## Sociology Club completes second year at KSC

The Sociology Club originated two years ago. The organization develops social awareness for job placement, and for project orientation.

This club met monthly and all

members were undergraduate majors or minors in sociology which have completed one semester of school, with at least six hours of sociology and are in good academic standing.

The main objective of the club was to set up a catalogue of opportunities for students with a sociology degree.

Kathy Stradley, treasurer of the Sociology Club, gives the financial report to the officers.

## New arena built By Rodeo Club

The Rodeo Club worked this year to construct their own arena south of Kearney. The arena, which will be used as a practice ground for the members, was the scene of the club's Jackpot Rodeo held in November. The rodeo was open to anyone.

In addition to the Jackpot Rodeo, the club also sponsored the annual KSC Rodeo, and traveled to other schools to compete in their rodeos.

Teri Dailey reigned as KSC Rodeo Queen for the 1969-70 season. The queen candidates represented the dorms and sororities and the winner was selected on her horsemanship.

The club welcomed new members with a party in October. Other activities included a turkey fry and an annual Christmas party.

## Pershing Rifles Raffle shotguns

Pershing Rifles was a newly organized club on campus this year. It was established in coordination with the new ROTC program.

Activities of the group included sponsoring a chili feed and shotgun raffle to raise \$1000 for new books for the library. The members initiated a drive to increase school spirit by encouraging better attendance at school sports events.

They also served as the color guard for the football games and the Veterans Memorial Service. The club zeroed-in the rifles for the area deer hunters so that their ranges would be correct. Besides conducting six weekend field training exercises, they traveled to Champaign, for a drill meet.

## Veterans Club completes first year at Kearney

In recognition of the KSC Vets Club, Commander Beauford Wells of the local V.F.W. presents president Bill Kay with a flag.

Three KSC students, Bill Kay, Jerry Reimers, Mike Nelson, and a faculty member, W. C. Stotts, organized the Student Veterans Organization in the fall of 1969.

On Dec. 4, 1969, at an organizing meeting, it was decided to join the National Association of Collegiate Veterans and to adopt a constitution.

Activities of the new club included providing a taxi service for student elections, collecting money for the Kearney Heart Fund drive, writing a monthly campus Veterans newsletter, assisting with the community flag sales and showing slide programs to schools and the community.

Members also participated in a community wide distribution of pamphlets on poison antidotes. In April, delegates attended the national convention that was held in Lincoln.

## Six denominations share center

The Christian Center is a fellowship made up of six denominations. They include the Christian Church, the Catholic Church, the Episcopal Church, the United Methodist Church, The United Church of Christ and the United Presbyterian Church.

These six denominations are divided into three student groups making up the Canterbury Fellow-

ship, the Newman Apostolate and the Chi Rhos.

These groups and the united group meet periodically in discussion groups to talk over books and current topics.

Students from the Christian Center also donate time to the Southeast Kearney Project by working with the underprivileged children in the city.

## Guest speakers Aid fellowship

The Roger Williams Fellowship activities this year included picnics, skits, Bible studies and a Halloween party. Their meetings were highlighted by guest speakers and a film entitled "The Bobby Richardson Story."

The purpose of the fellowship is to carry out Christ's will by sharing and helping others, to observe the ordinances of Christ, to seek to give those attending college inspiration and to build up others in every spiritual grace.

Anyone who has a desire to join and partake in Christian fellowship is welcome to become a member of Roger Williams Fellowship.

The members of the Roger Williams Fellowship attempt to feed each other ice cream blindfolded at their Halloween party.

## Chapel built By Lutherans

Construction began this year on a new chapel and student center by the Campus Lutheran to be completed this summer. Campus Lutheran is composed of three Lutheran Synods, the Lutheran Church-Missouri Synod, the American Lutheran Church and the Lutheran Church in America.

Lutheran students operated Macavity's Flame, the coffee house, providing a place for students and organizations to meet, for coffee house programs, and for Sunday evening suppers.

Activities, along with worship, included Gamma Delta discussion groups about items of concern to students and sponsoring a choir.

## *Focus on* Greeks

You look across the room filled with friendly jests and laughter and your eyes meet. You know you don't have to like him but you feel a common bond, you're both greek. The ties that bind you cannot be explained to one on the outside. They see you fighting for all

you're worth for that certain pledge during rush and, at games, excluding everyone but your own immediate group. What a shame they can't feel the silent brotherhood between you. But maybe that's why you're greek and they're not.

## Greeks prosper In 1969-70 year

KSC's Greek System continued to grow and prosper in the 1969-70 school year. Greeks were actively involved in campus organizations and took many honors.

The Beta Sigma Psi fraternity moved into a brand new house in September. The Chi Omega sorority acquired a house which has been converted into a lodge for their use. A Junior Panhellenic Council was organized for the first time this year to unify the pledge classes.

Tau Rho local fraternity affiliated with Alpha Kappa Lambda, a national. Theta Xis organized their "Little Sisters" to help with various fraternity functions.

The number of Greek organizations remained at thirteen when a national sorority went off campus and a national fraternity came on.

## Fraternity unity Purpose of IFC

Inter-Fraternity Council, made up of three members of each of KSC's nine fraternities, works to help unify the Greek system.

This year, IFC co-sponsored, with Panhellenic Council, the first Greek weekend on KSC's campus. It also set up rules for all fraternity rushing. Another project for the 1969-70 school year was the revision of their outdated constitution.

To further scholarship among fraternities, IFC provides a \$50 award for a deserving student as well as the Junker Memorial Scholarship. The group also sponsors the scholastic trophy given to the fraternity with the highest average.

On December 3, Russell Williams and John Hanna attended the National Inter-Fraternity Council Conference which was held in Chicago.

## Rush organized By Panhellenic

Panhellenic Council, the governing body of all women's sororities on the campus organized fall and spring rush.

A Junior Panhellenic was established, composed of two pledges from every sorority. Their purpose was to strengthen greek unity at the pledge level.

In October, President Peg Austin and Dean of Women Ruth Sisler attended the National Panhellenic Conference in Miami. It was the first time KSC Panhellenic had been invited to the conference.

Also in October was Greek Day which included a picnic, greek games and a dance. Panhellenic and IFC planned this event and it was the first of its kind for KSC greeks. Proceeds from Greek Day were given to the Eugene Mullen family.

Junior Panhellenic planned the rush booklet and a fashion show which was put on by greek men.

## Alpha Omicron Pi largest sorority on campus

The AOPI's display their spirit at a Kearney basketball game.

After their first formal rush as a new collegiate chapter this year, Alpha Omicron Pi became the largest social sorority on campus.

The sorority took part in a number of philanthropic projects. They supported the National Arthritis Foundation and sponsored a Korean child with letters, gifts, and donations.

Among the community service projects was collecting for Honey Sunday.

Major events of the year included Parent's Day, a Homecoming Brunch, the annual Rose Formal and the Half-It theme party.

AOPi girl of the year was Janelle Fredrickson.

## Phi's Jo Blakeslee named Homecoming Queen

The crowning of Jolene Blakeslee as 1969 KSC homecoming queen highlighted the year for the Alpha Phis. Also in the royalty spotlight was Debra Duncan, Miss Sig Ep Olympics.

Service projects undertaken by the Phis this year were the blood-

mobile, Christmas donations for needy families and their philanthropy project, the Heart Fund Drive.

A committee was set up to look into the purchase of a house for next year. This group is working with a committee of alumni.

The social highlight of the year was the Burgundy Ball where Carol Owens was crowned "Best to Wear Bordeaux." Other activities of the year included the Parents' Day Picnic and the surprise Pledge Halloween party for the active members.

## Chi Omegas first KSC sorority to purchase lodge

Chi Omega became the first sorority on campus to own a lodge with the purchase of a house this fall. The lodge is used for meetings, teas and functions. It is located at 703 West 26th.

Queens elected this year in campus activities include Kay Puttergill as Candy Cane Queen, Ann O'Donnell as Daisy Mac and Lin-

da Mertz as Greek Princess.

Iota Zeta chapter had an active part in the establishment of the fifth Chi O chapter in Nebraska at Wayne State College in November.

Among numerous service projects were the collection for Honey Sunday, the Bunny Hop for Easter Seals and a Foreign

Students Tea.

Peg Austin was named Chi Omega Queen at the Cotillion in January. The climax of the social season came at the Cotton Ball held in the spring.

The Chi O's celebrated the 75th anniversary of the founding of Chi Omega and held their annual Parents' Day on April 5.

The front lawn of the lodge is the scene of a candle passing for the Chi Omegas.

## Gamma Phi Betas win greek games, olympics

Gamma Phi Betas were victorious this year when their pledges won the Sig Ep Olympics and the whole sorority joined forces to win the Greek Games.

Leading KSC's cheers were four Gamma Phis and Anne Banks as head cheerleader. Seven sorority

members were Wagoneers including Wagoneer captain Dee Sedlak.

Social functions of the year included the Ranch Dance, the Crescent Ball at which Becky Frazier was crowned Gamma Phi queen, Parent's Day Picnic and the Mother-Daughter Homecoming Brunch.

Among the annual events were serenading on Halloween, a Senior's week, and a scholarship banquet.

For service projects this year, the Gamma Phi Betas collected for Honey Sunday and wrote to servicemen in Viet Nam.

# TP affiliates With national Fraternity AKL

Tau Rho affiliated with Alpha Kappa Lambda to become the newest national fraternity on KSC's campus.

Alpha Kappa Lambda members helped in distributing phone books and with the blood mobile.

They also were active in honoraries, professional organizations and IFC.

They received the highest fraternity average for the past two years with a 2.8.

## ATO's skit takes first place in variety show

One of the Alpha Tau Omega's brightest moments this year came when they placed first in the annual "K" Show, both in the fraternity division and in the over-all scoring. Members of the winning "Junk Band" were Bill Ganz, Jeff Dalton, Greg Johnson, Jim Miller, and Ed Vandenberg.

The ATO's also received other

awards and trophies, including first place in last spring's Bike Race, two wins in yell contests, first place in the intramural archery contest, and second place in this fall's Turkey Trot.

During the spring of 1970, the chapter also placed second in the Greek Sing, and one of the members, Wayne Quincy, was voted

Outstanding Greek Man of the Year.

The Zeta Upsilon also sport the campus victory bell, operating it for pep rallies and football games.

The ATO pledge class worked one hour a week with handicapped children as part of a community service project.

## Beta Sigma Psi moves into newest Greek house

A brotherly ketchup fight in the kitchen of the new Beta Sig house threatens the preparation of a weekend meal.

Although the Xi Chapter of Beta Sigma Psi was only four years old this year, they proved their ability to grow and expand by moving into a new fraternity house for the school year. Their house, located on the corner of 25th and 14th Ave., was built to accommodate 52 men in 2 and 4 man rooms.

The Beta Sigs' service projects of the year included a clothing drive, appealing for donors to the bloodmobile, and numerous contributions to church projects.

They also spent many hours in the cold night air serenading the women's dorms.

The highlight of the Beta Sigma Psi social season came in May when their annual Gold Rose Formal was held, and a queen was crowned.

## Move planned By Phi Delts

The Nebraska Beta chapter of the Phi Delts' main project for the year was looking for a new house. Their goal was completed when they purchased their house at 624 West 25th Street. Since remodeling needs to be done, their move will not be made until next fall when school starts.

Efforts were made for a repeat intramural crown. They won the swimming, and in the middle of the year they were first in their division in basketball and bowling.

Besides helping with the World Affairs Conference, the Phi Delta Theta fraternity sold "Christmas Bucks" for the Optimist International. Each "buck" was sold for a dollar which was used to help underprivileged children and to buy Christmas trees for poor families.

On the social scene, there was the annual Hobo Hop, the Hog Party, and Spring Formal.

## Phi Taus receive second award For administrative excellence

Although the Phi Kappa Tau chapter has only been a national fraternity for three years, they have received an award given by their national for Administrative Excellence two years in a row.

Their claim to campus leadership is Dennis Kavanaugh, who was president of Inter-Fraternity Council, and a member of Student Senate.

Highlighting the Phi Tau's social year, was the Christmas Formal, when the fraternity's sweetheart, Cindy Hiner, was named.

Other social events of the year were the Roaring Twenties party and the Viking party.

Included among the fraternity's philanthropies were the Christmas Bucks sales, and cancer drives.

In addition, the chapter awarded a scholarship to a deserving foreign student each semester.

The chapter also gave an award to the best pledge class on campus each semester—one that they feel have exemplified the ideals of fraternity life.

Climaxing the year the Phi Taus moved into a new house at 2310 9th Ave. The house which accommodates 22 men was previously owned by the Theta Chi fraternity.

## Sig Taus win national chapter efficiency award

Sigma Tau Gamma fraternity was again given a national award at their Leadership Institute held in Oklahoma City in August. The chapter received the third place Thomas A. Hutsill award for chapter efficiency.

During the fall, the fraternity held the first annual powder puff football game, with the proceeds going to the KSC foundation. The Alpha Phi's won first and the Chi O's second.

The annual Toga Tromp in

November and the White Rose Ball in April highlighted the social season.

# Sig Eps sponsor ninth sorority pledge olympics

Selling a pledge on the Sig Eps is important in rushing.

The Sigma Phi Epsilon pledges held their ninth annual Sig Ep Olympics for the sorority pledge classes.

Debby Duncan was chosen to reign as Miss Sig Ep Olympics. The Gamma Phis won the competition.

The fraternity also sold their campus pin-up calendar. The calendar features campus queens, sorority girls and independents.

The group entertained their families with a fall banquet and a spring picnic.

Their social activities include a Halloween house party, the Bowery Ball and their formal which was held in February.

## Theta Chis host function for Wisconsin chapter

Fixing a bicycle is not easy, as these Theta Chis discover.

Kearney State's Theta Chi chapter played host to thirteen members of the Zeta Sigma chapter from River Falls, Wisc., in a late fall function.

Three officers, as well as eight pledges and an alumni advisor attended the regional officers conference held at the University of Nebraska at Omaha also this fall.

Social activities for the Theta Chis included working with the AOPis on a homecoming displays and holding a Christmas decorating party with the Gamma Phis.

With their studies for the evening completed, members of Theta Chi enjoy a "cool one."

## Theta Xi chapter initiates 'Little Sister' program

A Xi and his date are shocked at the light as they emerge from a hay maze at the annual Swamp Stomp.

Last fall the entire Theta Xi fraternity worked to rake leaves around town. Money raised for this project was contributed to the fund for Eugene Mullen.

The fraternity also organized the "Little Sisters of Theta Xi." This group has 13 members and to be eligible for membership they had to be at least lavaliered to a Theta Xi.

In March, the remodeling of the fraternity house was completed. This included painting the inside and outside of the house, laying carpet, and the hanging of draperies. The kitchen was also redone.

In May, the fraternity was host to their national president.

Social activities were the annual Swamp Stomp, a Tom Jones party and their spring formal.

# Three opening wins spark Loper's 5-3-1 season

KSC's football team rolled to three straight wins to start the season enroute to a 5-3-1 season.

## EASTERN MONTANA

Coach Allen Zikmund's squad opened with a 22-15 victory over Eastern Montana, a team which beat the Lopers 41-14 in 1968. Senior quarterback Scott Davis threw two touchdown passes and Randy Nelson returned an intercepted pass 11 yards for another TD to spark the victory.

## FORT HAYS

A strong second half defense powered the Lopers to a 28-12 victory over Fort Hays in the second game of the season.

The Antelopes struck for two

first half touchdowns, one by Buller and one by Gene Staehr but held only a 14-12 halftime lead.

Touchdowns by Kirk Melson and Jerry Jacobsen in the second half sealed the victory as the Loper defensive unit held the Tigers to a minus 25 yards rushing for the game.

## NORTHWEST MISSOURI

A first quarter field goal and a third period TD were all the Antelopes needed to put down pesky NW Missouri 10-0.

Bill Patterson's 31 yard field goal was all the scoring in the first half of the Band Day game.

The only other points came on a TD run of nine yards by Buller.

## WASHBURN

Washburn broke the Antelope's bubble with a 3-0 Homecoming victory played in the mud.

The only score in the game came with 55 seconds remaining in the second quarter when Icabad Eric Larson kicked a 37 yard field goal.

## PERU STATE

Peru's winless Bobcats were no match as KSC rolled to an easy 49-6 victory boosting their record to 4-1.

Kearney rolled up 455 yards in total offense with six different Antelopes scoring TDs.

Bob Buller's plunge is good for a touchdown against Morningside as indicated by the official.

**Jerry Wojtalewicz** puts the pressure on Morningside standout Mike Junck.

**Five NW Missouri tacklers** stop halfback John Makovicka.

**Sophomore quarterback Tim Willits** scrambles against Peru.

Defense like this helped Kearney to a win over NW Missouri.

# Lopers tie Wayne, clip Chadron Before dropping last two contests

## MORNINGSIDE

Morningside completely out-classed the Antelopes 50-15 in the last home game of the season.

KSC's Gregg Cheng kicked a record breaking field goal of 37 yards.

## NORTHERN STATE

Northern completed its second straight undefeated season by clipping the Lopers 33-14 in the season finale.

Jerry Jacobsen and Jon Wibbel's scored Kearney's TD. Both came on passes.

## FRESHMEN

The Loper freshmen finished 2-0 for the season with a 27-14 victory over Concordia and Fort Hays 40-12.

## WAYNE STATE

Wayne and KSC played to a scoreless deadlock. The closest the Lopers came to scoring was in the third quarter when Wayne quarterback Marty Going was nearly caught for a safety.

However, Wayne dominated the game running 84 offensive plays to 63 for KSC.

## CHADRON STATE

Running their record to 5-1-1, Kearney clipped Chadron 31-21. Two explosive runs highlighted the victory. Don Kaup raced 48 yards with a punt for one TD and Jacobsen flew 86 yards on a kickoff for another.

The Antelopes were ahead 31-7 before Chadron got two late TDs.

On the receiving end of a pin-point pass for a touchdown is senior end Gene Staehr.

## Bob Buller tops In three areas

Bob Buller paced the gridders in three categories during the season. The senior halfback was the leading rusher with 608 yards, top scorer with 30 points and number one punter with a 34.9 average.

Scott Davis completed 45 of 111 passes for 645 yards. John Makovicka, Gene Staehr, Buller and Gary Thompson were the top receivers.

The defensive team came up with 17 interceptions with Randy Nelson picking off seven, returning two for touchdowns.

# Molczyk paces Loper harriers; Win over Creighton highlight

Cross-country captain Rick Molczyk led the team in every meet during the 1969 campaign. Included in the Humphrey junior's achievements were a win in Kearney's 16-46 victory over Creighton and first in an AAU meet in South Dakota.

Freshman Dale Dobesh also turned in several sparkling performances for the harriers running second against Creighton and third in the state college meet and the dual against Peru.

The Antelopes stiff competition resulted in only one dual win—over Creighton. The squad lost twice to 1968 and 1969 N.A.I.A. cross-country champion Fort

Hays. In both meets Molczyk finished in the top five to prevent a shutout.

Coach Charlie Foster's runners were second in the District 11 N.A.I.A. behind Peru but ahead of UNO.

## Lopers post best roundball season since 1958

Basketball took an upswing at KSC when the cagers posted their best record since 1958.

A 14-7 mark compiled by coach Wayne Samuelson's crew was also the first winning season for the Lopers since 1961.

The fast breaking, run and gun cagers were the highest scoring

team in Nebraska averaging more than 90 points per game and hitting the 100 mark five times, the most in KSC history. The team had a winning margin of 10.3.

An eight game winning streak at the beginning of the season was the longest since World War II.

Included in the string was the winning of the first place trophy in the KSC Christmas Invitational. The Antelopes beat College of Emporia 70-56 and Westmar 106-70.

One of the biggest wins of the season was a 89-79 triumph over Rocky Mountain king UN-O.

Wes Walden, 6'3" junior from Seward, paced the Antelopes in both scoring and rebounding. Walden averaged more than 17 points and 10 rebounds per game.

Jerry Wiley, Larry Hummel and John Kropp also averaged better than 10 points per game.

Only Wiley and Dan Wilken, hobbled much of the year by a knee injury, will be lost to the team via graduation.

The Loper reserves posted a 7-5 mark with freshman Mike Roi the team's leading performer.

## Diving corps paces Antelope swimming team

Loper swimmers show the form that helped them to a 6-4 mark.

A strong diving squad paced the Antelope swimming team this year. Four divers, Fred Chapp, Rick Ricker, Robbie Winstedt and Rod Adams, all qualified for the national NAIA meet. Scott Adams was the only swimmer to qualify.

Scott Adams set a school record in the 50 yard free style with a time of 23.0.

Other top marks were turned in by Craig Lehr, Greg Johnson and Gary Thompson.

## Gilliland, Fisher rank first, second in wrestling

**Undefeated** for the season, Rod Gilliland attempts another pin.

The Antelope's undefeated ace matman Rod Gilliland, Curtis junior, finished the season with an 11-0-3 record which included 9 pins, 2 wins and 3 draws, to devastate the 177 lb. class.

The squad's number two wrestler Dennis Fisher, Kearney sophomore, was 8-1-2 with 5 pins, 3 wins, 1 draw and 2 losses.

Alliance junior, Ron Burbank closed the season with 4 pins and 4 wins.

Despite a four match slump at the end of the season, KSC placed second in the district invitational behind Chadron, the toughest opponent of the season, who scored 62, five points ahead of Kearney's 57. The Lopers still ranked over Concordia, 48, and Midland, 45.

## Thinclads win 17th straight NCC

Injuries plagued KSC's 1969 outdoor track squad hindering performances of many individuals. However, this did not stop the Antelopes from winning their 17th straight NCC championship and their 20th in 25 years.

The track men also won the College Invitational and placed first in the NAIA District 11. At the Colorado Invitational Dennis Dukesherer placed over-all in the pole vault with a vault of 15-6. The mile relay team of Merle Horst, Nate Butler, Ron Brewer and John Eckhout also did well at the KU relays setting an all-time record of 3:17.1.

KSC won easily in the NAIA District meet with a total of 129

points followed by Wayne with 49, Peru with 40, UNO 32, Midland 9 and Concordia 9.

Some of the individual season bests were highlighted by a school record set by Dukesherer in the triple-jump with a jump of 46.6 $\frac{1}{4}$  in his only jump of the season. Horst also set a record of 54.3 in the intermediate hurdles. Gregg Gass set an all-college record in the 440 with a time of 48.99.

KSC's two-mile relay team captured the NAIA indoor title to spark a successful indoor track season.

Tim Enck, Nate Butler, Wayne Phipps and Rich Molczyk combined to run a 7:53.8 as the Lopers finished 10th in team standings.

The squad captured the eight team Kearney Invitational winning nine events. Top performances were Molczyk's 4:18.8 mile

and a 15-foot vault by Steve Welch. Kirk Yentes became the first freshman to toss the shot over 50 feet.

A two point loss to Fort Hays marred an otherwise perfect season.

Jim Sobieszyk set an indoor record of 6-6 1/4 in the high jump and Phipps lowered the 600 mark to 1:12.9, the top performances.

## Foster retires From coaching

At the close of the indoor track season veteran coach Charlie Foster announced his retirement as of June 30. Foster has been one of the top coaches in the country, coaching KSC to 19 NCC championships in 24 years. He was NAIA coach of the year in 1968.

Foster also served as athletic director and cross country coach.

## Baseballers slip to third in NCC; Osentowski All-American again

After three straight years as NCC king, the KSC Antelopes fell to third place in 1969 behind co-champions Chadron and Wayne.

The Lopers won their first 10 games and were 4-0 in the conference before they skidded to six season-ending losses. In the league's final doubleheader, KSC still had a chance for the title but dropped 5-4 and 3-2 games to Chadron.

However, outfielder Rich Osentowski capped a brilliant four-year career by being selected to the N.A.I.A. All-American team for the third straight year and the NCC team for the fourth time. Osentowski capped his career by hitting .479.

John Makovicka and John Frates were the squads leading pitchers posting identical 4-2 records.

## Antelope golfers triumph in final year of NCC

Kearney State's golf team won the last NCC title in May, 1969, completing one of their finest seasons.

Coach Les Livingston's squad beat the other four conference teams from Peru, Chadron, Wayne and Hastings.

The linksmen posted a 7-0 dual mark with a four stroke loss to Doane in the District 11 NAIA, the only blemish on their record. The team did, however, represent the district in the national NAIA meet.

The Antelope swingers were

paced by John Haney, Steve Stewart, Al Kamrath and Jerry Rockwell.

Victories came over Hastings, Nebraska Wesleyan, South Dakota Tech and traditional state college rival Chadron.

## Women sport Winning marks

Kearney State women's inter-collegiate athletic program completed a successful season with swimming, basketball and volleyball all enjoying winning records.

The sports were under the direction of Miss Joan Bailey, Miss Kathleen Hansen and Miss Rosell Meier.

Two of the swim teams top performers, Nita Lechner and Janis Watson, qualified for the first women's national swim meet.

The basketball and volleyball teams won over such teams as Doane, Concordia, Nebraska, John F. Kennedy and Wesleyan.

## Football added to girls' IM; Volleyball most popular sport

The addition of flag football to the girls' intramural program this year increased the total number of sports available to 13.

Weather conditions cut the sport short but interest was high.

The most popular girls' sport during the year was volleyball. Thirty-two teams competed with Conrad Hall winning. Basketball, with 14 teams, and badminton were next in popularity.

The program for girls, directed by Connie Hansen, is similar to the men's program with leagues

set up and medals and ribbons awarded to the winners.

The intramural program includes basketball, flag, football, volleyball, badminton, pool, bowling, table tennis, golf, archery, swimming, track, tennis and softball.

Leagues were set up with no more than five teams to a league. At the end of the year awards were given. Trophies were awarded to a sweepstakes champion, and to a sorority and independent champion.

Action was often furious, if not always perfect, in the first year of girls' IM football.

## Soccer is newest addition to intramural program

Thirteen teams participated in soccer, a new addition to IM.

Soccer was added to the intramural program for the first time last fall. Although the schedule was not completed because of bad weather, 13 teams took part in the sport.

IM director Leland Copeland replaced flag football with soccer because of the increasing number of injuries in football.

Soccer began a 14 sport agenda which concluded in May with track and field.

Individual awards were given in each sport and a team sweep stake award was given to the team compiling the most points during the season. The '68 champion was Phi Delta Theta.

Tom Carmen, representing the Sig Eps, won the Turkey Trot, IM'S version of cross country. The Hecauwees took the team title in the event.

The Alpha Tau Omega and the Phi Delta Theta teams won the intramural's archery and swim meets, respectively.

In swimming, the Phi Delt's edged the Sig Ep Golds 69-67½ as two meet records were set. The Sig Eps 75-yard medley relay team set a new standard of 38.2 and the Phi Delt's Bob Patterson went 60-2¼ in the plunge.

The ATO team scored 269 points to take the archery meet with Theta Xi second. ATO Duane McCan was top individually with 72 points.

# IM director Copeland dies

Leland Copeland, who built KSC's intramural program into one of the best in the country, died unexpectedly March 10.

Copeland, a KSC staff member for 24 years, was also an associate professor of education.

During the 1969-70 year Copeland's basketball program grew to be the most popular intramural sport. There were 83 teams with more than 800 players participating.

Copeland was also responsible for the addition of all the other intramural sports including the spring slate of track, horseshoes, badminton and volleyball.

## New students Number 2,200

New students this year at KSC numbered over 2,200 out of the enrollment of nearly 4,000 undergraduates.

Additional classes and programs were initiated to give the students more academic freedom. The departments were also reorganized into fields of education, fine arts, math and science, business and technology, and graduate studies.

However, students at KSC receive more than a formal education. They make long-lasting friendships, invaluable in later life.

## Degrees given To over 1,000

Over 1,000 seniors graduated this year in the three commencement exercises of January, May and August.

Although student body growth exceeded 1,000 students during the seniors' tenure, the most obvious change came in the area of physical renovation. Three new buildings were erected—the Fine Arts and R.O.T.C. buildings, and Centennial Towers East.

Achievement is reflected in the faces of these smiling seniors as they receive their diplomas from President Milton J. Hassel.

## *IN RETROSPECT . . .*

This book has tried to focus on the many aspects of life at Kearney State College. We've encompassed all the feelings that plague today's college student and the events that make up his life. Now this focus is over.

The 1970 Blue and Gold has been the product of an organized student effort. It was put together by approximately 20 staff members with the cooperation of the whole student body, administration and faculty.

This is now YOUR book. It's full of YOUR experiences, YOUR interests and YOUR life, but most important, it's full of YOUR memories.
