# STUDENT LIFE

The Campus School is named after the first President of the College. More than 150 students attend class in grades kindergarten through six.

The first building on campus—the Administration Building—was constructed in 1905. Wings have since been added. For years all classes were held in the building. Now offices of College authorities, library and auditorium share space with the class rooms.

Built in 1958, West Hall is home for 140 men. Mrs. Curry has been house mother since it opened.

North Hall, the twin to West, houses 140 women. Mrs. Deselms is house mother this year.

Built in 1955, at a cost of \$770,000, the Vocational Arts Building was named in honor of Otto Olsen last summer. It houses facilities for industrial arts, home economics and business.

Carrie E. Ludden Hall for women was opened in September. 160 women live in the new facility with Mrs. Maxon as house mother.

Everett L. Randall Hall for men, air conditioned as is Ludden Hall, was first used last summer. It will house 200 men. Mrs. Triplett serves as house mother.

The new \$1,300,000 Herbert L. Cushing Coliseum was first used November 15 for the Inauguration of the fifth President, Dr. Milton J. Hassel. The new building has three class rooms, basketball court seating 2,800, lockers, indoor track, swimming pool, and offices for the physical education staff.

The old gymnasium now serves as a women's physical building. Renovation is the order of the day for the building.

The Memorial Union, built in 1957, serves as the dining hall area as well. Slater Food Service took over the dining hall operation in January. The snack bar operation was lengthened and enlarged this year.

Martin Hall, built in 1953, is the dorm for upper-class women. Noted for its large, beautiful lounge, the facility is used by many College groups. Mrs. Waller is house mother.

Men's Hall is the oldest men's dormitory on campus, having been built in 1939. Home for 140 men, the building also houses the Book Store. Mrs. Lang is house mother.

Eva J. Case Hall is the oldest dorm—erected in 1929 and houses 180 freshmen women. Mrs. Wurth is house mother.

Completed last year, College Heights Apartments consists of 72 one-bedroom apartments and 36 efficiency units. The buildings overlook Kearney Lake north of the rest of the campus.

One of the speakers at ceremonies honoring President Herbert Cushing's retirement after 25 years as head of the College was Governor Frank Morrison.

Presenting the Cushings with a check for \$3,500 for a trip was Kearney businessman Bill Richardson.

Giving the address of the day was former governor and ambassador to Denmark, Val Peterson.

One of the highlights of the day was a giant barbecue served to more than 3,000 people. Dances in the evening ended the day's activities.

Marlin Sekutera burns the midnight oil—just this once in his room in the dormitory. Each room has accommodations for two.

Gosh, what now? Gary Elliott studies the lessons on his way to class. French was a bugaboo as far as he was concerned.

Carmen Strong, teaching in Scottsbluff the second semester, was awarded this trophy as the outstanding student in home economics last spring.

Record relief was sought out by sometime procrastinators Jan Goldenstein, Judy Carlisle, and Ellen Donohoe.

## Interludes Break Hectic Academic Pace

A dance is a dance is a dance, but never the TWIST! But no matter the latest technique, the Student Union housed all the dance festivities; be it an hour dance during week-night releases or a full evening of orchestrated whirls.

"I'm a freshman here, and I want to know where to stay in Case Hall." Freshmen received their badges from Council member Jerry Bowden and helper Joe Greeno, as bewilderment is stacked upon bewilderment.

Getting up early to read the paper before going to breakfast is Bill Johnson as he waits until breakfast serving starts.

An interested spectator at fall registration was President Milton J. Hassel. For second semester classes, students went through pre-registration for the first time.

Many favorable comments were received from the students concerning pre-registration.

Winners of tuition scholarships for second semester paid by the Nebraska Congress of Parents and Teachers. Back row: Frances Trotter, Lynne Jorgensen, Doug Long. Middle row: Mary McAfee, Melody Neustrom, Allen Kelley. Front row: Elizabeth Schaffert, Pat Burks, Jacque Dubois.

## Scholarship Pays Off

Dennis Landers and Charles Newman congratulate one another after they win the Dr. Werner Krebsler Scholarships awarded to pre-medical students.

Winner of the first Kearney Elk's Scholarship, which is valued at \$100 per semester, was Darlene Lyon. Congratulating her are Jim Dobberstein, exalted ruler, and Donald Prather, Chairman of the Elks Scholarship Committee.

# Frosh Week—That Bewildering Introduction to College Life

How will we ever get all this into the dorms?

Mom and daughter are greeted in Case Hall.

Coffee, Tea, or milk?  
An annual buffet is held for the new Frosh and their parents.

She must be sharp, from the look on Dick Strobl's face, as he holds the door of Case Hall for new Frosh.

After one spends an hour filling out a registration blank, it takes two seconds for someone to find a mistake.

Hurry up and wait

Looking quite familiar, but quite empty is the old gym, where registration takes place.

The lineup of advisors is always ready to help.

## Frustrated Frosh Learn About Registration

My advisor says its not necessary for graduation, the instructor says it is...and this thing doesn't even list it.

If you've paid your class dues, you may move on to the Business Managers office.

\$1,010, 1,020, 1,030...  
This is where they painlessly take your money.

## Receptions, Dances and Tests All Are a Part of Frosh Week.

Students entering NSC as freshmen find many varied experiences awaiting them. From the time they move into the dorms, their time is well-planned. There are various things planned for the first day, including the buffet for parents and Frosh. The Vesper Service is also on the first day. Next Day come the tests. These continue for many, many hours (or so it seems).

Student mixers, hanging around the Union, and the dances help to acquaint them with each other. There is also the faculty reception to acquaint the student with the faculty and administration.

Registration is a test of patience for one who has never gone through it. Here the meaning of the slogan "Hurry up and wait" is really learned. All in all, things may happen so quickly for the new student, he may wonder exactly what is going on.

See? My pen has NSC on it.

Yes, Mr. Ingram, I plan to major in Bus. Ad. and minor in Bus. Ed.

I'm Dr. Paul Gaer, Dean of Instruction. And You're...

Freshman Week dances are always well attended.

Buses full of bandsmen begin to arrive for the Homecoming parade.

Band members eat lunch on the campus lawn before appearing at the football game.

## Homecoming Takes Much Preparation by All

The Zeta Chi Alphas used a Volkswagen to present their unusual float.

Deltas Carole Most and Sharon George work on their float.

Kappa Chis take time out for coffee break while building their float.

Sigma Nu used a safari theme with the motto, "Cage the Eagles."

Sigma Theta Phis built a sphinx from Egypt to illustrate Antelope plans for Chadron.

# Parade Floats, Tremendous Football, and the Homecoming Dance Make the Day a Success

Round the world with the winning Antelopes was the Kappa Alpha Phi idea.

Delta Pi Beta used the famous Coldstream Guards to help the Antelopes down the Eagles.

Representing the Eagles as a dead bull, the Freshman class developed a good float.

Kappa Lambda Chi made the ride to victory easy for the Antelopes.

Before and After. The Cals Arch of Triumph the day of the parade and the day after.

Phi Tau Gamma Fraternity won the grand prize with this paraphrase of Ernest Hemingway's novel.

## Queen Pageant and Parade Are Features of Homecoming

Surprised. Marge? President Hassel crowns Marge Borgman.

The queen and court—Barbara Nelson, Sharon George, Queen Marge Borgman, Judie Bator, and Carol Davidson.

Willis Hunt, vice president of the Student Council, presents the queen with flowers, while Marilyn Wright, 1960 queen, fixes her robe.

Luckily, someone had a handkerchief for the thrilled lady.

For those preparing to be scientists, lab is a must. Tony Roberts, chemistry student, contemplates the correct completion of an experiment in the Chemistry lab.

Maintaining their adept skill in the art of pool, these three students take advantage of the three pool tables in the basement recreation area of the Student Union.

Dr. Bliese keeps an anxious eye on the gals as they get ready to dissect their first frog in zoology lab.

Art is just what one makes it to be. Here each student proceeds to form an individual molding of her own work.

Time and talent aplenty were spent working toward accreditations by North Central and NCATE this year. President Warren Lovinger of Central Missouri State College visited NSC in January to advise the college administration. At a coffee hour Mr. F. M. Shada, Dr. Lovinger and President Hassel confer.

Don Briggs, the Student Council sponsor, wearily makes the big attempt to get the Homecoming Parade underway.

Spring fever caught faculty as well as student victims. Chowin' down a hot dog bonanza are the Don Welch, Ernest Grundy, Fred Phelps, and Dwight Adams families.

Joyce Iverson, Bridgeport frosh, made history in September when she became the 2,000th student to register. Total enrollment first semester was 2,025; for second semester, 1,880.

Money, Money, Money. Mr. Donald Tewell, financial aids officer was a busy man as a record number of students lined-up to receive student loans from the National Defense Student Loan Fund.

"Now, let me see—I do believe that I see the root structure of the maize plant." Lab sessions take one afternoon per week for all students in biological science.

A once-in-a-lifetime occasion—the dedication of four buildings—three named in honor of living educators: Dr. George W. Rosenlof, speaker at the ceremonies, Mrs. H. L. Cushing, Dr. Cushing, Miss Carrie E. Ludden, Mr. Everett L. Randall and Mrs. Randall.

Buildings dedicated were Herbert L. Cushing Coliseum, Carrie E. Ludden Hall for women, Everett L. Randall Hall for men, and College Heights Apartments. Speakers on the rostrum for the hour-long ceremony on February 17 stand in honor to Miss Ludden, behind the rostrum.

The audience at the program numbered over 1,000 on a 75-degree February afternoon.

## February and March End Basketball Season

M. C. of the Annual K-Show was Jack Routh. In addition to his "line of stories," this year he also played music.

Tommi Thomas was one of the attractions at the K-Show, but she didn't win one of the first place awards.

First place winners in the Intramural Basketball race were the K-Club team. Team members were—front row: Ron Hill, Keith Wise, Francis Placke, Kent Wise; back row: John Richards, Ron Hofmann, Sterling Troxel, and Dennis Snell.

THE ALLEY-CATS—Intramural Basketball Runners-up—front row: John Curtis, Floyd Dickerson, Steve Kraus, Gary Myers. back row: Merlin Lawrence, Jim Irwin, Larry McCord, Terry Powell, Whit Hensman.

Trophies in the intramural program were presented by the Student Council. Winner of fall trophies include Leland Copeland, intramural director, Jim Rundstrom, leading basketball scorer, Ron Ritterbush, touch football, Denny Christensen, basketball; and Jerry Bowden, Council member who made the presentations.

Dr. Warren Lovinger of Central Missouri State spent several days on campus in January, advising campus officials about North Central and NCATE accreditations.

Snow-all winter long—no need for other explanation.

Tom was happiest when he was participating in athletics. Here he goes for a ten-yard gain against the Doane Tigers.

## Death of Tom French Shocks Students

The students were shocked in mid-February after they learned that Tom French, personable, likeable, red-headed freshman from Phillipsburg, Kansas had died of injuries suffered in an accident near Holdrege.

Tom, one of the most promising freshmen, ever to play football at NSC, was one of the best known and well liked students on campus. He worked in the college dining hall, played intramural basketball, and was a hurdler on the track squad.

A young man of high ideals and character, Tom had set up his ideals and goals and was determined to reach them.

Members of the Phi Tau Gamma Fraternity, and his pledge brothers have set up a student loan fund in his memory and K-Club members have set up a trophy to be awarded to the outstanding freshman football player each fall.

The Tom French that most students will always remember—the pleasant smile, twinkle in his eyes, and the friendliness.

As a final gift from his college faculty, President Cushing receives a walnut desk from the teachers. Terry Richardson made the desk in the wood shop.

## College Mourns Death of Dr. H. L. Cushing

One of the memorable days of Dr. Cushing's life was Febr. 11, 1962 when he attended the dedication ceremonies in Herbert L. Cushing Coliseum as the new field house-gym was named in his honor.

Receiving congratulations at a tea following the Dedication ceremonies are Miss Ludden and Dr. Cushing.

The campus, state, and nation were saddened on February 28, when word was received that former President Herbert L. Cushing had died of a heart attack.

His death ended a career in Nebraska education which began in 1908. He retired July 1, 1961 after serving as college president since 1936.

Even then, he didn't leave educational work. He became executive director of the Kearney State College Endowment Association.

Front row: Jerry Billings, Bill Rizer, Mary Petska, Gwen Thomas, Melanie Stovall, Barbara Johnson, Teresita Prieto. Back row: Stan Spomer, Dennis Muehling, Francis

Osentowski, Richard Driml, Jerry Muehling, Earl Finkenschier, Tom Boelka, Marilyn Sorenson, Dennis McPheeters.

## College Commanders

Vocalist for the Commanders this year was Gwen Thomas.

The College Commanders, composed of members of the college band, is a popular dance band. The group plays for several college functions during the year and has played for high school dances and other functions in this area.

The students practice on their own time and have no actual college connections other than being students and using college facilities.

Front row: Kelly Young, Nancy Rennecker, Louis Klinzman, Zandra Nielsen, Gary Rasmussen, Pat Louer, Jerry Muehling, Lenora Remple, Betty Karr, Clyde Mickelsen, Oralene Hall, accompanist. Second row: Sue Peterson, Dave Stull, Kirk Kittle, Liz Vipperman, Harry Borowski, Gwen Thomas, Allyn Eaves, Delores Chramosta. Third

row: Jerry Larsen, Richard Williams, Jo Loy Dannat, Glen Falk, Judy Walters, Don Lehn, Midge Buckhammer, Dennis McPheeters, Carol Green, Kent Smallcomb. Fourth row: Ival Conger, Melanie Stovall, Terry Loschen, Judy Price, Dave Gallion, Barbara Johnson, Dennis Muehling, Pat Novasad, Gary Drown, Lois Driewer, Bill Rizer.

Members of the Choraleers were busy this year. They sang last May during Cushing Day and for Graduation. During the fall semester, they sang at the Inauguration of President Hassel over TV, and at the Messiah. During the second semester, the members sang at the dedication program, appeared on TV, and took an annual tour this spring to Western Nebraska.

Director this year was William Lynn. For the students who wish to sing and who do not get an opportunity to join the Choraleers, opportunities are available to join either the male or the female chorus.

**THE SHINERS**—Male Quartet: Gary Drown, Allyn Eaves, Kent Smallcomb, and Mr. Carl Easterbrook.

## College Band

The College Band started the year under the baton of Gaylord Thomas, but ended with Paul McEnderfer as director.

Mr. Thomas left at Christmas time to attend Colorado State College to finish work toward his doctorate.

During the first semester, the band operated as a concert organization. They were hosts to 30 high school bands at the Homecoming ceremonies.

The annual Mid-Winter Concert was postponed from February 11 to February 18 because of the snow and blizzard conditions.

Southeast Nebraska was the goal of the annual spring tour this year.

"What have I done to deserve this," cries Desdemona as Emilia and Iago sympathize.

## Othello Presented As First NSC College Theater Production

Desdemona sings an old family tune of infinite sadness as her chambermaids prepare her to meet Othello and her doom.

Cassio, Bianca's lover, informs her of his "true" love.

On the evenings of November first through fourth, the NSC college theater set the campus clock back three and one-half centuries. Othello, Iago and Cassio came alive once more as William Shakespeare's *Othello* was presented for the students and public. Well directed by Mr. Wesley Jensby, it was the first major production of the year. The cast members, who did an excellent job, included Jack Routh as Othello, Lanny Jorgenson as Iago, Elizabeth Vipperman as Desdemona, Jan Jensen as Emilia, Harry Northrup as Cassio, and Joe Greeno as Roderigo.

Complete shock is registered on the faces of those in the saloon after Chris announces he has killed his father.

Chris becomes a hero for killing his father.

Chris demonstrates the method by which father-extermination is accomplished.

## "Playboy of the Western World" Utilizes New Stage

NSC's second major theater production, "Playboy of the Western World", presented something new to college viewers. The stage, V-shaped and built especially for this production, was placed in front of the regular stage and right next to the audience. This placed the audience on three sides of the stage and created a good impression. It was very appropriate for a play which the New York Herald-Tribune in 1958 called "one of the two or three best plays of the twentieth century."

Performances for "Playboy" were from December sixth through the ninth. The cast included Bill Marshall, Dennis Nelson, Bernie Clark, Linda Roblee, Gerald Sorenson, Joe Greeno, Gwen Thomas and Mary Noble.

"Let's hang Chris" seems to be the general consensus of opinion here.

## Alpha Psi Presents "Send Me No Flowers."

Members of Alpha Psi this year presented "Send Me No Flowers" for their annual winter show. The play is all student directed, produced, and sponsored. The proceeds this year went toward purchase of a new dimmer switch for the stage equipment.

Alice Mackey and Lanny Jorgensen try to figure out a scheme to make certain that the doctor is wrong.

Lanny Jorgensen and Bernard Clark look away for help to help solve their problems of how to continue living.

The play was centered around the theme that Jorgensen was not long for this earth and his wife Sandi Sanderson tries her best to console him.

## Play Productions

The *Skin of Our Teeth* was last summer's production. Leads were taken by Mr. Robert Larson, Alice Mackey, and Sandy Sanderson. Here the family meets the two prehistoric animals.

A good time is had by all as the cast goes to a carnival. Here the fortune teller tells of forebodings.

The President, Robert Larson, and Sandy Sanderson—"Miss '61"—joke about the Queen's costume as the family looks on in horror.

Starbuck-The Rainmaker (Bob Stillmock) — in last spring's show is joined by Judy Waldmann, Bill Marshall, Jack Routh, and Frank Russell.

## The Crucible

There must be divine guidance as these Puritans ask if witchcraft is real.

The condemned man faced the Governor as his "friends" look on without too much concern.

"Are you certain you are telling the truth. You realize that I could die for your statements."

"Please wake—If you don't, people are going to die because of your illness—"

The third theatrical production was "The Crucible." Presented during the March blizzards, crowds were smaller than usual, but those who attended witnessed a masterful production. Without the use of scenery—just lighting—the Salem witchcraft trials were brought to life.

Members of the cast included Gerald Sorensen, Gwen Thomas, Harry Northrup, Sharol Cline, Bernie Clark, Roger Jones, and others.

The condemned—John Clinch and Judy Waldmann—wait their hanging as witches in *The Crucible*.

Is it true or someone's imagination? Is the girl really under a spell or just ill? Two people's lives hang in the balance.

## SEASON PREVIEW

Seventy-nine prospects reported to Antelope grid coach Allen Zikmund on August 30. Included were 32 letter winners. The candidates had two weeks in which to get ready for the first game with the Fort Hays Kansas Tigers. Gone from the team were 21 lettermen and former line coach Leland Copeland. Bill Giles was named the new Line Coach. The Antelopes were out to better their second place finish in the Nebraska College Conference in 1960. Facing the gridgers was a nine game schedule which ended on Nov. 11.

## FORT HAYS SHELLS ANTELOPES 24-0

Fort Hays Tigers dumped the Antelopes 24-0 in the first game of the season for both schools. The game was much closer than the final score indicates as Tiger quarterback Dave Parker was the best the Antelopes were to face during the season. Looking best for the Kearney crew were Ken Kuhn who carried seven times for 52 yards and Steve Kraus, who gained 67 yards in 11 carries.

## PERU DIMS CONFERENCE HOPES 7-0

Defending conference champions Peru Bobcats outmudded the Antelopes 7 to 0 to give the south-east college an "in" to the first place conference race.

The game was a defensive battle as the field was a quagmire and the game was played in a steady downpour.

## Kearney Wins First Over Montana 34-6

Kearney State's Antelopes scored at ease as they crushed Eastern Montana State College of Education at Billings 34 to 6 for their first win. Kearney's attack was led by sophomore quarterback Dick Butolph who replaces senior Harry Boss who had been signal caller for the first two games. Butolph hit for 9 of 12 tries and two touchdowns. The visitors were tired from a thousand mile bus ride, but gave ground grudgingly.

Steve Kraus personally led the Nebraska State footballers to a convincing 18 to 7 victory over arch rival Hastings College. Kraus carried for 123 yards in 20 carries. At half time, Kearney led 6-0, but the Broncos came back to go ahead 7 to 6 before Kraus took over to score the final two touchdowns to dump the south of the river school. A crowd of 4,000 saw the game in ideal football weather.

A fourth-quarter touchdown which Kearney coaches, teams, and spectators felt was caught out-of-bounds spelled defeat for the Antelopes as the Doane Tigers eked out a fourth quarter rally for a 14-13 victory. The loss ended all hopes of a conference co-championship. For the home town Doane crew, the win pleased a small Homecoming crowd on the Crete campus. Main ground gainers for the Antelopes were Steve Kraus who picked up 102 yards and freshman Tom French who gained 45 yards in three carries.

Nearly 6,000 Kearney football fans saw the Antelopes easily trounce an inept Chadron State Eagle crew 51 to 0 in the annual Homecoming tilt.

The Antelopes scored the first time they got the ball on a 33 yard pass play from Dick Butolph to end Jim Irwin.

## Wesleyan Is Dumped in Final Game Between Two Colleges

In the final game of the present series, Kearney kept their mastery over the Nebraska Wesleyan Plainsmen 27 to 0. The Methodists left the College Conference this spring. Again it was a case of the reserves playing more than the regulars as the coaches let all who suited up play at least two quarters.

The Plainsmen never penetrated beyond the Kearney 20 yard line. The first five times they had the ball, they lost 18 yards. Steve Kraus, Ken Kuhn, Charlie Hircok, and Wayne Rudolf scored for the NSC elevens.

## Antelopes Smother Wayne 40-0 in Blizzard

Revenge was sweet—specially for the Antelopes—against the Wayne Wildcats as the Kearney traveling squad of 33 routed Wayne 40-0 in a snow storm.

The win helped avenge last year's loss to the Cats which cost the Antelopes a share of first place in the conference.

Dick Butolph led the NSC'ers as he scored three touchdowns, passed for another and kicked two extra points. All the scoring was done by underclassmen showing the depth of the team.

The Wildcats threatened only once against the third team even though they outweighed the Kearney team 20 pounds per man.

## Antelopes Win Finale Over Oklahomans, 21-14

Finishing out the season, the NSC football team edged past the North East Oklahoma Redmen 21 to 14 in a Veteran's Day game. The opponents were the best team the Antelopes faced all year, but the Zikmund coached outfit, by a superlative last quarter effort, ended the season with a win.

Eighteen seniors played their last game in the rough defensive battle. Jerry Dunlap scored twice and Lee Osborne who scored one and played a bang-up defensive battle were the game standouts. The win evened the series between the two colleges at 1-1.

## Season Ends on Defensive Note. Outlook Good for Next Fall

Although the Kearney eleven did not win the Conference crown, they made a fine comeback after losing the first two to win three of the last four by shutouts.

Forty five men were lettered by Coach Zikmund with several outstanding freshmen included. Several more players just missed earning their letters because of illness and injuries.

Prospects for next fall look encouraging as 28 lettermen are underclassmen.

Coach Allen Zikmund was "pushed" by the Alliance Times-Herald to be coach at the University of Nebraska, but Zik turned thumbs down on the idea. With the new Coliseum-Field House a reality athletics at NSC should continue to be on the rise.

The official signals a touchdown against the Chadron eleven. Who scored can not be determined although the ball is visible.

## Reserves End Season with 1-1 Record

One win and one loss was the record compiled by the B Team reserves under the coaching of Bob Hauver.

Only Fort Hays will play the Antelope JV's as NO Nebraska college will match wares with the reserves.

In the first tilt, played at Hays, the Tigers eked past the Antelopes 7 to 0 on a muddy field. Both teams made only one goalward drive; only Fort Hays scored.

In the second game, played in Kearney, the junior Antelopes dropped the Tigers Cubs 33 to 20 to hand them their first defeat in six outings. It was a team victory with a stand-out hard to choose.

With nearly forty men on the reserve squad, the varsity next fall should have men joining it with some game experience. A few of the men played on both squads in an attempt to get more game experience.

Lots of action is evident in the Fort Hays-NSC B Team contest here.

## Cross Country Teams Wins Conference, A A U Again

Gil Carranza, sophomore

The Hays crew defeated the Kearney team for its first Nebraska defeat in three years.

Coach Charlie Foster's cross country team again won the Conference Cross Country Trophy, the Midwest AAU and finished eighth in the national NAIA meet in Omaha. In the AAU meet, they even dumped the University of Nebraska. Senior Gary Shubert led the contingent even though sophomore Clarence Wiedel won a couple of meets. Transfers who must wait out a semester and an ineligible man probably cost the Coach a team as good as the one which competed. Transfer Hylke van der Wal from Ontario Can-

ada set a Kearney course record in an exhibition and ran in many AAU and national meets this fall and winter.

Ron Wise and Don Peterson, both transfer and underclassmen should help the team next fall. Only Shubert will be lost by graduation so the team should be powerful again.

Meets included NCC, Midwest AAU, national NAIA, Air Force Academy, Fort Hays, and Nebraska Wesleyan.

## Antelopes Win First Game Played in Coliseum

Eldon Benson  
Ong senior

Harry Boss  
Ogallala senior

The Antelope Cagers opened their 1961-62 season on a victory note as they bumped the Concordia Bulldogs 80 to 65 in the first game to be played in Cushing Coliseum on December 2.

Gary Hohnbaum, York senior, led the scorers with 15 points, closely followed by Eldon Benson, Ong senior, with 12.

A crowd of 2,200 saw the first game in the newly completed gym.

Lincoln University of Jefferson City, Missouri, evened the Kearney record at 1-1 as they humbled the Antelopes 95 to 69 on December 5.

Benson led the locals with 20 points with Gary Mason, Crawford junior, and Dennis VanFossen, Laurel junior, hitting 13 and 11.

High point man for the visitors was Chester Moran with 18 markers. Three other Missourians hit in the double figures.

The Les Livingston coached Cagers dropped their first road game to the Fort Hays Tigers 90 to 100.

Both Benson and Harry Boss, Ogallala senior, hit 18 to lead the Antelopes. For Hays, Larry Channell set a new school record by netting 34 points. The Antelopes beat the Tigers in field goals, but lost the game at the free throw line.

Battling against three Bulldogs is Dave Staehr.

"Look Ref," "He fouled," yells Dave Staehr as Dennis VanFossen has the ball against Ft. Hays.

## Cagers Dump Dakota Quints

Gary Hohnbaum

Dave Staehr

Harry Boss led the basketballers to night after night victories over Northern State of Aberdeen, South Dakota, 96 to 87, and Huron College, 82 to 76.

Boss hit 21 points to lead the Antelopes, although Northern's Gary Nygaard was high man with 28 points. Allan "Red" Boucher hit 18 for the home team. Kearney led all the way with a large margin throughout most of the game.

The next game Boss hit 22 as the Kearneyites trailed through most of the game only to pull ahead with about five minutes remaining. The Scalpers of Huron College were led by Ron McGurk's 16 points.

The first Kearney Invitational found the Antelopes winning the first place trophy as they dumped Tarkio College and Hastings College.

Against Tarkio the Antelopes hit a season high of 101 points while holding the Owls to 86. Jerry Bowden, Sutherland junior, hit two free throws to put the Antelopes over the century mark.

Against Hastings, the locals had to overcome a frigid first half when they trailed 15 to 31 to win going away 78 to 63. Mark Cordes, Lexington frosh, sparked the rally that subdued the Broncos.

## Antelopes Cop Fourth in Hastings Tourney.

Larry Frederick  
Kearney freshman

The Kearney quintet took fourth place in the second KHAS-TV-Clarke Hotel Christmas Tourney. In the first game the Antelopes battled from behind to win a 64 to 61 victory over Bethany Kansas College.

The second night saw the Antelopes going down to defeat at the hands of Central Oklahoma State 81 to 70. The Antelopes fought the tourney favorites down to the last minutes before losing.

The Hornets were behind until the last four minutes and won only when superior height and reserves made the difference.

The Antelopes were "pooped out" from the game the night before and fell before the Hastings Broncos in a battle for third place. Nothing would work for the Antelopes, and the Broncos easily won a 97 to 73 verdict.

Turning to conference action, the Antelopes outdistanced the Doane Tigers at home 81 to 67.

Eldon Benson hit for 25 points to lead his team to victory over the weak Crete five. All told, 11 men hit the scoring column for Kearney. Norm Wallace was the high man for Doane as he used his height to good advantage.

Eldon Benson goes up for a rebound as a defender from Bethany tries to stop him by hitting the back of his head.

## Antelopes Start Downward Trend

Dennis VanFossen  
Laurel junior

Wesleyan and Wayne started a seven-game losing streak for the Antelopes as the N.W.U. Plainsmen upended the Kearney five 85 to 59 and the Wayne Wildcats tramped the Antelopes 90 to 74.

The first half of the Wesleyan contest was relatively close as the Antelopes led at one time 34 to 28 before the much taller Lincoln crew used their height to pull even and go ahead to stay.

Mason and Hohnbaum led the team with 12 points each, although Dick Nelson of Wesleyan hit 23 to lead all scorers.

In the Wayne game, Kearney fans saw a scoring record broken as Larry Coney, red-headed center from Wayne hit 41 points on 11 baskets and 19 of 19 free throws. Kearney's attack suffered because Eldon Benson was ill with the flu.

The Antelopes again played a good first half, trailing only by two at half time.

Leading the Antelopes was Hohnbaum, who hit 16 points.

The contest was the last game of the semester on the home court and final game of the year for Kearney freshman Bill Behn who dropped school at semester.

## Antelope Troubles Continue on Road

Peru's Bobcats dealt the Antelopes a blow with a 93 to 68 licking at "The Campus of the Thousand Oaks."

The much taller Cats led by 6'8" Bob Buettgenbach controlled both boards to compel the Antelopes to shoot from far out.

Top scorers for the Kearney quint were Mason, 14; Hohnbaum, 12; and Benson, 11.

The end of the semester saw the Cagers journey 300 miles to Chadron for a doubleheader.

During the first game the Antelopes suffered one of their

too-frequent scoring drouths and fell behind 20 points at half time. Final score was 83 to 68 after the Antelopes struck back in the second half. Gary Mason, a Crawford grad, played his best game of the season before home folks as he hit 19 points.

The Saturday night contest was much closer as the team was edged 92 to 88. The second half comeback caused the Eagles to go into a stall in the last few minutes. Benson, Boss, Boucher, Staehr and Hohnbaum scored from 17 to 10 points.

The three defeats dropped the Antelope marks to 1-5 in the league and 7-9 overall.

Too many hands are after the ball in the Kearney-Bethany tilt—Van Fossen (33) and Roland Anderson plus another Antelope battle for the tip.

Again, Mason drives, this time against the Lincoln University team.

## Antelopes Dump Doane to Halt Skid

Frank Sokol  
Loup City freshman

Winning their first away game in two years, the Antelopes dumped the Doane Tigers deeper into the NCC basement as they won a 91-68 game at Crete.

The Antelopes led from the start and the only question in the minds of the 199 in the audience was the margin of victory.

Benson again led the Kearney five with 21 points. Five others hit 10 or more. Norm Wallace led all scorers with 22.

A week earlier Hastings erased any doubt in their fan's

minds as they manhandled the locals 85-78. The Antelopes led during the first half only to hit a cold spell.

Showing best for the Kearney five was Jerry Bowden who hit for 15 points and grabbed more rebounds than any teammate. Benson led all scorers with 24 while Jim Peterson hit 21 for the Broncos.

The game was a typical Kearney-Hastings affair with plenty of fouls, lots of enthusiasm and yelling.

With victory, Hastings insured itself of fifth place in the league.

Frosh Mark Cordes lets go against the Lincoln Plainsmen.

## Wesleyan Wins Last Games Between Two Schools

Peru and Wesleyan both shoved the Antelopes deeper into the second division as the Bobcats won 96 to 78 and Wesleyan bumped the Cagers 102 to 62.

In a home game against the sky-scrappers from Peru, the Antelopes stayed close to the Cats leading 51 to 50 with 18 minutes to go. However, they then didn't make a basket for 6 1/2 minutes while the Bobcats made 19 points. Then they regained their shooting eye, but Peru was too far ahead.

Benson led the Kearney crew with 15 points while Buettgenbach hit 22 for the winners.

In the final game between Kearney and Wesleyan—the

Plainsmen leave the conference—nothing went right for the Antelopes after the first ten minutes.

Jim Munford hit 22 for the Methodists while Hohnbaum was the only Antelope to hit in the double figures with 15.

The Plainsmen rebounded from an upset loss to Hastings the night before and could do no wrong while the Antelopes could do nothing right. During the first 11 minutes of the second half, Kearney could score but 11 points.

The 102 was the third highest score ever run up by a N.W.U. team.

Letting one go easily is Bowden against Stephens and Eichorn of NWU.

"I want it," says Red Boucher, Dave Staehr, and Dennis Van Fossen in the Peru tilt.

Larry Frederick stretches up for a shot at Lincoln.

Dave Staehr pushes one toward the basket against Hastings as Sam Sample watches in vain.

This is it. The final score against Hastings.

## Antelopes Split Final Two

The Antelopes captured the final home game of the year as they easily out-ran the arch-rival Hastings Broncos 85 to 76.

Eldon Benson led the Antelopes with 22 points but Jim Peterson of Hastings led all scorers with 28 markers.

A crowd of 1,875 saw the Kearney five lead all the way and set the pattern of play with a wide-open type of offense.

The contest was the last home game for seniors Eldon Benson, Harry Boss, Dave Staehr, and Gary Hohnbaum.

In the season finale on February 23, the Wayne Wildcats dropped the Antelopes 91 to 69 in a game which was close until the Kearney five hit one of their frustrating cold spells. They could score but two baskets in 11 1/2 minutes of play.

Benson led the attack with 25 points for his Antelope finale.

Red Boucher used a Benson screen to hit this one against the Hastings five.

"By golly, we're ahead," the Antelopes say as they go to the locker room at half-time against the Broncos.

Gary Duranski drives in for a two-pointer against the Kearney town quint.

Larry Frederick has to battle Jack Peck (5) and Jim Rundstrom of the townies to get the shot off.

## B Team Wins 2, Loses 6 During Season

The B Team, under the tutelage of Bill Giles, opened and ended the season with victories, but dropped six contests between the wins.

The squad got plenty of experience and should help the varsity team next year as five seniors graduate this spring.

Battling a Hastings defender is Frank Sokol as Roland Anderson waits in the background.

## Antelope Wrestlers Win Three Matches

Led by Don Hather and Bill Olson, both undefeated after two seasons of intercollegiate dual competition, the Kearney wrestling squad ended the season with a 3 win—6 loss for their second season of competition.

The grapplers lost to Chadron 29 to 6 as Olson and Hather won decisions. The Fort Hays Tigers dropped the Kearney team 30 to 10 as Olson and Hather pinned their opponents.

In a return match at Hays, the Antelopes did much better as they held the Tigers to a 25-13 margin. Point getters for the Kearney team were Bill Olson and Don Hather who pinned their opponents and Don Hather who decisioned his man.

On a road trip to Chadron and Rapid City, the team won their first match in history. After taking a 29 to 6 lacing here in December, they upset the Eagles 17 to 16. Point winners were John Lacher who decisioned the man who pinned him here, Ron Moss on a decision, Hather on a forfeit, and Dennis Kuhn on a 1-0 decision.

At the School of Mines (South Dakota) the Miners out pointed the Antelopes 17-3. Winning for Kearney were Olson, Paul Raber and Hather. Lacher won a match in an exhibition.

Other Kearney winners were Rod Wightman, who won his first match (via a pin), Olson, and Dean Miller, who drew with his opponent.

The final road trip saw the Antelopes split a pair, losing to Dana 16 to 13 and winning from Midland 17 to 12.

At Dana, Olson and Hather won by pins and Wightman won by a decision. At Midland Hather, Kuhn, Olson, won by pins; and Paul Raber fought his man to a draw.

Last year's dual competition was hindered by bad weather. Results included:

Kearney	5	Midland	2
Fort Hays	5	Kearney	1
Hastings	4	Kearney	3

This year's squad should be hard to dislodge from their conference leadership as singles Champ Gerald Anderson and sophomore star Larry Joe Marshall lead a squad of 15 men reporting to Coach Livingston on March 1.

Squad members of the 1961 Team: front row: Bob Moses, Manager, Kirk Arterburn, Larry Johnson, Jerry Dunlap, Jim Hand, Roland Anderson, Wayne Rudloff, Coach Bill Giles. back row: Mike Fitzpatrick, Bill Stott, Marshall Adams, Joel Becker, Joe Coble, Larry Callen, Red Boucher, Jim Barth, Larry Jess, Dale Schmidt, Ron Hall, Jim Shepard, Virgil Falter.

The Antelopes opened their inaugural season in the Nebraska College Conference by tying for second place as they dumped Peru 8 to 5 and 4 to 1, won two forfeits from Nebraska Wesleyan and dropped games to Wayne 7 to 2 and 10 to 1, and to Chadron 8 to 5 and 8 to 6.

For the 1962 season, the Antelopes planned a 17-game schedule.

With the exception of the opener, all the games were double headers.

Coach Bill Giles welcomed 11 lettermen and 40 other hopefuls during the last week of February.

Gone from last year's squad which tied for second in the NCC were 7 lettermen.

This spring the team had the advantage of being able to work out in Cushing Coliseum after basketball ended. The team also used a pitching machine in an attempt to better their batting eye.

Gals Karen Koyen, pictures editor, and Melody Neustrom, activities editor, look over the final material before the material is sent to Texas for printing.

It is quite a job putting out a 272-page yearbook. Many people put in more hours than we like to think about. Without the help of hundreds of faculty and students, a book the size of the Blue and Gold would be impossible.

The midnight oil was burned for hours and hours in the Blue and Gold office in the Union. We know the book needs changes, some things are not done to our satisfaction, but there is just so much time to do so many things.

Adapting the nebbish theme, "Next week we'll get organized," the annual staff attempted to co-ordinate loose ends, shoot, develop and crop pictures, and work out layouts. They spent hours telephoning, dreaming up ideas, captions, copy, picture set-ups, and themes. With the deadline hanging over the staff's heads like an ever-impending axe, the staff shaped up its rushed chaos and completed its goal. It presented the Blue and Gold to the NSC students and faculty who are the living essence of the annual.

Guiding the fortunes of the Antelope this year were Don Fenwick and Ewing Borchert, business manager. The two worked with new sponsor Walter Stewart in putting out one of the best papers in years.

Second semester reporters were Jim Rundstrom, Ruby Holcomb, Janice Butterworth, LaRhea Swedell, Coleen Reynolds, and Roger Harrelson.

Tom Johnson, Student Council reporter, and Sandi Peterson look at one of their stories in "The Antelope."

Checking facts for a front-page story are Gus Lieske, Karen Koyen, and Carol Page.

Men's League officers meet to eat—whoops, meet to discuss affairs on campus. Kendall Meyers, vice-president, Hart St. John, treasurer, and Bob Meyer, president, discussed the division of the moneys collected by the League. The League bought lights for the stage, helped put on a picnic feed in the autumn, and watched out for activities which affected the 1200 men on campus.

## All College Picnic Sponsored By Men's League

Men's League on the NSC campus is supported by the male students. Dues of one dollar per year are assessed each man on campus. These revenues are placed in a general fund which is to be loaned to needy students. During Freshman Week, the group sponsors the All-College Picnic, which was held in Harmon Park this year.

Each student has the privilege of presenting matters of common interest to male students before the Men's League for discussion and possible action.

Men's League—Women's League fall picnic was well attended from the looks of the plates left over.

"Now, I don't know," says Dean Stutheit, as Men's League prexy Bob Meyer checks a point with him.

The Women's League strives for the betterment of college women's lives. The women college students of NSC pay dues each semester which go into a general fund for student loans and the College Women's League Scholarship. Fashion tips plus were spieled off by a guest

speaker Mrs. Bess Rothman, to the conglomeration of women at the annual "come-as-you-are" party. The poise, and common sense of a lady as exemplified by Mrs. Rothman was certainly the keynote of the Women's League year of 1962.

## Alpha Phi Omega

The Alpha Phi Omega is a national service fraternity that primarily devotes its time to rendering service to the campus, community, and nation. There are well over 300 chapters on campus throughout the United States. This chapter was started on the Nebraska State campus on March 1, 1962.

Men who have had training in Cubbing, Scouting or Exploring or who have or are serving as leaders in any one of these branches of Scouting are eligible for membership regardless of any ranks or honors attained.

The important point is that each man in Alpha Phi Omega is committed to the spirit of the Daily Good Turn on the level of the thinking of a college or university man.

To carry on an extensive service program requires a membership large enough to deserve the respect of the entire student body.

The chapter membership includes members of

OFFICERS: Max Casey, Dr. Paul Gaer, R. B. Welch, Howard Hanson, president; Jim Nagele, Scout executive; Bob Koozer, secretary.

other campus organizations (social, professional and honorary fraternities), as well as men who have no other fraternal affiliation. The membership includes men from all departments of the college.

By this means the chapter is a cross-section of the campus life and is best in position to secure the cooperation of other organizations in carrying out the major projects of the Alpha Phi Omega.

Elections are held on November 15 and April 1. These dates make it possible for more members to participate as leaders.

Alpha Phi Omega is not in competition with social, professional, or honorary fraternities, either in the matter of members or program. Membership herein does in no way affect membership in other campus organizations.

## Sigma Upsilon Nu Establishes New Tradition

Meeting the challenge of the "fraternities at the crossroads" as posed by IFSC sponsor Wesley Jensby, Sigma Upsilon Nu threw over the traditional informal initiation and established a constructive informal. Pledges embarked on a continuous 24 hour cleanup, fixup, paintup project at the Kearney City Fire Department.

Formal rush for Sigma Nu's began with the informal coffee hour at Randall Hall, followed by the smoker and strictly informal Swamp

The annual Swamp Stomp again proved to be lots of fun. Typical of the costumes are these worn by this quartet.

Stomp. Social high light for the actives and new pledges was the "Evening in Paris" spring formal, a lawn party and dinner.

Sandwiched into the year's activities were numerous socials including the Homecoming banquet where Fred Lees was awarded the Sigma Nu Scholarship.

At mid-semester, the chapter was hopefully awaiting word that the Inter-Fraternity scholarship belonged to them for the fourth consecutive year.

## Kappas are Youngest Campus Sorority

Believe it or not, this piece of crepe paper which Barbara Nelson and LaRhea Swedell are transforming eventually became the head of the Kappa Homecoming float.

Kappa Alpha Phi, the youngest sorority on campus, strives through its activities to maintain the highest ideals of womanhood. These activities are varied, and include pledge functions, a Mother's Day Tea, participating in the Homecoming Day Parade, and the annual Spring Formal.

Members have varied interests and take part in music, drama, and service to the school as well as the social aspect of college life.

Pledges to Kappa Alpha Phi learn through pledge season the standards which the Kappas have set and the way to maintain these standards.

Thirty men pledged the fraternity in December. Sixteen were formally initiated in mid-March.

The death of pledge Tom French saddened the men, but his parents received his membership material and his fraternity pin.

Twenty-three men lived in the house at 2221 7th. Plans for remodeling the basement of the house were approved by the alumni.

The men of the fraternity set the mark for other Greeks to shoot at each visit of the Red Cross Bloodmobile.

Nancy Rennecker was revealed as Phi Tau Sweetheart at the rush dance. The annual Spring Formal was the high light of the spring season.

Chancellor first semester was Gary Kruse. Selected for second semester was John Gerber.

## Ranch Dance. Butterfly Ball are Highlights of Sigma Year

Sigma Theta Phi Sorority plans its year around a full schedule of activities. The Homecoming float, reception for alumni, and plans for rush season begin the year. Once the process of pledging is complete, the task of making Sigmas out of the neophytes faces the group. Pledge season activities help make the new pledges known on campus. After informal and formal initiations, thoughts turn to the spring formal. High lights of these social activities are the informal Ranch Dance during rush season and the beautiful spring formal, the Butterfly Ball.

Organized in 1915 the sorority was founded with purpose of creating loyal friendships, high aims in life, and high social and individual morals.

## Hobo Hop is Feature of Tri Phi Rush Season

Dan Young and Marge Williamson were crowned King Ho and Queen Bo at the Tri Phi rush dance, the Hobo Hop.

A full round of activities paced the Phi Phi Phi Fraternity calendar this year. Rush season began with the smoker and the annual Hobo Hop, designed especially for all campus Hoboes. Pledge Season activities, participation in the "K" Show with a good male quartet, spring formal, and frat functions completed the year.

Tri Phi founded in 1955, the activities combined the social aspects of college life with a sense of duty to college, country, and self. Gray sport coats distinguish the Tri Phi's on fraternity day on campus.

## Zeta Chi Alpha Becomes Alpha Xi Delta

For the first time national social organizations have representatives on the NSC campus. The first local group to affiliate with a national was Zeta Chi Alpha, who became Delta Gamma chapter of Alpha Xi Delta. This first capped a successful year for the Alpha Xis. Beginning with Homecoming the girls took an active part in campus activities. High lights were the Cinderella Ball, the spring formal, and the Mother's Day Tea.

In 1960-61 the group retired the ISC scholarship plaque, having won it for the third consecutive time. The Alpha Xi contestants in the "K" show furthered the sorority by winning the first prize for their skit.

The Omegas were organized in 1956 to promote brotherhood and cooperation among the members. This year's pledge class was chosen with this goal in mind, and pledge season was designed to further this.

# FACULTY

General chairman of inauguration proceedings was Dr. Harry Hoffman, shown here with his wife.

## NSC Inaugurates

Several faculty members prepare to march in the inaugural parade.

Music during the Inauguration Dinner was provided by the NSC String Quartet. Members are Paul McEnderfer, Ellen Charlton, Earl Boardman, and Mari-beth Lynn.

## A New President

Ex-president Cushing converses with Normal Board President Carl Spelts before the inauguration.

Dr. Cushing, Mr. Spelts, and Dr. Hassel get in step as they march into the coliseum.

Dr. Mantor leads the professors emeritus to their seats.

Rev. Ronald Ebb leads the invocation.

## Ceremony Requires Much Preparation by Faculty

Herbert L. Cushing gives a "farewell address" as retiring President.

The NSC Choraleers perform during the proceedings.

## Inauguration Day Was November 15, 1961

President Hassel accepts the challenge and responsibility from Mr Spelts.

Gratitude to all was expressed by the President as he accepted his official charge.

"Who Is Educated?" was the theme of the Inaugural Address.

Is this a meeting of the Presidents? President Crawford of Mankato, Minnesota State, Hassel and Brandenburg of Wayne State converse.

## Delegates Attend From Many Colleges and Universities

Dr. Cushing and wife attend the banquet before the reception.

President Crawford, Mrs. and Dr. Hassel enjoy the banquet at the Ft. Kearney Hotel.

Mr. and Mrs. Al Zikmund and Pat Hansen sample the refreshments at the dance.

The dance, played by Eddy Howard, was well attended.

## Day Ends With Reception and Dance

Jim Armagost and Judy Jurgens were among the students who passed through the reception line.

Mr. Spelts, Mrs. Hassel, Mrs. Spelts, and Dr. Hassel formed the receivers in the reception line. Here they are shown greeting Mr. and Mrs. Ora Lindau.

Standing for the invocation were Reverend Richard Miles, Dr. W. E. Bruner, Charlie Foster, Dr. G. W. Rosenlof, Carl Spelts, Dr. L. E. Mantor, Everett Randall, John Helleberg, Jr., Reverend Earl Longfellow, and Allen Robinson.

One of the biggest days in a person's life is the day a building is dedicated in his name. To three, this came true on February 11 as Herbert Cushing Coliseum, Carrie Ludden Hall, and Everett Randall Hall were dedicated.

The audience at the program held in Cushing Coliseum.

Miss Ludden, hidden behind the rostrum, had just been introduced by Dr. Bruner.

Dr. George W. Rosenlof, Mrs. Cushing, Dr. Cushing, Miss Ludden, and Mr. and Mrs. Everett Randall visit about a humorous incident of Dedication Day February 11.

## Three Buildings Dedicated

Presidents of the other three Teachers Colleges and members of the State Normal Board join the Deans as the dedication program gets underway.

Speaker for the day was Dr. George W. Rosenlof, long-time registrar at the University of Nebraska. Others on the rostrum are Dr. Cushing, Carl Spelts, Dr. L.E. Mantor, Everett Randall, John Helleberg, Jr., and Mr. Wayne Bressler, Normal Board President.

Front row: Carl Spelts, Kearney; A. D. Majors, Omaha; W. T. Bressler, Wayne; Helen Woolstrom, secretary; E. Albin Larsen, Lincoln; Henry Freed, Chadron. Back row: Dr. F. B. Decker, Lincoln; Dr. W. A. Brandenburg, Wayne; Dr. Clark Elkins, Chadron; Dr. Neal Goman, Peru; Dean Lester Hunt, Kearney.

Members of the State Normal Board serve without pay. This year they visited Kearney several times—Inauguration, Dedication, and the funeral of Dr. Cushing. Theirs is a tough job as they attempt to keep four colleges happy with budgets, buildings, auditor's report, etc.

Normal Board members were seated in the front row during Inauguration Ceremonies for Dr. Hassel.

Victor Riesel, nationally known labor columnist, spoke to the students at Kearney on March 12. He discusses the blizzard and his trip to Wichita with President Hassel here.

Several lecturers, accrediting teams, and consultants visited campus this year.

Dr. Bruce Downs, librarian at the University of Illinois is consultant on the new library. He met with Dr. Hassel, architect John Helleberg, Jr., and Librarian Alice Paine.

A North Central accreditation team visited the campus in July. Discussing their visit are Dr. Hassel, Dr. Sam Gates, CSCE, (Greeley); Dr. Myron Holm, Dr. Lester Hunt.
