## FOOTBALL

The Blue and Gold final statistics revealed some fantastic findings after the Antelope's perfect season. In the scoring race, pro draftee Lee Jacobsen garnered 73 with five TDs, 40 extra points and one field goal. Rich Osentowski had six touchdowns for 66 points. Lannie Shelmadine had nine TD's along with Dave Aspegren to share third place with 54 points. The Antelope's had a total of 202 first downs compared to 116 first downs for the opposition for a 22.4 average per game. In the rushing department the Antelopes had a net gain of 2,812 yards and a 958 net gain in passing for a total 3,770 yards. This gave the Antelopes an average of 418 yards per game. Rich Osentowski lead in the individual rushing column with 650 net yards in 117 carries for an average of 5.6 yards per carry. Dave Aspegren netted 551 yards in 104 carries for a 5.6 yard average to gain second place.

As the season began, the KSC gridders pleased the crowd with a victory over the Eastern Montana Yellow-jackets with an impressive 34-14 victory. On September 16, the Antelopes buried a hopeful Washburn club, 55-6. More than 1,000 Kearney State fans witnessed 48 Antelope gridders beat the Fort Hays Tigers of Hays, Kansas 27-7. Besides being unbeaten this season, the Antelopes broke the winning streak that Hays had going the last three games with KSC.

The Antelopes continued their victorious string by downing Peru 42-0 in a KSC roustabout. A capacity crowd of 3,660 at Memorial Stadium in Wayne saw the Antelopes get their revenge by rolling over the Wildcats 35-14 on October 7. The Antelopes produced touchdown explosions twice in the second and fourth quarters on their way to taking the Nebraska College Conference NCC showdown game. The victory set the Antelopes up with a 2-0 conference record in their quest for the NCC championship. The amazing Antelopes, enroute to their 74-7 wallop of Dakota Wesleyan used passes, runs, and fumbles to score. Not only did the Antelopes capitalize on Tiger fumbles but the Antelopes capitalized on their own. This was an example of what approximately 6,750 fans witnessed Saturday afternoon as the Antelopes out-played the Dakota Wesleyan Tigers in the 1967 homecoming attraction at Foster Field. The ball kept rolling for the "Zikmund men" as they demolished Chadron 49-0.

Four interceptions grabbed by Robert Rasmussen, Ron Laux and Jim Zikmund, two of which went for touchdowns, crushed the Hastings Broncos 48-0 before a Parent's night crowd of 3,600, October 28. This victory gave the Antelopes the Nebraska College Conference Championship. This was the ninth championship for coach Al Zikmund.

Lee Jacobsen's 12 point spurge and hard-hitting defensive play spurred the Antelopes on to outplay the Northern Wolves in every way in Aberdeen, S.D. November 11 and tamed the unbeaten Wolves 24-14. Pressing hard against a 30-40 mile wind and being faced with 100 yards of penalties, the Antelopes being victorious, awaited a possible call to the NAIA playoff. It never came.

## CROSS COUNTRY

Although winning no meets this season, Kearney State captured third place in the Nebraska College Conference Cross Country Championship. Scoring high in meets this year were the fifteen lettermen. These included six experienced runners who placed seventeenth of the thirty-two teams competing in the National Conference in November of 1967. The team was coached by Charlie Foster and led through its ten meets by captain Vincent Zavala.

All you have to do is watch out for the trees.

Boosting Kearney's season were Bill Young, Rich Molezak, Vincent Zavala, Dan Flores, Eldon Stokebrand, and Gary Draupal.

The Antelopes join the charge with high hopes.

Are we the only two left?

## BASKETBALL

Although suffering a 5-15 season, the youthful 1967-68 KSC cagers hold promise for the future. The team boasts three returning freshman, and graduation will capture only three seniors. Future optimism also rests on the 10-1 season of the Junior Varsity. Important varsity victories were over Fort Hays, Hastings, and Chadron, which are three of FSC's biggest rivals. Their victory over Chadron was the first one in fourteen games. The team captured second place in the Wayne State Holiday Basketball Tournament Dec. 29-30. Steve Fisher was chosen for the All-Tournament Team. Lead scorers for the season were Bob Sixel and Dan Wilken. Outstanding rebounders were Dan Wilken and Barry Sandstrom. Rod Karsten compiled an impressive 83 per cent record at the free throw line. Kirk Koehler, freshman forward, received the "Hatchet" award as the Antelope hustler. Bob Sixel was honored by his teammates by being voted honorary captain of the year.

## WRESTLING

Although not a completely victorious season, Coach Bob Hauver's young grappler team showed much potential in struggling through a disappointing 5-9 season. With seven of the team being sophomores and the remaining being freshman, Hauver, credited the season to tough competition and three defeats by Chadron early in the season. Coach Hauver pointed out highlights for the past season being the teams first victory over a previous tough Northern (S.D.) squad, and the contributions of Leonard Perez and Dwayne Krugman. Perez, wrestling in the 137-145 lb. class compiled a 6-1-1 record over this season while Krugman in the 115 lb. class was a NCAA College Champion with a 10-3 record. "We had a bad start due to the long football season and we were really not completely ready for the quadrangular in December," Hauver said. "The brand and type of wrestling these boys performed does not prove itself by their record," he concluded.

## SWIMMING

Plagued by player ineligibility, KSC swim coach Demitri Gerou, completed a "good as could be expected" season compiling six wins to only three defeats. Starting with 15 members at the start of the season, the team was cut to ten when five were eliminated due to ineligibility. Coach Gerou admitted this as the prime problem he faced in his first year at KSC. "It is impossible to win completely when you are lacking the men to participate," added Gerou. "This year's team was the smallest we have had, but the boys have worked very hard and the spirit ran high compared with the teams of the past," he concluded.

Taking 10 of 12 events, the Antelope swimmers opened the 1967-68 season with a win over Park (Mo.) College.

Rod Adams and Rick Ricker led the KSC swimming team in the diving competition.

# TRACK

Dennis (Duke) Dukeshner breaks his own record with a vault of 15' 2" and some to spare.

Kearney State's track team opened the 1968 indoor season with a third-year entry in the NAIA Indoor Meet in Kansas City. Dennis (Duke) Dukeshner, Kearney's only participant, was injured on the first pole vault and KSC won no points. The cindermen came on strong in their first dual meet with a 95-53 win over South Dakota University. Dukeshner began where he left off last year as he broke his own meet record with a leap of 14' 7" in the pole vault to better the old mark of 14' 6 1/2" set last year. Veteran runner Ron Brewer joined Duke in the record-breaking as he toured the 880 in 1:57.6, bettering the old mark of 1:58.6 set by the all-time KSC great Warren Christensen. Freshman Jon Cole got in the act also as he flashed through the 75 yard dash in 7.6 to better the old meet and Coliseum record of 7.8 set by Jim Schaefer and Wayne Smith. Coach Charlie Foster's squad showed consistency in nearly all events, taking all four places in the long jump. Other Loper winners were John Eckhout (440), Gregg Gass (100 yard low hurdles), Dave Detmer (high jump), Ron Laux (long jump), and the mile relay team of Eckhout, Brewer, Jim Jensen, and Nate Butler.

A measure before and after a vault is required for National records.

Keith Staehr exhibits a slight edge over his Air Force opponent.

In the second home meet for the cindermen, Fort Hays topped Kearney 75½-66½. The Tigers won eight of the fourteen events and it was only Loper depth that kept KSC in contention. Freshman flash Jon Cole pulled up lame in the anchor leg of the relay to cripple Kearney chances of a win. Cole and All-American Dukesherer again led the Lopers. Cole streaked through the 75 yard dash in 7.6 to match his record set against SDU. Duke continued to soar higher in the pole vault as he leaped 15' ½" to equal his all-time indoor record. KSC's two All-American football players got in the act, too, as Dave Aspegren blue-ribboned the high hurdles in 9.8 seconds and tossed the shot 50' 2" to win that event.

Kearney State shot putters took the first four places against Air Force with Lee Jacobsen winning first with a 50' 1" put.

## TRACK

Dennis Dukesherer with three wins and Jim Jensen with a record-tying romp in the 220 dash led KSC to a 113-34 triumph over the Air Force Freshmen in Kearney's third dual meet. Dukesherer broke his own all-time indoor pole vault record as he soared 15' 6" and barely failed in an attempt to clear 15' 6". "Duke" also won the 100 yd. low hurdles in 11.1 and the long jump at 22' 2".

#### RECORD

Jensen zipped to victory in the 220 in 22.7, tying the old standard. Jensen also ran a leg on the winning Loper mile relay squad. A 41-3 bulge in the field events set the pace for the Lopers as their Superior depth piled up points at a staggering pace. KSC swept all places in the shot put, high jump, and long jump.

Bill Young, Cross Country captain for 1968, placed fourth in the two mile run against Fort Hays.

Southpaw Dale Prindel fires a fastball toward home plate in an early season game. Prindel was one of KSC's top hurlers with an 8-2 record.

## BASEBALL

Highlighting the season for KSC's baseball coach, Fred Gerhardt, was his second straight college conference championship. The NCC champions entered the NAIA national tournament in Kansas City with an 18-6 record but were disappointed in losses the first two days to the New Mexico Highlanders and the Occidentals from Los Angeles, Calif. The team compiled a 6-2 conference record and won the position to compete in the South Area playoff. The two teams from Nebraska and two from Kansas, the Lopers won two straight games and the right to participate in the NAIA national tournament.

Row Three: Greg Derickson, Manager; Fred Gerhardt, Jr., Charles Benda, John Frates, John Torczon, Steve Streff, Lloyd Paine.

The 1967 Lopers, under coach Fred Gerhardt, had a fine season, winning 18 and losing 6. Kearney State was the NCC champ with a 6-2 record and represented this district in the national NAIA tourney. They were eliminated in the second round.

Tom Lawson, senior catcher, tags out the opposing team's pitcher in a collision at home plate.

Rich Peters, Loper first baseman, starts back to the dugout after the final out in the inning.

Loper right hander Art Friston has a look of determination on his face as he prepares to fire a fast ball.

Bob Nowaczyk stretches to outrace a throw in a close play at first base.

The outlook for the upcoming season looks very favorable despite the loss of some of last years key players. Not returning for the 1968 campaign are Tom Lawson, Dan Hoesley, Ron Jiede, and Rich Pieters. Coach Gerhardt, nevertheless expects the efforts of outfielder Rich Osentowski, who was selected for the All-American second team honors at the NAIA tournament last summer, to be a great asset.

Kearney State first baseman, Rich Pieters, takes the throw to end the inning in the New Mexico Highlands game.

An unidentified Antelope takes a vicious swipe at the pitch and fouls it off.

A Loper runner strains to beat the throw during the game with New Mexico Highlands.

Freshman pitcher Larry Beitel looks rather dejected following the second game of a double-header.

## GOLF

1967 NCC Champions

Returning to season play as NCC champions, the Antelope golf team opened up its 1968 season with a  $7\frac{1}{2}$  -  $7\frac{1}{2}$  tie in a dual with Hastings. The dual was led with strong rounds by squad leader Jim Tschepl and veteran Jerry Rockwell. With six meets remaining, Coach Les Livingston's linksters are preparing for the NCC Championship at Wayne and hopefully the NAIA National Championship at Bemidji, Minn.

## TENNIS

Seeking a second straight conference championship the KSC tennis team returned six lettermen. Wilber "Rocky" Ford, Steve Fisher, Dennis Duryea, Bill Andersen, Fletcher Shields and Jim Huffman provided the experience. Expected to help the netters are: Les Livingston, Mike Hamik, Terry Heltne and Steve Ims. The '68 squad started fast tripping Concordia and Fort Hays by identical 4-3 scores.

## INTRAMURALS

Over a thousand men participated in KSC's intramural program during the 1967-68 school year. Three time leaders throughout the program were the Ramblers, who won championships in swimming, bowling and in the Turkey Trot. Also making a strong showing in intramural athletics were the Phi Delt Blacks, who won the football championship and the free throw contest. The basketball title went to the K-Celts. Heading the intramural program in 1967-68 was Leland Copeland who was assisted by Kenneth Allard, a graduate assistant.

## KAPPA MU EPSILON SPONSORS MATH BOOSTER HOUR

Kearney State's honorary math society, Kappa Mu Epsilon, strives to further the interest of mathematics. Requirements for membership include a 2.75 overall average and a 3.0 average in math courses. At least one calculus course must be included. To promote mathematics in the surrounding area, KME has invited guest speakers. The group has also started a math newsletter for pupils in the public schools. Annual chapter activities include the Math Booster Hour twice a week to help students in beginning math courses at KSC, a Christmas party given by new members and a banquet in the spring. KME awards a scholarship to a worthy member and the recipient's name is engraved on a plaque which hangs in the Bruner Hall of Science.

## LUTHERANS ACTIVE ON CAMPUS

*COLLEGE LUTHERAN*, both Chapel and Student Center, is a house of worship and a center for informal student activities. Worship services are conducted, the sacraments are administered, courses in religion are taught, discussions are held, and a pastor is present for counseling. There are also facilities for recreation, lounging, studying, watching TV, etc. *GAMMA DELTA* is the International Association of Lutheran students on College and University Campuses sponsored by the Lutheran Church-Missouri Synod. The name Gamma Delta embodies the aims of the organization. Gamma signifies gnosis, Christian knowledge; Delta signifies diakonia, Christian service. Gamma Delta endeavors to encourage Christian life and action among students at Kearney State College through meetings held each Tuesday evening at 6:15 p.m.

Entertainment is another facet of being a Gamma Delta member.

The sacraments are administered by Pastor Meyer.

Gamma Delta members relax and discuss.

IRC members entertain the Boys' Training School at a Christmas party at the Christian Center.

## IRC SPONSORS TWO SOCIAL SERVICE PROJECTS

Inter-Religious Council, which is comprised of two representatives from each of the religious groups on campus, attempts to provide a channel for communication among the religious groups and to provide opportunity for some cooperative programs and activities. IRC sponsors two social service projects; one for the children of southeast Kearney and one for the Boys' Training School. Prior to the World Affairs Conference, IRC sponsored the film

"China," which was followed by a panel discussion consisting of faculty, students and a missionary who had just returned from China. On October 31, IRC sponsored a convocation by showing the film "A Time for Burning." IRC also held a weekend retreat for new members and leaders of the organizations. Officers for 1967-68 are: Donna Cash, president; Sue Hoff, Jeanne Moss, vice-presidents; Jerryl Holmes, secretary; Joyce High, Stephen Skibinski, treasurers; Dr. M. D. Sergeant, sponsor.

Inter-Varsity Christian Fellowship is an interdenominational group on campus. IVCF sponsors student retreats with other IVCF members from all over Nebraska twice a year. They also sponsor two-week summer sessions and winter ski-trips to Colorado, where the Nebraska members visit IVCF's Bear Trap Ranch. The Inter-Varsity International sponsored the 8th Urbana Missionary Convention this year. Last year 7,000 students from all over the world attended the convention, which featured such speakers as Billy Graham and John Stott. The Kearney chapter sent a delegation of nine students with other Nebraska students to Illinois during Christmas vacation.

## LSA PRESENTS QUALITY PROGRAMS

LSA is an association designed mainly for students at KSC who come from either ALC or LCA Lutheran congregations. LSA does not exist as a club, but rather as an organization which brings current issues of concern to the KSC student through the presentation of quality programs and discussion opportunities. The 1967 program included presentation of such issues as: the fall 1967 program entitled, "The New Immorality," which included discussion of such issues as birth control, abortion, pornography, and general moral problems of the day. The program scheduled for the spring semester, entitled "I in a thou world," concerns world pressures and the individual, the person, the race, the campus, and religion.

LSA members plan for their next program.

## LETTERMEN PLAN SCHOLARSHIP

All full-time lettermen in varsity sports are eligible for membership in K-Club. Members sell concessions at all college games, and part of the proceeds provide a spring banquet for the men. Each year four-year lettermen and all captains of varsity athletics are recognized at an end-of-the-year picnic. Future plans include the sale of bleacher cushions as a money-making project to make possible a scholarship for an outstanding K-Club member.

## KOVF NOW AM-FM

KOVF radio is an educational AM-FM station designed to provide training in broadcasting procedures and to provide a service to the college students and to the city of Kearney. KOVF-AM first began operation in 1956, and is a carrier-current operation broadcasting to the college only. KOVF-FM is a 10-watt educational station serving Kearney and surrounding communities with the transmitter located on the roof of Centennial Towers West. The construction of the FM station was approved by the Federal Communication Commission in 1967, and the station began operation in 1968. The station conducts daily broadcasting Monday through Friday, with studios located on the second floor of the Administration building. It is run by students interested in broadcasting and offers them practical experience. Staff membership is open to any interested students. FM radio operators are required to have third-class FCC licenses. Students with five credit hours in radio and at least a 2.0 average are eligible for Kappa Sigma Beta, broadcasting honorary.

Antelope office — summer headquarters.

What do you mean my deadline  
was yesterday?

"Of course I have your article,  
Jim . . . somewhere."

Nelta . . . It's an obscene phone call, do you want it or can I take it?

Why did I ever apply for this position???

## THE ANTELOPE: 'WE KEEP TRYING'

The first twelve-page Antelope and an editorial campaign to improve the facilities of the Administration Building auditorium highlighted the work of the staff on the 1967-68 Antelope. The year's innovations included: changing page format, headline style and type faces. The staff also tried to give better coverage to all college departments and put out an eight-page paper every week. The second semester brought a change in the publication date, from Friday to Thursday. The staff felt this would enable them to cover more campus activities and to get more reader response. Staff members include Nelta King, editor; Laurie Matya, copy editor; Beth Karsten, campus editor; Barb Burnham, organizations editor; Don Pickerell, business manager; Terry Henion, sports editor; Tim Curless, photographer; and approximately six reporters.

Dean Hutcheon talked on Student Involvement at the SUAC Awards Banquet February, 11.

## OUTSTANDING PROGRAMS CONTINUE AS SUAC EXPANDS

The Student Union Activities Council is the formulator of social activities for the KSC student body. These activities range from pool tournaments and art exhibits to the introduction of such big-name entertainment as "The Sandpipers" and "The Mitchell Trio." Annual events include the fall Sock Hop, the Christmas Candy Cane Dance, and the Valentine's Day Sweetheart Dance. Special programs included in the past year were the Sadie Hawkins Week, the Miss Legs Contest, the Faculty Children's Christmas Party, the National Best-Dressed Coed Contest, and the Spring Bridal Fair. The cheerleaders and Pep Club have now been added to the SUAC roster. SUAC members participated in the fall Nebraska Conference of College Unions held at Kearney State, and representatives were sent to the ACUI Convention in Manhattan, Kansas. A spring planning conference in March sent the officers and cabinet to Vermillion, South Dakota, to calendar events for the coming year. Stops were made at other unions to gather ideas for future programs.

## KSC FOUNDATION OFFERS EDUCATIONAL BENEFITS

Dr. Milton J. Hassel greets Mrs. Belle M. Thomas who donated \$20,000 to supplement salaries of teachers in communicative arts.

The Kearney State College Foundation was organized in 1959 as a nonprofit organization. Its purpose is to receive and administer all private funds on behalf of Kearney State College in accordance with the wishes of the donor and the needs and policies of the College. The Foundation operates under the direction of a professional Executive Vice President and a Board of Trustees. An Investment Committee provides expert management through a diversified investment program.

Dr. Philip Holmgren and two KSC coeds examine a three foot world globe that was donated by the John Quirk family of Hastings.

Recipients for foundation scholarships included Pamela Goodwin, Beverly Gustafson, Mary Turek, Geraldine Schwenninger and Linda Pierce.

## HOME ECONOMICS CLUB SPONSORS COURTESY DAY

Delegates to the AHEA Convention in Dallas were: Joyce Travnicek, Connie Powers, Gayla Golter, Gwelda Pfeil, and Lois Fouts. Connie Powers was initiated into her office as National Secretary of College Sections AHEA.

Total enrollment of the Home Economics Club this year reached 108, thus making it the largest of its type in the state. Meetings of the entire group were conducted monthly with a professional program being presented each time. A scholarship in the amount of \$100 was presented with funds acquired through rummage and bake sales. The Annual Courtesy Day held in the spring for more than 650 high school girls featured Nancy Childs who conducts a charm school in Lincoln. Kearney's chapter was responsible for designing, assembling, and displaying the NHEA's booth at the Nebraska State Fair. Through the year members were active in attending state workshops, the state convention, and the AHEA Convention held in Dallas in June.

## SLATER'S PROVIDE SPECIAL-EVENT DINNERS

ARA Services is a national service organization providing food service management for schools, colleges, hospitals, industry and recreation areas. *ARA-Slater School & College Services* manages the dining programs for more than 230 universities, colleges, and schools. Special-event dinners such as the Halloween dinner, annual Christmas Buffet, Mardi Gras festival and others, contributed to the enjoyment of the student meal program.

Students have a choice of main course, vegetable, and dessert in the food line, in addition to the salad bar.

Students work part-time to pay college expenses.

Slater's cooks have the best of modern equipment for preparing food for hundreds.

The Men's and Women's Choruses are often combined to perform large choral works. The Orchestra in rehearsal for one of the three concerts presented each year.

# WHAT DO YOU DO WHEN YOUR TUBA CLOSET HAS BEEN CONDEMNED?

The Orchestra offers training in the performances of orchestral literature.

What do you do, you move fast and that's exactly what music did when the wing of the Administration Building that houses the department was condemned. Music classes were called off, barricades were set up, pianos were moved with cranes and music instructors walked softly. Within the next two weeks the department was relocated in Conrad Hall and things were back to normal — almost. While moving the entire department was probably exciting, it was not the only accomplishment. The marching band made its first appearance in new uniforms. The Choraleers and Symphonic Wind Ensemble went on annual tours. Men's and Women's Choruses, the Chamber Singers, the College Orchestra all gave local and area concerts. The Collegiate Band doubled as a pep band for basketball games in addition to regular performance. Life is never dull — tragic maybe, but never dull.

Positions in Collegiate Band are filled by auditions although membership is not limited.

The Choraleers is the select choral group of men and women vocalists on campus.

**COMMITTEE CHAIRMEN** — Left to Right: Florence Webb, Gwen Paulson, Roger Anderson, Bob Palmberg, Harvey Pfab.

## YOUNG REPUBLICANS HOST STATE Y.R. CONVENTION

Activity in the KSC Young Republicans Club creates an opportunity for one to acquire a thorough understanding of the difference between the two major political parties and the various political ideologies throughout the world. Y.R.'s gain valuable firsthand experience in the art of politics and the political party organization. Monthly meetings featured such speakers as Mrs. Alice Haskins, past chairman of the Buffalo County Republicans; Roger Green, an instructor at Scottsbluff Junior College; various KSC instructors; and Superintendent McCarty of the Boys' Training School. This year the members participated in various state and national events such as the National Y.R. Convention, the Dave Martin Dinner, the Nebraska Leadership Training School, the Republican \$100 plate dinner featuring Senator Everett Dirksen, the Opportunities Unlimited Program, the Midwest Leadership Training School, several state executive meetings, the Lincoln Day dinner, and Founder's Day. Other major projects included a homecoming float, the Y.R. Forum (a monthly publication of the group), and hosting the State Young Republican Convention at the Fort Kearney Hotel. Sponsors for the organization are Dr. Ann O'Quinn and Mr. William Lynn.

John S. McCarty, Superintendent of the Boy's Training School, was one of the main speakers at Y.R.'s this year.

# RESIDENCES

Case Hall

## CASE HALL

Built in 1929, Case Hall was the first dormitory constructed at Kearney State College. Mrs. Guensler's 175 freshman girls brought honors to the dorm this year when they won second place in the Homecoming dorm display contest and second place for their Christmas display on third floor.

Oh, Who cares about English 102 anyway?

Its a good thing the draft doesn't apply to women.

## LUDDEN HALL

Ludden Hall boasts the central-most location on campus. The dorm houses 160 women, primarily freshmen, with Mrs. Burgess as their housemother. An open house for everyone was held shortly before Christmas. Many of the school's art exhibits are held in the dorm's central lounge.

Ludden Hall

Just because they lifted freshman study hours that doesn't mean we don't have to study.

Martin Hall

## MARTIN HALL

The varied facilities of Martin Hall serve Kearney State College in several ways. The dorm, which houses 120 women, has a large recreation room used for meetings and parties by many groups. Visiting women dignitaries may use the guest apartment during their stay. Every year Mrs. Worth, the housemother, holds a faculty coffee at Christmas time in the large formal lounge where many other formal activities are held during the year.

Do you think he'll call tonight?

Darn, it must be eleven,  
I just got cut off!

But Mom! I thought room check was  
supposed to be tomorrow.

## CENTENNIAL TOWERS EAST

Centennial Towers East is the newest dormitory on campus and houses about 375 women, primarily freshmen. The girls, living under the watchful eye of Mrs. Mitchell, managed to live through the shortage of furniture at the first of the year to win some honors for the new dorm, such as fourth place for their homecoming display and first place for the first floor's Christmas display.

Centennial Towers East

Centennial Towers West

Anna shows a little bit of her Norwegian talent.

Time out for a smoke.

## CENTENNIAL TOWERS WEST

Constructed in 1965, Centennial Towers West was the first high-rise dormitory at Kearney State College. Mrs. Thompson and her assistant, Miss Pfeil, are house-mothers for approximately 370 upperclass women. This year an annual Homecoming open house for parents was initiated. At Christmas, the girls gave up gifts among themselves in order to send gifts to the children at the Nebraska Home for Children in Omaha.

Conrad Hall

## CONRAD HALL

Conrad Hall has the distinction of being a women's dorm housing approximately 90 men. This is Conrad's first year as a men's dormitory and will soon gain another distinction as two floors are being converted for use by the music department. Several of Miss Webb's charges moved out at the semester break, but now even more will have to move to make room for the remodeling.

Enough bookin'. Off to the T.V. room.

Students pause to look at the world's everchanging problems.

Mom Webb in a frequent meeting with the Conrad counselors.

Mantor Hall

## MANTOR HALL

Mantor Hall is the largest men's dormitory housing around 375 men. The housemothers, Mrs. Martin and Mrs. Virgin, experience much activity in all areas. The boys held their own Christmas party, awarding a trophy to first floor east for the best display. The boys participated in two dances, one with Centennial East and one with Centennial West, besides creating their own entertainment when things get too dull.

Are you SURE these are all the messages?

Studying crib notes.

## MEN'S HALL

Men's Hall has the distinction of being the oldest men's dorm on campus, and currently provides housing for 153 men.

House mother for the men is Mrs. Sena Lang, who first came to KSC in 1955.

Winning first place in this year's Homecoming display contest, the residents of Men's Hall traditionally place first, second, or third in this activity. The basement of the residence has a long and varied history of use, being at some time a bookstore, a cafeteria, the Art Department, and the dark-room for the Blue & Gold.

Men's Hall

... While I ponder weak and weary.

On the verge of going set.

Stout Hall

## STOUT HALL

Although he has never seen the residence that bears his name, interest in Kearney State College has never waned in the mind of H. D. Stout who is currently residing in Lincoln. Dr. Stout served on the KSC faculty from 1928 to 1953. In an effort to bring the residence to him, color pictures and individual letters from the men residing at the hall have been sent to Dr. Stout.

Stout Hall was built in 1957 and currently houses 94 men. Mrs. Irma Casey, house mother, is serving her first year.

The residence features an annual Christmas party, and holds pitch and ping pong tournaments.

A Stout Hall resident presents himself for final inspection.

## RANDALL HALL

Randall Hall

This residence houses one hundred ninety men, and features an annual Christmas dinner for the residents, with entertainment provided either by the men or by the Boys' Training School.

The housemother, Mrs. Opal Triplett, is credited with starting and maintaining the hall's private library, which contains magazines, encyclopedias, and atlases.

Annual ping pong and monopoly tournaments are held and trophies are awarded to the winners.

Randall relaxation

## APARTMENTS

Dirty apartment, same old books,  
Tired of roommate's ugly looks.  
Takes my beer and it snores,  
Never bothers to shut the doors.  
Girls go home, just at one,  
Many parties, lots of fun.  
Debate on Key System, bothers not,  
Damned old furnace, just too hot.  
Greasy food, just the same,  
Guess it's really, same old game.

As one apartment resident has not  
yet realized, maid service is not usually  
furnished by landlords.

Mandatory study hours starting with a bid of two spades.

One last look at the directions before  
the chicken pot pie reaches the oven.

Helpful consultation given from one roommate to another.  
(Even if they're reading the book upside down.)

## BLUE & GOLD

Being a part . . . a description through prose and pictures and faculty — students, faculty, and administration . . . the story of students involved in activities, in studies, in college experience . . . a study of one year of living at Kearney State College. This is the job of the 1968 *Blue & Gold*. To produce an accurate and descriptive account of the year's events takes more than a catchy photograph or a clever copy blurb. It requires interest, a participation, dedication, and still more — commitment to that college year.

For the staff of the 1968 *Blue & Gold*, deadlines came and were almost met; pictures were taken and copy collected as in any yearbook production. As always, there were problems, late nights, jokes and laughter, cigarettes, cokes and frustrations. But to the staff it was a little different because, this year . . . they were a part.
