

## **How To Use This Index:**

### **Sample entry:**

**crows -pest control, letter from J Blow to J Daniels, Sep 3 1903, re crow shooting**

### **Each entry is composed of**

1) a **subject** (in this case, "crows").

2) a **location**. Unless otherwise noted, the location will be a file folder with that label in the south-wall locked cabinets. In this case, the location is a file folder labeled "pest control". A location indicating, for example, "box Library Notes & Quotes", indicates that the item is located in an acid-free box with that label. These boxes are located in the central stack area of the Paine Room.

3) a **description**. The description tells you briefly what the item is. In this case, the description is: "letter from J Blow to J Daniels, Sep 3 1903, re crow shooting".
