## Colony gets national charter on April 1

A little horse-play after a chapter meeting.

The April 1st installation of the Kearney colony as the Gamma Rho chapter of Phi Kappa Tau national fraternity was the group's highlight of the year. On that date over 120 guests, including the national president and board of governors, attended the ceremonies. The Gamma Rho chapter holds the honor of being the only chapter of Phi Kappa Tau to have been granted its national charter after one year of colonization.

# Beta Sigma Psi

While "booking" may be the thing to do, there's always time for a fast hand of cards.

## Beta Sigma Psi newest fraternity

Beta Sigma Psi is a national fraternity whose membership is limited to Lutheran men. Since 1960, 11 chapters have been organized on Big 10 and Big 8 campuses. The Gamma Mu colony began colonization on the Kearney campus this year

and expects to become an active chapter in the near future. The Beta Sigma house was recently refurbished and carpeted, including restoration of the lounging and living quarters with new furniture.

The men of Beta Sigma "take five" to watch TV in Frat house's lounge.

## Organizations

## Roger Williams Fellowship

The Roger Williams Fellowship is the youngest religious organization on campus. The Baptist youth have sponsored several evening services at local churches, letting students take charge of all arrangements. They also paid expenses for five college students to attend a Christian Workshop held in Denver this year.

Going Down!!

"Don't let him get away!!"

Let's make sure those chaps are tight.

Vernie Greenamyre grabs 40 winks as Union Director Ward Schrack and Judy Cranmore soak in the proceedings.

SUAC is probably the biggest and busiest organization on campus. This group manages activities for the students ranging from pool tournaments to art exhibits. They are continually redecorating and improving union facilities. Each year SUAC sponsors the annual Christmas Candy Cane dance and the Valentine's Day Sweetheart Dance.

SUAC brought Chad & Jeremy to campus this winter and the Kingston Trio in April for the Little 500 bicycle race. SUAC started the 'ride board' to let the week-end warriors let the general public know they needed a ride home or that they were willing to take riders.

Something entirely new this years was a 'Miss Legs' contest. Eight co-eds entered only pictures of their legs only while the audience donated money as votes for their favorite pair of legs. Proceeds were donated to the United Fund.

The Student Union Information Booth is the focal point of all SUAC activities.

## Pi Delta Phi

French culture and custom play an important part in belonging to Pi Delta Phi. The organization held a sale featuring French specialities. Members celebrate St. Catherine's Day (a holiday of French shop girls), and Bastille Day which is celebrated in the summer session. Being the only Pi Delta Phi chapter in Nebraska, the French club celebrates the various holidays "French style" by speaking French the entire day and dressing in French costumes.

# Christian Center

Since the opening of the Christian Center at 821 W. 27th St., ecumenical spirit is making itself felt at KSC. The Center is the home of the campus ministry of four groups: Canterbury Association, Episcopal; Neman Apostolate, Roman Catholic; Wesley Foundation, Methodist; and the United Christian Campus Fellowship.

The Center provides a united image to religion on campus, benefitting a student who might be interested in religion but not in denominationalism. Service projects along with educational programs and theological seminars provide the service offered by the Christian Center.

The girls of the Green Terrace dormitory in 1910. The hall was built in the late 1800s and donated to the college by the city.

Over 685 seniors and graduate students received degrees from Kearney State College during the 1966-67 school year. One hundred and forty-five persons (139 seniors and seven graduate students) received diplomas during the winter commencement exercises on Jan. 26. The commencement address was delivered by the Very Rev. H. W. Linn, S.J., president of Creighton University.

Three hundred and one persons (296 seniors and five graduate students) were graduated at the 62nd annual spring commencement on May 26. Dr. Donald K. Smith, a 1936 Kearney State graduate, and now vice president for academic affairs at the University of Minnesota, spoke at the exercises.

Over 240 persons (165 seniors and over 75 graduate students) were expected to receive degrees at the summer commencement on Aug. 4.

In his May message to the graduates, President Milton J. Hassel said those receiving degrees were graduating at a time when more emphasis is being placed on education and educated individuals than ever before. "The direction which you will take will be influenced to some great extent by the experiences you have had on this campus," the president said. "It is my hope that Kearney State has provided you with those experiences which will guide you successfully into future challenges."

More than 150 seniors attended the Graduate's breakfast on May 26. At the head table, Mr. and Mrs. Kenneth Carlson, President Hassel, Normal Board head James Knapp, and Alumni Association president John Payne await the program.

"They're off," for the first Bike Bowl Weekend.

## Bike Bowl Weekend: ‘A huge success’

"It was a huge success. Next year we hope to make it an even bigger success; we plan to improve on what we have." This was the way Ward Schrack, Student Union director summed up Bike Bowl Weekend, held April 14-15. The events started on Friday night with a "Mini" Trike race in the Coliseum, followed by a dance featuring the Gestures.

Saturday morning Slater's Food Service held a Gymkhana, a sports car obstacle race, backed by a Barbeque. In the afternoon, the main attraction of the weekend, a 25 mile bicycle race was held at the Buffalo County fair grounds. Some 84 riders made up the 12 teams that circled the three-eighths mile track 66 and two-thirds times.

The ATO Golds won the race in one hour and 19 minutes. After the race, a team spokesman attributed the Gold's success to three weeks of practice. "We felt with the practice we had, we could take first or second place," he said, "and that's what we shot for."

Saturday night, the weekend came to a close with a concert before some 3,500 persons, by the Kingston Trio. Schrack called the performance "the most popular entertainment that has come to this college in years."

The "Mini" Trike race was the Friday night highlight. Women's teams rode tricycles around the coliseum track.

## 150 take part in rodeo

Calf roping, skill, savvy and a good working horse.

Over 150 contestants from 16 colleges in Kansas, Oklahoma, Colorado and Nebraska competed in the Kearney State College Rodeo, May 12 and 13. Men's events included saddle bronc riding, bareback riding, bull riding, steer wrestling and calf roping. The women got into the act, too, with barrel racing, goat tying and ribbon dogging. Buckles were presented to first place winners in eight events as well as to the all-around cowboy and cowgirl.

The rodeo weekend started with a parade through downtown Kearney Saturday morning, featuring chuck wagons built by the college's fraternities.

Saddle bronc riding.

Dennis Dukesherer, Kearney State College pole vaulter, set an NAIA track and field record when he soared 15 feet  $5\frac{3}{4}$  inches at the National NAIA meet held June 10th in Sioux Falls, S.D. Here he is presented with his plaque.

The music and dramatic arts departments combined forces to present a spring musical, "110 in the Shade."

The Symphonic Wind Ensemble and the Percussion Ensemble held their spring concert in the Memorial Student Union Ballroom in an attempt to interest more students in attending concerts.
