*You are the young,  
the beautiful,  
the strong,  
your life is as clear  
or as confused as you  
make it. . . .*

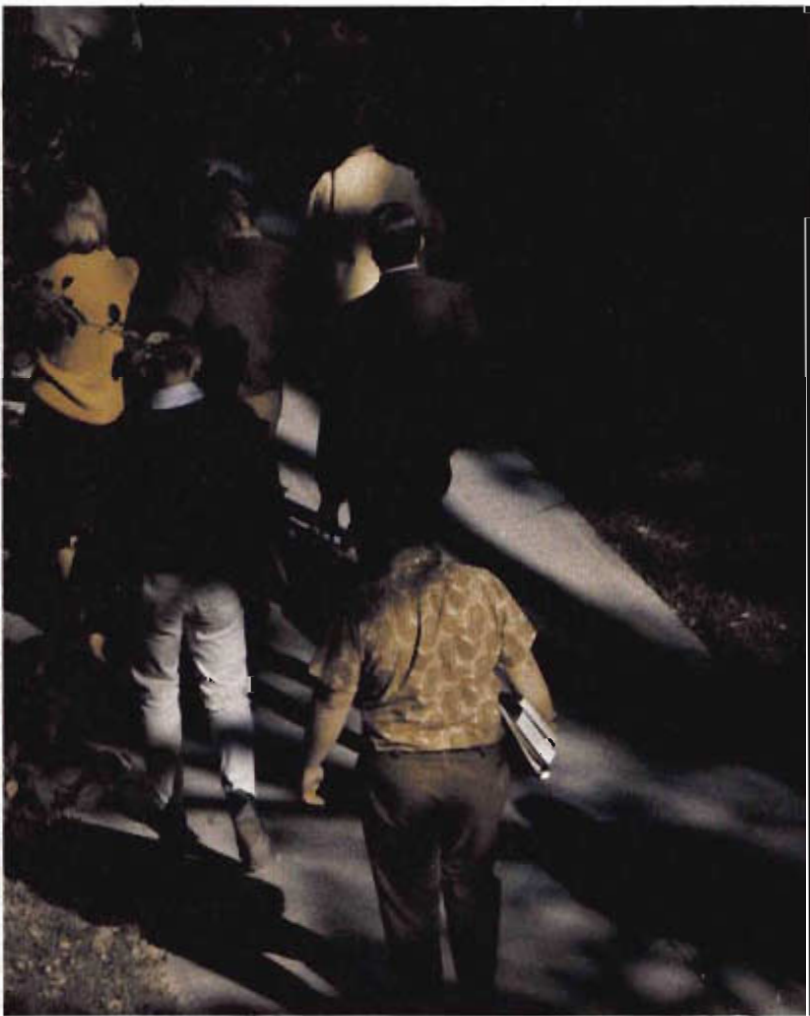

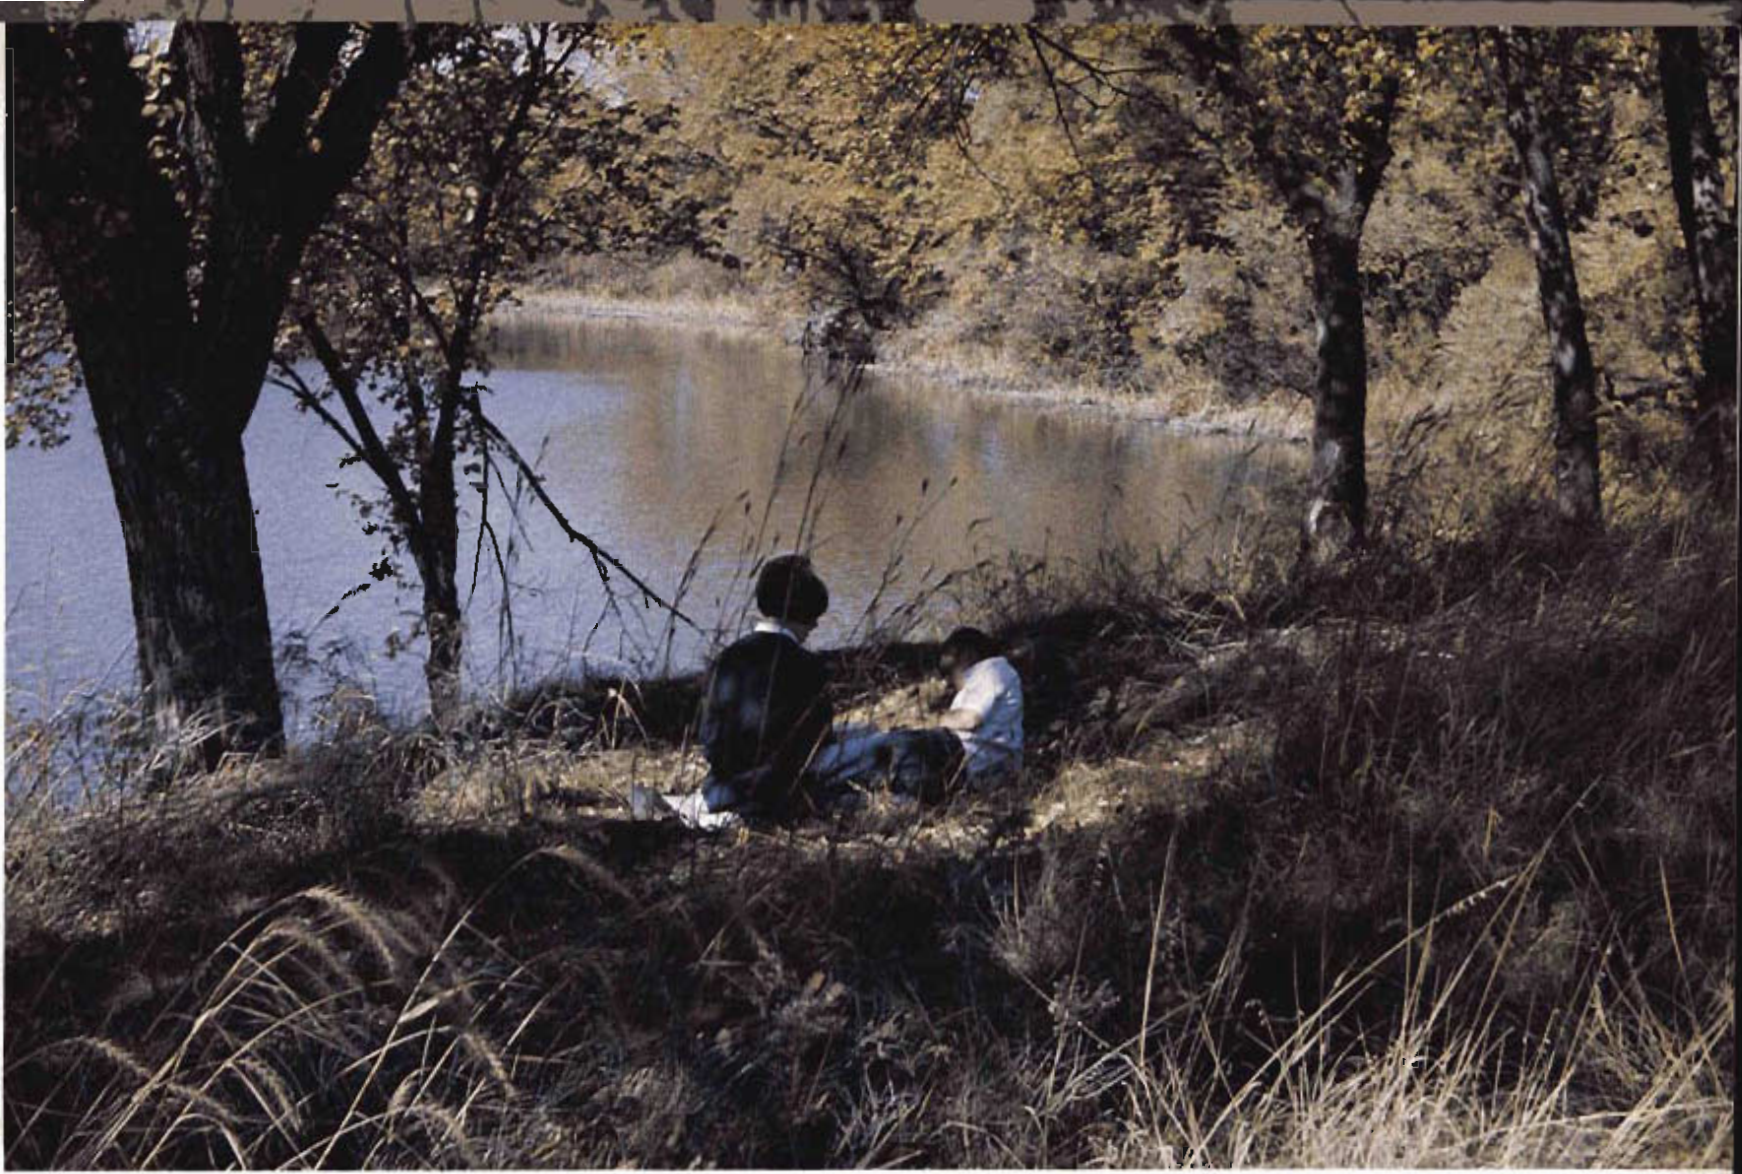

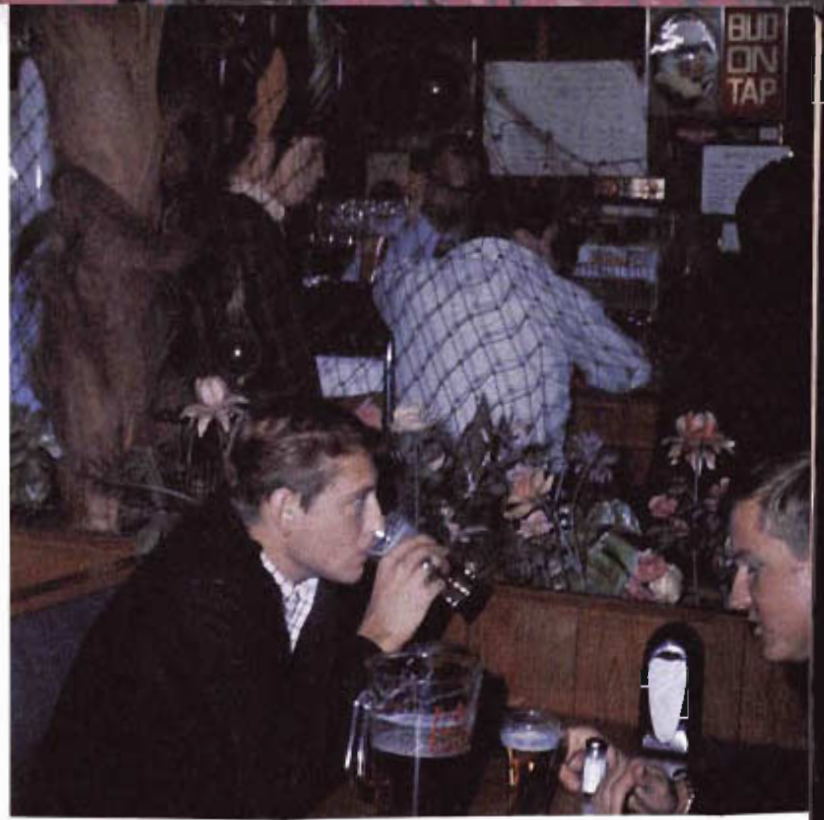

*you live, love, laugh — today —  
and work for tomorrow.*

*Your surroundings is the essence,  
conducive to "getting ahead"  
you seek, work for, and receive  
intellectual stimulus —  
your mind is constantly unbending,  
you are caught up in a frenzy of books, work,  
people, and after this, fun.*

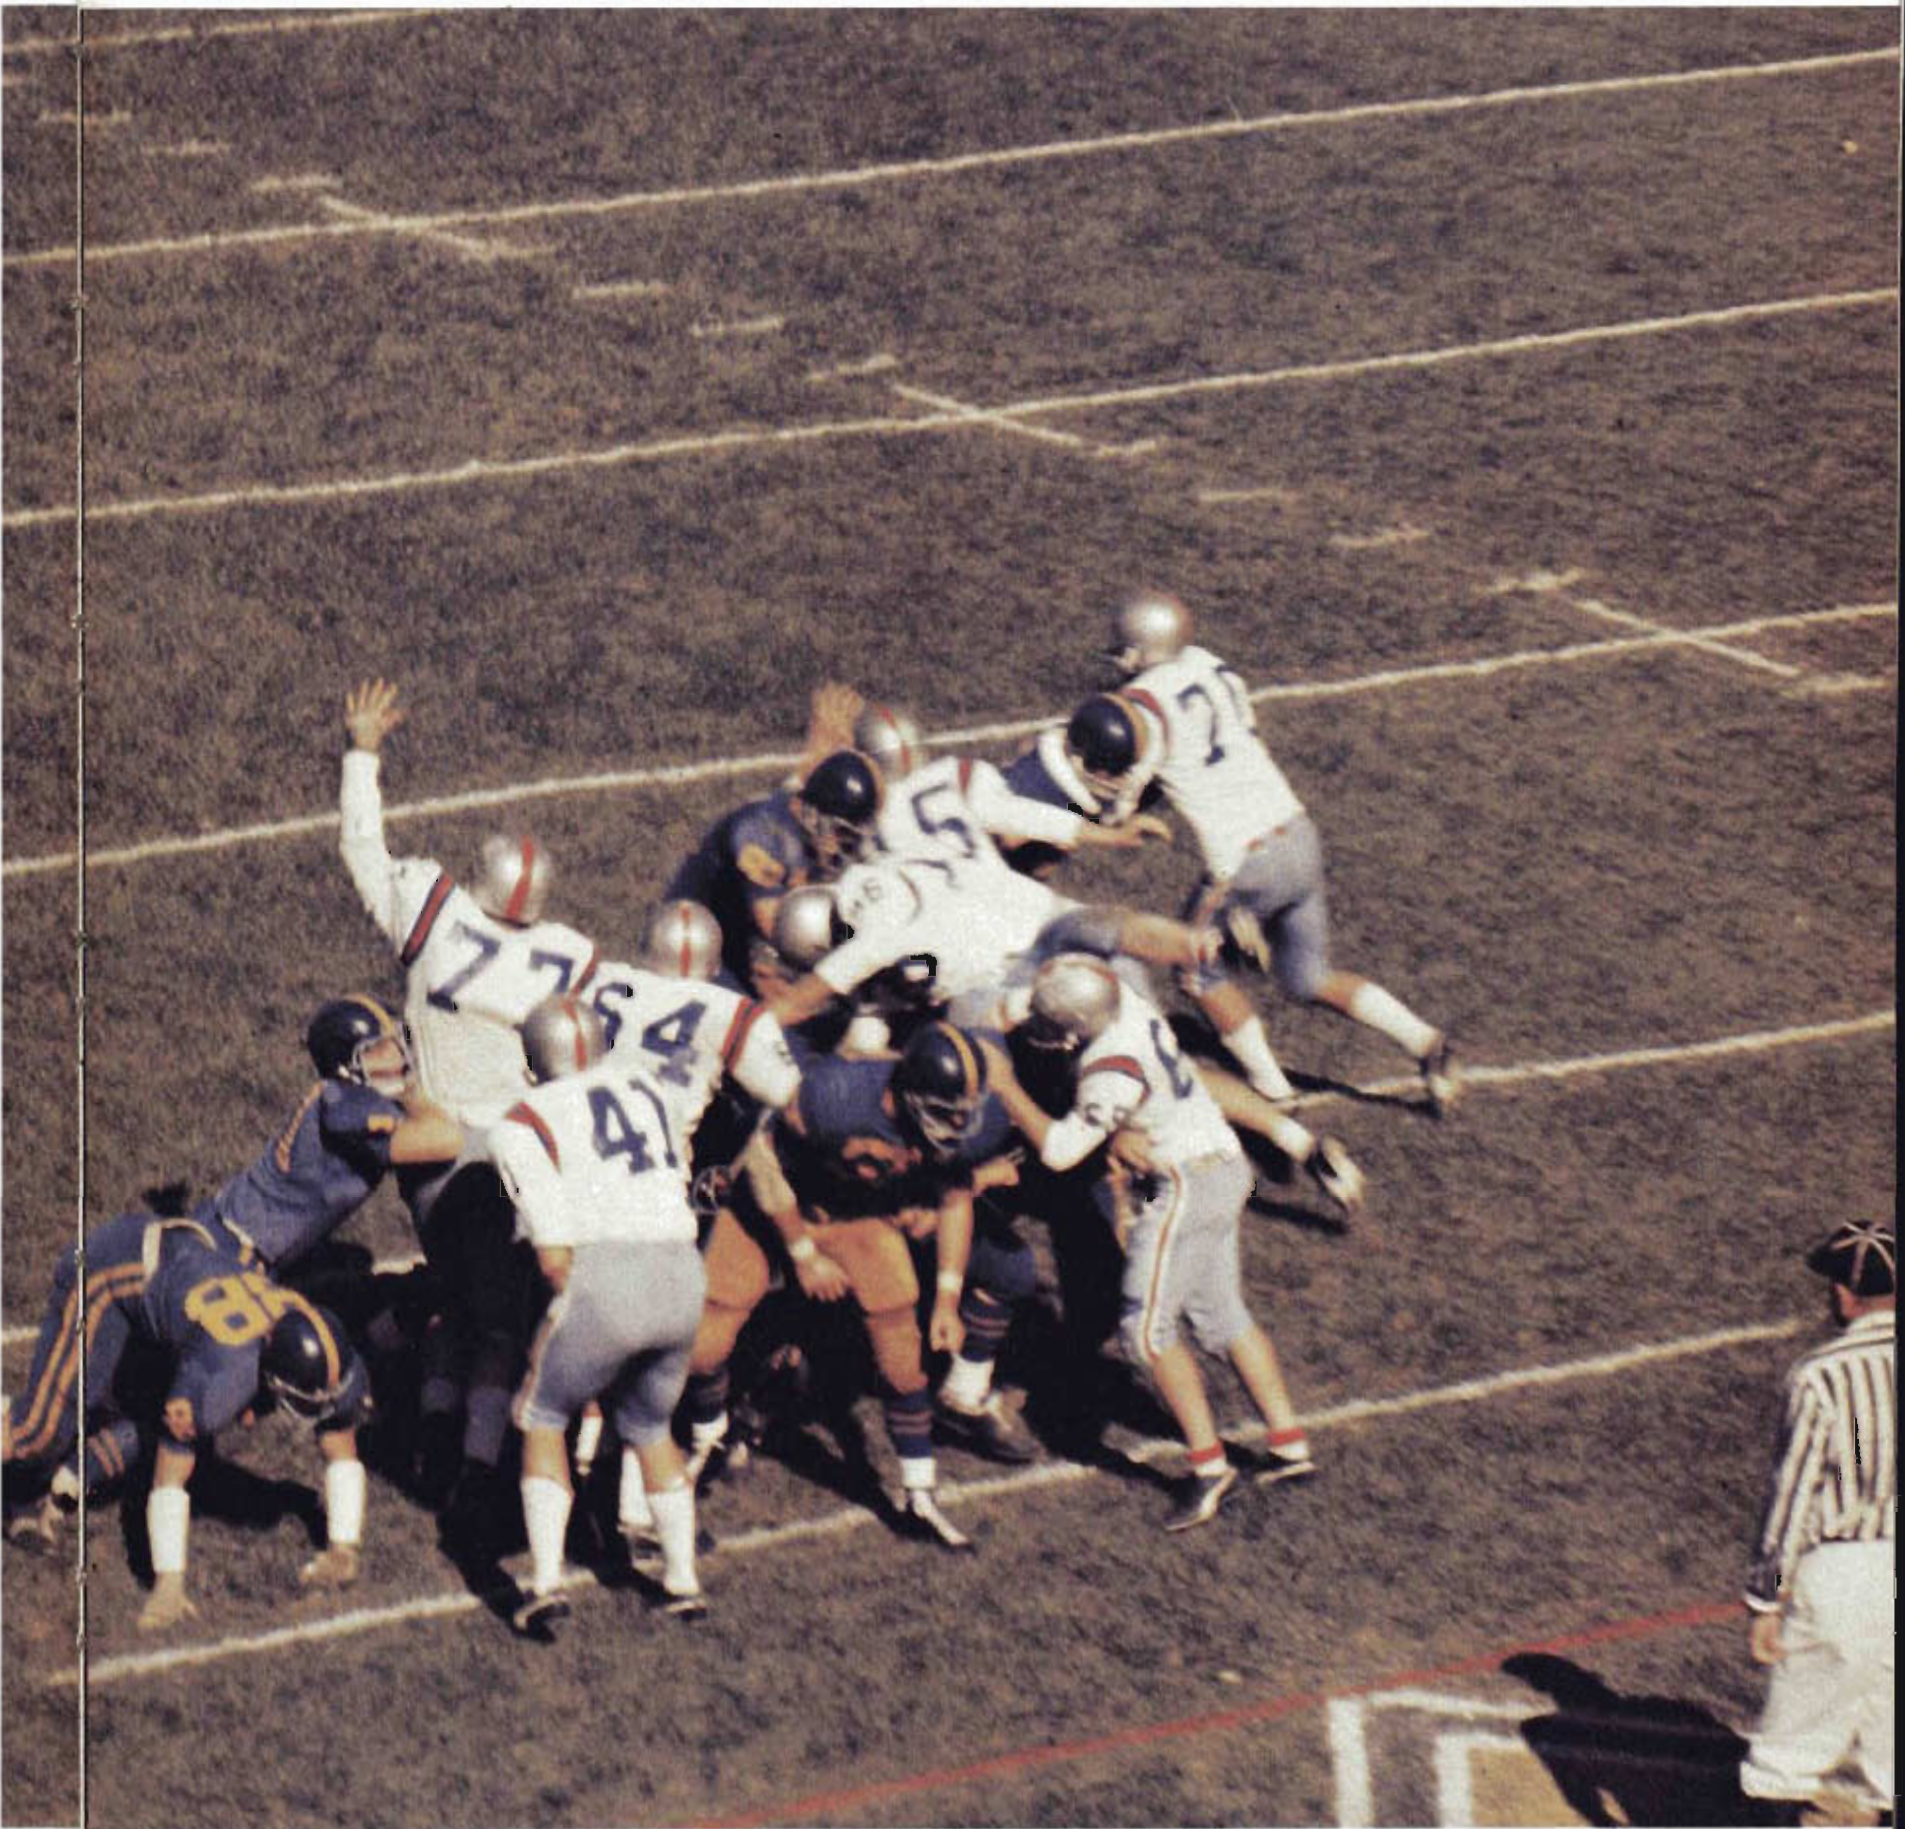

*The pressure is upon you —  
tomorrow's leaders. . . .*

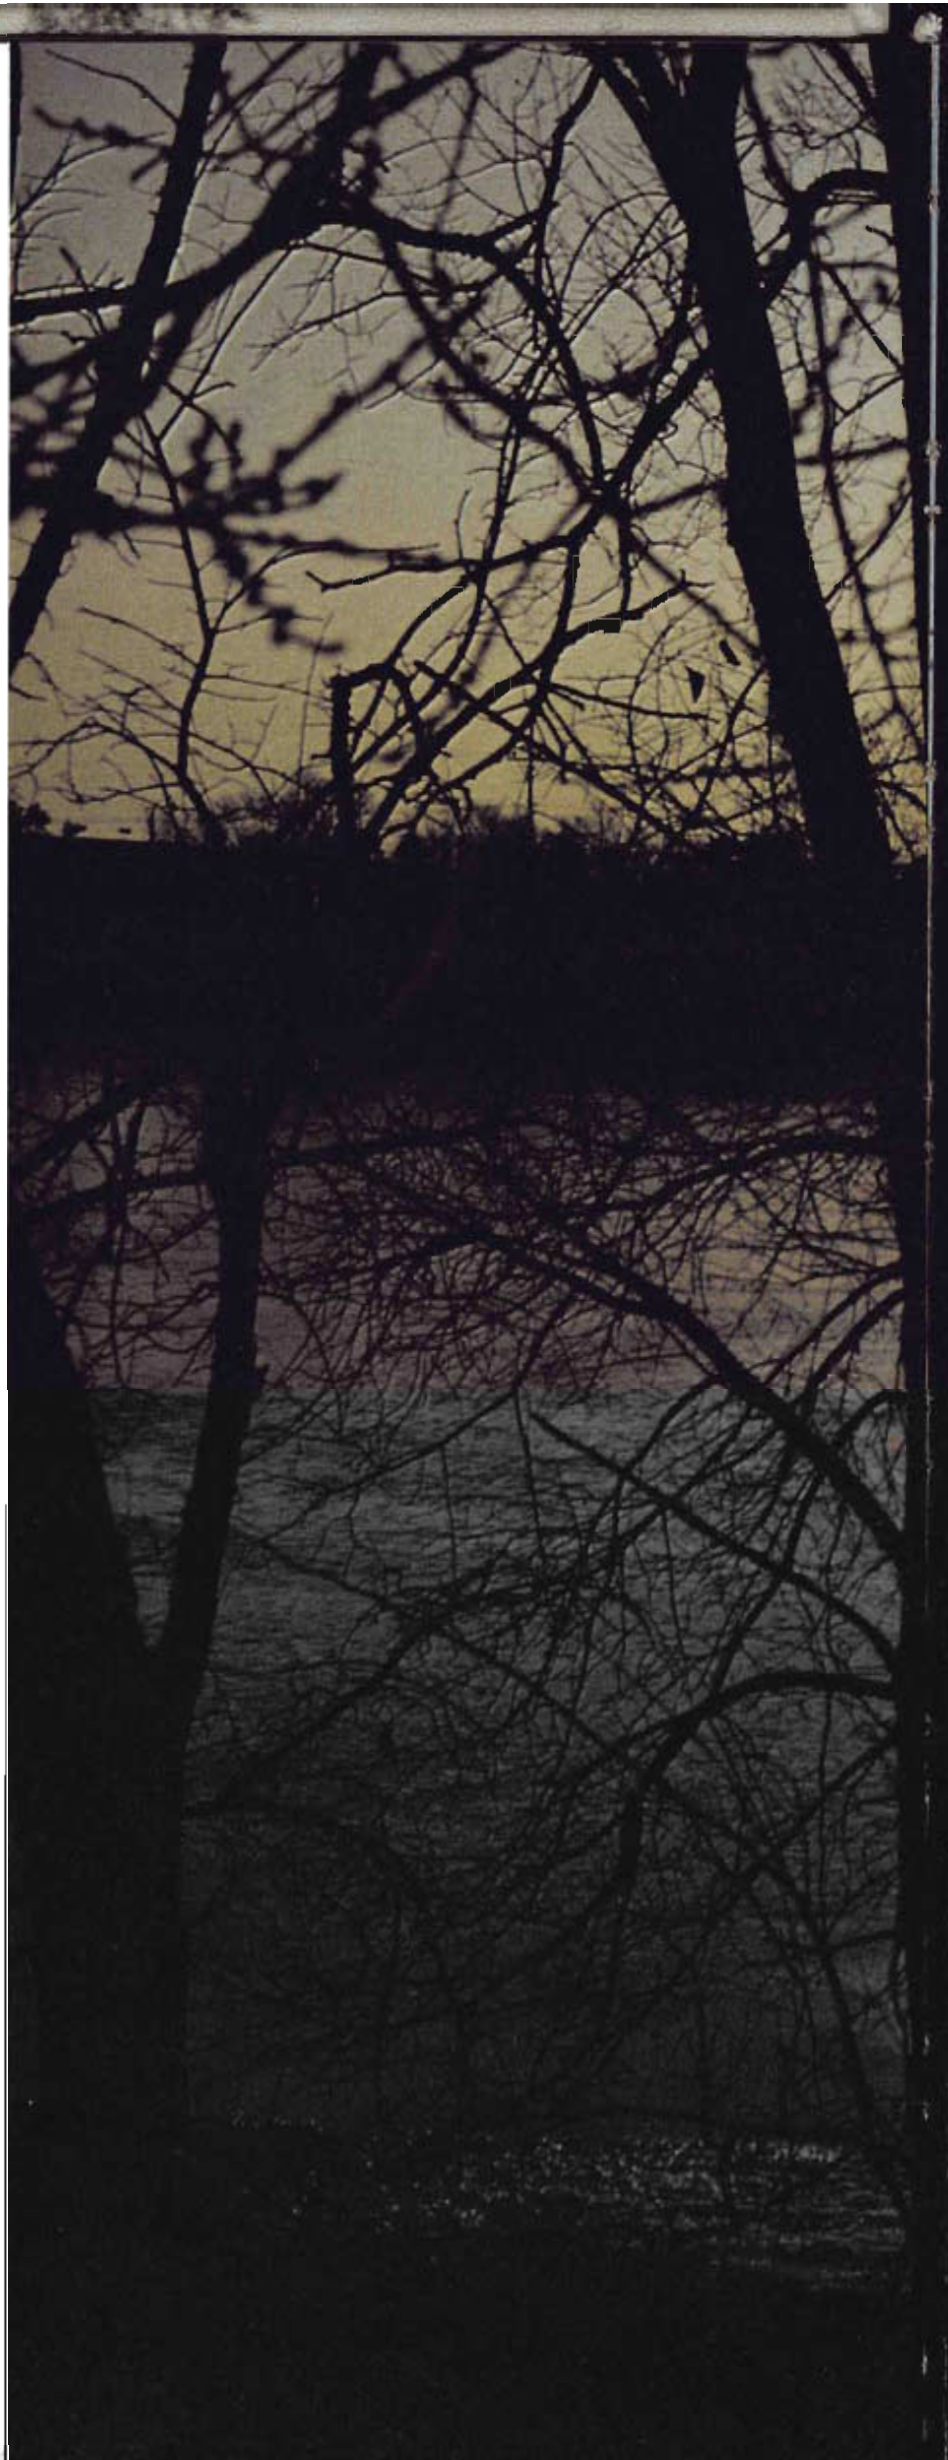

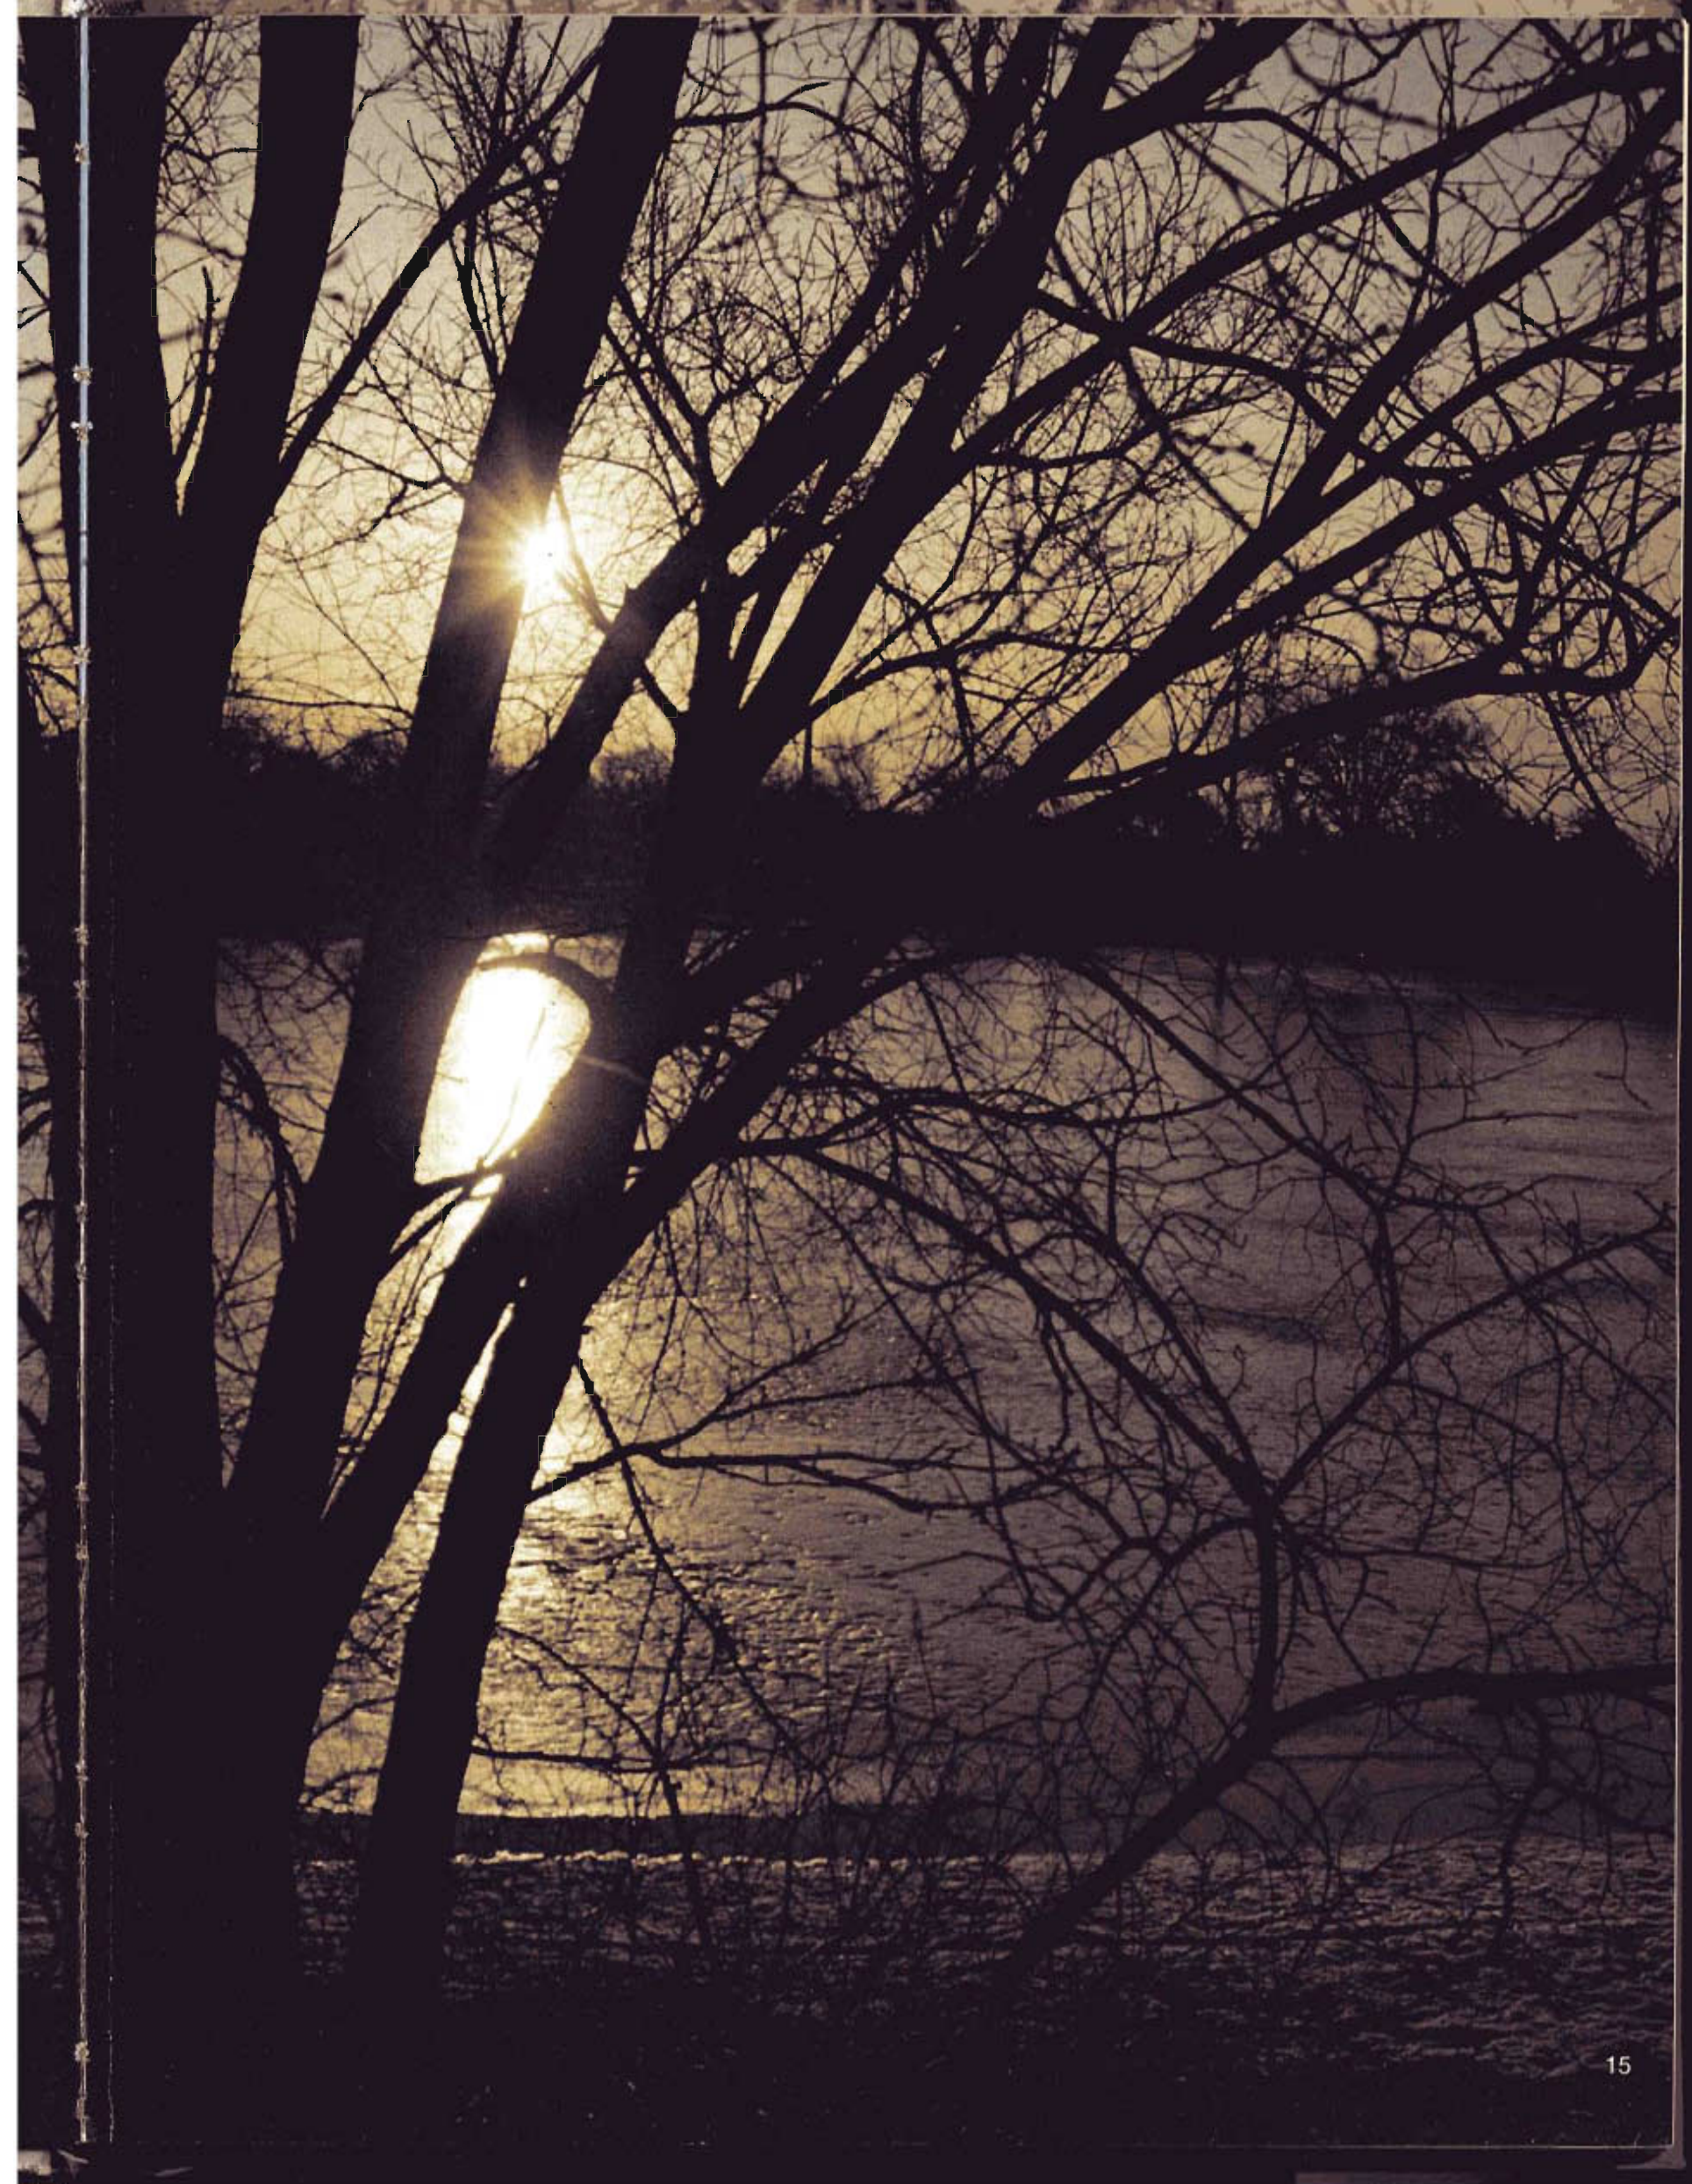

*Re-create the environment around you,  
charge it with beauty and love,  
adorn it with the flower of peace,  
erase the fears of frustration,  
this will be your legacy,  
this will never fade. . . .*

Every life is many days, day after day we walk through ourselves, meeting robbers, ghosts, giants, old men, wives, widows, brothers-in-law. But always meeting ourselves.

— James Joyce

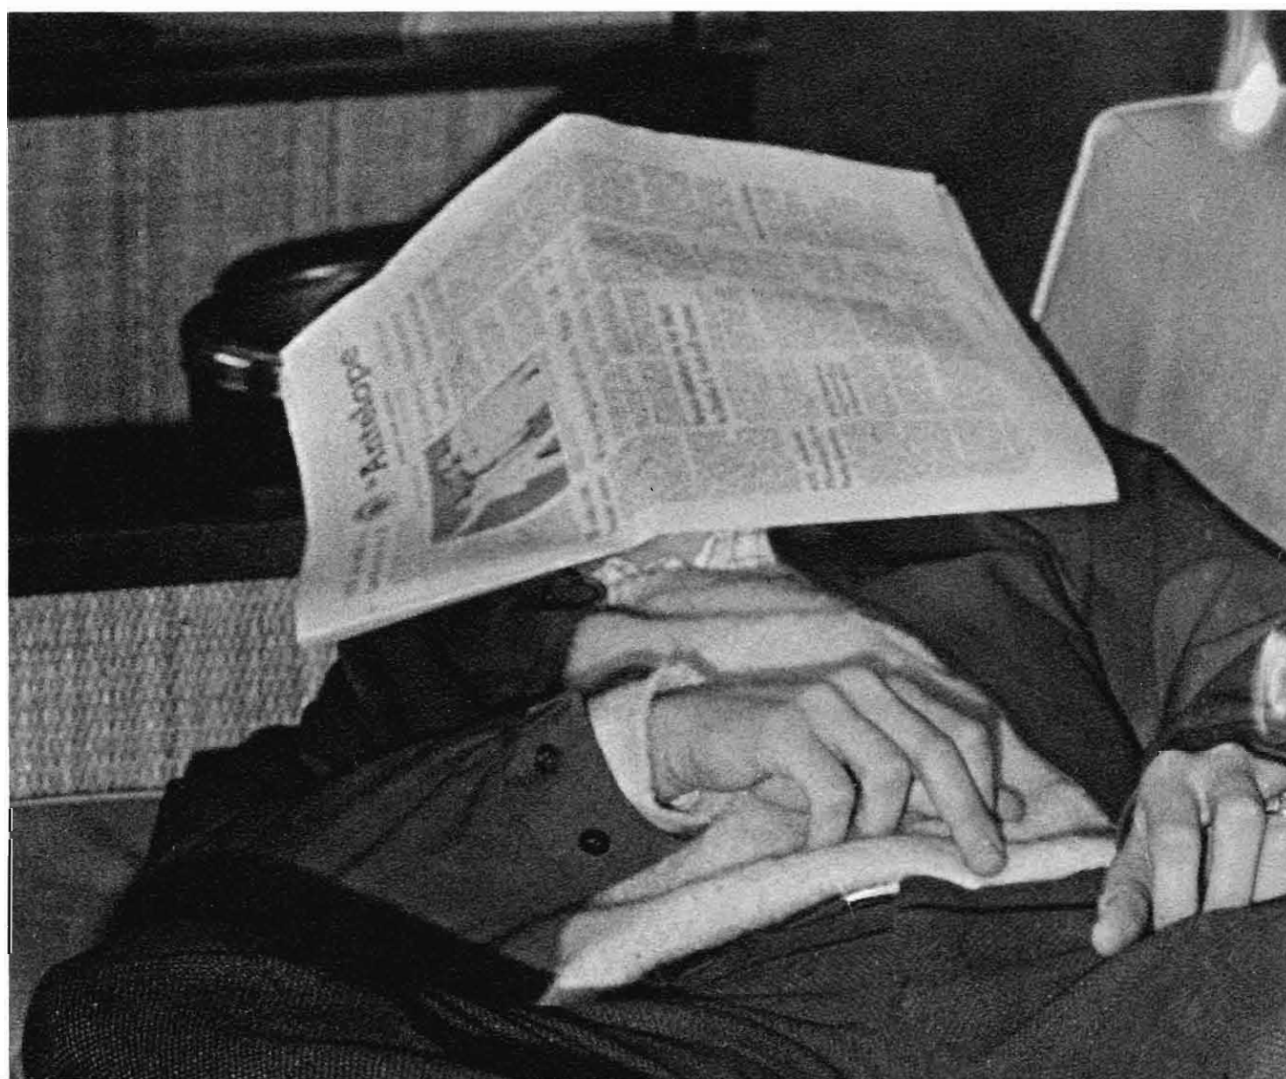

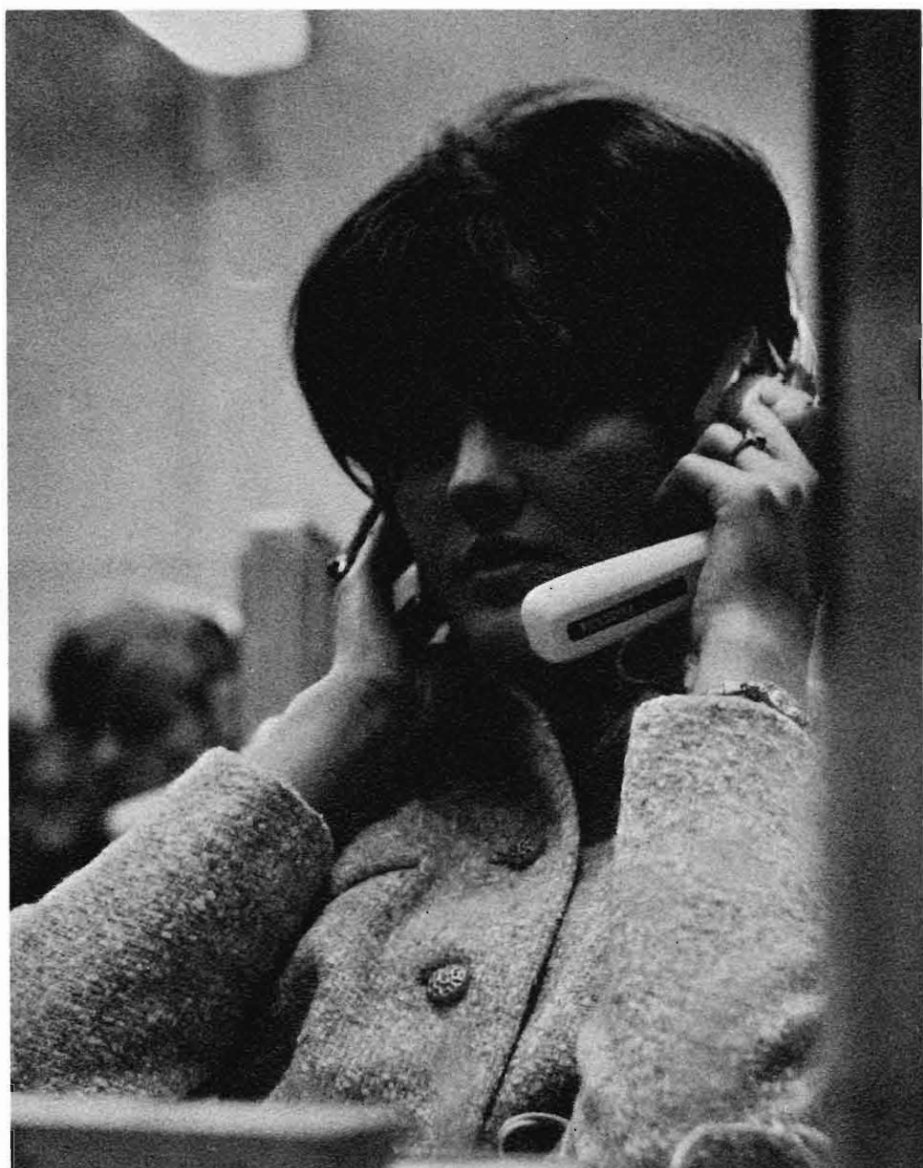

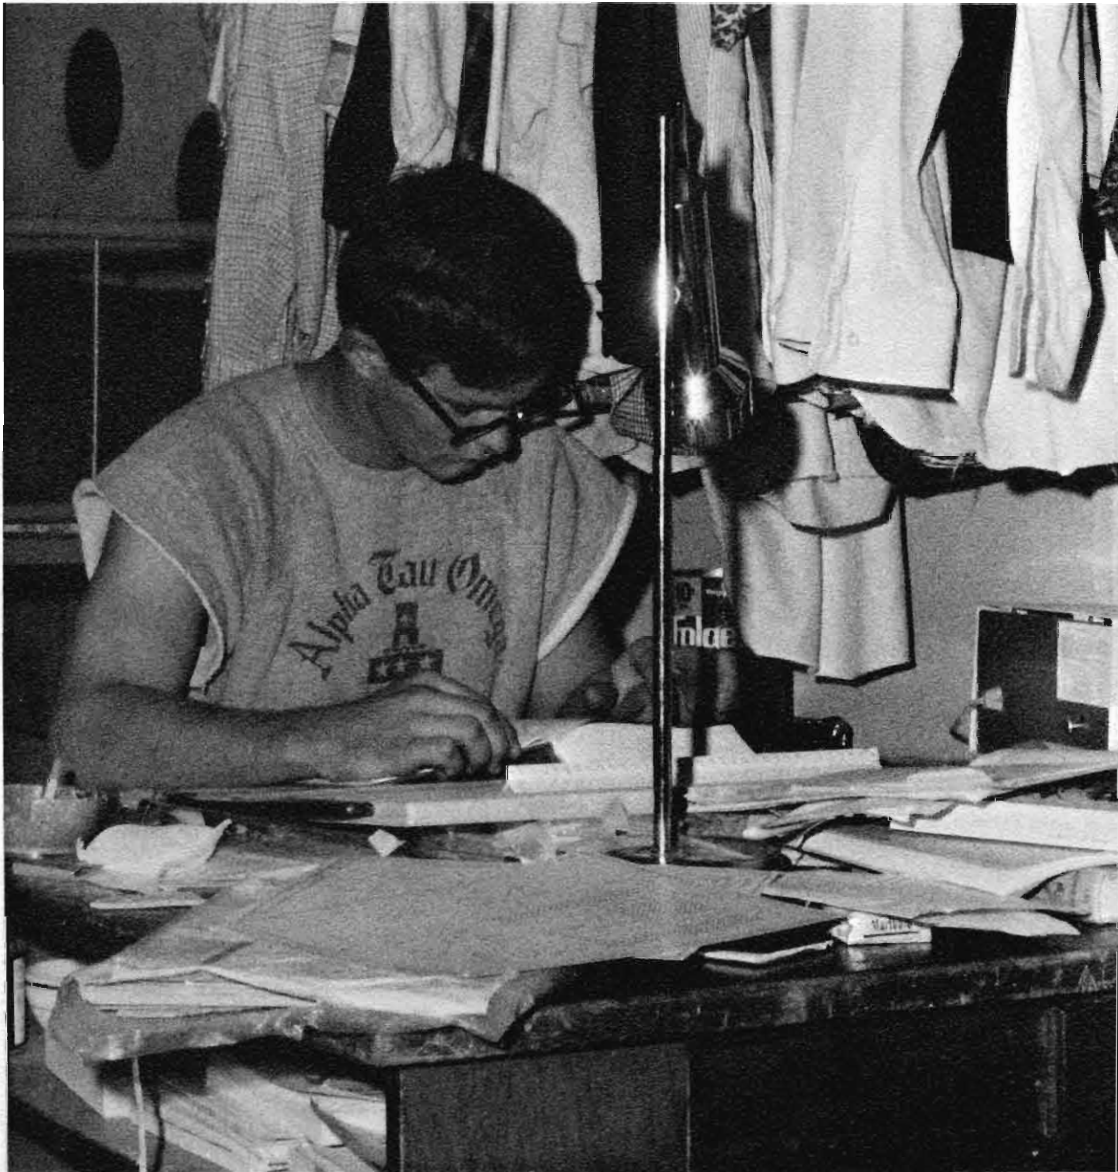

We learn our lessons  
not for life,  
but for the lecture room.

— Seneca

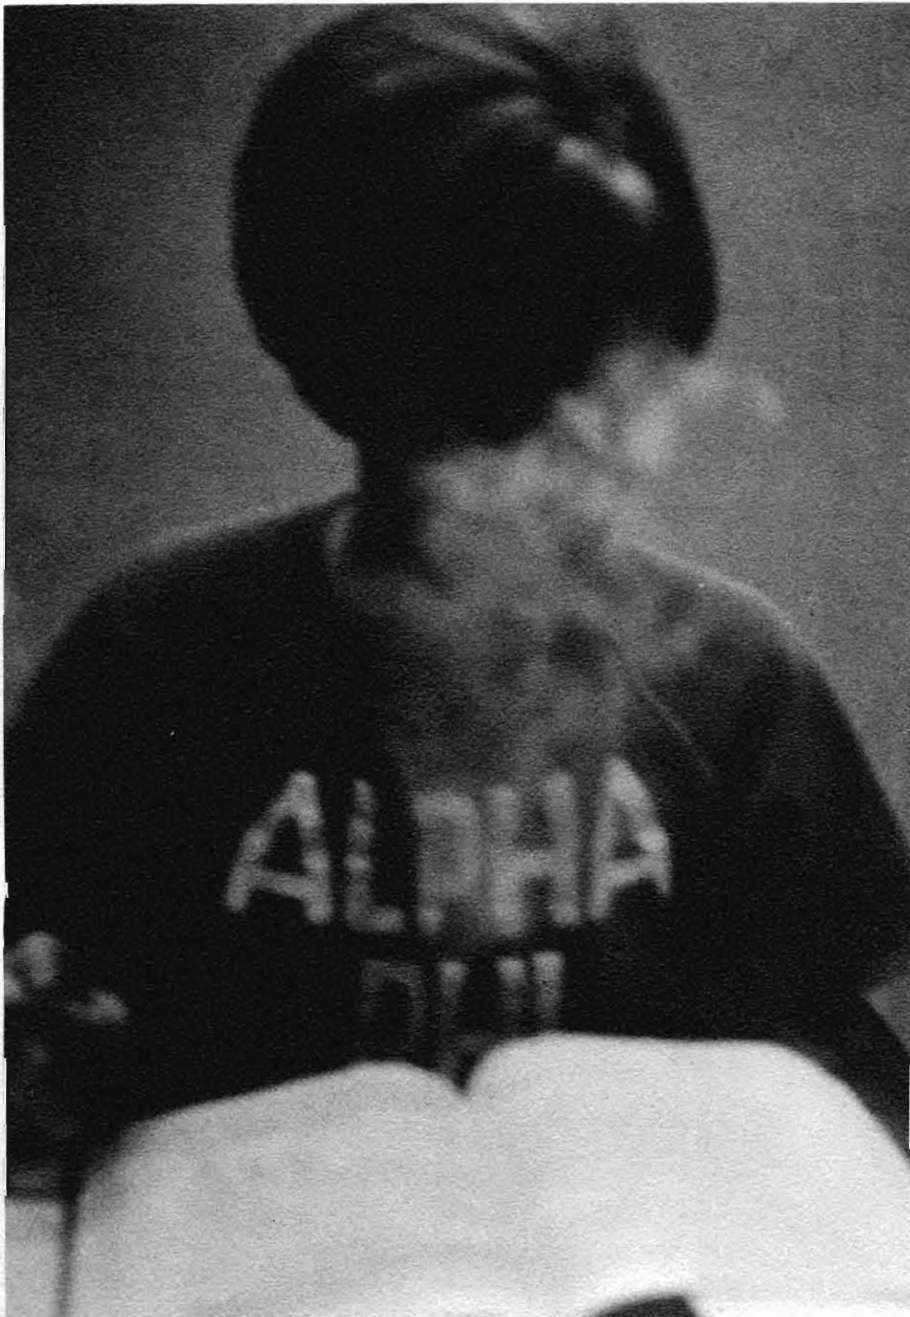

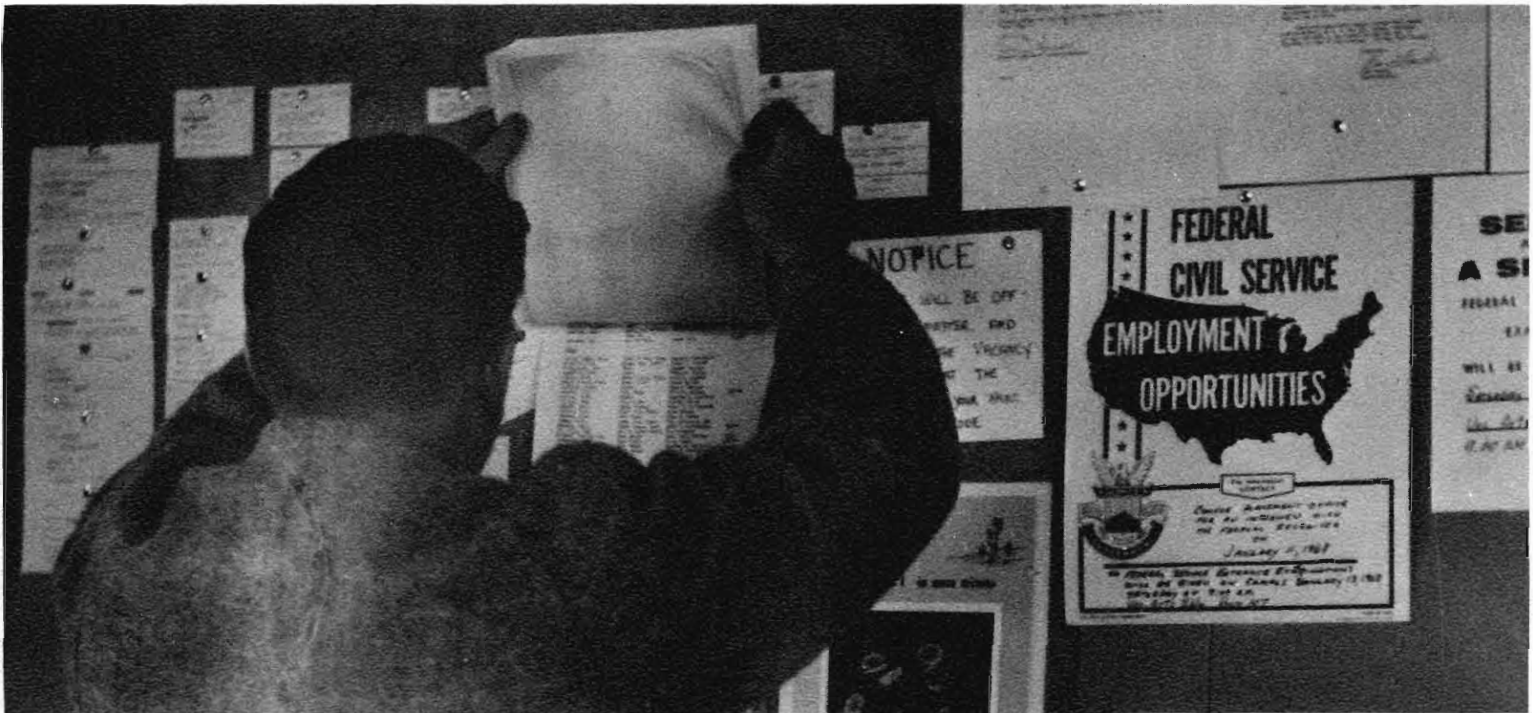

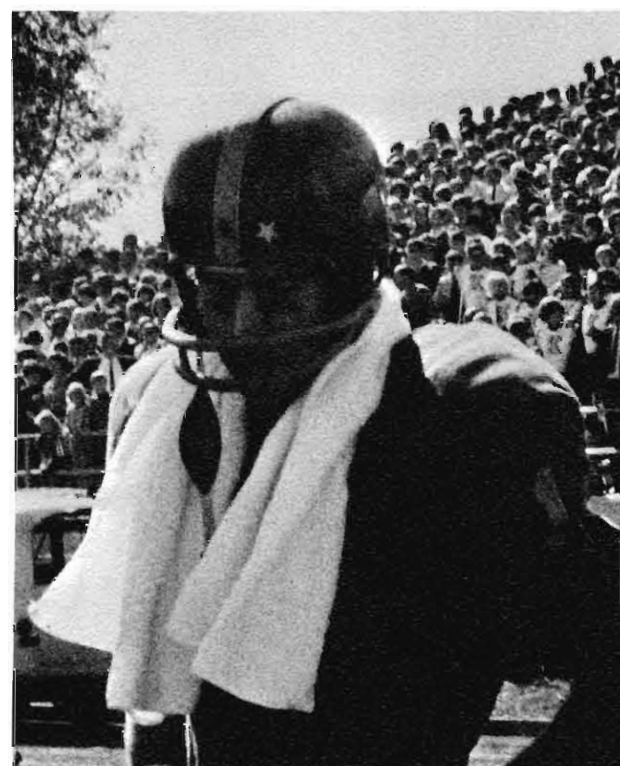

Happy the man who has broken the chain  
which hurt the mind,  
and has given up worrying  
once and for all.

— Ovid

We have met  
the enemy,  
and they are  
ours.

— Oliver Hazard Perry

Fools may invent fashions  
that wise men will wear.

— Thomas Fuller

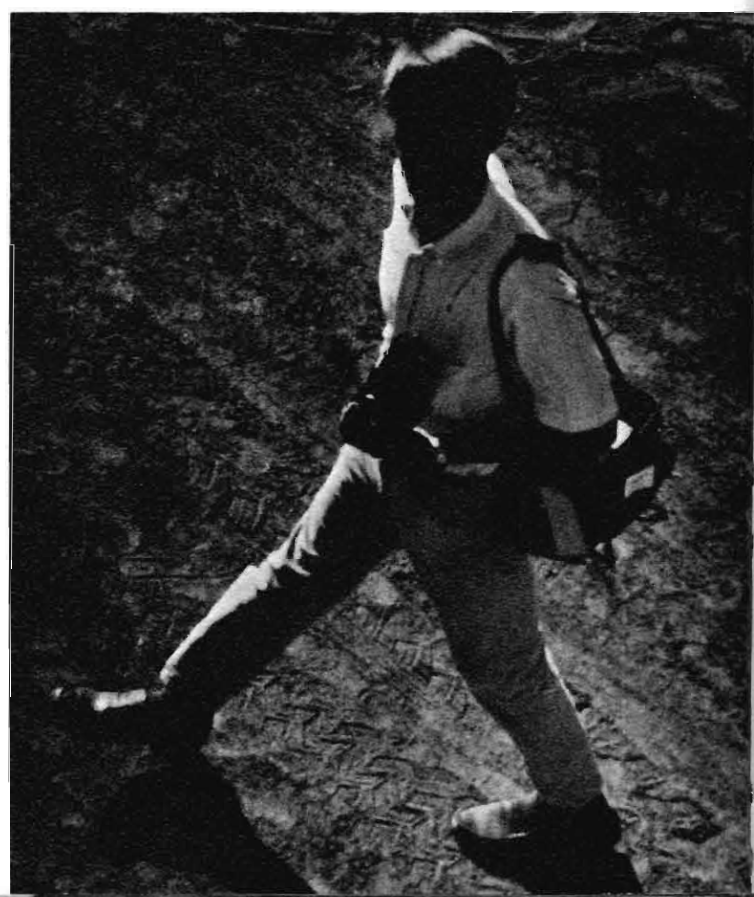

I've taken  
my fun  
where I found it.

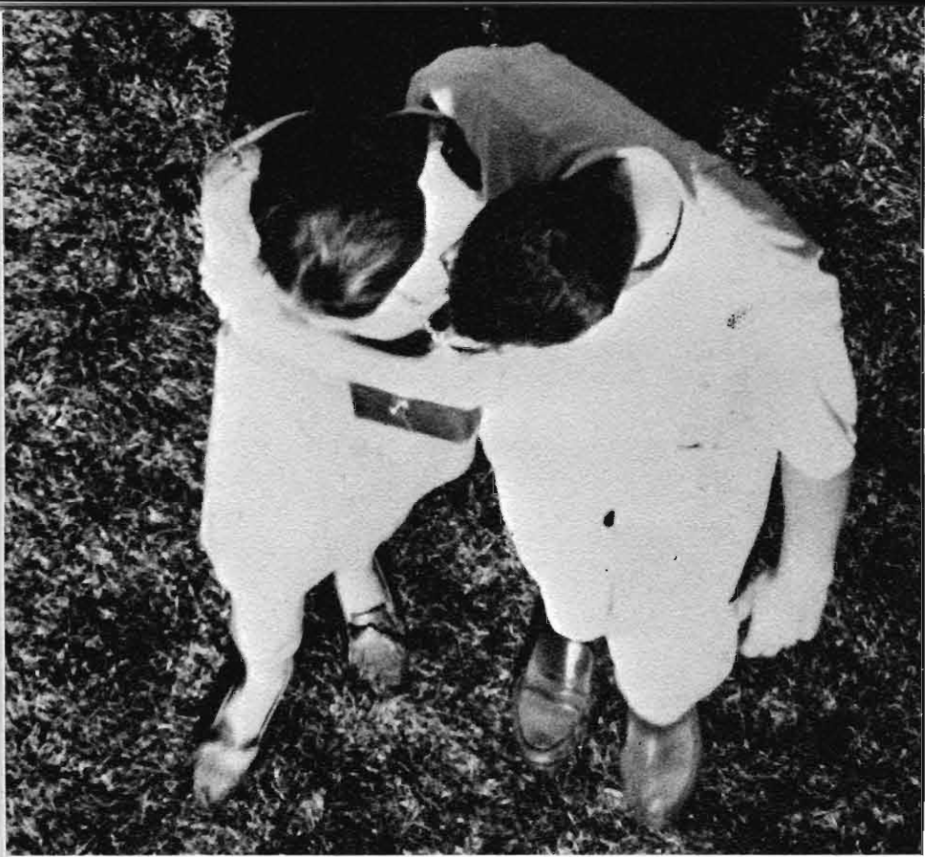

— The Ladies

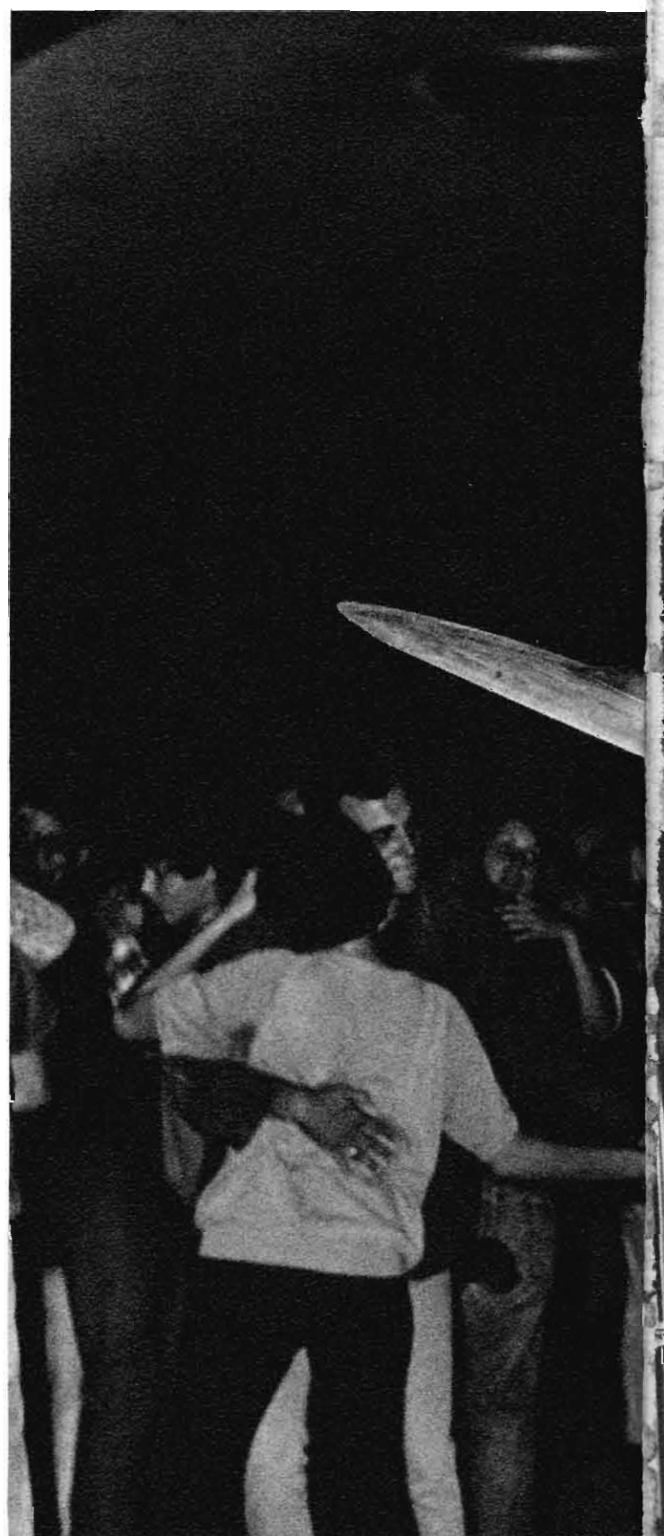

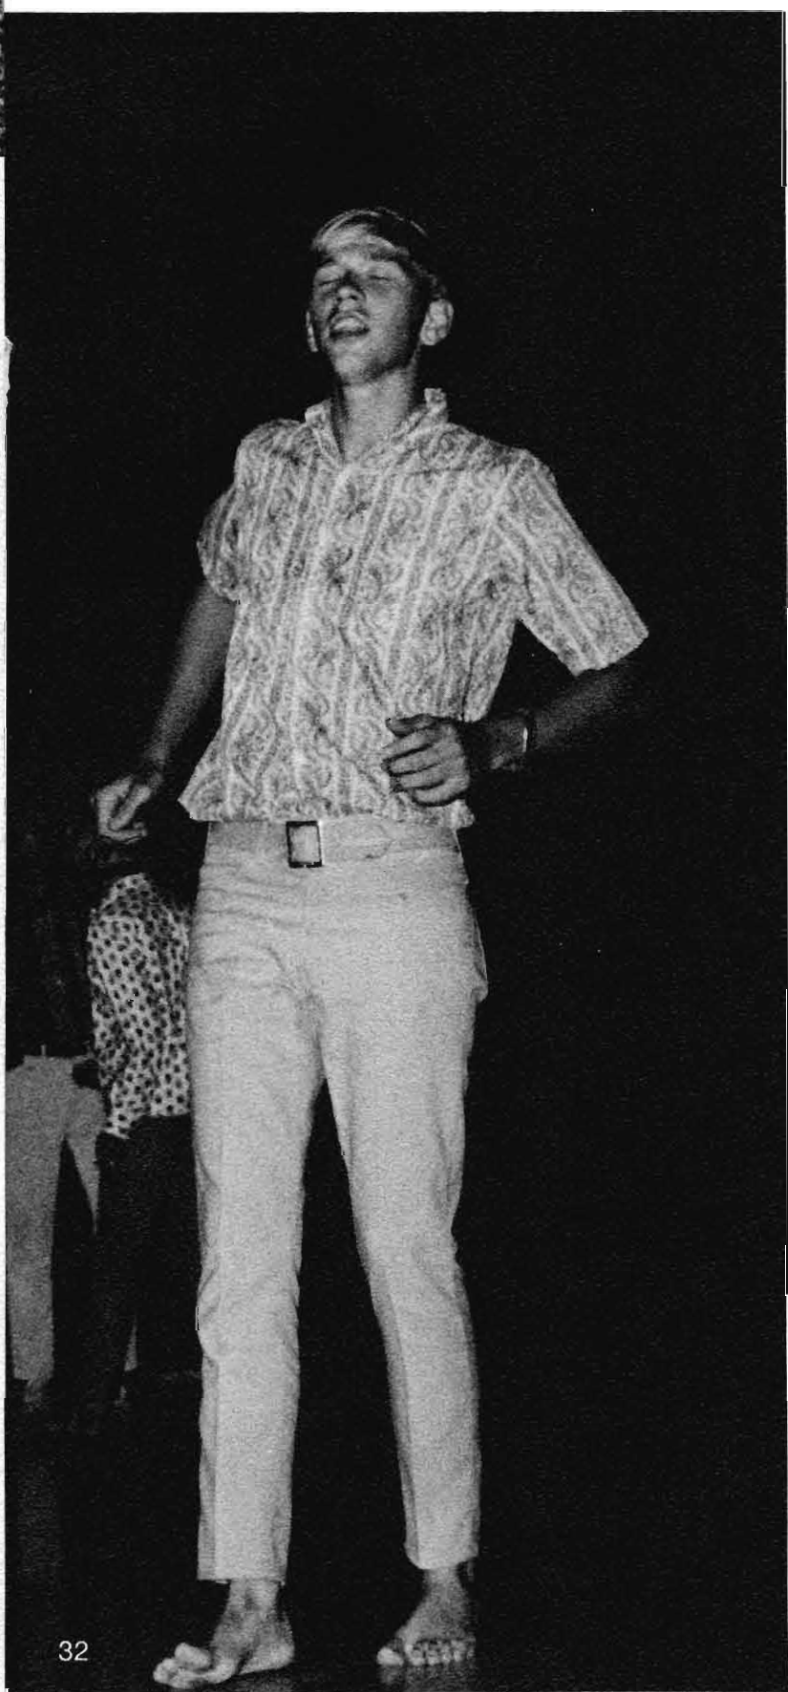

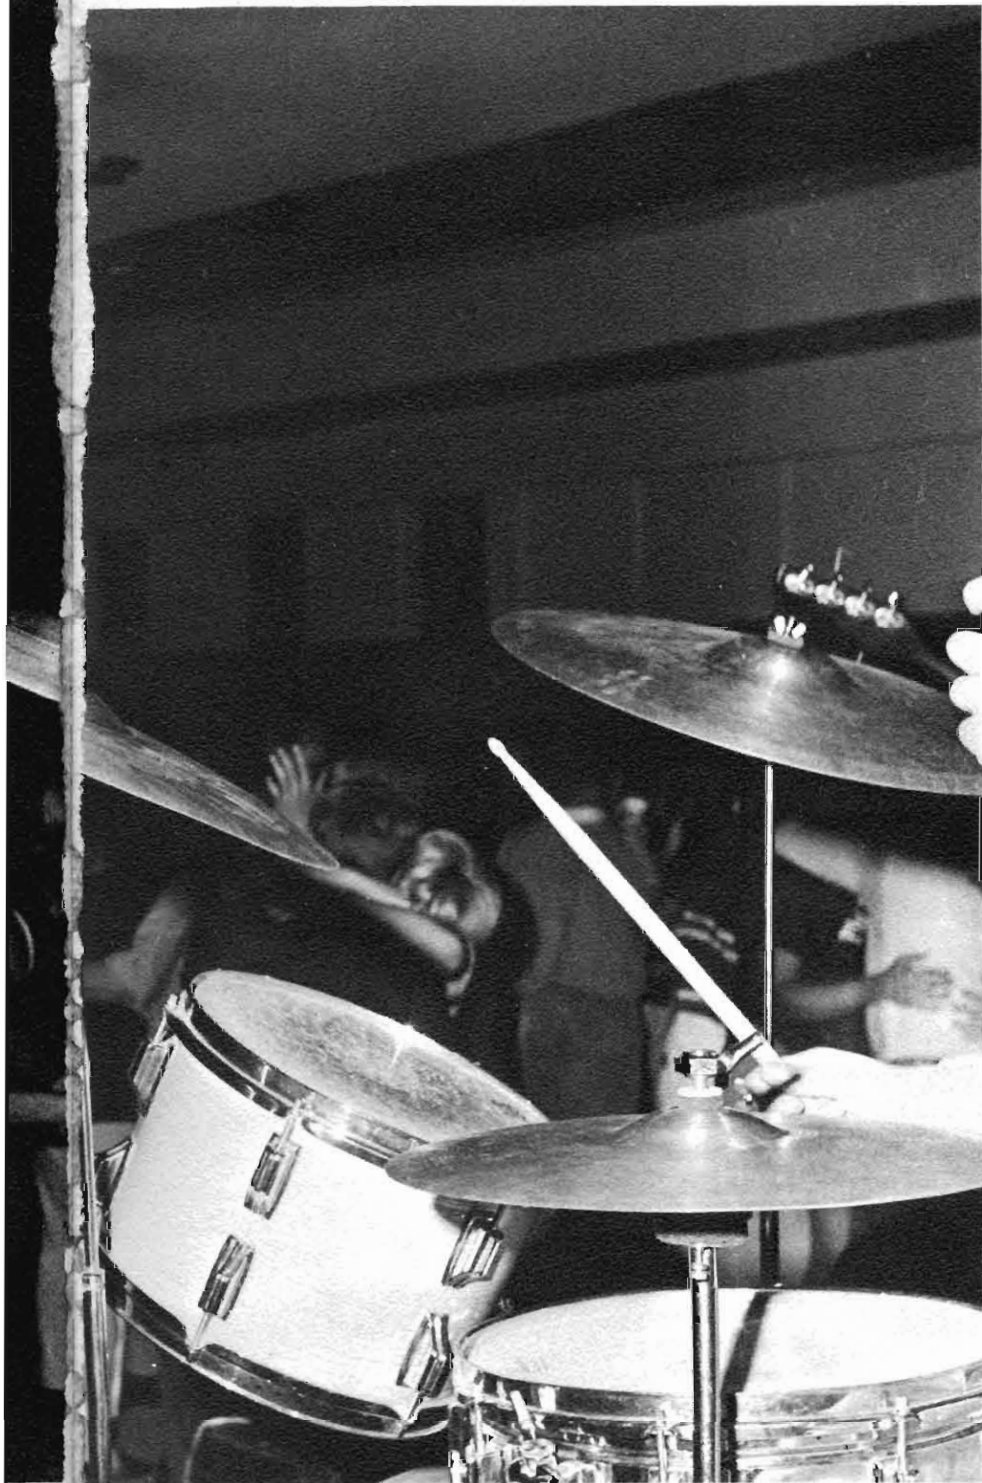

Love comes quietly . . .  
but you know when it is there,  
because, suddenly . . .  
you are not alone anymore . . .  
and there is no sadness  
inside you.

— Joan Walsh Anglund

. . . These are the days of dancing —  
six feet apart. And what was your first  
name anyway?

— Rod McKuen

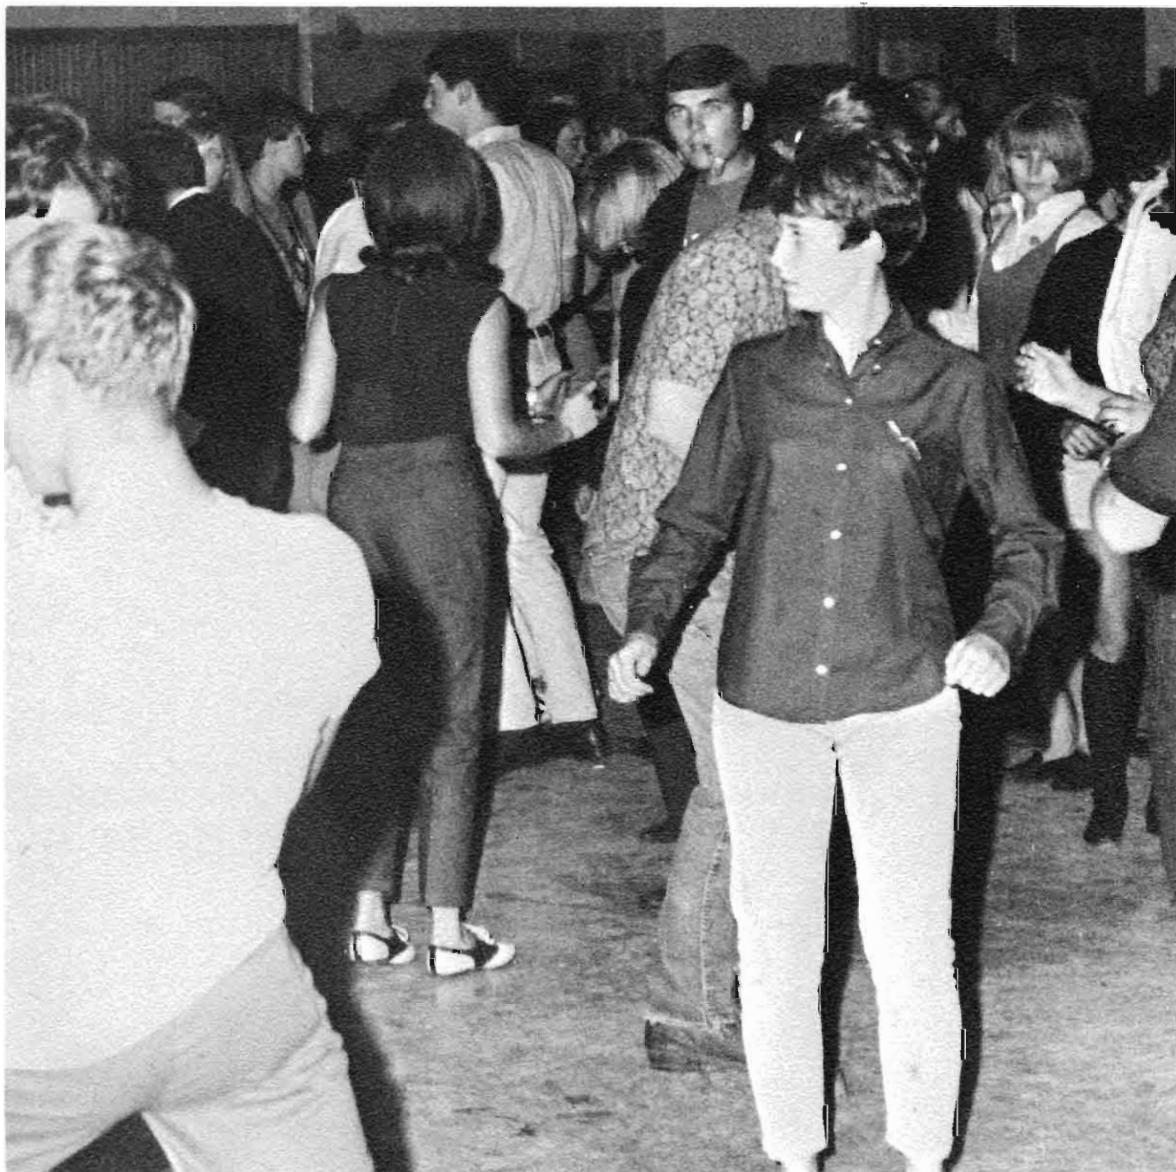

Sadie Hawkins week gave the KSC coeds a chance to catch their men. The week ended with a Dogpatch Stomp at which Mary Martin and Joe Novak reigned over the evening's festivities as Daisy Mae and Li'l Abner.

Ah's finally caught ya, Abner.

Kickapoo joy juice and hillbillies make the Dogpatch Stomp a happenin'.

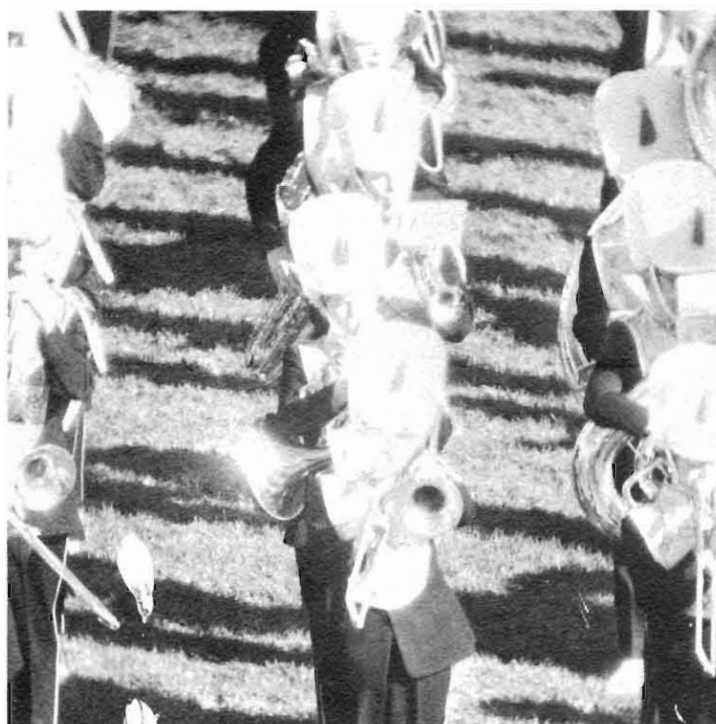

This clan has given up feudin', fightin' and fussin' to catch some of the Sadie Hawkin's week action.

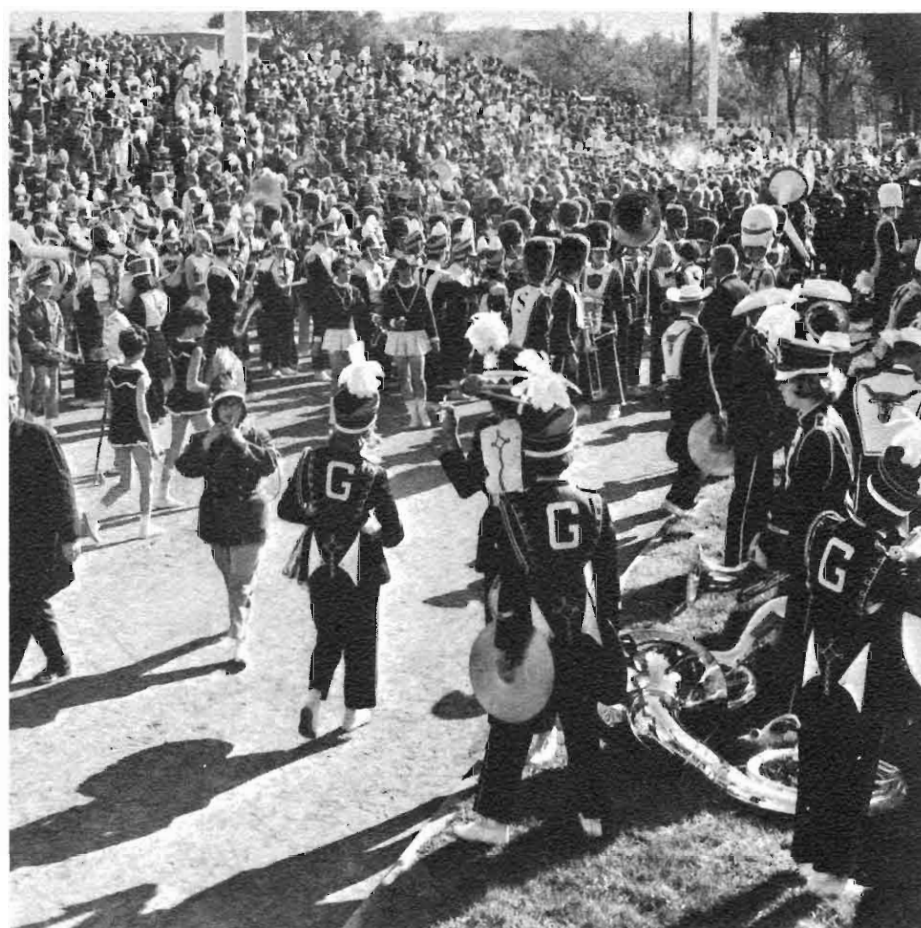

KSC OR DOGPATCH U.S.A.??

Fifty bands from Nebraska high schools produced a colorful parade and half-time show for Band Day, 1967.

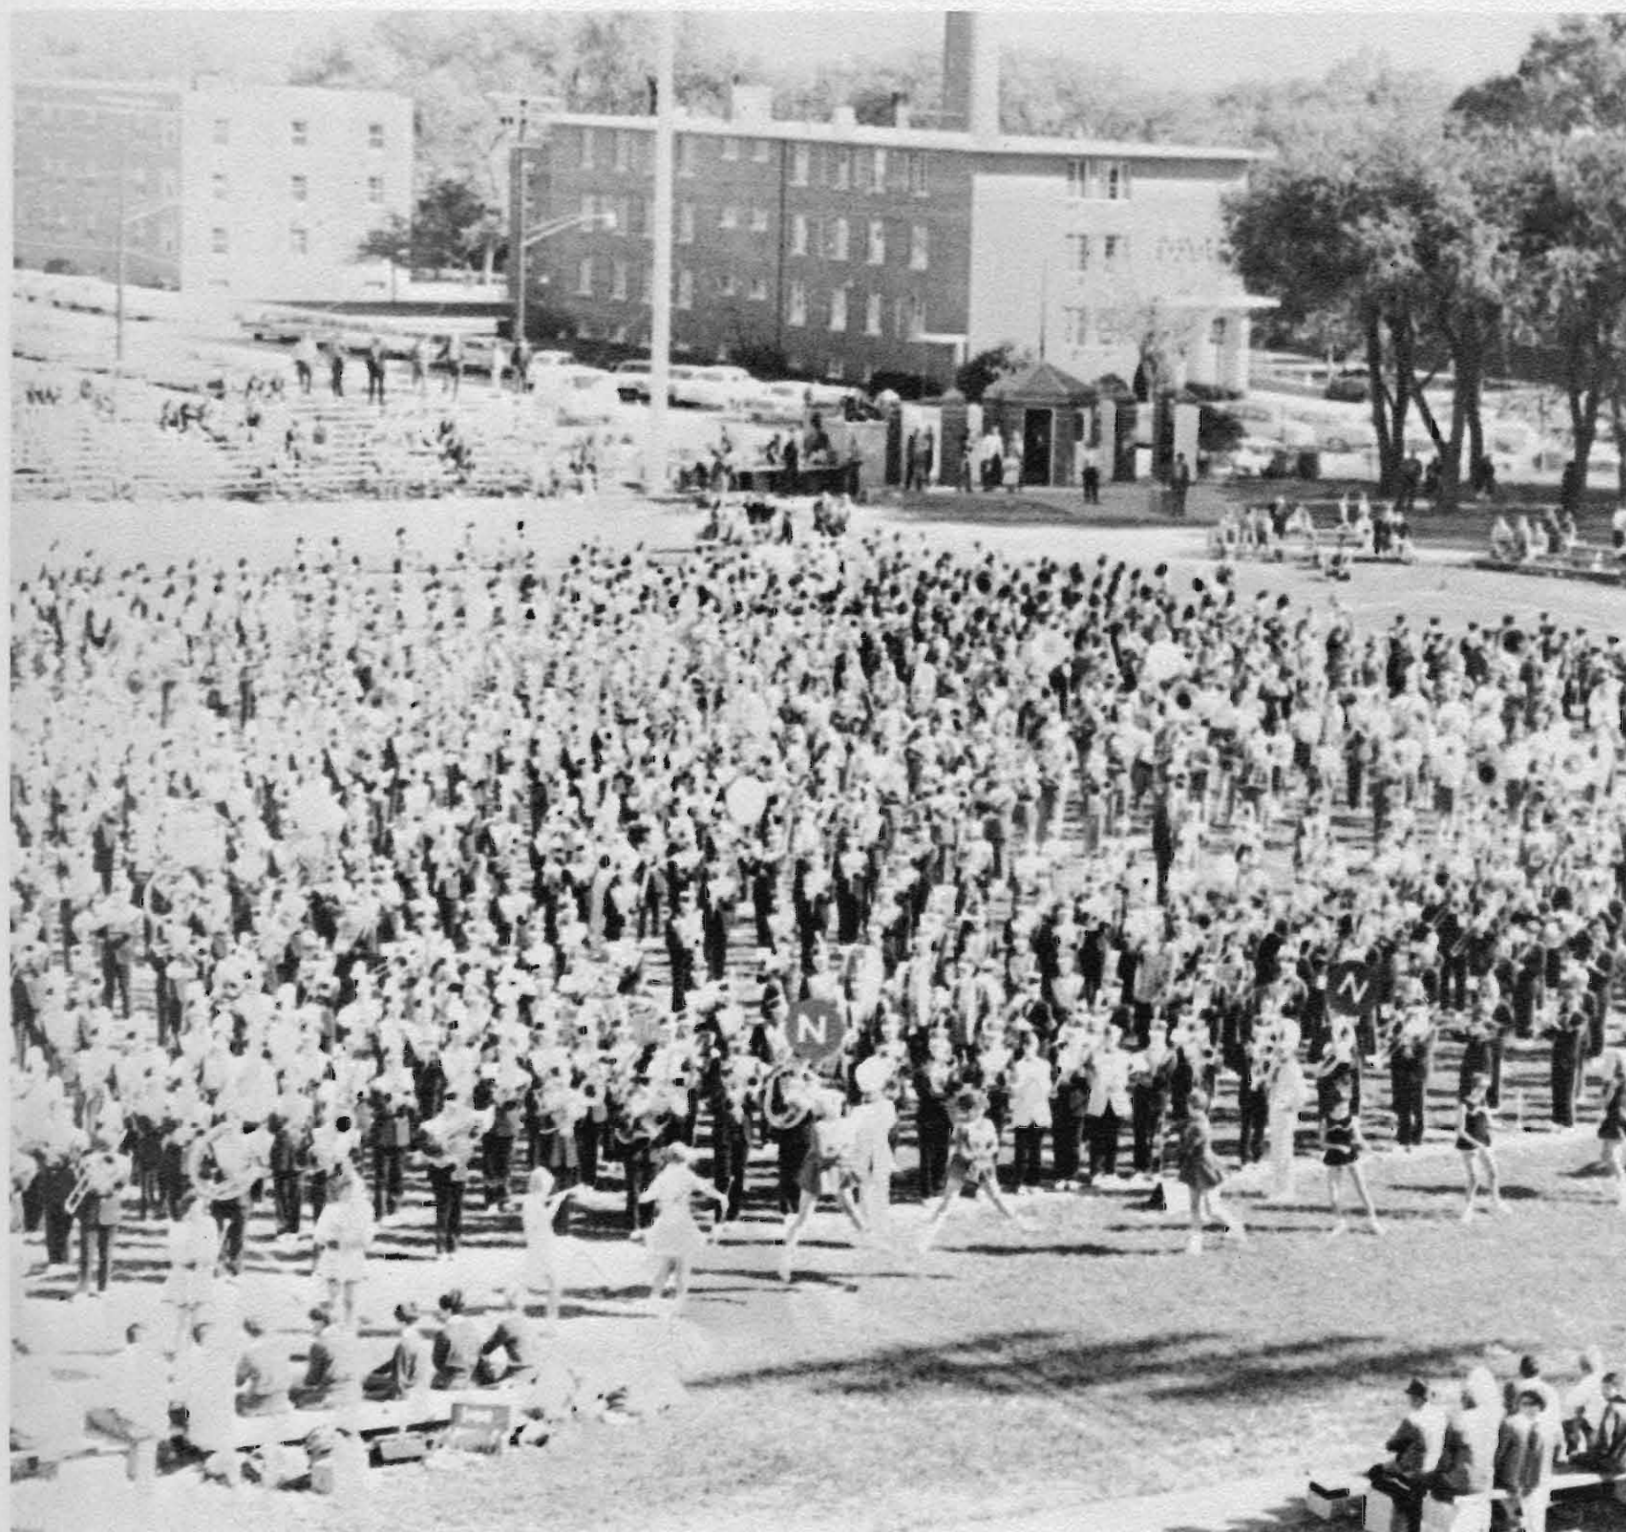

"76 Trombones"

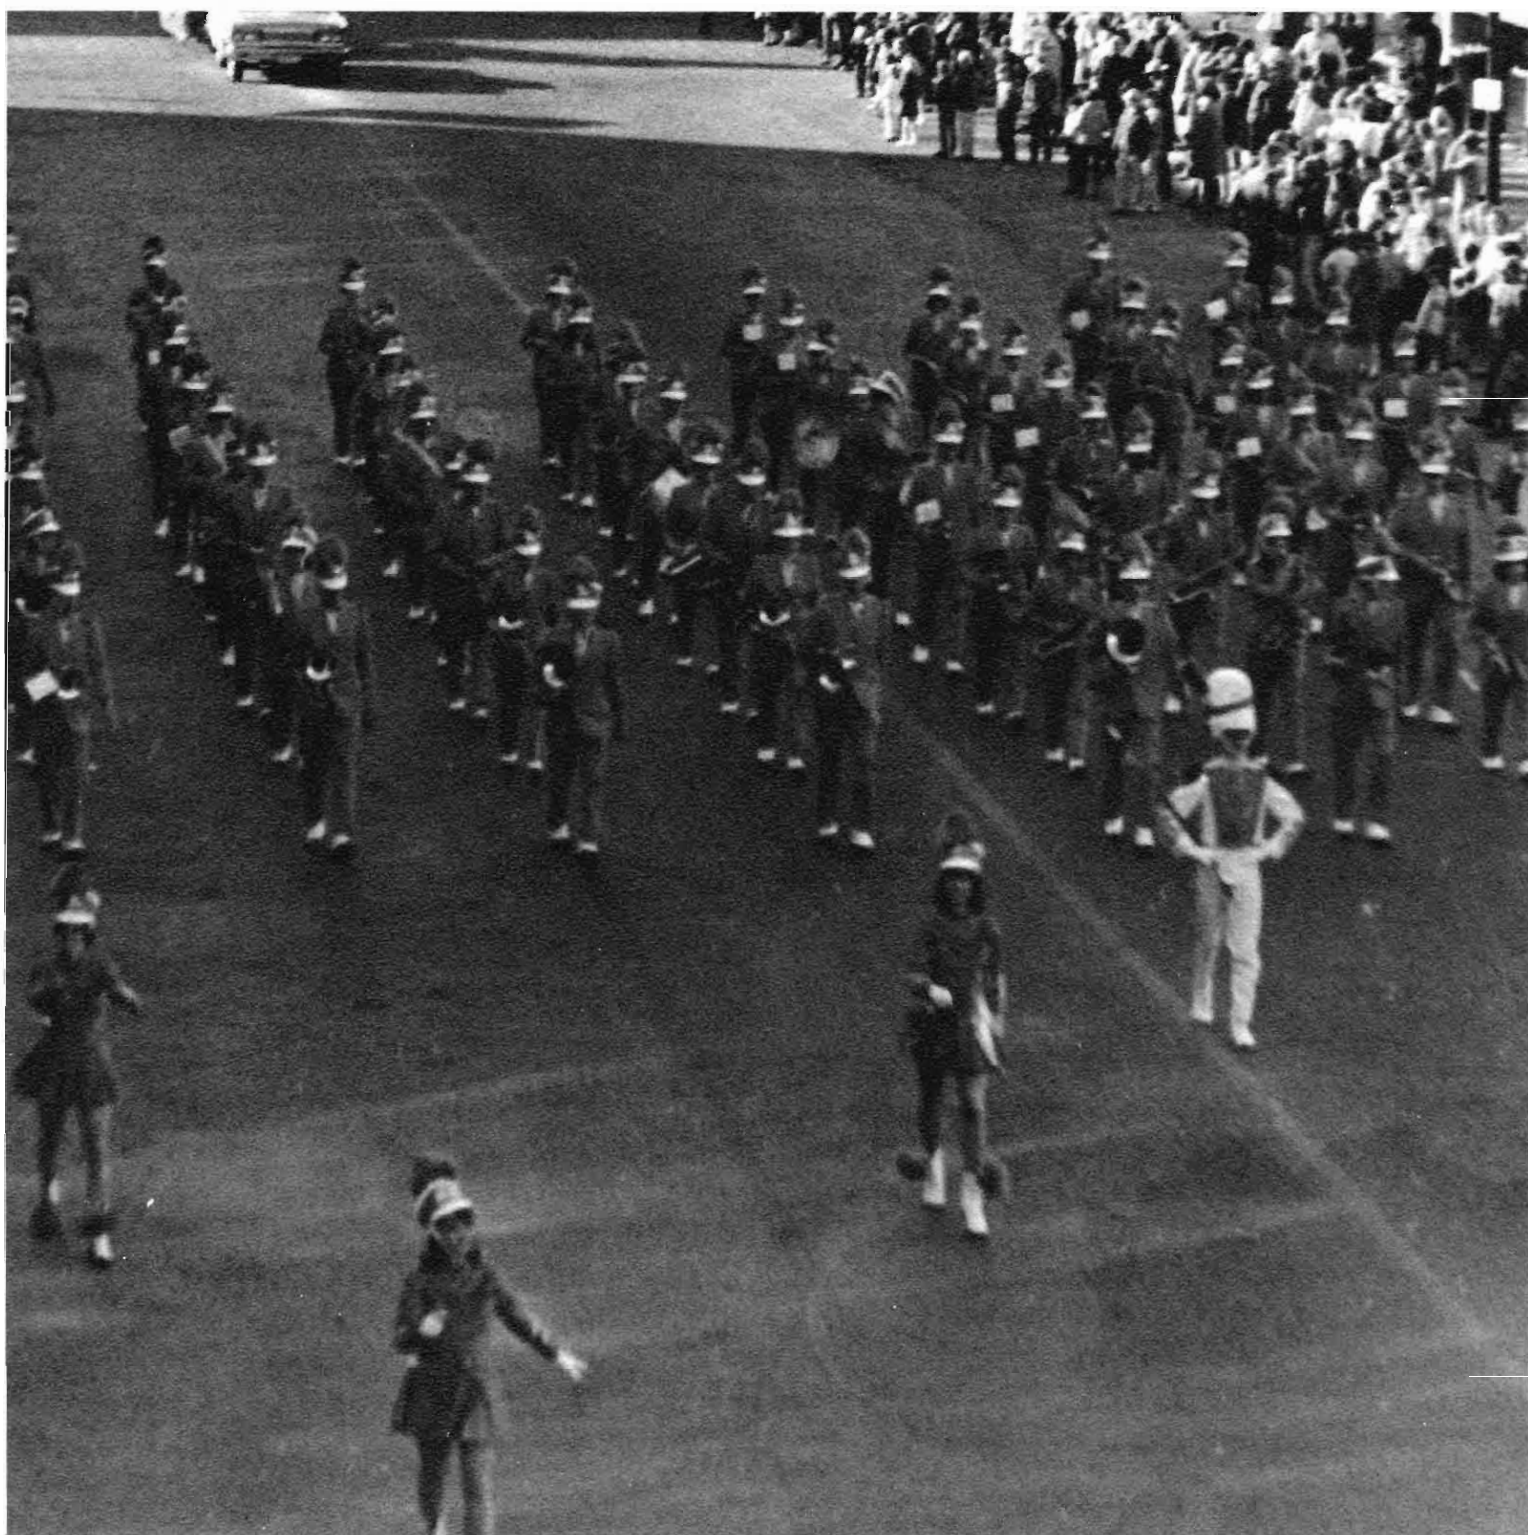

This confusion drew a full house.

Fifty bands massed together for the half-time show.

Fifteen floats, seven high school bands, college and Kearney dignitaries rode in KSC's Homecoming parade.

## HOMECOMING

"That was the Year that Was" was the theme for this year's Homecoming array of floats and displays. The parade featured the Wagoneers, bands, floats and the Homecoming Queen and her royal court. Following the parade, the KSC Antelopes clashed with Dakota Wesleyan ending in a triumphant (74-7) victory.

Busy hands are happy hands.

Peanuts, popcorn . . . Homecoming corsages.

## HOMECOMING QUEEN

Judy Tollefesen, Kearney senior, was crowned by President Milton Hassel as KSC's Homecoming Queen for 1967.

Presenting the Munich Chamber Orchestra

## FROM THE MUNICH HARPSICHORD TO THE DETROIT SOUND

Trampolines at an orchestra concert? Yes, that's how the Munich Chamber Orchestra bounced their music out to the audience. And surprisingly enough, the idea worked. "I'm amazed, commented Dr. Gerald Feese, associate professor of music, at all the tone they received from this huge building." The renowned orchestra performed March 18 in Cushing Coliseum for an audience of 400.

On March 20, the Detroit Wheels rolled on to the KSC campus to present the third concert in the SUAC Celebrity Series. The crowd of 500 came alive to a psychedelic, soul brother, hard rock, 'sock it to me baby' show. The Seven Sons, a recording group from Chicago, accompanied the Wheels. A member of the Seven Sons group remarked, "It would be great to play for a dance here sometime."

The Detroit Wheels in action!

## 'WE'RE NOT LAUGHING ENOUGH AT OURSELVES.'

Friday, April 5 saw Bennett Cerf as the guest speaker at Kearney State College. Cerf spoke before a general convocation, a faculty luncheon, and a question and answer period. Over 3,500 attended the session as Cerf spoke on such topics as censorship, television, the Viet Nam war, and the assassination of Dr. Martin Luther King. Cerf, nationally known publisher, columnist, author, humorist, TV panelist, and founder of Random House, told the audience, "We're living in a time of perpetual crisis, and we must learn to live in the world, a world where more is happening to us within a week than happened to our parents in a lifetime." Cerf disclosed his formula for happiness, work hard to please yourself, think big, and have a dream.

Cerf takes time out for autographs.

Students have a chance for individual questions at a seminar in the Mary L. Morse lecture hall.

## STUDENT UNION

KSC takes pride in its Memorial Union, an outlet from monotony of study, as students gather here for relaxation and fun.

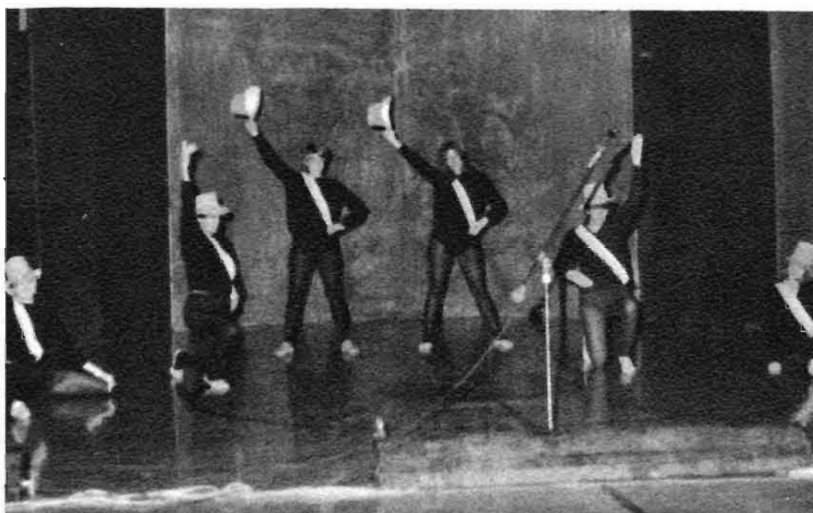

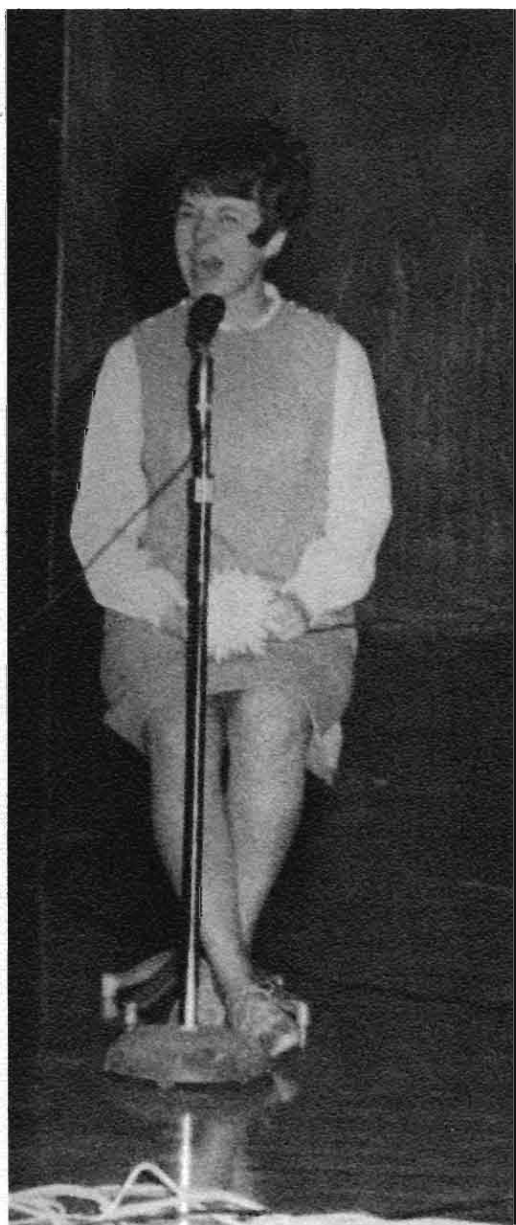

## K-SHOW

MC's steal the show.

The Alpha Phi pledge class gives a glowing performance for first place in the group division.

Susan Nelson won first place in the individual division.

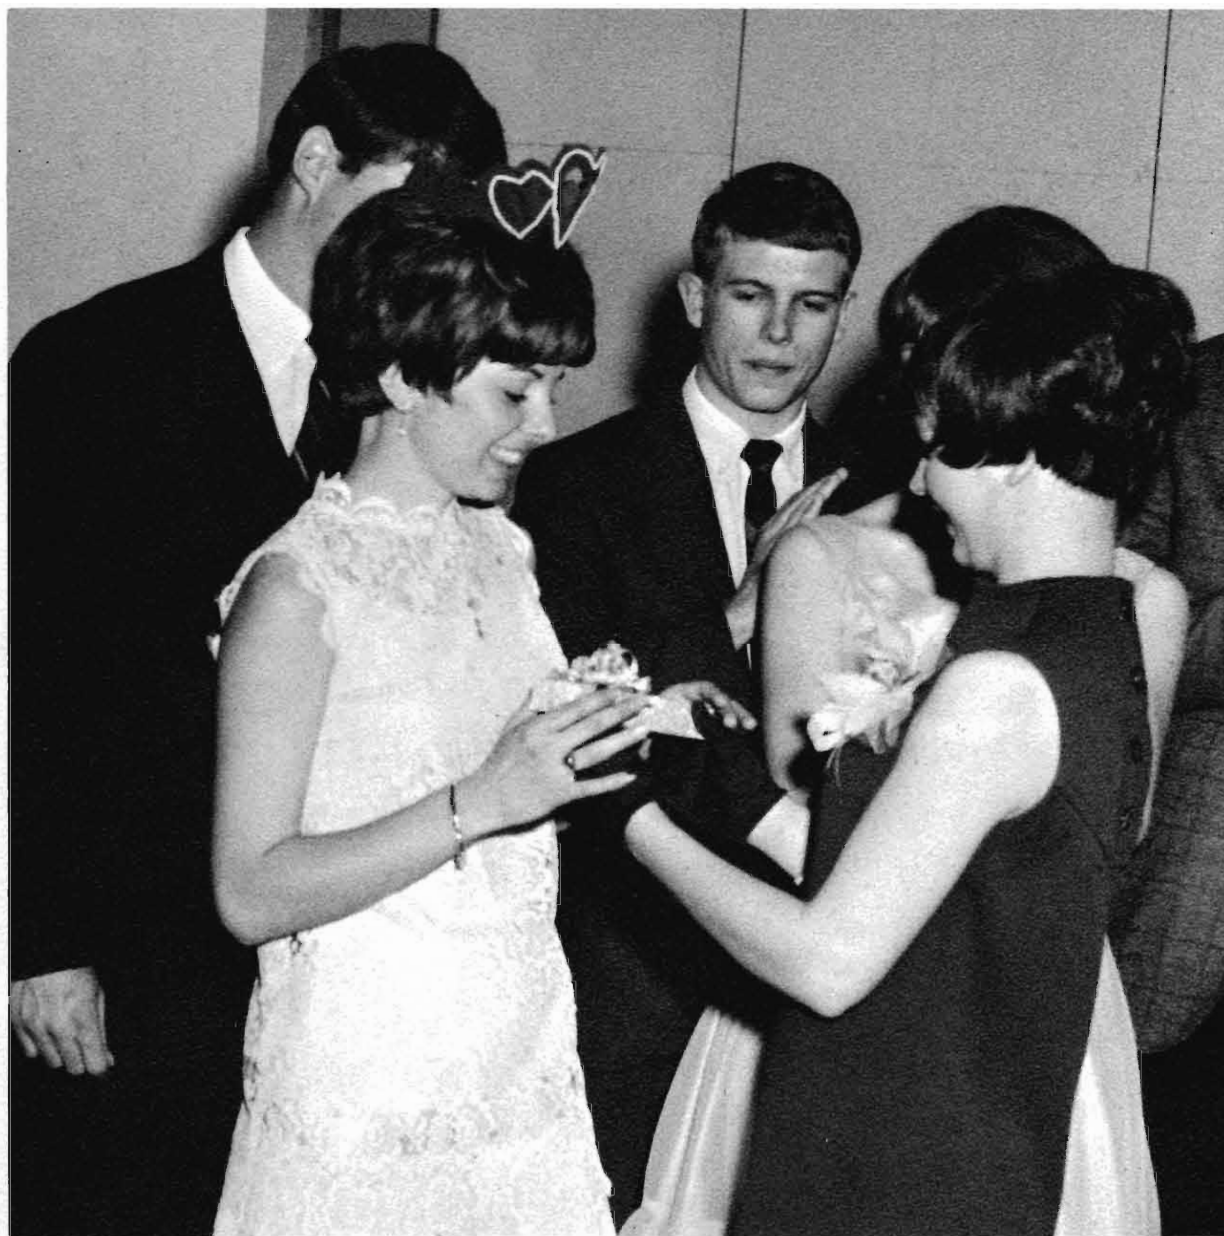

Grand Prize went to the Group Downstairs, members are Lyle Grabenstein and Don Koller.

## GOVERNOR NORBERT T. TIEMANN

"You've got a great institution here and if I have anything to say about it, it will be even greater."

Governor Norbert Tiemann  
Kearney Town Hall Meeting  
January 13, 1968

## GOVERNING BOARD

**Seated:** James Knapp, Kearney; Dr. F. J. Brown, Genoa; Dr. Gordon Shupe, Wayne; Bernard Spencer, Nebraska City; James Lane, Ogallala. **Standing:** Dr. Freeman Decker, coordinator of state colleges; Henry Freed, Chadron; E. Albin Larson; secretary to the board.

"The basic justification for the freedom of instruction arises from the needs of students. It is the student's right to learn the complete truth about the subject that he studies and his right to unhampered thinking about the problems that arise in such study that calls for and justifies the freedom of the teacher. This freedom should never be denied to the student. It can exist only where a corresponding liberty of instruction is guaranteed to instructors."

## PRESIDENT MILTON J. HASSEL

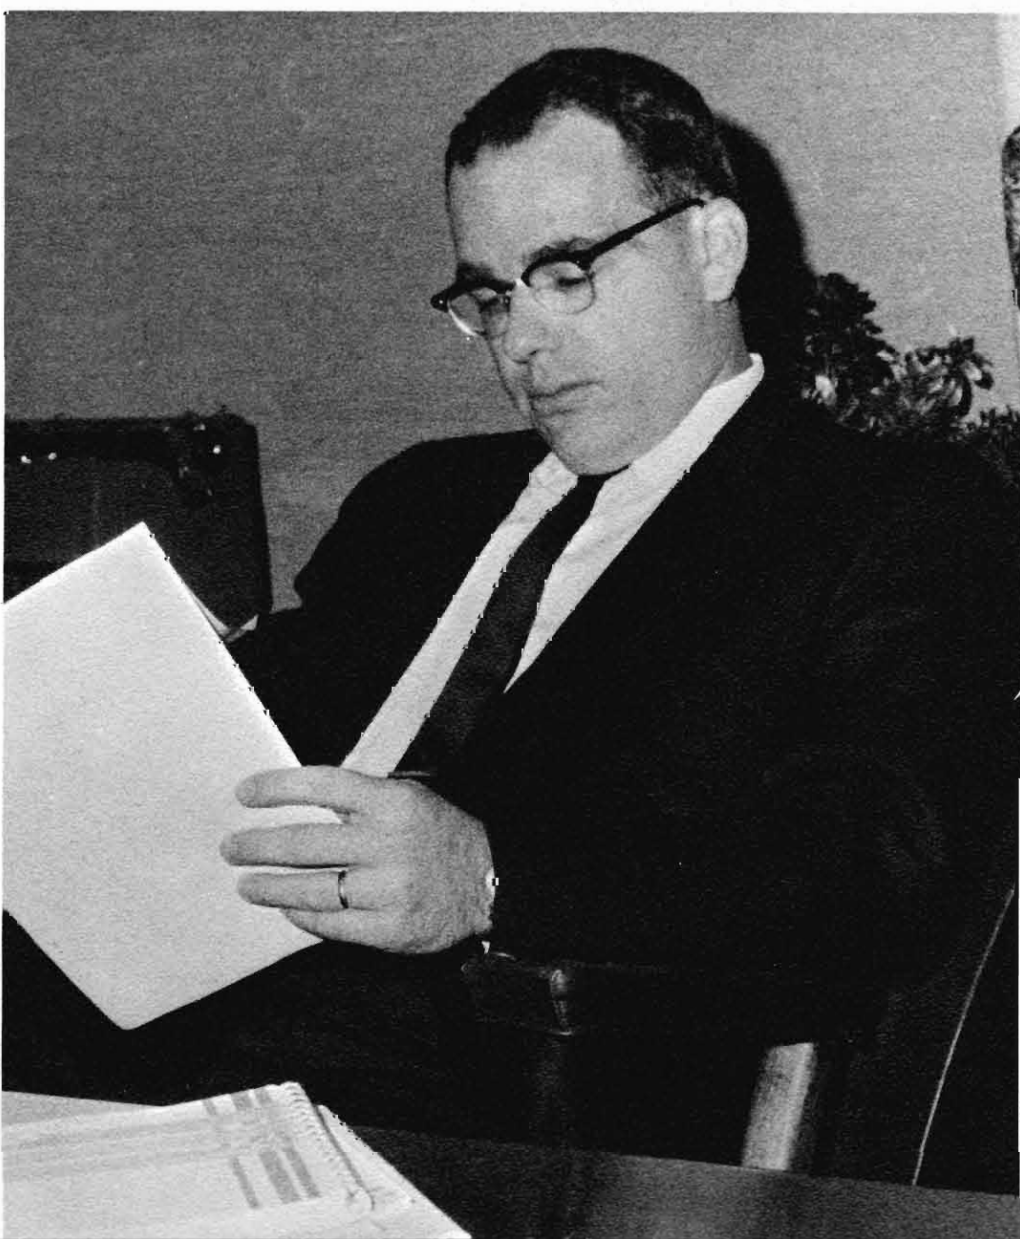

President Hassel, now in his sixth year of service to the college, graduated from Kearney State college with a B.S. Degree and received his M.A. and Ph.D. at the University of Nebraska. The president is continually striving for higher standards in all education; his interest in the individual welfare of K.S.C. students promotes the progressive growth of the college.

# GREEKS

Nose to nose: toothpick to toothpick.  
The beginning and end on Friday night.

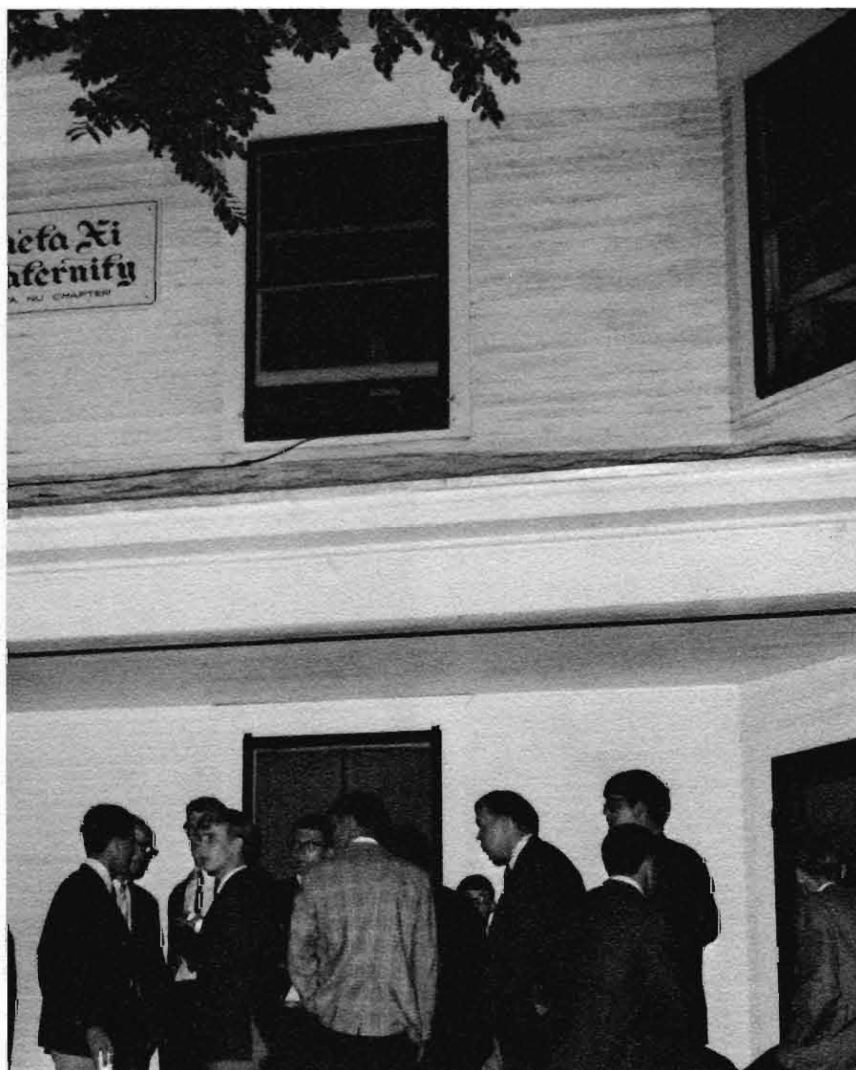

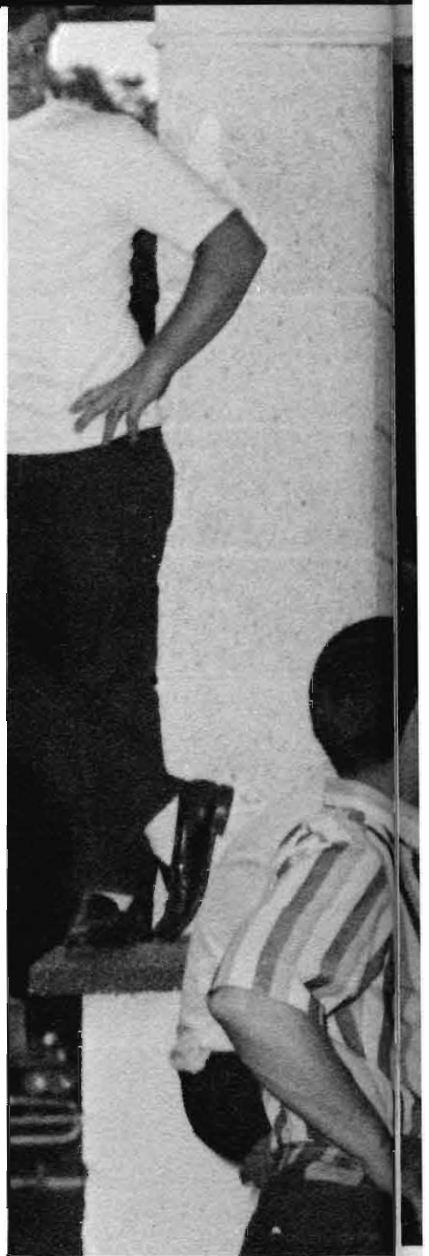

Joe! "The life of the party."

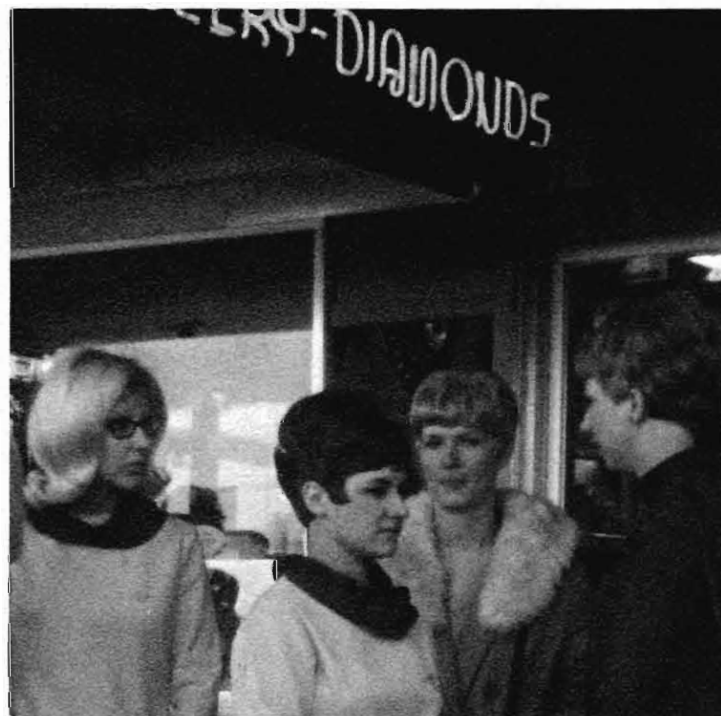

you are the organizers,  
the seekers,  
the finders,  
the supporters of all  
that is good,  
your hours are spent  
endlessly,  
as you selflessly  
give all there is . . . . .

"Hot boxing" Theta Xi style.

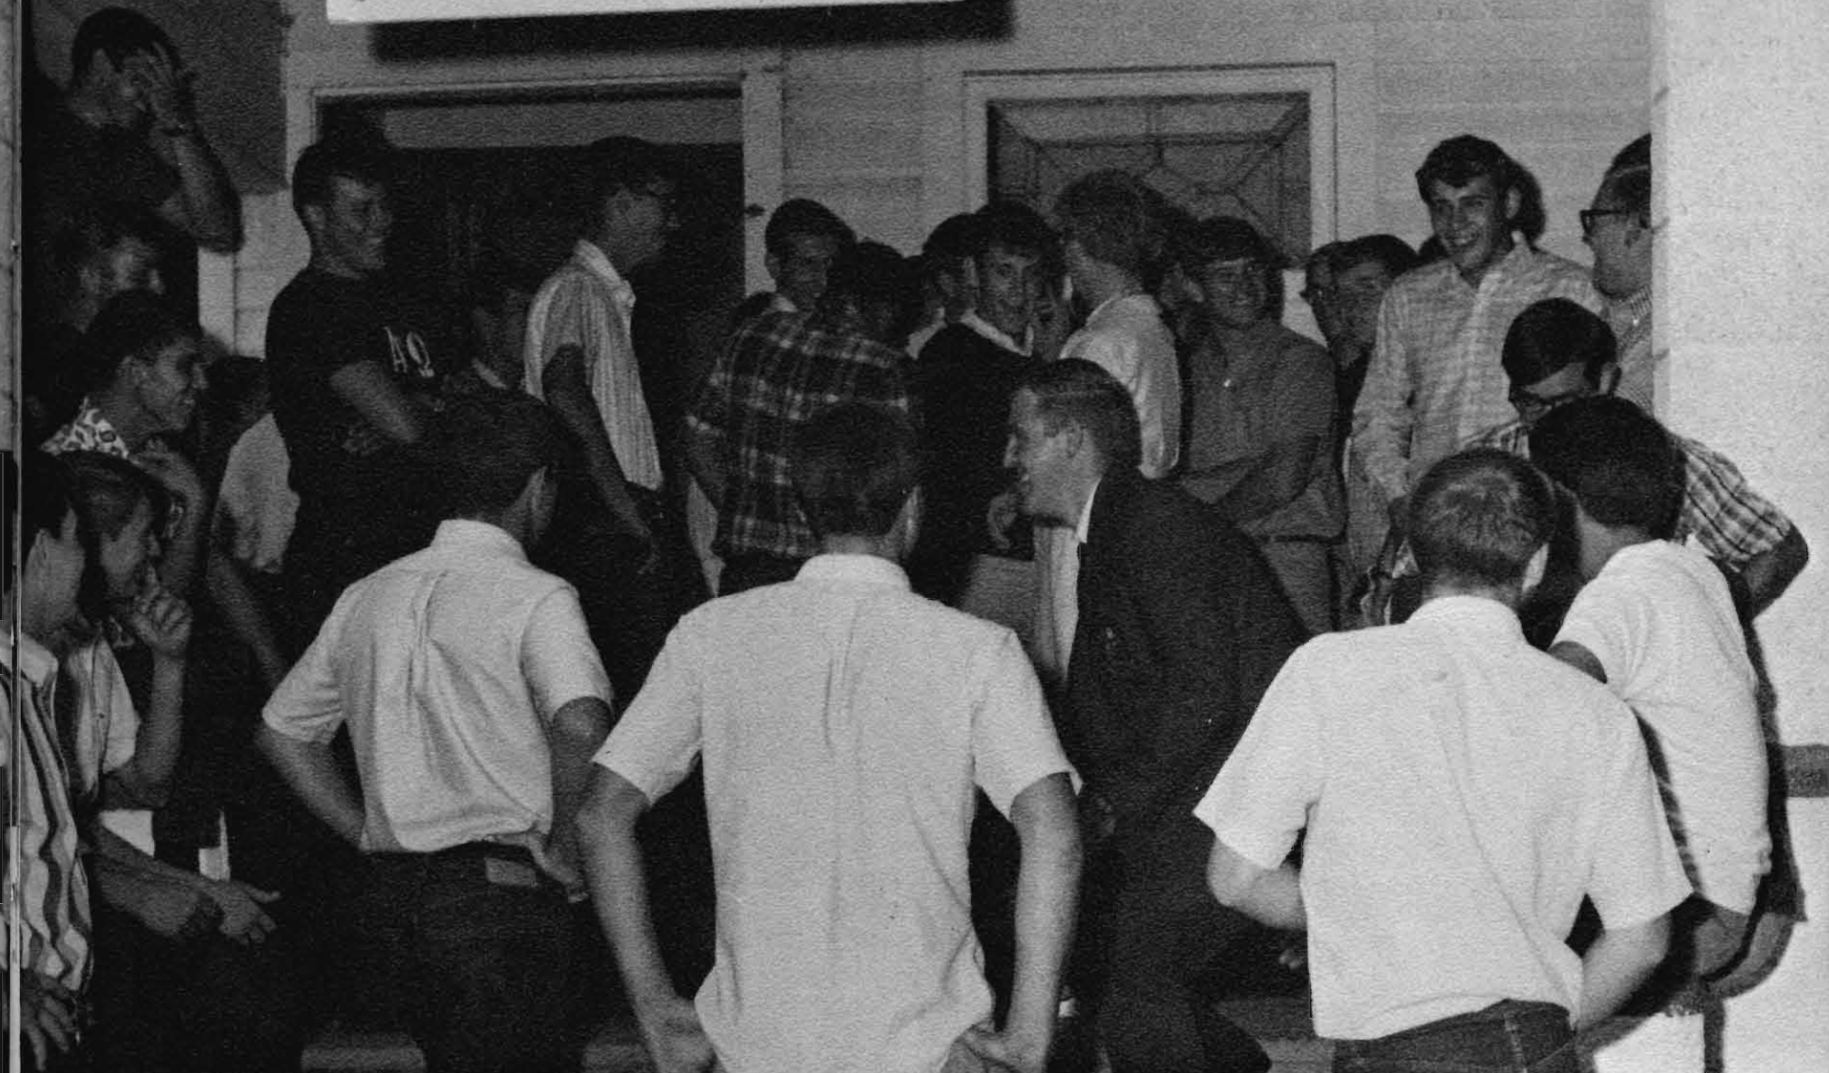

Lots of effort with little credit.  
Diamond, diamond. Who gets the diamond?

# WELCOME

A friendly ATO welcome.  
Who do I make this out to?

. . . . to those  
who would accept  
all that could be taken.  
your environment is  
your life,  
you eat,  
sleep  
and work  
to the unending  
benefit  
of the community,  
and the brotherhood.  
your reward  
is your  
self satisfaction.

## PANHELLENIC

Panhellenic is the coordinating, regulating, and governing body for all the women's sororities on campus. Panhellenic's purpose is to promote the highest ideals of Greek life with emphasis on good scholarship and service to the college community.

Activities include: annual assistance to the bloodmobile, all Greek dance, and an annual Panhellenic Scholarship banquet which is held in March.

Keeping in step. . . The Interfraternity Council at Kearney State this year, has primarily been concerned with "keeping abreast of the times." According to Steve Lancaster, IFC president, a social revolution of change is quickly developing in the minds of young Americans. "To meet and survive this revolution," Lancaster said, "membership and increased qualifications for membership into the Greek system is a necessity." Lancaster concluded that although this change seems inevitable, the Greeks at KSC are ready to meet the challenge. For the past year, the Interfraternity Council at KSC has been concerned with chapter expansion, central fraternity housing, and the establishment of an Interfraternity Alumni Council.

IFC — Left to Right, Row One: Dean Mike Hutcheon, sponsor; Pete Kotsiopulos, Pat Wenzl, Steve Lancaster, Jerry Rockwell, Bob Young, Don Doyle. Row Two: Larry Arganbright, Wayne Quincy, Tom Paxson, Lyle Burns, Tom Miles, Stan Talcott, Bill Andersen, Brad Kernick, Doug Johnson, Jerry Cronk, Dan Costello, Craig Erickson, Dave Backes.

Alpha Phi have participated in a variety of organizations and activities at KSC. They held a variety of offices in AWS, Silver Circle, Wagoneers and in Student Council. Annual service projects included help with the Heart Fund Campaign and Christmas donations for needy families. Nancy Feaster was crowned "Best to Wear Bordeaux" at the annual winter formal, the Burgandy Ball. An informal dance is held each spring. An Alpha Phi was selected to be KSC Homecoming Queen. This is the third year in a row for a member of this group to be so honored. Other social events included a Parent's Day, Mother's Club Buffet, Homecoming Brunch and monthly pledge-active parties.

Alpha Xi's use informal parties to meet prospective pledges.

## ALPHA XI DELTA

The Gamma Phis' year was highlighted by their Ranch Dance in the fall and their formal, the Crescent Ball, in the spring. They also celebrated Founder's Day, serenaded the fraternities on Halloween, and held a family picnic. In the area of philanthropy, the group aided children's camps in Colorado and Canada, took Maybaskets to Kearney rest homes, helped with the Cancer Drive, and donated Christmas gifts to a Nebraska children's home. The Gamma Phi Homecoming float won first place in the sorority division with the theme, "We Can-Can Wesleyan."

Informal rushing provides Phi Sigma Phi members with a chance to show the purposes and causes of their sorority.

On November 9, 1967, fourteen charter members of Kearney's newest Greek organization was officially recognized. Phi Sigma Phi grew out of two separate groups. Both groups combined and after many detailed organizational meetings the name, colors, symbols, and constitution was approved by its fourteen members. At present, national affiliation is the main goal of the Phi Sigs with the hope of completing this goal by next fall. Currently money-making projects and informal rushing are underway.
