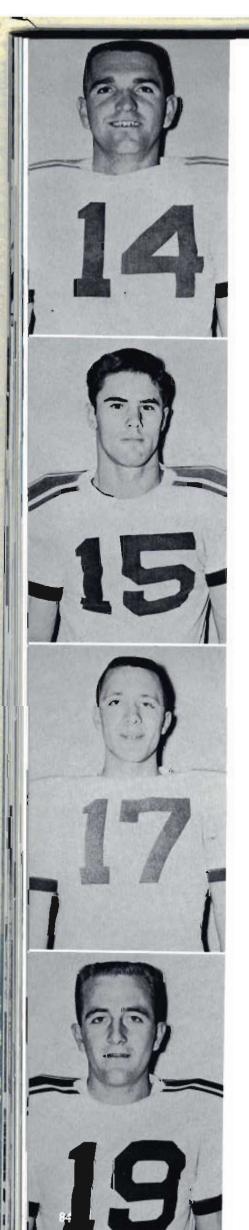

Paul Peterson Bertrand Back 5-9; 190

Opening the defense of their NCC crown, the NSC Antelopes easily trounced the Midland Warriors 49-6 in a game which marked the final meeting of the two colleges as Midland withdrew from the conference later in the year.

The game was no contest as all the visitors had to offer was a freshman passer, Bill Nelson who threw 48 passes and completed 23.

For the Antelopes Larry Jacobsen was offensive leader as he ran for 177 yards.

It took the Antelopes just four plays to score as Jake hit paydirt on a 41 yard gallop. After holding the Midland team, the Antelopes scored again as runs by Bob Campbell and Gene Lawhead put the ball on the 9 yard line. There Lawhead passed to Gary Welton who took it across the goal line. Still in the first half, Kearney scored on drives of 81 and 47 yards. Jake scored the third marker as he made successive carries of 24, 14, and 31 yards. Nelson Hinkle scored TD 4 on a 2 yard plunge.

The second half was a repeat of the first as the Antelopes could not be stopped even when the coaches swept the benches and allowed all suited up an opportunity to play. Dan Arnold, defensive back, set up the first marker as he stole a Warrior pass and ran back to their 22 yard line. Five plays later, Jerry Rerucha scored.

The next time the Antelopes had the ball they scored as Jim Jacobs caught a Lawhead pass for a 23 yard gain. Jacobs scored the seventh TD as he caught a 12 yard pass. Larry Holland kicked all 7 of the extra point attempts.

Meanwhile the Midland team scored on a 25 yard pass from Nelson to end Gary Hunt.

Total Yards: NSC, 457; Warriors, 143.

#### Midland Is First NCC Victim, 49-6.

Nelson Hinkle crashes into the end zone as Bolton (58) and Haefele (49) help clear the way. Catching pass number 2 for TD 2 is Gary Welton who outdistanced all the Warrior defenders.

Defense played the big part of the game at Wayne as the Antelopes met the Wayne Wildcats in NCC game 2.

Although the score was 34-0, both teams played great defensive ball throughout the 3rd quarter when neither team could make a first down.

Wayne held the vaunted Antelope attack on the six inch line in the first quarter but the Antelopes roared back on the next series of plays to score as the Wayne punt went ouf of bounds on their 15 yard line. Bob Campbell caught a Lawhead aerial in the end zone to break the scoreless tie.

Larry Jacobsen, playing before a large hometown audience, took charge of the next touchdown as he carried from the NSC 30 to the Wayne 5 on two plays. Steve Kraus scored on the fourth down play. Late in the first half, Kearney scored again as Jim Jacobs fought off two Wayne defenders and grabbed a Lawhead pass to give the Antelopes a 21-0 lead.

Even though the Antelopes did not get a first down in the third quarter, they managed to score. Jacobsen pirated a Wayne pass and ran back to the 3 yard line before he was run out of bounds. Lawhead used a quarter-back sneak to score.

The final score of the game came in the fourth quarter as Jacobsen caught a Lawhead pass on a 7 yard play. Holland kicked 4 of the 5 extra points, his perfect string ending at 17.

Wayne was inside the Kearney 20 yard line just once, that in the final minutes of play as the NSC third team was in the lineup.

In pursuit of Bob Buchanan of Doane are Liveringhouse (36) and Bolton (58) in the Homecoming fray.

Homecoming this year saw the Antelopes please the old grads as they edged pass the Doane College Tigers 21-13 in a thrill packed game played on a perfect fall afternoon.

Perhaps the NSC'ers got the first score too easily as they scored the first time they had possession of the ball. Larry Jacobson did the lion's share of the carrying of the 65 yards as he scored on an 8 yard run.

Doane came right back to show some offensive power of their own as they drove to the Kearney I before they were stopped by a 5-yard penalty and some fine defensive play.

Midway in the second quarter, the referees gave the crowd something to talk about besides the bruising line play as they inadvertently gave the ball to Doane after a quick kick when the ball should have gone over to the Antelopes. When the confusion ended, Kearney had the ball but had lost five yards in the exchange. However, Kearney fumbled the ball to Doane who then marched to score their first marker. A lineman blocked the extra point try and Kearney led at half time 7-6. NSC was inside the Doane 15 yard line three times, but could not push across the marker.

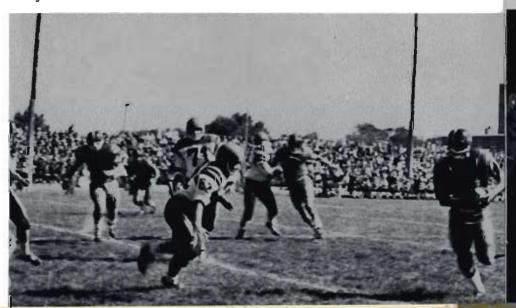

Dave Duff, Antelope guard, picked up a NSC fumble in mid-air and ran 55 yards to score the Kearney team's second score early in the third quarter. Still in the same period, Larry Jacobson ran 51 yards to insure victory.

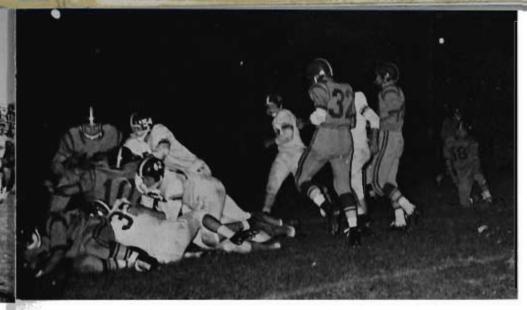

With third and fourth team men in the game, Doane scored their second TD with only a few minutes remaining in the game. End Gary Beckwith got behind Kearney safety men to grab a 70 yard pass-run play. Meanwhile Kearney was thwarted twice by the Tigers as they got inside the ten yard line but could not push across the scores.

Total yards: NSC, 364; Tigers, 238.

Rugged play in the Kearney Hastings game is typified by this play in which Bolton, Jacobsen and Kraus are met by Pequette (32) Luther (62), and Hays, (54).

Tearing down the goal posts signified the end of an era at Hastings as the Antelopes ended the Home Field jinx of Coach Tom McLaughlin over NSC mentor Allen Zikmund. the 26-7 win over the Broncos was the first time that Kearney had beaten Hastings at Hastings and in some part helped erase the shellacking received on the same field two years earlier.

The game was a typical NSC-Hastings affair with both teams battling for the victory. Kearney started out as though they meant to make a runaway of the contest as they drove 80 yards for the first marker. Scoring the touchdown was Kraus on a 9 yard run. Actually the key play was a gamble on the NSC 30 yard line on a fourth down and I foot situation.

Before the Kearney crowd had stopped cheering, Vince Bramer recovered a Hastings fumble on the ensuing kickoff. In just seven plays, the Antelopes scored as Lawhead went around left end for 7 yards.

Hastings bounced back and scored on the next series of downs as they moved down the field scoring on a 33 yard pass from Jim Peterson to Dave Williams. NSC again drove goalward but the Hastings defense held on their

In the third quarter pass interceptions by Doug Marcy, Don Patton, and Steve Kraus nipped any Hastings aspirations for scoring. Meanwhile the Antelopes scored on a 37 yard pass play from Lawhead to Bob Campbell.

Kearney scored the final marker with a minute left to play as Lawhead ran 2 yards to score.

#### Kearney Edges Past Fired-up Plainsmen 34-27.

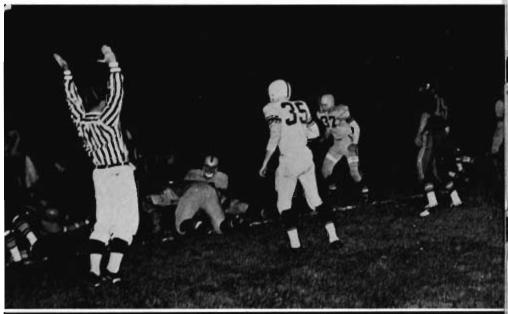

It took an all-out team effort for the Antelopes to turn back the challenge of the Wesleyan Plainsmen in Lincoln on October 34-27.

Behind for the first time in many NCC games, the champion Antelopes showed they were true champs as they roared back in the fourth quarter to win the game. With 10 minutes to play Kearney was behind 20-27.
Wesleyan coach Keith Skogman had labeled the Antelopes the Oklahoma

of the NCC and the Wesleyan outfit was out to upset the rulers.

The Plainsmen scored first as they used the airlanes to score rather easily as they continually kept the defense outguessed by their aerials. It took the Antelopes just two plays to get the equalizer as Steve Kraus took a handoff and raced 80 yards to score.

Scoring the tying TD in the fourth quarter is Bill Peck as he plunges in from one yard out.

Gene Lawhead is off around right end on this play which took the ball to the 15 yard line

Kearney held the hometowners the next series, but the team got the ball back as a Kearney back fumbled the kick. Wesleyan again took advantage of the break and scored on a pass play to Sell.

The second quarter found the Antelopes scoring twice. Nelson Hinkle used a quarter back sneak of one yard to get the first one, and Jerry Rerucha scored the next one on a 9 yard run after an earlier I yard run was called back by a holding penalty.

Wesleyan took over the two touchdown chores as they scored twice in the third quarter. Kearney was goalward bound when Johnson intercepted a Lawhead aerial and raced 77 yards to score. Minutes later, Wesleyan went into

a 6 point lead as Sell again caught a scoring pass.

Bill Peck made the tying touchdown in the fourth quarter as Kearney made 2 markers in the final ten minutes of play. Peck slid into the end zone on a I yard run. With just five minutes remaining, Larry Jacobsen scored on a 9 yard plunge. Paul Peterson kicked 4 of 5 extra point tries.

Total Yards: NSC, 502; Plainsmen, 190.

Less than 100 fans watched the Kearney State Antelopes mud to a 43-0 win over the hapless Dana Vikings in a Teacher's Convention weekend game at Kearney.

Originally planned as a Parent's Day game, the contest was played in 20 degree weather with a cold rain falling during most of the fray. A handful of hardy parents braved the elements to watch the game.

Every one of the 51 who suited up for NSC saw action in the fray as the coaches swept the bench in an attempt to hold down the score. Many of the fourth and fifth team players saw as much action as did those on the first team.

The Antelopes scored on the first play from scrimmage as Steve Kraus sprinted 74 yards for the score. The second marker of the quarter was made by Larry Jacobsen who scored on a 3 yard plunge after he had carried the ball from the 31.

#### Dana Vikings Mudded Under, 43-0.

Just one marker was scored in the second period. Again it was Jacobsen who countered as he piled into the end zone on a 1 yard play.

After the warmup and dryout intermission, the reserves played the majority of the contest. Bill Welte, defensive center, scored TD 4 as he stole a Dana pass on their 36 yard line and sloshed to the touchdown. Jacobsen scored the next TD and only extra point of the evening, this time on a 5 yard run.

Scoring the final markers were Don Patton, on a one yard run, and Ken Kuhn, on a 2 yard run. Both men had put the ball in scoring position on preceding plays by nifty runs on the muddy turf. The game marked the last football game between the two schools as Dana has since withdrawn from the conference.

#### Antelopes Capture NCC Crown With Concordia Win, 26-0.

Kearney's vaunted defense won the last NSC-Concordia tilt, 26-0 as the team contained the Concordia attack and set up all four Kearney scores.

The Antelopes were either looking forward to the final game of the season or taking the Bulldogs too lightly as Concordia held the Antelopes at bay throughout most of the game played on a frozen field made treacherous by thawing of the surface.

Kearney could score but once in the first half. With 5 seconds gone in the second quarter, Steve Kraus gathered in a Gene Lawhead aerial on the 15 and ran to score. Neither team could mount an offense the rest of the first half.

The third quarter was all Concordia as they dominated play. They drove to the Kearney one before the NSC defensive line stopped them as Francis Hircock pounced on a Bulldog fumble.

Skipping into the end zone with the last TD is Bob Campbell as Floyd Wozniak (40) blocks out the opposition.

Kearney's defensive squad insured the victory in the final quarter as they took matters into their hands. Defensive back Bill Peck intercepted a Bulldog pass and raced 78 yards to score aided by several beautiful blocks from alert defensive players. Seconds later, Patton fell on a Bulldog fumble on the 8 yard line. Kraus scored again, this time on a one foot dive.

Kearney's final score was initiated by the defense which again came up with a Concordia fumble. From the 35, the Antelopes scored in 5 plays. Bob Campbell skipped into the end zone on a 7 yard carry.

The victory insured a Kearney repeat as NCC king with a 7 win, 0 loss record.

Minnesota emerged as victors in the title game between the powers of Nebraska and Minnesota in the NSC-Gustavus Adolphus fray played in Kearney in 10 degree weather with a 30 mile north wind on Nov. 13.

The 13 was a bad omen for the Antelopes as they succumbed to the mighty Gusties 27 to 13.

A small crowd of hardy football fans saw the Antelopes hold the heavier, faster Minnesotans to a 7-0 half time lead. Except for a 15 yard penalty called against the Antelopes, the half might have ended scoreless. A piling-on call against NSC took the ball from the 31 to the 16 yard line where Dick Johnson bulled his way to the end zone for the GA touchdown.

During the third quarter, the visitors took command both offensively and defensively. The giants from Paul Bunyan land manhandled the Kearney forward wall to move down the field with comparative ease. Johnson scored again as he drove into the end zone from the 4 yard line. They scored again in just six plays as Mark Skoog, 215 lb. fullback scooted 31 yards to make the score 20-0.

Larry Jacobsen clears a path for ball carrier Jerry Rerucha as the Antelopes attempt to move against the Minnesotans.

Skoog set up the final score for the Gusties as he took a handoff and raced 73 yards through the entire NSC squad only to be nailed from behind on the 6 yard stripe. Johnson took over the scoring chores as he scored on the next play.

It wasn't until the fourth quarter that the Antelopes averted a shutout as a 58 yard drive was capped by a Lawhead to Charlie Thorell pass good for a 6 yard TD. Minutes later, the Antelopes took over the ball on the Gusties 28 yard line and scored with Hinkle going over after Jim Jacobs hauled in a Hinkle pass on the 1.

This was the first loss on the home sod for the Antelopes in the five years under Coach Allen Zikmund's tutelage.

# Antelopes Lose to Hays, Midland Race Past Concordia to Win First

With nine lettermen returning, Coach Les Livingston looked for a team to equal last year's record. To open the season, the NSC'ers lost an 82-65 game to the Fort Hays Tigers on the Tigers' home court. Top scorer in the game was Paul Collison with 14.

Opening the NCC chase, the Kearney team traveled to Fremont and Seward to play Midland and Concordia.

The Antelopes led the majority of the game against the Warriors only to see the Midland five win the contest 70-68 on a jump shot in the final seconds by Denny Groves. George Haun was high point man for the NSC five as he scorched the nets for 20 points.

Feeling the wrath of the Kearney team the next night were the Concordia Buildogs as the Antelopes raced to a 97 to 75 win at Seward.

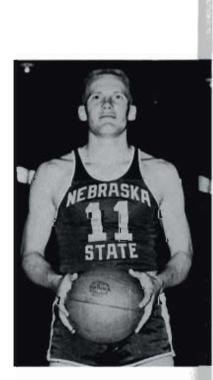

Every man on the 12-man traveling squad saw action in the game and all men hit the scoring columns. Leading scorers were Paul Collison with 24 and Tom Williams with 13.

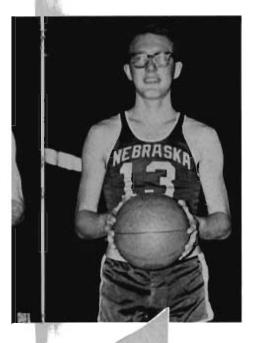

Kearney's defense was especially noticeable as the team held the Concordia team scoreless for 7 minutes during the second half.

Only liberal substitution by Coach Livingston held the final score under the century mark for the Antelopes.

Scoring for a two-pointer against the Huron Scalpers is Don Nelson as he connects with a hook shot.

#### Visiting Huron Scalpers Defeat NSC 68-59; Wesleyan Ekes Past Antelopes 70-61

Kearney's next two games were played during Christmas vacation. With classes dismissed, very few students stayed in Kearney to see the games which were played at Axtell and Minden.

Huron had been defeated by Hastings on the previous night but had no intention of going back to South Dakota without a victory under their belts.

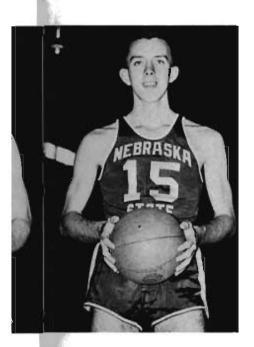

Kearney was in the lead several times during the first half, but during the final 25 minutes of play could never get closer than 4 or 5 points to the visitors.

Most of the small sized crowd watched Huron coach Don Bartlett (who continually complained to the officials) more than they did the game.

George Haun was high man for NSC with 16 points, followed by Hank Dicke with 11.

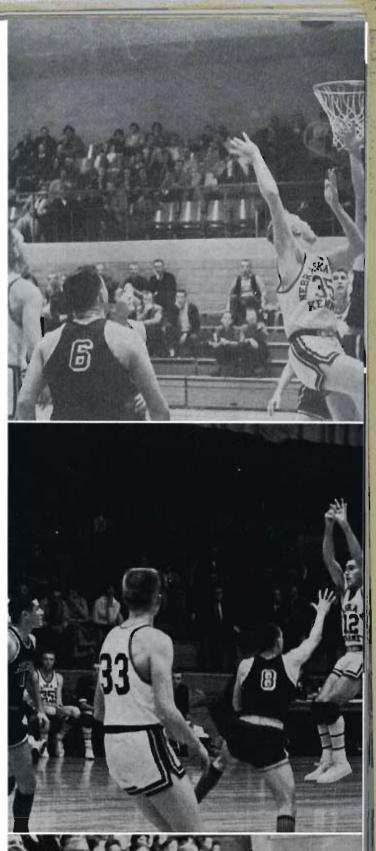

Nebraska Wesleyan, expected to be one of the two teams to beat for the NCC crown barely escaped with a victory over their much shorter NSC opponents in Minden on Jan. 2, 70-61.

The Antelopes led most of the game actually scoring more field goals than the Methodists. Free throws made by the Lincoln five made the difference especially in the final minutes as the Antelopes fouled in an attempt to get the ball. Bill Peck held vaunted Rudy Stoehr to just 18 points, the same as scored by NSC's Paul Collison.

#### Antelopes Blast Doane Tigers 89-59; Wayne Wildcats Cop 91-78 Victory

Coach Les Livingston's NSC Antelopes took NCC victory 2 as they easily outdistanced the Doane College Tigers, 89-59 in Bertrand on Jan. 8.

Only during the opening minutes were the Doane five able to make a close game of the contest. With Paul Collison and Hank Dicke leading the way, the Nebraska Staters were never in trouble.

Bill Peck and George Haun combined to force a full court press attack on the Tigers. By the time the Tigers got the ball across midcourt, they were so befuddled they couldn't work for a good shot.

In addition to playing a good offensive game, Hank Dicke was especially good under the baskets. He grabbed many rebounds and scored 13 points to Collison's 17.

All 15 men on the traveling squad saw action; many of the third five saw as much time in the game as did the first five.

Seeing action for the first time were Dennis Snell and Dave Staehr.

Wayne's Wildcats clawed their way to a 91-78 victory over the Antelopes in a game played in Ainsworth on Jan. 9.

Apparently bothered by fatigue, the Kearney five fell behind in a frigid first quarter and could never close the gap. They could hit but 2 field goals during the first ten minutes.

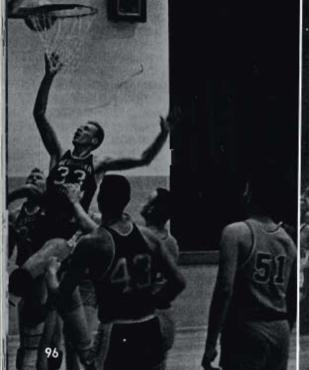

Wayne's Larry Coney equalled a Wayne record as he hit 32 points to lead the Cats. His came on but 8 baskets but he scored 16 free throws to lead his teammates to the victory.

For the Antelopes, George Haun thrilled his hometown friends with his 17 points to lead the Kearney team. He hit 7 of his pet set shots.

Next highest were Collison and Dicke with 13 each. Gary Mason played his best game of the season until an ankle injury forced him to retire in the second half.

# Peru Five Eke Past Antelopes; Cagers Dump Midland, Blast Dana

History almost repeated itself as the NSC Antelopes led the Peru Bobcats for three quarters only to fall behind in the fourth period on Peru foul shots and lose 78 to 69.

The Kearney five took the lead early in the game and led throughout the first twenty minutes as Peru could not seem to get going. At the rest time, NSC was ahead 34 to 26.

It was the hustle, desire, and drive of the Antelopes that led them to the half time edge as the much taller Bobcats played individually.

During halftime. Coach Jack MacIntyre apparently gave his charges the victory formula for the Peruvians came onto the floor and proceeded to make up the deficit and took the lead at 52-51 and pulled ahead by seven before the Antelopes fought back. With just five minutes remaining, the score was 62-61 Peru, but in attempting to gain control of the ball, the NSC'ers fouled and Peru converted the gift tosses to ice the game.

After traveling home from Ord, the Antelopes jogged to Axtell to play the undefeated Midland Warriors the next night. By

a whopping 95 to 64 score, the Livingston coached crew proved that the Fremont five was not invincible.

The game was a game in which the Antelopes could do no wrong and the defense forced the Midland crew into countless mistakes. After the coach juggled the starting lineup, it took the team just minutes to forge into a lead they never surrendered.

After a 19 to 8 first quarter, the Antelopes roared to a 48-28 halftime lead. Subs saw action much of the final half as George Heun hit for 23 points to lead all scorers.

Dana College Vikings fell to an improved Antelope team at Dana on Jan. 23. Although the game was a ragged affair, the Kearneyites won 77 to 47 to avenge a defeat suffered last year. A small crowd of 200 people watched the contest played at Blair.

Hank Dicke and George Haun hit for 12 points each to lead the Antelope team who all saw action and all scored as the team was ahead all the game.

## Antelopes, Eagles Split Twin Bill Event at Chadron

Battling to stay in contention for the playoff spot in the NAIA District II play, NSC Antelopes made the 320 mile trip to Chadron. A split in the two game series enabled both teams to remain tied with a 5-5 season record.

In the Friday night game, the NSC'ers could do nothing correct and dropped a 72-62 contest to the Eagles. Most of the game saw the Kearneyites just a few points behind, but they didn't have the chance to pull ahead. George Haun fouled out early in the last half to lessen the team's chances. Collison hit 14 and Peck 13 to lead the Antelopes.

The Saturday night contest found the Antelopes even the series by taking a 65-59 verdict. The final score was the largest lead of the night as Chadron led most of the game only to fall behind in the last five minutes.

For the Antelopes, the game was a much better display than the previous night's ragged contest. The NSC'ers stalled out the final five minutes as Haun and Collison each hit 15 points.

#### Cagers Defeat Hastings Broncos 82 to 66

The annual NSC-Hastings battle saw the Antelopes come out on the long end 82-66 in a game played in Minden.

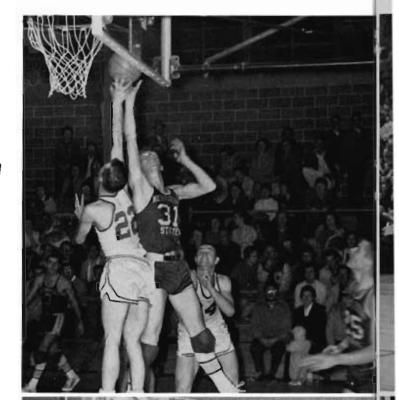

The Broncos made a contest of it only in the opening minutes as both teams hit consecutive buckets until the score reached 12-12. Then the Antelopes were never headed and led at halftime 37-31.

In the second half, the margin increased as NSC led by 18 points several times. With Coach Les Livingston substituting freely, Hastings began to close the gap but was unable to do so.

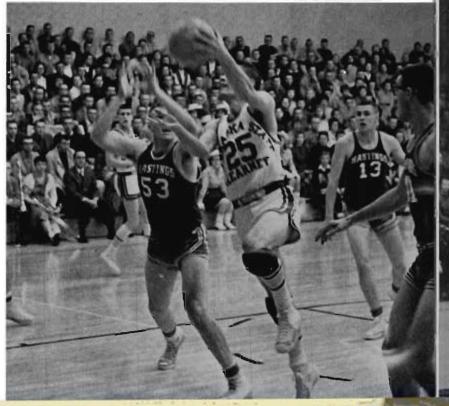

Paul Collinson had 19 and Gary Hohnbaum 18 for Kearney.

Going in all along for a lay-in is Gary Hohnbaum. No Hastings defenders could keep up with the Nebraska State ace.

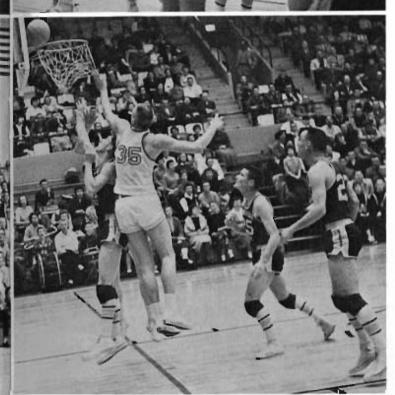

Nelson Hinkle lets loose a hook shot against 4 Hastings men who watch the action. Other Kearney players are not in the scene as they get ready on defense.

# Antelopes Drop Pair on Road to Wayne Cats, Wesleyan Plainsmen

Having to take the road for the third consecutive weekend found the NSC cagers bowing to the Wayne Wildcats 93 to 80, and to the Nebraska Wesleyan Plainsmen 90 to 71.

In the Wayne contest, the hosts started out with a 9 point splurge before the Antelopes ever scored. For the most of the game, the Cats held or increased that margin. Midway in the final quarter, the Antelopes, led by Paul Collison pulled to within 3 at 62-65, but Ron Raver, who hit 30 points, pulled the Wayne five back into a commanding lead.

Definitely showing results of road fatigue, the Kearney five just couldn't get rolling.

Paul Collison had 24 points and George Haun 18. Several players were handicapped with severe colds.

Helping Nebraska Wesleyan celebrate their 1,000th basketball game fell to the lot of the Antelopes. Special half-time ceremonies honored the basketball greats since 1905.

The Antelopes fell 9 points behind at the start in this game also. They were never able to close the gap more than 10 points after the opening minutes as the Plainsmen were extremely hot at the field goal shooting line. During the first half, the hosts hit over 60% of their attempts.

David Staehr, York Henry Dicke, Stratton

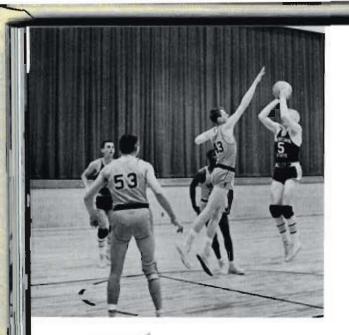

The Antelopes held the vaunted Rudy Stoehr to just 16 points, far below his season average. However, in concentrating on Stoehr, they let Jim Mumford get loose for 20 points.

The Kearneyites were still fighting the effects of the flu and colds and were not up to par with the Wesleyan crew.

Collison again led the Kearney team with 17 points. All 12 men on the traveling squad saw action and all hit the scoring column.

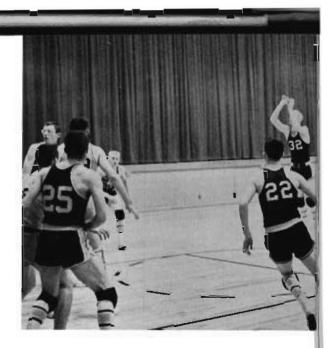

Dr. H. V. Smith of Kearney was one of the honored basketball players, representing the 1920-25 years.

Attempting to shoot during the Wesleyan game is Wayne Casper although he is being hindered somewhat by several Plainsmen. Waiting for the rebound are Williams (23) and Collison. Hinkle is in the background.

Another player who action in only the home contests was Gil Quadhammer. Here he lofts one as the reserves play on even terms with the Doane subs

#### Antelopes Dump Doane, Lose to Peru on Final Weekend Road Trip

The travel weary NSC cagers hit the road for the final two day trip of the 1959-60 season as the Antelopes split the two contests.

Friday night, Febr. 12, the Livingston-men dumped the Doane Tigers 82-72 in a contest which saw the Antelopes lead during most of the first half only to see the hosts pull back in the second half to take the lead. It was only in the final minutes of the tilt that Kearney pulled ahead mostly on free throws and baskets on the semi-stall type of game the team went into.

George Haun held the vaunted Doane scorer Gene Velloff to just 10 points during the first half but was charged with 4 fouls and had to play another man in the second half. Teammates took over the guarding task and held the second semester player to just 26 points, far below his 40 points per game average of games played previously.

Leading the Kearney team were Paul Collison, Haun, and Wayne Casper who hit 19, 15, and 13 respectively.

Peru's Bobcats took the second contest of the season from the Antelopes as they raced past the Kearney five 87 to 68.

It was a case off too much height and speed for the Cats as they came from behind in the first half to lead at rest time 41-36. In the second half, the Kearney team hit a cold spell and did not score while the Peruvians were getting 14 to ice the game.

Big Bob Mayo led all scorers with 29 points. For Kearney the same trio as at Doane were the high point men, Collison getting 16: Haun 12: and Casper 11.

The game killed all chances for the Antelopes to get into the NAIA District II playoffs as the BobCats assured themselves of fourth place with the victory.

Other teams in the playoff were Wayne, Wesleyan, and Midland.

#### Peck Leads Team to Rout Over Concordia

Bill Peck hit his season's high as he scored 19 points to lead the Antelopes to a 90-68 rout of the Concordia Bulldogs.

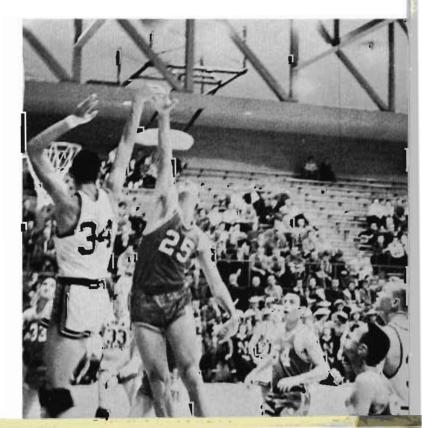

The game was the final meeting of the two schools in Nebraska College Conference competition as the Seward school has left the league.

During the first half, the Bulldogs kept pace with the host Antelopes as they battled on even terms for the first 19 minutes leading 40 to 38 before the NSC'ers jumped to a 46 to 40 half time edge.

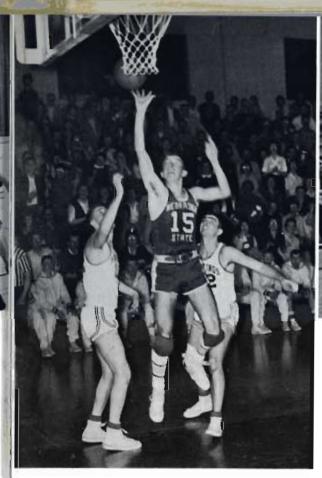

Concordia could do no right in the last half as the hosts quickly pulled out to a 15 point lead and coasted home. At one point, the Antelopes' lead stood at 85 to 58. With the third team in the game for the hometowners, the Bulldogs pulled up to the final score.

Paul Collison hit 16; Tom Williams, 14; and Wayne Casper 11 for the Kearney team.

The victory gave the team an 8-8 record in NCC play and assured them of at least a tie for fifth place.

In the first NSC-Peru game, played at Ord, Hank Dicke shoots and scores over the outstretched hand of Peru's big center, Bob Mayo.

Wayne Casper battles Hastings defenders to score a first half basket in the annual game in the Bronco

Tom Williams scores a fast break basket against the Concordia Bulldogs as Bill Peck watches the action.

Up for an easy basket against the Dana Vikings is Bill Peck. Watching are Snell, Hinkle, and Boss.

#### Final Two Games of 1959-60 Season Sees Win Over Dana, Loss to Hastings

A split in the final two basketball games of the season brought the Nebraska State College basketball record to an NCC finish of 9 wins and 9 losses and an overall season's mark of 9 and 11.

For the Les Livingston crew, the finish found a fifth place spot in the NCC, the lowest place during Coach Les Livingston's career at NSC.

In what was probably the final Kearney game to be played in the Axtell High School gym, the Antelopes coasted past the Dana Viking crew 80 to 63.

A small crowd of 160 people watched the loosely played game as the Antelopes took an early lead and were never threatened. At the end of the first quarter, the NSC'ers had a 21-9 margin and continued to hold the 12 point bulge throughout most of the tilt.

At halftime, the Antelopes had a 39-28 margin. Within a few minutes of the last half, the Kearneyites pulled to an explosive 50-31 lead. The reserves then took over the scoring chores and held the Vikings at bay.

High scorer of the game was Larry West of the Viking crew. Hitting his 15 to 20 foot jump shot with deadly accuracy. West hit for 16 baskets and 1 free throw for 33 points.

Paul Collison and George Haun each hit 17 to lead the hosts. Eleven Antelopes scored during the rout. Paul's 17 points gave him a four-year career total of more than 1,000 points.

In the final game of the season, the Hastings College Broncos upended the Antelopes 73 to 69.

The Antelopes led only in the opening minutes of the contest holding a 16-14 lead before the home town Broncos took the lead for good.

Hastings continued to open a lead and held a 49-38 margin as the teams went to the rest period.

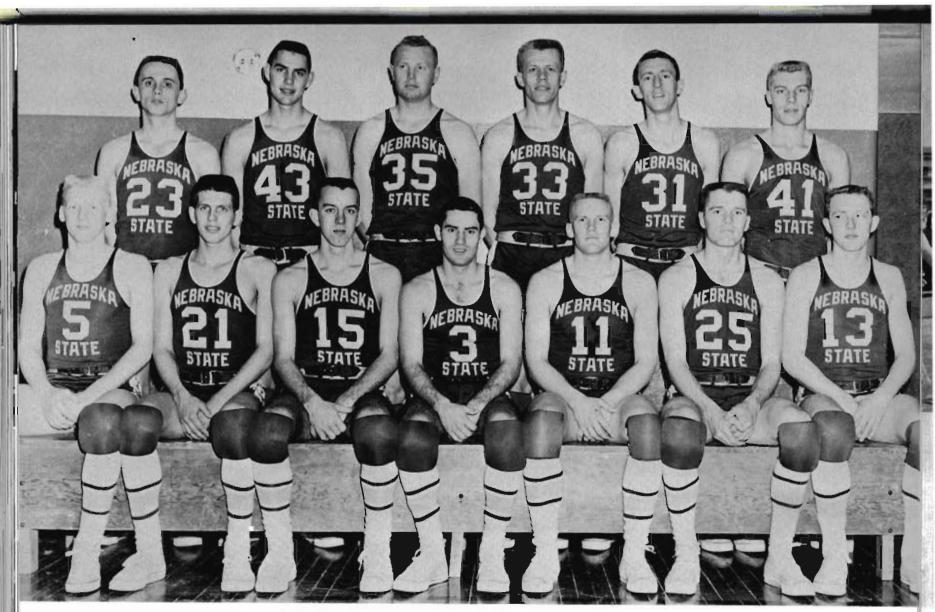

The nine point bulge was barely enough as the Broncos scored but 7 baskets while the Antelopes scored 14 buckets. However, the officials failed to call a foul on the hosts for the final 12 minutes of the game while calling 14 on the Antelopes. The closest the Antelopes got was 67-69, but the team was unable to score the basket to tie.

High scorer for both teams was Paul Collison who hit for 21 points. Wayne Casper had 15, and Haun 13 for the Antelopes.

For Hastings, Fred Johnson had 20 points.

When the verdict was sealed, Hastings College students tried to "yell" for a school holiday on Friday, but college officials failed to yield to their demand.

A large crowd of students from NSC, actually larger than the Hastings College aggregation attended the contest.

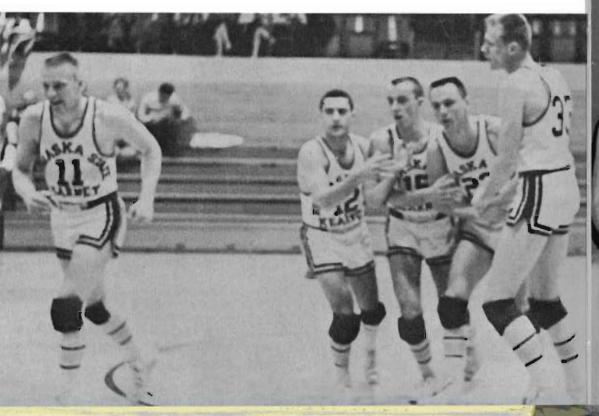

BACK ROW: Tom Williams, Hank Dicke, Don Nelson, Paul Collison, Gary Mason, Dave Staehr. FRONT ROW: Dennis Snell, Gary Hohnbaum, Wayne Casper, George Haun, Bill Peck, Nelson Hinkle, Harry Boss.

#### Cagers Cop Fifth Place in Conference Race

When all games were completed in the conference the Nebraska State College Antelopes found themselves in fifth place with a 9 and 9 record. Several of the losses were by only 3 or 4 points. Although they finished in fifth place, the team was third highest scoring quintet in the 10 team league.

Paul Collison is the only member of the squad who has used up his eligibility although Bill Peck and Don Nelson can graduate this summer. Next year's team should be as good as this year's if not better than it since those underclassmen saw much action this year. Several on this year's reserve squad should join intramural leaders in pressing for a spot on the traveling squad also.

Starters in the final home game leave the floor after being introduced to the crowd: Bill Peck, George Haun, Wayne Casper, Tom Williams, and Paul Collison.

Gaining a rebound for the junior Antelopes in the Concordia game is Scott Robinson.

Dennis Snell connects for a two-pointer against the reserve Bulldogs.

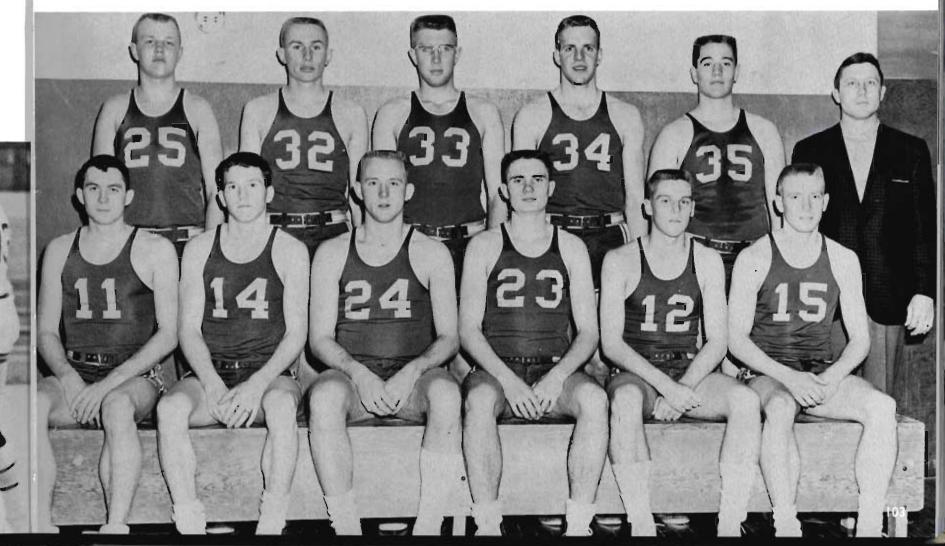

#### Reserves Win 2; Lose 3

Under new coach Bob Hauver, the reserves this year compiled a 2-3 record in 5 games.

The team split in contests with the junior Hastings Colts, dropped a pair to their counterparts from Fort Hays and won a game from the Concordia seconds.

Many men played on the team during the season as Coach Hauver had 15 men on the team and kept shifting as the season progressed. Moving back and forth from the first team were Dennis Snell and David Staehr.

BACK ROW: Lamar Lind, Marvin Miles, Dennis Dymek, Dennis Long, Bruce Christensen, Coach R. D. Hauver. FRONT ROW: Jerry Bowden, Beanie Lawrence, Ron Ritterbush, Scott Robinson, Wayne Rudolf, and Dean Miller.

Set to toss up the first ball of the season is Dr. Lester Hunt. Centers to jump are John Hein and Vince Bramer.

This season, some 300 men on campus were members of 26 intramural basketball teams.

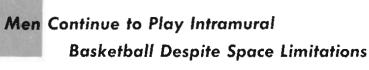

Under the direction of Mr. Leland Copeland, the program continues to provide physical training, recreation and training for the campus men.

Students enrolled in PE 109 receive credit for the course; but many take part in the program for the fun and entertainment.

The teams are divided into two leagues. The leagues play a round-robin regular schedule. At the end of the season's play, the top teams from both leagues engage in a double elimination tourney to determine the Intramural Champion.

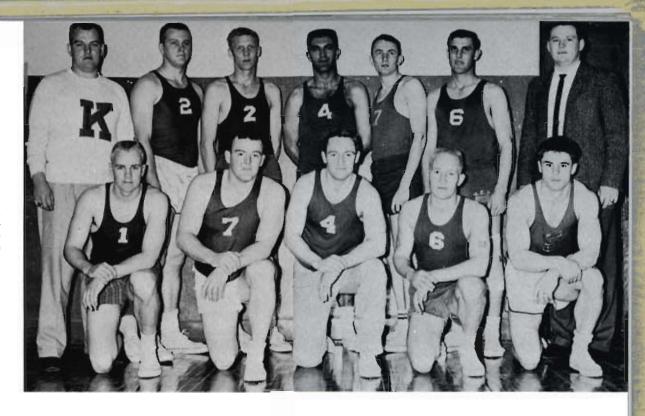

Action in the intramural league gets rather heated at times. The fellows on the teams play as though the world's championship were at stake in some of the games. Here members of the defending champion Alley Cats attempt to get back on the victory trail after losing their first game in two years to the Jokers.

Shooting for a basket is Vern Frederickson (in the dark suit). Teammate Charlie Thorell watches in case the attempt fails. Members of white team are not identifiable.

#### WINNERS OF THE 1959-60 INTRAMURAL BASKETBALL LEAGUE:

BACK ROW: Dick O'Neill, Jim Jacobs, Vern Frederickson, Jim Barth, Tom Nickman, Lewis Shoff, FRONT ROW: Charlie Thorell, Bill Welte, Dan Arnold, De Wayne Thorell, Steve Kraus.

#### Alley Cats Repeat as Intramural Basketball Champions

Eight teams, four from each league, ended intramural basketball play in a double elimination tourney as the final game saw the defending champion Alley Cats ease past the Phi Tau Jokers 58 to 50 on Feb. 25.

The Alley Cats won the title without a loss as they steamrollered over four opponents to get to the finals.

Winning the regular season play in the American League were the Cal Blues with a 10 and 1 record and in the National League were the Kings Men with an 11 and 1 standing.

Leading scorer was Gary Kruse of the Joker crew with 175 points. Leader in the National League was John Payne with 159 points.

Presenting the most valuable player awards to the two best is Intramural director, Mr. Leland Copeland. This year's; pen sets were awarded to Gary Kruse, Hildreth sophomore, and Jim Krueger, Sidney senior.

#### RUNNÉRS-UP

BACK ROW: Wayne Casper, coach; Gary Kruse, Paul Norblade, Jim Bohling, Charlie Sheffield, FRONT ROW: Jack Wilson, Jim Runstrom, Harold Erickson.

All smiles after winning the Nebraska College Conference trophy are the 1959 tennis team members Cliff Trump, Gary Smidt, Pat Hayden, Gary Johnson and Coach Les Livingston.

#### Inexperienced Racqueteers Must Defend Conference Trophy

With four of the five lettermen graduated, Coach Les Livingston faces an uphill task to put together a repeat NCC championship team. The only returning monogram winner is Tom Smith, who did not get to participate in the conference meet last spring.

With ten men signed up for tennis, hopes do not look too bleak. Meets have been scheduled with Fort Hays, Wesleyan, Hastings, Doane, and Concordia.

One of the most promising frosh finds is Gerald Anderson who last summer upset NCC singles champ Pay Hayden in 4 out of 5 matches.

Only returning letterman is Tom Smith, Holdrege senior.

Practicing that back-hand shot inside during the snow storm is Tom Smith.

Putting all his force behind his swing is Jerry Mangels.

Jack Wilson attempts to work out some kinks with gym practice.

Fifteen signed up for golf this year giving Coach Les Livingston an opportunity to work several men for a place on the traveling squad.

Three lettermen returned to the team, but missing was Dave Klone who was one of the best prospects.

Meets were scheduled with Fort Hays, Hastings, Concordia, Doane, and Wesleyan in addition to the Conference tilt at Hastings.

Tuck Mason leads Ray Mars in the District NAIA and Mid-West AAU cross country meet in Omaha. The meet was held on a crisp cold Saturday morning with snow and a nice 14 degree temperature.

Waiting at the finish line are Coach Foster and Coach Hauver as Larry Snell crosses the finish line to win the District NAIA and Mid-West AAU cross country meet and defeat University of Nebraska's Joe Mullins and Joe American Horse.

# Cross Country Team Sweeps NCC, AAU, NAIA District

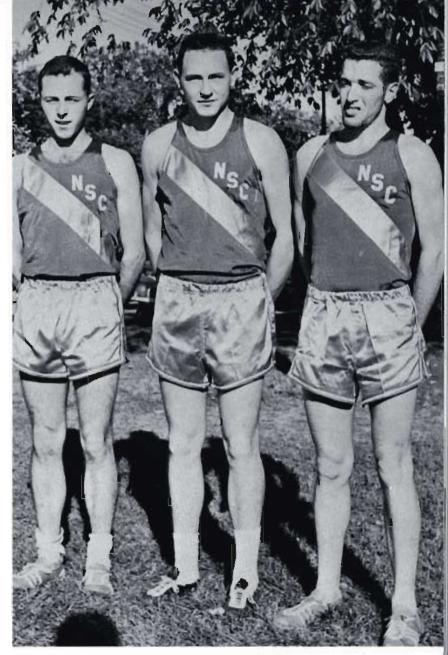

With seven returning lettermen the crack Nebraska State College cross country team brought home from their travels the NCC, District NAIA, Mid-West AAU championships, and second place NAIA national championship.

The Antelope harriers started the season off by dropping the Nebraska Wesleyan team 15-45 with Larry Snell placing first and his teammates rolling up the next seven spots. Riding on one victory the Antelopes dumped the Fort Hays clan 16-44 to chalk up victory number two. Again Snell, Mars, Mason and Shubert swept honors in the above order.

NSC's speedy cross country team made an impressive debut in the "big time" against the Air Force Academy and the University of Colorado. In the dual meet with the Air Force NSC bowed 35-21 and trailed 37-20 to Colorado in the second dual. In the triangle meet between the three schools, the results were Colorado 30, Air Force 36, NSC 57. The Air Force will visit the NSC campus next fall.

NSC harriers returned from the Air Force-Colorado duals to hand the NCC cross country teams a shellacking for the NCC championship. In a return dual with Fort Hays State College the Antelope harriers won 15-48.

The NSC cross country team finished their outstanding season taking first place team honors in the district NAIA and defeating Nebraska U's Joe Mullins and company for the Mid-West AAU Championship. The final meet of the year was the national NAIA CC meet at Omaha in which NSC placed second out of approximately twenty schools.

Teammates Ray Mars, team captain; Larry Snell, and Dale Harsin were the three senior lettermen on the four time 1959 cross country team.

On the starting line at the District NAIA and Mid-West AAU cross country meet in Omaha is NSC's championship team. NSC's Larry Snell won first place individual honors while the NSC cross country team took first place team honors and the University of Nebraska finished second.

#### Track Team Seeks Seventh Consecutive Crown

With 35 lettermen returning to the squad, Coach Charlie Foster faced the track season with hopes of taking all Nebraska meets and, with luck, the national NAIA title. With four college record holders, many veterans, and several high school stars bidding for berths on the traveling team, there seemed to be an air of optimism on the team as the men fought February snows to get into shape for the first indoor meets of the season.

New on the schedule this year was the Nebraska State College Relays. Another highlight of the season was the 50th Anniversary of the annual NSTC High School Invitational Meet which this year includes events for girls as well.

Breaking the tape in the mile race in the NCC meet is record breaker Larry Snell with a 4:14.8 time as he bests Wayne's McGee.

The endless job of filling out registration cards and standing in lines for registration is one task underclassmen can not evade. John Payne, Gil Quadhammer, Dale Marquis and Clayton Quinn wait to see if that section of 260 is still open.

#### Phi Tau Gamma Enjoys Revivial of Old Traditions

BACK ROW: Bob Muehling, Dennis Kuhn, Murray Ross, Paul Rudloff, Rod Clement, Tom Williams, Dick Butolph, Gary Plotner, Daryl Broberg, Jim Runstrom, Albert Schimek. FRONT ROW: Jerry Davenport, Larry Frizell, Jacque Dubois, Kelly Young, Bob McCoy, Larry Arehart, and Herb Schimek. Not pictured—Don Vap, Max Worley.

This school year has been one of a new revival of the ideals of Phi Tau Gamma, the oldest fraternity on campus.

The active members' first project was to hold "Operation Carry In" during which they helped the women students carry their suitcases and boxes into the various dormitories.

In October, the members fulfilled their Community Help project. On a Saturday morning, all members donned their paint clothes and painted the house of Mr. C. T. Ryan, honorary member of the fraternity and former professor of English. Also during October, members spent much time constructing their version of River Boat which took third place prize in the Homecoming Parade.

On the social side of the year's activities, the Phi Taus held their annual Sweetheart Ball, several rush parties, and their annual Spring Formal. The Spring Formal was the original formal dance on campus, the men holding their seventh dance this spring.

Pledge season was a busy six weeks for the 20 who chose Phi Tau as their fraternity. Formal initiation culminated their neophyte period in early April.

#### Twenty-seven Chose to Be Sigma Pledges

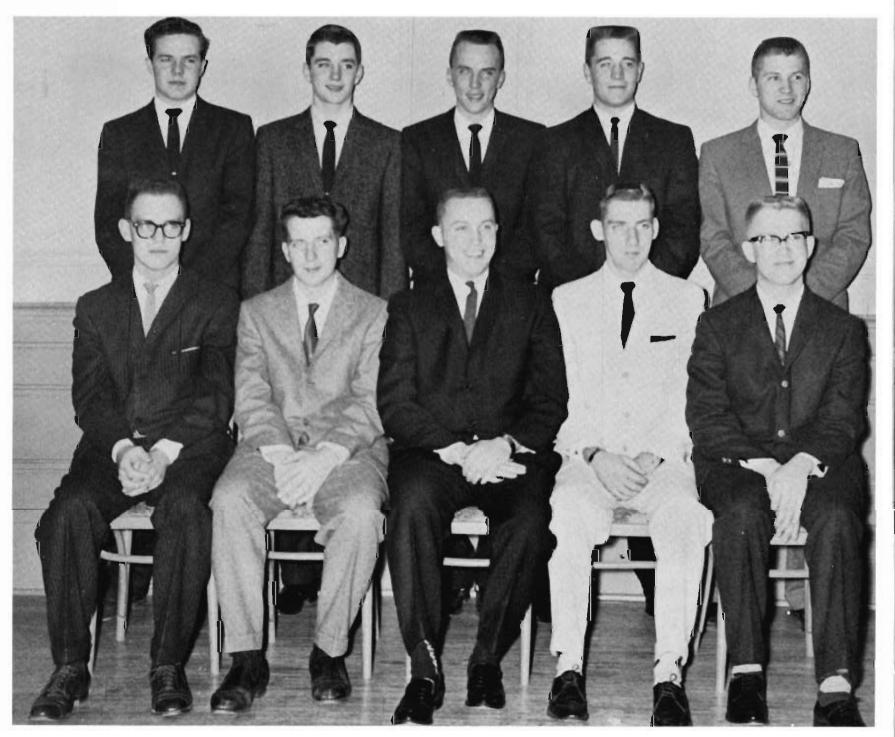

Sigma Theta Phi Sorority was founded in 1915. The sorority aims to create loyal friendships, high aims in life, and high social and individual morals. The Sigma's colors are pink and white.

Major activities of the Sigma Theta Phi Sorority include the Ranch Dance held in conjunction with rush reason. The Sigma Theta Phi Queen, Miss Kathryn Schmidt, was crowned at the Butterfly Ball spring formal.

#### Caledonians Encourage Fellowship and Brotherhood

BACK ROW: Ralph Beyersdorf, Dale Schwartz, Bob Dahlgren, Bruce Christensen, Bill Louthan. FRONT ROW: Ralph Widick, Vernon Lantis, Richard James, Jerry Tool, Bernie Ripp.

Organized in 1920, the Caledonian Fraternity was originally restricted in membership to 45 members. This restriction has been removed, enabling the fraternity to extend its fellowship to as many college men as desire it. Through their activities the Caledonian brothers propose to encourage friendship and brotherhood.

The relaxed atmosphere of the Cal Beatnik Ball is

followed by the impressive formal mood created for the Sweetheart Dance. Sharon Peterson is the 1960 Caledonian Sweetheart.

Second semester activities include the gay abandon of the Bowery Ball and the Cal Olympics.

Pledge season this year ended in an increase of ten in the Caledonian membership.

#### Twelve Pledges in Delta Pi Beta Pledge Class

Delta Pi Beta sorority, the oldest organization on campus, seeks to promote fellowship, leadership, and scholarship through its carefully planned program.

The highlight of the first semester each year is the Holly Ball, the first of a series of rush-season activities. Her Delta sisters chose Nancy Myers to be their Holly Ball Queen. The annual spring activity is the Cotton Ball. Twelve "lowly Delta pledges" indicated their preference and promise to uphold the long-standing Delta traditions.

#### Fourteen Pledge Zeta Chi Alpha

The Zeta motto, "Quality, not Quantity," is evidenced by the 1960 pledge class. During their years of active membership these women will participate in a full slate of sorority activities including the annual Cinderella Ball, a Mother's Day Tea, and the spring formal dance in addition to business and cultural meetings and group projects. Alumni are kept informed of the sorority activities through the Zeta Chapter.

Through its program the Zeta Chi Alpha sorority seeks to promote scholarship, leadership and sisterhood. In the past year the sorority has gained recognition for its second-place entry in Homecoming float competition and by winning the traveling scholarship plaque.

The 1960 Zeta Cinderella was president Lila Schroeder.

#### Fifteen Pledge Phi Phi Phi

Opening their social year with an alumni dinner, the Tri Phi's began their program of combining the social aspects of a fraternity with a high sense of obligation to college, country, and self.

Rush activities during the first semester were started at the annual Hobo Hop. Chuck Evans and Barbara Gilliam were elected Hobo King and Queen. A full schedule of functions were planned for the remainder of the pledge season. These included a smoker and the preference dinner.

The climax of the Tri Phi year was the spring formal.

The fraternity closed the 1960 school year with forty-seven members, having initiated a pledge class of fifteen.

A belief in the principle of freedom of thought under God forms the foundation of the brotherhood cherished by all members of Sigma Upsilon Nu.

Rushees were invited to become acquainted with the fraternity actives in the informal setting of the Swamp Stomp. This was followed by a smoker and the usual rush activities. The more dignified face of the fraternity was in evidence at the spring formal, Evening in Paris.

Sigma Nu's are active in all phases of college life. Partial proof of their excellence in these areas lies in their receiving of the scholarship plaque in 1959. The twenty-one men who requested and were granted membership were accepted because of their ability to maintain the standards of Sigma Upsilon Nu.

FRONT ROW: Barbara Andersen, Jackie Hansen, Ann Carnes, Barbara Bachman, Nye Pehrson, Marty Waller, Sharon Quick.

#### Kappas Receive Largest Pledge Class, Enjoy Successful Year

Kappa Alpha Phi sorority had a busy, satisfying year. Their activities have been planned to benefit both the community and themselves. They cooperated with the Phi Tau Gamma fraternity in presenting a program at the TB hospital at Christmas time. In addition, they presented a Christmas program to members of the Cosmopolitan Club here in Kearney.

Three formal dances, Rhapsody in Silver, Hearts and Flowers, and the spring formal, provided ample

opportunity for social experiences. A Mother's Day Tea is another Kappa tradition.

Through such activities as these and through group association, the 33 girls who elected Kappa Alpha Phi to be their sorority will be prompted to uphold the highest ideals of womanhood.

Pledges of the Kappas join pledges of other fraternities and sororities in many successful activities during the spring pledge season.

BACK ROW: Linda Yates, Gwen Thomas, Karen Hinrichs, Linda Roether, Brenda Olson, Judy Stoltenberg, Karen Lueck, Ann Chandler, Barbara Nelson, Viola Boyer. FRONT ROW: Janet Jensen, Sharon Kruse, Lea Ann Nelson, Dorothy Larson, Nikki Hanna, Kay Berryman, Janice Rerucha.

#### Omega Delta Pi Promotes Brotherhood and Cooperation

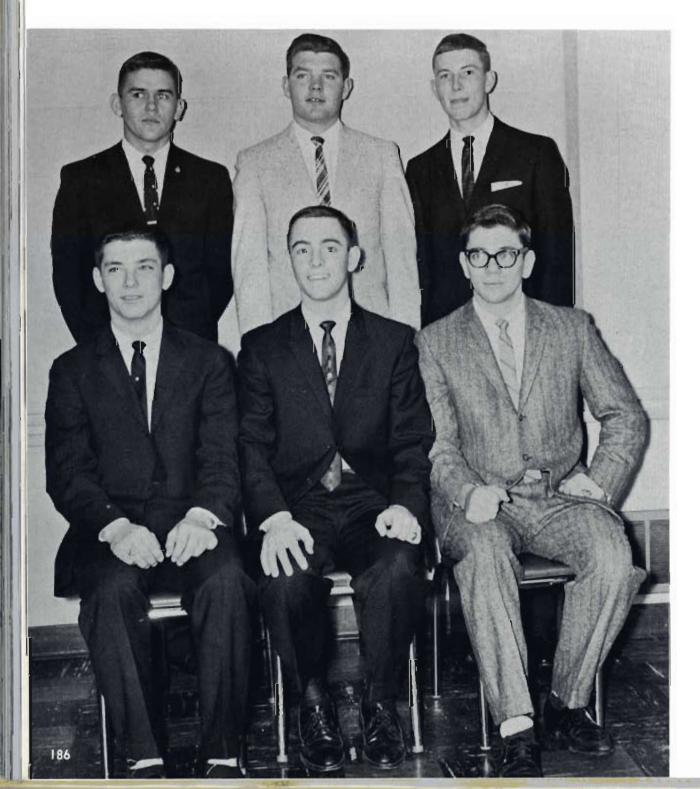

The Omega Delta Pi Fraternity was organized on the campus of Nebraska State College in 1956 to promote brotherhood and cooperation between its members, and to raise the ideals of friendship on campus.

The Omega's first social event of the year was their Fall Dance followed up by the formal Ivy Ball which is the rush dance of the Omegas. Miss Judy Funkhouser

was crowned as the 1960 Omega Delta Pi Sweetheart.

Second semester activities began with rush smokers and the tabbing of six pledges. The Omegas ended their successful year with their Spring Formal.

The Omega Delta Pi Fraternity's colors are green and white.

BACK ROW: Douglas Young, Jack Routh, Bob Meyer. FRONT ROW: Stan Talcott, Dave Raymond, Mike Manuel.

Miss Sharon Peterson was crowned the 1960 Caledonian Sweetheart at the Caledonian Fraternity Sweetheart Dance during the month of February.

Charles Sheffield gives the Phi Tau Gamma Sweetheart, Miss Marilyn Richman, a kiss as part of the coronation ceremonies at the Phi Tau Gamma Fraternity Sweetheart Dance.

### Greeks Entertain Varied Social Life

The social life of the fraternities and sororities varies from formal to very informal occasions. Each fraternity and sorority has its own social events besides functions with other Greeks. The Greek social season starts with rush season and then continues throughout the year ending with the different fraternity and sorority spring formals.

The western look was in style for the Sigma Theta Phi Sorority Ranch Dance. The Sigma's festivities started with a ranch style dinner with dancing and entertainment finishing out the evening.

Charles Evans and Barbara Gillham reigned as King Ho and Queen Bo at the hobo gathering sponsored by the Phi Phi Praternity.

These four ragged men made up the Sigma Upsilon Nu quartet at the Sigma Nu Swamp Stomp. They are Ray Hickman, Jim Corl, John Hein, and Leo Warner.

Dr. Carl V. Fronabarger, national president of the honorary math fraternity of Kappa Mu Epsilon, meets Dr. Nelson and Warren Newbold, sponsor and president respectively of the local chapter at the installation meeting of the fraternity.

# Organizations

Barbara Goble and Sharon Hackett are busily engaged in newspaper make up.

#### Antelope Printed in College Shop This Year.

Two kibitizer and two workers uphold the newspaper tradition. A good back view is obtained of Gene Beach while Bob O'Dell, standing, pastes his copy. Sitting and looking on are Dave Klone and Paul Norblade.

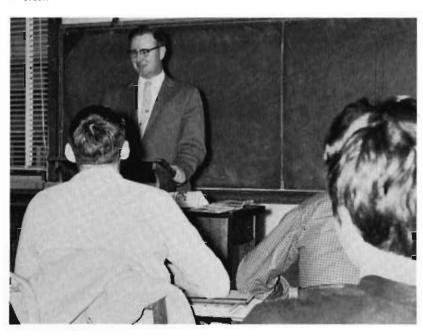

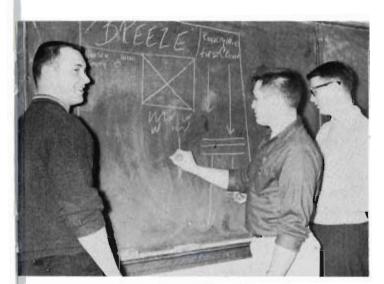

In the foreground Gary Swanson and Don Hansen look at exchange college papers. Jeanne Danker looks for a news Item while Dwain Myers is busily writing a news story.

Checking that assignment are Don Hansen and Dennis Anstine as they get ready for a class report.

Giving out those "words of wisdom" about journalism is journalism instructor Don Briggs. Apparently the lecture is interesting as the students watch with interest.

Checking the magazine for the best ad as they study ad makeup are Arlene Deen, Jean Rasmussen, and Marilyn Schaeffer.

Three members of the second semester advanced journalism class work on a typical front page makeup for a newspaper. Working on the "Breeze" are Paul Norblade, Gary Swanson, and Gene Beach.

"Busy"??? Looks like each class member is busy doing what he wishes rather than paying attention to the class lecture.

A life of leisure? No, just searching for more and better ideas for page designs and pictures. Editor Robert Hendricks found many new ideas for pictures while examining exchange yearbooks but still found time to relax and enjoy the work.

#### Blue and Gold Increased in Size

This year's BLUE AND GOLD staff has worked many hours in designing pages and typing copy for the pages of the 1960 yearbook. This year 32 more pages were added to last year's record 240 pages making the largest yearbook in the history of Nebraska State College.

With the added pages the BLUE AND GOLD staff has tried to provide better coverage of the activities and events of the 1959-60 school year. With the use of four color pictures the staff has presented some of the more colorful scenes and highlights here at NSC.

Accrediting each student with pages where their pictures appeared proved to be a task for the whole staff. Here Nancy Lonn types a student's index card while Marjianne Clopine and Jim Waldmann index students' names.

Mug shots and more mug shots seemed to be the story for Dora Adams and Jean Rasmussen as they prepared pages for the senior section of the yearbook. Many hours of work were put in by the staff in preparing the class pages.

The business staff found that the financial end of the yearbook was more than balancing books as they handled all ad and page sales. Here Tice Miller and business manager James Waldmann discuss the progress of the ad sales.

Details of the proposed layout of the BLUE AND GOLD are explained to Dea Garrison by editor Robert Hendricks. Of course, all work was closely surveyed by the staff's ostrich on the wall.

Larry "Doc" Drost this year was chief engineer of the campus radio station. He has been a member of the staff for three years.

#### **KOVF Brings Music, News, Sports to Campus**

Serving as "Wheels" of the station this year have been John Clinch, program director; Mr. Robert Larson, advisor; Janet Morrow, continuity; Skip Miles, news director; and Herb Schimek, station manager.

Spending many hours of work a day in addition to the actual broadcasting day were the entire staff. BACK ROW: Clinch, Dick Drost, Lechner, Schimek, Beason. FRONT ROW: Mr. Larson, Morrow, Sailors, Funkhouser, Miles.

This year the campus radio station KOVF was managed by Herb Schimek, North Platte junior. Programs were broadcast from 4 until 10 Monday through Friday. Several changes were made in operational procedures so that better programs were obtained.

The staff conducted several listening surveys and conducted contests during which they gave away free records.

Assistant station manager Skip Miles and station manager Herb Schimek go over spot ad contracts. Skip and Herb handle the functions of the radio station along with their advisor, Mr. Robert Larson.

KOVF DJ Larry Lechner tears off a news release from the station's United Press teletype.

Waiting for a cue from the control room Nikki Wright and Phil Robbins arrange news releases for a five minute news broadcast.

Sorting and listening to the many new Lp albums that arrive at the KOVF studios are some of the more enjoyable jobs. Here Penny Parker, Bob Sailors, and Stanley Talcott sort some Lp's to be played.

#### Antler Sponsored by Sigma Tau Delta

THE ANTLER is a literary publication featuring original writings by the students of Nebraska State College. These writings are submitted by students and members of Sigma Tau Delta for publication in THE ANTLER. Winners of the Freshman Essay Contest also have their essays published.

Dea Garrison is editor and Pat Moor is the business manager of THE ANTLER, sponsored by Sigma Tau Delta, national honorary English fraternity.

Carolyn Donohoe, Noel Olin, and Vonnel Peterson all show interest as Editor Dea Garrison, in the center, outlines her ANTLER plans to them.

Business manager Pat Moor discusses selling procedures with members of her committee, Rita Dikeman and Judy Swalley, while her third committee member, Jim Waldmann tacks up one of those everlovin' posters.

# Wesley Fellowship Promotes Religion in Higher Education

This religious organization is composed of the Methodist students and any other students who wish to attend. The group was very ably led by the president, Betty Hale, with the help of the other officers and the sponsor, Reverend Bailey. A variety of fellowship, fun, and religious study was enjoyed every Tuesday evening.

It is the purpose of this group to lead students to Jesus Christ, to stimulate Bible study, to deepen Christian faith, to further understanding of the Church, and to provide warmth of Christian Fellowship. Wesley Fellowship is part of the Methodist Student Movement that aims to promote religion in higher education and to develop a sense of a world Christian community.

### SUAC Directs, Sponsors Many Union Activities

The Student Union Activities Committee directs many of the activities held in the Memorial Student Union such as juke box dances, movies, Union recreation, and many other services for the students of NSC.

A new project of SUAC this year was the beginning of a record library. The group purchased a new stereophonic phonograph for the Student Council Room and started a library consisting of jazz, semiclassical, and classical Lp's. The listening library was open to students during the afternoons and evenings for their enjoyment.

SUAC membership is made up of representatives from campus social organizations and dormitories. Sponsors are Mrs. Romayne Webster, Student Union Director, and Mrs. Ralph Myers, dining hall manager.

The weekly meetings of SUAC were presided over by president Howard Davis (standing). Secretary Kay Schmidt, sponsors Mrs. Romayne Webster and Mrs. Ralph Myers listen as the president hears a motion from one of the SUAC members.

A brief session of officers irons out the details for one of the dances that SUAC sponsored during the year. Here Kay Schmidt, secretary; Lawrence Theis, treasurer; and Jim Novotne, vice-president, discuss advertising for a Hadley Barrett Dance.

Selecting new records for the listening library was only one of the many jobs SUAC members performed during the year. Making a list for new records are (standing) Allen Robinson, Janet Porter, Tom Reiber, Dwain Thayer, and (seated) Paul Peterson, Darryle Kile, and Marilyn Kolb.

Enjoying the new phonograph in the Student Council Room are Ed Crowley, Dea Garrison, Dick Young, and Sharon George.

The WAA volleyball champions are Marilyn Grafton, Connie Fiddelke, Sharon Nelson, Glenda Koester, Anita Golter, Janet Booth, Janice Booth, Bonnie Clausen, Ellen Newby.

### Men's League Sponsors Annual All-College Picnic

Bob Tatman Treasurer

Paul Collison President

Gary Kruse Vice-President

Larry Snell Secretary

Men's League at Nebraska State College is supported by the male students who pay dues of one dollar a year. The money is placed in a general fund to be loaned to needy students. The Men's League also sponsors the annual All-College Picnic every fall during Freshman Week.

Each student has the privilege of presenting matters before the Men's League that are of common interest to the men students of Nebraska State College.

Dean Stutheit, sponsor of Men's League, and Bob Tat-man are preparing checks to pay the bills for the annual All-College Picnic sponsored by the Men's League.

Women's League officers are Gwen Feis, Kathryn Schmidt, and Karen Lundy.

Women's League is a group of women representing the Nebraska State College women. The group works for the betterment of the lives of college women. The women college students pay league dues which go into a general fund for student loans and the Women's League Scholarship. The scholarship is awarded to one sophomore or junior woman student of good moral character with a good scholastic record.

Included in this year's dormitory council at Case Hall were, STANDING: Marian Strong, Judy Stoltenberg, Judie Funkhouser and Janice Rerucha. Seated are Doris Diefenbaugh, Glea Gilingham, Sharon Nelson and Agnes Ekeler. Now that Green Terrace is no more, Eva J. Case Hall holds the distinction of being the oldest residence hall on campus. Built in 1929, Case Hall has seen many major developments on the campus and has also seen NSC grow and expand into the biggest and best state supported college in Nebraska.

This is Martin Hall, the beautiful, luxurious residence hall for upperclass women. The doors of Martin Hall were opened for the first residents in 1954.

120 girls make their home in Martin Hall which is considered by many to be the most beautiful residence hall on campus. The spacious, comfortable lounge often serves for faculty meetings as well as for the more familiar meetings between residents and their friends of the opposite sex.

Seated are: Shirley Wilson, treasurer; Margaret Spring, vice president; Betty Hale, SUAC representative; Carol Loostrom, president and Kay Heiden, secretary.

Just north of what once was Green Terrace stands North Hall, the newest women's residence hall, completed in January, 1958.

### North Hall

North Hall houses both freshman and upperclass women. Like West Hall, it has 54 rooms and accommodations for the residence director, otherwise known as "House Mother" or "Mom." In the near future North Hall will be joined to the south by a new residence hall for women.

Mrs. Gertrude Thomas Residence Director

Mrs. Jennie Deselms Assistant Residence Director

The newest residence hall of men at NSC is West Hall. Like its sister hall, North Half, this dormitory also first opened its doors in January of 1958.

During the five semesters that West Hall has been opened for occupancy, over 320 boys have inhabited its rooms. West Hall, the smaller of the two remaining men's dormitories, is looking forward to the new men's residence hall which shall join the present building on the north and west.

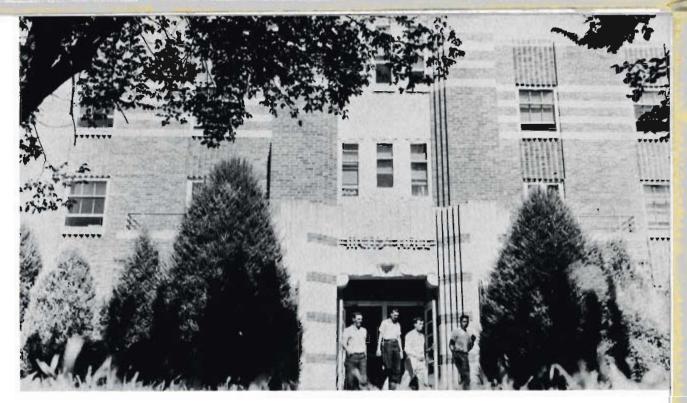

### West Hall

Mrs. Opal Curry Residence Director

Serving on West Hall's dorm council this year were Bob Hendricks; Larry Theis, secretarytreasurer; Dan Bennett; and Bill Peck. President Jim Waldmann is not pictured.

Men's Hall was built in 1939 and is the oldest men's dormitory at NSC since the removal of Green Terrace Hall.

Mrs. Sena Lang Residence Director

### Men's Hall

Remodeling of the old cafeteria in Men's Hall provided more rooms for residents. A new television lounge was added along with an apartment for the Residence Director. There were 164 men residents in the dormitory this year.

The Men's Hall Council this year included, STANDING: Ray Kosmicki, La Mar Lind, Fred Weishoff, Jerry Houlden, Herb Schimek, Floyd Wozniak. SEATED: Gary Hohnbaum, Gary Swenson, and Robert Miller.

### Construction Begins on Two New Dormitories

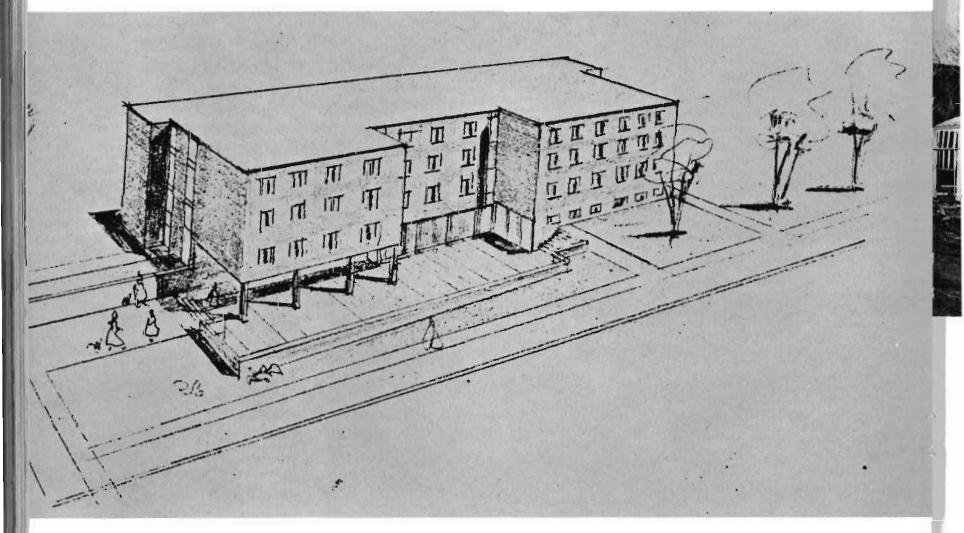

Excavation began for the new men's dormitory during the aftermath of one of the year's worst snow storms. Here one of the caterpillars moves some of the frozen chunks of earth so that excavation may be continued. The new dorm will be located immediately west of Men's West Hall and will face 26th Avenue.

The State Normal Board let contracts for a new men's dormitory and a new women's dormitory during their January meeting held here at NSC. The two new dormitories will cost a total of \$749,440 and will house 160 students each.

The women's dormitory will be built on the site of Green Terrace and will face south onto 26th Avenue. First plans called for the new dormitory to be connected to North Hall but the present building plans have been changed to make the new dormitory completely independent.

The new men's dormitory will be located west of Men's West Hall facing 26th Avenue. The plans provide space for housing 160 men residents.

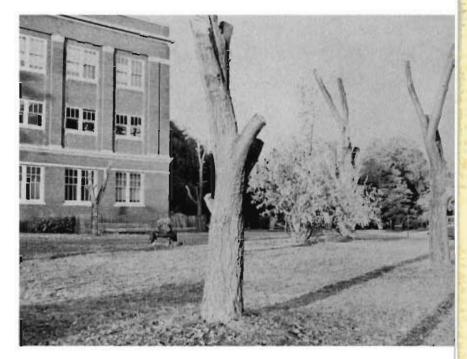

Contracts for the two new dormitories call for a completion date of September 1, 1961.

The new women's dormitory will be built on the site where Green Terrace used to be located. The dormitory will be three stories tall and will house about 160 women residents. Green Terrace was the only original building on the NSC campus and was given to the college in 1905.

With progress there must of necessity always be a certain degree of destruction. The trees south of the gymnasium must make way for the construction which will take place.

## NSC Constructs New Greenhouse

The construction of a new greenhouse became a necessity when the old greenhouse west of the heating plant was torn down to make room for North Hall. Although the facilities of the old greenhouse were inadequate, the loss was felt immediately.

The new greenhouse is constructed in two sections; the west section will house the various plants to be used by biology students, and the east section will consist of storeroom and classroom areas.

A midwinter snow storm halts work momentarily on NSC's greenhouse and helps create the scene in this picture.

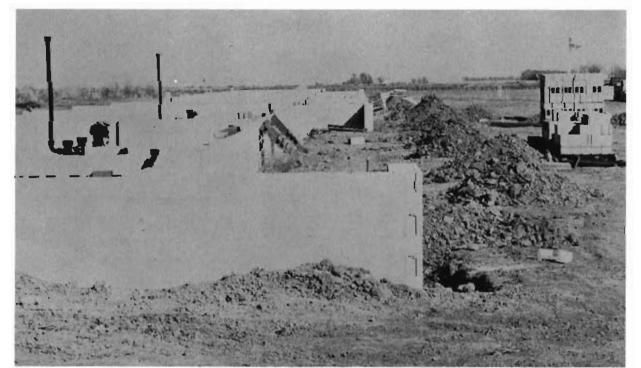

### Work Progresses on Married Student Housing

The setting may be bleak, but work will soon begin which shall transform the entire character of this stubble field.

Rising out of a stubble field north of Kearney Lake is an imposing structure, laid out in three separate "T" shaped buildings. This is the married students' housing project, now under construction and due for completion by the fall term of 1960. The project includes 36 efficiency units and 72 one-bedroom apartments. Students will find it very convenient, for the apartments are located only one mile from campus—walking distance.

Excavation is completed and the foundation is poured. The concrete blocks are piled high in preparation of the task ahead.

This is just another forward step toward completion of the housing units. The units are expected to be ready for occupancy by the beginning of the Fall Term.

The magic of winter time transforms Green Terrace into an Icy palace whose walls have seen history in the making.

"And the walls came tumbling down." Such was the activity that took place in the "Terrace" during the weeks prior to January 15.

## Green Terrace Falls Victim to Progress

On January 15, 1960, a landmark was removed from the campus of NSC after several weeks of demolition. On January 15, 1960, the razing of Green Terrace was completed.

Green Terrace was built in 1888 and was given to the state of Nebraska in 1903 when land was purchased in the city of Kearney for a State Normal School. Through the years it served at various times as a men's residence hall, a women's residence hall, and a cafeteria. Its walls have also housed a book store and lounges for the faculty.

All that remains of the oldest and perhaps one of the most fondly remembered buildings on campus is an empty basement, a few stray bricks, scattered lumber and memories. Replacing the "Terrace" will be a new residence hall for women; the architects' conception of it appears on page 238.

All that remains is an empty skeleton. The work progresses rapidly until ...

...finally the dump trucks and loaders finish their tasks of hauling away the rubble that once was Green Terrace.

### Rippling Rhythms Is Theme of Water Show

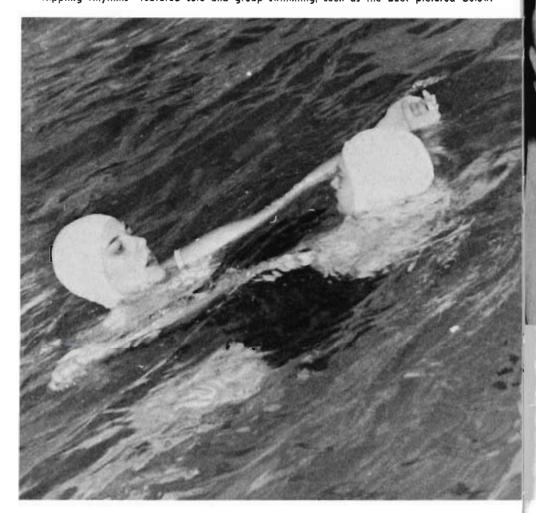

Maybe there aren't any pyramids in the South Pacific, but the imagination can play wondrous tricks. Here the Naiads demonstrate one of their specialties.

Synchronized swimming was the highlight of the Naiads' tenth annual water show. "Rippling Rhythms" was the title, the South Seas was the theme, the college pool was the location, and a capacity crowd was the audience.

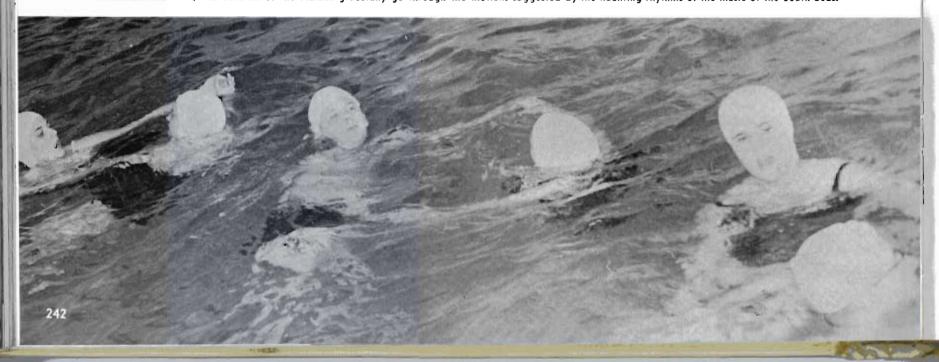

Pictured on this page are some of the formations and movements featured in the show. Unlike competitive swimming, all of the formations were achieved with the head above the water, with no splashing, and with the emphasis on rhythm. Stars of the show were Noah Van Butzel, Shirley Cawley, Jackie Johnson, Kathleen Keig, Kay McDowell, Robert Miller, Janet Morrow, Jim Tatum, Janet Tombaugh, Roberta Thorpe, and Gene Snygg.

As the swimmers moved to the rhythms of the South Seas music and the spotlights played upon the waters, the audience could tell that Miss Harriet Yingling's "Rippling Rhythms" was another successful accomplishment of the many-talented students and faculty of NSC.

"Rippling Rhythms" featured solo and group swimming, such as the duet pictured below.

A sextet means six, and here six of the Naiads gracefully go through the motions suggested by the haunting rhythms of the music of the South Seas.

### Kennedy, Curtis Visit Campus

Occasionally a world-famous personality visits the campus of NSC. Often it is an entertainer on one of the Lyceum programs, a Community Concert, or a guest artist with the musical organizations. On October 14, 1959, Senator John F. Kennedy of Massachusetts, a strong candidate for the number one spot on the 1960 Democratic ticket, spoke to the student body at a special convocation. On November 19, Nebraska's own Senator Carl Curtis also spoke to the student body. Presented on these pages are some of the highlights of the day, preserved in pictures.

Senator Kennedy, while touring the Union with Dr. Ray Johnson, takes time out of his busy schedule to answer the questions that Bob Reier, Larry Theis, and Neil Hamm have to ask him.

Senator Curtis is congratulated by Dr. Myron Holm and Dr. Lester Hunt after speaking to nearly one thousand students at a special convocation.

Representing Nebraska State College at the Kappa Delta Pi Convention in Chicago were Gary Price and Dea Garrison.

### NSC Life Offers Many Varied Activities

As a college campus grows, so do its interests and activities. On this page, the staff of THE BLUE AND GOLD have attempted to present a few of these varied activities. Some of them may be termed "different," but all of them try to show campus life as it really exists and as it is lived every day.

With all of the activities, some individuals may wonder when a student finds time to engage in such "co-curricular" activities as classes and studying. But if a student is time conscious and able to budget his time wisely, he may find a few minutes in each day that he can set aside for the "work" portion of his education.

Mrs. Nancy Welte and Mrs. Gaylene Snell tied for honors as K Club Queen. At the K Club dance Coach Charlie Foster presented Nancy and Gaylene with the traditional desk sets.

If must have been a funny joke by the expression on Mr. Lynn's face; but then, what about the expression on Mr. Welch's face? This picture might be called "Off The Cuff."

The glories of a student manager and track coach are not always as glamorous as one may think. Here Larry Timmermans, student manager, and Coach Foster shovel snow off the stadium track.

BACK: Janet Tombaugh, Jackie Johnson, Kathy Keig, Kay McDowell, Miss Yingling. FRONT: Bob Miller, Janet Morrow, Shirley Cawley, Roberta Thorpe.

### **NAIADS** Engage in Water Activities

Naiads is an honorary swimming organization for men and women which provides additional opportunity for students to practice and perfect swimming skills used in synchronized swimming. In ancient Greek mythology Naiads were one of a class of water nymphs fabled to dwell in and preside over streams and springs. The group follows its ancient counterparts by presenting an annual water show and engaging in other maritime activities.

Sandra Schroer, Bernice Smith, Pam Smith, Marian Mann, Bob Porter, Janet Edson, Shirley Ellis, Joyce Baker, Mary Beekman.

Bids were let for the building of the \$1,361,000 field house-gymnasium which will be built west of the Vocational Arts building. The new facility will house an indoor track, a basketball court seating 4,400 spectators, an indoor swimming pool, and offices and class rooms.

## Newness Applies to Other Parts of Campus Life

A special ceremony during the last pledge season was the Cal Olympics. The final event of the day is the choosing of The Queen. Here 3 sorority pledges vie for the honor.

Another first for the campus and for the entire state of Nebraska was the new "Walk"-"Don't Walk" stop light installed at the corner of 11th and 26th. It was placed there to aid pedestrians in crossing the busy intersection.

It snowed in Kearney during February. Here are the football stadium seats after one of the blizzards.

### **EDITOR'S FAREWELL**

Each year a new editor and a new staff combine their talents and ideas in a unified effort to produce a year-book that is different and better than those of previous years.

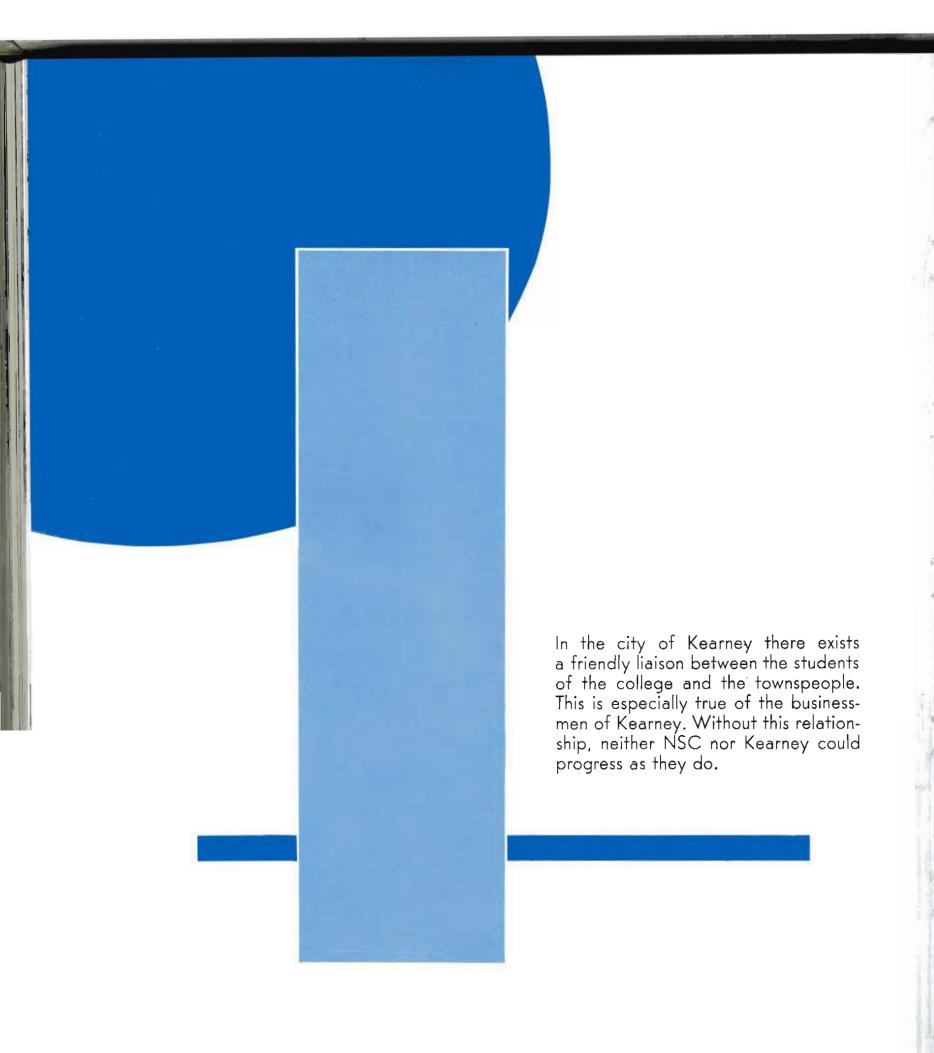

We have tried to show the history of the past year as it actually happened through pictures and through brief stories. Recording the events of any school year is a feat in itself, but we feel that this challenge has been met successfully in many ways.

Nebraska State College features a beautiful campus and many colorful events. Through full color process pictures we have tried to record the color and beauty of campus scenes and events.

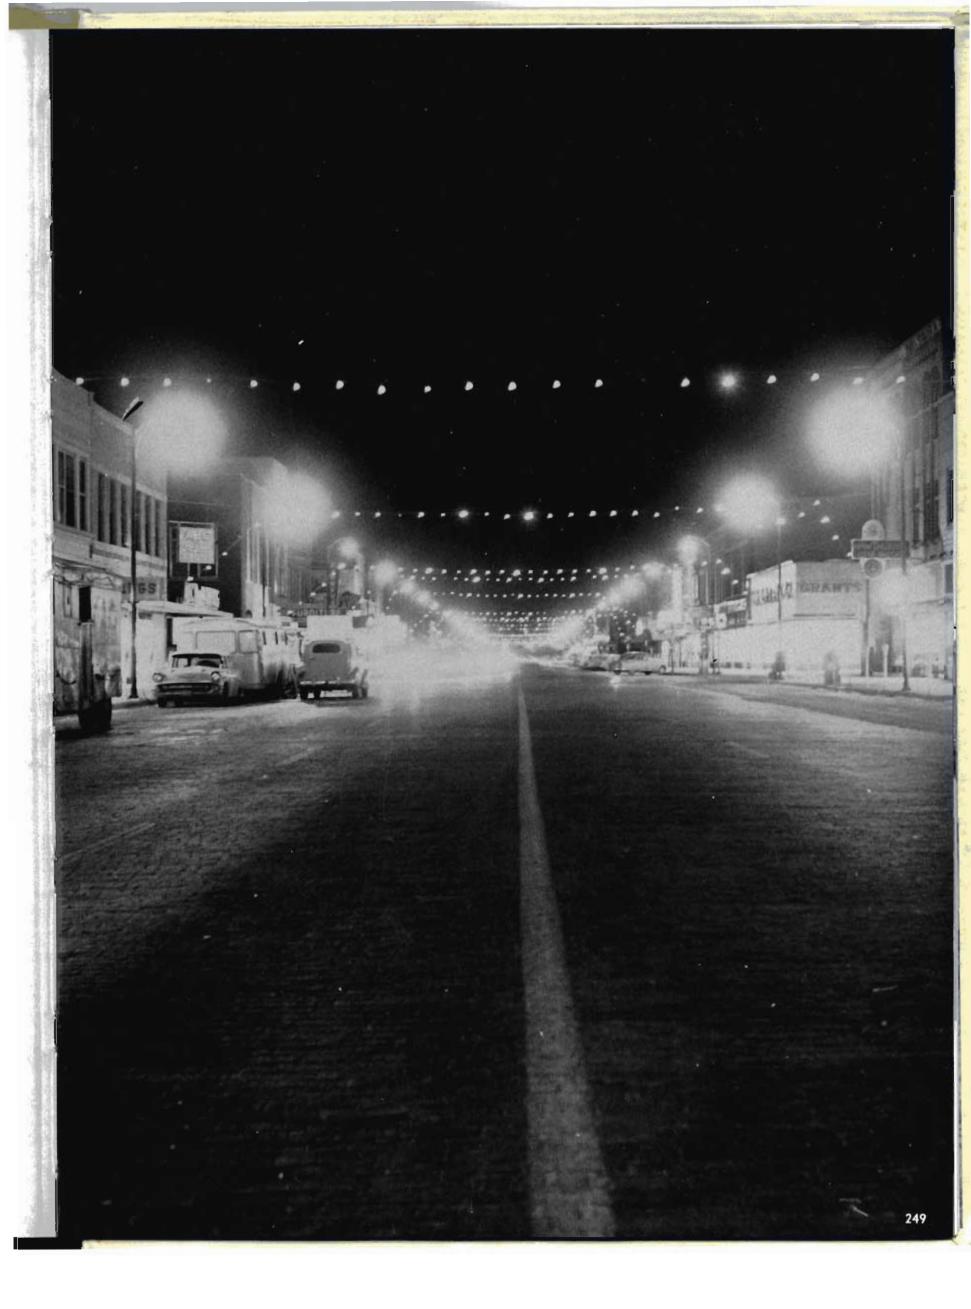

A yearbook that is new in design is a dream of any staff, but this can not be accomplished without many new ideas. It is our feeling that THE 1960 BLUE AND GOLD contains many innovations that have not been attempted in previous years. Arrangement of the yearbook has been changed in some respects, but our main feature is the extensive use of color throughout the entire yearbook. Division pages, duo-tones, and color for special pages are only a few examples.

We have now completed our version of THE 1960 BLUE AND GOLD for you, the students of Nebraska State College; and may you keep it as a lasting memento of your most wonderful years, your college years.

1600 meals a day. Planning, preparing and serving this amount of food is a task undertaken daily by the management and staff of the college dining hall. Consuming these meals are the dormitory residents who board on either a five or seven day plan, noon boarders and faculty members and resident directors of the dormitories.

The dining hall also prepares food for special dinners, carryouts and the all-college picnics. On Wednesday nights and for Sunday dinners, the boarders observe the tradition of "dressing\_up for dinner."

To help carry out its operations, the dining hall employs a number of students. For the girls, it's an ideal prelude to a homemaking career, and for the boys—well, the U.S. Army with its K.P. program will be a breeze after this.

A central dining hall for all boarding students offers many

A central dining hall for all boarding students offers many advantages which are easily recognizable. What problems will have to be faced with the addition of the two new dormitories remains to be seen. But with all problems there is a solution, and the future holds the answers.

Here at NSC, the "Union" is the center for fun and enjoying a few moments of relaxation. It's the favorite spot on campus for a cup of espresso, an in-between-classes Coke, or an "in-between-coffee-breaks" coffee break. Or if one is in the mood for pool, ping pong, cards or television, he can enjoy himself at the "Union."

But any weekday night between nine and ten o'clock post mortem finds the joint really jumping; for now the study-weary freshman women are released en masse from their dorms, and what else would a young freshman co-ed desire more than Coke or coffee at the "Union"?
