Freshmen are greeted by the faculty and administration during their first week on campus. Shown here is President and Mrs. Hassel welcoming a freshman while Dr. Hoffman extends the same courtesy.

Zoology labs seem to interest a few of the students as they finish the required lab for another week.

Nebraska State's tough football team makes a defensive goal line stand that held on that series of downs. Part of the huge Homecoming crowd watches in the background.

# WE LIVE . . . .

Some life long friendships are begun as the good night kiss at the door means a lot to existing friendships . . . Good nite Wanda Hornbaker, . . . Good night Ted Griess.

A girl with a passion for smashing up cars is "Chick" Licking as she rides one car of its "tail lights" at a victory smash.

Below: "I would rather see you bald than to rat your hair like this," says Jeanne Frates as she helps Sue Ramsey with a new hair style.

Bob Behrens and Jerry Wise crack the books extra hard as they strive to accomplish what they set out to do.

The Sigma Tau Gamma fraternity and their dates take time out from studies to enjoy life, on a warm spring day.

## WE RELAX. ....

A typical fraternity-sorority swap day includes an evening dance and lots of fun.

Huh?? Records on a cylinder!! Seems to be the thoughts of Bob Ernst as Fran Duffy makes a selection.

## WE LEARN . . .

At the left, Mary Scheve is pictured as she puts the finishing touches to one of her many modern art paintings.

One of the student teachers at A. O. Thomas school tries to add to the interest of her students by dressing in a manner similar to the Indians she is teaching about.

The pottery class has produced many outstanding pieces of work. Darrel Jones and Stan Mengers are busily adding the finishing touches to a fine piece of pottery work.

# WE LAUGH . .

Everything is serious now as student council members, at the state convention, plan for improvement of their colleges.

Eloine Thomas and Linda Feaster talk and laugh with friends in the light atmosphere of the Student Union.

Gilbert Glinzmann, back to camera, Bruce White, and Jerry Stuckert grab a bite to eat just before the Student Union closes for the day.

**MISS JUDY HERGENRADER**

Typical action during the Homecoming game against Deane finds John Johnson (8) lugging the ball goalward with plenty of blocking in the form of Larry Stengel (71) and Dennis Christensen (84) clearing the way.

## SPORTS ARE IMPORTANT FOR MANY WHILE AT N.S.C.

Larry Callen stretches to complete a double play against Hastings, as pitcher Kirk Arterburn watches hopefully in the background.

During pre-season football practice Hart St. John picks over the coveted ham bone which he probably won as the "biggest ham."

The table is set; one way to welcome the freshmen and their parents is with the buffet dinner, usually a huge success.

Kirk Arterburn and Sharrel McBride relax and chat about up-coming events, during the annual fall picnic.

Freshman's first taste of college life—the all college picnic.

Incoming freshmen receive information during Freshman Convocation in regard to registration, paying of fees, and activities during Orientation Week.

## **"THE FRIENDLY COLLEGE"** **DOES ITS BEST TO HELP STUDENTS.**

One of the important activities early in the year sponsored by the Women's League is the "Big Sister—Little Sister Tea" in which upper-class women become acquainted with new women students and help them adjust to college life.

Dean Stutheit, Dean Sisler, and Dean Whelan are among some of the faculty that helped the student body get in the mood for the Hastings football game.

## COLLEGE CAN BE FUN.

The student body cheers their favorite contender in the girls broom race during the revised "Bronco Days" held for the first time on the N.S.C. campus to promote better school spirit.

The Women's Dressing Contest; just part of fun of Bronco Days.

"Hit the cup you idiot"

Gary Mason, Kearney's Student Council President, presides over the Student Council Convention in which most of the Nebraska Colleges were represented. Problems which concerned most of Nebraska colleges was the main topic of discussion.

President and Mrs. Hassel (standing) entertain faculty members in their home as one way of getting to know new faculty members and to renew friendships with other members of the faculty and administration. Seated in front of them is Mrs. Beckman.

Mrs. Sosa receives a cup of tea from Bob Warren during the faculty tea held at the beginning of each school year so that the new faculty members and their families can become acquainted with the NSC campus.

Dr. Goer, the life of the party, receives a dirty look from Mrs. Beck during the faculty reception held at President Hassel's residence. Others are Mr. Carlson, Mrs. Stumpff, and Mrs. Ninegar.

## STUDENTS GET OUT OF COLLEGE WHAT THEY PUT INTO IT.

The bonfire pep rally, which is most symbolic of school spirit, is lit, sports-up, burns high, flickers and....dies.

Captains Chuck Hircock, Larry Timmermans, and Gerald Dunlap do their best to instill some of the team spirit into the student body at a bonfire rally.

Chick Licking helps add to school spirit as she assists the other cheerleaders in teaching the freshmen and new students some of the college yells.

The Wagoners perform one of their precision drills at the half time of one of the home football games.

## **MANY STUDENTS TAKE ACTIVE PARTS IN MUSIC AND DRAMA.**

THE STATE  
STATE TEACHERS COLLEGE  
KEARNEY, NEBRASKA

The drama department is responsible for all of the plays and co-sponsors the musical of the year. Doing a superb job of acting are students of the College Theatre.

The N.S.C. Marching Band takes the field as they entertain the fans at all home football games. Good music and lovely young ladies are featured.

The winners of this year's Kearney Invitational Speech tournament were from the University of Nebraska. Dr. Ahrendts, chairman of the division, at the right is shown presenting the trophy to the winning team.

## COLLEGE IS TRULY OUR GOLDEN YEARS

The annual "K" Show sponsored by the local chapter of M.E.N.C. is a variety show full of college talent. The Yenrock Baller Corps live it up as they proved to be a crowd pleaser.

We don't always play basketball like this . . . just when our opponents try to be ball hogs.

"Tiger" Pounds (at left) presents a turkey to Willie Lane, the winner of the mens intramural "tukey trot" which is equal to cross country.

## All Students Are Encouraged To Participate in the Intramural Sports Program

Students have an excellent chance to learn to swim and to improve their swimming and diving as the Cushing Coliseum houses the largest indoor pool in the state.

The musical of the year, "Music Man," was a tremendous hit as capacity crowds packed the auditorium every night during the five day run. At right, Elizabeth Viperman gives Bernard Clark the cold shoulder as Tammie Thomas, Dan Anderson, and Sandra Rosenlof are taken by Bernie's smooth talk.

Just where does one start a line when there are 1900 hungry band members to feed?

During the Library cornerstone ceremonies the Student National Education Association was asked to decorate the stone. At right, are Shirley Schmlidt, Hilda Jesske, and Victoria Nemecek. (R.-L.) Seated and watching the ceremonies is President Hassel.

Upper left, Men's Hall is the oldest mens dormitory. Upper right, Ludden Hall is the sister dorm to Randall Hall and houses mostly freshmen women.

Martin Hall is the dormitory for most of the upper-class women.

Eva J. Case Hall for Freshmen women, is the oldest dorm on the campus.

Everett L. Randall Hall is the newest and the largest dormitory for the men on the campus.

Lower left, West Hall is the smallest men's dorm. Lower right, North Hall is the sister dorm to West Hall.

At the left is the Herbert L. Cushing Coliseum.

Below is the Administration Building, the main classroom building on the campus.

The Otto Olsen Building at the left is the main building for industrial arts and business courses.

The A. O. Thomas Building is a grade school building where many of the student teachers do their student teaching. (At left)

The Memorial Union, which houses the cafeteria, will soon be remodeled as the new cafeteria will soon get under construction.

The old gym has recently been remodeled and the Student Health Center and Women's Gym now have a new home in this building. (At left)

Dr. Hunt, Mr. Larson, Mr. Spelts, Dr. Decker and Miss Paine look on as Dr. Hassel breaks ground to start construction on the library. (left)

(Right) Placing the vault in the cornerstone is Mr. Orelsen as he prepares the stone for laying.

(Left) The library is found to be level with the ground as fall session begins.

## NSC GETS LONG AWAITED LIBRARY

Construction finally got started on the new library in late August and by November the foundation was ready for the cornerstone to be set. January found both floors up and paneling being put on the front of the library.

With the start of construction on the library the North Central Association gave the college a full ac-

creditation of its graduate program with hopes for full accreditation when the library is completed.

The new library will be able to house 200,000 volumes, seat 900 students at one time and provide for study and typing rooms, plus several large conference rooms. Yes, NSC at last has a library of which it can be proud.

President Hassel prepares to turn the ceremonies over to the Masons for the cornerstone laying. (left)

Normal Board member, Mr. Carl Spelts, one of the main speakers, congratulates the college for finally obtaining the long awaited library.

Workmen add paneling to the front of the new library on a cold January day. (right)

## ACTIVITIES

Bernie Clark as Mr. Hill collaborates with Marcellus, Dan Anderson, in trying to convince the town ladies, Mrs. Shinn, Gween Thomas; Zaneeta, Sandra Rosenlof, that the boy's band is just the thing that the town needs. Miss Paroo, played by Elizabeth Vipperman, is not taken in by the glamorous idea of Mr. Hill.

## MUSIC MAN IS A SMASH HIT, SELL OUT LASTS ENTIRE RUN OF THE PERFORMANCE.

Pretending to be shocked with the gentle kiss, the librarian, remains herself by suggesting that the library is no place for one to express one's emotions.

Mr. Hill starts his plight on the town by the friendly gesture of tipping his hat to the young "sweet" of the town.

Marcellus points out the pretty young librarian to Mr. Hill. Mr. Hill's fancy for the young lady is not a mutual one as Miss Paroo totally ignores Mr. Hill's interested look.

Masks were the most "talked about" part of the Great God Brown presented in December. Here Harry Northup who played Brown tells the family of his plight.

## GREAT GOD BROWN CAUSES MUCH CAMPUS DISCUSSION

First all dramatic production of the year was "Great God Brown." The setting, cause, and outcome of the play were topics for articles in The Antelope, faculty student discussions, and lots of coffee chatter.

In a moment of truth, William Brown sees himself as he really is, not as he was with one of two masks to hide his intentions.

The two draftsmen talk with The Brown as he tries to change characters in the play after he kills another man.

Three of the leads—Jerry Lee, Harry Northup, and Gayleen Woodburn await the coming of the "masked" personages.

The Helmer family played by Richard Mahood, James Dennis, Lesley Welton (little girl) Richard Cloyed and Linda Taylor.

## "A DOLL'S HOUSE" WELL RECEIVED ON CAMPUS.

"A Doll's House" was the second major dramatic production of the year. This play by Ibsen presented the women on the same equal, in rights, as men.

This play, as an end result, was to show the men that women today as well as in the 1870's are to be treated equal to men and not as a doll.

Jerry Lee as Niles Krogstad accuses Nora of her forgery.

Doctor Rank, played by Ray Dage, comes to say good-bye as his known death comes closer.

Nora hesitates as her time of exposure draws near. Mrs. Linde portrayed by Mary Noble, watches her friend's happiness being threatened.

The members of the debate team are (front row) Bob Lapp, Sandy Sanderson, Penny Wright, and John Bliese. Back row: Vern Duncan, Steve Nielsen, Donn Bieber, Jerry Stramer, and Fred Phelps, debate coach.

Winners in the women's and men's peace oratory in the all-college oratorical contest are Sandra Mead and Jerry Stramer.

## THE DEBATE TEAM HAS WINNING SEASON.

The debate team participated in ten tournaments during the 1962-1963 season. They placed first twice, second twice, and third once, and received third in the Sweepstakes at the University of Nebraska.

Leading the debaters percentage-wise was the team of Sandy Sanderson and Steve Nielsen with 75% win record. The second team was John Bliese and Bob Lapp with a 65% win record. The over-all team average was a very respectable 59%.

Shirley Engelbrecht and John Bliese placed first in their respective divisions in an open oratory contest which was also an all-college event.

This year the all-college choir sang at the corner stone laying of the new library, the Christmas Vespers, and the Nebraska Educators Conference which was held on the Kearney campus.

Conductor, Dr. Feese, in action during the performance, calls on his orchestra for the wanted volume. He depicts some of the action that orchestras are known for.

Gamma Phi Beta Sorority's interpretation of the crowning of a Homecoming queen shows the tough football player scared into flight by the "fair" queen.

## M.E.N.C. PRESENTS THE "K" SHOW

Accepting the first place prize for the "organizational" is Marilee Helms. The Gamma Phi Beta Sorority won this prize for their "Satire of Campus Life."

"Sing it loud ladies." The mop up crew of Gamma Phi Beta added the needed touch in order to win the traveling trophy.

M.C. of the "K" Show, Dan Wilson, proved versatile as he sang, told stories, made with the funnies and even became a handy man in cleaning up after one of the acts.

Jerry Lee the winning individual accepts his prize from M.E.N.C. president Dean Dahlke. Jerry won his first place prize by the singing of "What Kind of Fool Am I" and "Maria."

Approximately 1900 students made up the mass band which performed at half-time during the Homecoming game.

The stuffing of floats, for the parade finds many students out late at night.

## HOMECOMING EXCITEMENT FINDS EVERYONE BUSY.

The "Alumni Tea" is an excellent time and place for old friends to expound on their apparent success.

The Kappas are just one of the social groups that welcome their alumni. Fran Duffy welcomes back her graduated sorority sisters.

One of the most envied jobs of the President..... You guessed it! Lucky guy.

The five finalists: Lois Driener, Beverly Heikotter, Judy Hergenrader, Hilda Jesske, Nora Van Pelt.

## Homecoming Royalty Revealed at Pageant.

A little adjustment of the crown before everyone rushes to give their congratulations.

Her Royal Highness, Miss Judy Hergenrader.

Gary Mason, Student Council President, seems to think another kiss will dry up those tears of joy. Well!

Chi Omega found Kearney out in front all the way.

Newman Club had the east meeting the west while spiking Doane.

## PHI TAU GAMMA WINS SECOND STRAIGHT HOMECOMING FLOAT GRAND CHAMPIONSHIP

Grand Champion—The Phi Tau Gamma fraternity used the "slave era" to pull for the Antelopes.

Reserve Champion—The Sigma Tau Gamma fraternity rode with the coach and team to victory.

Tri Phi's were ready for war as they used World War II for their theme.

Pink champagne was used to Drawn Doane during the prohibition era. Caledonian float.

Roger Williams Fellowship used a space theme while boosting the Antelopes.

Heading west with victory in mind was the Sigma Theta Phi sorority float.

## MEN'S HALL WINS DORM DISPLAY— NORTH HALL IS A CLOSE SECOND.

The "Gold Rush" was one sided as the Tigers were trampled on the way there as the Kappa Alpha Phi sorority had the Antelopes out in front.

Alpha Xi Delta's threw Doane over as they boarded ship to help the Antelopes.

Top: Case Hall's dorm display was one of the better ones as the Antelopes had an easy ride to victory.  
Middle: Martin Hall presented the "Big Kick."  
Bottom: Men's Hall produced the winning dorm display.

Sally Jackson is the young lady who is responsible for most of the paper work that comes into and goes out of the President's office.

Karen Theis, Betty Karr and Nancy Peterson handle the office work for the Dean of Women.

Betty Schultz and Sandy Scott are the two ladies that help handle the business of the Dean of Men's Office.

The office help page is the only way we as a college have to pay tribute to the women that are the "ladies behind the scene" and spend the many hours of hard labor making sure our growing college is kept in good order. These young ladies we owe a salute of gratitude.

Helen Woolstrun is the receptionist and main office lady in the Dean of Administration's Office.

Carolyn Sammons, assistant to the registrar shows Vicki Snyder a few of the short cuts to checking with new I.B.M. system.

Francis Saltzgeber and Connie Trambly are two more of the women that help with the huge job of keeping the records in proper order.

Carol Thomas is the head of the office in the Vocational Arts Building.

Gerry Meyer is responsible for much of the paper work that comes from the Publicity office and the Alumni office.

"Cris" Johnson handles the paper work for the loan department plus the run-around work for the pleasure of many students.

## A LARGE OFFICE STAFF IS REQUIRED TO HANDLE THE BUSINESS OF A GROWING COLLEGE.

These ladies also deserve a hand of applause as they too are an integral part in the smooth running of the offices of the main buildings on the campus. The friendly smiles that greet one when one enters their office is just part of the reason the job seems so much easier.

Loretta Beattie and her cheery smile help the main office of the Physical Education Building a pleasant place to do business.

Phyllis Brunt, Jan Goedeken, and Arlene Morris are the ladies that carefully file receipts in order to make sure everyone has paid his bills.

Irene Young assists Dr. Gaer in his work as Dean of Instructions.

President Hassel listens intently to what Governor Morrison has to say concerning the future of Nebraska State College.

## THE FACULTY DOES MUCH TO MAKE KEARNEY A BETTER COLLEGE.

Dr. Beck, Mr. Foster, President Hassel, Governor Morrison, Dean Hunt, and Mr. Spelts inspect the facilities of the Cushing Coliseum. The atmosphere indicates that the conference is again on the serious nature.

President Hassel is shown congratulating Dr. Phillip Holmgren after his recent election as President of the Nebraska Education Association. Dr. Holmgren is a professor of history and political science at Nebraska State College.

President Hassel, Dr. Hoffman, Mr. Tewell and Dean Stutheit find time during their busy day to meet and discuss various problems as they enjoy a coffee break.

Mr. John McDonald is the host during the pre-Christmas meal. Dean and Mrs. Hunt prepare to enjoy the meal that was well prepared for the special holiday season.

Mr. Carl Speltz, Congressman Walter Judd, and President Hassel, discuss the essence of the congressman's speech just before calling it a day.

SENIORS

SENIOR CLASS OFFICERS—(seated) Hilda Jesske, Secretary; Barbara Bachman, Vice-president; (standing) Kendall Meyer, Treasurer; and Bob Greenhalgh, President.

Melanie is best pictured as in this photo. She continually worked for the betterment of her college and the things she believed would help her fellow peers.

Miss Melanie Stovall

## **MELANIE STOVALL RECEIVES SENIOR SERVICE AWARD.**

An award of outstanding service to our college is one of the highest awards that can be given to the students of N.S.C. This year the Blue and Gold feels that as part of return recognition the outstanding senior service award be presented to Miss Melanie Stovall.

Melanie has been a leader in many fields during her past four years. A member of Alpha Xi Delta Sorority, Melanie is also a leader of the Student Council, Inter-Sorority Council, the national honorary music fraternity for women, and numerous campus activities.

Melanie, we of the Blue and Gold are proud to present you with this award, and with it go the best wishes for a future filled with success and happiness.

Melanie, president of the I.S.C., talks with the Inter-Sorority Council advisor Mrs. Helen Wimberley. Melanie did much to improve the standings of the I.S.C. after the sororities started to join national affiliation.

Gary Mason

## **GARY MASON RECEIVES MALE SENIOR SERVICE AWARD.**

The Blue and Gold takes great pride in presenting this years male recipient of the Senior Service Award to Gary Mason, N.S.C.'s outstanding javelin thrower, sportsmanship leader and allround gentleman. Gary is the college's top javelin thrower with a toss of 211'. Besides his track ability Gary was also outstanding in basketball.

Gary Mason is one of the top men presidents ever to serve his school through Student Council as he fought for the individual students that might come to him with their problems and suggestions.

But Gary is more than just an athlete, gentleman, college leader, or respected sportsman. He is what one might call a "character and a real swell guy." And so it is with pleasure that the Blue and Gold presents this award to Gary Mason.

Student Council President, Gary Mason helps committee chairman Melania Stovall as both were instrumental in trying to improve their college.

At the left Gary Mason (24) demonstrates his good sportsmanship as he congratulated his opponent from Colorado School of Mines after he and Gary Mason shared top honors at the Christmas Tournament.

ATHLETICS

## NSC HAS MAJORITY OF N.C.C. POWER

Football and Cross Country Start Fall Reign on N.C.C. Power.

Wrestling Carried The Winter Sports To The N.C.C. Championship.

Track, The Major Spring Sports Is Predicted To Win 10th Consecutive N.C.C. Title.

Tennis and Golf Have A Chance To Win The N.C.C. This Year.

Basketball Has Only One Way To Go, . . . Up.

Baseball Could Go All The Way This Year.

Nebraska State College's Championship Nebraska College Conference football Team 1963.

## N.S.C. SHOULD REPEAT AS VICTORS IN THE N.C.C. NEXT YEAR.

Preseason football practice found coach Zikmund and his coaching staff faced with one of the largest rebuilding programs since Zikmund took over the helm in 1955. The four seniors on the team were among the best in the conference, but depth was the biggest problem as many of the juniors and sophomores lacked the experience required to play championship football. With the large number of freshmen on the team things looked even more dismal as the first game drew nearer. The team numbered well over the one-hundred mark as the first semester classes started thus the coaches had the needed material to choose from and the choice became harder as the season approached and the first game was but a week away.

Before anyone knew it, the first game had come and gone and the Antelope squad kept the win streak of four games from the previous year alive. Wayne Wildcats were

the first to fall to the young team. With the many mistakes that were made in the first game the practices were cut out as the next few games posed as the real threat. The next test threw a big scare in the fans and the team as the Antelopes had to fight for their lives in order to come out with a tie against the Peru Bobcats. Polish came after the first games and found the sailing easier as the season progressed.

The win streak was halted when the Antelopes tangled with the tough Northern team from South Dakota. Both teams were undefeated going into the final game of the year and something had to give for one of the two teams as both were possessed with powerful offensive machines. Even though this halted the Kearney win streak at ten, it will give the team a clear shot at another good season as most of the men on the team will be back thus giving Kearney one of its toughest teams ever.

Tears of experience, hard work, sweat, worry, patience, hope and desire to produce a winning team are just some of the reasons Kearney has its winning football teams. The above men are responsible for much of the N.S.C. football

glory, they are (l-r) Leslie Livingston, Chief Scout and assistant; Bill Giles, Head line coach; Allen Zikmund, Head Coach; Dick O'Neill, assistant; and Bob Hauver, "B" team coach and assistant coach.

**N.C.C. CHAMPIONSHIP IS THE AIM OF MOST —  
ONLY KEARNEY WINS IT MOST.**

Coach Zikmund explains to Dick Butolph the play that should do the trick. It did. Kearney defeated Ft. Hays in a game that many people thought was "The game of the year." Even the student managers play a key role in victory as Jerry Steele gives some personal attention to the sure footing of Q.B. Dick Butolph.

N.S.C.'s call to football brought the youngest experienced team ever to be coached by Allen Zikmund. The team could count only 4 seniors; therefore the juniors and many sophomores had to make up the nucleus

of the team and they had a bigger job than many people thought they could handle. The pre-season future forecast was tabbed dim, but the inevitable happened and N.S.C. failed by one game to produce a perfect season.

The first game of the season produced a crushing attack, both on the ground and through the air, as Kearney State's Antelopes rambled to victory (28 to 6) over the Wayne Wildcats.

Early in the game Kearney suffered from the normal first game jitters and mistakes as Wayne intercepted two Kearney aerals but failed to capitalize and could not score until late in the game. As Kearney's defense jelled, it sparked the offense to long aerial for 42 yards from Butolph to Irwin and a T.D. as the half ended 7-0.

Johnson, who replaced Troxel, carried four consecutive times from the 30 to score the second counter of the game. Butolph split the uprights for the second P.A.T.

With a tricky play Dunlap threw to Q.B. Butolph on a perfect aerial and a 42 yard race to score.

The final quarter found the two teams trade T.D.'s, but the longest run of the game came when Backes sprinted around left end for a 66 yard T.D. Again Butolph split the uprights for the remaining two P.A.T. attempts.

Two in one was the story for 3,200 Nebraska football fans as they first watched a Peru dominated first half then a Kearney comeback the second half.

The first game — the first half — was won by Peru as they completely monopolized the first 30 minutes of play while taking a 13-0 lead. One Kearney mistake helped the Bobcats get their second tally while the Peru defense kept Kearney bottled up.

The second game — the second half — the equal to the Peru first half kept the Kearney fans on their feet. Dick Butolph passed to end Larry McCord on a play that covered 68 yards and a Kearney T.D. Hollinger booted the P.A.T. After an exchange of punts Bill Backes zipped for 14 yards through the tough Peru forward wall and the tying score. Hollinger's P.A.T. was blocked. This left only one thing for Peru to do — hang on — and hang on they did as they seemed content with the game ending in a tie.

As a Peru Bobcat heads goalward, Gerald Dunlap (12) makes a futile attempt to make the tackle as help comes up fast as Terry Renner (2), Terry Rieke (14), and Don Nether (68) try to make sure things are apprehended.

## ANTELOPES HUMBLE TIGERS IN DISPLAY OF POTENTIAL POWER

They said it couldn't be done, "score on Ft. Hays," but Nebraska State turned on their best offensive and defensive weapons and did it, rather handily at that, 27 to 13. The Tigers were beaten when Kearney virtually tore the forward wall of Hays apart, as Kearney carried 57 times for 291 yards on the ground (5.1 yards per carry). Passes kept the Tigers honest enough to help the ground game do its work.

Kearney scored first from one yard out as Dunlap drew first blood and Hallinger helped with the P.A.T. by a conversion.

After a punt exchange, Kearney took the ball on

their own 45 yard line and found touchdown dirt just four plays later as Johnson plowed the last 30 yards on a run through the entire Hays defenders. Hallinger's kick was again good as Kearney led 14-0 at half time.

The third quarter found Ft. Hays marching 49 yards for their first T.D. Kearney took the kick off on its 32 yard line and 14 plays later Dunlap scored from one yard out. The P.A.T. by Hallinger was wide. Kearney scored again in the last quarter and this time the P.A.T. was found true to mark. The ensuing kick off was returned for 97 yards and thus the final score was 27 to 13.

Dunlap, the ballcarrier, finds the ground coming up faster than expected as a Ft. Hays tackler applies a crushing blow.

Who ever it is, finds the going mighty tough as he nears the goal line. The Ft. Hays defenders are frantically trying to keep their unscored on record for just a little while longer.

## ANTELOPES OUTLAST TOUGH HASTINGS TEAM

A crowd of ardent football fans, numbering some 4,500, were on hand to witness the key game in the Nebraska College Conference race; in which the victors would probably be conference champs.

A stalemate was the best either team could muster as the half found the defensive battle locked at 0-0.

Defense seemed to be the story of the second half until Charles Hircock intercepted a Hastings aerial and zipped 25 yards for the first Kearney score. This seemed to spark the Kearney offense as it moved at will, through the Hastings defense. In the final period Dunlap raced 20 yards for the final T. D. of the game; both of the extra points were off their mark and the Kearney fans seemed satisfied with a 12-0 victory over arch-rivals Hastings.

## RECORD CROWD WATCHES "PRO" TYPE GAME

A Homecoming Crowd of more than 6,300 people jammed into Foster Field to watch the Antelopes overpower the Doane Tigers by a score of 48 to 22. It was one of the largest crowds ever to watch an Antelope football game.

Kearney fans had little to cheer about in the first quarter, as the Tigers scored touchdowns on drives of 36 and 50 yards, after recovering Kearney fumbles.

Under the generalship and expert passing of Dick Butolph, the Antelopes caught fire and scored four touchdowns in less than 13 minutes. Just before the half ended Butolph plunged for two yards, and with Dick Hollinger splitting the uprights with 3 of 4 extra point conversions, the Antelopes had a comfortable 27 to 13 lead at half-time.

After the second half started and the Tigers scored 2 points on a safety, John Johnson set up a Kearney T. O. with a 51 yard run. The Antelopes then scored on a pass from Butolph to Irwin and the P.A.T. by Hollinger put the Antelopes well out of reach.

In the fourth quarter, after Kearney halfback John Curtis scored on a 17 yard run, Doane made its final bid on a 65 yard scoring play; but Kearney put more icing on the cake with a 16 yard scoring pass from Butolph to Irwin. Hollinger's extra point was the final score of the game, making it a 48 to 22 score, with Kearney almost assured of the NCC Championship.

Jim Irwin (82) heads goalward after receiving a Butolph pass.

The third team defense shows its ability to be tough as Doane is stopped with no gain. Coming up fast for gang tackling are (89) Dick Grabowski and (62) Earl Hardy.

Jim Irwin (42) tries to stay in bounds and yet shake a Chadron tackler as more Eagles come to their teammates aid.

Gerald Dunlap (12) prepares for the crash as he heads in to the Eagles nest of would-be tacklers.

Chadron State had the Antelopes worried and frustrated early in the game as the Eagle defense held on their own 10 yard line numerous times, but superior numbers and desire for an undivided trophy led the Antelopes to a 35 to 13 win over the Eagles and the undisputed NCC Championship.

The superior line play seemed to be the key to the game as Kearney's front wall, both on offense and defense, did their usual standout job of containing the Chadron offense and opening the holes for Kearney's fleet backs.

Kearney's first T. D. came on an 11 yard aerial from Butolph to Irwin early in the second quarter. Dick Hollinger kicked the first of 5 extra point tries. On the next series Hollinger scored on a 1 yard plunge.

During the first half of play, the Kearney defense held the Eagles to 7 yards and no first downs. But, in the third quarter Chadron outplayed Kearney even though they were unable to catch up with the powerful Kearney offense as it continued to add more icing to the cake in the final quarter of play.

With the NCC Championship under their belt, their next job was to maintain a perfect record with only one game left, as they met and handily defeated the Huron College Scalpers to the tune of 40 to 28.

The Antelopes were opportunists as they recovered 3 fumbles and turned all of them into touchdowns. The Scalpers out-downed Kearney 20-14 and out-yarded them 346-271, but Kearney scored when given the ball.

Kearney scored the first three times they had their hands on the ball and raced to a 20 to 7 lead at the end of the first quarter.

Bill Backes, John Johnson, and Jerry Dunlap were at their usual tricks of keeping the opponent in the hole as Butolph and Irwin teamed up to make the air game come through when called upon.

## NORTHERN DEFEATS KEARNEY IN HARD FOUGHT GAME.

Northern State Teachers of Aberdeen, So. Dakota, ended Kearney State's plans for an undefeated season as they ran past the Antelopes 27 to 13.

The nationally-ranked sixth team in the NAIA standings allowed the Antelopes the first T. D., but this is all that they allowed Kearney to be first in as they took command of the game and outplayed the Antelopes.

The Northern team demonstrated its power, as it piled up a total of 466 yards compared to 239 yards for Kearney. Not taking anything away from Northern, Kearney's young team did a superb job and next year's game at Northern should be one of the highlights of the year as they shall try to gain revenge.

The game ended a winning streak of 10 straight for Kearney and a final season's record of 6 wins, 1 tie, and 1 loss. It ended the career of four seniors; Larry Timmermans, Bob Stillmuck, LeRoy Erpelding, and Jerry Dunlop. Next year's team should improve with all the experience gained by the under-classmen and the freshmen who saw plenty of action this season.

## **KEARNEY BEATS CONCORDIA TWICE WHILE LOSING TO FT. HAYS TWICE**

One of the biggest schedules for the Kearney "B" team was planned for this year as Kearney played a home and away game with Ft. Hays of Kansas and Concordia of Nebraska. The season ended on an even break, as Kearney defeated Concordia both times 30 to 20 and 14 to 2; while losing to Hays both times by scores of 14 to 0 and 25 to 13.

The "B" team games are the proving grounds for varsity prospects and also much experience can be gained in these games.

It is hopeful that next year the schedule will be a bigger one, if Kearney is able to find other "B" team squads to play them.

Les Livingston views some continuous film strips as he prepares his teams for conference play.

Now in his seventh year as head mentor of the Antelope cage sport, Coach Les Livingston through the years has coached the cagers to a 60 per cent win mark although this year's team fell far below his average.

He also serves as head golf and tennis coach, and is chief scout for the Kearney grid teams. In addition he is an instructor of many classes in the physical education area.

Indeed, he is a busy man, all 12 months of the year.

## N.S.C. DROPS OPENER TO CONCORDIA, 75 TO 45

The Antelopes started out as though they would rout the Bulldogs, racing to an 8 to 2 lead, but the half time found the host team leading the Kearney team 27 to 22.

The Antelopes went 6½ minutes at the beginning of the second half before they scored a basket. By this time the Bulldogs had run up a commanding lead, and it was only a question of how big the final margin would be.

## FT. HAYS SETS SCORING RECORD AGAINST N.S.C.

The usual was in order as the Ft. Hays-Kearney game ended in the standard high scoring contest. The Tigers from Hays were shooting at a sizzling pace of 52% throughout the entire game as the height of the invaders made the basket-getting task quite easy.

The first half of the game told the story for the Hays team as the Antelopes kept pace with the Hays team the entire second half as Kearney scored 57 points to Hays' 58. The game ended in a 122 to 88 romp of the N.S.C. Antelopes.

Gary Mason goes high in the air with hook shot against the Ft. Hays Tigers.

Don Morgan jumps high in the air in an attempt for a big two points against a highly rated Wayne team.

## N.S.C. HANDLES HURON WITH EASE, 84 TO 68

The Antelope's win over Huron was victory number one for the season. A small crowd of 800 saw the Kearney squad take an early lead, fall behind midway of the first half, regain the lead and win going away. Balance in scoring power seemed to be the main factor in the victory as both teams made some early season mistakes.

## ST. MARY'S WARMS UP WHILE DUMPING N.S.C.

Errors and inability to hit the basket combined with little rebounding power proved the Kearney team's downfall. Kearney led early in the game, losing the margin at 17-17, and they steadily fell behind, trailing at the half 47 to 22.

The second half was the same as the first half except for the Kearney team and things got worse. The final tally gave St. Mary's a margin of 49 points and a score of 108 to 59.

## LINCOLN UNIVERSITY HANDS N.S.C. ITS FOURTH DEFEAT.

The Jefferson City team dealt the N.S.C. squad its fourth defeat of the year as compared to one win. The tall team from Jefferson City easily handled its shorter opponents as the half time found the Lincoln U. squad leading by a score of 46 to 33.

The second half was a repeat of the first half with a bit more polish showing up for the Jefferson City team as they won the game going away with the score of 115 to 73.

High point men for the Antelopes were Gary Mason and "Red" Boucher with 15 and 10 points respectively.

Bowden, (44) Cordes (14) and Morgan (33) seem to be just a might late in getting to the ball as their opponents from Southern S.D. get there first.

## N.S.C. WINS THE BATTLE OF THE LOSERS

With both teams supporting similar records and Kearney trying to get back on the win streak this game was termed the "battle of the losers" by many.

Trailing at half time 37 to 40 the Antelopes came back to get a victory in order to stay in their own Christmas Tournament. The final score found the Antelopes in front of the South Dakota Southern squad by a score of 83 to 71.

Gary Mason and Dennis Van Fossen thrilled the fans with some fancy shooting and excellent rebounding as both players came from the game tied for honors with 17 points each.

## COLORADO SCHOOL OF MINES BEATS KEARNEY ON BALL CONTROL.

After advancing to the finals of the Christmas Tournament, N.S.C. found the going a little tougher as Colorado School of Mines showed the Kearney team how to play a ball control type of game. Kearney found out that without the ball it is hard to play a race-horse type of ball game.

The half time found the Kearney out in front of the Miners by a score of 23 to 21. The Miners however found the key to the Antelope offense and soon took command never to relinquish their lead and won the game with a score of 51 to 41. The high scorer for Kearney was Gary Mason with 9 points as Cruson was high man for the Miners with 25 points.

Dennis Van Fossen (52) found an opening against Hastings Bacon (21) and Harris as he tries for two easy points.

## DOANE DUMPS THE ANTELOPES FOR THEIR SIXTH LOSS AGAINST TWO WINS.

The N.S.C. basketball team did their best in the first half of what was then a close contest. Led by the sharp shooting of "Red" Boucher the first half, the team could manage but a one point lead as the horn sounded the first twenty minutes of play.

The team seemed to lose their spirit during the half time as the second half was an entirely different story. The Doane Tigers

took over the command and thoroughly convinced the Antelopes that the game was theirs. The game ended with Doane out in front of Kearney by a score of 76 to 58. Boucher was the high point man for Kearney with 18 points while Andrews was high point man for the Doane team with 16 tallies.

Ernie Nickens zooms through the air like a big bird as he scores against the Chadron fees. Don Morgan (30) readies himself for the rebound but there seems to be a slight problem.

Ernie Nickens (41) pushes just a little too much as he tries to out maneuver big Concordia opponent, Al Buuck.

## PERU STATE MAINTAINS CONFERENCE LEAD AND DIMS KEARNEYS HOPES.

The defending conference champions showed the Kearney club that they meant business in hopes to stay on top in the N.C.C. chase. The first half found Kearney on the short end of a 41 to 31 score. Kearney's Mason and Boucher kept the team in the running by helping with the 45.4% mark from the field.

The second half found the Bobcats out scoring the Antelopes 43 to 29 and thus the final score was Peru 84, Kearney 60. Boucher drew the honors for Kearney with 15 points and Snodgrass of Peru was the games high point man with 22 points.

## WAYNE STATE EDGES OUT KEARNEY IN A CLOSE FOUGHT GAME.

In the close fought game the first half was a Kearney half with Kearney playing good ball and making few mistakes. Although the Wayne crew had the over-all height, N.S.C. was able to control the boards and hit a 46.3% rate from the field while the Wayne team hit at the rate of 44% from the field.

After the half the Kearney crew failed to connect from the

floor as the Wayne picked up their average somewhat and took over the lead. The game ended with the Wayne team out in front with a six point margin and a score of 89 to 83. The high scorer of the game was Wayne's Johnson with 31 points and Kearney's Mason led his team with 21 points.

## HASTINGS PULLS A CLOSE ONE OUT OF THE FIRE.

The Hastings Broncos took an early lead in the game which was never relinquished but this lead was threatened several times as the Antelopes came within one point of the Hastings team. Kearney was down 11 points at the half and came fighting to end the game only 3 points down. The game ended with the score of Hastings 73, Kearney 70. Mark Cordes had one of his better games of the year as he and Gary Mason led the Antelopes with 15 and 17 points respectively.

## DOANE HELPS PUT N.S.C. CLOSER TO THE CELLAR.

Fighting for their self respect kept the Antelopes well within striking distance all during the first half but had to settle for a draw as the ended at 50-50.

Larry Martin, eligible at the end of the first semester, paced the Antelopes with 24 points but the rest of the team had trouble with the percentage from the floor. The Antelopes had to settle for the seven point deficit and a score of 98 to 91.

## KEARNEY JOLTS PERU IN SEASONS UPSET.

Larry Martin fresh from his hay day with Doane turned in another performance as he tallied 21 points. At the same time senior stand out Gary Mason had to watch 16 minutes of the game from the bench because of the foul limitation.

The Antelopes led 47 to 41 at half time and had to fight to come out on top at the end of the game with their 78 to 72 victory.

Larry Martin (32) takes a beating from Chadron as Morgan (30) readies himself for the rebound.

## HASTINGS PUTS N.S.C. IN THE CELLAR ALL BY THEMSELVES.

In a game that thrilled many of the spectators Hastings led the entire game except when the Kearney team put in their final bid and tied the game just after the half began. In the final six minutes Hastings pulled away and ended the game with a score of 89 to 76. Boucher was the game's top scorer for Kearney with 19 points and in doing so put out a championship performance in ball handling.

Gary Mason (24) sends the ball goalward as he drives hard between two Wayne State opponents.

At the far right Allen Boucher gets the easy two; while teammate Don Morgan (33) tries for good position in case of a rebound.

## WAYNE'S TEAM BEATS N.S.C.

All tied up 43 all at half time the Wayne Staters opened the second half with a phenomenal 62% from the field and continually pulled away from the Kearney team.

This just seemed to be one of nights that everything you try was wrong and the opponent makes no mistakes. Fouls hurt the Kearney team as much as anything. Final score was 109 to 82.

## CHADRON TAKES SERIES FROM N.S.C.

With the help of big Felix Sanford both of the games could be summed up as Chadron all the way.

In the first of the series Terry Rieke and Ernie Nickens led in the scoring department with 12 and 11 respectively. The second game found Boucher and Mason with 19 and 14 respectively.

In the final conclusion it remained Chadron in the two defeats of Kearney 93 to 77 and 91 to 78.

Coach Giles' "B" team went the entire season without losing one game. The Kearney squad beat Ft. Hays twice by the scores of 106 to 104 and 86 to 78. They also dumped Hastings twice with scores of 102 to 74 and 98 to 73 while the other win of the season was the defeat of the Concordia Bulldogs with a score of 60 to 56.

Most instrumental in the scoring column was Bob Whitehouse, Larry Lichti, August Nelson, and Jim States as they were the leading scorers for the "B" team.

The swimmers become air borne as they sprint in hopes to bring victory to their teams.

Harry Strohmyer shows good form with a half gainer. Harry was one of the most improved divers on the team.

Lee Osborne executes a half twist and a half gainer as he was the team's top diver. By the expression on Lee's face one might think someone pulled the plug to the pool.

## SWIMMING BECOMES AN INTER-COLLEGIATE THIS YEAR.

Form in diving lasts from the moment the diver leaves the board until he is in the water. Here Lee Osborne makes a clean entrance into the water.

The swimming team for the 1963 season were—  
Front row: Sid Zimmer, Bud Oelschlager, Denny Schneider, Jim Meisner, Dick Prendergast, Dennis Gehrke, and Ron Knight. Back row: Joan Heckel, Carol Kinnaman, Rod Bellamy, Harry Strohmyer, Rosella Zimmerman, Pat Duranski, Keith Fidler, Roy Kociemba, Lee Osborne, and Coach Gene Beck.

The track coaches are shown with but a few of the numerous trophies that the Charlie Foster teams have won in the past ten years as they continued to reign as conference champions. The coaches are Bob Hauver; assistant coach,

Charlie Foster; head coach, Allen Zikmund; assistant coach, and Dick O'Neill; assistant coach.

## N.S.C. MAINTAINS ITS RENOWNED TRACK AND CROSS COUNTRY POWER BY SWEEPING THE N.C.C.

Ward McGowan passes the baton to Jim Wolstenholm as Jim prepares to run the last leg of the mile relay.

Even though new teams have been added to the schedule Kearney continued its top rated track supremacy by dumping teams such as Denver University, South Dakota University, Fort Hays Kansas, and Omaha University. There is only one thing to be said about the track and field team at Kearney and that is "they are great."

NCC Cross Country Championship team (L-R) Front Row: Coach Charles Foster, Allan Schneider, Don Peterson, Clarence Wiedel, Hylke van der Wal, Ron Wise. Second Row: Gil Carranza, Richard van der Wal, Jim Scherberg,

Tom Nelson, Ramon Goedtl, Dan Moore. Back Row: Bill Goedert, Craig Gibbons, Doug Robirds, Jim Wolstenholm, Phil Stineman, and Fred Terry.

## **A.A.U.-N.C.C.-DISTRICT 11 N.A.I.A. CHAMPS, 4th NATIONAL N.A.I.A.**

NCC-AAU-NAIA District 11 Champs and 4th in the National NAIA, quite a record to be proud of . . . and we are. Coach Charlie Foster's squad completed a most successful year as they placed second in a triangular meet with the Falcon's of the Air Force Academy while defeating Oklahoma State University. The next week Kearney was host to another big name university, Denver, but size made no difference as the NSC team kept with tradition of never losing a dual meet at home. Thus, Denver University got dumped 22 to 38 as Kearney headed toward another successful season.

Clarence Wiedel, a hard working, reliable runner from Orleans, was selected team captain by the rest of his team mates.

Three of Kearney's "ace" cross-country men push each other on to victory in the AAU meet held in Omaha. They are (L-R): Clarence Wiedel, Don Peterson, and Allan Schnieder.

Ron Wise of NSC pushes Dean White of Doane in the Midwest AAU meet.

Del James of Denver sets pace with Hylke van der Wal close behind.

Jim Scherzberg (401) strides out at Ft. Hays.

Other victories included the dumping of Ft. Hays, 21 to 35 and a triangular with Ft. Hays of Kansas and Doane College before cleaning up the NCC Conference Championship for the fifth straight year since the sport originated. The Antelopes scored 17 points while second place Doane had 63. The rest of the conference teams were well out of the running. The next stepping stone was the AAU meet and the District 11 NAIA which posed as no problem for the powerful team. The team placed fourth in the National NAIA meet, highest they had ever finished in the big meet.

Is this what the start of a cross-country meet looks like? Where are the opponents?

Jim Wolstenholm runs at ease as he comes down the home stretch in the "sight-seeing tour."

Freshman Dave Roh takes the high hurdles in good form as he helps in the first N.S.C. win over the Ft. Hays Tigers.

## N.S.C. DUMPS FT. HAYS STATE FOR THE FIRST TIME EVER.

The first indoor meet of the season found the powerful Antelope track squad in front of a team that they had never beaten before. This was only a small indication of what Kearney would look like in the later part of the season.

N.S.C. finishes the 75 yard dash with 1st, 3rd, 4th, and 5th, as Doug Martin, Steve Peratt, Jim Stewart, and Jim Armagost span the dashes for Kearney.

At the left Charles Hircock pushes the shot out past the 50 foot mark; one of his best efforts of the year.

At the right Al Satterly a junior speedster breaks the tape as he finishes out in front with no competitors close.

## N.S.C. GAINS MOMENTUM AS THE SEASON PROGRESSES.

To look at the past records and at the future there can be no doubt that "running with the champions" will be more fun than ever before as the display of track power seems to lie in the Kearney depth.

Jim Irwin, Junior  
Shot put and discus.

Below: Sophomore sprinter, Kent May, brings home a first place in the 440. Big things will be expected from Kent during the N.C.C. meet this year.

Jerry Stuckert a freshman shows some of his ability in the jumps as he broad jumps to an easy win in the second indoor meet with a jump of 21' 6".

Gary Mason, senior from Crawford, is the college record holder in the javelin with a toss of 211' 8".

For the first time in several years N.S.C. has some depth in the hurdles as Bill Backes, Dave Roh, and John Curtis finish the last hurdle in what was almost a dead heat.

Ralph Check displays his form as he continually put the pressure on teammate Charlie Hircock.

## N.S.C. CONTINUALLY TRIES FOR TOUGHER TRACK COMPETITION.

Steve Peratt is one of Kearney's ace sprinters. Steve is the college record holder in the 220 with a time of 21.5 seconds.

Jim Armağost beats his Wesleyan opponent to the tape during his heat of an indoor 75 yard dash.

Freshman act hurdler, Dave Roh, shows his championship form as he qualifies for the finals.

Dick Lammers found himself trying to step into the shoes of Benie Lawrance. Dick found himself in an odd position as the competition in the pole vault was the weakest in many a year for the N.S.C. team.

Clarence Wiedel expresses the pain that comes with winning a two mile run. Clarence continued to improve this year as he came through with many first places this season.

Below: Don Peterson on the left sprints hard as he tries to catch teammate Ron Wise during the mile run of the Kearney-Hays track meet.

Morris Hester finds himself a full stride behind the winner of the 440 yard sprint. Kearney was the victor of the quadrangler meet in which Denver U., South Dakota U., and Ft. Hays Tigers of Kansas participated.

## MANY FRESHMAN PUSH THE UPPERCLASSMEN TO TEAM VICTORY.

Lanny Kizer one of the constant high jumpers over the 6'2" mark shows some of his form.

Jim Wolstenholm of Kearney, was one of Coach Fosters better distance men. Jim is just a freshman but great track ability made him one of the freshmen standouts. (At Left)

Many of the freshmen on the track squad must be content to run second to many of the great standouts that run for the N.S.C. track team. So powerful are the reserve units that they would overwhelm many of the other teams in the conference.

Ed Kruml lets go with a masculine grunt as he puts the shot well past the 45' mark.

## N.S.C. LOOKS LIKE A SURE REPEAT AS THE N.C.C. TRACK KING.

Cal Regier clears the bar at the 6' foot mark as he competes in an indoor meet.

Ward McGowan stops for a moment from a work out. Ward is one of the senior middle distance and sprint men on the team.

With plenty of experience on the track during the indoor season the Antelopes prepare to move outside as the weather warmed. With the good record that the team compiled inside the season should end with the team's winning of the tenth consecutive conference trophy.

Part of the NCC Championship team poses for the camera before a tennis match indoors in the Cushing Coliseum as spring came with winter and several of the meets

were held indoors. (L-R) Jerry Dunlap, Gerald Anderson, Larry Marshall, Coach Les Livingston.

## TENNIS HAS GOOD YEAR AS TEAM WINS N.C.C. (1961-62)

With most of the lettermen returning and plenty of experience gained from the past season the future looks bright enough to predict a repeat of the NCC Championship. As singles champ Gerald Anderson and runners-up Marshall and Richmond, in the doubles, also return.

## NSC WINS FIRST N.C.C. CHAMPIONSHIP

The NSC wrestling team ended up the 1962-1963 season with a 9 win-5 loss record and the N.C.C. team championship.

This was the best record ever compiled as the team went into its third year of competition. The loses of the season were to powerful opponents such as Ft. Hays, Colo. State College, Colo. School of Mines, and a Wayne State team.

Kearney got its revenge in the conference by beating the Wayne team 80 to 79 for the title of N.C.C. Champs.

With many freshmen on the squad the team should have another good season next year.

## INTRAMURAL SPORTS PLAY AN IMPORTANT ROLE IN COLLEGE FOR MANY MEN.

Last year's horseshoe champions were Russ Schmaljohn and Gil Quadhammer. Horseshoes is another of the fine sports that are offered on the intramural level.

Flag football is the fall sport which starts the intramural season. The sport has eight men on a team and follows the regular rules of football except for blocking and tackling of the opponent.

The intramural championship football team was the Tri Phi Whites and is composed of the following players: Front row (l.-r.) Larry Johnson, Don Mundt, Ron Johnson, Dan Windhorst, Al Satterly. Back

row: Dennis Renter, John Richman, Wayne Mundt, Butch Brown, Ron Ritterbush, Dick Kearney and coached by Mack Miner.

Willie Lane finishes all alone in the Turkey Trot run which is a mile and a half in distance.

At the right Pat Duranski watches some of the form of Hart St. John as he competes in the swimming and diving championships. Swimming and diving was another first in this year's extensive intramural program.

Intramural swimming was first introduced this year. Shown finishing up the men's backstroke are Larry Schinkel, David Oberle and Dave Jones.

## **ALMOST ONE THOUSAND MEN PARTICIPATE IN THE INTRAMURAL PROGRAMS OFFERED AT N.S.C.**

At the right the winners of the men's Badminton tournament congratulate each other. They are Marshall Adams and Richard Butolph.

President Hassel officially opens the intramural basketball season as he tosses the first jump ball of the season. The two teams shown were of high caliber as both teams went as far as the quarter finals in the play-off at the end of the season.

The "K" Club basketball team started the season off with a strong defense of their title as defending Intramural Champs. Dennis Long hooks one in for the "K" Club.

The 1963 Intramural champs are the Bombers. The team members are Coach Larry Sells, Don Shake, Mick Kenny, Gary Street. Back row: Doug Wilken, Emmit Bosshammer, Kermit Bosshammer, and Floyd Dickerson.

## BOMBERS WIN BASKETBALL CHAMPIONSHIP — PHI TAU JOKERS WILL DEFEND SOFTBALL CHAMPIONSHIP.

The sports for the second semester consist of softball, volleyball, horseshoes, badminton, bowling, and the second half of basketball. All of these sports are just part of the extensive intramural program that is offered at NSC. Each year many hundreds of young men are able to participate in these active sports. All of the credit belongs to the Intramural Director, Mr. Copeland, and the many young men that help in the running of the sports.

The defending intramural champs are the Phi Tau Jokers. They are (kneeling) Jim Rundstrom, Larry Arehart, Al Satterly, Gary Kruse, Bob Greenhalgh. Back row: Ron Cropp, Bob McCoy, Larry Frizzel, Ed Kruml, Dick Butolph, Fred Bessler, Dick Hollinger and Larry Sells.

## ALPHA XI DELTA SORORITY THE LEADERS IN NATIONAL AFFILIATION ENJOY A SUCCESSFUL YEAR.

The Alpha Xi Delta Sorority enjoyed a year that was full of excitement and activities. Starting the year included many rush parties, Alumni lunches, Beatnick Christmas party, and the initiation of a chapter at Chadron College. The second semester started with the Valentine's Day

rush tea and the chapter visitation from Chadron.

The main event of the year was the formal dance "April In Athens." Rounding out the activities for the year was a spring picnic and plans for the next year's activities.

The last night before Homecoming found the Alpha Xi Delta Sorority busily stuffing their float. Many of the other fraternities and sororities were caught in the same predicament.

# CAL OLYMPICS IS A REPEAT SUCCESS.

The Caledonian Fraternity formed in 1920 is the second oldest fraternity on campus. The purpose of the organization from its beginning has been to promote friendship and brotherhood.

The second season for the Caledonian Fraternity was a busy one highlighted by the Sweetheart Dance, the Bowery Ball, the Cal Olympics, and many other functions.

Kappa Alpha Phi in its sixth year strives still to uphold the highest ideals of womanhood. Taking 18 pledges first semester and 12 second semester, the Kappas saw a full year building their annual Homecoming float, singing carols at Christmas time, sponsoring a needy family during the holidays, and campaigning regularly for the Bloodmobile.

Socially the Kappas entertained alumnae at their annual brunch, sponsored a tea for Mother's Day, held an annual spring formal, and wished good fortune to graduating members at the Senior breakfast.

Under the leadership of first semester president, Fran Duffy, and Sandy Sanderson, second semester the active Kappas broke the tradition of "Hell Week" to "Help Week" with pledges cleaning city hall.

The annual alumnae banquet sponsored by the Kappa is one of the main fall events for the Kappa Alpha Phi Sorority.

The highlights of social functions were the formal Ivy Ball held during first semester rush, and the informal Luau held in the spring.

Omega Delta Pi was founded in 1956 to promote brotherhood and co-operation among the members and to raise the scholastic standings of the fraternity.

Tommie Thomas, past Ivy Ball queen, helps in the coronation of this year's Ivy Ball queen Miss Judy Wooden. The Ivy Ball featured a formal dance for both the actives and the pledges.

# PHI PHI PHI FRATERNITY MOVES INTO NEW HOUSE.

The acquiring of a new fraternity house headlined the main activities of Phi Phi Phi. This house which is located near the campus, became home to twenty members during the second semester. Eleven new actives joined the brotherhood in February and seven men began their pledge training in March.

Social highlights of the year were the annual Hobo Hop held in February and the annual Spring Formal occurring in April. Other activities included dorm serenading, pledge functions, and housewarming, held April 21.

The main social event of the year was the annual "Sweetheart Dance" held in the spring. Miss Donna Mentink was crowned as the "Sweetheart of Phi Tau Gamma."

Mrs. Jessie McNutt became the new house mother for the fraternity.

In the way of novelty the Tau's acquired a German sheperd dog as their mascot.

## SIGMA TAU GAMMA IS THE PIONEER FOR NATIONALS AT N.S.C.

The Sigma Tau Gamma fraternity has just completed its first year as a national on the NSC campus. The pioneer in the field of nationals for mens fraternities enjoyed a most successful year as the fraternity took part in dances, chapter visitations, parties, the annual lake party, constructive pledge initiation, and a non-scheduled pledge skip to the mountains.

The White Rose Formal and Founders Day were two of the main events observed by all of the chapters of Sigma Tau Gamma. The Rose of Sigma Tau for the year '62-'63 was Betty Lurvey.

Plenty of growth and a rapid improvement are the aims of the fraternity for the next season. This year's experience will be of great value to the fraternity.

Sigma Tau Gamma fraternity entertained themselves with a Roman dance during the semester. Kirk Payne, Kim Johnson, and their dates Jean Whitmire (back to camera) and Shirley Chapman seem to enjoy the Roman Orgy.

Pledges: front row l. to r. Jim Kinder, Ken Lefever, Kim Johnson, Jan Johnson; second row: Wally Hansen, Lanny Nissen, Rodney Kissinger, Kurt Payne, Ernest

On February 23, 1963, forty-seven Sigma actives and alumnae were pledged to the Gamma Phi Beta na-

tional sorority by the Pi chapter from the University of Nebraska.

The year was climaxed by the Butterfly Ball and becoming an active chapter of Gamma Phi Beta.

Sandwiched into the year's activities were the annual Swamp Stomp, the alumni Banquet and a pheasant feed.

Larry Frederick was this year's recipient of the Theta Xi pledge scholarship.

At mid-semester, the chapter was hopefully awaiting word that the Inter-Fraternity scholarship plaque would belong to them for the fifth consecutive year.

The Theta Xi pledge class paints the county court house while the actives enjoy a game of cards.

## STUDENT COUNCIL TRIES "POLICY MAKING"

This year the Student Council was the host to most of the colleges throughout the state during the annual Student Council convention. The most important step that was acted upon was the fact that the colleges should try for better inter-college correspondence.

The big jobs during the year were concerned with the

Homecoming Parade, bringing the constitution of the Council up to date and adopting a new election method. The new method will attempt to put the Council elections on a scholastic basis. In the new method the Council members will represent their respective division heads.

Some people believe things should be run differently so they argue to persuade others.

Mr. Donald Briggs, advisor

Leaving the Student Council convention are two co-eds from Wayne State.

Front: Marsha Jones, Karel Moyer, vice-president; Barbara Bachman, treasurer; Karen Faris. Back: Melanie Stovall, Richard Touney, Bob Greenhalgh, Melody Neustrom.

As the year drew near completion the Student Council was laying plans for the recommendation of the adoption on a "nine point" grading system instead of the continued use of the four point system.

## INTER-FRATERNITY COUNCIL ADOPTS PLAN FOR TWO SEMESTER RUSH.

For the first time ever the students on the NSC campus have been able to sign up for fraternity or sorority rush at either, or both semesters. When the students were able to pledge both semesters this brought new problems to be solved by the Inter-Fraternity and Sorority Councils.

One of the main projects of the year that was handled

by the Inter-Fraternity Council was the revision of the constitution of the Council. With the national fraternities on the campus and more to come in the future the Council also had some work cut out that was of great concern as far as the procedure for the national fraternities to follow in becoming established.

The Inter-Fraternity Council members are Jon Shultz; secretary, Harry Borowski; president, Ben Harvey; vice-president, Cal Mahin; treasurer.

Many interesting discussions were held by the Newman Club, such as inter-faith marriages, birth control, and religion on the campus.

Last fall the Newman Club was one of the firsts as they

entered a float in the Homecoming parade. The float turned out to be one of the prize winners. Also new this year was the monthly Mass and Communion held on the last Tuesday of each month.

The Alpha Phi Omega fraternity is not a competitive group as far as social, professional, or honorary fraternities are concerned, but the organization does contain members of the other campus organizations.
